Chapter 4401: The East!

4401 The East!

“Even if you’re not the pet of the divine ancestor Broken Sky, you should know some rumors about him, right?”

Chen Xiaobei’s eyes were filled with killing intent, but he managed to keep his cool.

“I ... I know ...”

The Saint Soul of the three-legged mountain Saint Toad nodded and said, “ in this sacred ancestor ancient battlefield, there is a very ancient ranking list. It is called the ancient battle Supreme ranking list!

“And divine ancestor Broken Sky is one of the top three on the ancient battle Supreme ranking list! Legend has it that he has been in the Holy ancestor ancient battlefield for countless years and has even witnessed the rise of the Supreme holy ancestor!”

in the countless years that followed, divine ancestor Broken Sky established his own force in the Holy ancestor ancient battlefield. He once became the leader of the entire holy ancestor ancient battlefield and commanded everyone. No one dared to disobey him!

that’s why I used the prestige of the divine ancestor Broken Sky to scare the people who just entered the divine ancestor ancient battlefield ...

The Saint Soul of the three-legged mountain Saint Toad sighed, “ I really didn’t expect to meet someone like you, senior. You’re completely unafraid of divine ancestor Skybreak. You’re like a newborn calf that’s not afraid of a Tiger!

what? ” Chen Xiaobei frowned. who are you calling a calf? ”

Of course, even though he was unhappy, the three-legged mountain sacred Toad’s words had given Chen Xiaobei a reminder.

In the sacred ancestor ancient battlefield, terrifying danger existed at all times.

If they were to act rashly and be arrogant, it would definitely lead to a disaster! Even if Chen Xiaobei was a six-star divine Emperor, he would still die a horrible death!

That was why Sanzu mountain’s Saint Toad used the word ‘newborn calf’ to describe Chen Xiaobei.

To put it bluntly, the ignorant were fearless.

“Have you heard of the divine ancestor Broken sky’s Treasury?”

Chen Xiaobei asked.

“Treasury? I’ve never heard of it ...”

The Saint Soul of the three-legged mountain Saint Toad shook its head and said in confusion, " "These days, aren't resources all stored in the storage dimension? What do you need the Treasury for?"

Chen Xiaobei could not help but feel disappointed.

According to Sanzu mountain Saint Toad, divine ancestor Broken sky's Treasury did not exist at all.

In this way, the sky-breaking sacred wood key naturally became a lie.

Chen Xiaobei was disappointed, but it did not mean that the sacred sky-breaking tree was useless.

After all, it was a one-star divine ancestor. Even if it wasn't the key to the treasure vault, it must have other uses.

After Lu Bao digested such a high-grade item, it would definitely produce a large amount of Saint pan green jade dew.

No matter how he looked at it, Chen Xiaobei did not lose anything.

Of course, Chen Xiaobei would not give the sky-breaking sacred wood key to Green Treasure unless he had no other choice.

After all, Chen Xiaobei had bought the sky-breaking sacred tree key with the help of the level 5 " Xuan " spell.

This meant that there must be some opportunities that would benefit Chen Xiaobei.

So, Chen Xiaobei would not feed it to Green Treasure for nothing.

"Wait a moment!"

Chen Xiaobei had a bold idea when he thought about Green Treasure.

"Woof! Whoosh!"

He took out the broken Sky Saint wood key and the small bottle of Saint pan Jasper dew.

At this moment, there were thirteen drops of the Saint pan Jasper dew in the bottle.

Chen Xiaobei took out a drop and smeared it on the sky-breaking holy tree key.

"Whoosh ..."

With a burst of green light, a mysterious energy fluctuation instantly enveloped the surrounding space.

Chen Xiaobei's intelligence had allowed him to find a breakthrough point.

It didn't matter if this was the real sky-breaking sacred tree key, it was at least a one-star divine ancestor level dead branch!

Since the Saint pan jade dew could give new life to the dead leaves, it could also change the dead trees.

"Whoosh ..."

Sure enough, as the green light gradually subsided, the original withered branch showed an obvious change.

The dried bark on its surface had patterns that looked like jade clouds. At the same time, its spirituality increased exponentially, and there was even a clear layer of holy light.

this spiritual fluctuation seems to be attracted by something ... However, it's too vague and I can't be sure!

Chen Xiaobei observed carefully and decided on his course of action, "Continue to apply the Saint pan Jasper dew!"

It was obvious that the level of this branch was too high, and it was far beyond what a piece of leaf could compare to.

Therefore, a drop of the Saint pan dew was far from enough to make it full of life! If he continued to apply it, perhaps even more important changes would appear!

Whoosh ... Whoosh ... Whoosh ...

Without hesitation, Chen Xiaobei took out the rest of the Saint pan Jasper dew and spat it on the branch.

Then, the Jade-like cloud patterns gradually grew larger, and the dried tree bark gradually shrank. Finally, it turned into a new branch that was as green as Jade.

Chen Xiaobei took a good look.

From the outside, this new branch looked like a jade carving Pen.

Of course, there was a row of protruding edges at the end, so it could be said to be a key.

However, this was not the main point!

The main point was that as the spirituality increased, the new branch's attraction became stronger and stronger.

Chen Xiaobei could clearly sense that the traction was coming from the east.

That was Chen Xiaobei's next goal!

"Lotus!"

Chen Xiaobei did not show any mercy to the three-legged sacred Toad.

He took control of it and put its Saint soul and body into the Meru space.

The reason why he didn't kill it immediately was that its lifespan was still useful. Perhaps its memory could also be of some use.

However, after thinking about it carefully, the Saint Soul of the three-legged mountain Saint Toad was quite powerful.

He was a two star divine Emperor and had a five star divine Emperor level divine Meridian. His stomach acid could dissolve five star divine Emperor level experts and items.

In terms of gastric juice, it could already use it three realms higher.

It was definitely a huge anomaly.

In the heavenly sanctuary, it would definitely be a sacred beast with an extremely high bloodline.

The Saint Soul of a sacred Toad from the three-legged mountain was already so powerful. The dangers in the sacred ancestor ancient battlefield must be beyond imagination.

Simply put, the Holy ancestor ancient battlefield could be considered an enhanced version of the heavenly sanctuary.

The people and things here all originated from the time when the Supreme divine ancestor rose to power, and they were all special existences from ancient times.

In fact, it could no longer be measured by the normal eyes of the heavenly sanctuary.

“Swish!”

He flew East at high speed.

Chen Xiaobei saw many things that he had never seen or heard of before. On the way, he even released the three-legged mountain Saint Toad’s Saint Soul for it to answer his questions.

However, there were some things that it knew, and some that it had never seen before.

Firstly, this guy was too lazy and would lie on the ground all day waiting for an opportunity. Secondly, the sacred ancestor ancient battlefield was extremely huge and very special. Almost every once in a while, there would be new people coming in and new things would be born.

Therefore, even if it didn’t know, it could still be explained.

“Hmm? There seems to be a higher grade Holy Meridian ahead!”

Chen Xiaobei’s eyes lit up, and he was very excited.

[Red Envelope Group of the Three Realms](#)

Chapter 4402: Great sun Saint Emperor!

4402 Great sun Saint Emperor!

As they flew, Chen Xiaobei could feel that the Saint Qi in the air was becoming more and more abundant.

Finally, in the depths of a huge Lake, Chen Xiaobei locked onto the core of the Holy Meridian.

“Master, be careful. Usually, places with Saint veins will be extremely dangerous! Moreover, the level of the Holy Meridian corresponds to the level of danger!”

Sanzu mountain sacred Toad quickly reminded Chen Xiaobei, worried that Chen Xiaobei would rush down.

However, its reminder was still very necessary.

For example, if Chen Xiaobei's cultivation was lower than a five star divine Emperor, he would have been melted on the spot.

"So you're saying that the danger here is at the intermediate six star divine Emperor level?"

Chen Xiaobei observed the Holy Meridian and came to a conclusion.

"Yup ..."

"More importantly, there might be a secret connection between these dangers," Sanzu mountain's sacred Toad said, embarrassed.

"What do you mean?" Chen Xiaobei asked.

Sanzu mountain sacred Toad explained, "that is to say, on the surface, there is only one layer of danger, but in reality, there may be many terrifying experts behind it!" Pulling one hair would affect the whole body! If we're the slightest bit careless, we'll attract a disaster!"

"The logic is like this ..."

Chen Xiaobei said, "However, I entered the sacred ancestor ancient battlefield to become stronger, not to travel! If all the resources are accompanied by danger, then I can only face the difficulties!"

