Chapter 4621: grandson!

Just as everyone was in a state of extreme shock.

Chen Xiaobei was getting impatient and said, " don't waste time. All of you, come at me together!

"What?"

all at once????? "

This simple sentence was like the sudden explosion of a hundred million nuclear bombs, causing an unparalleled shock to everyone's heart!

When Chen Xiaobei stepped out of the formation's protection, everyone thought that he was just acting cool. They all thought that Chen Xiaobei would die without a doubt!

But now, Chen Xiaobei was asking for mie xuanyu and his friends to attack him together!

This was simply countless times more pretentious than walking out of the array's protection range!

In an instant, mie xuanyu and his scoundrels went into an uproar, clamoring and making threatening gestures.

"Numbed! You little bastard! How dare you look down on us? I'm afraid you've been drinking fake wine!"

"Although you can instantly kill a duoluoluo two cultivation levels higher than you, there are many people here who are stronger than you! Among us, there are late-stage, peak, and even three six-star divine ancestor experts!"

"You little brat! Don't think that we can't see that your sword Qi just now is only at the middle-stage five star divine ancestor realm! You can't possibly defeat us!"

.....

Although everyone was shocked, it did not mean that they were afraid of Chen Xiaobei.

After all, they were all very powerful. They had absolute confidence that they could crush Chen Xiaobei's intermediate five-star divine ancestor sword Qi.

"Brothers! Back off, I'm going to attack!"

Mie xuanyu stood out and glared at Chen Xiaobei.

Seeing this scene, everyone around revealed a sinister sneer.

"Xuan Yu!" They all shouted. Don't use your full strength! We must keep that kid alive, and we'll torture him! If we let him die directly, that would be letting him off too lightly!"

"Don't worry! I won't let him off so easily!"

Mie xuanyu grinned hideously. I'll cripple him first, then imprison him and torture him with my brothers. I'll make him suffer the cruelest of tortures and make him wish he was dead!!!

.....

At the same time, within the Black Palace within the Holy extermination Supreme domain.

"Master! Quickly, let this disciple stop them!"

as you can see, "mie xuanling said anxiously, "the bei Xuan divine ancestor's potential is unprecedented. Once he grows up, he will definitely be a great help to us! We can't let him die in vain!"

It was obvious that mie xuanling was very, very anxious.

Even though Chen Xiaobei had killed miefiend duoluo, who was two levels higher than him, miefiend xuanyu's cultivation was at the early stage of six star divine ancestor, which was three levels higher than Chen Xiaobei's.

Under such circumstances, Chen Xiaobei could not possibly win.

If they allowed the battle to break out, Chen Xiaobei would die without a doubt. He would not be able to fight back.

That was why mie xuanling's heart would ache whenever she thought about how Chen Xiaobei was about to be tortured by mie xuanyu and his friends. She could not calm down for even a second.

"Don't worry!"

The Supreme holy ancestor squinted, his deep eyes able to see through everything.

"I've already seen it," he said in a deep voice. "The reason why that kid was able to kill the duoluoluo in an instant was that his divine soul had reached the peak of the five star divine ancestor level. At the same time, his spiritual power had reached the mid-stage of the five star divine ancestor level!"

"This means that the kid actually had an advantage in terms of abilities because he had a special opportunity! This is indeed very, very rare, but it doesn't mean that he can grow to become my most powerful assistant!"

"And now, he's actually saying that he's going to challenge everyone. It's clear that he still has a powerful trump card! Therefore, I'll have to wait and see! Let's see how deep his foundations are!"

It was clear that the Supreme holy ancestor was as cunning as an old dog!

Under such circumstances, he was not in a hurry to attack. He wanted to use this opportunity to see more of Chen Xiaobei's hidden cards!

"Shizun's words make sense!"

Mie xuanling was still very nervous. but what if the northern Mystic Divine ancestor doesn't have a trump card? what if he's just bluffing? "

Obviously, mie xuanling had some understanding of Chen Xiaobei's strength.

Previously, when Chen Xiaobei was protecting miexuan Ling, he could only activate the power of the mid-stage five-star divine ancestor's ten thousand DAOs Holy Emperor armor.

This was Chen Xiaobei's limit.

Therefore, mie xuanling believed that Chen Xiaobei had no more powerful trump cards. He was just bluffing to scare off mie xuanyu and his friends.

"Don't be nervous!"

The Supreme holy ancestor narrowed his eyes and said, "This brat from beixuan isn't a brash person! Since he dared to challenge, he must be confident! You just need to wait and see!"

this ... mie xuanling was speechless.

In the beginning, the Holy extermination Supreme divine ancestor had looked down on Chen Xiaobei's rashness and rashness. He thought that Chen Xiaobei was not the kind of person who could achieve great things!

But now, Holy extermination's Supreme holy ancestor had changed his mind and said that Chen Xiaobei was not a fool!

Wasn't this contradictory? wasn't this a slap to his own face?

Mie xuanling felt embarrassed, but he didn't want to embarrass his master.

However, it was clear that the Holy extermination Supreme divine ancestor had changed his opinion of Chen Xiaobei and no longer looked down on him like before.

"But master ..."

Mie xuanling thought for a while and said worriedly, "if the North Mystic Divine ancestor really has a stronger trump card, won't mie xuanyu be dead for sure?"

The Supreme holy ancestor asked with a deeper meaning, "When did you start to care so much about your half-brother?"

"This disciple doesn't care about him! To be honest with shizun, this disciple even hoped that he would die!"

Mie xuanling frowned and changed the topic. however, mie xuanyu is Xuan zhenyi's son. If he dies, Xuan zhenyi will not let this matter rest. It might even lead to a life-and-death battle between our two races!

"Mm! Not bad! I'm very pleased that you can think of this!"

"But you don't have to worry too much!" The Supreme holy ancestor said indifferently. After all, mie xuanyu is the grandson of the profound Sage Supreme divine ancestor. This brat won't die so easily!"

"What!"

Upon hearing this, mie xuanling said in shock, "Master, are you saying that mie xuanyu has some powerful trump card hidden in his body?"

“What do you think?” The Supreme holy ancestor asked with a mysterious smile.

this ... mie xuanling became nervous again. doesn't that mean that the North Mystic Divine ancestor is in danger?!

