Chapter 4531: Reincarnated reincarnator!

4531 Reincarnated reincarnator!

There was no doubt that the one word Saint-killer curse was extremely attractive to Chen Xiaobei, and to everyone in the world!

As long as he could cultivate the one word Holy extermination curse to the great circle, he would become the most powerful being in the world and crush all the Supreme Saint ancestors!

However, Chen Xiaobei knew very well that he could not perfect the one word Saint-killer curse!

That was because, in order to cultivate the one word Holy extermination curse to the great circle, one had to gather nine 10000 Saint souls. That way, the ancestor of 10000 DAOs would descend into the world!

By then, even if Chen Xiaobei could crush all the divine ancestors, he would be crushed by the elder of ten thousand DAOs and become his slave!

Everything would be carried out according to the will of the ancestor of all DAOs!

He was unable to do what he wanted to do, unable to protect the people he wanted to protect!

To Chen Xiaobei, this situation was worse than death!

Therefore, Chen Xiaobei knew that he could practice the one word Saint destroyer incantation, but he could not practice it to the full circle!

it's ... It's too terrifying!!!

At the same time, the nine hearts turtle ancestor let out an extremely shocked cry. Even the entire space was trembling with his emotions.

"Brother beixuan! You've actually succeeded in cultivating this part of the technique! This ... This was too unbelievable! If I didn't see it with my own eyes, I would've suspected that you were master's original body! Other than master, no one else can do it!"

The nine hearts turtle ancestor's heart was filled with extreme shock.

At first, nine hearts turtle ancestor thought that Chen Xiaobei might not be able to master this part of the technique even after a million years.

But Chen Xiaobei had done it in an instant.

This result instantly caused a violent impact on the nine hearts turtle ancestor's heart!

Nine hearts turtle ancestor even suspected that Chen Xiaobei was the myriad Dao ancestor himself. Because other than the myriad Dao ancestor, no one else could have learned the one word Saint destroyer curse in such a short time!

Absolutely not!

“Don’t be so surprised. In terms of learning ability, I’m not targeting anyone! Every single one of them in this world is a stinky little brother!”

Chen Xiaobei said calmly.

With the breakthrough of his cultivation and the sublimation of his state of mind, he was filled with unprecedented confidence in his learning ability.

“I’m impressed! I’m truly in awe from the bottom of my heart!”

Nine hearts turtle ancestor looked at Chen Xiaobei in a new light and praised him, “State of mind! Innate talent! Learning ability! You’re almost all the top existences in the world! With your luck and fortune, your future is limitless!”

alright, let’s not talk about such useless things. Tell me immediately, how can I leave this place? ” Chen Xiaobei asked.

it’s very simple. Now, you can use the high-level wordless spell you just learned to find a hidden space door. Then, you can use the Dao word spell to open the door!

of course! nine hearts turtle ancestor paused and said, ” in the future, every time you find a 10000 Saint Soul, you can return here through the same space gate! Remove the seal on the Saint Soul and obtain a higher level one word Saint-Killing Curse!”

“I know.”

Chen Xiaobei nodded and suddenly thought of an important question. by the way, if I don’t touch the seal, what will happen when the 10000 Saint souls suffer a fatal attack? ”

Chen Xiaobei had already predicted that the 10000 divine souls were undying!

If one wanted to be immortal, there must be a special power to protect them!

The seal that had just been removed might be that protective force!

If this protective force reacted to an attack, Chen Xiaobei could use it to become a King-level existence!

yes, ” nine hearts turtle ancestor replied. when 10000 Saint souls are attacked, the Saint Soul seal will cancel out the attack completely. Then, the Saint Soul will teleport and return to this space!

“I see ...”

Chen Xiaobei had his own plan. “In other words, 10000 Saint souls can help me block a fatal attack! And after it’s done resisting, it will return here on its own, and it will still be undying!”

uh ... nine heart turtle ancestor was stunned for a moment and said awkwardly, ” the Saint Soul seal is not used to help you block attacks ...

“I want to use it like this! I can’t?” Chen Xiaobei was very domineering.

uh ... nine heart turtle ancestor said embarrassedly, " "It's not that you can't use it like this, but it's a little disrespectful to master's layout ..."

"That's your master, not mine!"

Chen Xiaobei shrugged and continued to plan, " "If the Saint souls want to be immortal, they must be able to resist the Supreme Saint ancestor's attack! In other words, for every 10000 Saint souls I find, I'll have the most powerful life-saving talisman that can nullify an attack from a Supreme Saint ancestor!"

"That's right! You can think of it this way!" The nine hearts turtle ancestor nodded.

I'm starting to regret this. If I knew this would happen, I wouldn't have removed the seal on the soul of the wielder of the will ... Chen Xiaobei frowned.

This was because removing the seal meant that the first life-saving talisman had lost its effect.

One had to know that this life-saving talisman wasn't just able to block the Supreme Saint ancestor, it could also block any attack below the Supreme Saint ancestor level.

Therefore, the loss of this life-saving charm was a big loss to Chen Xiaobei.

However, it was all in the past, and there was no use in regretting it.

There were more important things waiting for Chen Xiaobei.

now, there are only eight reincarnators left. I don't have any clues at all, so I don't know where to start!

"OI 'Jiu, do you have any leads?" Chen Xiaobei asked. Provide me with some! This way, it'll be good for everyone!"

"I don't have any clues ..."

Nine hearts turtle ancestor shook his head and thought for a moment before saying, " "However, I have some of my own opinions! First of all, master is tired of the identity of the Supreme ruler of the world, so he killed the soul. Therefore, master's reincarnated reincarnated reincarnators will not be particularly powerful!"

"Secondly, the master may wish to experience the feeling of being at the bottom. Therefore, there is a high probability that reincarnated Samsara travelers start from small figures and grow up bit by bit! When you're looking for it, you can also pay attention to this!"

Clearly, the two points mentioned by the nine hearts turtle ancestor were very reasonable and also confirmed the characteristics of the heavenly Dao.

First of all, the wielder of the will was not that strong. Before Chen Xiaobei took it down, it was only a five star divine Emperor.

Secondly, Tiandao was indeed born in an ordinary family of the sky burying Yuan sacred clan. He had grown up bit by bit with his own fate and opportunities. He was not like the offspring of the top powerhouses who had the opportunity to reach the sky in a single step!

the third and most important point is that you must consider it carefully! The nine hearts turtle ancestor's eyes focused, and he appeared very serious.

Red Envelope Group of the Three Realms

Chapter 4532: A new journey!

4532 A new journey!

"Go ahead, I'll remember."

Chen Xiaobei nodded, taking the advice of nine hearts turtle ancestor seriously.

Nine hearts turtle ancestor said in a deep voice, "master's reincarnated person might not be a man. It could also be a woman! So, when you're looking for it, don't forget this!"

a woman!?

Chen Xiaobei furrowed his brows in surprise.

It was understandable that the ancestor of all Dao wanted to experience the feeling of growing up slowly from a small figure.

However, he had reincarnated as a woman because he wanted to experience the feeling of being a woman!

This guy was too abnormal!

"If you can remember everything, you can leave at any time." I'll be a little lonely, "the nine hearts turtle ancestor said in a deep voice. but I hope that you can let master return to the world as soon as possible. Then, I will be free!

"Can't I do it now?"

"As long as you come with me, with your strength, you can do whatever you want in the world!" Chen Xiaobei said. Isn't that a good thing?"

"No,"

Nine hearts turtle ancestor shook his head heavily. my mission is to guard this space until my master descends. After all, the 10000 Saint souls you found later have to be sent here. If I leave, this place will not be 100% safe!

"Are you an idiot?"

"What I mean is, you don't have to be loyal to the elder of all DAOs anymore!" Anyway, he might not be able to descend. You can go out and be free, and no one can control you, right?"

"No, no, no! Master will definitely come. This is a fate without any suspense!"

The nine hearts turtle ancestor shook his head and said in a deep voice, "Believe me, master has already calculated everything clearly and clearly! Even if you fail, there will be new servants. One day, the master will return!"

“Forget it, I can’t persuade you.”

