Chapter 4291: Spatial control!

4291 Spatial control!

“Who is this woman? His movement technique is ethereal and profound. It’s not ordinary ...”

The Holy corpse Emperor’s eyes widened in curiosity.

“Lower your voice!”

Ye Hongtian broke out in a cold sweat and said in a low voice, “This is the palace Master of the reverse Moon Palace! It’s not something you can criticize!”

“What!”

The Holy corpse Emperor gasped, almost peeing in his pants.

He didn’t dare to interrupt or even look at Yun niyue again.

And now, Yun niyue had personally come to invite Chen Xiaobei.

Once again, the Holy corpse Emperor and ye Hongtian felt the difference between them and Chen Xiaobei.

It was like heaven and earth, they could not be mentioned in the same breath.

“What do you want to say?”

Chen Xiaobei smiled and asked the obvious.

Chen Xiaobei already knew what Yun niyue was going to say.

“Whoosh ...”

Yun niyue released a burst of Saint Qi and enveloped Chen Xiaobei and herself.

This way, no one would be able to hear what they said.

“That day when you came to save her, I saw you use the one word Saint destroyer curse! May I ask who your master is?”

Yun niyue asked in all seriousness.

“My master is the prime of Tongtian,” Chen Xiaobei said jokingly.

“Sect master Tongtian?”

what? ” Yun niyue was stunned. forgive me for my ignorance, but I’ve never heard of this mighty figure ... Did he teach you your one-word Saint destroyer curse? ”

“That’s not it.” I’m sorry, ” Chen Xiaobei said with a smile. I learned the one word Saint-killer curse on my own.

self-study!?

"But I've learned it." "I'll teach you! Chen Xiaobei shrugged and smiled. if you're willing to be my disciple, I can teach you!

"You ... Stop taking advantage of me!"

Yun niyue's pretty face darkened and she said, "If you weren't Supreme Ling Kong's successor, I would have killed you right now!"

"You? Can you kill them?" Chen Xiaobei laughed.

I'm already a peak Saint King. There's no one I can't kill in the heavenly sanctuary! Yun niyue was very confident in her own strength.

"Swish!"

At this moment, another figure descended.

It was Luo Wuji.

who dares to hurt the son-in-law of the Luo clan!

Luo Wuji thought that Yun niyue was going to hurt Chen Xiaobei, so he came over.

Ye Hongtian and the Holy corpse Emperor were both dumbfounded, they quickly explained, "The palace Master of the reverse Moon Palace was only talking to young master Chen. He didn't fight ..."

"Talk?"

Luo Wuji heaved a sigh of relief and sat down to guard Chen Xiaobei.

Within the Saint Origin Energy barrier.

Yun niyue looked at Luo Wuji, then at Chen Xiaobei and said, "no wonder you're so fearless. You have the protection of a peak Holy King!

"I don't need his protection. You can't kill me." Chen Xiaobei shrugged.

"Do you want to try?"

I'll kill you! Yun niyue was extremely domineering. I'll kill you and that peak Holy King as well!

"From your tone, you're probably invincible among your peers, right?" Chen Xiaobei smiled.

I'll say the same thing again. There's no one I can't kill in the heavenly sanctuary! Yun niyue stared at Chen Xiaobei coldly.

alright! Alright! Alright! You're amazing! Chen Xiaobei laughed.

"You little brat! Are you not afraid of death?" Yun niyue was furious. She was very strong, but Chen Xiaobei did not take her seriously.

Chen Xiaobei calmed himself down and said seriously, " stop pretending. I've laid my cards on the table. Actually, I have a deep enmity with the sky burying Yuan sacred clan. I also snatched the one word Saint destroyer curse from one of their clansmen!

this ... This ... This ... Yun niyue was completely stunned.

Yun niyue more or less knew a little about what had happened back then.

During the bloody battle back then, the sky burial Yuan sacred clan had fought to the death with supremacy Ling Kong for the one-word Saint destroyer curse.

Supreme Lord Ling Kong was ambushed and died.

There were two theories back then. One was that a member of the sky burial Yuan sacred clan had stolen the one word Saint destroyer curse and hidden it in an attempt to take it for himself.

Another theory was that supremacy Ling Kong's friend had taken the one-word Saint destroyer curse away and the sky burial Yuan sacred clan had started to hunt him down.

No matter which one was correct, there was a high chance that the one-word Saint destroyer curse would end up in the hands of the sky burial Yuan sacred clan.

That was why Chen Xiaobei said that he had taken this skill from the sky-burial sacred clan.

Yun niyue immediately believed most of it.

Of course, there was still a small part of him that was suspicious.

you said that you stole the cultivation technique, but I suspect that you are a member of the sky burial Yuan sacred clan! The killing intent in Yun niyue's eyes intensified. She was obviously trying to scare Chen Xiaobei.

"You're so stupid."

"If I were a member of the sky burying Yuan sacred clan, would I still be standing here talking to you?" We'll directly use the communication runes to call for reinforcements. Let's see if you die or I die!"

"This ..."

Yun niyue sucked in a breath of cold air, and her heart suddenly jumped.

She was well aware of how powerful the sky burying Yuan sacred clan was.

There was no need for many. Any Saint Emperor would be able to kill everyone.

"Fine ... Even if you're not from the sky burial Yuan sacred clan ..."

Yun niyue was 70% convinced now. but your cultivation is so weak. How can you take back the one word Saint destroyer curse? "

it's a long story. I'll tell you more when I have the chance. Chen Xiaobei shrugged.

"No! You have to make it clear!" Yun niyue didn't give up.

"I don't owe you anything. Do I have to tell you just because you want me to?" Chen Xiaobei shrugged.

"As long as you tell me everything, I can guarantee that you won't die!" I'm not sure, " Yun niyue said. the tournament will change completely. Without me, you'll die!

"I don't need your protection." Chen Xiaobei shrugged and stepped into the air, leaving Yun niyue's saintly elemental energy.

how ... How is this possible?!

Seeing this scene, Yun niyue was stunned.

Her Saint Origin Energy had reached the peak of the Saint King level, and even opponents of the same level would not be able to penetrate it.

This meant that Chen Xiaobei's understanding of the law of space was at least at the level of a divine Emperor.

In other words, no energy, seal, or space below the level of a divine Emperor could trap Chen Xiaobei.

This was extremely terrifying.

"How ... How did he do it?"

Yun niyue would never have guessed that Chen Xiaobei had devoured a black hole storm created by the omniscient divine Emperor. He had also obtained a small portion of the omniscient chaotic eyes 'power.

This way, Chen Xiaobei's control of the space law had soared.

Although it was far from the omniscient divine Emperor.

However, as long as he had a billionth of the omniscient Saint Emperor's control over space, he would be able to move freely under the heavenly sanctuary.

Unless she was ruthless enough to kill him, Yun niyue would not be able to stop Chen Xiaobei with her Saint energy shield.

However, Yun niyue would not kill Chen Xiaobei now.

There were still many secrets about the one word Saint-killer curse that she needed Chen Xiaobei to answer.

"Swish!"

At the same time, Chen Xiaobei had already flown into the arena.

The third round of the competition was about to begin.

[Red Envelope Group of the Three Realms](#)

Chapter 4292: bad news!

"Childe Chen, you ... You just killed the enemy again ..."

Ye Zhilan flew to Chen Xiaobei's side, her face full of shock.

you're not bad yourself. You won the second round easily. Chen Xiaobei smiled.

I was just lucky to be matched with an opponent with a lower cultivation level, unlike you, who killed each other instantly with your own strength ...

Ye Zhilan's eyes were filled with admiration. you've really hidden yourself well. We thought that you were only a true Saint, who knew ...

Before ye Zhilan could finish her sentence, she was interrupted by an extremely harsh voice.

"Chen, your death is coming!"

Tengen fengwu's mouth was wide open, and her face was as fat as a Toad's. She looked like she could swallow Chen Xiaobei whole.

At the same time, there was a cold-faced young man beside her.

He had eyes as cold as ice, and his entire person seemed to exude an extremely cold air.

"It's the heavenly origin Wind Dance and the frost God Dao!"

Ye Zhilan tensed up. Chen Xiaobei had told her about the enmity between her and the two families, so she had been paying close attention to the strongest of the two families 'younger generation.

Tianyuan fengwu was known as the number one genius of the Tianyuan clan and the number one on the small sky ranking. She was definitely powerful.

Han Shendao was Xuan Yongyu's most valued senior direct disciple, known as the number one genius of the southern region and number one on the southern region's minor heaven roll.