Red Envelope Group of the Three Realms

Chapter 4622: I can't tell!

4622 I can't tell!

Mie xuanyu must have a powerful trump card hidden in his body!

This meant that Chen Xiaobei would be in great danger!

Because of this, mie xuanling became anxious. He looked at Wang Chen with great worry and anxiety!

Under such circumstances, mie xuanling really wanted to stop this dispute!

However, the Supreme holy ancestor said indifferently, “Since things have already come to this, let's see if that beixuan kid can survive! If he can, then he really does have great fortune. I'll definitely try my best to win him over and become an unbreakable ally with him! On the other hand, if he died, it would also be due to bad luck! Even if I want to cooperate with him, his fate will not last long in the future!”

this ... hearing this, mie xuanling's brows furrowed and her face turned extremely pale.

However, there was nothing mie xuanling could do at that moment. Whether Chen Xiaobei lived or died was up to him.

.....

In front of the White jade Grotto-heaven.

boom boom boom ... Boom boom boom ...

The Saint Origin Energy in mie xuanyu's body was already boiling like Rolling Thunder.

Beams of violent Saint origin power tore the sky apart. The shockwaves of pressure even shook the entire mountain.

All of a sudden, the scoundrels around him all revealed excited and fanatical expressions.

In their eyes, Chen Xiaobei would definitely lose.

They could already imagine Chen Xiaobei's cruel torture after he was defeated.

“Little brat! Lose!”

Mie xuanyu didn't say much this time.

After all, after he defeated Chen Xiaobei, he would have plenty of time to insult Chen Xiaobei with the most vicious words. So, there was no need to say anything now.

whoosh ... BOOM!!!

In the next moment, the terrifying Saint Origin Energy twisted and intertwined in the sky like a dragon that was billions of miles long. It covered the earth and shook the world!

With a single thought, the Dragon swooped down on Chen Xiaobei.

Of course, mie xuanyu's goal was only to defeat Chen Xiaobei, not to kill him. So, he did not use his full strength in this attack.

However, mie xuanyu already knew Chen Xiaobei's strength, so he controlled his power to be within the range where he could crush a mid-stage five-star divine ancestor.

This way, he could destroy Chen Xiaobei's celestial-slaying sword Qi and suppress Chen Xiaobei but not kill him.

"Laughable!"

However, Chen Xiaobei only snorted coldly and did not move!

He did not even try to Dodge or counterattack. He just stood there proudly. Those who did not know better would think that Chen Xiaobei was waiting for death!

"Boom boom boom ..."

The next moment, the power of the vast Azure Dragon landed on Chen Xiaobei's body.

Mie xuanyu and his scoundrel friends cheered immediately.

In their eyes, this power was enough to crush Chen Xiaobei and make him lose his ability to fight. They were like fish on the chopping board, waiting to be slaughtered.

At the same time.

Even mie xuanling and the Holy extermination Supreme divine ancestor thought that Chen Xiaobei would not be able to withstand this power.

Most importantly, Chen Xiaobei did not reveal the trump card that they had expected. He just stood there.

Under such circumstances, it was absolutely impossible for a peak three-star divine ancestor to withstand the power of a late-stage five-star divine ancestor. This was an absolute truth that would not change no matter where he went!

"Phew ..."

However, in the next moment, as the power of the old dragon dissipated, every on-site on-site person was stunned.

Even the Supreme holy ancestor was no exception!

No one could believe that Chen Xiaobei was standing still and unmoving.

Not only was he unscathed, but he didn't even move an inch.

this ... How is this possible!???

Mie xuanyu and his friends looked as if they had seen a ghost. Their pupils contracted uncontrollably and they had goosebumps all over their bodies. Their scalps even went numb and their hearts turned cold. They were extremely shocked.

At the same time, even mie xuanling and the Supreme holy ancestor of the Holy extermination had similar expressions.

His three views were completely shattered, and he even began to doubt his life.

this can't be ... This is absolutely impossible ...

Mie xuanyu was dumbfounded. His eyes were so wide that they looked like they were about to fall out."How can a peak three-star divine ancestor resist the power of a late-stage five-star divine ancestor? Am I dreaming? This is absolutely impossible!"

At the same time, his friends around him were so shocked that their mouths were wide open as if their jaws were about to fall off.

Exclamations of shock erupted one after another.

On the other side.

Mie xuanling's eyes widened and she asked in disbelief, "Master, what happened just now? How could the North Mystic Divine ancestor be safe and sound? This is unbelievable!"

It was obvious that mie xuanling was just as shocked as mie xuanyu and the others.

Mie xuanling was not only shocked that Chen Xiaobei was fine, but she was also shocked by her own Nine Star divine ancestor cultivation. She did not even see what had just happened. He didn't know the secret behind it at all!

"This ..."

However, at this moment, the Supreme Holy extermination was stunned and very hesitant.

When mie xuanling saw this, he was even more shocked and even started trembling.

Judging from the Supreme holy ancestor's reaction, it seemed like even this mighty Supreme holy ancestor didn't see what had just happened!

This ... This was simply too terrifying!

Mie xuanling felt that it wasn't just his three views that had been shattered, but that he had been crushed into powder and turned into ashes after being shattered!

it should be some kind of defensive Dharma Treasure that blocked all of mie xuanyu's power ...

After a moment of thought, the Supreme Holy extermination had to admit,"But I can't tell what kind of magic treasure it is. Therefore, I can't be 100% sure!"

how ... How is this possible?!

Mie xuanling was stunned and exclaimed, " "Even you can't tell, master? Could it be that the North Mystic Divine ancestor's treasure has already reached the Supreme level of a divine ancestor?"

"No! Didn't you reach ..."

"If that brat really used a treasure to resist mie xuanyu's power, then the quality of this treasure is very likely higher than the Supreme holy ancestor's!" The Supreme holy ancestor said in a deep voice.

"Higher than? this ... This ... This ... mie xuanling gasped in disbelief.

[Red Envelope Group of the Three Realms](#)

Chapter 4623: -greed!

