

## Envelope 4601

### Red Envelope Group of the Three Realms

#### Chapter 4601: The round ball!

4601 The round ball!

“Whoosh ...”

The next moment, a vast and mysterious power suddenly descended and enveloped Chen Xiaobei.

This power exuded an extremely terrifying pressure.

Mie xuanling couldn't help but shiver in the face of such pressure. She felt as if an unparalleled force was crushing her body, and her heartbeat and breathing almost stopped.

Even the nine hearts turtle ancestor, who was standing at the side, lowered his head in the face of this pressure. He bent his limbs and prostrated himself, showing an absolute submission.

For a moment, mie xuanling's heart once again felt a shock that was thousands of times more intense than before.

“Whoosh ...”

At the same time, Chen Xiaobei was not affected by the pressure at all. In fact, he even enjoyed being enveloped by the power!

There was no mistake!

This power was the one word Saint destroyer curse, which was one level higher!

“Whoosh ...”

Without hesitation, Chen Xiaobei started to cultivate.

With the help of the three-star divine ancestor sunlight cache, the cultivation process was completed in an instant.

Chen Xiaobei's one-word Holy extermination curse had reached the level of a three-star divine ancestor!

This way, the basic nine word mantra would allow one to be invincible against anyone below the five star divine ancestor realm! On the other hand, the Dao word incantation could make one invincible under the seven Star divine ancestor!

Of course, even though the 'Dao' word incantation was powerful, Chen Xiaobei's mental power was not strong enough to sustain its maximum power!

With Chen Xiaobei's current mental power, he could only cast a five-star divine ancestor intermediate-stage Dao word spell. He could only make anyone below the six-star divine ancestor level invincible!

In order to unleash the full power of the 'Dao' spell, Chen Xiaobei needed to increase the level of his mental power!

Without a doubt, this was a huge improvement for Chen Xiaobei!

And this was the true value of the one word Saint destroyer curse!

Supreme quality could allow one to defeat a sacred ancestor-level opponent!

Even though Chen Xiaobei did not want to look for the reincarnator of ten thousand DAOs, sometimes, he had to do so in order to become stronger!

And this was also one of the plans of the ancestor of all DAOs!

“Alright, I’m done!”

I’ve completed my mission. Can you give me my reward now?” Chen Xiaobei asked.

“Of course you can!”

The nine hearts turtle ancestor composed himself and asked in a deep voice, “You want to use an unlimited amount of Saint Qi? Or was he going to treat this woman’s injuries? Choose one of the two!”

“Help her treat her injuries!” Chen Xiaobei said without hesitation.

Obviously, Chen Xiaobei did not lack Saint Qi at all. More importantly, Chen Xiaobei had always been a loyal person, and he would definitely put killing xuanling as his top priority!

Mie xuanling was very touched. She looked at Chen Xiaobei with a strange light in her eyes.

“As you wish!”

The nine hearts turtle ancestor was quick to fulfill Chen Xiaobei’s request.

“Whoosh ...”

In the next moment, with a thought from the nine-hearts turtle ancestor, a huge word “Life” appeared on its first head in the brilliant holy light that was as vast as the universe!

Then, the green spiritual light landed on mie xuanling’s body!

Mie xuanling’s injuries also began to recover at a speed visible to the naked eye! In just a moment, he had actually completely recovered!

“Oh my God ... This ... This is too magical!”

Once again, mie xuanling was greatly shocked and her beautiful eyes widened in disbelief.

He had never expected that the extremely serious and almost fatal injury on his body would actually recover completely in front of the nine hearts turtle ancestor.

This was truly too shocking! Mie xuanling felt that his three views had been completely subverted!

He was convinced!

huh?!

At the same time, Chen Xiaobei was also shocked by what he saw.

He did not expect the nine hearts turtle ancestor to be able to use the one word Saint destroyer curse!

From the looks of it, each head of the nine hearts turtle ancestor had a special ability that corresponded to a character!

Moreover, from the speed of miexuan Ling's recovery, the nine hearts turtle ancestor's one-word Saint destroyer curse had probably reached the Supreme Saint ancestor level!

From the looks of it, the nine hearts turtle ancestor was the genuine number one expert in the world!

They were both Supreme sacred ancestors, but nine hearts turtle ancestor had a supreme quality enhancement. He could be absolutely invincible among those of the same level!

Even if all the other Supreme sacred ancestors joined forces, they would definitely not be a match for the nine hearts turtle ancestor!

This was extremely terrifying!

At the same time, this scene overturned Chen Xiaobei's previous guess!

Previously, Chen Xiaobei had speculated that the reason why nine-hearts turtle ancestor would not leave the ten thousand Dao secret realm was because he might be attacked by many Supreme divine ancestors and might die!

However, at this moment, since the nine hearts turtle ancestor was an absolutely invincible existence, the reason why he did not leave the 10000 Dao secret realm was not because he was afraid of dying. There must be a more important reason!

Chen Xiaobei quickly scanned the entire space.

The reason why the nine hearts turtle ancestor did not leave must be hidden in this space. If Chen Xiaobei could find out, he might be able to take control of the situation and change from a chess piece to a chess player!

"What are you looking at?"

The nine hearts turtle ancestor asked in a deep voice.

"It's nothing,"

Naturally, Chen Xiaobei would not say what he was thinking.

Of course, Chen Xiaobei did not find anything out of the ordinary.

After all, such an important thing would definitely be hidden very well. It was not easy to find it.

now, " nine hearts turtle ancestor urged. you can use the advanced one word Saint destroyer curse to open an exit and leave this place!

"No rush!"

I need to go back and retrieve the Saint Pan's fortune! Chen Xiaobei said.

"Whoosh ..."

After that, Chen Xiaobei took mie xuanling and returned to the origin of the Saint pan clan through the portal, which was the low-level independent space.

.....

Soon, the two of them returned to the altar.

Without waiting for Chen Xiaobei's order, mie xuanling left the altar.

"Whoosh ..."

Next, Chen Xiaobei activated the plate incantation.

A green board-shaped Dharma form appeared and landed on the altar.

One could see a layer of Green Seal rippling away like water before disappearing without a trace.

There was no mistake!

This was the seal left behind by the myriad Dao ancestor!

"Whoosh ..."

After the seal was removed, Chen Xiaobei immediately condensed his Pangu true form!

In the next moment, an extremely strong aura of the Saint pan clan burst out from the altar, resonating with the true body of Pangu!

"Ka ka ka ..."

Then, as if the dimension wall had been broken, the altar turned into a green cube and scattered around Chen Xiaobei.

"Whoosh ..."

Then, a special green ball slowly rose from the middle and floated in front of Chen Xiaobei!

### [Red Envelope Group of the Three Realms](#)

#### **Chapter 4602: A bold idea!**

4602 A bold idea!

what's that!?

In the distance, mie xuanling's beautiful eyes were wide open, full of great curiosity.

That was because mie xuanling felt a very special aura from the green ball. It was eternal, undying, and extraordinary!

"Whoosh ..."

Chen Xiaobei did not know what it was either. He reached out his hands and released the Saint Pan's origin aura, trying to resonate with the green ball and understand its essence.

"Hiss hiss hiss ... Hiss hiss hiss ..."

The next moment, a very strange scene appeared in front of Chen Xiaobei.

The green ball suddenly emitted countless thin threads, like green silk.

The entire ball was like a cocoon.

As the green threads flew, the ball gradually disappeared. Then, a shriveled insect that looked like a Golden Cicada appeared.

this ... This aura ... This is the aura of pan Shengjie!

Even though Chen Xiaobei had never seen this kind of insect before, the aura it gave off was exactly the same as the one given off by pan Shengjie and Lu Bao.

“From the looks of it, this shriveled insect corpse should be the appearance of an adult pan Shengjie! Green Treasure is still an underaged child!”

but ... Chen Xiaobei frowned. this adult pan shengxi has already turned into a dried corpse. What use is it? ” This is really too strange!”

It was obvious that this pan Shengjie had died long ago. Even its corpse had become shriveled and weak.

Under such circumstances, Chen Xiaobei could not think of any other use for the bug carcasses.

However, even though he couldn't figure out what it could be used for now, he was sure that the corpse of the adult pan shengxi was of great significance.

Otherwise, the Saint pan clan wouldn't have left it here, and the ancestor of all DAOs wouldn't have specially set up a seal to prevent others from obtaining it.

From this, it could be seen that this adult pan shengxi must be very special and important.

if it doesn't work, let's try to release Green Treasure and see if it will have any reaction!