Now that the two of them were in front of Chen Xiaobei at the same time, one could only imagine how much ye Zhilan's heart had been affected.

Of course, ye Zhilan was only surprised and not afraid.

This was because ye Zhilan had already found out Chen Xiaobei's true cultivation level from ye Hongtian.

Neither Tengen fengwu nor frosty divine Dao were Chen Xiaobei's match.

So, ye Zhilan was not worried that they would hurt Chen Xiaobei.

"Little brat! The third round of the competition is about to begin. If you let him go now, we can spare your dog life when we meet in the arena later!"

Han Shendao raised his head arrogantly, looking at Chen Xiaobei as if he was a lowly ant.

Tianyuan fengwu grinned and said fiercely, " "Release my brother immediately! Did you hear that? Otherwise, you'll regret it!"

"I hate being threatened." Chen Xiaobei shrugged and said, " "The breath of heavenly essence and xuanyong Feiyan are in my hands, but I won't let them go! If you're not convinced, then bite me!"

They all thought that since they were the best of the younger generation, Chen Xiaobei should have knelt down and begged for mercy when the two of them put pressure on him.

However, Chen Xiaobei did not take them seriously and even threatened them.

Han Shendao and Tengen fengwu had never been treated like this before. They were so angry that they wanted to kill Chen Xiaobei.

However, at this moment, Xuan Yong flew into the air and interrupted everyone's thoughts.

"After the second round, there are two hundred and seventeen contestants left! Among them, 97 people forfeited! As such, there are still 120 participants in the third round!"

Everyone was shocked by his words.

"What's going on?" ye Zhilan was surprised. So many people suddenly forfeited?"

Chen Xiaobei frowned as he recalled what Yun niyue had said. She said that the martial arts competition was about to change, and without her protection, Chen Xiaobei would die.

"Hmph Hmph! Little bastard! It's not too late for you to regret now!" Tianyuan fenghu laughed maliciously, her eyes filled with ferocity.

Han Shendao also sneered, but he didn't say anything, which made him look very sinister.

from this round onwards, the rules of the tournament will change!

in order to select the most outstanding talents, the martial arts competition will change from one-on-one to a ten-person free-for-all. Only the final winner will advance to the next round. The other nine will be eliminated!

Whoosh ... Whoosh ... Whoosh ..

As soon as he said that, the 330 small arenas in the arena gathered, merged, and expanded. In the end, they became 12 big arenas!

According to what Xuan Yongyu said, every ten people would be sent to an arena, and the final Victor would be decided after a free-for-all.

As a result, there would be strong competitors in almost every arena.

Those who wanted to rely on luck to match up with the weak as opponents completely lost their chance.

No wonder so many people forfeited all of a sudden.

He must have known about the change of rules in advance and didn't want to get injured in the melee, so he chose to quit.

"Zhilan, why don't you give up as well?"

what?! Chen Xiaobei frowned. with the change of the rules, your danger level will increase!

"This ..."

Ye Zhilan was a little hesitant. As the young master of the ye family, she naturally wanted to give it her all. Even if she lost, she wanted to lose with honor and dignity.

However, when he thought about it, Chen Xiaobei's words did make sense.

There were many hidden dragons and crouching tigers among the contestants, and many of them were Chen Xiaobei's enemies. If he did not forfeit, it would be very, very dangerous.

"Little brat! If you ask others to forfeit, won't you forfeit?"

"Now that the rules have been changed, the chances of you meeting me and the cold divine Dao are already very high!" If you let him go now, you can still keep your dog life! Otherwise, once you're in the same group as us, you'll be better off dead!"

"Get lost!"

Chen Xiaobei did not want to waste his breath on her. He turned to ye Zhilan and said, " Zhilan, don't hesitate anymore. Just forfeit!

I ... ye Zhilan was just about to speak.

"Swish!"

A beam of white light enveloped ye Zhilan and transported her to the first arena.

"Swish!"

Immediately after, Tengen fengwu was also sent to the first arena.

Even from a distance, she could hear her laughter."Hahaha! The one surnamed Chen! Your little lover is in my hands! If you don't let her go, she will die the first second the competition begins! Hahaha ..."

"You dare!" Chen Xiaobei was furious.

The thing he was most worried about had still happened!

With Tianyuan fengwu's strength as a peak four-star Saint King, she was completely capable of killing ye Zhilan before she admitted defeat.

"Swish!"

To Chen Xiaobei's despair, han Shendao was also sent to the first arena.

Han Shendao did not say anything harsh, but just looked at Chen Xiaobei with a sinister smile.

Without a doubt, the cold God Dao would also make a move on ye Zhilan.

"I'll let him go! Don't hurt her!"

Chen Xiaobei would not bet on ye Zhilan's safety. He was ready to release xuanyong Feiyan and Tengen breath.

"Swish!"

However, Chen Xiaobei was suddenly teleported to the third ring.

The Sumeru dimension was sealed, and Chen Xiaobei could not let her go even if he wanted to.

“Zhilan! He admitted defeat! Just admit defeat!”

Chen Xiaobei shouted, extremely anxious.

Chapter 4293: Super strong enemy!

4293 Super strong enemy!

“I know!”

Ye Zhilan responded to Chen Xiaobei loudly, feeling very nervous.

Even though he was prepared to admit defeat.

However, with the speed of Tianyuan fengwu and the cold divine Dao, ye Zhilan would have been killed before she could even finish her words.

“Elder Luo! Yun niyue! Help me protect her!”

Chen Xiaobei looked at the grandstand.

This might be their last hope.

Luo Wuji and Yun niyue both nodded, but their eyes weren’t firm.

It was obvious that there were people from the Luo family and the reverse Moon Palace in the first arena, but their cultivation was not very strong.

Even if he wanted to protect ye Zhilan, he might not be able to do so with a hundred percent certainty.

Luo Tianji could only do his best to Yun niyue.

Very quickly.

There were already ten participants in each ring.

“Let the competition begin!”

Hearing Xuan Yongyu’s loud announcement, Chen Xiaobei’s nerves tensed up.

His eyes were fixed on the first arena, not caring about the situation on his side at all. He didn’t even look at his opponent.

“Is this kid crazy? You actually dare to turn your back to us?”

The other nine people in the third ring were all staring at Chen Xiaobei’s back.

he doesn’t put us in his eyes. Let’s join forces and destroy him first!

The nine of them exchanged glances and immediately came to a consensus.”Good! We’ll eliminate him first and have one less competitor. It’s good for all of us!”

Obviously, there was no rule that forbade them from joining forces.

The nine of them were obviously going to work together to kill Chen Xiaobei first, and then they would fight for the final victory.

However, Chen Xiaobei was not paying any attention to these nine people.

At first, Chen Xiaobei was very nervous. But now, he was no longer nervous. Instead, he was shocked.

Because the outcome of the battle in the first arena had already been decided!

Originally, Tianyuan fengwu and han Shendao had already aimed at ye Zhilan. The four people of the Luo clan and the reverse moon took the initiative to protect ye Zhilan.

The situation should have been very tense.

However, in just a moment, the outcome was already clear.

He saw a handsome young man in a green robe, his body covered in sword Qi.

With just a thought, he released nine flashes of sword Qi and pressed his nine opponents on the same stage to the ground.

Not only ye Zhilan, but even the powerful Tianyuan fengwu and han Shendao were unable to move. They had no power to fight back and were defeated without any temper.

Without a doubt, if the young man in green had not shown mercy, he could have killed his opponent in the same ring in an instant.

In the end, the other nine had no choice but to admit defeat.

in the first arena, nine people have admitted defeat and forfeited. The winner is from no faction, killer Daoist!

As a loud and clear voice resounded through the entire venue, the audience's eyes all focused on it.

It immediately caused a lot of discussion.

"That young man is too powerful! I can't see through his cultivation at all!"

"Usually, powerful people are nurtured by great forces, but he doesn't belong to any force and has obtained such a cultivation by himself! He's simply a genius!"

"Isn't his name too interesting? Killer Daoist? However, he hasn't killed anyone since the first round. In fact, he hasn't even injured any of his opponents!"

I'm really lucky to be in the same group as him. I can't beat him, but I can still escape.

"Isn't it? Looking at the ninth and seventh arenas, they didn't even have the chance to admit defeat before their bodies and souls were destroyed!

.....

Then, two more loud voices rang out in the arena.

nine people have died in challenge ring No. 7. The victors are the Holy Spirit race's six wings of heavenly fiend!

Everyone's eyes looked over in unison.

The seventh ring was covered in blood and corpses. A young man from the Holy Spirit clan with six wings was licking his fingers.