Mie xuanling only knew that the one word Holy extermination curse was of a higher grade than the highest holy ancestor-tier, but she did not know that Chen Xiaobei had other treasures of the same grade!

There was no mistake!

The reason why Chen Xiaobei was able to block mie xuanyu's attack was because of the ten thousand DAOs Holy Emperor armor that was hidden under his skin.

Right now, the myriad DAOs divine Emperor armor was full of energy and could withstand all attacks below the level of a six-star divine ancestor.

And because of the Supreme quality of the myriad DAOs Saint Emperor armor, no one present was able to see the true appearance of the armor!

The result was simply too shocking!

After all, to everyone in this world, the Supreme sacred ancestor level was the most powerful, the most Supreme level!

Therefore, at this moment, the appearance of the Supreme realm directly subverted everyone's understanding. This huge shock simply couldn't be described with words!

At this moment, mie xuanling wasn't the only one who was shocked. The Supreme holy ancestor of the Holy extermination sect was also shocked!

The way the Holy extermination Supreme divine ancestor looked at Chen Xiaobei had completely changed. There was shock, curiosity, doubt, respect, and even a hint of greed and fanaticism!

It was obvious that even the Supreme divine ancestors would drool and dream of reaching the Supreme realm!

If someone were to say that the Supreme holy ancestor did not covet Chen Xiaobei's treasures, he would not believe it himself!

At the same time.

Mie xuanyu and his friends did not know what Chen Xiaobei was up to.

"Numbed! I've really underestimated you, little bastard!"

Mie xuanyu composed himself and said solemnly, "I never thought that you could actually block my attack just now! However, you won't be so lucky in the next attack! Because I will do my best! I have a ten thousand percent chance of killing you!"

Obviously, the result had slapped mie xuanyu in the face again.

He had already lost all his face! His patience had run out. So, at this moment, he would not show any mercy. Even if he had to give up on torturing Chen Xiaobei, he had to end the battle in the next move!

"Boom boom boom ..."

As soon as he finished speaking, the giant dragon in the sky was suddenly strengthened by another stream of Saint Origin Energy.

The Saint Qi came from mie xuanyu.

Earlier, he did not use his full strength, but now, he was channeling his Saint Qi to the maximum. He did not hold back at all, using all his strength to kill Chen Xiaobei!

Seeing this scene, the surrounding scoundrels all became excited.

"Young master Xuan Yu is finally going to use all his strength! What a shocking amount of Saint Qi, it feels like it's even more powerful than those at the same cultivation level!"

"Nonsense! Did he not know who young master Xuan Yu was? My father is the core great elder of my clan, mie cangheng! Her mother is Xuan zhenyi, the daughter of the profound Sage Supreme divine ancestor!"

"In a family like this, the resources and cultivation techniques that young master Xuan Yu has been using since he was young are countless times more advanced than those of ordinary people! It's not strange at all to be invincible among those of the same level!"

"Well said! At this moment, young master Xuan Yu was already giving it his all. From the looks of it, he was indeed invincible among his peers! He's really too strong!"

.....

It was obvious that even though mie xuanyu was a good-for-nothing, his family background was shocking.

With parents like him, even a pig could be raised to become a super powerful existence.

Because of this, even though mie xuanyu's full-strength attack was not invincible among his peers, it could basically crush most of his opponents.

"Clang!!!"

In this situation, Chen Xiaobei summoned a blood-red sword!

There was no mistake!

It was the chaos Blood Sword!

In an instant, the sky was filled with blood-red light, and the pressure was unparalleled!

Everything in the surroundings turned blood red. On the surface of the blood red, there were lightning patterns, dragon patterns, void patterns, nomological patterns, and chaos patterns!

It was as if the chaos Blood Sword had been reflected into space!

The sword was everything! Everything was like a sword!

“What ... What a terrifying pressure ...”

As soon as the chaos Blood Sword was drawn, mie xuanyu, who was about to attack, was shocked and stopped in his tracks.

The scoundrels in the surroundings were even more shocked, and gasps of shock could be heard from the crowd.

Under the might of the chaos Blood Sword, they all felt a terrifying invisible pressure. It was as if thousands of mountains and seas were pressing down on their chests, causing their breathing and heartbeats to almost stop. They even felt like they could be crushed to death at any moment!

It was truly terrifying to the extreme!

At the same time, mie xuanling and the Supreme holy ancestor were also shocked.

“My judgment was indeed correct! This ... This blood-red sword’s quality is indeed higher than the Supreme holy ancestor’s!”

The Supreme Holy extermination was dumbfounded, and he couldn’t help but tremble.

At the same time, the passion and greed in the Supreme holy ancestor’s eyes became even more intense.

This was because the Holy extermination Supreme divine ancestor had only guessed that Chen Xiaobei might have a treasure of this quality.

At this moment, the Supreme Holy extermination holy ancestor confirmed this.

With a clear goal in mind, greed and fanaticism spread like wildfire, and even the Supreme Saint ancestor couldn’t resist it.

Of course, in front of mie xuanling, the Supreme holy ancestor still restrained himself. He didn’t release all his emotions, nor did he immediately try to snatch it.

This was because the Supreme Holy extermination had two major concerns.

On one hand, the Holy extermination Supreme divine ancestor could not figure out Chen Xiaobei’s strength. If Chen Xiaobei had a Supreme-grade magical treasure, did that mean that Chen Xiaobei had the support of a Supreme-level elite?

Without understanding this, the Supreme Holy extermination wouldn’t dare to rashly snatch it.

On the other hand, mie xuanling's Brahma flawless body was still very valuable to the Supreme holy ancestor.

If the Supreme divine ancestor were to attack Chen Xiaobei, it would enrage mianxuanling.

This was a huge loss for the Supreme Holy extermination.

Thus, the Supreme holy ancestor was hiding his thoughts very well. Although he was extremely greedy and fanatical, he didn't show it at all.

He was like a venomous snake that was observing its prey in the dark!

He would only launch a fatal blow when he was almost certain of his victory!

my God ... There really is such a treasure!

Mie xuanling swallowed her saliva and her pretty face turned pale. She couldn't believe her eyes.

"But ..."

Mie xuanling paused and started to worry again. that blood-red sword is only a peak five-star divine ancestor. No matter how high its quality is, it can't defeat mie xuanyu!