At first, Chen Xiaobei thought that all the Holy meridians here did not belong to anyone, and that it was a good thing to pick them up.

But in reality, all the Holy pulses had an owner. However, the owner was in the dark while Chen Xiaobei was out in the open. If he wanted to obtain resources, he had to take risks.

Of course, the danger was only at the level of an intermediate six star divine Emperor. It did not affect Chen Xiaobei at all.

Therefore, it was not to the extent of taking risks.

The only thing he needed to pay attention to was whether there were any other implications behind the dangers here.

"Swish!"

Chen Xiaobei then flew toward the lake.

"Roar!"

As soon as he got close to the lake, he heard a terrifying roar of an Azure Dragon.

Obviously, the owner of this sacred Meridian was not as wretched as the sacred Toad of the Sanzu mountain. Instead, he roared at Chen Xiaobei, warning him not to come any closer.

master, be careful! The Sanzu mountain sacred Toad immediately became nervous.

Without a doubt, the cultivation level of the monster in the lake was much higher than its own.

Just the pressure from his voice alone was enough to intimidate the three-legged mountain sacred Toad and make it flinch.

“Young man! You and I are both Dragons! It was best not to kill each other! Besides, there’s not much of a difference between our cultivation levels. If we really fight, you might not have much of a chance of winning!”

The person who was roaring in the lake spoke again. Although his tone was dignified, it did not contain any hostility.

“You’re a reasonable person. Forget it, I won’t touch you with this Holy Meridian!”

Chen Xiaobei could be persuaded by reason but not cowed by force.

The other party first warned him angrily, then was willing to reason with him, and then even showed him his Dragon identity. If Chen Xiaobei still wanted to barge in and steal his resources, he would be too rude.

On the other hand, if the opponent attacked right from the start, Chen Xiaobei would not show any mercy.

“It’s rare to have such a magnanimous bearing at such a young age! I want to be friends with you!”

The person in the lake seemed to appreciate Chen Xiaobei’s kindness and invited him, “If you don’t mind, you can come to my Palace to drink and chat! My Palace has fine wine and delicacies, as well as beautiful women!”

“There’s no need for that. I still have things to do, so I’ll take my leave first.” Chen Xiaobei did not want to waste any more time and was about to leave.

“Whoosh ...”

However, a Second Sun suddenly appeared in the sky!

The intense light rays were so piercing that one could not open their eyes. The terrifying temperature caused the entire space to heat up rapidly, even causing the huge Lake to boil.

“Not good! Young man! Quickly leave!”

Suddenly, the person in the lake let out a scream, reminding Chen Xiaobei to leave.

“What’s going on?”

Chen Xiaobei was very confused.

“Master! Quickly run! The one who appeared in the sky should ... Should be the legendary great sun Saint Emperor!”

Sanzu mountain sacred Toad shrieked nervously, its face filled with fear, “He’s one of the top thirty experts on the ancient battle ranking list! If we are targeted by him, we will definitely die!”

top thirty?! Chen Xiaobei raised his head and realized that he could not see through the cultivation of the second Sun.

However, from the terrifying energy fluctuations, one could tell that this man, who was known as the great sun Holy Emperor, was far stronger than Chen Xiaobei.

If their cultivation was higher than a Seven Star divine Emperor, Chen Xiaobei would not be able to fight them with his current strength.

“Whoosh ...”

While Chen Xiaobei was thinking, the second sun in the sky descended.

It was not a real sun, but a person.

His entire body was blooming with an extreme Holy Radiance like the scorching sun. As the light was too dazzling, it was impossible to look at it directly.

Therefore, it was impossible to tell if the person was a man or a woman.

“Gululu ... Gululu ...”

At the same time, the lake that was as huge as the ocean started boiling and evaporating at an extremely fast speed.

This was actually equivalent to a vast ocean rapidly evaporating.

One could only imagine that the extremely terrifying temperature had reached an outrageous level.

More importantly, the great sun Sacred Emperor didn't use any Saint Qi at all. It was as if he was only using his normal body temperature to bring about this terrifying temperature.

“Spare me ... Great sun Saint Emperor, please spare me ...”

The Dragon expert in the lake let out a mournful wail.

It was obvious that even if he tried his best to block it, he would not be able to withstand this abnormal heat.

In fact, without the life word incantation to strengthen his physical strength, Chen Xiaobei would not have been able to take it.

At the same time, the surface of the lake was already covered with countless corpses of the water Tribe. It was as if they had been cooked. The scene was extremely terrifying.

“The strong prey on the weak, killing and plundering! This was the law of survival in the Holy ancestor ancient battlefield! What's the use of begging for mercy?”

At this moment, the great sun Sacred Emperor spoke. It was a cold female voice.

As she continued to descend, the lake water was completely evaporated, and the mud at the bottom of the lake turned into a desert. Then, a fire was ignited, and finally, it turned into a red magma.

“He's too strong ...”

Chen Xiaobei's pupils shrank. He was stunned by what he saw.

In just a few seconds, the vast ocean turned into a sea of lava.

More importantly, the great sun Saint Emperor hadn't attacked yet. He had only descended.

"Hiss ..."

Then, great sun Sacred Emperor took a breath.

"Whoosh!"

In an instant, the middle-stage six-star Saint Emperor-level Saint Meridian at the bottom of the lake was uprooted and poured into her mouth.

[Red Envelope Group of the Three Realms](#)

Chapter 4403: For your own good!

4403 For your own good!

A middle-stage six-star Saint Emperor's Saint vein was extremely large, and the energy it contained was astronomical.

However, at this moment, the entire Saint Meridian became as small as a wisp of smoke when it was sucked into the great sun Sacred Emperor's mouth. It was as easy as breathing when he exhaled.

"Whoosh ..."

Then, great sun Sacred Emperor took out two pills.

With a flick of his finger, he sent one of them to the middle-aged man in the sea of fire.

The man was the master of the lake, the Dragon who wanted to make friends with Chen Xiaobei.

The elixir seemed to have a mind of its own as it floated in front of him, emitting a similarly dazzling white light.

"You know my rules, right?"

Great sun Sacred Emperor looked down at him.

"I understand ... I understand ..."

The Dragon Tribe male immediately swallowed the pill.

Then, his eyes turned into two white balls of light, emitting a scorching sun-like light.

"Swish!"

Then, the great sun Holy Emperor flicked the other pill to Chen Xiaobei.

The great sun Holy Emperor had noticed Chen Xiaobei.

The reason why she did not attack Chen Xiaobei was because she was certain that Chen Xiaobei would not be able to escape from her.

The pill was delivered to Chen Xiaobei.

This meant that she saw Chen Xiaobei as the same person as the Dragon Tribe man. His life and death were all up to her.

“Young man, don’t be stunned! Hurry up and eat!”

The Dragon Tribe male loudly warned. He appeared extremely nervous.

“What is this?”

Chen Xiaobei was confused.

that’s the great sun heart seizing pill, ” the Dragon Tribe man explained. once you take it, you’ll become a member of the great sun sect. You’ll have to be loyal to the great sun Sacred Emperor for the rest of your life!

Chen Xiaobei was stunned. Wasn’t that the great sun Holy Emperor’s loyal dog?

No matter what he said, he would never eat this pill.

“Don’t just stand there!”

it’s just as the great sun Sacred Emperor said, ” the Dragon Tribe man urged. the strong prey on the weak. Killing and plundering are the laws of survival in the Holy ancestor ancient battlefield! The great sun Saint Emperor didn’t kill you because he thought highly of you! You should be honored! Don’t test great sun Sacred Emperor’s patience!”

As soon as he said that, even the sacred Toad of the three-legged mountain quickly tried to persuade him, ” “Master! Don’t be stunned! Look at the sea of lava below! How many corpses were buried inside?”

“In front of great sun Saint Emperor, the weak don’t even have a chance to live! Only the strong were qualified to be her subordinates! If you don’t take this great sun heart seizing pill, we will all die today!”

It was obvious that the sacred Toad was very, very afraid of death.

If Chen Xiaobei was dead, the great sun Holy Emperor would not have left the three-legged mountain sacred Toad alive.

That was why he wanted to persuade Chen Xiaobei to quickly take the pill. Only by surrendering could he save his life.

“Swish!”

Then, Chen Xiaobei reached out and held the pill in his hand.

He took it in front of his eyes and sniffed it, then put it in his mouth.

” okay, from now on, you two are my dogs. The great sun sect has millions of lackeys all over the area. If you have any resources, you must tell me immediately!