His tongue was like a snake, long and thin.

His fingers were stained with his opponent's blood and even brain.

The scene was bloody and terrifying. The audience felt their blood run cold.

in the ninth arena, nine people died. The winner is the defiant Moon Palace, exterminated!

Everyone's gaze immediately shifted over.

A bald man with a ferocious face stood proudly in the middle of the field.

He wasn't wearing any clothes, revealing his terrifying muscles. His skin was bronze in color, and it shone with a metallic luster.

His hands were also stained with blood.

All nine of his opponents in this arena had their primordial spirits crushed by him after he had stabbed them into their sea of Qi dantian.

As a result, there was a bloody hole on each of the nine bodies, and the blood and internal organs were all over the ground.

It was like hell on earth.

on the fourth arena, nine people have admitted defeat. The winner is Qin tianlan from the boundless Sacred Palace!

Then, everyone turned to look at the other side.

This arena was interesting.

No one made a move, but the nine people chose to admit defeat in unison.

This was because their opponent was the short-haired girl who had gotten a bye in the previous round.

The organizer acknowledged that this young girl had the strongest cultivation, which meant that she was more terrifying than the three people just now.

Therefore, her opponents immediately cowered the moment they went up the stage. They didn't even move their hands and all of them surrendered.

"A bunch of trash."

The young girl disdainfully walked down the stage.

The nine people on the stage looked at each other, not even daring to breathe loudly.

In fact, even if this young girl's cultivation was low, they would definitely not dare to make a move.

That was because this young lady was from the boundless Sacred Palace!

The boundless Sacred Palace was the organizer of this tournament.

There were so many young geniuses in the southern region who had risked their lives, but in the end, didn't they all want to join the boundless Sacred Palace?

At this moment, the girl's identity was revealed, which added a huge Halo to her invisibly. Ordinary people would not dare to fight her even if they could win.

If you provoke the person behind her, you'll have to wait for a disaster.

Just like that, the third round of the competition had only started for less than ten seconds, and four winners had already been decided.

The free-for-all of the remaining eight rings had just begun.

Whoosh ... Whoosh ... Whoosh ...

In the third ring, the nine of them joined forces and channeled their Saint Qi to crush Chen Xiaobei, who had his back to them.

Initially, Chen Xiaobei had been worried about ye Zhilan and did not have the time to care about them.

However, ye Zhilan was no longer in danger.

It was time for Chen Xiaobei to make a move.

"Whoosh ..."

Chen Xiaobei then activated his primordial Spirit's special ability.

A terrifying black hole storm appeared behind Chen Xiaobei.

In this black hole storm, one could even see all kinds of strange phenomena! For example, the immortal-killing sword Qi! It was the Dharma power of the Pangu axe! The Dharma laksana of the good fortune Jade plate! The heavenly Dao Holy Lotus! Wait, wait, wait ...

The twisted space directly twisted the attacks of the nine opponents.

The terrifying suction force that erupted from the black hole instantly pulled the nine of them over, forcibly dragging them into the black hole.

"Ka ka ka ... Ka ka ka ..."

With a series of crisp sounds, the nine people's bone armors were crushed by the black hole storm. Their bodies were twisted and deformed like fried dough twists.

"We admit defeat ... We admit defeat ..."

Chapter 4294: Stunning the entire audience!

4294 Stunning the entire audience!

in the third arena, nine people have admitted defeat. The winner is Chen Wuming of the corpse temple!

A loud voice was heard, and all eyes were once again on Chen Xiaobei.

Last time, most of them did not pay much attention to Chen Xiaobei. Some of the powerful leaders did not even care about Chen Xiaobei.

But now, they were all looking at Chen Xiaobei with a strange look in their eyes.

Two of the contestants who were in the same ring as Chen Xiaobei were Intermediate 5-star Holy Kings.

There was even a late-stage five star Saint King.

In just one move, Chen Xiaobei had defeated all of them.

If Chen Xiaobei wanted to, he could kill them all in seconds.

This was extremely terrifying.

Luo Fengxi and Luo Zidan were dumbfounded.

“What ... What should we do? The people we’ve arranged for them to be destroyed in an instant!” Luo Fengxi frowned.

Just now, Luo Wuji had ordered the Luo family to surrender to Chen Xiaobei.

Meanwhile, Luo Fengxi and Luo Zidan had already arranged for someone else to deal with Chen Xiaobei.

And the person they arranged was precisely that late-stage five-star Saint King.

Luo Zidan was so angry that she gritted her teeth and said, ‘that kid has hidden his strength too well. He can actually kill someone of a lower realm in seconds ... What kind of Foundation is this? What a talent ... No wonder the old ancestor is protecting him!’

“What should we do now? You’re just going to swallow the anger of being slapped in the face by him last time?” Luo Fengxi was not convinced.

just bear with it for now ... Even if we attack now, the old ancestor will not agree ... Luo Zidan was extremely depressed, but there was nothing she could do.

On the other side.

The Tianyuan clan’s grandstand.

“H-how is this possible? Then ... Why is that kid so terrifying?”

Tianyuan fengwu was dumbfounded. Her mouth was wide open and her eyes were wide open, just like the female version of Meng zhangfei.

“Foolish!”

The patriarch of the Tian Yuan clan, Tian Yuanjie, frowned and angrily shouted, "You didn't even know your opponent's background and you dared to offend him! Do you know how much of a disaster this will bring to the family?"

"Idiot!"

"This world is full of crouching tigers and hidden dragons!" Tian Yuanjie said angrily. Do you think what you saw was real? What you see is only what the master wants you to see!"

"This ..."

"Old ancestor, you're overestimating this kid!" Tengen fengwu said in embarrassment. Is he worthy of being called an expert?"

an intermediate five star Saint King can fight a lower cultivation level opponent. Isn't that a master? "

"If I'm not wrong, the intermediate five star Saint King that we're seeing now is only what he wants us to see!" Tian Yuanjie said solemnly.

"You ... You mean he's still hiding something?" Dancing wind of Tengen gasped.

Chen Xiaobei was already terrifying enough.

If he was still hiding something, wouldn't that be heaven-defying?

"Pass on this old man's orders!"

Chen Wuming! Tianyuan gang said seriously, " from me, no one in the Tianyuan clan is allowed to provoke Chen Wuming!

but ... Tianyuan fengwu said, embarrassed, " "We have been allies with the Xuan Yong clan for generations, and they have a death grudge against that Chen clan. Moreover, the abundance of heavenly Yuan is in the hands of that Chen fellow!"

"If the Xuan Yong clan wants to die, we won't die with them!"

Tian Yuanjie frowned. as for Feng Xi, I'll go and beg young master Chen later. If he can be saved, then he will. If he can't, then he can only sacrifice the war chariot to save the general!

"What? Is it ... That serious?" Dancing wind of Tengen's face turned pale.

Never in her wildest dreams would she have thought that her Grand Elder would be so afraid of Chen Xiaobei!

In order to avoid Chen Xiaobei's revenge, he could even give up his direct descendant, Tengen breath.

The Xuan Yong clan's viewing platform.

Han Shendao walked back dejectedly.

Chen Xiaobei's strength had given him a huge psychological shock.

He had always regarded Chen Xiaobei as an ant.

At this moment, he realized that he was the pitiful and laughable ant.

If he had been in the same ring as Chen Xiaobei, his body and soul would have been destroyed.

As the number one super genius of the southern region's minor heaven roll, Han Shendao's self-confidence had been severely damaged. He had even begun to doubt his life.

Without a doubt, Chen Xiaobei's name had become a demon in the sect's heart.

If the Frost God sect couldn't let it go, their Dao heart would never be clear, and their cultivation would never improve.

In the surroundings, the faces of the people from the Xuan Yong clan turned red and green.

In the beginning, they had also thought of Chen Xiaobei as a pushover.

But now, they could clearly see that Chen Xiaobei's power was enough to destroy the entire Xuanyong clan.

Even the old ancestor, Xuan Yongyu, was no match for Chen Xiaobei.

This blow was like a bolt of lightning that struck the entire Xuan Yong clan. They did not dare to say anything bad about Chen Xiaobei anymore.

At the same time.

The four super-elites who had just won their battle also had their eyes on Chen Xiaobei.

The six-winged heavenly demon licked his lips and grinned greedily. He looked at Chen Xiaobei as if he was looking at a delicious meal.

Tu Mie snorted coldly and walked back to the stand of the defiant Moon Palace with disdain.

Killer Daoist had a bright smile on his face and even waved at Chen Xiaobei to show his friendliness.