[Red Envelope Group of the Three Realms](#)

Chapter 4624: Collision of the universe!

4624 Collision of the universe!

It was obvious that mie xuanling knew nothing about the power of Supreme grade.

Therefore, when mie xuanling measured the strength of the two sides, he still remained at the level.

On the surface, the chaos Blood Sword was only a peak five-star divine ancestor, while mie xuanyu was an early-stage six-star divine ancestor. There was a huge gap between them, and mie xuanyu's strength was almost invincible among those of the same level!

Therefore, from a normal person's point of view, Chen Xiaobei had no chance of winning!

to be honest, I don't know how powerful that kind of magical treasure can be. Whether I win or lose, we'll see in the next confrontation!

At this moment, the Supreme Holy extermination was also very curious.

Although the Supreme Holy extermination could sense that the chaos Blood sword's quality was higher than the Supreme holy ancestor's, it was still far from enough.

However, even the Supreme Holy extermination had never seen a treasure of this quality before, so he couldn't determine its final power.

All the doubts could only be answered by the final result!

.....

At the same time, mie xuanyu and his friends were also in a state of confusion.

It could even be said that he was even more confused.

These people's cultivation levels were too low. They couldn't sense the quality of the chaos Blood Sword like the Holy extermination Supreme holy ancestor.

In their eyes, the chaos Blood Sword only had a terrifying aura, but its grade was not too high.

Even though this was an unusual situation, it was far from enough to scare mie xuanyu and his friends!

After recovering from the initial shock of the pressure, these guys became arrogant again.

"Hmph! You little brat! Don't think that we can't see that the Blood Sword in your hand is only at the peak of the five-star divine ancestor realm. No matter how powerful your pressure is, it's useless! Do you understand?"

"Little trash! If you only have this level of magic weapon, then you can directly kneel down and kowtow to admit defeat! You won't have any chance of winning!"

"Stop acting tough! What kind of big scenes have we not seen! You're dreaming if you think you can scare me away with your pressure!"

.....

He had to admit that although these second-generation rich kids weren't very capable, they had seen many big scenes. Some of them had even been lucky enough to see the Supreme divine ancestor and experience the pressure of the divine ancestor.

Therefore, the power of the chaos Blood Sword only shocked them for a moment, but it was far from enough to intimidate them.

"Don't talk nonsense! Would that work? Let's fight directly!"

I'll still say the same thing. You guys better come at me together. It'll save me time and energy! Chen Xiaobei said.

"Numbed! You're a pretentious d * ck, you're on the verge of death and you still dare to speak so arrogantly!"

Mie xuanyu roared when he heard this. He felt like he had been provoked and humiliated.

At the same time, the people around him were like a group of hungry wild dogs. They glared at Chen Xiaobei and bared their teeth. They wanted to rush forward and swallow him whole.

"Boom boom boom ..."

In the next moment, the Furious mie xuanling activated her strongest Saint origin power and roared, "Don't make a move! I'm going to personally crush this kid to the ground! We'll let him know the consequences of underestimating us!"

Everyone could tell that mie xuanyu was very angry. So, even though they wanted to attack Chen Xiaobei, they held back their anger. They did not dare to steal mie xuanyu's limelight, lest they be hated.

BOOM! BOOM!

Immediately after, the huge Azure Dragon in the sky burst into Black Lightning flames.

In the blink of an eye, it was as if the entire sky had been lit up with black fire. The entire space was trembling, and even the laws in the surroundings were distorted.

it's the destruction special ability of my Holy extermination clan!!!

not only did young master Xuan Yu use his full strength, he even burned his spiritual energy to activate our Holy extermination clan's destruction special ability! someone in the crowd exclaimed. I'm really going all out!"

Everyone grinned at Chen Xiaobei as if they were looking at a corpse that was about to be destroyed.

Obviously, mie xuanyu's strength was already outstanding among early-stage six-star divine ancestors. He was almost invincible among those of the same level.

At that moment, mie xuanyu had activated his Saint destroyer's destruction ability!

The effect of this special ability was very simple and brutal. It was to directly enhance any power by a large extent!

More importantly, the quality of this special ability had reached the level of a Supreme holy ancestor!

In other words, with the support of his destruction special ability, mie xuanyu was truly invincible among his peers!

In such a situation, in the eyes of ordinary people, one must at least have the combat power of a mid-stage six-star divine ancestor to defeat mie xuanyu. If one was below that level, they would only be crushed by mie xuanyu!

There was absolutely no suspense!

At the same time ...

Even mie xuanling and the Supreme holy ancestor couldn't help but feel nervous.

They were worried that Chen Xiaobei would die in mie xuanyu's hands without knowing the strength of a Supreme-grade treasure.

"Clang!!!"

However, even when everyone was looking down on him, Chen Xiaobei was calm and composed.

With a wave of the chaos Blood Sword, a terrifying power was suddenly activated.

10000 DAOs-Supreme bloodblade!!!

Chen Xiaobei let out a blood-boiling war cry, and his domineering aura enveloped the entire space.

Then, a portion of five-star Peak divine ancestor level Saint Origin Energy was directly burned out, and the chaos Blood Sword was activated to its maximum power!

"Woof!"

In the next moment, the blade of the sword brought with it supreme power and slashed towards the giant dragon in the sky!

Only to hear a burst of sharp whistling sound of destruction.

The huge Azure Dragon that was as vast as the sky and covered all directions was directly cut on the head by a blood-red sword Qi that looked like an Aurora!

Originally, the chaos Blood sword's strongest power could be used to fight above one's realm by relying on its supreme quality!

However, against mie xuanyu, who was invincible among those of the same level, the power of the chaos Blood Sword could only come to a draw with mie xuanyu!

"Chi ..."

In the next instant, the sword Qi and Azure dragon's head collided, causing an incomparably terrifying shock wave to burst forth. It was like Mars crashing into earth!

Oh no!

To be precise, it was like the collision of two universes!

That incomparably terrifying shock wave directly formed a terrifying circular force!

The power of this force alone had already reached the impact of an ordinary early-stage six-star divine ancestor!

"Ah ... Help ... Ah ... Help ..."