The great sun Sacred Emperor was still in a daze in the pure white light.

His tone was domineering and his words were overbearing. His entire person exuded an aura of control and unquestionable authority.

“Bah!”

But then, Chen Xiaobei spat out the pill, used his Saint Qi to wrap up the remaining ingredients in his mouth, and spat them out.

Obviously, Chen Xiaobei would never become someone else’s Lackey.

The reason why he put the pill in his mouth was actually because he wanted to know the pill formula of this pill.

After all, there was an upper limit to the level of the heavenly Dao Divine Lotus seal, and it couldn’t control the heavenly Dao itself.

Chen Xiaobei had already analyzed the recipe of the Grand Sun mind-controlling pill. Once he concocted it, he could use it on the heavenly axiom.

More importantly, with Chen Xiaobei’s current brain power and the creation ability, he could create a higher level and more powerful version of the Grand Sun mind-controlling pill.

By then, Chen Xiaobei would be able to control others without the mark of the divine Lotus.

If he could find sacred ancestor-level materials to make the sacred ancestor-level Grand Sun heart seizing pill, he would be able to control the sacred ancestor directly.

Just thinking about it made him feel great.

But of course, after Chen Xiaobei spat out the pill, the situation had turned into a dead end.

If he couldn’t escape from great sun Sacred Emperor, all his plans would be meaningless.

“Little brat! Do you want to die?”

The great sun Holy Emperor looked at Chen Xiaobei, his tone filled with anger.

“It’s over ... It’s all over ... Those who refuse the Grand Sun heart-seizing pill will die! This is the rule ...”

Sanzu mountain’s Saint Toad was in tears.

He had thought that he could save his life, but it seemed like he was going to be buried with Chen Xiaobei.

I don’t want to die, but I can’t join your Army either. This is for your own good! Chen Xiaobei raised his eyebrows and started to practice his acting skills.

While he was showing off his acting skills, Chen Xiaobei also secretly did some tricks.

If this operation was successful, not only could the situation be reversed, but it could even kill many birds with one stone!

“For my own good? Why don’t you tell me why you’re doing this for my own good?”

Great sun Sacred Emperor's tone was cold but he didn't lose his patience.

"I've already joined someone else's force. If you insist on taking me in, I'm afraid my boss will come to settle the score with you! At that time, I'm afraid you'll be completely defeated!"

Chen Xiaobei said with a serious face.

"What a joke!"

I am! the great sun Sacred Emperor said unhappily, " I am ranked 30th on the ancient battle ranking list! Peak Seven Star divine Emperor! Who's your boss? His ranking is higher than mine? Or is your cultivation level higher than mine? If you want me to be completely defeated, you're simply boasting shamelessly!"

Chen Xiaobei raised his eyebrows and said seriously, " my boss is a recluse. He doesn't have a ranking and his cultivation isn't as high as yours. However, he has a hidden card. Once he makes a move, you'll die without a doubt!

"Good! Call the person over! I'll take him in as well!"

Great sun Sacred Emperor was very aggressive and confident, " "If anyone stronger than me appears within this area, the millions of lackeys of my great sun sect will report to me immediately! I can't believe you're telling the truth!"

hmm, I've already sent the location to my boss when I was talking to you just now. He should be here soon if nothing unexpected happens!

yes! Chen Xiaobei said. if you can defeat my boss, I will be your loyal dog!

"Good! I'll be waiting for him!"

Great sun Sacred Emperor's battle intent was boiling, and his aura was more than a hundred times heavier than before.

From this, it could be seen that although she was confident, she did not underestimate her opponent.

He had to do his best to fight.

"Woof!"

After a while, the sound of something speeding through the air could be heard.

A great battle was about to start!

[Red Envelope Group of the Three Realms](#)

Chapter 4404: variable!

"Boss! I'm over here! Hurry up and come over!"

Chen Xiaobei shouted in that direction, then turned to the great sun Holy Emperor and said, " "My boss is here. If you have the ability, you can subdue him as well! If you don't have the ability, you can still escape now!"

“Escape? You’re humiliating me!”

Great sun Sacred Emperor’s tone turned cold, “ just watch from here. You will pay the price for your words!

“Luckily, boss is here. I’m not afraid of you!”

Chen Xiaobei shrugged nonchalantly.

“Woof!”

The next moment, great sun Saint Emperor rushed out.

Her body was like a huge star, and her speed and momentum had reached an extremely terrifying level.

Just the aftershock of the flying impact alone split the ground ten thousand feet below into a terrifying, burning chasm, as if the earth was about to be torn apart.

In that instant, countless living beings on the ground were killed.

“Old brother, let’s establish a communication rune,”

Chen Xiaobei flew to the Dragon Tribe man’s side.

“Alright.”

The Dragon Tribe male was rather honest. After communicating with the communication rune, he even chuckled and said, forgive me for being blunt, but I don’t think your boss is a match for the great sun Saint Emperor. In the end, you will all belong to the great sun sect. From now on, we are all on the same side!

“Who told you that?”

I’m leaving! Chen Xiaobei laughed. you can stay here and watch. I’m going to run!

“What’s wrong?”

“You’re not going to care about your boss anymore?” the Dragon Tribe male asked in embarrassment.

“He’s not my boss. On the contrary, he’s my mortal enemy! I deliberately exposed my position to him to lure him over to be my shield! Hahaha! I’ll contact you when I have time!”

Chen Xiaobei waved his hand and left the scene as fast as he could.

The Dragon Tribe man was dumbfounded. He did not expect Chen Xiaobei to be so powerful that he could get the great sun Holy Emperor and his nemesis into the picture with a few words.

That’s awesome!

“Boom boom boom ...”

On the other side, great sun Saint Emperor had already arrived in front of the person.

That’s right!

At this moment, the ones who were rushing over were Tiandao and anatta star!

Looking at the great sun Sacred Emperor who was shining like the sun, Tian Dao and anatta Xing were both stunned!

“Who are you? Why are you stopping us?”

Tian Dao frowned and was very polite. He didn't want to have a conflict with great sun Sacred Emperor.

Although Tian Dao's most powerful trump card could fight an eight star divine Emperor, it could only be used once and it could only last for a very short time.

Therefore, unless it was absolutely necessary, the heavenly axiom would not use this strongest trump card.

The Trump cards of the selfless sect were similar. In any case, they could not be used casually, so they could only show a respectful and polite attitude to avoid conflict as much as possible.

“Didn't that kid call you here? His boss!”

Great sun Sacred Emperor's tone was serious and full of battle intent, “That brat kept saying that I'm no match for you. Now, I'm going to determine the winner between us! I want to prove who is the true master of this vast area!”

“Which kid? I'm afraid Your Excellency has misunderstood!” The heavenly Dao was shocked, and his face was full of confusion.

don't tell me it's Chen Xiaobei ...

“That's not possible! Chen Xiaobei doesn't even know that we've entered the Holy ancestor ancient battlefield!” The heavenly axiom expressed its doubts.

“He definitely knows! Otherwise, why would they send you their location?”

Wuwo Xing's eyes narrowed and he said solemnly, “It seems like we've underestimated Chen Xiaobei! His Foundation is far deeper and more unfathomable than we imagined!”

then how did he know ...? Tiandao's brows were deeply furrowed. He appeared to be very surprised, unable to understand no matter how much he thought about it.

“It might be spatial nothingness! He's spying on us! Don't forget, he knows one word ... selfless act was halfway through his sentence when he quickly swallowed it back.

The secret of the one word Holy extermination curse could not be known to anyone.

At this moment, the great sun Sacred Emperor was right in front of her. Although there was a distance between them, she could hear him if she wanted to.

“It's possible!”

Tiandao nodded heavily, deeply agreeing with him.

At that moment, Tiandao and anatta Xing thought that they had guessed Chen Xiaobei's plan correctly.

In fact, Chen Xiaobei was not peeking into the future. He was using the omniscient divine Emperor's special ability to look into the future.

Chen Xiaobei's cultivation had increased, and the level 5 incantation of the origin had also enhanced his ability.

Chen Xiaobei could now see everything in the nine days before and after.

When the great sun Holy Emperor handed the pill to Chen Xiaobei, Chen Xiaobei had already started to think of a way to escape.

Then, he secretly peeked into the future and found out that he would encounter the heavenly Dao in the next few days.

That was why Chen Xiaobei knew that the heavenly axiom had also entered the Holy ancestor ancient battlefield.