Qin Tianlan's expression changed slightly, and she changed her words, "I've underestimated him. He's already out of the ranks of trash by being able to fight those of lower cultivation levels.

On the other side.

Chen Xiaobei returned to his own stand.

Luo Wuji couldn't stop smiling. "Young master Chen! You've really surprised this old man! It's really Bodhi's good fortune to have a husband like you!"

Ye Hongtian's mouth twitched, "Child Chen!" You're already married? However, it's normal for a man to have three wives and four concubines!"

Ye Zhilan's pretty face blushed at the side and she didn't dare to interrupt.

Child Chen," the sacred corpse Emperor said, "you said I could be your disciple. Do you still mean it?"

Chen Xiaobei smiled and did not say anything. He walked straight to Yun Niyue.

"Whoosh ..."

Once again, Yun niyue released her Saint energy and covered herself and Chen Xiaobei.

Yun niyue had just said that without his protection, Chen Xiaobei would have died.

But now, Chen Xiaobei was standing right in front of her.

This made her a little embarrassed.

you're really something, kid. You can actually fight those at lower cultivation levels! Yun niyue said softly.

don't you know that I've cultivated the one character Saint destroyer incantation? as long as I'm willing, I can even fight opponents of a higher cultivation realm! Chen Xiaobei smiled.

The effect of a peak Saint Emperor cultivation method on the battlefield of Saint Kings was obvious.

"I want to know the truth!" Yun niyue looked at Chen Xiaobei with a serious expression.

"Sure!"

alright! Chen Xiaobei nodded. since you protected ye Zhilan just now, I'll tell you!

[Red Envelope Group of the Three Realms](#)

Chapter 4295: The entire place exploded!

4295 The entire place exploded!

After that, Chen Xiaobei told him everything about how he accidentally entered the Holy Cross and how he met old crazy.

"You're saying that this crazy old man has the bloodline of the sacred ROC Race? He even possesses the ultimate form of the Holy abyss?"

Yun niyue's beautiful eyes widened and she exclaimed, " if that's the case, crazy old man might be a member of supremacy Ling Kong's family!

I've also found some clues. Old Feng's family was captured by the enemy and they threatened him to hand over the one word Saint destroyer curse. His entire family was killed to protect the cultivation technique, and he's all alone now!

"This can't be wrong!"

"There was a rumor that the one word Saint destroyer curse was taken away by Supreme Ling Kong's men," Yun niyue said."The sky burying Yuan sacred clan began to pursue this person endlessly! This person should be old Feng!"

another rumor is that the one word Saint destroyer curse has fallen into the hands of a sky burial Yuan sacred clan member. He has kept the secret, and this person is the heavenly Dao you mentioned!

however, after old Feng memorized the incantation, he destroyed the book that recorded it. The heavenly Dao has been sealing old Feng, but it has never obtained the content of the one word Saint destroyer incantation.

Yun niyue was very smart. She linked Chen Xiaobei's story to the rumors in the world and proved the credibility and authenticity of the story.

At this point, Yun niyue and Chen Xiaobei had established a mutual trust.

"Let's talk about you. Why are you so concerned about the one word Holy extermination curse?" Chen Xiaobei asked.

When he was using omniscient eyes, Chen Xiaobei only knew that Yun niyue and the sky-burier sacred clan had a huge feud, but he did not know the details.

Yun niyue nodded and said, "my niyue Yun clan was originally a force from the heavenly sanctuary, and we've been friends with supremacy Ling Kong's family for generations!" The two great families have close communication and frequently intermarry. They can almost be considered one family!"

however, just because the sky burying Yuan sacred clan had their eyes on the one word Saint destroyer curse, they launched a war to exterminate the lingkong clan. We, the Yun clan, can't just stand by and watch them die. Thus, we were dragged into the war!

"The result is as you can imagine. With the death of Lord Ling Kong, the Ling Kong clan and my Yun clan were completely wiped out! The old, the weak, the women, and the children of the two races were massacred on a large scale by the sky burial Yuan sacred clan, while the powerhouses were sealed and turned into livestock in their pens!"

Yun niyue's eyes were filled with tears as she spoke. Her entire body was exuding an almost tangible anger. He clenched his fists so tightly that his knuckles turned white.

"I see."

"Since we have the same enemy, it'll be easy!" Chen Xiaobei said.

"What do you mean by that?"

what? " Yun niyue's expression changed slightly. you also have a grudge against the sky burying Yuan sacred clan? "

"Of course! And it's an irreconcilable enmity!" Chen Xiaobei said.

"You're lying!"

"Granny ghost saw you use the sky burial Yuan Sage Great Yuan Sage eternal curse with her own eyes!" Yun niyue said angrily.

Xuan Yongyu's loud voice interrupted the conversation between Yun niyue and Chen Xiaobei.

"Let's see how I perform. You'll know that I'm not lying to you!"

Chen Xiaobei smiled and flew into the arena.

Yun niyue looked at Chen Xiaobei's back in a daze, as if she had seen a glimmer of light and hope in the endless darkness.

If Chen Xiaobei was telling the truth, she would no longer be lonely and helpless.

“Shua shua shua ...”

Other than Chen Xiaobei, only the four super-elites from earlier had flown into the arena.

As for the other seven victors of the previous round, they had clearly already forfeited.

The difference in strength was too great.

If he was lucky enough to meet killer Daoist, he would be safe and sound for the time being.

If they were a little unluckier and encountered Qin tianlan, perhaps it would be the outcome of their physical bodies being crippled.

If he were to encounter tu mie or the six Wings of Heaven demon, he would not even have the chance to admit defeat and would die immediately.

As for Chen Xiaobei, the eight winners of the previous round did not pay much attention to him.

This was because all eight of them were a whole realm higher than Chen Xiaobei.

Although Chen Xiaobei could fight those of lower cultivation levels, they would never believe that he could fight those of higher cultivation levels.

Therefore, in their eyes, Chen Xiaobei’s decision to not give up this round was a death wish!

Seeking death!

as the other participants have forfeited, the five of you will engage in a chaotic battle in this round of the competition!

With Xuan Yongyu’s order, the 12 stages started to merge together.

It formed a huge arena.

“Shua shua shua ...”

Then, the five of them were teleported to the arena.

please wait for a moment. The three emissaries from the boundless Sacred Palace will be arriving soon. When the time comes, they will announce the start of the battle!

Xuan Yongyu said loudly.

As soon as he said that, the crowd immediately boiled over.

The main character was finally going to appear.

Whoever could perform well in this final round would have a chance to be recruited into the boundless Sacred Palace.

That would really be a meteoric rise to ninety thousand li, and from then on, he would be above the earth Holy region, looking down on all living things.

Whoosh ... Whoosh ... Whoosh ...

Soon, three space bridges appeared in the battle space.

This was an independent space. After the space door closed, anyone below the space level could not enter or leave.

As mentioned before, in order to prevent the eruption of a Saint Emperor's power, this battle space had been built to the level of a two star Saint Emperor.

Those who were lower than this level would not be able to leave even if they shattered the void.

The three people who had appeared at this moment were not only able to enter, but they were also using a method that was more advanced than crushing the void.

They would build three rainbow-like spatial bridges and appear on the rainbows.

It was elegant and ethereal, with an extraordinary aura. It was even more high-end and Grand than the crackling of the void.

All of a sudden, everyone's eyes were focused on him.

It was as if he was looking at a God as he stared at the three emissaries from the Holy Palace.

There were even some people who knelt down on the ground, kowtowing three times and bowing nine times, as if they were worshiping a religion. They were extremely pious.

They were three men in white.

The person in the middle had white hair and a white beard. He had the air of a Sage, and his every move was like that of a great master. The Dao runes and Holy brilliance behind his head were even more dazzling, like the nine-colored sun.

There were two middle-aged men on his left and right. They had sword-like eyebrows and bright eyes. They were handsome, and the Dao runes behind their heads were like seven-colored stars. They were sacred and extraordinary.

The three of them landed on the stands that had been prepared for them.

There were three purple-gold Thrones in the stands.

However, the three of them did not sit down immediately. Instead, they all looked at Qin tianlan.

Seeing Qin tianlan nod her head with a look of disdain, the three of them sat down.

"I am the great elder of the boundless Sacred Palace, Gongsun Ci! These two are the ninth elder, Qin Zongheng, and the eleventh elder, Qin Xuanton!"

The old man in the middle said in a deep voice, "the next competition will not be a five-man free-for-all, but a four-man one!" The young miss of the boundless Sacred Palace, Qin tianlan, will no longer be participating in the battle! When the four of you decide the winner, the final winner will fight with the young miss!"