I have another question. Back then, you carried the secret code stone tablet and descended into the sky-burier Yuan sacred clan. What happened? ”

“This is the last order that master left behind before he disintegrated his primordial spirit!”

master asked me to give the sky burying Yuan sacred clan an opportunity, ” nine hearts turtle ancestor said in a deep voice. master didn’t explain it to me at that time. However, it seems that master intended to reincarnate a 10000-Daoist Saint Soul into the sky burying Yuan sacred clan!

and this race is too weak. Therefore, master sent an opportunity so that his reincarnated reincarnated person can have a relatively safe and smooth space to grow. After all, if they become slaves as soon as they are born, their life and death are unknown, then the meaning of reincarnated reincarnation will be lost!

moreover, master’s status is so noble. Even if he wants to experience the growth of a small figure, he would definitely not become the lowest slave!

The nine-hearts turtle ancestor finally explained Chen Xiaobei’s doubts.

But at the same time, Chen Xiaobei had a new discovery. “If that’s the case, then based on the three suggestions you gave me, I can find one more clue!”

“What clue?” The nine hearts turtle ancestor asked, puzzled.

“Isn’t it obvious?”

“The reincarnated person of the ancestor of all DAOs would not be someone with a low status or someone whose life is in danger!” To put it bluntly, the ancestor of all DAOs looked down on the truly low-level people from the bottom of his heart!”

this ... nine hearts turtle ancestor’s expression was slightly stunned.”You’re right ...”

Obviously, the ancestor of all DAOs wanted to experience a different life, which was why he had turned his soul weapon into nine Saint souls to experience nine different lives.

However, the ancestor of all DAOs looked down on the weaklings at the bottom of the hierarchy. Therefore, even if he reincarnated, he would not reincarnate as the lowest and most ordinary small fry.

Chen Xiaobei now had nine clues!

First, the reincarnated reincarnator would not be the strongest person in the world.

Second, the reincarnated Samsara traveler would not reach the sky in one step. There must be a growing process.

Third, there might be both men and women among the reincarnators.

Fourth, the reincarnated reincarnators would not be the lowest and most ordinary people. They would definitely have a certain status and have a certain amount of opportunities and luck.

“This way, the scope of reincarnators will be greatly reduced!”

Chen Xiaobei raised his brows. Even though he could not guarantee that he would be able to find the reincarnator easily, as long as he followed these four clues, his chances of success would be greatly increased.

“Oh right, where’s that stone tablet now?”

Chen Xiaobei asked again.

It’s in my inventory.

“Do you want to see the contents of the stone tablet?” nine hearts turtle ancestor asked indifferently.

you’re right, ” Chen Xiaobei said. I really want to see what’s on the stone tablet. It’s about the Saint burial knife and the heaven Earth embryo membrane!

Obviously, Chen Xiaobei would never become the slave of the ancestor of all DAOs.

After leaving this place, Chen Xiaobei’s biggest mission was to defeat the sky-burier sacred clan and free the enslaved sacred pan clan.

Therefore, Chen Xiaobei needed to find out the secret of the Saint burial knife and the heaven Earth membrane.

After all, the Saint burial saber was the most powerful weapon of the Saint ancestor, and the heaven Earth membrane was a common external hack of the sky burial Yuan Saint clan.

Finding out the details of these two items would be of great significance to Chen Xiaobei’s victory over the sky-burier sacred clan.

However, the nine hearts turtle ancestor was not stupid. He slowly said, ” “The two words ‘sky burial’ of the sky burial Yuan Saint clan were derived from the Saint burial knife and the heaven Earth embryo membrane! These two things are the foundation of this race, I can’t tell you!”

“Why can’t I?”

I’ve already found the 10000th divine soul. The sky burying Yuan sacred clan means nothing to the ancestor of all DAOs, right? ” Chen Xiaobei asked.

The nine-hearted turtle ancestor shook his head. that may be the case. However, this is master’s plan after all. There might be a huge change if I tell you casually.

“Forget it. Don’t think that I can’t do anything just because you don’t want to say it!” Chen Xiaobei’s strong state of mind filled him with confidence.

anyway, I can’t say much. If you have any ideas, you can try it yourself! The nine hearts turtle ancestor said calmly.

well, in that case, I won’t talk nonsense with you. Goodbye!

Chen Xiaobei activated the wordless curse.

The spatial Quietus scanned the area and instantly locked onto a hidden space gate.

Then, Chen Xiaobei activated the Dao word incantation.

“Whoosh ...”

The space gate opened.

Without hesitation, Chen Xiaobei stepped into the portal.

The nine hearts turtle ancestor was left alone in the dark space. He continued to be shocked and shocked, and he continued to be lonely.

.....

“Whoosh ...”

The next moment, Chen Xiaobei was teleported to another place.

Chen Xiaobei’s expression changed drastically when he saw the scene!

Red Envelope Group of the Three Realms

Chapter 4533: upgrade again!

This was a very holy white domain.

The sky was filled with white clouds, and the rocks beneath his feet were as white as Jade.

The space gate floated in the middle of the domain, like the heart of the pure white domain.

Of course, what really shocked Chen Xiaobei was that there was an abundance of Saint Qi in this space.

“There’s simply too much Saint Qi here ... I can’t even estimate what level of Saint vein it must be to be able to release such a dense amount of Saint Qi, it feels like it’s endless! It’s too terrifying!”

Chen Xiaobei was surprised and wanted to extract the Saint Qi from the place.

After all, to Chen Xiaobei, the Saint Qi was a very important strategic resource.

Activating a magic treasure, giving birth to the Holy ancestor black resin, activating a spell formation, cultivation and upgrading ... All these aspects required Saint Origin Energy.

It was not an exaggeration to say that before Chen Xiaobei became the strongest, he would desperately need Saint Qi. The more the better.

“Strange ...”

However, just as Chen Xiaobei was about to extract the Saint Qi, he realized something. “Why not? Isn’t this too strange?”

Chen Xiaobei had never seen energy that could not be extracted.

This was really too strange.

“Hiss ...”

Chen Xiaobei then tried to absorb some of the Saint Qi, but there was no obstruction.

He absorbed a lot of it very smoothly.

“I can’t absorb the Saint Qi into my storage space, but I can absorb it myself ...”

Chen Xiaobei furrowed his brows and thought, “It looks like this is also the myriad Dao ancestor’s plan! He left an almost infinite amount of Saint Qi for his servant, but he only allowed his servant to use it for cultivation, and not to take it away from here!”

“If I’m not mistaken, this place should be under some kind of special seal. So, my Saint Origin Energy has been sealed ... With my current strength, I’m definitely unable to break this seal ... I can only play by his rules!”

Chen Xiaobei then took out the remaining holy ancestor Mystic resin.

This was a two star middle-stage divine ancestor Mystic resin. Although Chen Xiaobei had used up some of it, the remaining portion was enough to help Chen Xiaobei break through the bottleneck of the next realm!

Of course, the prerequisite was that Chen Xiaobei had to reach the threshold of peace, which meant that he had to reach the peak of one star divine ancestor!

“Whoosh ...”

Chen Xiaobei then took out the Saint sunlight cache and activated it.

Using the time acceleration, Chen Xiaobei started to absorb the Saint Qi around him to cultivate.

For Chen Xiaobei, breaking through a small realm was not a problem. It was just a matter of time.

After some time, Chen Xiaobei had successfully broken through three small realms.

From the early stage of one-star divine ancestor, he had directly broken through to the peak of one-star divine ancestor.

[ding Yingying’s cultivation base: one-star divine ancestor peak stage. Lifespan: 5000 years of the underworld! (Zero points are ignored)]

“Whoosh ...”

After that, Chen Xiaobei began to refine the remaining holy ancestor Mystic resin.

As expected, under the effect of the sacred ancestor Mystic resin, the bottleneck of the major realm was directly ignored.

[ding Yingying’s cultivation base: early phase of two-star divine ancestor; lifespan: 15000 years of the underworld! (Zero points are ignored)]

Now that he had successfully broken through to the next level, Chen Xiaobei’s lifespan had also increased greatly. This was undoubtedly the most satisfying change.

With Chen Xiaobei’s current lifespan and the origin Dao divine ancestor’s ability, he could enter the three-star divine ancestor realm for almost a minute.

Of course, Chen Xiaobei was not done with his cultivation.

“Whoosh ...”

Chen Xiaobei was absorbing the almost infinite amount of Saint Qi into his body.