Chen Xiaobei then released Green Treasure.

However, Chen Xiaobei was still a little worried.

After all, Green Treasure was still a child. Its spiritual intelligence was not complete yet. It could not understand Chen Xiaobei's orders, nor could it express its own thoughts.

So, Chen Xiaobei was worried that even if Green Treasure had discovered something, it would not be able to tell him. It would be the same as not knowing anything.

It was meaningless!

“Ka! Kachacha ...”

However, just as Chen Xiaobei was worried about how to communicate with Green Treasure, something happened that made Chen Xiaobei break down.

Who would have thought that Lu Bao would just jump over and eat the corpse of the adult pan Shengjie in two bites?

“F \* ck!”

Chen Xiaobei was sweating.

He had put in so much effort and almost lost the life of mie xuanling to get this opportunity, but it was eaten by the green Treasure in two bites.

This was not a joke. All his hard work and effort might be completely wasted.

Seeing this, mie xuanling immediately became nervous.

“Whoosh ...”

However, Green Treasure’s body started to change.

Green holy light burst out like the sun, changing the color of the entire space.

At the same time, the entire space was filled with the aura of the Saint Pan’s origin, as if it was resonating with the green Treasure, forming a mysterious spiritual connection.

“What ... What is going on?”

Chen Xiaobei was confused.

After all, when the green Treasure devoured other things in the past, it would only produce the Saint pan green jade dew and not something like this!

From the looks of it, the corpse of the adult pan Shengjie seemed to be an inheritance!

However, this inheritance was not for Chen Xiaobei, but for Lu Bao!

“Whoosh ...”

Immediately after, Green Treasure’s body underwent a very obvious change. It grew at a speed visible to the naked eye and was slowly approaching maturity.

This time, it was confirmed that the legacy left behind by the Saint pan clan was an inheritance for pan Shengjie!

“Whoosh ...”

After waiting for a while, the green gem had fully matured. It looked like a green-gold Beetle, and the spikes on its back were like a crown. It was also covered in holy light, and its aura was greatly enhanced.

“Master!”

After it had matured, green gem had gained intelligence. It could now speak the human language, and it was lying on Chen Xiaobei’s palm respectfully.

Chen Xiaobei was overjoyed! It would be much more convenient if he could communicate with Green Treasure!

“you’ve already inherited all the legacies. Are there any special changes now?” Chen Xiaobei asked impatiently.

“Of course!”

Green Treasure said excitedly, “first, the most important change is naturally my special ability!” Originally, I could only produce the Saint pan Jasper dew after devouring natural treasures, and randomly create new items!”

but now, after I devour the heavenly treasures, I will no longer produce the Saint pan Jasper dew. Instead, I will store the energy of creation in the form of the Saint Pan’s power of creation!

with enough Saint Pan’s power of creation and suitable basic items, I can create anything you want, master!

Chen Xiaobei and mie xuanling were shocked. They did not expect a fully matured Green Treasure to have such a powerful ability.

“According to what you’re saying, you can also create the Holy ancestor black resin?” Chen Xiaobei asked.

“Of course you can!”

“As long as master can find a sacred ancestor’s corpse and let me devour some heavenly materials and earthly treasures, I will be able to create a sacred ancestor black resin of the same level as the corpse as long as Saint Pan’s power of creation is sufficient!”

I see ... Chen Xiaobei’s eyes lit up.

In fact, Green Treasure’s creation of the sacred ancestor black resin and the great sage clan’s derivation of the sacred ancestor black resin were similar.

The great Divine Tribe also needed the body of a sacred ancestor to produce the sacred ancestor black resin, and the energy it consumed was Saint Origin Energy.

On the other hand, the green Treasure would consume Saint Pan’s power of creation to produce the Holy ancestor black resin, which meant that it would consume heavenly materials and earthly treasures.

In other words, the abilities of the great saint tribe were more suitable when Saint Origin Energy was sufficient.

And when his Saint Qi was insufficient, he could consume resources and use the green Treasure’s special ability.

This gave Chen Xiaobei another choice, and it was very important at this critical moment.

Of course, there was still a huge difference between green gem’s ability and the abilities of the great sage Tribe. It definitely wasn’t just for the purpose of creating the Holy ancestor Mystic resin.

Just like now, Chen Xiaobei had a very bold idea. If it could be realized, they could directly break out of this situation.

“ Oh? ” Chen Xiaobei asked, “ if that’s the case, can you create a living person?!

## Red Envelope Group of the Three Realms

### **Chapter 4603: Perfect creation body!**

4603 Perfect creation body!

“This is also possible!”

Lu Bao said, “ however, to create a person, I need a complete body and soul. I also need the complete three spiritual and seven physical souls! At the same time, the higher the cultivation base of this person, the more Saint Pan’s power of creation will be consumed!”

“Good! Then come and create me!” Chen Xiaobei grinned. He had finally found a way out of this situation.

“Bei Xuan divine ancestor, what ... What are you doing?” On the other hand, mie xuanling furrowed her brows in confusion.

Miexuan Ling was smart but she was still not as smart as Chen Xiaobei.

Mie xuanling could not keep up with Chen Xiaobei’s thoughts.

From mie xuanling’s perspective, Chen Xiaobei should return to the real world from the ten thousand Dao secret realm and not face the xuanzhao divine ancestor directly. That was the most reasonable and safest choice.

However, Chen Xiaobei did not seem to want to leave at all.

This made mie xuanling very worried. She frowned and her face turned grave.

“I’ve already thought of a way to break out of this situation!”

not only can we leave this place safely, but we can also save your clone! Chen Xiaobei grinned.

“What? This ... How is this possible?”

Upon hearing this, mie xuanling’s eyes widened and she said in disbelief, “What do you mean by this? Even if I can create another you, I won’t be able to defeat that old bastard xuanzhao, much less defeat the enemy who is controlling my clone!”

“It’s normal that you can’t understand now!” Chen Xiaobei said with a smile. However, you’ll soon know my intentions! Trust me, there won’t be any problems!”

this ... mie xuanling was taken aback. If these words had come from someone else’s mouth, she would never have believed them.

However, since it came from Chen Xiaobei’s mouth, she was willing to believe it.

After all, Chen Xiaobei was the one who saved her life! Moreover, she had seen something terrifying with Chen Xiaobei today! This was enough to prove Chen Xiaobei’s unfathomable power!

Most importantly, under such circumstances, mie xuanling had no other choice but to trust Chen Xiaobei!

Without Chen Xiaobei, mie xuanling could not even leave this place!

in that case, please give me a healthy body, a complete set of souls, and a peak three-star sacred ancestor level treasure, or other resources of the same level!

Lu Bao said what he needed in one breath and then got ready to move.

“Alright!”

Chen Xiaobei then took out Wu Shanhe’s body.

Wu Shanhe’s soul had returned to the ten thousand Dao secret realm, but his body was still warm and healthy.

As for the complete soul, Chen Xiaobei took it away and gave it to Lu Bao.

The sacred ancestor burial was Chen Xiaobei’s enemy to begin with. Later on, he became Chen Xiaobei’s loyal dog. His life was Chen Xiaobei’s to begin with. Now that Chen Xiaobei had taken it away, it was only natural.

next, I’m still lacking heavenly materials and earthly treasures, resources of the same level, or magical treasures of the same level. Lu Bao said.

I don’t have that right now ... Chen Xiaobei shrugged.

“Here! I’ll use mine!”

At this moment, mie xuanling took out a peak three-star divine ancestor level special metal from her storage space and handed it to Lu Bao.

“Alright! Everything’s ready, now it’s time to see my performance!”

Lu Bao smiled confidently. He jumped over and swallowed the metal that mie xuanling had given him.

After it entered the mature stage, the green Treasure’s digestive ability had greatly improved. It completely digested this peak three-star divine ancestor level metal almost instantly, turning it into a portion of peak three-star divine ancestor level divine ancestor level power of creation!

“Whoosh ...”

Immediately after, Green Treasure consumed the power of creation and activated its own creation power.

The green light from the special ability enveloped Chen Xiaobei’s body!

Like a scanner, it scanned Chen Xiaobei’s body and recorded all his characteristics.

Chen Xiaobei quickly reminded, ” “Oh right! Green Treasure! When you create it, don’t add my memories into it!”

“Alright!”

Lu Bao nodded.

“Whoosh ...”