As soon as he said that, the entire place exploded.

Chapter 4296: war!

Everyone had guessed that Qin tianlan's identity was extraordinary.

He would never have imagined that this short-haired girl had such a terrifying identity.

Young miss!

This meant that the entire boundless Holy Palace belonged to their family.

With the power behind her and her own talent, her strength was simply unimaginable.

And the person he was going to challenge in this competition was actually her.

In the eyes of most people, it was impossible for anyone below the heavenly sanctuary to be her match.

"Whoosh ..."

At the same time, the 12 arenas from before merged again to form a huge arena.

Shua shua shua!

Then, Chen Xiaobei, killer Daoist, six Wings of Heaven demon, and tu mie were sent to the arena.

The three emissaries from the Holy Palace looked down at the four people.

When she saw killer Daoist, six Wings of Heaven demon, and tu mie, first elder Gongsun Ci even nodded in satisfaction.

The two elders with the surname Qin on the left and right were also quite satisfied.

In fact, he had already started to plan in his heart. Regardless of the final outcome, he would recruit these three people into the boundless Sacred Palace.

But when they saw Chen Xiaobei, their expressions changed.

"It's already the fourth round, why are there still five star Saint Kings present? How did he advance?" Gongsun Ci's brows furrowed.

According to their calculations, the weak should have been eliminated in the first three rounds.

Even if he wasn't eliminated, he should have retreated and admitted defeat.

But Chen Xiaobei was standing right in the middle of the field.

Could it be that this kid was not afraid of death?

Qin Zongheng was a little disdainful. maybe he's just lucky. He kept getting matched with weaklings. That's how he managed to enter the fourth round!

"It's not rare to have good luck, but this person is too stupid." Qin Xuanton sneered. his opponents in the fourth round are all top-notch geniuses of the earth Holy region. Does he want to win by luck? "

It was extremely foolish to insist on participating in the fourth round.

On the grandstand.

The various forces also had different opinions of Chen Xiaobei.

The xuanyong clan was gloating and laughing at Chen Xiaobei's stupidity. They were waiting to see Chen Xiaobei killed.

On the Tianyuan clan's side, Tianyuan fengwu was also very excited. She thought that Chen Xiaobei was dead for sure. Even the Tianyuan gang, who had always been wary of Chen Xiaobei, had changed their opinion. They thought that Chen Xiaobei would be courting death if he did not forfeit.

On the Luo family's side, Luo Fengxi and Luo Zidan were extremely excited. They were upset that their plan to kill Chen Xiaobei had failed. They did not expect that Chen Xiaobei would jump into the fire pit of his own accord. This was the result they wanted to see.

Ye Hongtian, ye Zhilan, and the corpse Saint Emperor broke out in a cold sweat as their hearts clenched.

Even people like Luo Wuji and Yun niyue were ashen-faced.

Chen Xiaobei did not seem to have any chance of winning.

"The four of you, this old man will give you one more chance. If you want to forfeit, there's still time!"

Gongsun Ci was just like his name, and he was kind.

His words were obviously meant for Chen Xiaobei.

He hoped that Chen Xiaobei would recognize the situation and give up so that he would not lose his life in vain.

Killer Daoist, six Wings of Heaven demon, and tu mie all turned to look at Chen Xiaobei.

It was obvious that the three of them would not give up.

They just had to wait for Chen Xiaobei to make his decision.

"Many thanks for senior's good intentions, but I don't intend to give up."

Chen Xiaobei knew what was good for him and cupped his hands at Gongsun Ci.

"Hmph! You really are an idiot who doesn't know death!"

Tu mie grinned and glared at Chen Xiaobei. His hands were now in the shape of dragon claws.

As soon as the match started, he would use his claws to empty Chen Xiaobei's dantian and crush Chen Xiaobei's primordial spirit.

"You kill that little ant first, then we'll slowly play."

The six-winged heavenly fiend laughed sinisterly, not treating Chen Xiaobei as an opponent at all.

He did not even bother to attack Chen Xiaobei.

Killer Daoist was standing there with a smile on his face. He looked harmless and did not seem to be hostile. He did not seem to want to help Chen Xiaobei.

He simply looked on like he was watching a show.

since all of you have forfeited, I hereby announce that the fourth round of the competition has officially begun!

Gongsun Ci looked at Chen Xiaobei coldly, as if he was blaming him for not knowing what was good for him.

“Whoosh ...”

With Gongsun Ci’s order, the central fighting ring was enveloped by an energy barrier.

This also meant that the battle had officially begun.

“BOOM!”

In an instant, blood-colored Saint Origin Energy ignited on tu mie’s body. His already ferocious face instantly became like a skull burning in blood-colored flames.

Judging from the Saint Origin Energy’s ripples, tu mie had already reached the middle to late six star Saint King realm.

However, he looked down on Chen Xiaobei, so it was likely that he had not given it his all.

“Slaughter!”

At this moment, Yun niyue loudly said, “Don’t kill him!”

Tu mie’s face darkened. His eyes suddenly turned cold and arrogant as he roared, “After today, I will be a disciple of the boundless Sacred Palace! Yun niyue, do you think I will still listen to you?”

you ... Yun niyue’s face was shocked, and her eyes were filled with worry.

As the master of the reverse moon, she was very clear that tu mie was extremely talented and ambitious. Even in the past, it was difficult to control.

Not to mention, tu mie now had the opportunity to soar up to 90000 li.

Naturally, he wouldn’t be convinced by Yun niyue.

“This is bad ...”

Yun niyue’s heart clenched.

If slaughter was not bound, Chen Xiaobei would be dead.

Everyone on his side also revealed a look of fear and worry.

Even if tu mie did not hide his cultivation, his cultivation as a six star Holy King was already one level higher than Chen Xiaobei’s.

There was no way to compare the strength of the two sides.

There was no way Chen Xiaobei would survive.

Ye Zhilan's eyes started to redden.

"Swish!"

At the same time, tu mie had already charged out like a death god in blood-red flames, ready to take Chen Xiaobei's life.

His Saint Origin Energy surged, causing time and space to distort.

Without the energy barrier, many of the spectators would have died from the aftershock.

"The ultimate form of the Holy abyss! The twelve blood essences of the Holy ancestor!"

Chen Xiaobei activated the power of his cultivation technique and bloodline.

He directly threw a punch at tu mie.

"Boom boom boom ..."

Tu mie's speed was extremely fast, and in the blink of an eye, he was already in the middle of Chen Xiaobei's attack.

Tu mie's blood-red Dragon Claw met Chen Xiaobei's heavy punch.

Logically speaking, there should be no suspense.

But the result shocked everyone.

Chapter 4297: exterminated!

"Swish!"

Tu mie, who had an absolute advantage in cultivation, was sent flying. Like a meteorite, he crashed into the energy barrier.

The sacred Emperor barrier trembled from the impact.

uh ... This ... How is this possible!?

Tu mie struggled to get up. The hand that Chen Xiaobei had used to fight him was in so much pain that he felt like his bones were about to break.

He was in so much pain that he kept trembling.

His pupils shrank as he looked at Chen Xiaobei in disbelief, as if he was a monster.

"Whoosh ..."

Chen Xiaobei's body glowed with holy light, like a Holy star that had descended to the world.

The twelve blood-red Dharma forms formed a giant Holy Radiance.

Under the shroud of the light of the Holy abyss, it presented an extremely sacred and majestic atmosphere.

There was even an auspicious light that descended, shaking the heavens and earth.

how did this happen?!

For a moment, not only tu mie, but everyone at the scene revealed a look of disbelief.

Just a second ago, they thought that Chen Xiaobei would lose. They thought that Chen Xiaobei did not know what was good for him.

Chen Xiaobei had sent tu mie flying with one punch and slapped the faces of all those who looked down on him.

The xuanyong clan's people's faces were ashen, and they did not dare to say anything bad about Chen Xiaobei.

Tengen fengwu also kept her mouth shut. Her already ugly face was filled with fear. She looked at Chen Xiaobei as if he was a giant that could not be offended.

The Tianyuan clan gulped. They had made up their mind that no matter what happened in the future, the Tianyuan clan must never become Chen Xiaobei's enemy.

"What ... What is going on?"

Qin Xuantong suddenly stood up from his throne and said in disbelief, " there's actually someone in the earth Saint realm who can fight against those of a higher realm? "

"No... It's not a battle! It's suppressing an opponent of a higher cultivation level!" Qin Zongheng swallowed his saliva. His head was buzzing.

Even the calm Gongsun Ci was dumbfounded."This ... This is a super genius that is hard to come by in a trillion years! Even in the heavenly sanctuary, he's the target of all the major forces!"