His cultivation base’s small realm once again began to break through.

Under the acceleration of the Saint sunlight box, he broke through three small realms in a row!

[ding Yingying’s cultivation base: two-star divine ancestor peak stage. Lifespan: 50000 years of the underworld! (Zero points are ignored)

awesome!!!

Chen Xiaobei finally stopped his cultivation. He was very satisfied with the result.

after this upgrade, my lifespan can allow me to step into the four-star divine ancestor realm,” he said excitedly. although I can only step into it for a thousandth of a second, it’s enough for me to kill a four-star divine ancestor in seconds! It’ll definitely be awesome!”

50,000 underworld years, combined with the origin Dao divine ancestor’s ability to return to life, was equivalent to five million underworld years.

By burning up all these years, Chen Xiaobei would be able to reach the four-star divine ancestor realm.

Even if he only had a thousandth of a second of pseudo-realm time, Chen Xiaobei was confident that he could defeat his opponent in the same realm!

This was definitely a King Bomb!

Even though Chen Xiaobei had already refined the one-word Saint-Killing Curse, he was still a Saint.

However, the basic nine words incantation could only make one invincible under the three-star divine ancestor level! In the end, the Dao word incantation could only make one invincible under the four-star divine ancestor level.

However, once he encountered a four star divine ancestor, he could only fight with the nine ancestral Saint transformations.

This increase in lifespan was a crucial boost to Chen Xiaobei. It gave him the confidence to defeat a four star divine ancestor!

However, the four-star divine ancestor realm could only be maintained for one-thousandth of a second. So, once Chen Xiaobei used it, he had to kill his opponent in one blow. If he could not kill his opponent in one blow, then Chen Xiaobei would be dead!

however, I’ve reached the bottleneck of my cultivation realm again!

Chen Xiaobei calmed himself down and said, “ “Either I encounter a fortuitous encounter and trigger an opportunity to break through a major realm! Otherwise, I’ll have to think of a way to use a portion of three star divine ancestor level divine ancestor Mystic resin in order to break through to the next realm!”

Clearly, Chen Xiaobei could no longer use the Saint Qi in this territory.

“Swish ...”

Chen Xiaobei opened a crack in the void and stepped into it.

After breaking through the void, Chen Xiaobei was back in the territory of the No saint tribe.

After Chen Xiaobei left the Holy ancestor ancient battlefield, he had come to the outer Eastern Territory of the No saint tribe.

It was there that Chen Xiaobei found out about the yuan Sage clan’s joust for a spouse event.

Chen Xiaobei was very interested in this fight.

Excluding the time that had already passed, the martial arts competition would officially begin in three days.

That was why Chen Xiaobei came here immediately to register before the competition started.

Coincidentally, the registration place was the elder’s house in the outer area of the East.

The young man who had brought the immeasurable Saint ancestor to familiarize himself with the elder’s compound was the one who had been present at the registration venue.

“I want to sign up.” Chen Xiaobei walked over and said calmly.

huh?!

The young man’s expression was slightly startled, and he said in surprise, ” “Your ... Your cultivation is really high! I can’t see through it at all!”

“Isn’t it normal that you can’t see through it?” Chen Xiaobei’s voice was calm as he scanned the young man’s cultivation.

[Red Envelope Group of the Three Realms](#)

Chapter 4534: A warm invitation!

4534 A warm invitation!

He wasn’t considered weak!

Chen Xiaobei could tell that the young man’s cultivation had reached the pinnacle of one star divine ancestor. He should be a level 9 elder in the outer Elder Council, only one step away from level 8.

To have such achievements at such a young age, he was definitely very, very powerful.

If he continued to develop at this rate, this young man’s strength would definitely be limitless.

“You may be younger than me, but your cultivation is far above mine. I really admire you!”

The young man’s face was full of reverence as he asked expectantly, ” “I wonder if I have the honor to be friends with you?”

“My surname is Chen, and my name is beixuan!” Chen Xiaobei introduced himself simply, acknowledging her.

“Greetings, North Mystic Divine ancestor!”

The young man bowed respectfully and said, “My name is Wu Shanhe. If you don’t mind, you can call me Shanhe.”

“Alright,” he said. Chen Xiaobei nodded.

The registration was completed, and Chen Xiaobei received a token from Wu Shanhe.

Chen Xiaobei was planning to leave right after he was done.

However, Wu Shanhe was very enthusiastic and insisted on inviting Chen Xiaobei to his house. He even handed over the unfinished registration work to someone else.

This was a little too enthusiastic.

Chen Xiaobei’s first reaction was to be cautious.

As the saying goes, those who are unaccountably solicitous are either evil or thieves!

Chen Xiaobei had no idea what this Wu Shanhe was up to.

But then again, no matter what Wu Shanhe was up to, Chen Xiaobei had the confidence to face him.

Moreover, Chen Xiaobei was new here and wanted to get more information.

And so, Chen Xiaobei accepted Wu Shanhe’s invitation.

.....

Wu Shanhe’s home was not like the other elders’, which was luxurious and luxurious.

To be precise, this wasn’t even a home in the standard sense, but a paradise hidden deep in the mountains.

The surroundings were shrouded in clouds and mist, the spring was gurgling, and auspicious signs were flying. The artistic conception was quiet and serene.

It was definitely a place far away from the hustle and bustle, a quiet and natural paradise.

“Please have a seat, North Mystic Divine ancestor.”

Wu Shanhe brought Chen Xiaobei into the grotto-heaven.

There were stone tables, stone chairs, incense burners, and praying mats. Although they were simple, they did not lack anything.

“What’s the matter?” Chen Xiaobei asked after he sat down. “Why did you put aside your work and invite me here?”

“Since you’ve asked so directly, I won’t beat around the bush.” “I invited you here because I want to talk about the martial arts tournament that’s going to take place in three days,” said Wu Shanhe.

“Go on, I’m listening.” Chen Xiaobei said.

Wu Shanhe nodded and said, “actually, not many people have signed up for this competition!” Including you, we only have four people.”

“Only four people?” “Why is that?” Chen Xiaobei asked.

“Because the opponent is too strong!”

“Although I can’t see through your strength, I know the strength of the other two participants!” Wu Shanhe said.

“One of them is the eldest son of the head of our Eastern outer region’s Elder Council. He’s at the early stage of the three-star divine ancestor realm! The other person is the No. 1 genius in the outer region of the East of the No-Saint tribe. He’s also at the early stage of the three-star divine ancestor realm!”

“After these two people signed up, no one else in the entire Eastern outer region dared to sign up! So, including you and me, there are only four people who have signed up for the martial arts competition in three days!”

.....

Chen Xiaobei could not help but look surprised.

“You’re only a peak one-star divine ancestor. No one in the entire eastern periphery dares to sign up. Why do you dare to?” he asked in a deep voice.

“To be honest, I have a trump card to defeat my opponent!” however, I can only use my trump card twice,” Wu Shanhe said. so, I would like to advise you to give up the competition. This way, I can win for sure!

“Oh?” Chen Xiaobei was shocked again.

He didn’t expect that this ordinary-looking young man! Wu Shanhe! would actually have a trump card that could defeat divine ancestor three-star. Moreover, he had two of them!

In other words, if Chen Xiaobei did not come to sign up, the winner would most likely be Wu Shanhe!

It was also because of Chen Xiaobei’s sudden appearance that Wu Shanhe took him so seriously and invited Chen Xiaobei to talk in private.

“So, you invited me over just to show me your trump card so that I would back off?”

Chen Xiaobei was smart enough to understand what Wu Shanhe meant.

“It’s also possible for you to understand it this way, Sir!”

Wu Shanhe said indifferently, “although I can’t see through your strength, you’re still young. I don’t think you’ve reached the three-star divine ancestor realm!” In other words, if your Excellency were to participate in the martial arts competition, you wouldn’t even be able to win a single round! If you don’t handle it well, you’ll just pay with your life!”

Other than Wu Shanhe and Chen Xiaobei, the other two participants had already reached the early stage of three-star divine ancestor.

In Wu Shanhe's opinion, Chen Xiaobei could not possibly be a match for these two people if he had not reached this level.

Wu Shanhe also had a three-star divine ancestor level trump card in his hands.

This way, Chen Xiaobei would also have no chance of winning against Wu Shanhe. He would only be wasting one of Wu Shanhe's trump cards.