So, Chen Xiaobei thought of a plan to drive the Tiger to swallow the wolf.

Provoking the great sun Holy Emperor and then attracting the heavenly axiom to fight to the death would allow Chen Xiaobei to reap the benefits.

Of course, with Chen Xiaobei's actions, the future would change.

The final outcome was no longer within Chen Xiaobei's control.

The variables were still huge.

"You guys have been talking for so long, are you done?"

The great sun Holy Emperor might be arrogant and easily angered by Chen Xiaobei, but that did not mean she was brainless.

She had heard the conversation between the heavenly axiom and the anatta star. She was starting to suspect that she had been tricked by Chen Xiaobei.

Therefore, she didn't start the battle immediately.

"Your Excellency, please listen to our explanation!"

"The boy you just mentioned, isn't he handsome?" asked wuwo Xing hurriedly. Was he wearing black clothes? He has a Black Dragon Ring on his finger?"

It was obvious that the selfless act had spied on Chen Xiaobei before, so he remembered Chen Xiaobei's appearance very clearly.

"He's over there, look for yourself!" Great sun Sacred Emperor pointed behind him.

No... No one ... Tiandao had an awkward expression.

"What?"

The great sun Holy Emperor turned around, but Chen Xiaobei was nowhere to be seen.

“Where are they!”

Great sun Sacred Emperor, who was sure that he had been tricked, was furious. He roared and shook the entire space.

Even those as strong as Tiandao and anatta star almost suffered minor internal injuries from the shock of this roar.

Fortunately, great sun Sacred Emperor didn't target them. Otherwise, they would have been killed or disabled by this roar.

the ... The Jiao is gone ... the Dragon Tribe male stood rooted to the ground in shock.

“Detestable! For trillions of years! No one has ever dared to deceive this Lord!”

The great sun Sacred Emperor was furious. The white light around her turned red and the time and space laws around her were twisted.

Tiandao and anathor were so scared that they kept retreating, their faces pale and their bodies trembling.

“All the dogs of the great sun sect, listen to my command!”

Great sun Sacred Emperor raised his arms and roared, “ find that hateful brat at all costs!!!

“Whoosh ...”

The next moment, light and shadow appeared in the sky, and Chen Xiaobei's face was clearly projected!

[Red Envelope Group of the Three Realms](#)

Chapter 4405: Haunted Valley!

4405 Haunted Valley!

“What the f * ck! There's indeed a change!”

Even though Chen Xiaobei was already at his destination, he could still hear the Grand Sun Holy Emperor's roar. At the same time, he could see his own image projected in the sky.

From this, it could be seen that peeking into the future and changing the future did not necessarily make the situation develop in a direction that was completely beneficial to him.

In fact, everyone had the ability to change the future. However, there were many times when you might not get a good result even if you worked twice as hard and put in twice as much effort, even if you risked your life.

Therefore, most of the truly capable people would choose to let nature take its course and not deliberately change it.

And now, Chen Xiaobei had obviously gotten a bad result.

He wanted great sun Sacred Emperor and the heavenly Dao clam to fight.

However, they did not fight. Instead, the great sun Holy Emperor had become Chen Xiaobei's enemy.

The enemy of my enemy is my friend.

If everything went as planned, the heavenly axiom might even form an alliance with the great sun Holy Emperor to deal with Chen Xiaobei.

From this, it could be seen that changing the future was not an invincible skill.

If it was not handled well, it would be self-defeating, and it would become more serious and difficult to deal with.

“Whoosh ...”

Then, Chen Xiaobei turned into the purple Qi Dharmakaya.

After all, his face had been exposed. The great sun sect had a million lackeys, and there was no telling when they would see Chen Xiaobei.

Therefore, he could only avoid these eyes and ears by transforming into a purple Qi Dharmakaya.

However, it was only to avoid the eyes and ears.

This was because as long as the enemy reached the seven Star divine Emperor realm, they would be able to sense the existence of the purple Qi avatar.

In the sacred ancestor ancient battlefield, the number of Seven Star divine emperors was probably not small.

Chen Xiaobei would only be safe if he stayed away from them.

If he was discovered, Chen Xiaobei would not be able to escape.

“No matter what I say, I still have to improve my strength!”

Chen Xiaobei did not hesitate to fly east at full speed, to the place where the sky-breaking sacred tree key pointed.

Along the way, Chen Xiaobei saw many people from the great sun sect.

These people were easy to recognize because they had all taken the great sun heart seizing pill. Therefore, their eyes were emitting a strange Holy brilliance like the sunlight, like two white light balls.

.....

After a while, Chen Xiaobei felt that he had left the great sun Holy Emperor’s territory because he had not seen anyone from the great sun sect for a long time.

On the contrary, Chen Xiaobei saw many people from different forces in this new area.

The new area was still a huge forest.

People from all forces were in the forest. Some were looking for herbs, while others were hunting Saint beasts. In any case, they were doing their own jobs and not interfering with each other.

When he felt that he was safe, Chen Xiaobei released the three-legged mountain Saint Toad’s Saint Soul.

” take a look. Have we left the great sun sect’s territory? ”

Chen Xiaobei asked.

“Yes! Master!”

“This is Saint Emperor GUI Gu’s territory!” The three-legged mountain Saint Toad quickly said. Under normal circumstances, the great sun sect’s people can’t cross the boundary!”

“I see that the people in the forest all come from different forces? Why are we still living in peace?”
Chen Xiaobei asked.

“Saint Emperor GUI Gu doesn’t like to fight. If you want to make money in his territory, you can’t fight!”

Sanzu mountain sacred Toad paused and continued, however, if you really have a great enmity that won’t rest until one of us is dead, you can also go to the cage battle arena in Ghost Valley City and have a direct confrontation!

“This Saint Emperor GUI Gu is a wonderful person!”

Chen Xiaobei’s eyes lit up. “In a place like the Holy ancestor ancient battlefield that is even more chaotic than a chaotic world, Holy Emperor GUI Gu was actually able to stay out of trouble and suppress the battle. It seems like this person must have his own unique skills!”

“Master is wise! This divine Emperor GUI Gu is known as the number one pill master under the divine ancestor!”

“Don’t be fooled by the fact that Saint Emperor GUI Gu’s ranking is three places lower than the great sun Saint Emperor on the ancient battle Supreme ranking list. However, there are many powerful beings who are ranked higher than him who would come to him from time to time to buy pills!” Even great sun Sacred Emperor was no exception! There’s a rumor that it was divine Emperor guigu who designed the pill for great sun divine Emperor.”

so, you’re an Alchemist ... Chen Xiaobei smiled. I didn’t expect that alchemists would be so popular in the sacred ancestor ancient battlefield!

“Do you still need to say that?”

“Pills have many uses. As long as you have enough money, Saint Emperor GUI Gu’s pills can satisfy all your needs!” The Sanzu mountain Saint Toad said.

Chen Xiaobei nodded and asked again, “you said that all the forces are making money in Holy Emperor GUI Gu’s territory? What’s going on?”

“It’s actually a job like picking herbs, hunting, and mining. As long as you find any treasures, you can sell them to Saint Emperor GUI Gu or exchange them for pills!”

“To put it bluntly, these people are all working for divine Emperor GUI Gu! Find the treasure and sell it to divine Emperor GUI Gu. Then divine Emperor GUI Gu will refine the treasure into pills and sell it at an even higher price!”

“Sheep’s wool comes from the sheep’s body!”

that's right! Chen Xiaobei smiled. then, this Holy Emperor GUI Gu must be the richest person in the Holy ancestor ancient battlefield, right? "

"He should be the richest under the Holy ancestor!" The sacred Toad said.

How many Holy ancestors are there in the Holy ancestor ancient battlefield? " Chen Xiaobei asked.

"In theory, there are three! Black Devil! Ice Dome! Broken Sky!"

Sanzu mountain sacred Toad paused and said, " however, time is long, and the opportunities in the sacred ancestor ancient battlefield are unfathomable. No one can say for sure if a new sacred ancestor will be born!

"After all, there are many peak sacred emperors in the sacred ancestor ancient battlefield, and all of them are extremely talented! Great fortune! A genius blessed by the heavens! They're all very likely to achieve the sacred ancestor's great Dao!"

Chen Xiaobei nodded in agreement.

After reading through Nangong Yangshen's memories, Chen Xiaobei knew that there were many peak divine emperors in the Holy ancestor ancient battlefield who were at the same age and level as the omniscient divine Emperor Ling Kong!

Billions of years had passed, and as long as they were still alive, they could become the new divine ancestors.