Qin tianlan's bright eyes flickered. Her fair and beautiful face revealed a look of surprise. I've never seen such a talent before. He's definitely a genius!

She had thought that Chen Xiaobei was half a piece of trash.

They were all amazed by Chen Xiaobei's performance and were full of praise.

On their side of the stands.

Ye Hongtian, ye Zhilan, and the Holy corpse Emperor all heaved a sigh of relief. At the same time, they were also shocked by Chen Xiaobei's terrifying power.

He did not expect Chen Xiaobei to have held back.

The more Luo Wuji looked at Chen Xiaobei, the more he liked him. "Young master Chen! You have to survive. Even if you can't enter the boundless Holy Palace, the Luo clan of the Saint Duke will do our best to nurture you and support you!"

too ... Too strong ... Yun niyue's Red lips were half-open, and her eyes were wide open. She could not believe that Chen Xiaobei could defeat tu mie, who was a realm higher than him.

Even though tu mie didn't use his full strength, it was already extremely terrifying.

In the heavenly sanctuary, almost no one could fight a higher realm, let alone suppress an enemy of a higher realm.

This was simply a miracle!

On the arena.

"Kid, I didn't use my full strength just now!" Tu mie gritted his teeth as the Saint Origin Energy in his body began to surge.

"Looking at that kid's expression, it seems like he didn't use all his strength!" The six Wings of Heaven demon squinted his eyes and sneered.

Clearly, he was deliberately fanning the flames.

Tu mie was instantly enraged. He grinned and roared, "So what if he didn't use his full strength? I'm only a late-stage eight star Saint King, so how could I not be able to deal with him?"

"Boom boom boom ..."

As soon as he finished speaking, blood-colored Saint Origin Energy burst out of tu mie's body and enveloped the entire space.

A huge Dragon Claw blood demon suddenly appeared.

The energy barrier seemed to be about to burst.

The audience broke out in a cold sweat.

Luo Fengxi and Luo Zidan's eyes widened."Too ... Too terrifying! I can't believe there's such a powerful existence in the younger generation of the earth Holy region!"

Even though the two of them were core elders of the Luo family, their cultivation levels were far from tu mie's.

we can rest assured now. That Chen fellow is dead for sure! Luo Zidan gritted her teeth and looked very excited.

Luo Fengxi squinted his eyes. once this kid is dead, Luo puti and that bastard will have no one to rely on. Our ancestor will definitely spend a lot of effort to raise our son!

Obviously, the two of them had been hoping that Chen Xiaobei would die.

At this moment, in their eyes, the opportunity had come.

sky of blood!!!

Tu mie let out a furious roar.

Everyone on Chen Xiaobei's side felt their hearts clench.

Once again, Chen Xiaobei's enemies were excited to see Chen Xiaobei die.

“Woof!”

Under everyone’s gaze, tu mie and the Dragon Claw blood demon became one.

It was like the perfect combination of yin and yang, instantly erupting with even more terrifying power.

“He’s pretty strong.”

Killer Daoist, who had been silent all this time, couldn’t help but exclaim, “ although it’s said to be a late-stage eight stars Saint King, in fact, this power is already infinitely close to a Peak Eight stars Saint King!

“Heh, if this is his full strength, then this battle is between you and me!” The six-winged heavenly fiend laughed hideously.

Killer Daoist didn’t comment, still wearing that harmless smile.

“Woof! Whoosh!”

The Dragon Claw blood demon’s huge, sharp claws came down on Chen Xiaobei from both sides.

The terrifying power even tore open a spatial Rift.

There was also the wind lightning sacred flame, which left long afterimages in its wake.

An endless pressure descended, as if the end of the world had arrived.

“One word, exterminate!”

Chen Xiaobei did not even bat an eyelid as he activated the one character Saint-killer curse.

There was no extra movement, no gorgeous holy light, just a simple punch.

“Boom boom boom ...”

In an instant, the Dragon Claw blood devil image was like a piece of bloody tofu, directly caved in.

The fist force stirred up a storm and shattered the entire Dharma form in the depression.

“Pfft ...”

Tu mie spat out a mouthful of blood and flew out of the Dharma idol.

He fell heavily beside the six Wings of Heaven demon.

“Cough cough ... Pfft ...”

Tu mie knelt on the ground and kept coughing out blood. He was obviously heavily injured.

In fact, Chen Xiaobei was only being merciful because of Yun niyue.

Otherwise, the one word Holy extermination curse could fight opponents four levels higher than him. Chen Xiaobei’s full-powered attack would have been enough to destroy tu mie’s body and soul.

I ... I acknowledge ... Ugh!!!

Tu mie was about to admit defeat when he suddenly felt a sharp pain in his dantian.

The six Wings of Heaven demon suddenly attacked. Their scaly palms pierced through tu mie's dantian and dug out his primordial spirit along with his flesh and blood. Then, they brought him to their mouths.

[Red Envelope Group of the Three Realms](#)

Chapter 4298: Sword formation!

4298 Sword formation!

Tu mie had been using this move to kill people just now.

However, he had never imagined that he would die under this move.

The six Wings of Heaven demon were even more brutal and bloody than tu mie. They actually swallowed tu mie's primordial spirit and flesh.

At this point, tu mie was completely dead.

There were only three people left in the arena.

"Hiss hiss hiss ..."

The six Wings of Heaven demon licked his lips with his long and thin snake-like tongue and revealed a satisfied and hideous smile.

Killer Daoist's expression did not change. He was unmoved by the bloody and brutal scene. He just looked at Chen Xiaobei with great interest.

In an instant, the scene once again stirred up a huge uproar.

The xuanyong clan and Tianyuan clan were both dead silent.

Luo Zidan and Luo Fengxi's faces turned green. They were praying that Chen Xiaobei would not survive, or they would not have a good life.

Ye Hongtian and ye Zhilan were dumbfounded. They felt like they were in a dream.

The Holy corpse Emperor was even more determined to become Chen Xiaobei's disciple.

Luo Wuji was overjoyed. He had already seen Chen Xiaobei as the future of the Luo family!

this ... This brat's cultivation method is too terrifying ... To actually be able to battle three major cultivation realms higher!

Qin Xuanton and Qin Zongheng both stood up. Their eyes were filled with endless shock."Great elder, can you see the mystery?"

in the first exchange, I probably used a one star Saint Emperor level body refining technique and a mid five star Saint King level bloodline power ...

Gongsun Ci's brows furrowed. I can't tell after the second clash ... It's probably a high level Saint Emperor cultivation technique. Otherwise, it's impossible for him to fight someone three cultivation realms higher!

It had to be said that Gongsun Ci still had a good eye.

Chen Xiaobei had used the ultimate form of the Holy abyss and the power of Pangu's blood essence in their first encounter.

In the heart of Hongmeng, the chaos Mark's level had increased with Chen Xiaobei's cultivation to intermediate five star Holy King. So, the power of the Pangu true form's bloodline had also been greatly improved, allowing Chen Xiaobei to be able to send tu and the others a level higher.

In their second encounter, Chen Xiaobei used the one word Saint-killer curse.

However, in order to hide it from the public, Chen Xiaobei held back most of his power and did not form the life word Dharma.

Furthermore, the level of the one word Saint destroyer curse far exceeded Gongsun Ci's cultivation. Therefore, Gongsun Ci could not even tell the level of the one word Saint destroyer curse.

"This is unbelievable!"

The way Qin tianlan looked at Chen Xiaobei had completely changed. "First elder, I want to choose him!"

"Se ... Choose him?"

Gongsun Ci was stunned for a moment, although his cultivation technique is powerful, his strength is far from comparable to the other two! There's no way to win!"

"Strength can be improved! However, I can't improve my talent and Foundation!"

Qin tianlan's bright eyes gleamed as she said solemnly, " as long as I train him well, he will definitely achieve great things!

"I understand ..."

yes! Gongsun Ci nodded. if he's in danger, I'll protect him!

Qin tianlan nodded and continued to look at Chen Xiaobei, afraid that she would miss out on any details.

At the same time.

The person who was the most shocked at the scene was actually Yun niyue.

She was the only one who knew that Chen Xiaobei had used the one word Saint-killer curse.

After granny ghost's reminder, she finally realized Chen Xiaobei's true identity.

He was the descendant of the Saint pan clan!

At first, Yun niyue still had some doubts about Chen Xiaobei but now, she could trust him completely.

That was because the enmity between the Saint pan clan and the sky-burier Yuan sacred clan was no less than the enmity between the Yun clan and the sky-burier Yuan sacred clan.