That was why Wu Shanhe had invited Chen Xiaobei over and persuaded him to leave. This was to ensure that he would use his two trump cards on his two strongest opponents.

"I'm sorry, but I don't intend to give up on the competition." Chen Xiaobei said.

"What?"

When Wu Shanhe heard this, he immediately frowned and said solemnly, "Sir, listen to my advice, don't be ungrateful when I give you face! Take the initiative to withdraw, and we can live in peace! Otherwise, I can kill you right now!"

It was obvious that Wu Shanhe placed great importance on this competition. Moreover, he must have paid a huge price for the two trump cards.

That was why Wu Shanhe did not want Chen Xiaobei to mess up his plan.

In order to make Chen Xiaobei back off, Wu Shanhe had even threatened Chen Xiaobei with death.

"I don't like to be threatened."

Chen Xiaobei's face was calm, but his dark eyes were filled with murderous intent.

"It's not up to you to decide whether you like it or not! Whoever has the stronger power will have the right to decide whether they like it or not!"

Wu Shanhe's expression turned cold as well, and his body gradually exuded killing intent.

"It's too much to say when you don't like it! If you want to make a move, then come at me!"

It's not like I'm afraid," Chen Xiaobei said calmly. but before you do it, you have to think about whether you can bear the cost of it!

Wu Shanhe's eyes widened in anger, and his fighting spirit instantly ignited. "You've already said so much! What else do I have to consider! Accept your death!"

[Red Envelope Group of the Three Realms](#)

Chapter 4535: Heart soul divine Dao!

4535 Heart soul divine Dao!

He wondered what kind of trump card he had in his hand.

This Wu Shanhe was so confident that he wanted to kill Chen Xiaobei.

However, no matter how angry Wu Shanhe was, Chen Xiaobei was not afraid at all. After all, Chen Xiaobei had just completed a massive upgrade in all aspects, and he could even fight a four star divine ancestor.

Wu Shanhe's trump card could only defeat a three-star divine ancestor. To Chen Xiaobei, it was a piece of cake.

Chen Xiaobei was not in a hurry to make his move. He wanted to see what kind of trick Wu Shanhe had up his sleeve.

Everything was under his control, so why should he be in a hurry?

"Swish!"

With a thought, Wu Shanhe took out a talisman that looked like chalcedony.

The runes swirled and glowed with holy light, instantly forming a huge red-gold halo around them.

In an instant, the entire paradisiacal land seemed to be affected by the power of the talisman. It trembled violently, and at the same time, golden stone tablets appeared.

"Not bad."

Chen Xiaobei was calm. He could make the first judgment based on the energy fluctuations around him.

He said indifferently, "the early-stage three star divine ancestor talisman and the three-star divine ancestor-level formation in the Blessed Grotto-heaven can complement each other and help each other to grow. Basically, you can defeat a mid-stage three star divine ancestor opponent. No wonder you invited me here! So it was to increase his chances of winning! You're quite astute in your calculations!"

Obviously, Wu Shanhe could not tell Chen Xiaobei's true strength and was certain that Chen Xiaobei could not have reached the three-star divine ancestor realm.

However, Wu Shanhe did not let his guard down. Instead, he invited Chen Xiaobei back with great enthusiasm to ensure that his combat power was at its peak. He was 100% sure that he would be able to defeat Chen Xiaobei.

Even if Chen Xiaobei was weak, Wu Shanhe would still do his best to ensure that he would not leave any loose ends.

From this, it could be seen that Wu Shanhe was indeed a calculative person with a cautious and steady personality. He was a person who could achieve great things!

At the same time, Chen Xiaobei had another question.

This Wu Shanhe was merely a peak one-star divine ancestor. How could he possess talismans and arrays at the three-star divine ancestor level?

Could it be that there was a huge force supporting Wu Shanhe?

However, if he really had the support of a great power, Wu Shanhe's cultivation and achievements should be far more than this. He would not have stayed in the outer region of the East and become a mere ninth-rank elder!

Obviously, this was a very contradictory question, and there must be a hidden story behind it!

"You little brat! He still dared to be distracted when death was at hand! You really don't put me in your eyes at all!"

Wu Shanhe was furious.

She had already tried her best, but Chen Xiaobei was distracted by other things. He was simply too arrogant!

"Boom boom boom ..."

Wu Shanhe's anger was so strong that the entire space was directed at Chen Xiaobei.

That immense power could even easily wipe out hundreds of large domains and kill countless lives!

Without a doubt, if another peak two-star divine ancestor were to stand there, he would probably be completely annihilated in an instant and turned into dust.

However, even though they were both at the pinnacle of two-star divine ancestor realm, Chen Xiaobei's strength could allow him to fight those of a higher realm!

Currently, the one word Holy extermination curse was at the level of a one star divine ancestor. The basic nine words curse could make anyone below the level of a three star divine ancestor invincible! The Dao word incantation could make anyone below the four-star divine ancestor invincible!

At the same time, Chen Xiaobei still had enough life to reach the four star divine ancestor realm!

That was why Chen Xiaobei was not afraid of Wu Shanhe's threat at all. He even had everything under control.

"Dao word, Dao nurtures all things!"

Chen Xiaobei used up all his mental power to activate the full power of the 'Dao' spell.

The Dao word incantation was powerful, but it also consumed a lot of Chen Xiaobei's mental power.

Chen Xiaobei's mental power was completely depleted.

If this was in the past, Chen Xiaobei would have fainted on the spot. But now, Chen Xiaobei's state of mind had been elevated, and the spiritual level of his soul had also undergone a qualitative leap!

The heart soul divine path!

This was Chen Xiaobei's own divine path of the divine ancestor that was derived from his evolution!

With the help of the divine path of the heart, Chen Xiaobei's state of mind was unprecedentedly strong, and his soul and spirit were also protected in a mysterious way!

The most direct manifestation of this was that Chen Xiaobei's mental power would not collapse from exhaustion!

In other words, even though Chen Xiaobei had used up all his mental power, he would not fall unconscious. Instead, he could still maintain a high level of consciousness, move freely, and continue to fight!

However, before his mental power recovered, Chen Xiaobei could not use any other abilities!

Without a doubt, this was a huge improvement for Chen Xiaobei!

When he used his trump card again, Chen Xiaobei would not have to worry about losing consciousness on the battlefield!

This way, Chen Xiaobei could use his trump cards as he pleased!

Whether it was the chance of winning in battle or the fault tolerance rate, they would be greatly improved! It wouldn't be like in the past, where only death would await him if he fainted on the battlefield!

Of course, spiritual protection was only one of the functions of the Saint path of heart and soul!

The true power of the heart soul divine path was its unique ability!

Unlike the basic elements of gold, wood, water, fire, earth, wind, Thunder, light, darkness, and poison, Chen Xiaobei's divine path of the soul had already reached the level of the Supreme divine ancestor's divine path, or even stronger!

The Saint Dao of the nine Supreme Saint ancestors all had heaven-defying abilities!

This meant that Chen Xiaobei's divine path of the soul would be extremely powerful! It was so powerful that Chen Xiaobei did not even bother to use it against a small fry like Wu Shanhe!

"Whoosh ..."

In the next moment, the word 'Dao' had already taken form. With all of Chen Xiaobei's mental power as the energy, it activated the invincible power of a four star divine ancestor!

"Boom boom boom ..."

With a terrifying sound, the huge character exuded endless holy light and a terrifying aura that was above the Supreme holy ancestor level. It instantly crushed all the Golden Dharma laksanas around it!

In the blink of an eye, the talisman in Wu Shanhe's hand had been crushed, and all the attacks had disappeared. Even the formations in the Blessed and heavenly lands had been crushed, inch by inch, and were completely scrapped!

"What ... What ... What kind of ability is this? It's ... It's ... It's terrifying!"

In an instant, Wu Shanhe's vision and heart were both struck by an indescribable horror, and his entire face was distorted! His expression was extremely complicated! Don't mention how wonderful it was!

Red Envelope Group of the Three Realms

Chapter 4536: Soul-stealing!

4536 Soul-stealing!

Fear! Shocking! He was stunned! This was inconceivable! He had lost his soul! He almost peed his pants!