All of a sudden, the group of scoundrels around him let out hysterical screams.

The shock wave rolled toward them, and they felt as if death was approaching them. It was extremely terrifying!

Red Envelope Group of the Three Realms

Chapter 4625: change in the battle!

"Shua shua ... Shua shua ..."

In the shrill cries for help, the people around were all blown away by the shock waves, unable to stabilize their bodies at all!

Fortunately, there were two six-star divine ancestors in this group. They had resisted most of the shock wave with all their might. Otherwise, this group of spoilt young masters would have been wiped out in an instant!

However, even so, the weaker ones were all severely injured. Their bones were broken, and their Saint souls exploded. They all spat out blood and flew back. It was extremely miserable!

The furthest one was even sent flying hundreds of thousands of miles away, crashing into several mountain peaks before barely coming to a stop. The rest of his life was basically wasted!

how ... How is this possible?!

Mie xuanyu was stunned by the scene before him!

Of course, at the same time, everyone who had just witnessed the scene was also shocked!

Especially those second-generation rich kids!

Just a moment ago, when Chen Xiaobei had asked them to attack him together, they thought that they had been greatly humiliated. They were still cursing Chen Xiaobei for being pretentious and that he would definitely die!

But now, Chen Xiaobei was fighting with mie xuanyu head-on. He had used the aftershock to severely injure these spoilt young masters!

If they had attacked Chen Xiaobei together and were closer to the center of the collision, more than half of them would have been dead!

At most, only the two six-star divine ancestors and the three peak five-star divine ancestors could survive!

Furthermore, the five-star divine ancestor would also be severely injured and would lose all ability to fight. It would be no different from death!

“My God ... It’s too terrifying ... This ... This blood-red sword’s power can actually cross a large realm ... This is crazy ... Young master Xuan Yu! I won’t be accompanying you! Goodbye!”

“Young master Xuan Yu ... I haven’t lived long enough ... I’ll be leaving now ...”

“Young master Xuan Yu, I will support you in spirit! Good luck!”

In an instant, except for the two six-star divine ancestors, all the other second-generation filthy rich brats used all their strength to escape from the scene as fast as they could, not even daring to look back.

When Chen Xiaobei asked them to attack him together, they had laughed at him.

And at this moment, they were running faster than rabbits! Even if they had ten thousand guts, they would not dare to stay at the scene! They did not dare to attack Chen Xiaobei together!

This result was like an invisible slap to the faces of these people!

This face-smacking sound simply resounded through the sky!

At the same time ...

my God ... That blood-red sword is too powerful ... It’s actually on par with mie xuanyu!

Mie xuanling’s beautiful eyes widened and her pupils shrank as if she had seen an extremely horrifying scene. She couldn’t believe her eyes.

Without a doubt, mie xuanling had never come into contact with anything of supreme quality.

His consciousness was completely blank in this area.

Therefore, not only did this scene impact mie xuanling's vision and heart, but it also reshaped her world view.

"So strong ... So strong ..."

At the same time, someone as powerful as the Supreme holy ancestor was in a similar state as mie xuanling.

His trembling voice reflected the shock in his heart at the moment, as well as an extremely fanatical excitement.

Obviously, the Holy extermination Supreme divine ancestor had been coveting Chen Xiaobei's Supreme-grade treasure for a long time.

After seeing the chaos Blood sword's power, the Supreme Holy extermination's greed and fanatical desire burned like a raging fire.

One had to know that the chaos Blood Sword was only at the peak of the five-star divine ancestor realm!

If this sword were to fall into the hands of the Supreme holy ancestor, it would slowly rise to the level of a Supreme holy ancestor!

Wouldn't that mean that he would be able to surpass a higher realm and crush all Supreme divine ancestors?

Under such circumstances, the Holy extermination Supreme sacred ancestor would be able to use the chaos Blood Sword to become the most powerful supreme ruler!

Just thinking about it made the Supreme Holy extermination extremely excited!

After all, these Supreme divine ancestors had been in their current positions for countless years. Everyone wanted to take a step further, stand in a higher position, and try a completely different life!

It wouldn't be an exaggeration to say that all of the Supreme sacred ancestors, and even the nine hearts turtle ancestor, might have such ambitions!

In fact, even the most powerful Supreme divine ancestor, Saint Hong, might have fallen into a state of chaos because of this ambition!

Now that the chaos Blood Sword had appeared, the Supreme Holy extermination's ambition swelled!

The Supreme Holy extermination could already imagine that in the near future, he would hold the chaos Blood Sword and stand at the peak of the world. He would rule over everything, and even the other Supreme Holy ancestors would have to kneel at his feet!

Thinking of this, the Holy extermination Supreme divine ancestor was so excited that he almost lost control of himself and wanted to attack Chen Xiaobei!

No!

Still not enough!

The Supreme Holy extermination shook his head and forced himself to calm down.

There were two reasons why the Supreme holy ancestor did not attack Chen Xiaobei immediately. First, he was afraid that there was someone more terrifying than the Supreme holy ancestor behind Chen Xiaobei! Second, he was afraid that mie xuanling would be disappointed and betray him!

At this moment, the allure of the chaos Blood Sword had reached its peak.

The Supreme divine ancestor could even ignore mie xuanling's attitude. As long as he could find out who Chen Xiaobei was backing him up, he could decide whether to attack Chen Xiaobei or not!

Boom Boom ... Boom Boom ... Boom Boom ...

At the same time, the battle below had not ended.

Mie xuanyu released his Saint Qi again and summoned a huge black Flame Dragon!

At the same time, the other two six-star divine ancestors also activated their Saint Origin Energy and added their destruction special ability!

The three of them surrounded Chen Xiaobei!

"You little brat! I really didn't expect that your magic treasure could actually fight me to a draw!"

Mie xuanyu narrowed his eyes and calmed down.

No matter how arrogant mie xuanyu was, he had finally seen Chen Xiaobei's power after being slapped in the face so many times.

Therefore, mie xuanyu put away all his arrogance and treated Chen Xiaobei as his opponent! He would never underestimate Chen Xiaobei again!

"Young master Xuan Yu, don't worry! You have the two of us to help you! The next time we cross swords, we can directly crush that kid! Victory still belongs to us!"