He might be cultivating in seclusion somewhere.

Once it appeared, it would be earth-shattering and shake the world.

From this, it could be seen that both sacred Emperor great sun and Sacred Emperor GUI Gu were just the tip of the iceberg in the sacred ancestor ancient battlefield.

The true powerhouses were far from revealing their true appearance.

what's that thing in front!?

As he spoke, Chen Xiaobei noticed that there was a nine-colored spiritual light shining in the bushes ahead.

"Treasure! Master, we're about to expire!"

"According to the rules of the ghost Valley sect, first come, first served!" The Sanzu mountain sacred Toad said excitedly. As long as we get it, it'll be ours! We can make a fortune no matter big or small!"

"Woof! Whoosh!"

But just as Chen Xiaobei was about to approach, two figures came down from the sky.

[Red Envelope Group of the Three Realms](#)

Chapter 4406: The black Qilin!

4406 The black Qilin!

They were two human men in armor.

The two of them headed toward the nine-colored light.

Perhaps, before Chen Xiaobei realized it, they had already locked onto the same target.

“Whoosh ...”

Seeing this, Chen Xiaobei did not rush forward immediately. Instead, he hid in the form of his purple Qi Dharmakaya and observed from a distance.

“Brother! Could that be the legendary nine-colored Saint origin ginseng?”

The older man’s eyes lit up, and he was trembling with excitement.

“It looks like it! If that’s true, we’ll be rich! The price of the nine-colored divine origin ginseng by the guigu sect was as high as one portion of Seven Star divine Emperor energy! It’s enough for us to use for a trillion years!”

The other young man was also extremely excited and ran over impatiently.

Their cultivation levels weren’t high, only three star divine Emperor.

A portion of a Seven Star divine Emperor’s energy could indeed last them for trillions of years.

When Chen Xiaobei heard this, he was shocked.

He knew that the guigu sect was rich, but he did not expect them to be so rich.

Chen Xiaobei regretted that he did not just rush over.

The thing that Chen Xiaobei needed the most right now was energy.

If Chen Xiaobei could obtain a portion of Seven Star divine Emperor’s energy and use it with his remaining divine Emperor Mystic fat, he would be able to break through to the early stage of Seven Star divine Emperor.

Chen Xiaobei had hesitated for a moment, and this huge fortune had fallen into someone else’s hands.

The guigu sect had a rule that first come, first served, no fighting was allowed.

Chen Xiaobei did not want to cause any trouble, so he sighed and prepared to leave.

“Big brother! Quickly come over and take a look!”

The young man cheered excitedly as he slowly took out a ginseng from the source of the nine-colored spiritual light.

However, they all had a nine-colored jade-like luster and a smooth surface.

The dazzling and gorgeous Holy splendor, the vitality and spirituality, the refreshing medicinal fragrance, all aspects reflected its extremely high value.

Even Chen Xiaobei could not help but stop and watch.

It was no wonder the guigu sect was willing to offer such a sky-high price. Under normal circumstances, such a mysterious and rare heavenly Saint medicine would not be available even if one had the money.

“Heavens! It really is the nine-colored Saint origin ginseng!”

The older man ran over and said excitedly, “Brother! Quickly put it away! Don’t let anyone else see it! We two brothers will be counting on it for the rest of our lives!”

“Alright!”

The young man was very careful. He first took out a piece of silk-like soft and smooth cloth and wrapped it carefully. Then, he took out a Jade box and put the nine-colored Saint origin ginseng in it.

“Big brother! It’s done! Uh ...”

Just as the young man finished dealing with everything and raised his head, he suddenly let out a cry of extreme pain.

Immediately after, blood gushed out of his mouth, and his face instantly turned pale.

“Swish!”

A dark purple saber stabbed into his body and pierced through his Saint Soul.

The person holding the blade was the slightly older man.

“Swish!”

The slightly older man held his blade with both hands and infused it with his Saint Origin Energy. He suddenly swung his blade horizontally and cut the young man in half at the waist!

The young man’s body and soul exploded, and his Saint Soul shattered. He lost his life in an instant.

Even until his death, he still couldn’t understand why his good brother, who had been his life-and-death friend, would kill him.

His eyes were wide open, and he died with a grievance.

“Humans die for wealth, birds die for food! We’re rich together, and it’s indeed a happy thing! But if I’m rich, I’ll be twice as happy! Good brother, rest in peace! I won’t miss you! Hahaha ...”

The slightly older man revealed a fanatical and greedy expression. He picked up the jade box on the ground and laughed proudly.

The strong preyed on the weak, plundering and killing!

This was the law of survival in the Holy ancestor ancient battlefield!

Mutual deception and sinister schemes were the norm in the Holy ancestor ancient battlefield!

Only those who survived had the right to keep getting stronger and deserve to have better things!

“You really are a beast!”

Seeing this, Chen Xiaobei was already very unhappy.

Chen Xiaobei was a very loyal person, and he could not stand these shameless people who betrayed him.

Suddenly, Chen Xiaobei's body began to exude a murderous aura.

If that was the rule of survival, then Chen Xiaobei could also sneak attack and take the nine-colored divine origin ginseng!

"Whoosh ..."

Chen Xiaobei floated over, planning to kill them off when they were not prepared.

Even though Chen Xiaobei could kill them in seconds without a sneak attack, this was the haunted-Valley sect's territory. It was not good to make too much noise.

"Swish!"

However, just before Chen Xiaobei could make his move, a strange change occurred in the space.

The black shadow was faster than lightning, and it streaked past the older man.

"BOOM!"

In the next moment, the older man's head fell to the ground, and blood spurted out like a fountain.

"Creak!"

Before he could react, his Saint Soul was torn apart.

Before he could even see what the shadow was, his Saint Soul had already been crushed by a huge mouth full of fangs.

"What the f * ck! What is that?"

Just as Chen Xiaobei was about to make his move, he was stunned.

This was because Chen Xiaobei could not tell the cultivation level of the black shadow. He could not even see the black Shadow's movements.

This proved that the black Shadow's strength was far above Chen Xiaobei's.

Crack ... Crack ...

However, the black shadow should not be higher than a Seven Star divine Emperor because it did not notice Chen Xiaobei's presence.

The black shadow stabilized and started to gnaw on the two corpses.

It was only then that Chen Xiaobei saw the Shadow's true face.

It was a Qilin!

However, it wasn't just a Qilin.

Black scales covered his entire body, like a battle armor made of Black Gold! His pitch-black and translucent horns were like a crown of Black Lightning, extremely majestic and handsome.

The main point was that on its back, there was a pair of wings that seemed to be carved out of black jade.

In Pan Gu world, when the world was first created, the Dragon ancestor was in charge of all water-kind creatures and reptiles, the Phoenix was in charge of all birds, and the Kylin was in charge of all land-kind creatures.

And at this moment!

The black Qilin in front of him, other than the characteristics of a land beast, also had wings that only birds had!

It was obvious that this was a mutated Saint Beast!

Looking at how brutal it was when it devoured the corpses, the yin fiend was most likely a mutated Saint fiend beast!

“If I can subdue this guy, that would be great!”

Chen Xiaobei started to plan.

However, the next second, Chen Xiaobei was even more shocked!

[Red Envelope Group of the Three Realms](#)

Chapter 4407: I want to subdue him!

4407 I want to subdue him!

“Crack!”

After devouring the two three star divine Emperor corpses, the dark sky Qilin actually crushed the jade box on the ground with one foot.

“Swish!”

Then, the dark sky Qilin took out the nine-colored Saint origin ginseng with its Saint origin power.

To Chen Xiaobei’s surprise, the dark sky Qilin did not consume the nine-colored divine origin ginseng. Instead, it put the divine herb back to its original spot.

“What the f * ck! This ... This was a trap set by the black Qilin!”

Chen Xiaobei was smart enough to understand what the dark sky Qilin was doing.

It turned out that the nine-colored Saint origin ginseng was actually bait used by the dark heavens Kirin.

He would just leave it there to lure people who didn’t know the truth. Then, the dark heavens Qilin would appear from the dark and ambush him, devouring the sage Emperor’s corpse as food.

This operation was simply heavenly!

“Whoosh ...”

What was even more amazing was that the dark sky Qilin disappeared into thin air after putting the nine-colored Saint origin ginseng in. There was no aura at all, as if it didn't exist at all.

“What the f * ck! This ... This is too strong ...”

Chen Xiaobei was dumbfounded.