At this moment, the expressions on Wu Shanhe's face were really varied and extremely wonderful!

The funny thing was, just a moment ago, he thought that he could kill Chen Xiaobei, and now he was arrogantly threatening Chen Xiaobei.

Wu Shanhe was completely dumbfounded by Chen Xiaobei's actions.

The more arrogant Wu Shanhe was just now, the louder his face was slapped. The invisible slaps were so loud that it almost smashed his face!

"Plop ..."

Of course, at this moment, Wu Shanhe couldn't care less about his face. He immediately knelt on the ground and kowtowed a dozen times without a word.

"Spare me ... Senior, please spare me ... I was blind ... I offended you ... I know I was wrong! I admit my mistake! I beg senior to be magnanimous and spare my lowly life ..."

After kowtowing, Wu Shanhe began to beg for mercy.

His tone was extremely low and his attitude was extremely humble, like the most lowly wild dog. He no longer had the arrogance he had before.

"Whoosh ..."

Chen Xiaobei did not say anything. He just stood there and waited.

Chen Xiaobei had eaten a one star divine ancestor grade mutant Holy bloodfruit. His mental power could be restored to the peak of a one star divine ancestor in a short time.

"Soul-soul snatching!"

Then, Chen Xiaobei burned all of the one star divine ancestor's mental power that he had just recovered and activated the divine path of heart and soul!

Of course, this was only a small part of Xin PO's Saint path special ability. It was far from its full power!

Soul snatching!

"Whoosh ..."

In an instant, Chen Xiaobei's body exuded a terrifying aura that could make anyone lose their spirit! It was as if the mountains were summoning tsunamis, the sky was collapsing, and the earth was sinking. It directly enveloped Wu Shan He.

"Hiss ..."

Wu Shanhe sucked in a breath of cold air. His face turned pale and his pupils contracted uncontrollably. His scalp went numb as if there was a knife on his back. Cold sweat poured down his face like raindrops!

Wu Shanhe had never felt such a terrifying pressure before!

It felt like a sharp sword had pierced through his heart and destroyed his state of mind. It had directly stabbed into his soul with a might that could swallow the world!

This was too terrifying!

For a moment, Wu Shanhe's mind was filled with the illusion of extreme shock, extreme deterrence, and extreme fear!

In this illusion, Wu Shanhe saw an Almighty ancestor that was above the Supreme Saint ancestor! It was as if this Supreme ancestor could destroy everything with a flick of his finger, including the nine Supreme Holy ancestors! Of course, this also included Wu Shanhe!

This illusion was too real, and it left an indelible shadow in Wu Shanhe's heart!

His state of mind was shaken, his spirit was intimidated, and his soul was covered by this shadow forever!

Unless one day, Wu Shanhe's state of mind was stronger than Chen Xiaobei's, he would never be able to walk out of Chen Xiaobei's psychological shadow!

"Master!"

Wu Shanhe stopped kowtowing and begging for mercy. He greeted Chen Xiaobei respectfully and looked up at him.

It was like the most devout believer looking up to his faith!

Without any selfish thoughts, she was sincere to the deepest part of her soul, and even willing to give everything she had!

There was no mistake!

[soul stealing] had turned Wu Shan He into Chen Xiaobei's loyal dog!

Furthermore, it was a 100% loyal dog!

Unless one day, Wu Shanhe's state of mind was stronger than Chen Xiaobei's, his loyalty would not be reduced at all!

Obviously, even though both of them had the same ability to tame loyal dogs, Sage Chidu's seal couldn't make the dogs 100% loyal!

In comparison, the effect of the soul-stealing technique was much more powerful and terrifying than the red crossing divine technique, but it was also much safer and more stable!

More importantly, the soul snatching skill that Chen Xiaobei was using right now was not even the strongest effect of the divine path of the soul!

It could even be said that this was only the tip of the iceberg of the heart soul divine path!

Of course, even if it was only the tip of the iceberg, it was more than enough to deal with a small character like Wu Shanhe!

“Hand over everything you have!”

Chen Xiaobei’s tone was calm and indifferent, and he gave Wu Shanhe a good beating.

His storage space, communication runes, Saint Soul, and lifespan were all taken away.

[ding Yingying’s cultivation base: two-star divine ancestor peak stage. Lifespan: 50300 years of the underworld! (Zero points are ignored)]

Chen Xiaobei had obtained 300 underworld years of lifespan. It was better than nothing.

After Chen Xiaobei devoured the sacred soul and the sacred soul world, there was only a small increase in the space silent ability and the foundation of the northern Mystic sacred soul world. There was no breakthrough in their cultivation.

Chen Xiaobei kept the communication rune since it was useless for now.

In the end, all that was left was the storage space.

Chen Xiaobei was looking forward to Wu Shanhe’s storage space.

After all, Wu Shanhe was not as simple as he looked on the surface! If he really had the support of a powerful force, then the inventory in his storage space would definitely be very, very rich!

“Let me see.”

Chen Xiaobei immediately started to look at it.

However, Chen Xiaobei was disappointed.

Chen Xiaobei had been feeling conflicted. If Wu Shanhe really had the support of a powerful faction, his cultivation and achievements would not have stopped at this level. He would not have stayed in the outer region of the Eastern Region as a ninth-rank elder!

After checking Wu Shanhe’s inventory, Chen Xiaobei finally got his answer!

Wu Shanhe didn’t have the support of any major power! Instead, it had been used by a certain powerful force!

That was because most of the items in Wu Shanhe’s storage space were very ordinary. Their levels were not high, and the energy storage was not much. It could be said that they were useless!

The only thing that gave Chen Xiaobei some comfort was the other golden chalcedony talisman!

It was because of this talisman that Chen Xiaobei speculated that Wu Shanhe had been used by some powerful force.

The other party had only helped Wu Shanhe set up the array and gave him two talismans. Other than that, he had no other substantial support.

What Wu Shanhe had to do was to follow the other party's instructions and participate in the martial arts competition in the outer Eastern Region.

He could use the two talismans provided by the other party to defeat the other two applicants, or even kill them directly!

And the identities of these two applicants were not ordinary!

One of them was the eldest son of the head of the elder Council in the outer region of the East! The other person was the number one genius in the outer region of the East!

Who would benefit from their deaths?

Chen Xiaobei's extraordinary intelligence had already guessed who was using Wu Shanhe!

Red Envelope Group of the Three Realms

Chapter 4537: Decided to withdraw!

4537 Decided to withdraw!

"The sky burial Yuan sacred clan is behind you, right?"

Chen Xiaobei asked.

"Yes! Master ..."

Wu Shanhe nodded and asked, "How did you guess it? This is too amazing!"

Chen Xiaobei did not explain but asked, "as an elder of the No saint tribe, you have a good talent, mind, and heart. You have a bright future. Why did you collude with the sky burying Yuan sacred tribe?"

"Because ... The world is too unfair ..."

Wu Shanhe's expression was dejected as he slowly said, "as members of the non-Saint tribe, those who were born in big families can rely on their family's power, resources, and connections to live a good life. Their cultivation, status, and future prospects are far above mine!

"And me? I was born in a small family, and my ancestors couldn't help me at all. I had to rely on my own hard work and even put my life on the line to get even the slightest bit of improvement!"

whenever I'm working hard and putting my life on the line, those people who are inferior to me in all aspects, be it talent, schemes, or temperament, can easily obtain what I've been dreaming of and reach heights that I can't reach ...

"I really couldn't take it lying down ... That's why the sky burial Yuan sacred clan came to find me! They want me to help them get rid of the eldest son of the head of the elder Council in the outer region of the East! And the number one genius in the outer region of the East!"

"In return, the sky burying Yuan sacred clan will give me a two star sacred ancestor level sacred ancestor black resin to help me break through to the next realm! Furthermore, you'll use my hands to eliminate the young geniuses of my Saint-less tribe in the martial arts tournament! After this is done, they will give me even more benefits!"

At this point, Wu Shanhe's face was still filled with unwillingness.

Obviously, he didn't regret his decision. Even if he was given another chance, he would definitely choose to cooperate with the sky burying Yuan sacred clan.

Of course, this was normal!

In this world where the strong preyed on the weak, strength was the truth and the iron rule. With greater strength, one would have a higher status, more resources, better connections, and a brighter future!