Then, the light was transferred from Chen Xiaobei’s body to Wu Shanhe’s.

Then, an extremely magical scene was immediately presented.

As if it was a 3D printer, Wu Shanhe’s body slowly turned into Chen Xiaobei’s appearance!

It was not just his figure and appearance, even his clothes and even his hair had become exactly the same as Chen Xiaobei’s!

“Oh my God ... This ... This is too magical!”

At the sight of this, mie xuanling was the first to exclaim, “This is a true creation! It was not an ordinary transformation spell! The new bodies created in this way are real and have no flaws!”

Clearly, the camouflage and transformation techniques that mie xuanling mentioned could reveal Chen Xiaobei’s appearance!

However, all these methods had flaws. If he encountered someone with a higher cultivation realm, they would be seen through at a glance!

However, at this moment, Lu Bao had actually created a real body! There were no flaws! Even to the Supreme divine ancestor, this was the real Chen Xiaobei! It definitely can’t be fake!

“Whoosh ...”

Then, the light landed on sacred ancestor zang Shang’s soul.

Similarly, as the spiritual light swept across, the soul of the sacred ancestor of the burial chamber turned into Chen Xiaobei’s appearance.

Similarly, even the Supreme divine ancestor couldn’t see any flaws.

“Whoosh ...”

Then, his soul returned to his body, and a new Chen Xiaobei was created by Green Treasure.

Furthermore, not only were their physical forms identical to each other, even their cultivation levels were identical!

“Master, as per your instructions, I did not copy your memories to the creator! At the same time, your cultivation technique and ability are not copied! It’s not that it’s impossible, but that would require more of Saint Pan’s power of creation!”

Lu Bao immediately explained the situation.

Clearly, Chen Xiaobei’s cultivation technique and ability were of extremely high quality. A three-star divine ancestor’s peak-level pan Sheng’s power of creation was not enough to create them.

“Very good! This is the result I want the most!”

Chen Xiaobei nodded in satisfaction and said, “cultivation techniques and abilities are not copied and created. They are actually better choices!”

“Alright,” he said. Green Treasure was in a good mood after receiving Chen Xiaobei’s approval, and it flew back to Chen Xiaobei’s side.

“The North Mystic Divine ancestor ...”

At this moment, mie xuanling couldn’t help but ask, “ now, can you tell me how you’re going to break out of this situation!?”

### [Red Envelope Group of the Three Realms](#)

#### **Chapter 4604: A civet cat for a Prince!**

4604 A civet cat for a Prince!

“My plan is very simple!”

of course not! Chen Xiaobei smiled. to sum it up, it’s just one move-a cat for a Prince!

“Civet? Change the Crown Prince?”

Mie xuanling was taken aback. After all, he was a smart person and quickly realized what was going on.

“I understand!” He exclaimed. Oh my God! Bei Xuan divine ancestor, you’re the one who’s smart! To think that he could think of such a method! This way, not only will we be able to escape, but we can also exchange for my identity!”

The civet cat was the fake Chen Xiaobei that Lu Bao had just created. The Crown Prince was mie xuanling’s avatar.

The entire dead end was solved in an instant.

“Whoosh ...”

After that, Chen Xiaobei turned into a purple cloud and activated his traceless Snowsteps ability, which was hidden in mie xuanling’s body.

Meanwhile, mie xuanling brought the fake Chen Xiaobei and prepared to negotiate with the xuanzhao divine ancestor.

Of course, the fake Chen Xiaobei did not have the memories of the real Chen Xiaobei. He was like a baby, only showing his original nature.

So, in order to not expose her, mie xuanling had knocked the fake Chen Xiaobei out.

After that, mie xuanling brought the unconscious fake Chen Xiaobei back to the real world through the portal.

“Annihilate xuanling! You actually dare to come out!”

At that moment, both Saint ancestor xuanzhao and the demonized great saint were guarding the space gate. When they saw mie xuanling come out, they were excited.

“Whoosh ...”

He didn't even need to do anything. Demonized great saint Supreme divine ancestor released a wave of unparalleled Saint origin power and enveloped mie xuanling.

"Don't mess around! If he dares to hurt me, I'll kill this kid right now! I'll make you lose the one word Holy extermination curse!"

Mie xuanling was very confused. How did a demonized Supreme divine ancestor suddenly appear?

However, at this moment, in such a situation, mie xuanling had no time to think. He immediately laid his cards on the table and revealed his biggest bargaining chip!

There was no mistake!

The reason why the fake Chen Xiaobei could become the Crown Prince was because of the one-word Saint-Killing Curse!

Before Chen Xiaobei entered the ruins, he had cast the pan curse. Xuanzhao's holy ancestor had seen it.

In this world, there was no one who would not be tempted by the one word Holy extermination curse!

Therefore, even if Chen Xiaobei and mie xuanling were already dead, the xuanzhao Saint ancestor would not leave!

If Saint ancestor xuanzhao had been guarding the door, it meant that he was doing it for the one-word Holy extermination curse!

"My Lord! Stop! That brat is the one who can cast the one word Saint destroyer curse!"

Saint ancestor xuanzhao roared as he broke out in a cold sweat.

Everything was going according to Chen Xiaobei's plan!

As long as the fake Chen Xiaobei had enough power, the rest of the plan could be carried out smoothly!

"Whoosh ..."

After hearing Saint ancestor xuanzhao's shout, the demonized great saint Supreme Saint stopped immediately and didn't continue attacking xuanling!

After all, mie xuanling was a nine-star divine ancestor! Even someone as strong as the demonized great divine Supreme divine ancestor would not be able to take Chen Xiaobei back from mie xuanling!

Of course, it wasn't that the demonized great saint Supreme divine ancestor didn't have the ability to do so, but he didn't dare to take the risk!

If Chen Xiaobei was killed by miexuan spirit during the fight, the demonized Supreme divine ancestor would be killed by the Saint-Killing Curse. This was a loss that he was not willing to bear!

"Don't be rash!"

The demonized great saint Supreme holy ancestor composed himself and said solemnly, "As long as you hand over that brat, I can guarantee that I won't hurt you!"

It was obvious that the demonized great saint Supreme divine ancestor also attached great importance to the one-word Saint destroyer curse!

In this way, mie xuanling would directly take the initiative in this matter!

He would have time to figure out the enemy's background!

"I captured this brat to save my own life! Of course, I can hand him over!"

Mie xuanling's beautiful eyes narrowed and she said solemnly, "However, I need to figure out your identity first! I want to know, should I hand this kid over to you? Or should I hand it over to that old thief xuanzhao?"

do you even need to ask?!

Saint ancestor xuanzhao immediately jumped out and introduced, "This is the great saint Supreme divine ancestor! He's my real master! Of course you're handing that kid over to my master!"

"What?"

Not only mie xuanling, but even Chen Xiaobei, who was hiding in the dark, was shocked.

He had never dreamed that the person burning with the black-gold heavenly flame was the great saint Supreme divine ancestor!

"Don't lie to me! How could the Supreme divine ancestor look like this?"

Mie xuanling naturally didn't believe it.

But now, Chen Xiaobei completely believed it.

This was because Chen Xiaobei had used the Saint pan dew to randomly create a dark gold Inferno fruit when mie xuanling was unconscious.

This Supreme holy ancestor-level fruit had the exact same aura as the demonized great saint Supreme holy ancestor.

At the same time, Chen Xiaobei had also derived a special ability from the fruit, which could reverse the origin of chaos.

This once again corresponded to the great sage Supreme divine ancestor who had fallen into the origin of chaos!

That was why Chen Xiaobei believed that the Golden fiery man was indeed the Supreme divine ancestor of Hongsheng. However, he had fallen into a state of Qi deviation because of the origin of chaos!

That was the demonized Supreme divine ancestor!

"I have no need to lie to you!"

"All in all, as long as you hand over the kid, our master will let you go!" Saint ancestor xuanzhao said solemnly.

"No!"

“All of you are far stronger than me!” Mie xuanling said solemnly. If I hand her over and you go back on your word on the spot, wouldn’t I be dead for sure?”

“Don’t worry!”

The demonized great saint Supreme Saint ancestor said, “My words have always carried enormous weight! As long as you hand over that brat, I swear on my Dao heart that I will never hurt you in the slightest!”

“No!”

Mie xuanling said solemnly, ‘empty words have no proof! You have to help me with something! Only when this matter is done can you prove your sincerity!’

“What’s the matter? speak!”