Not only did this dark sky Qilin have a high cultivation base, but it also had a high IQ. More importantly, it also had a special ability.

It was simply a perfect existence.

Furthermore, it was already a late-stage six star divine Emperor and might even be at the peak. However, it did not show any signs of taking human form.

From this, it could be seen that the bloodline of the dark sky Qilin had reached the shocking level of a sacred ancestor.

Chen Xiaobei's heart raced.

If he could make this dark heavens Qilin his Mount, he would definitely be overjoyed!

Combat power, speed, and special ability could all help Chen Xiaobei.

The main point was that his bloodline was extremely high, and it was worth nurturing. His future potential was simply immeasurable.

There was also a buy-one-get-one-free deal, which was the nine-colored Saint origin ginseng!

Just thinking about it made him feel so good that he could fly.

“It's decided! I must subdue this dark heavenly Qilin before we continue on our journey!”

Chen Xiaobei made up his mind and started to plan in his mind.

If it was an ordinary person, they would not be able to find the dark sky Qilin's tracks at all, because its concealment ability was perfect.

However, Chen Xiaobei could easily take care of it.

Once the origin peeking ability was activated, it could directly lock onto the dark sky Qilin's position.

As for combat, Chen Xiaobei had enough power to fight against anyone below Seven Star divine Emperor.

Even if he could not be invincible under seven-star like before, at least he would not be defeated. Logically, he had a high chance of winning.

then, the only problem now is how I can control the black Qilin!

‘The level of the sacred lotus of heavenly law’s Mark is probably at the level of a five star divine Emperor. It’s not enough to control the black Qilin! Right now, the only way is for me to make a Grand Sun heart seizing pill myself!’

Chen Xiaobei’s mind was very sharp, and he quickly locked onto his next small target.

Using his wisdom, Chen Xiaobei managed to figure out the recipe for the Grand Sun mind-controlling pill.

Now, there were only two problems left.

First, upgrade the heaven and earth smelt.

Second, gather all the Saint Emperor level herbs required for the pill recipe. If he wanted to improve the pill, he might need even higher level herbs.

‘By right, as long as I go to the ghost Valley Gate, I can buy everything I want! The problem is, I don’t even have any money on hand now ...’

Chen Xiaobei sighed, feeling a little regretful.

Before entering the sacred ancestor ancient battlefield, he had given all his money to the old mudfish.

Chen Xiaobei could not even find a single Saint origin Mystic Crystal in his inventory, let alone buying precious herbs.

‘Wait a moment!’

Suddenly, Chen Xiaobei thought of something. ‘The black Qilin didn’t seem to have taken the storage space of the two people who were killed just now! I don’t even know if they have money!’

Chen Xiaobei began to approach and observe carefully.

Sure enough, he found two ownerless storage spaces near the two bodies.

‘No! And there are more than two of them!’

Chen Xiaobei found another seven or eight storage spaces.

‘It seems that the black Qilin has already eaten seven or eight people near this trap! It’s a pity that it would move to another nest every once in a while. Otherwise, it would definitely have eaten more people than this!’

Just as Chen Xiaobei had predicted, the dark sky Qilin would set up its traps in different places.

In order not to expose himself, the dark heavenly Qilin would change its position every once in a while.

Therefore, there were only the two people who had just been eaten and the eight people from before around the trap. There were a total of ten storage spaces.

‘I have to find a way to collect these storage spaces! It would be best if he could refine the great sun heart seizing pill today! Otherwise, the black Qilin might move again, and I might not be able to find it then!’

Chen Xiaobei was penniless now. His only hope was that the ten people who were eaten would be richer.

If he missed today, he might completely miss the dark sky Qilin.

“However, I can’t be sure. Could this be another trap of the dark sky Qilin?”

Even though Chen Xiaobei was desperate to tame the dark sky Qilin, he was still able to maintain a high level of calm.

There were two possibilities. One was that the demonic beasts didn’t know how to use the storage space. After all, they were still beasts.

The second possibility was that the dark sky Qilin had intentionally not collected these storage spaces. It was also a bait for him to fish.

So, Chen Xiaobei did not dare to act rashly.

Before I’m completely surrounded, I might alert the enemy and miss the dark sky Qilin.

Chen Xiaobei decided to be careful and asked Bai Shishi for help.

Chen Xiaobei’s purple Qi Dharmakaya could be seen, but Bai Shishi’s stealth ability could allow her to come and go without a trace.

After that, Chen Xiaobei brought Bai Shishi out of the sacred soul world.

Chen Xiaobei’s purple Qi Dharmakaya was hiding in Bai Shishi’s hands.

After Bai Shishi’s perfect concealment, the purple Qi in her palm was also perfectly concealed.

“Whoosh ...”

Then, Chen Xiaobei used his origin sight to locate the dark sky Qilin.

As expected, this Saint demon beast was lying on a large tree not far away. It was squinting its eyes, waiting for an opportunity.

“Shishi, you must remember! If there’s any danger, I’ll immediately recall you back to the Saint Soul world! Don’t make any unnecessary movements!”

Chen Xiaobei warned her seriously and then gave her a clear signal, “Let’s go!”

[Red Envelope Group of the Three Realms](#)

Chapter 4408: Big hand!

4408 Big hand!

“Whoosh!”

Bai Shishi quietly flew over to Chen Xiaobei, and he gently picked up one of the storage spaces on the ground.

“Swish!”

At the same time, the dark sky Qilin on the tree far away suddenly stood up, its eyes filled with confusion.

Chen Xiaobei's guess was right. It was not that the dark sky Qilin did not know the value of the storage space. It had left the storage space where it was on purpose to lure people into its trap.

When it moved its nest, it would naturally take away all the storage space.

At this moment, it had obviously noticed that one of the storage spaces on the ground had been taken away.

However, to its surprise, it could not see or sense who had taken the storage dimension away!

Therefore, it stood rooted to the ground, its face full of confusion, unable to take any action.

It was very smart, but unfortunately, it was useless against Chen Xiaobei.

“Shua shua shua ...”

Chen Xiaobei had seen everything. Since he knew that the dark sky Qilin could not see Bai Shishi, there was nothing to be afraid of.

Chen Xiaobei was even more daring now. He quickly put away all the storage spaces on the ground.

“Oh! Awooo!”

At the same time, the dark Heaven Qilin was completely enraged. It could not help but reveal its true form and let out an extremely terrifying roar.

In an instant, everything within a hundred million miles began to shake.

A terrifying pressure instantly enveloped the entire space.

It was as if the sky was falling and the earth was splitting, or the sea was overturning. It was enough to crush everything in the world.

“Hiss ...”

Bai Shishi could not help but gasp.

In just a simple breath, the dark sky Qilin's gaze instantly locked onto him.

“Shit!”

With Bai Shishi's cultivation, she could not withstand the pressure of the dark heavens Qilin.

He was completely stunned.

“Swish!”

The dark Heaven Qilin jumped up from the tree. Even though it could not see its target, it had locked onto Bai Shishi's position and pounced at her.

At the same time, a terrifying amount of Saint origin power enveloped the space within a 10000-meter radius.

Even if Bai Shishi wasn't intimidated, she wouldn't be able to escape from the dark sky Qilin's Saint origin domain. She was doomed to die.

"It seems like we can only fight a tough battle!"

Chen Xiaobei had his eyes locked on her, and when he sensed danger approaching, he immediately recalled Bai Shishi back into the beixuan sacred soul world.

"Whoosh ..."

The next moment, Chen Xiaobei transformed back into his true form.

"Roar!"

The moment the dark sky Qilin saw Chen Xiaobei, its killing intent rose and it exploded with rage. A terrifying amount of Saint Qi was concentrated at one point and was aimed at Chen Xiaobei's head.

Obviously, the dark sky Qilin had mistaken Chen Xiaobei for a thief.

And now, it was going to make Chen Xiaobei pay with his life.

peak six star divine Emperor?!

Chen Xiaobei could roughly gauge the dark sky Qilin's cultivation level from the fluctuations of its Saint Vital energy.

As long as he did not exceed the level of a Seven Star divine Emperor, Chen Xiaobei would be able to fight him.

Chen Xiaobei was not afraid at all.

Chen Xiaobei's goal was to make the dark sky Qilin his Mount. If he were to be injured or killed, it would be Chen Xiaobei's loss.

However, at this moment, the dark heavens Qilin's attack was already above his head, and he had to fight.

"Woof! BOOM!"

However, right at this moment, the Saint Origin Energy domain created by the dark sky Qilin was torn apart by an overbearing force.