Yun niyue had also made up her mind that if Chen Xiaobei was in danger in the ring, she would protect him at all costs.

Yun niyue had said before that there was no one in the heavenly sanctuary that she couldn't kill.

In fact, he was being too modest.

She had a Saint Emperor trump card of the Yun clan.

It was enough to keep Chen Xiaobei alive.

On the arena.

Chen Xiaobei, the six wings of heavenly demon, and killer Daoist had formed a three-sided force.

No one made the first move.

This was because if any two of them fought, there would be a situation where the third party would benefit from the fight between the Sandpiper and clam.

Chen Xiaobei was not in a hurry. He secretly activated the grade 12 Golden Lotus of merit's special ability to replenish his consumed mental power and Saint Qi.

Although the one word Saint-killer curse was powerful, it also consumed a lot of energy.

The six-winged heaven demon laughed coldly and was about to fan the flames."Killer Daoist, you're going to deal with this kid? Or should I do it?"

"As you wish."

Killer Daoist shrugged his shoulders with an indifferent expression.

Just as Gongsun CI had said, Chen Xiaobei's cultivation was too weak even though his cultivation was powerful.

Even if they could fight across three major realms, they were still no match for killer Daoist and the six Wings of Heaven demon.

So, they did not take Chen Xiaobei seriously.

"Then why don't you go!"

"Don't worry, I won't interfere when you're fighting!" The six-winged heavenly fiend said indifferently.

"I don't believe you,"

"However, I'm confident that I'll be able to take care of this Child Chen before you make a move!" Killer Daoist smiled.

"Hahaha ... Good spirit! That will depend on your performance!" The six-winged heaven fiend laughed smugly, but there was a sinister look in his eyes.

"Swish!"

The next moment, killer Daoist took a step forward.

Suddenly, sword Qi surged around him, as if he was the incarnation of billions of sword Immortals. With one step, he formed a universal sword formation that enveloped the universe, yin and yang.

“Woof!”

There was no nonsense.

The trillions of sword Qi were like a universe, crushing down on Chen Xiaobei’s head.

The extremely terrifying power felt as if the entire arena had been pressed down by dozens of meters.

The shocking visual impact made the tens of millions of spectators break out in cold sweat. They felt as if they would be crushed by this sword array.

Since the beginning of the competition, killer Daoist had never hurt anyone. He would always overwhelm his opponent with sword Qi and admit defeat.

And now, killer Daoist was going to use the same method against Chen Xiaobei.

Of course, killer Daoist didn’t underestimate his opponent at all. He used the power of a peak nine stars Saint King.

According to his estimation, this force was enough to overpower Chen Xiaobei.

Even if the six Wings of Heaven fiend wanted to launch a sneak attack, they would not be able to make it in time.

“So strong! This guy actually had the power of a peak nine stars Saint King! Young master Chen is in danger!”

Luo Wuji exclaimed.

He was the ancestor of the Luo clan, and he was also a peak nine-star Saint King.

On the other hand, killer Daoist was much, much younger than him. It was truly shocking that he actually had such power.

fortunately, it was killer Daoist who attacked. He won’t hurt young master Chen. As long as young master Chen admits defeat, you’ll be completely safe!

Ye Zhilan heaved a sigh of relief.

At this moment, the majority of the people present had the same thoughts as her.

However, in the next moment ...

However, a shocking scene appeared in the ring that no one expected.

[Red Envelope Group of the Three Realms](#)

Chapter 4299: Sneak attack!

4299 Sneak attack!

To everyone, even if Chen Xiaobei could fight someone three levels above him, he would not be killer Daoist's match.

With the trillions of cosmic sword formation coming down, Chen Xiaobei would be pressed to the ground, unable to move.

Other than numbers, Chen Xiaobei had no other choice.

Of course, to Chen Xiaobei, this might be the best outcome.

Admitting defeat unscathed was much better than dying on the spot.

However ...

The next moment, a shocking scene appeared.

"The true body of Pangu! Exterminate with a single word!"

Pangu's blood essence! Chen Xiaobei shouted. The twelve ancestors of sorcery's blood essence, the eastern Emperor Bell's Pangu true spirit, and the three Pure Ones 'seal' Pangu Qi essence were activated at the same time, forming the real body of Pangu.

Chen Xiaobei's Dharmakaya was out of his body, shining with the light of the sun, the moon, and the stars. Behind him were the blood-red swastika and the twelve Grand Wizards 'blood wheel.

At the same time, the one word Saint destroyer curse no longer held back and activated its full power.

On Chen Xiaobei's dharma body, a huge character appeared. It was as big as a star, holy and bright.

"BOOM!"

Killer Daoist's trillion universe sword formation landed directly on the "Life" word and was blocked. Not a single trace of it could land.

It was as if the sky was falling down, but Chen Xiaobei's Dharmakaya was holding it back.

In an instant, everyone present was dumbfounded.

He would never have thought that Chen Xiaobei could withstand the power of a Nine Star Saint King.

This scene was filled with an indescribable visual impact that deeply shocked everyone's state of mind.

Many people's three views were directly subverted!

He had never seen anyone who could fight against someone four major cultivation levels above him and two minor cultivation levels above him!

No! Not only had he never seen it before, he had never even heard of it!

It felt like a dream. It was not real at all.

young master Chen, you're so powerful. We've all underestimated you!

The smile on his face slowly disappeared. His brows were furrowed and his eyes were serious. He was trying to increase his strength, hoping to overpower Chen Xiaobei.

However, no matter how hard he tried, he couldn't push the sword formation down, not even a little bit.

"Do you have any other hidden cards? Show me all of them!"

On the other hand, Chen Xiaobei was the one who looked calm. His practicing body looked calm and did not look tired at all.

In fact, Chen Xiaobei was very curious about killer Daoist, so he wanted to see what his real trump card was.

If not for that, Chen Xiaobei could have easily counterattacked.

Chen Xiaobei's Dharmakaya's strongest form was the ultimate profoundness of true Saint Pangu, Qi into Trinity.

With a single thought, he could transform into the Dharmakaya of the Grand Pure one, the Jade pure one, the high pure one, and the three Pure Ones.

It was equivalent to his current strength being tripled.

It was enough to reverse killer Daoist's sword formation.

"My backup plan is not something anyone can see!"

Killer Daoist was still holding on, trying to overwhelm Chen Xiaobei with pure strength.

From killer Daoist's point of view, Chen Xiaobei's cultivation was not high. He was only able to fight across so many realms because of his super-strong cultivation technique and special ability.

At the same time, Chen Xiaobei's spiritual power and Saint Qi would be greatly depleted.

Killer Daoist believed that as long as he continued to suppress Chen Xiaobei, Chen Xiaobei's energy would run out first. Then, the outcome would be clear.

In fact, killer Daoist's analysis was correct.

If it had been anyone else, killer Daoist would definitely have exhausted all their strength and lost without a fight.

Unfortunately, killer Daoist did not know that Chen Xiaobei had learned the one character Saint-killer curse and had even mastered the first level of the 'life' character. His Saint Origin Energy, mind power, and physical strength had all been enhanced by trillions of times.

In terms of energy consumption, killer Daoist could not outrun Chen Xiaobei.

"Whoosh ..."

Just as Chen Xiaobei and killer Daoist were in a stalemate, the six wings of heavenly demon started to change.

He saw many primordial spirits spinning around him.

Those with sharp eyes could quickly tell that these primordial spirits belonged to the people he had fought with before.

This included tu mie's primordial spirit.

Originally, these primordial spirits had already been swallowed by him.

However, at this moment, it reappeared out of thin air.

These primordial spirits were shining with a dark green demonic light, as if they were the offerings of some mysterious ritual. They surrounded him and gave him special powers.

Very quickly, the six wings of flesh on the back of the six Wings of Heaven demon were all burning with a dark green mystical flame.

His entire aura had also undergone a huge change.

"Swish!"

In the next moment, the six Wings of Heaven demon pounced forward and launched a fatal attack on killer Daoist's back.

"Behind you!"

Chen Xiaobei shouted, trying to warn killer Daoist.

"I told you, I won't believe him!"

Killer Daoist was already mentally prepared for this. He knew that the six Wings of Heaven demon would not wait obediently.

"Whoosh ..."

In an instant, killer Daoist increased the output of his Saint Origin Energy, and the trillion universe sword formation split into two.

One of the sword formations continued to suppress Chen Xiaobei while the other went against the sky and blocked the attack of the six Wings of Heaven demon.

"Swish!"