The demonized great saint Supreme divine ancestor agreed to annihilate xuanling without hesitation, which showed how much he cared about the one-word Saint-Killing Curse.

“My clone has been imprisoned by the Saint burial’s Supreme sacred ancestor!”

Mie xuanling said solemnly, ‘as long as you help me get my clone back, I’ll believe in your sincerity! At that time, you can use my clone to exchange for this kid! I’ll definitely trade with you!’

what if you still don’t want to change at that time?” The demonized great saint Supreme divine ancestor asked.

“I won’t.”

Saint ancestor xuanzhao quickly said, “My Lord! This girl was born with the Brahma’s flawless, dustless, and difficult-to-cultivate Holy body! Her identity was related to her main body’s life. If her clone died, her main body would also die! In order to live, she will definitely exchange with you!”

“Good! Then it’s decided! Xuanzhao, you stay here and guard! I’ll make a trip to the sky burial Yuan sacred clan now!”

The demonized great saint Supreme holy ancestor’s body flashed and he disappeared into the void.

### [Red Envelope Group of the Three Realms](#)

#### **Chapter 4605: The identity of the clone!**

4605 The identity of the clone!

“You, back off! Retreat to a distance!”

Mie xuanling glared at sacred ancestor xuanzhao and ordered.

At first, sacred ancestor xuanzhao didn’t react and didn’t take mie xuanling seriously.

However, when he saw that mie xuanling had released her Saint Origin Energy to envelop the fake Chen Xiaobei’s soul, xuanzhao’s Saint ancestor was terrified.

“Good! I’ll retreat! Don’t you do anything stupid!” Saint ancestor xuanzhao immediately retreated a thousand meters away.

Although they were a thousand meters apart, there was no way mie xuanling could escape from sacred ancestor xuanzhao’s hands given the difference in strength.

However, Saint ancestor xuanzhao was a little curious. Before entering that independent space, mie xuanling had clearly been severely injured. How did he recover so quickly?

After thinking about it carefully, Saint ancestor xuanzhao guessed that mie xuanling might have obtained some kind of opportunity in the ruins, which was why his injuries had healed.

Thinking of this, sacred ancestor xuanzhao couldn’t help but sneer.

Chen Xiaobei was the one who saved mie xuanling, but in the end, mie xuanling stole Chen Xiaobei’s opportunity and even knocked him out to use as a bargaining chip for her own survival!

This was human nature! It was too real! It was too cruel!

However, just as he was sneering, something beyond his wildest dreams was happening on the other side.

The real Chen Xiaobei was hiding beside mie xuanling’s ear in the form of purple Qi.

The two of them were even conversing in low voices.

your avatar is actually in the sky burial Yuan sacred clan? ” Chen Xiaobei was shocked.

Earlier, in miexuan Ling’s Palace, she had revealed Chen Xiaobei’s true identity. It was clear that she had obtained the information from the sky-burial sacred clan.

“Yup ...”

Mie xuanling said, ‘my clan and the sky-burying Yuan sacred clan are mortal enemies! You know this! My clone is so important that it will definitely be placed in the sky burial Yuan sacred clan!’

“Who is your clone? I can’t believe I’m able to come into contact with the Saint burial’s Supreme Saint ancestor!” Chen Xiaobei asked again.

“Have you heard of the netherjade Saint ancestor?” Said mie xuanling.

“What? It’s the netherjade Saint ancestor?” Chen Xiaobei was stunned. He could not believe his ears.

“Why are you so excited?” Mie xuanling asked in confusion.

I’ve met the Holy ancestor a few times before. But I’ve always been hiding in the dark! Chen Xiaobei said with a wry smile.

“What?” Mie xuanling was stunned and asked, ‘when? How come I didn’t know about it?’

“During the two meetings between the abyssal Jade divine ancestor and the origin Dao divine ancestor, I was actually hiding in the dark!” “In fact, the origin Dao divine ancestor is just a puppet that I’m controlling!”

“What?”

Upon hearing this, mie xuanling was shocked. Her beautiful eyes and little mouth widened as she said in shock, “ so, you’re saying that the Supreme opportunity of the sky burying Yuan sacred clan has already fallen into your hands? ”

Chen Xiaobei laughed, “ I made that up to trick Saint ancestor netherjade!”

“No way ...”

Upon hearing this, mie xuanling couldn’t help but say in surprise, “ You’re too evil! I even started planning to let my race’s Supreme divine ancestor capture the origin Dao divine ancestor and snatch the Supreme opportunity! I didn’t expect that you were just making it up!”

“Hehe, I didn’t know that you were the netherjade Saint ancestor.” “If I didn’t make it up, the origin Dao divine ancestor wouldn’t have been able to escape. Wouldn’t I be dead?” Wang Chen laughed.

Mie xuanling nodded. yes, now that the misunderstanding has been cleared, I’ll take back my clone. There will be no more sacred ancestor of the netherworld.

it’s all my fault for ruining your plan ... Chen Xiaobei was still blaming himself.

“Ignorance is not a crime. You didn’t do it on purpose.” “As long as I can successfully retrieve my avatar, there will naturally be more opportunities to go undercover in the future. It won’t be a big problem!” So, you don’t have to take it to heart!”

“Mm ...”

Chen Xiaobei paused and said, “ I’m a little worried that the demonized great saint Supreme divine ancestor will kill your clone after snatching it away. If that happens, you’ll die ...”

Chen Xiaobei had confirmed the demonized great saint’s identity as the Supreme divine ancestor!

The great saint Supreme divine ancestor was the most powerful of all the Supreme divine ancestors, and after demonizing, his strength would probably increase even more!

Under such circumstances, the demonized great saint Supreme divine ancestor was almost 100% sure that he could take back mie xuanling’s clone.

But the problem was that after taking the clone, the demonized Supreme divine ancestor could kill mie xuanling’s clone. That way, mie xuanling would die, and xuanzhao could take the fake Chen Xiaobei.

Even though he had stolen the fake Chen Xiaobei, it would still kill miexuan Ling. This was something that Chen Xiaobei could not accept! Chen Xiaobei would rather have his real body captured than kill miexuan Ling!

“Don’t worry! They won’t kill my clone!”

yes, ” mie xuanling said solemnly. my main body and my clone have a telepathic connection. As long as the other party wants to kill my clone, I’ll be able to sense it immediately and kill your fake body at once! They must know this, so they won’t take the risk to kill me!”

Obviously, the demonized great saint Supreme divine ancestor attached great importance to the one-word Saint-Killing Curse. If he dared to take the risk, he would have attacked mie xuanling just now.

Since he didn't dare to take the risk just now, he naturally wouldn't dare to kill mie xuanling's avatar.

Therefore, this was a very safe move.

"I'm relieved to hear that." that's great! Chen Xiaobei breathed a sigh of relief. now, let's see how long it will take for the demonized great saint Supreme divine ancestor to defeat the Saint-burying Supreme divine ancestor!

"It won't be too long!"

"The demonized great saint Supreme divine ancestor is extremely powerful," mie xuanling said."The Saint burial Supreme divine ancestor would never fight with his full strength!" It's not that he doesn't have the ability to fight, but there's no need for him to risk his life for my clone!"

"Understood!"

yes! Chen Xiaobei nodded. the current situation is very complicated. The Saint-burying Supreme divine ancestor would not waste too much of his power for your clone. If he were to be injured because of it, it would be an unbearable loss for him!

"Right!"

Mie xuanling nodded and said confidently, " "This battle will be over soon. If everything goes well, the demonized great saint Supreme divine ancestor will be back soon! What I'm worried about now is how we're going to escape after the hostage exchange."

It was obvious that the demonized great saint Supreme divine ancestor and xuanzhao divine ancestor had the absolute advantage.

Before the hostage exchange, they would not play any tricks.

However, after the exchange of hostages, they would have enough power to capture Chen Xiaobei and miexuan Ling.

This was an even greater danger. If they did not handle it well, Chen Xiaobei and miexuan Ling would still be dead!

"Don't worry, I've already thought about it!" Chen Xiaobei smiled confidently, as if he had everything under control.

you ... You've already thought of it!? Mie xuanling was very surprised.

She had just realized the danger, but Chen Xiaobei had already thought of a way to solve it. How wise was he! How smart!

Suddenly, mie xuanling looked at Chen Xiaobei in a new light. Her beautiful eyes looked at Chen Xiaobei with admiration and adoration!

Mie xuanling was a super genius herself, and there were no more than three people in the entire Ren zu Holy domain who could make her admire them!