The other two six-star divine ancestors were also burning with battle intent. They were on full alert, not daring to let down their guard as they watched Chen Xiaobei.

All of a sudden, the three of them had to work together to deal with Chen Xiaobei!

The battle situation suddenly became confusing!

[Red Envelope Group of the Three Realms](#)

Chapter 4626: invincible!

In the huge black Palace.

Mie xuanling's face was filled with anxiety. She could not help but worry for Chen Xiaobei.

"Although the North Mystic Divine ancestor's Dharma Treasure is very powerful, it can only fight to a draw with mie xuanyu! With the two six-star divine ancestors, even if they're not as strong as mie xuanyu, the three of them can still suppress the North Mystic Divine ancestor's Dharma Treasure!"

At this point, mie xuanling's eyes were filled with anxiety. At the same time, she was filled with disdain and anger for the shameless behavior of mie xuanyu and the other two.

"On the surface, beixuan seems to be at a disadvantage ..."

The Supreme holy ancestor narrowed his eyes and calculated carefully."However, I'm sure that beixuan isn't an idiot! Just now, he dared to ask everyone to attack him together. This means that he definitely has the ability to deal with the enemy!"

After a few exchanges, the Supreme divine ancestor's opinion of Chen Xiaobei had changed completely.

In the beginning, the Holy extermination Supreme divine ancestor had mocked Chen Xiaobei for being too reckless and not being able to achieve great things! In the eyes of the Holy extermination's Supreme holy ancestor, Chen Xiaobei was a man of courage and strategy. He was a powerful man who would win the moment he made his move!

"But ..."

Mie xuanling pursed her red lips and said hesitantly, " "No matter how I look at it, the North Mystic Divine ancestor doesn't have any chance of winning!"

"Not necessarily!"

The Supreme holy ancestor shook his head and said solemnly, if I'm not wrong, that blood-red sword should have a super strong special ability!

special ability!?

Mie xuanling was taken aback, and her beautiful eyes glowed with anticipation.

It was obvious that powerful Dharma Treasures usually had special abilities. Just now, the chaos Blood Sword had only activated its pure power.

Now, the Supreme holy ancestor had guessed Chen Xiaobei's trump card.

"You little brat! Be enlightened! Your death is here!"

At the same time, mie xuanyu and the other two six-star divine ancestors had already activated their strongest Saint Origin Energy. At the same time, they had activated their Saint destroyer special ability, causing the damage of their Saint Origin Energy to increase rapidly!

Whoosh ... Whoosh ... Whoosh ...

The three of them hovered in the air around Chen Xiaobei, forming a huge triangle.

It was as if the entire mountain had been enveloped. If Chen Xiaobei was unable to withstand this attack, the entire mountain would be razed to the ground.

"Just this?"

But even in such a situation, Chen Xiaobei's face was calm and relaxed. His heart was calm and he even felt like laughing.

“Numbed! You brat, you still dare to act tough! Die for your father!”

Mie xuanyu was already burning with anger. Now that Chen Xiaobei had looked down on him, he was so furious that he took the lead in unleashing his power!

“BOOM! BOOM! BOOM!”

Immediately after, the other two six-star divine ancestors cooperated with mie xuanyu and blasted out their strongest power.

Chen Xiaobei was completely surrounded, and he did not even have the chance to escape.

Mie xuanyu and the other two six-star divine ancestors couldn't help but smile hideously when they saw this.

In their eyes, Chen Xiaobei could not escape, let alone resist.

Death was the only thing that awaited him.

There would be no suspense.

there ... There's really a special ability?!

Seeing this, mie xuanling's heart clenched. Although he was looking forward to it, he wasn't sure if the chaos Blood Sword really had a special ability.

Moreover, even if he had special abilities, he might not be able to win.

Therefore, mie xuanling was still very worried at this moment, and his palms were already drenched in cold sweat.

“Special ability! He must have a special ability! There must be more!”

At the same time, the Supreme Holy extermination was like a gambler, praying with all his might.

It was clear that the Supreme Holy extermination wanted the chaos Blood Sword to have a powerful ability more than anyone else.

This was because the Supreme holy ancestor's ultimate goal was to find out more about Chen Xiaobei and then take the chaos Blood Sword for himself.

Therefore, the more powerful the chaos Blood Sword was, the more excited and fanatical the Supreme holy ancestor was.

myriad DAOs-chaos great void!!!

Chen Xiaobei did not disappoint the Supreme holy ancestor and mie xuanling!

With a battle cry, Chen Xiaobei swung his sword, and suddenly, the power of his special ability burst out violently.

Wherever the blood-red sword passed, the space in front of it was directly cut open, leaving a huge chasm that ran through the sky and earth.

The vast and profound space laws transformed into billions of dark golden symbols and formed countless nomological chains, intertwining to form a net-like sealed space.

“Whoosh ...”

In the next moment, the Saint Qi of mie xuanyu and the other two six-star divine ancestors was twisted into a vortex by an invisible force and sucked into the sealed space at an extremely fast speed.

The exterior of this sealed space was blurry, dark, and deep. One couldn't see the slightest mystery!

And inside this space, there was an almost infinite independent space that was like a crack in the great void!

In an instant, it devoured the Saint Qi of mie xuanyu and the other two six-star Saint ancestors as if it was devouring the world!

In the blink of an eye, all the attacks were neutralized, and Chen Xiaobei himself was unscathed!

how ... How is this possible?!

Mie xuanyu and the other two six-star divine ancestors were dumbfounded when they saw this.

The three of them were all shocked and couldn't believe their eyes. Their scalps were numb, their hearts were cold, and cold sweat poured down their bodies like rain!

“What ... What kind of ability is this? He's only a peak five-star divine ancestor, but he's devoured all our Saint Origin Energy! This ... This is impossible! This was absolutely impossible! I've never heard of such a thing in my life!”

Mie xuanyu and the other two six-star divine ancestors let out hysterical screams.

Dumbfounded, his eyes revealed shock and astonishment.

It was as if they had seen a ghost. It was completely unexplainable. They even felt as if their world views had been crushed. They even suspected that this might be a dream.

At the same time ...