From the sky, it was as if a meteorite had fallen, and an extremely huge palm descended.

"Oh?"

The dark sky Qilin was so shocked that it ignored Chen Xiaobei and turned its head around, channeling its Saint Qi to the maximum.

"Boom boom boom ..."

In an instant, the wings on the dark sky Qilin's back curled up and wrapped around its body.

At the same time, its body was surrounded by countless dark lightning.

Countless bolts of Black Lightning interweaved and condensed into a huge Saint Origin Energy shield that was like a Dark Star.

It was obvious that the giant palm that descended from the sky had the power to crush the dark sky Qilin.

At this moment, it had no other way out except to protect itself.

“What ... What is going on?”

Chen Xiaobei was shocked as well. When he saw the hand coming down on him, he quickly retreated as fast as he could.

“BOOM!”

In the next moment, the huge palm shattered the dark sky Qilin’s dark lightning protective barrier like it was an egg.

“Hmm...Hmm... Hmm .. Hmm .. Hmmm ...”

The dark sky Qilin was grabbed by the giant hand in the blink of an eye and let out a helpless wail.

It could not struggle, as if all its strength had been sealed.

It was as small as a toy doll in the big hand.

It was obvious how terrifying the owner of the hand was.

“Whoosh!”

In the blink of an eye, the dark sky Qilin was grabbed by the huge hand and flew rapidly towards the east. In the blink of an eye, it had already traveled hundreds of millions of miles. Its speed was terrifying!

“What’s going on ... Who captured the black Qilin ...”

Chen Xiaobei was dumbfounded. He stood rooted to the ground, unable to understand what was going on.

“I don’t care anymore ...”

Chen Xiaobei sighed and looked at the bushes in the distance. “Fortunately, he left me the nine-colored Saint origin ginseng. If I take it to the ghost Valley sect, I can exchange it for a Seven Star Saint Emperor’s energy. It’s a huge harvest.”

There would always be someone better, and Chen Xiaobei could not force the dark sky Qilin to be captured.

After putting the nine-colored divine vitality ginseng away, Chen Xiaobei was ready to leave for the haunted-Valley Gate.

But before he left, Chen Xiaobei first took out the ten storage spaces that he had just acquired.

there are quite a lot of things, but they don’t seem to be worth much ...

Chen Xiaobei did a quick check.

There was only 20% of three star divine Emperor level energy in the ten storage spaces.

To Chen Xiaobei, it was not enough. In fact, it was almost as good as having no energy.

Of course, this was also very normal. In the sacred ancestor ancient battlefield, most people did not have a source of energy. They could only rely on looking for natural treasures and then sell them to The Phantom Valley sect in exchange for energy.

The energy that was exchanged could be used for cultivation, to activate magical treasures, or to buy other things. In short, there would not be much left.

Therefore, it was reasonable that he could only gather two three star divine Emperor level energy from a storage space.

Other than energy, there were a lot of other resources.

All of them added together could even be compared to a small treasure vault.

Chen Xiaobei was dazzled by the sight.

[Red Envelope Group of the Three Realms](#)

Chapter 4409: arrogant!

Holy Emperor weapons, pills, gems, ores, herbs, beast skins, bones, marrow, and so on ...

There were many of them, and the variety was very varied.

It was a pity that their levels were very low.

Most of them were around one star Saint Emperor level. Perhaps the ghost Valley sect didn't accept them, so they had been stored in the storage space.

“Shua shua shua ...”

Chen Xiaobei picked out a few herbs that he could use.

The rest of the things, without exception, all became food for Lu Bao, directly making it eat.

Although the level of the resources this time was not high, there were enough of them.

After the green gem finished eating, it produced three drops of the Saint pan Jasper dew.

“Wait a minute ...”

Just as Chen Xiaobei was about to keep the three drops, he suddenly had a bold idea.

“If I put the Saint Pan's Green jade dew on the nine-colored Saint origin ginseng, what will happen?”

Chen Xiaobei decided to give it a try.

This was because the Saint pan jade dew was a Holy item that was being strengthened in a positive way. In other words, although the results were unknown, it would definitely be a good result.

So, Chen Xiaobei decided to give it a try.

If he could improve the nine-colored divine origin ginseng, wouldn't he be able to sell it for a better price?

"Whoosh ..."

Chen Xiaobei first applied a drop of the Saint pan dew on it.

In the next moment, the nine-colored Saint origin ginseng emitted green spiritual light.

"Come on! Let me see what changes there will be! Can I make a fortune?"

Chen Xiaobei rubbed his hands together, his face full of anticipation.

However, as time went by, the smile on Chen Xiaobei's face gradually disappeared.

That was because the nine-colored Saint origin ginseng's nine-colored Saint radiance was gradually dimming. It disappeared completely and turned into an ordinary green Saint radiance.

The main point was that the spirituality was not strengthened, but the medicinal fragrance was getting weaker and weaker.

"What the f * ck! Could it be that the Saint pan green jade dew is not only strengthened in a positive way, but also weakened in a reverse way?"

Chen Xiaobei was a little flustered.

Then, he applied the remaining two drops of Saint pan Jasper dew on it.

"Whoosh ..."

The green spiritual light appeared again.

The nine-colored Saint origin ginseng seemed to become more and more ordinary. Its spirituality was greatly reduced, and there was no more Saint radiance. Even the medicinal fragrance could not be smelled.

"What the f * ck! What the hell! Why did it feel like it wasn't strengthened at all, and even downgraded? Are you crazy?"

Chen Xiaobei's brows were furrowed, and his mood fell from heaven to the abyss.

He had originally wanted to make a fortune, but now he had overreached himself. It was a typical case of trying to steal a chicken but losing the rice.

"I don't care ... Let's go to guigu gate to take a look first ..."

Chen Xiaobei was helpless, but since things had come to this, he had to go to the haunted-Valley Gate first. Even if he had to return the cost, he had to sell the nine-colored divine origin ginseng.

Oh, no, there were no more nine colors now.

It should be called colorless Saint origin ginseng.

What a headache!

.....

After asking a few passerby questions, Chen Xiaobei flew at high speed for some time and finally arrived at the headquarters of the haunted-Valley sect.

It was a Valley in the middle of the forest.

The vegetation was verdant and full of vitality. There was clear water flowing, and thick birds were playing.

In the midst of the chaos of the Holy ancestor ancient battlefield, this place was a unique Pure Land. It even reminded Chen Xiaobei of a paradise.

There were many small pavilions scattered all over the valley, probably the residences of the members of Haunted Valley.

There weren't many of them, but each building was packed with customers.

Most people would come here to sell their treasures after obtaining them.

There were also people who came to purchase pills.

In short, it was very lively.

Chen Xiaobei walked around the valley. There were long lines everywhere, but there was no one in front of a Pavilion in the deepest part of the valley.

Only after asking did he find out that the pavilion was where divine Emperor GUI Gu lived.

Under normal circumstances, only heavenly resources that were five star divine Emperor and above would be sold there.

At the same time, they only sell pills that are five star divine Emperor and above.

Treasures above the five star divine Emperor level were already very rare. Therefore, there was never a queue in front of divine Emperor GUI Gu's Pavilion.

It was already good enough to have one or two people come over to trade every few months.

"Even if the colorless Saint origin ginseng was downgraded, it shouldn't be lower than five star divine Emperor. I'll go in and ask."

Chen Xiaobei calmed himself down and walked in.

"Wu ... Wuwu ..."

The moment Chen Xiaobei entered, he could hear the roars of beasts.

However, the voice was very weak, and even revealed a trace of sadness.

However, Chen Xiaobei felt that the voice was very familiar.

Chen Xiaobei followed the sound and saw the dark sky Qilin!

At this moment, it had been tortured to a very miserable state.

The giant chains bound its limbs, and dozens of holy light runes were imprinted on its body, making it unable to exert any strength.

The main point was that there was a cut on its neck that was neither too deep nor too shallow.

The wound was not deep because it was not fatal for the time being.

It wasn't shallow because its blood kept flowing out and all of it gathered into a large VAT.

It was obvious that the Qilin's entire body was a treasure, and its blood was naturally extremely precious.

By cutting off this wound on its body, it could keep it alive for a period of time and continue to produce more blood. In the end, more blood could be collected.

To put it bluntly, this was to extract as much blood as possible before killing it.

To maximize the benefits!

"Pa! Pa!"

Beside it, there was a young man who would occasionally wave a steel whip that flickered with lightning, heavily whipping its body.