It was precisely because of this that increasing one's strength was the dream of everyone!

Especially for people like Wu Shanhe, who was born in an ordinary family, only by constantly improving his strength could he change his fate with his own hands!

The fastest and most direct way to increase his strength was to refine the sacred ancestor Mystic resin!

Especially for people like Wu Shanhe who were facing a bottleneck in their cultivation, the sacred ancestor black resin was simply the most, most, most important thing!

Because of this, when the sky burial origin sacred clan offered to use the sacred ancestor black resin as a reward, Wu Shan He couldn't refuse! Even if they had to do it again, he would not refuse!

After all, the sacred ancestor Mystic resin was an extremely rare resource!

First of all, the sacred ancestor's corpse was an extremely difficult resource to obtain. Second, even if one had the sacred ancestor's corpse, there were very few people who knew how to refine the sacred ancestor Mystic resin!

After all, refining a sacred ancestor Mystic resin was countless times more difficult than refining a Sacred Emperor Mystic resin!

From this, it could be seen that the sacred ancestor Mystic resin was an extremely rare, precious, and difficult to obtain resource!

Only a small number of large families could buy some sacred ancestor Mystic resin at a huge price to nurture their most outstanding descendants!

As for people like Wu Shanhe, who came from ordinary families, their entire life's savings might not even be enough to buy a portion of sacred ancestor black resin!

Can you contact the sky burying Yuan sacred clan with your communication rune? "

Chen Xiaobei asked.

"No..."

Wu Shanhe shook his head and said, " I only have one-way contact with them. They will only appear again after I've completed the task of the people in this martial arts competition. They will pay me and tell me the next task!

"I see ..."

Chen Xiaobei furrowed his brows and thought to himself, " "Since that's the case, I'll do as you say and give up on the competition!"

"What?"

Wu Shanhe's expression froze, and his face was filled with confusion. "Why did master quit? Didn't you fight me just now because you didn't want to back out?"

"There are two reasons."

"The first reason is that you have to complete the mission to lure the mastermind out!" The second reason is that I can't expose myself to the sky burial Yuan sacred clan!"

Obviously, the origin Dao divine ancestor had already sent Chen Xiaobei's information back to the sky burial origin divine clan! Furthermore, the origin Dao divine ancestor would definitely mobilize the sky burial origin divine clan to search for Chen Xiaobei!

This meant that once Chen Xiaobei was exposed to the sky-burial Yuan sacred clan, he would be hunted down on a large scale!

More importantly, the origin Dao divine ancestor was now related to the Supreme opportunity of the sky burial Yuan sacred clan.

Therefore, the sky burial Yuan sacred clan would pay more attention to the origin Dao divine ancestor!

Since the origin Dao divine ancestor wanted to capture Chen Xiaobei, the entire sky burial Yuan divine clan would cooperate!

That was why Chen Xiaobei could not expose himself. Otherwise, he might attract the attention of the abyssal Jade Saint ancestor!

That was why Chen Xiaobei had to give up on the competition!

There was another benefit to doing this. By letting Wu Shanhe complete the mission and lure out the mastermind, Chen Xiaobei could not only beat them at their own game but also get a portion of the Holy ancestor Mystic resin from them. It was killing two birds with one stone!

"I dare not question master's decision ..."

but, " Wu Shanhe said, embarrassed. once master leaves, I'm afraid I won't be able to defeat those two opponents. After all, I have nothing left now ...

It was obvious that Wu Shanhe had two trump cards that could kill the two participants.

But now, Wu Shanhe had nothing left. With his remaining peak one-star divine ancestor cultivation, he couldn't even hurt his two opponents.

"Don't worry. Since I'm letting you participate, I'll definitely let you win!" Chen Xiaobei's tone was calm, as if everything was under control.

Yes, sir ... Wu Shanhe nodded without any doubt.

It could be seen that soul snatching was really very, very powerful! Even if Chen Xiaobei wanted him to die, he would not even bat an eye!

“There are still three days left. Take me around.” it’s my first time in the ancestral sanctuary! I’m not familiar with the environment yet! Chen Xiaobei said.

“No problem!”

Wu Shanhe nodded heavily and then suggested, “ “Why don’t we set off now? There was going to be a very Grand Auction at the No saint Chamber of Commerce today! Master, you can go over and see if there’s anything you like to buy!”

“Good! Let’s go there!” Chen Xiaobei nodded.

Chen Xiaobei had five intermediate two-star divine ancestor powers in his possession. In the outer Eastern Region, this was a huge fortune.

If there was anything good, Chen Xiaobei would buy it.

Just thinking about it made him look forward to it!

[Red Envelope Group of the Three Realms](#)

Chapter 4538: You have to look at the owner before hitting the dog!

4538 You have to look at the owner before hitting the dog!

As he flew through the bustling streets, Chen Xiaobei once again felt the vastness of the Supreme divine ancestor’s territory.

Even though it was only a small area in the outer Eastern Region of the non-Saint tribe, it was much larger than the largest region Chen Xiaobei had ever seen.

Moreover, the people who could live here were all very powerful.

It could be said that Saint emperors were everywhere, and Saint Kings were as common as dogs.

However, there were not many divine ancestors.

After all, it was extremely rare for a person to become a saint King.

Therefore, as long as one reached the one-star divine ancestor realm, they could basically become a ninth-grade elder in the outer Elder Council. Although they were at the bottom of the elder Council, they were above everything outside the elder Council!

Because of this, wherever Chen Xiaobei and Wu Shanhe went, the Holy emperors and Holy Kings looked at them with admiration. They were all very humble, and many of them even bowed to them!

This treatment was really, really good!

Soon, the two arrived at the auction house.

The scale of this auction house was huge.

However, the vast majority of the area was reserved for Saint emperors and Saint Kings to trade. The level of the auction items would not be particularly high.

Those who had reached the Saint ancestral realm had their own independent auction house, which was relatively small.

Although the scale was small, every auction gathered the rarest and most precious treasures in the entire Eastern outer region. Only those at the sacred ancestor realm were qualified to participate in the auction. Those below the sacred ancestor realm were not even qualified to be spectators.

Obviously, this was also a kind of resource monopoly.

Those at the sacred ancestor realm could buy the best items, while those below the sacred ancestor realm could not obtain these items even if they had the money. This reduced the number of ascending passages.

As a result, the strong became stronger and stronger while the weak were unable to improve. The gap between them also became wider and wider.

This was also the unfairness that Wu Shanhe had mentioned before! Those who were born in large clans, even if they had mediocre talent and did not work hard, could still obtain more and better resources, and it was easier to raise their cultivation realm!

“Yo! Isn’t this the second-ranked genius of the eastern outer region, Wu Shanhe?”

At this moment, a strange voice came from nearby.

When he said the word ‘second’, he even emphasized it, as if he wanted everyone around him to hear it.

Sure enough, many eyes in the surroundings suddenly focused on Wu Shanhe.

Sneers, taunting, and mocking voices rose one after another and lingered in their ears.

“Who is that person?”

Chen Xiaobei frowned and looked at the person who spoke.

It was a Pretty Woman who was dressed luxuriously and was covered in jewels.

The key was that the jewelry she was wearing was no longer ordinary jewelry, but various high-level heavenly treasures.

For example, that pair of earrings was made from a one-star divine ancestor crystal. It had the effect of calming one’s Qi and focusing one’s mind.

Another example was the necklace around her neck, which was made of two-star divine ancestor level stellar stone. It helped with the circulation of qi and blood and improved the effect of cultivation.

In addition, there were bracelets, rings, embroidered shoes inlaid with gemstones, and so on ...

It was really extremely luxurious and full of treasures.

However, in Chen Xiaobei’s eyes, it was too tacky.

Furthermore, this woman's cultivation base was not high, only at the nine Star divine Emperor realm. How could she be worthy of these divine ancestor level jewels?

"Her name is Wu Bilian. She was my childhood sweetheart and my little sister from next door ..."

Wu Shanhe's expression was downcast, and his tone was also very sad.

It could be seen that Wu Shanhe had some feelings for this Wu Bilian in the past. However, for some unknown reason, the two of them had separated.

"Bi Lian, who are you talking to?"

At this moment, a man who was also dressed luxuriously in jewelry walked over with a large group of followers.