Mie xuanling also let out a cry of disbelief. Her beautiful eyes widened and her little mouth opened wide. “Too ... Too strong ... This power is too terrifying! It can actually devour an opponent's attack across a large realm!”

“No... This isn't the most terrifying part!”

The Supreme holy ancestor's eyes narrowed as he said in a trembling voice, “I can vaguely sense that there's an infinite space inside the blood-red sword! It could devour the opponent's attacks limitlessly! Let the Swordmaster stand in an undefeatable position!”

this ... This ... mie xuanling gasped and said in shock, “ isn't this invincible!?”

[Red Envelope Group of the Three Realms](#)

Chapter 4627: despair!

“Invincible! He’s absolutely invincible!”

The Supreme Holy extermination cried out in alarm and praised with a fanatical tone, “As long as this bloody can reach the Supreme holy ancestor level! Oh no! As long as you can reach the peak of the sacred ancestor level, you’ll be absolutely invincible!”

It was obvious that the chaos Blood Sword was of supreme quality! Under the Supreme realm, he could fight those of a higher realm!

According to what the Holy extermination Supreme sacred ancestor had said, as long as the chaos Blood Sword reached the peak of the sacred ancestor level, it could directly devour the power of a higher realm sacred ancestor!

The main point was that it could devour without limit!

In this situation, even if all the other Supreme sacred ancestors attacked together, the chaos Blood Sword would be able to devour all their Saint origin power and dissolve their combined attacks.

This way, sword head would be able to stand at an undefeatable position.

When the other Supreme divine ancestors’ Saint origin power was exhausted, Swordmaster would naturally become the final winner and the Supreme ruler.

The Supreme holy ancestor couldn’t help but tremble at this thought.

This was because it was extremely difficult to upgrade the chaos Blood Sword to the Supreme Saint ancestor level.

However, upgrading the chaos Blood Sword to the level of a peak sacred ancestor wasn’t too difficult for the Supreme sacred ancestor of the Holy extermination sect.

Judging from the current situation, as long as he could upgrade the chaos Blood Sword to the peak sacred ancestor level, he would basically be invincible and become the Supreme ruler.

This was why the Supreme Holy extermination was so excited.

too ... Too powerful ... The North Mystic Divine ancestor actually has such a terrifying trump card ...

At the same time, mie xuanling was so immersed in Chen Xiaobei’s power that she did not notice the change in the Supreme holy ancestor’s condition.

.....

“Young master Xuan Yu, what should we do now?”

The other two six-star divine ancestors had already started to get nervous. “That kid’s magic treasure is invincible! Our attacks are useless, our Saint Qi will only be exhausted by him, and we’ll definitely lose!”

Obviously, these two people were not stupid, even though the situation seemed to be evenly matched.

However, after a few dozen more rounds, their Saint Qi would be exhausted. Even if they still had Saint Qi, they wouldn’t have any mental energy to use their destruction attribute special ability! There was even a possibility that his mental energy would be exhausted and he would faint on the spot!

By then, the three of them would be like fish on the chopping board, waiting for Chen Xiaobei to slaughter them!

Because of this, the two six-star divine ancestors panicked. They looked at mie xuanyu anxiously, hoping that he would show them more powerful cards.

Even though they did not say it out loud, it was obvious that if mie xuanyu did not have any other trump cards, they would have run away and not continue to fight with Chen Xiaobei.

what's the hurry?!

At this moment, mie xuanyu had recovered from his shock and said coldly, "Don't forget! My father is mie cangheng, my mother is Xuan zhenyi, and my grandfather is the profound Sage Supreme divine ancestor! How could I possibly lose?"

The other two six-star divine ancestors finally felt a little more at ease after hearing that. They looked at mie xuanyu expectantly.

At the same time, the Supreme holy ancestor and mie xuanling also had strange expressions.

In fact, the Supreme holy ancestor had already expected that mie xuanyu still had a trump card, and it was now proven that he was indeed smart enough to predict the outcome before the battle even started!

As expected of the Supreme divine ancestor!

"What other trump cards do you have? Why don't you just show it?"

Chen Xiaobei narrowed his eyes. This was the first time he felt nervous.

If the previous battle was completely under Chen Xiaobei's control, then the trump card that mie xuanyu was about to reveal was completely out of Chen Xiaobei's expectations. Chen Xiaobei did not know what the outcome would be.

"Swish!"

Under everyone's close attention, mie xuanyu took out a special jade talisman.

Everyone knew that the Jade talisman was mie xuanyu's trump card!

In the next moment, the two six-star divine ancestors retreated and hid behind mie xuanyu. They did not dare to surround Chen Xiaobei anymore for fear that they would be wiped out when mie xuanyu attacked!

"Master ..."

At the sight of this, mie xuanling became nervous. "What kind of killer move is that jade talisman? A magic treasure? Or an array? Or something else?"

"I can't tell ..."

However, the Supreme Holy extermination's brows were tightly furrowed, and he seemed to be very puzzled.

“What? Even you can’t tell, master?”

Mie xuanling was shocked and his limbs turned cold. could it be ... That jade talisman ... Is also a Supreme treasure that’s even more powerful than the Supreme Saint ancestor?!

“No...”

The Supreme holy ancestor composed himself and said, that jade talisman isn’t a Supreme treasure, but I can’t tell what’s hidden within it. It’s most likely a Supreme holy ancestor level treasure!

“This ...”

Mie xuanling’s face turned extremely pale and she quickly begged, “Master! Please save the bei Xuan divine ancestor! Otherwise, he’ll die without a doubt!”

Without a doubt, if mie xuanyu could really use his Saint ancestral level trump card, it would be like a king’s bomb. Chen Xiaobei would not be able to defend against it and would only be killed!

“No...”

However, the Supreme holy ancestor shook his head and said, “I couldn’t see through the mysteries of that jade talisman. If I were to attack rashly, I might even get injured! At that time, the other great clans might launch an attack on us! I can’t take this risk!”

“This ... This, this, this ...”

Mie xuanling’s eyes turned red and tears began to well up in her eyes.

In mie xuanling’s opinion, if the Supreme holy ancestor did not make a move, Chen Xiaobei would be dead for sure.