Judging from the speed of the six Wings of Heaven demon, his cultivation level was probably at the peak of nine stars Saint King.

Logically speaking, he should not have been able to break through the sword formation.

Therefore, killer Daoist believed that as long as he used the sword formation to block it, he would be able to withstand the sneak attack of the six Wings of Heaven demon.

However!

"Sky fiend dark energy! The six-winged demonic Dragon!"

The six Wings of Heaven demon roared, and the green flames on its wings suddenly grew tens of thousands of times, covering the entire interior of the energy barrier.

Then, his body suddenly turned into a six-winged demonic Dragon and pressed down like a mountain range.

“Whoosh ...”

In an instant, killer Daoist’s trillion universe sword formation was destroyed.

The six-winged demonic Dragon struck out with its Dragon Claw, aiming straight for killer Daoist’s back.

“Woof!”

In an instant, killer Daoist’s back was scratched by a sharp claw. His skin and flesh were torn open, and even his bones and internal organs could be seen.

“BOOM!”

Killer Daoist was crushed by the huge force, and his seriously injured body suddenly fell.

It was like a meteorite, smashing the arena until it trembled.

Killer Daoist fell to the ground, his blood splattering everywhere. He never got up again, and it was unknown whether he was Dead or Alive.

The crowd instantly exploded upon seeing this.

“Too strong! Why did the Holy Spirit clan’s power suddenly soar?”

“That’s a special ability! The Holy Spirit clan had all sorts of strange and peculiar abilities! The six wings of heavenly fiend’s special ability should be to devour other people’s primordial spirits and then offer them up as sacrifices to increase one’s own strength!”

“His strength has increased by more than ten times! He’ll definitely be invincible among those of the same level!”

“Even killer Daoist was defeated! Chen Wuming is dead for sure!”

“The six wings of heavenly fiend is too despicable! It’s an unfair victory!”

“All’s fair in war! In a life-and-death battle, this is a strategy, not a despicable one!”

Red Envelope Group of the Three Realms

Chapter 4300: my name is slaughter!

The winner was King and the loser was vilified.

Even though the six Wings of Heaven demon’s actions were extremely despicable and shameful, history would only record the final Victor.

Moreover, the cruel reality was not a martial arts competition. If one wanted to live longer and go further in reality, strategy and scheming were crucial skills.

Therefore, even the three emissaries from the Holy Palace did not criticize the six Wings of Heaven demon. Instead, they saw him as a formidable person worthy of being nurtured so that he could bring more benefits to the sect in the future.

"It's almost time to announce the end."

"Since the one with the surname Chen has been chosen by the eldest lady, there is no need for him to continue fighting," Qin Xuanton said indifferently.

Qin Zongheng nodded and agreed, "that's right. The six Wings of Heaven demon is already invincible among those of the same level. That Chen fellow has no chance of winning.

"Then I'll announce it?" Gongsun Ci looked at Qin tianlan.

"Let's see."

no! Qin tianlan shook her head and said, "I keep feeling that this Chen Wuming still has a hidden trump card!

"It's impossible!"

"He's already erupted with the power of a peak Nine Star Saint King, and he's one step away from becoming a saint Emperor!" Qin Xuanton said. This is absolutely impossible!"

"Let's see."

no! Qin tianlan insisted. when Chen Wuming was blocking killer Daoist just now, he didn't seem to be struggling at all. He's not as simple as he looks!

Qin tianlan had been observing Chen Xiaobei. She really did see through some details.

Moreover, her analysis was correct.

Just now, Chen Xiaobei was really curious about killer Daoist. That was why he did not use his full strength. He wanted to see what other tricks killer Daoist had up his sleeve.

"Then let's wait and see."

"Let's see if you'll regret it after that kid is killed." Qin Zongheng sneered.

"With me here, I can definitely protect young master Chen." Gongsun Ci was on high alert. If Chen Xiaobei's life was in danger, he would immediately save him.

"Swish!"

In the ring, the six Wings of Heaven demon did not rush to attack Chen Xiaobei. Instead, they flew to killer Daoist's side.

He had to admit that the six Wings of Heaven demon were very smart and cautious.

He had flown to killer Daoist's side, ready to devour his primordial spirit and then use his strongest power to fight Chen Xiaobei.

Even if Chen Xiaobei was not that strong, the six Wings of Heaven demon would give it their all to increase their chances of winning to a hundred percent!

Cunning! Despicable! Powerful! Astute! Caution!

All of these special traits were concentrated on the six Wings of Heaven demon.

It was not an exaggeration to say that he was the number one genius in the earth Holy region.

“Stop!”

Chen Xiaobei shouted, trying to save killer Daoist’s life.

However, he was still too late.

The six Wings of Heaven demon had calculated everything perfectly.

He had already known where killer Daoist would land the moment he launched his sneak attack.

The first thing he did after the sneak attack was to fly over and control killer Daoist. Chen Xiaobei did not even have time to react before he lost the initiative.

“Swish!”

The six Wings of Heaven demon grabbed killer Daoist by the throat and lifted him up.

“Swish!”

His other hand pierced into killer Daoist’s sea of Qi dantian.

If they could swallow killer Daoist’s primordial spirit, the power of the six Wings of Heaven demon would be further enhanced, and their chances of winning against Chen Xiaobei would be the highest.

“Whoosh ...”

But! Just as the six Wings of Heaven demon was about to pull out killer Daoist’s primordial spirit, they suddenly realized that they could not pull their palms out of killer Daoist’s body!

It was like being wrapped in mud. The more he tried to pull out, the deeper he sank.

what’s going on?!

Not only the six Wings of Heaven demon, but everyone in the room, including Chen Xiaobei, was in disbelief.

“I told you, I won’t believe you!”

Suddenly, killer Daoist, who was supposed to be unconscious, opened his eyes wide.

At this moment, his originally harmless face had completely changed.

His eyes were blood-red and his pupils were golden. A dark and sinister aura appeared on his face. The teeth in his mouth gradually became sharp, as if he had turned into a ghost. It was creepy.

“Shua shua ... Shua shua ...”

Then, killer Daoist’s blood that was scattered all over the ground suddenly started boiling drop by drop.

In the air, they turned into countless blood-red swords.

Around these long swords, there was an endless amount of sword Qi.

Each Blood Sword could form a small sword Qi storm.

In an instant, the entire space began to tremble.

“What ... What is going on? Even the Saint Emperor energy barrier is shaking!”

“I’ve broken through! Killer Daoist has actually reached Saint Emperor!”

“What? He stimulated his potential at the critical moment of life and death and broke through a major realm?”

“I can’t believe there’s such an opportunity! The battle has been completely reversed!”

Everyone cried out in alarm.

He had never expected that the situation would take such a turn.

However, in reality, killer Daoist’s change was not as simple as a breakthrough in a major realm.

At this moment, only the divine temple emissaries and Qin tianlan saw through the mystery.

“This should be some kind of sealing technique!”

“Killer Daoist could have broken through a major realm long ago, but he only used the seal to suppress his power. He didn’t break through directly!” Gongsun Ci exclaimed.

“That’s right!”

Qin Zongheng nodded his head and said, “if you want to break through to the Saint Emperor realm, you’ll need to go through the Saint tribulation!” If you fail to pass the divine tribulation, you might die. Therefore, without full confidence, most people try to suppress their power and not touch the divine tribulation!”

“No! It’s not that simple!”

Qin tianlan’s beautiful eyes focused as she said solemnly, “Killer Daoist’s seal is very strange! Not only did it suppress its power to not touch the divine catastrophe, but it also stored an extremely evil power! Once the seal is broken, they will all explode together!”

how ... How is this possible?! Qin Xuantong couldn’t believe it.

“Remove the seal, and the killing ring will be removed!”

At this moment, killer Daoist’s entire body exuded an extremely terrifying fiendish Qi. His delicate face completely turned into the face of a ferocious ghost.

Countless sharp blood swords gushed out of the wound on his back, even completely filling up the wound.

At first glance, it looked like a malicious ghost with a back full of thorns.

It was extremely terrifying and shocking.

“I ... I’ll admit ...”

The six-winged heaven demon was so shocked by the scene that he wanted to admit defeat immediately.

“Shua shua shua ...”

However, the countless blood swords around him slashed down with a terrifying storm of sword Qi.

In an instant, the six Wings of Heaven demon’s body was sliced into pieces of flesh and bones.

The Holy Spirit was also annihilated in the sword Qi storm.

He was completely dead!

Killer Daoist then turned to Chen Xiaobei and said in a hoarse and eerie voice, ” “My name is slaughter! Kill all living beings in the world!”