With every hit, it struggled in pain.

More blood would flow out of the wound. More importantly, the wound that could have healed would be torn apart again, and it would never heal.

"Detestable!"

Chen Xiaobei was not happy with what he saw.

The dark sky Qilin was supposed to be tamed by Chen Xiaobei, but it let out a roar and revealed its position. That was why Sacred Emperor GUI Gu captured it.

According to the rules of 'first come, first served', they had taken away something that belonged to Chen Xiaobei.

And now, they were abusing Chen Xiaobei's things.

Naturally, Chen Xiaobei was very upset.

However, Chen Xiaobei did not want to argue about his own lack of skills.

It was fine to bear with it, to avoid any more trouble and creating more enemies.

"May I ask if you are Saint Emperor GUI Gu?"

Chen Xiaobei looked at the young man coldly.

"Where did this idiot come from? You don't even recognize my master?"

The young man glanced at Chen and said arrogantly, "I am the first disciple of Saint Emperor GUI Gu, the Li Tian seal!"

Chen Xiaobei's anger grew, but he still asked patiently, "I have a Saint herb that I want to sell. Is it Your Excellency's decision? Or are you looking for divine Emperor GUI Gu?"

"No brain? Since I'm here, I'm in charge of all the business!"

"Do you really think that any Tom, Dick, or Harry can see my master?" Li Tianxi said disdainfully.

"Any random cat or dog?"

Chen Xiaobei's face turned cold, and his dark eyes gradually darkened.

Chapter 4410: I am not happy!

4410 I am not happy!

cut the crap. Take out what you want to sell. Don't waste time like a sissy.

Li Tianxi was very arrogant. As he spoke, he whipped the dark sky Qilin. He did not even bother to look at Chen Xiaobei.

Chen Xiaobei took a deep breath, suppressed his anger, and took out the colorless divine vitality ginseng.

In the past, with Chen Xiaobei's temper, he would have fought them head-on. But now, Chen Xiaobei was facing a lot of danger and problems.

Young master Nian had been impulsive, regardless of anything, and arrogant, so he naturally did what he said.

But now, with the burden on his shoulders, Chen Xiaobei had become more mature and calmer.

As long as he could obtain energy, it was not impossible for him to take another step back.

"What kind of trash is that?"

Li Tianxi glanced at the colorless Saint ginseng and said with disdain, "Are you retarded? Trash below the five star divine Emperor level dared to bring it here? Are you insulting my intelligence?"

"Whoosh ..."

Without giving Chen Xiaobei a chance to explain, the heavenly seal shot out a burst of Saint Qi.

swish!!!

In an instant, lightning flashed and Thunder rumbled, and the space trembled.

A pale white lightning bolt was aimed at Chen Xiaobei.

From the energy fluctuations, it could be seen that the heavenly calendar seal's cultivation level had reached the early Seven Star divine Emperor realm.

As the first disciple of Holy Emperor GUI Gu, and with such a high cultivation, it was no wonder that the seal was so arrogant and wanted to kill Chen Xiaobei.

That's right!

It was obliteration!

The heavenly seal had seen through Chen Xiaobei's cultivation at the first moment, and its attack was one whole realm higher than Chen Xiaobei's!

There was no way Chen Xiaobei could block it. He was doomed.

"Detestable!"

Chen Xiaobei's anger had reached its peak.

He had endured it again and again, but the heavenly seal wanted to kill him at the slightest disagreement. Just because of his identity and cultivation, he could bully others at will and kill the innocent.

However ...

No matter how angry Chen Xiaobei was, he could not do anything.

This was because his opponent's cultivation had already exceeded the limit that Chen Xiaobei could withstand.

Even if Chen Xiaobei used all his trump cards, he would not be able to fight back.

Chen Xiaobei was destined to be killed by the overwhelming power.

He only hated that he was not strong enough!

He only hated himself for following the rules too much!

In the sacred ancestor ancient battlefield, the weak were prey to the strong, and killing and plundering was the only law of survival.

Tolerance could not be exchanged for the slightest bit of friendliness. In the sacred ancestor ancient battlefield, no one would take pity on the weak. Blindly following the rules and submitting to adversity would only make the enemy insatiable and worse.

"Whoosh ..."

Chen Xiaobei was about to be killed.

Suddenly, an extreme shadow appeared out of thin air. With a wave of his sleeve, he directly destroyed the attack of the heavenly seal.

"Who is it?"

Chen Xiaobei was shocked.

He focused his gaze and saw a silver-haired old man in a black and white robe in front of him.

The old man's eyes were deep and full of wisdom. His aura was heavy and calm. As he was a great cultivator, he had an indescribable carefreeness and a Sage-like demeanor.

"Greetings ... Greetings, master!"

Li Tianxi gasped and immediately knelt on one knee, kowtowing to the old man.

That's right!

The person who had just arrived was the sect master of Guigu sect, ranked thirty-third on the ancient battle Supreme ranking list, and was known as the number one Alchemist below the Saint ancestor ...

Saint Emperor GUI Gu!

Judging from his attack just now, he should be a late Seven Star divine Emperor, one minor realm lower than the great sun divine Emperor.

However, his aura was much stronger than the great sun Sacred Emperor's.

This might have something to do with his identity as the number one Alchemist.

Even stronger divine emperors would come to him to buy pills.

Therefore, in the Holy ancestor ancient battlefield, other than the top three Holy ancestors on the Supreme ranking list, all the other experts would give in to him. This was because they might need his help at any time.

"What did I teach you?"

Divine Emperor GUI Gu's face was cold as he scolded, "The visitor is a guest, you can not kill indiscriminately! If you don't change your temper, you'll get into big trouble sooner or later!"

yes, yes, yes ... You're right, master. I know I'm wrong ... the Li Tianxi repeatedly kowtowed and admitted its mistake. It was a completely different person from before.

When Chen Xiaobei saw this, he began to think.

According to normal logic, divine Emperor GUI Gu should be a good person.

However, according to the rules of survival in the sacred ancestor ancient battlefield, good people did not live long. They could not control a super force with amazing wealth.

Therefore, Chen Xiaobei was careful. He would not easily trust this person just because divine Emperor GUI Gu saved his life.

"Young man, are you alright?"

Divine Emperor GUI Gu looked at Chen Xiaobei with a calm and friendly expression.

"I'm fine, thank you Saint Emperor GUI Gu for saving my life!"

Even though Chen Xiaobei did not trust Holy Emperor GUI Gu one hundred percent, he still expressed his gratitude.

“Can you let me take a look at the sacred medicine in your hand?”

Divine Emperor GUI Gu’s eyes fell on the colorless divine origin ginseng. His deep eyes seemed to be slightly different.

“Sure!”

Chen Xiaobei nodded and passed the colorless divine ginseng to her.

Li Tianxi knelt in the distance without saying a word, staring at the colorless Saint origin ginseng.

“It’s very strange ...”

Divine Emperor GUI Gu observed for a while and said, “This old man has used countless medicines in my life, but I’ve never seen this type of sacred medicine! Although their level isn’t high, they are rare!”

“Is divine Emperor GUI Gu willing to accept this divine medicine?” Chen Xiaobei asked.

“I’m willing!”

Saint Emperor GUI Gu nodded, “This Saint herb is roughly at the three star Saint Emperor level. This old man will give you three portions of three star Saint Emperor level energy! If you can tell this old man where you can find this medicine, this old man can give you another portion!”

“Let me think about it.” Chen Xiaobei pretended to be deep in thought, but his heart was in turmoil.

This colorless Saint origin ginseng was definitely not simple!

It was even possible that divine Emperor GUI Gu had saved Chen Xiaobei because he wanted to know more about this divine medicine.

She had to act like her Savior to get Chen Xiaobei to like her so that she could get information from him.

“I don’t really want to sell it ...”

Chen Xiaobei shook his head and reached out his hand to take back the colorless divine origin ginseng.

“Are you not satisfied with the price? As long as it’s not too much, this old man will agree to it!”

Divine Emperor GUI Gu hesitated for a moment. In order to not arouse Chen Xiaobei’s suspicion, he put the colorless divine origin ginseng back into Chen Xiaobei’s hand.

However, this was just for show.

With divine Emperor GUI Gu’s power, he could take it back at any time.

The reason why she returned it to Chen Xiaobei was to win his favor.

“No, it’s not about the price ...”

Chen Xiaobei refused again. Then, he looked at the heavenly seal and said coldly, “I’m the one who’s not happy, I don’t want to sell it!”