“Get ready!”

A moment later, mie xuanling suddenly became nervous. “The demonized great saint Supreme divine ancestor is coming back!”

### [Red Envelope Group of the Three Realms](#)

#### **Chapter 4606: someone else!**

Things were obviously going more smoothly than expected.

In just a few short sentences, the demonized great saint Supreme divine ancestor had broken through the void and returned to the scene.

At this moment, in addition to the demonized great saint Supreme divine ancestor, there was also Saint ancestor abyssal, who was completely sealed by powerful Saint origin power, which was the clone of mie xuanling.

As expected, a large black-gray mark appeared on the Holy ancestor’s hand. If one looked closely, they would notice that the black-gray mark was emitting Chen Xiaobei’s aura.

It was clear that Saint ancestor abyssal had been reporting to the Supreme Saint ancestor of the Saint burial sect when the black mark suddenly appeared on his hand. The Supreme Saint ancestor of the Saint burial sect was able to sense it immediately and immediately took control of the mark.

This was also the most important reason why mie xuanling’s body could not be contaminated with the mortal world!

Of course, Chen Xiaobei’s intelligence had solved this problem. At least, it was still in Chen Xiaobei’s plan!

“I’ve brought back your clone for you! Let’s exchange hostages now!”

Demonized great divine Supreme divine ancestor’s tone was serious and urgent, as if he wanted to take Chen Xiaobei for himself!

“Sure!”

Mie xuanling had already discussed this with Chen Xiaobei. According to their plan, they could hand over the fake Chen Xiaobei.

As for how they would escape, that would depend on Chen Xiaobei’s plan.

At this moment, the most important thing was to exchange for mie xuanling’s avatar and ensure that mie xuanling’s life was safe.

“Then come! Let’s get him out together! At the same time, we’ll make the exchange!”

The demonized great saint Supreme divine ancestor used his Saint origin power to envelop mie xuanling’s avatar and sent it forward.

“Whoosh ...”

At the same time, mie xuanling did the same. She used her Saint Qi to envelop the fake Chen Xiaobei and sent him over.

When the two hostages were about to come into contact with each other, both sides would withdraw their Saint Qi at the same time, then use their Saint Qi to cover the hostage they needed and quickly bring him back to their side.

Just like that, mie xuanling successfully retracted his clone. With a thought, the netherworld Saint ancestor’s body turned illusory and then merged into mie xuanling’s body!

At the same time, the demonized great saint Supreme divine ancestor also checked to confirm that the fake Chen Xiaobei really existed and was not some kind of smokescreen!

In this way, the hostage exchange was successfully completed!

“I’m a little curious. You could’ve gone back on your word at the last moment, so why did you return the clone to me?”

Mie xuanling’s brows furrowed slightly. She couldn’t understand what the demonized Supreme divine ancestor was doing.

After all, the demonized great saint Supreme divine ancestor had the absolute advantage in power.

The moment the hostage was returned, the demonized great saint Supreme divine ancestor would have overwhelming speed and power. He could go back on his word on the spot and take back mie xuanling’s clone!

Even if he didn’t take back the clone, he still had plenty of time to kill it!

However, the demonized great saint Supreme divine ancestor didn’t go back on his word and returned the clone to mie xuanling!

This surprised mie xuanling!

He even felt that he had wrongly accused the demonized great saint Supreme divine ancestor!

After all, mie xuanling was still worried that if the demonized Supreme divine ancestor went back on his word, how would she and Chen Xiaobei escape?

However, at this moment, the demonized great saint Supreme divine ancestor’s actions were very sincere and trustworthy!

On the contrary, mie xuanling seemed to be measuring the heart of a gentleman with the heart of a villain!

“I don’t need to go back on my word!”

The demonized great saint Supreme Saint ancestor said indifferently, “ in my eyes, you’re too weak. You’ll never be a threat to me in this life. So, I won’t regret it or even attack you!

this ... mie xuanling naturally felt uncomfortable.

However, mie xuanling had to admit that the demonized great saint Supreme divine ancestor was telling the truth.

Even though mie xuanling had reached the nine-star divine ancestor realm, she would never have the chance to become a Supreme divine ancestor in her life.

In fact, from their conversation with the nine hearts turtle ancestor, mie xuanling and Chen Xiaobei already knew that anyone who wanted to become the Supreme divine ancestor had to obtain the opportunity given by the ancestor of all DAOs!

In other words, only those who had been acknowledged by the myriad Dao ancestor could become the Supreme divine ancestor!

Otherwise, no matter how amazing a genius you were, no matter how great your opportunities were, you would never have the chance to become a Supreme Saint ancestor!

At the very least, since the myriad Dao ancestor reincarnated, countless years had passed, and there were only 11 Supreme divine ancestors in the world! All of them were existences that had been recognized by the ancestor of all DAOs!

Other than these 11 people, no one else had been able to become the Supreme holy ancestor in the past countless years!

Because of this, what the demonized great saint Supreme divine ancestor had said was all true. Even someone like miexuan Ling couldn't become the Supreme divine ancestor!

All those below the utmost being were ants!

In this way, mie xuanling would be nothing more than an insignificant ant in front of the demonized great saint Supreme divine ancestor. He wouldn't be able to pose any threat at all!

Under such circumstances, the demonized great saint Supreme divine ancestor was naturally full of contempt and disdain for mie xuanling!

It was like if you saw an ant on the side of the road and had the absolute strength to trample it to death, but you might not move your feet just to trample on an ant. To put it bluntly, this was disdain!

"Since that's the case, I'll take my leave!"

It was obvious that mie xuanling couldn't and didn't dare to argue. Leaving safely was the best outcome.

"Wait a moment!"

However, mie xuanling still thought too highly of the demonized great saint Supreme divine ancestor!

To a person who would do anything to achieve his goal, the word 'integrity' was simply a joke!

The demonized great saint Supreme divine ancestor stopped mie xuanling and said seriously, "I don't care to attack you, but someone wants to attack you! So, you can't leave yet!"

"What!"

Hearing this, mie xuanling was shocked. Her thoughts became extremely complicated and she began to feel extremely nervous.

Swish ... Swish ...

Very quickly, a crack that looked like a black hole appeared in the void!

Then, a figure flew out of the sky!

The first thing he saw was a black holy light that looked like a heavenly pillar! There were also countless blood-colored runes on it!

Under the cover of the Holy Light, a powerful pressure spread out from the figure. Not only was the space shaking, but even the invisible nomological laws were stripped out and twisted continuously!

“Hiss ...”

The moment mie xuanling saw the figure, she couldn't help but gasp. Her heart clenched, her back turned cold, and cold sweat broke out like raindrops!

At that moment, mie xuanling felt like the world had been turned upside down and the earth was going to bury the sky! And he himself was as small as dust. He would be swallowed and buried in an instant, completely annihilated without the slightest vitality!

### [Red Envelope Group of the Three Realms](#)

#### **Chapter 4607: Fool!**

4607 Fool!

“Bury ... Bury ... Bury the Saint-level Supreme holy ancestor!”

Mie xuanling immediately exclaimed.

He had never expected that the person who had broken through the void and was about to attack him would actually be the Saint burial's Supreme Saint ancestor!

Upon closer inspection, one would see that the Supreme Saint ancestor was a middle-aged man with a gloomy expression.

His eyes were like two black jades filled with blood-red runes. Each rune was tiny, but they were extremely profound and complicated!

There was also a golden vertical line in the middle of his eyebrows! It looked like a heavenly eye that had not been opened!

An extremely terrifying aura was being emitted from the Golden vertical line. It felt like the Golden vertical line was a gate to hell! Once it was activated, countless evil demons would descend upon the world, bringing about bloody and brutal disasters! It might even be the end of all living things!

“Since you recognize me, then don't put up any unnecessary resistance. You can't escape from my palm! Surrender obediently and you'll suffer less!”

The Supreme Saint ancestor of the Saint burial sect narrowed his eyes. His tone was extremely cold, and he exuded an overbearing aura that seemed to control the entire situation.

you ... You guys!?

Mie xuanling wasn't stupid. After calming herself down, she looked at the Saint burial Supreme holy ancestor and the demonized great saint Supreme holy ancestor in shock!

It was obvious that these two big shots had made a deal!

The Supreme Saint ancestor would hand over mie xuanling's avatar, and in return, the demonized great saint Supreme Saint would reveal mie xuanling's location to the Supreme Saint ancestor, so that the Supreme Saint ancestor would come and capture her!