It could be seen that this man was really rich. Even the clothes of his followers were much more luxurious than those of the surrounding passers-by. They were bright and beautiful, full of style.

After this man walked over, he naturally hugged Wu Bilian.

"Isn't this the second genius? I'll go and greet him!" Wu Bilian sneered, her eyes and tone full of ridicule.

Wu Shanhe's expression turned extremely ugly when he heard this.

The surrounding crowd of onlookers pointed and discussed animatedly. The sounds of ridicule and ridicule increased.

I heard that Wu Shanhe and Wu Bilian used to be a couple. They were already talking about marriage, but in the end, young master Wuzhi Xiang snatched her away and cheated on Wu Shanhe!

"What's with the 'green'? it's so ugly! In this world, the strong are respected, and only the strong deserve to have beautiful women!"

"You're right! Young master Wuzhi Xiang is the number one genius in our Eastern outer region. He's at the three-star divine ancestor realm, which is countless times stronger than Wu Shanhe. As long as miss Wu Bilian isn't an idiot, she should know how to choose!"

"Isn't it? Other than his cultivation base, young master Wuzhi Xiang's family background was even more shocking. His grandfather and father were both members of the middle-ranking elder compound in the East! In the Wu Shanhe family, he was the only one who had reached the divine ancestor realm. They couldn't be compared at all! Of course, miss Wu Bilian knows what to choose!"

"Speaking of which, back then, miss Wu Bilian seemed to have broken off the engagement in public! It was really too wise! If she were to really marry Wu Shanhe, she would definitely regret it for the rest of her life!"

.....

The Wuzhi Xiang that everyone was talking about was the man who was currently hugging Wu Bilian.

Listening to the discussions of the crowd, Wuzhi Xiang's chin was raised extremely high. His face was filled with pride as he looked at Wu Shan He from the corner of his eyes, full of contempt and disdain.

In such a situation, Wu Shanhe's face naturally turned ashen! The shame of being cuckolded! The humiliation of having their engagement broken off in public! All of them came to his mind!

Depressed! Aggrieved! He was furious! Unwilling ...

At this moment, Wu Shanhe wanted nothing more than to kill this adulterous couple in front of him.

However, Wu Shanhe couldn't do it ...

Due to the huge difference in strength, all of Wu Shanhe's negative emotions could only be suppressed in the depths of his heart. There was no chance for them to explode.

The years of accumulation had even caused an irresolvable knot to form in Wu Shan He's heart!

Perhaps it was for this reason that Wu Shanhe had chosen to betray his race and collude with the sky burying Yuan sacred clan. It was not only to become stronger, but also to counterattack and take revenge after he became stronger!

Suddenly, Chen Xiaobei understood Wu Shanhe.

"No mountain river!"

At the same time, Wuzhi Xiang was still overbearing as he angrily rebuked, "I already said that you're not allowed to appear within bi Lian's sight! Are you turning a deaf ear to my words?"

Even Chen Xiaobei could not bear to listen to this.

As the saying goes, you have to look at the owner before hitting the dog!

As the master of Wu Shan He, Chen Xiaobei could not allow the other party to humiliate him!

Chen Xiaobei took a step forward, looked at Wuzhi Xiang and said coldly, "A good dog doesn't block the way, get lost!"

[Red Envelope Group of the Three Realms](#)

Chapter 4539: Instantly crushed!

4539 Instantly crushed!

BOOM!

A stone that caused a thousand ripples!

Chen Xiaobei's simple words were like a Thunderbolt that struck everyone in the room.

The crowd was stunned for a few seconds before they burst into an uproar!

"Is this kid crazy? He actually dared to speak to young master Wuzhi Xiang like this! Are you tired of living?"

"But then again, this kid seems to be very strong! I can't even see through his cultivation!"

“You’re thinking too much. No matter how strong his cultivation is, can he be stronger than young master Wu Zhi Xiang? Even if he’s stronger than young master Wuzhi Xiang, he can’t possibly be stronger than the clan behind young master Wuzhi Xiang!”

“You’re right! Young master Wuzhi Xiang’s family, even in the middle of the Eastern Region, was also a big family with a reputation! This idiotic stinky brat actually dared to provoke young master Wuzhi Xiang, he was simply courting death! You’re courting death!”

“He is indeed an idiot! You’re too stupid!”

“Just wait and see! Young master Wuzhi Xiang will definitely make this brat suffer the consequences!”

.....

Obviously, Wuzhi Xiang was the No. 1 genius of the eastern outer region. His ancestors were the middle level elders of the eastern elder compound. With such strength and family background, who would dare to provoke him, except for an idiot?

Because of that, everyone was looking at Chen Xiaobei with disdain and mockery. All of them sneered gloatingly, waiting to watch a good show.

“Whoosh ...”

As expected, a terrifying amount of saintly celestial energy gushed out from Wuzhi Xiang’s body. He stepped forward and stared at Chen Xiaobei coldly.

“You little bastard!” He snapped. Do you know who you are talking to? Immediately kneel down and apologize to me, or else I can directly destroy you with a flip of my hand!”

Although the crowd could not see through Chen Xiaobei’s cultivation, Wuzhi Xiang could easily tell that Chen Xiaobei was a two star divine ancestor pinnacle.

Even though Chen Xiaobei’s cultivation was considered very high in the outer Eastern Region, it was still a far cry from Wu Zhixiang’s three-star divine ancestor level.

Because of that, Wu Zhixiang was very arrogant and did not take Chen Xiaobei seriously.

“Little bastard, did you hear that? Why aren’t you kneeling down?”

In this situation, even Wu Bilian clamored with a haughty and superior attitude.

“don’t say I didn’t warn you,” he said. “Xiang-GE never goes back on his word. If you don’t kneel and apologize, Xiang-GE will really crush you like a bug!”

In Wu Bilian’s eyes, Chen Xiaobei was no match for Wu Zhixiang.

If Chen Xiaobei dared to disobey Wuzhi Xiang’s order, he would definitely die.

In fact, at this moment, not only Wu Bilian, but everyone around her thought so too! No one would believe that Chen Xiaobei would refuse!

“I told you to get lost.”

However, Chen Xiaobei was not afraid at all. In fact, he was even exuding an extremely powerful and terrifying aura!

Now that Chen Xiaobei had cultivated the divine path of heart and soul, his state of mind had been greatly strengthened. With the blessing of the divine path, the aura he exuded was much stronger than before!

“Boom boom boom ...”

In that instant, Chen Xiaobei’s aura was like a tsunami!

It wasn’t targeted at anyone, but everyone present felt the terrifying mental pressure!

In fact, a series of apocalyptic scenes such as the collapse of the sky and the collapse of the earth, the collapse of nomological laws, and the exhaustion of life appeared in his mind. He felt like an ant under the apocalyptic world that could be turned into dust at any time!

This terrifying mental illusion instantly crushed everyone’s mental state with a destructive momentum!

Plop ... Plop ... Plop ... Plop ...

Chen Xiaobei did not say a word, but everyone around him knelt down one after another and began to kowtow. At the same time, their bodies were trembling, and cold sweat was pouring down like rain!

The people who were gloating were all kowtowing to Chen Xiaobei!

A small group of timid people even had a mental breakdown and fainted with their eyes rolling back. White foam kept coming out of their mouths, and their bodies couldn’t help but tremble!

Plop ... Plop ... &Quot;

Immediately after, Wuzhi Xiang and Wu bi Lian’s pupils shrank. Their bodies trembled and their legs went soft. They knelt on the ground uncontrollably.

Since they were the closest to Chen Xiaobei, and Chen Xiaobei’s aura was directed at them ...

Therefore, at this moment, the two of them were the most embarrassed among all the people!

Chen Xiaobei’s aura had crushed the two of them, and they fell to the ground.

His dead fish eyes rolled back, white foam frothed from his mouth, and he spasmed on the ground.

The two of them wet their pants and peed their pants under Chen Xiaobei’s intimidating aura.

“Let’s go,” he said.

&Quot; go! &Quot; Chen Xiaobei spat out and then stepped over Wuzhi Xiang’s face.

At that moment, Wuzhi Xiang’s followers were like a group of mice that had seen a Tiger. They were all scared out of their wits and peed their pants.

One by one, they knelt on the ground, rolling and crawling to make way for Chen Xiaobei. No one dared to stop him.