In fact, mie xuanling and Chen Xiaobei had been wondering why the demonized great divine Supreme divine ancestor had returned so quickly.

Even if the Saint burial's Supreme divine ancestor didn't want to fight to the death, he couldn't have handed over mie xuanling's clone so easily!

And now, mie xuanling and Chen Xiaobei finally got their answer!

It was obvious that demonized great saint and Saint burial were both top-tier figures in the world! Other than Supreme combat power, it also had Supreme Intelligence!

Because of this, there was no conflict between the demonized great saint and Saint burial's Supreme divine ancestor. In fact, as soon as they met and expressed their intentions, both sides immediately thought of making a win-win deal!

First of all, the Saint-burying Supreme divine ancestor had to hand over mie xuanling's clone so that the demonized great saint Supreme divine ancestor could exchange for Chen Xiaobei without any risk!

Secondly, the demonized great saint Supreme divine ancestor had told the Saint burial Supreme divine ancestor about mie xuanling's location, so that not only could the Saint burial Supreme divine ancestor capture mie xuanling's clone, but he could also capture the original mie xuanling!

This operation was definitely a win-win situation! Not only did Saint burial and demonized great saint not consume any energy, but they also obtained what they wanted!

From this, it could be seen how smart these two big shots were! How astute!

"I will not surrender!"

Of course, although mie xuanling was extremely nervous, he had no intention of surrendering.

After all, Chen Xiaobei was still there, and he could still rely on her.

"You won't surrender? Could it be that you think you have the ability to compete with me?"

The Saint burial's Supreme Saint ancestor said with disdain, "I'm not trying to scare you! Not even the Supreme divine ancestor of your Holy extermination clan is a match for me! If I want to catch you, no one can stop me!"

Arrogant! Overbearing! He was supercilious!

This was the Saint-burying Supreme Saint ancestor! Among all the Supreme Saint ancestors, his strength could be firmly ranked third!

Other than the nine hearts turtle ancestor, who was still unknown, only the demonized great saint Supreme holy ancestor could suppress the Saint burial Supreme holy ancestor!

Because of this, the Saint burial's Supreme Saint ancestor was above all the other Supreme Saint ancestors and naturally had the right to look down on everyone!

"You're right! You are indeed very strong! However, you won't be able to stop us if we want to leave!"

Chen Xiaobei returned to his original form and stood beside mie xuanling.

you ... You are!?

The moment they saw Chen Xiaobei, the Saint-burying Supreme divine ancestor, demonized Grand Saint Supreme divine ancestor, and xuanzhao Supreme divine ancestor were all in disbelief and shock!

how ... How is this possible?!

The demonized great saint Supreme divine ancestor looked at the real Chen Xiaobei next to mie xuanling, then at the fake Chen Xiaobei next to him, and was completely confused.

Saint ancestor xuanzhao's eyes were as wide as a bull's, and his mouth was so wide that a fist could fit in!

you're Chen Xiaobei?!

Chen Xiaobei! the Supreme holy ancestor of the Saint burial also recognized Chen Xiaobei. He had not expected the person whom the entire clan was searching for to appear right in front of him!

Of course, the most unbelievable thing was that there were two Chen xiaobeis in front of him.

Furthermore, the two Chen xiaobeis were exactly the same. The Saint burial Supreme divine ancestor and the demonized great saint Supreme divine ancestor could not be seen at all. There was no way to tell the difference between the two!

Obviously, this was the power of Saint Pan's great creation!

As the creation body was a genuine existence, it was an absolutely perfect copy. It was not certain if the ancestor of ten thousand DAOs could see through it, but no one below the ancestor of ten thousand DAOs could see any flaws!

"Xuanzhao! Immediately look into his memory!"

The demonized great saint Supreme holy ancestor was furious and roared.

"Yes, sir!"

Saint ancestor xuanzhao immediately accepted the order and began to search the fake Chen Xiaobei's memory.

“My ... My Lord ...”

“He’s a walking corpse with no memories!” Saint ancestor xuanzhao wailed. We’ve been tricked!”

“What? No memory?”

Demonized great saint’s Supreme holy ancestor’s eyes narrowed, and he finally came to a realization.”I know! They must have obtained the Fortune of the Saint pan clan to create this flawless puppet!”

this ... sacred ancestor xuanzhao was dumbfounded.

The Supreme Saint ancestor was also dumbfounded, and his mouth kept twitching. He had never expected this to happen!

“How is it? Are you surprised? Are you surprised?”

Chen Xiaobei grinned and looked at the three of them as if they were idiots.

The Saint-burying Supreme divine ancestor and the demonized great saint Supreme divine ancestor were indeed very smart, but in front of Chen Xiaobei, they were just two fools who had been played in the palm of his hand!

“You little brat! Don’t be happy too early! I’m here with Saint burial. With just the two of you, you can’t escape from us!”

Demonized great saint Supreme divine ancestor was so angry that he felt like his eyes were going to shoot out and burn Chen Xiaobei alive.

“That’s right! You won’t be able to escape!”

The Supreme Saint ancestor of the Saint burial sect circulated his Saint origin power, ready to strike at any moment.

“Is that so?”

Chen Xiaobei laughed. don’t be so sure. If I get out of this alive, wouldn’t your faces be smashed? ”

### [Red Envelope Group of the Three Realms](#)

#### **Chapter 4608: regret!**

“What!”

A stone that caused a thousand ripples!

Chen Xiaobei’s simple words had a huge impact on everyone’s heart!

“You little brat! Are you crazy? How could you have escaped from two Supreme Holy ancestors? Who Do You Think You Are?”

Sacred ancestor xuanzhao’s eyes widened in anger as he bared his teeth and roared, ” “You can’t even escape from me, let alone the two Supreme Holy ancestors! He still dared to act tough when death was at hand! He’s simply courting death!”

It was obvious that Chen Xiaobei’s strength was the weakest among all the people present.

In fact, he was even regarded as an insignificant ant by the three local people.

Under such circumstances, Chen Xiaobei still wanted to escape unscathed? And he wanted to slap the faces of the Saint burial and demonized great saint Supreme divine ancestors?

He was simply a super pretentious criminal!

Xuanzhao's Saint ancestor wanted to take Chen Xiaobei down himself!

"Little brat! Have you been scared silly? He still dared to speak such arrogant words at this time? If I really let you escape! I can completely throw away my old face!"

Demonized great saint Supreme divine ancestor squinted his eyes. His body was burning with black-gold Mystical Fire, and his Saint elemental energy was ready to launch a fatal attack on Chen Xiaobei!

There was no doubt that with the demonized great saint's status as the Supreme divine ancestor, if he let Chen Xiaobei escape, it would be a huge joke to the world. It would be enough to make him lose all his face and dignity!

"Little brat! From the looks of it, you don't know anything about the Supreme Saint ancestor's power! I advise you to kneel down and surrender immediately. Otherwise, once I make a move, I'll make you suffer a fate worse than death! At that time, you will know what true terror is!"

The Supreme Saint ancestor's body was surrounded by Black Saint Yuan power, and there were countless blood-colored runes in the darkness. It was extremely demonic and terrifying, and it gave off a tyrannical pressure and a brutal aura!

"It's impossible to surrender!"

Facing this powerful enemy, Chen Xiaobei was very relaxed. He said, "I'm not trying to act cool, but the three of you definitely won't be able to catch me today!"

bei ... North Mystic Divine ancestor ... Are ... Are you serious?!

Beside him, mie xuanling was dumbfounded. Her beautiful eyes widened and her mouth was half open. She couldn't believe her ears.

"You little brat! Since you're looking for death! Then I won't be polite!"

die! the Supreme Saint ancestor of the Saint burial sect roared and attacked.

"Stop! That Chen Xiaobei is one of my men!"

However, at the same time, the demonized great saint Supreme divine ancestor also launched an attack.

Obviously, although Saint burial and demonized great saint had made a deal, they didn't have absolute trust in each other.

Therefore, after Chen Xiaobei's identity was exposed, the Saint-burying's Supreme divine ancestor also wanted to capture Chen Xiaobei.

The demonized great saint Supreme divine ancestor was not stupid. He could not fall behind when he saw the Saint burial Supreme divine ancestor attack. If he lost the upper hand, it would be extremely difficult to get Chen Xiaobei back!

“Whoosh ...”

As expected, the Supreme Saint ancestor of Saint burial also released a stream of Saint origin power to slow down the demonized Supreme Saint ancestor.