“Yes!”

Wu Shanhe quickly followed.

“Bah! Bah!”

After stepping over Wuzhi Xiang’s body, Wu Shanhai even turned around and spat at Wuzhi Xiang and Wu Bilian.

Don’t even mention how vented.

“Bang Bang Bang ... Bang Bang Bang ...”

Even after Chen Xiaobei and Wu Shanhe had left, the crowd was still under Chen Xiaobei’s pressure. They were still kowtowing to him.

It was unknown if Wuzhi Xiang had drunk too much, but at this moment, he was peeing a lot, and half of his body had been soaked yellow.

Without a doubt, this matter would definitely spread across the entire outer region of the East with the speed of lightning. Wuzhi Xiang’s face could be considered to have been completely thrown away.

.....

After entering the auction house.

Chen Xiaobei and Wu Shanhe found a random seat and sat down.

“Master! You’re too powerful! Just his aura alone is enough to intimidate everyone!”

“You must know that Wu Zhixiang is a three-star divine ancestor!” Wu Shanhe said excitedly. You’ve directly crushed my heart realm! If it was on the battlefield, you wouldn’t even need to make a move, and he would have already lost!”

Chen Xiaobei shook his head and said, “This Wuzhi Xiang should not have suffered any setbacks, his mental state is too weak! If it was another three star divine ancestor who had experienced great storms and waves, his state of mind wouldn’t have collapsed so easily!”

“That may be true, but master, you didn’t do your best, did you?” “I feel that if you use all your strength, master, you might be able to crush the five-star divine ancestor’s state of mind in an instant!” Wu Shanhe said with great admiration.

Red Envelope Group of the Three Realms

Chapter 4540: Bold idea!

4540 Bold idea!

“Things like pressure have many variables. It’s not as simple as you think!”

Chen Xiaobei shook his head, not planning to explain further.

In fact, whether or not the pressure could crush the opponent’s mental state depended on many factors.

For example, the strength of the opponent's mental state. This was easy to understand. The stronger the opponent's mental state, the harder it was to intimidate.

Another example was whether the opponent was mentally prepared. If the opponent didn't underestimate him and was full of caution and vigilance from the start, the mental defense in his mind would be higher and it would be more difficult to intimidate him! On the other hand, if the opponent underestimated him, he would be easily intimidated!

The other situation was to see if the opponent had experienced the same powerful pressure. If his opponent had experienced a similar amount of pressure as Chen Xiaobei, it would be impossible for Chen Xiaobei to intimidate his opponent.

That was why Chen Xiaobei had said that there were many variables in the pressure, and that it was not meant to intimidate anyone!

Of course, even though there were many variables, Chen Xiaobei's current aura could indeed intimidate the five-star divine ancestor, crush her state of mind, and make her mentally collapse!

In an ideal situation, his aura would be Chen Xiaobei's trump card.

However, the ideal situation might not exist every time, so there were indeed variables in this.

In the end, strength was still the most important!

Only when one's own strength was strong enough could one wipe out all variables and trample all the opponents under one's feet, not giving them the slightest chance to turn the tables.

Whoosh ... "

At this moment, there was a sudden commotion in the auction house.

Following the voice, they saw a young man entering the auction house, surrounded by a large group of scoundrels.

It was this young man's appearance that caused the scene to be in an uproar, attracting the attention of tens of thousands of people.

"Quickly look! Young master Wu Jiuhua! It was young master Wu Jiuhua! Didn't he go to the middle level of the East to train? Why did you suddenly come back?"

"You don't know? Young master Wu Jiuhua had returned to participate in the martial arts competition! He's the most outstanding eldest son of the president of the eastern outer region's elders Association. He'll definitely come back to win glory for father!"

"But today is the auction! Since young master Wu Jiuhua is here personally, does it mean that there will be something extremely valuable up for auction?"

"It's very possible! It seems that there will be a fierce battle at the auction today!"

"The only one who can compete with young master Wu Jiuhua is the number one genius in the outer region of the Eastern Region, young master Wu Zhixiang!"

“Young master Wuzhi Xiang should be here! Every time there’s a good item in the auction, he’s always there!”

.....

The crowd was in a heated discussion, filled with anticipation for today’s auction.

“Ah ...”

Wu Shanhe could not help but sigh when he saw this.

“Master, it seems like we came at the wrong time, even though Wuzhi Xiang was scared to the point of peeing his pants!” But without the nine flowers, nothing good can escape from his hands!”

Obviously, in the ancestral Holy region, all the good resources were monopolized by the experts at the level of the Holy ancestors.

As for the top resources, they were monopolized by sacred ancestor-level families and forces.

Ordinary people simply didn’t have the ability to compete with them.

Especially in auctions, where financial resources were the most important. Most people could only look up to the major forces and families.

Obviously, this was also an important reason why Wu Shanhe was not willing to accept this.

For example, Wuzhi Xiang, who was scared witless by Chen Xiaobei.

Wu Zhi Xiang’s innate talent was far from Wu Shan He’s, but he had the support of a large family.

Therefore, Wuzhi Xiang had an endless stream of resources and opportunities since he was young. He could even use the Saint Emperor Mystic fat to break through to the next realm at the most crucial moment. It could be said that everything was smooth sailing without any obstacles.

Because of this, Wu Zhi Xiang became the number one genius in the outer region of the East!

In comparison, Wu Shanhe had relied entirely on his own hard work and countless hardships to climb to his current position!

If they were under the same conditions, Wu Zhixiang would definitely be left far behind by Wu Shan He. The two of them could not be compared at all.

However, reality was cruel. There was no such thing as absolute fairness!

It was precisely under such unequal circumstances that Wu Zhixiang had surpassed Wu Shan He by far. Not only had he made Wu Shan He a cuckold, he had also made Wu Shan He carry the title of the number two genius on his back, causing him to suffer endless humiliation and ridicule!

In fact, with Wu Shanhe’s age and background, it was already very impressive for him to have achieved what he had today.

However, the majority of the people wanted to flatter and flatter Wu Zhi Xiang, so they had to ridicule and belittle Wu Shan He.

Because of this, Wu Shanhe's heart was suffering a great torment that he shouldn't have.

Under such circumstances, Wu Shanhe's betrayal of his race and his collusion with the sky burial Yuan sacred clan was very reasonable.

Similar to Wu Zhixiang, this Wu Jiuhua in front of him was also a second generation who relied on his family to rise rapidly.

Moreover, there was also a huge enmity between Wu Jiuhua and Wu Shanhe.

"Your eyes seem to be hiding hatred!"

Chen Xiaobei's eyes narrowed, as if he could see through Wu Shanhe.

There was no mistake!

At this moment, although Wu Shanhe was sighing and lamenting, he looked at Wu Jiuhua with eyes full of extreme hatred. In fact, his hatred was even more intense than Wu Zhixiang's!

This did not escape Chen Xiaobei's eyes!

"Master's eyes of wisdom ..."

Wu Shanhe lowered his voice and said in a deep voice, " " many years ago, my father went out to gain experience and found a very precious natural treasure. Wu Jiuhua wanted to buy it at a low price! "

"My father didn't agree, and in the end, Wu Jiuhua framed him, saying that my father stole his treasure! In the end, my father wanted to resist, but he was killed by Wu Jiuhua, and not even his bones were left ..."

" anyone with eyes knows what's going on, but because Wu Jiuhua's father is the head of the elder Council in the outer region of the East, no one dares to interfere ... "

"Even I didn't dare to take revenge and could only suppress it in my heart ... I only had the confidence to take revenge when the sky burial Yuan sacred clan came to find me not long ago! Prepare to kill Wu Jiuhua during the competition!"

" before I succeed, I can't reveal my hatred ... Otherwise, once Wu Jiuhua's father makes a move, I won't have any chance to take revenge! "

At this point, the hatred in Wu Shanhe's eyes seemed to be on the verge of exploding. He wanted to shoot it out directly and burn Wu Jiuhua, the enemy who killed his father, into ashes!

Chen Xiaobei could not help but sigh. " " Wu Jiuhua's father's death ... Wu Zhixiang's wife's snatching ... I didn't expect you to be carrying so many things on your back! "

Chen Xiaobei's expression changed.

In the depths of his mind, an extremely bold idea gushed out!