After all, Saint burial’s Supreme divine ancestor did not care about Chen Xiaobei and mie xuanling at all. So, his main target now was the demonized great saint Supreme divine ancestor.

what do you mean by that?!

The demonized great saint Supreme Saint ancestor was furious and roared, “I’ve already said this before, you can have the Xuan Ling extermination, and I’ll have this kid! Don’t tell me you’re going back on your word!”

“You’re mistaken! I won’t go back on my word!”

“I just want to take a look at this kid’s memories, then I’ll return him to you!” The Supreme Saint ancestor of the Saint burial sect explained.

The divine ancestor had passed on Chen Xiaobei’s information to the sky-burier Yuan divine clan, and the divine ancestor had become the young master of the sky-burier Yuan divine clan. This had something to do with the legendary opportunity.

That was why Saint burial’s Supreme divine ancestor had every reason to suspect that Chen Xiaobei had something to do with the Supreme opportunity. That was why he valued Chen Xiaobei so much that he was willing to offend demonized great saint’s Supreme divine ancestor just to get Chen Xiaobei.

“No!”

Demonized great saint Supreme divine ancestor roared and unleashed his Saint Vital energy, bombarding Saint burial Supreme divine ancestor!

Right now, the Saint-burying Supreme divine ancestor did not know that Chen Xiaobei knew the one-word Saint-Killing Curse, but the demonized Grand Saint Supreme divine ancestor knew it very well. So, the demonized Grand Saint Supreme divine ancestor would not allow the Saint-burying Supreme divine ancestor to pry into Chen Xiaobei’s memories. Otherwise, the one-word Saint-Killing Curse would fall into the hands of the Supreme divine ancestor!

More importantly, the Saint-burying Supreme divine ancestor had the upper hand. If he obtained the one-word Saint-Killing Curse, he could kill Chen Xiaobei right away and make the demonized great saint Supreme divine ancestor lose his chance to obtain the one-word Saint-Killing Curse!

That was why the demonized great saint Supreme divine ancestor was willing to go to war with the Saint burial Supreme divine ancestor. He would never give up control of Chen Xiaobei’s body!

BOOM! BOOM!

The next moment, two terrifying Saint origin forces collided with each other, creating a terrifying shock wave that could tear apart the laws of nature!

Just the shockwaves from the collision crushed the entire mountain range within a radius of a trillion kilometers! The surrounding void was cracked with countless dragon-like cracks! All sorts of nomological laws were also twisted, crushed, and destroyed in an instant!

This was the terrifying power of the Supreme sacred ancestor!

With just this one attack, the shockwaves from the clash between the two Saint origin energies had completely crushed a large region!

The entire space crumbled and shattered, and the laws were almost destroyed. It became a chaotic domain where storms and lightning wreaked havoc and the universe was intertwined!

If they continued to fight, they might even bring disaster to other large regions!

If no one stopped them, the entire ancestral Saint domain would be destroyed by them!

Even so, they did not seem to have any intention of stopping. Once again, they gathered even more powerful Saint Qi, as if they would not stop until they had Chen Xiaobei!

“You two! Don’t fight! Chen Xiaobei ran away!”

However, at this moment, Saint ancestor xuanzhao suddenly screamed, and his eyes widened like a bull’s!

“What?”

Saint burial and demonic great saint both stopped and looked over.

“That ... That space gate! Chen Xiaobei is running back!”

Sacred ancestor xuanzhao pointed at the space gate in the chaotic domain and howled.

At this moment, the entire space was crushed beyond recognition. Only the space gate leading to the origin of the Saint pan clan was still intact!

The faces of Saint burial and demonized great saint turned green when they saw this, and their expressions became extremely interesting!

### [Red Envelope Group of the Three Realms](#)

#### **Chapter 4609: mutation!**

Just a few seconds ago, the Saint burial Supreme divine ancestor and the demonized great saint Supreme divine ancestor were still vowing that they would not let Chen Xiaobei escape. They even threatened to teach Chen Xiaobei the meaning of terror!

And yet, Chen Xiaobei had just escaped from right under their noses!

This face slap was simply too loud!

The faces of Saint burial and demonized great saint turned red and green at the same time, and their cheeks were burning!

Not only did he lose all his face, but it was also like he had been slapped by an invisible hand, causing his face to explode!

When they thought about how they had mocked and threatened Chen Xiaobei, the Saint-burying Supreme divine ancestor and the demonized great saint Supreme divine ancestor's faces twisted as if they had just eaten a truck full of shit.

Even they themselves felt that they were too stupid!

How can we let an ant escape!"

"BOOM!"

The Supreme Saint ancestor of the Saint burial sect was unwilling to give up. He didn't know the secrets of the space gate, so he just rushed over!

However, with a muffled sound, the Supreme Saint ancestor was sent flying thousands of meters away!  
how ... How is this possible?!

The Supreme Saint ancestor of Saint burial couldn't believe his eyes. the ... The nomological laws of this space gate are actually above the Supreme divine ancestor?!

"What an idiot! If I could, would I still be waiting for you here?" Demonized great saint was furious, and he vented all his anger on Saint burial.

who are you calling an idiot!?

Saint ancestor Saint burial was also furious. He bared his teeth and glared at the demonized great saint Supreme Saint, ready to fight with his life.

"You two! Stop arguing! Chen Xiaobei is everyone's target!"

Chen Xiaobei! Saint ancestor xuanzhao quickly tried to persuade him. we haven't caught the person yet, so the two of you have to fight until both of you are injured. This is the result that Chen Xiaobei wants to see the most! And Chen Xiaobei will definitely laugh at the both of you!"

It had to be said that Saint ancestor xuanzhao had some brains, and his words hit the point. The main point was that he even gave the two furious people a way out!

"Well said! Let's not fight anymore!"

Saint burial and demonized great saint calmed down very quickly.

After all, they were the top powerhouses in the world. They knew better than anyone else the principle of being practical and not doing things for nothing!

In their eyes, practical gains and losses were far more important than superficial face and dignity!

There was no benefit in continuing to fight, and it would only consume his own strength for nothing!

It was because of this that they all calmed down!

“How did Chen Xiaobei get in there? Why can’t we go in?” The Saint burial’s Supreme Saint ancestor asked.

this ... sacred ancestor xuanzhao was dazed and didn’t dare to answer.

Chen Xiaobei had used the pan curse to break the seal of the ancestor of all DAOs and then entered the portal.

However, he didn’t dare to reveal the secret of the one word Saint destroyer curse.

what are you hemming and hawing for?!

The Saint burial’s Supreme sacred ancestor was very smart. He could tell at a glance that sacred ancestor xuanzhao was guilty and seemed to be hiding some important secret.

“This is none of your business!”

The demonized great saint Supreme divine ancestor stood up and retorted.

“You’re not going to tell me? Then let me make a guess!”

The Supreme Saint ancestor of the Saint burial sect squinted his eyes and calculated carefully.”First of all, Chen Xiaobei might have something to do with a great fortune! However, the great sage would definitely not care about ordinary Supreme opportunities!”

... demonized great saint Supreme divine ancestor’s expression changed slightly, but he didn’t respond.

The Saint burial’s Supreme Saint ancestor continued to guess, I think there’s only one opportunity in this world that you care so much about, and that’s the one-word Saint-Killing Curse!

you ... the demonized great saint Supreme holy ancestor’s eyes flickered.

“Actually, it’s not that hard to guess!”

The Supreme Saint ancestor of the Saint burial sect narrowed his eyes and sneered. because in this world, the only power that can be above the Supreme power is the one-word Holy extermination curse!

Obviously, Saint burial was very smart. On one hand, he could guess that the demonized great saint wouldn’t care about ordinary opportunities. On the other hand, the seal on the space gate was higher than the Supreme divine ancestor’s!

Putting the two conditions together, Saint ancestor burial came to a conclusion.

“Alright! Since you’ve already guessed it, I have nothing to hide!” The demonized great saint Supreme Saint ancestor said, ” “Let’s fight directly! Only the winner will be qualified to receive the one word Saint destroyer curse!”

“No, no, no!”

“I don’t want to start a war with you,” the Supreme Saint ancestor said in a deep voice.”It’s not that I’m afraid of you, but the third party will benefit from the fight between the snipe and the clam! If we fight

to the point where both of us are injured, the other Supreme divine ancestors will definitely come out to pick up the scraps!”

this ... demonized great saint Supreme holy ancestor was stunned for a moment, but he didn't refute it. He silently agreed with Saint burial Supreme holy ancestor's conclusion.

Obviously, once the battle between Saint burial and demonized great saint started, the entire ancestral Saint domain would be alerted, and all the other Supreme Saint ancestors would notice.

Under such circumstances, if Saint burial and demonized great saint were to fight to the death, the ultimate benefits would only fall into the hands of others.

“I think we can form an alliance and share the one word Saint destroyer curse!”

“Even though we'll be evenly matched after sharing, and neither of us will be able to become the Supreme ruler,” the Saint burial's Supreme Saint ancestor said indifferently. But at least we'll be able to stand above the other Supreme divine ancestors and split the ancestral divine territory equally!”

hmm ... demonized great saint Supreme divine ancestor thought about it calmly, then nodded in agreement. “What you said makes sense! Let's split the ancestral sanctuary equally first, and then we'll see who's better!”

“Since that's the case, then let's officially make an Alliance!” The Supreme Saint ancestor of the Saint burial sect laughed coldly. “To show my sincerity, I can offer you a brilliant plan to capture Chen Xiaobei!”

what brilliant plan?! The demonized great saint Supreme divine ancestor asked immediately.

“There's a woman in your great saint tribe named Yan Lingshi!” The Supreme Saint ancestor sneered. According to their Intel, this woman had a very close relationship with Chen Xiaobei! As long as you can capture this woman, Chen Xiaobei will be careful!”

Yan Lingshi ... the demonized great saint Supreme holy ancestor was stunned. His eyes were full of confusion, as if he didn't know Yan Lingshi at all.

“Uh ...”

Then, the demonized great saint Supreme holy ancestor let out a painful cry. He held his head with both hands and his body trembled violently. The black Golden extraordinary flame on his body dimmed rapidly as if it was going to be extinguished.

what ... What's going on?!

Saint burial's Supreme divine ancestor and Saint ancestor xuanzhao were both shocked.

He couldn't understand!

### [Red Envelope Group of the Three Realms](#)

#### **Chapter 4610: secret technique!**

At this moment, the demonized great saint Supreme divine ancestor was in extreme pain and couldn't answer the question at all.

Saint ancestor xuanzhao had been following the demonized great saint for a while, but he had never seen anything like this happen to the demonized great saint.

At the same time, the Saint burial's Supreme Saint ancestor narrowed his eyes and thought for a moment."Maybe it's because of the Qi deviation from the origin of the chaos! That Yan Lingshi woman must have something special about her!"

It was clear that the Supreme Saint ancestor's speculation was accurate, but he didn't know too many details, so he couldn't come to a final conclusion.

But if Chen Xiaobei was here, he would know the real reason!

Long before the great saint Supreme divine ancestor had turned into a demon, he had already realized that he might have fallen into a state of rebellion.

Therefore, he had set up an inheritance in advance for the fated members of the great Divine Tribe to inherit. He had placed his hopes on this member to lead the great Divine Tribe out of the most difficult abyss and rise again to the top seven.

In the end, the inheritance fell into Yan Lingshi's hands.

At this moment, when he heard Yan Lingshi's name, the demonized great saint Supreme divine ancestor held his head in his hands, looking like he was in extreme pain.

From this, it could be seen that there must be some sort of spiritual connection within the inheritance that Yan Lingshi had received, which allowed Yan Lingshi to have an indistinctive connection with the demonized great saint Supreme divine ancestor.

In fact, the Supreme divine ancestor had already realized that he might be demonized before he turned into a demon. He might have left a special method or power in the inheritance to restrain himself after he turned into a demon, which was why he was in so much pain now!

Simply put, Yan Lingshi might already have the power to restrain the demonized Supreme divine ancestor!

f-f-find ... We must find this Yan Lingshi at all costs!!!

After a while, the demonized great saint Supreme saint's pain was relieved, and he started to roar hysterically.

"As you command! This subordinate will do it now!"

Sacred ancestor xuanzhao was shocked. He didn't dare to say anything and immediately retreated to the distance. He began to make arrangements to capture Yan Lingshi.

"Are you alright?"

Saint burial's Supreme Saint ancestor narrowed his eyes and observed demonized great saint.

Although Saint burial and demonized great saint were allies on the surface, there was still no absolute trust between the two.

Right now, Saint ancestor Saint burial was carefully observing the situation, trying to determine if he could get rid of demonized great saint Supreme Saint with the least cost.

After all, the demonized great saint Supreme divine ancestor looked very weak at the moment. If he could really take this opportunity to get rid of him, the Saint burial Supreme divine ancestor could have one word of the Saint destroyer curse all to himself and become the Supreme ruler of the world in the future!

“I’m not dead yet!”

Demonized great saint’s eyes turned cold, and he exuded an extremely powerful aura.

Saint burial’s Supreme Saint ancestor was a little startled, but he quickly dismissed the idea of ambushing demonized great saint.

“What are your plans next?” he asked.

I’m going to stay here and wait for Chen Xiaobei to come out! The demonized great saint Supreme Saint ancestor said, “ at the same time, xuanzhao will do their best to capture Yan Lingshi. As you said, this woman will be used as a hostage to threaten Chen Xiaobei!

“If that’s the case, then I can only guard this place together with you.” The Supreme Saint ancestor of the Saint burial sect said calmly.

It was obvious that Saint burial’s Supreme holy ancestor didn’t trust demonized great saint’s Supreme holy ancestor at all. They had to guard him together to ensure that they could share the one-word Saint-Killing Curse when the time came.

The two Supreme sacred ancestors then stood guard outside the space gate.

However, they would never have thought that Chen Xiaobei and mie xuanling had already returned to the real world from the other side.

Just now, after Chen Xiaobei had brought mie xuanling through the gate, they had entered the ten thousand Dao secret realm through another gate.

Since Chen Xiaobei’s one word Saint-killer curse had been upgraded, he could now open the exit to the ten thousand secret realm.

Chen Xiaobei took mie xuanling back to the real world through the exit.

so you’ve already prepared an escape route. No wonder you dared to provoke the Supreme Holy ancestors of Saint burial and demonized great saint!

Mie xuanling looked at the peaceful scene around her and finally heaved a sigh of relief.

“Of course!”

Chen Xiaobei laughed. I’m not stupid. If I provoke them when I have no other choice, I’d be asking for death!

Mie xuanling also smiled and said, "Look at what's happening now. Those two Supreme divine ancestors were played by you like fools, and I'm afraid they're still waiting stupidly outside the space gate! I'll never be able to see you in this lifetime!"

"It's a little exaggerated in this life ..."

Chen Xiaobei frowned and said, "Don't underestimate the power of the Supreme divine ancestor. They have eyes and ears everywhere. As long as they detect a trace of us, they'll immediately know that we've come out!"

"If that's the case, we can only hide our identities!" we can't let their eyes and ears detect our existence," mie xuanling said. we can keep them where they are!

"Mm ..."

Chen Xiaobei nodded. I have the possession puppet and you have the time. It won't be difficult to hide your identity. So, for the time being, those two fools will definitely stay where they are. You don't have to worry about them!

we're finally safe ... mie xuanling heaved a long sigh of relief. He could finally relax.

"Right, there's something I don't quite understand."

why!" Chen Xiaobei asked. if your clone is the abyssal Jade Saint ancestor, then your power should be way above the xuanzhao Saint ancestor's. Why is your own power even lower than your clone! "

It was obvious that mie xuanling had almost died at the hands of the xuanzhao sacred ancestor.

However, mie xuanling's clone, Saint ancestor abyssal, had a higher cultivation than Saint ancestor xuanzhao.

The fact that his main body was not as strong as his clone was a little hard to understand.

"Actually, my clone and my main body have the same cultivation base. They're both only at the early stage of Nine Star divine ancestor!"

Mie xuanling explained, 'it's just that I've cultivated a secret skill! This secret technique was passed down by our race's Supreme divine ancestor. It can use a false cultivation base to hide one's true cultivation base! Because the secret technique was at the level of a Supreme sacred ancestor, the Supreme sacred ancestor of the Saint burial chamber had never discovered it! It's a good thing that things have been relatively peaceful these past few years, and my clone hasn't used its full strength. Otherwise, my true strength would have been exposed!"

"I see!"

Chen Xiaobei's eyes lit up. "If that's the case, then your secret technique is really very useful!"

"What's wrong? Are you interested in it?"

I can teach you! mie xuanling smiled. if you're interested, I can teach you!