.....

what ... What is that thing?!

At the same time, Chen Xiaobei was also very nervous. His eyes were fixed on the Jade talisman, not daring to be slow!

“You little brat! Now you’re afraid?”

Mie xuanyu roared arrogantly, “it’s too late!!! Prepare to face true despair!”

“Whoosh ...”

As soon as he finished speaking, mie xuanyu activated the special ability of the Jade talisman in his hand.

In an instant, everyone became nervous.

Swish ... Swish lalala ...

Under everyone’s nervous gaze, a black line suddenly burst out of the Jade talisman.

Along this black line, the void was directly torn apart.

An extremely powerful spatial law power instantly spread out, allowing everyone to feel the Supreme Saint ancestor's aura again.

"No way? Am I really going to die Here?"

Chen Xiaobei felt a sense of despair.

Chapter 4628: Showing off until my scalp went numb!

4628 Showing off until my scalp went numb!

Without a doubt, the situation that Chen Xiaobei was in was extremely dire. His life was even in danger.

In fact, even the Supreme holy ancestor didn't dare to act rashly at this time.

One could only imagine how terrifying this was.

Swish ... Swish ...

Immediately after, the spatial Rift created by the Jade talisman grew larger and larger, and darker and darker.

Not only did it exude a terrifying spatial dimension law aura, but there was also an aura that Chen Xiaobei was familiar with.

"Eh? Strange ... This aura is so familiar! I think I just came into contact with it not long ago!"

Chen Xiaobei furrowed his brows in confusion.

In the next moment, a scene that made everyone's jaw drop appeared. They almost fell to the ground.

"Mom! Save me! Save me!"

Mie xuanyu was actually shouting at the crack in the void.

Pfft ...

Upon seeing this scene, everyone nearly spat out a mouthful of blood.

He had thought that mie xuanyu was going to use some super powerful Supreme holy ancestor-level trump card.

After a long time, he was actually looking for his mother with his mouth wide open!

'F * ck!'

He was really stupid!

Chen Xiaobei, mie xuanling, the Supreme holy ancestor, and even the other two six-star divine ancestors were dumbfounded by mie xuanyu's actions.

"I know what that is!"

The Supreme holy ancestor's eyes narrowed as he locked onto the Jade talisman in mie xuanyu's hand.

“That’s the Supreme space-breaking spell of the No-Saint tribe!” He said in a deep voice. It could tear apart all space! He would find the person he wanted to find! Who would have thought that this woman, Xuan Yongyu, was secretly related to the No saint tribe! She actually gave such a powerful talisman to her useless son!”

“What? That ... That’s the Supreme space-breaking spell!” Mie xuanling was extremely surprised.

There was no mistake!

The Jade talisman in mie xuanyu’s hand was a Supreme sacred ancestor-level Dharma Treasure!

This kind of treasure came from the Supreme holy ancestor, and its effect was to tear open any space!

In other words, whether it was in the real world or an independent space, as long as the special ability of the Jade talisman was activated, one could directly tear open a crack in the void and the crack would lead to the location of one’s heart, and one could find the person they wanted to find directly!

It could tear apart independent space! This was definitely the most heaven-defying effect!

Since ancient times, countless people had been trapped in independent spaces. With this jade talisman, not only could one tear apart all independent spaces, but one could also come and go as one pleased!

It was definitely an auxiliary artifact!

Of course, it was also the best life-saving divine weapon for a good-for-nothing mother like mie xuanyu!

No matter where he was, as long as mie xuanyu was in danger, he would be able to use the Jade talisman to find his mother to protect himself!

Of course, Xuan zhenyi probably knew that his son was a good-for-nothing and that he might not be able to use any other magic weapon at the right time. It was better to give him the Supreme space-breaking talisman so that he could find his mother at the critical moment. It was better than any magic weapon!

For a moment, mie xuanling and the Supreme holy ancestor looked down on mie xuanyu.

He even felt that he couldn’t bear to look at this trash.

“Whoosh ...”

Then, a figure appeared from the crack in the void.

There was no mistake!

It was Xuan zhenyi’s main body!

The reason why Chen Xiaobei felt a familiar aura was because of Xuan zhenyi’s aura!

“Mom! You’ve finally come!”

Mie xuanyu ran to Xuan zhenyi’s side and shouted angrily, ” “Help me kill that stinky brat! He’s simply too hateful, he’s made me lose all my face!”

huh?!

Xuan zhenyi glared at Chen Xiaobei.

It was obvious that Chen Xiaobei had met Xuan zhenyi once at mie xuanling's house.

"You can't even deal with such a useless ant?"

Xuan zhenyi's eyes were dark and her tone was very stern. She was obviously very dissatisfied with her son's performance.

"Mom! You don't know this, but that kid is too strong!"

Mie xuanyu's brows furrowed slightly, his face full of grievance. It was not that he could not do it, but Wang Chen was so strong that he was unreasonable. He could fight all kinds of higher realm battles.

"Don't make excuses!"

Xuan Qianyi narrowed her eyes and roared solemnly, "Now, immediately go and fight him again! He must be killed on the spot!"

"This ..."

Mie xuanyu was stunned for a moment, then he wailed with a long face, "I can't do it ..."

"Trash!"

Xuan zhenyi was about to die from anger. Her eyes were filled with rage as she rebuked, "you're already an early-stage six-star divine ancestor, while that kid is merely a three-star divine ancestor. What's the difference between killing him and crushing an ant?"

"No..."

"Mom!" Mie xuanyu quickly said. Look at the blood-red sword in that kid's hand! That sword was too strange! It can withstand my full-powered attack and devour the power of three six-star divine ancestors!"

"What? This ... How is this possible?"

Xuan zhenyi naturally did not believe him. Her eyes immediately locked onto the chaos Blood Sword.

huh?!

Immediately after, an incredulous expression appeared on Xuan zhenyi's face. She was even in disbelief, "I ... Why can't I see the quality of this blood-red longsword? That's impossible ..."

It was obvious that Xuan zhenyi was not the Supreme divine ancestor, so she could not tell the exact quality of the chaos Blood Sword!

And this was the most terrifying part.

It was the same as cultivation.

People with low cultivation bases couldn't see through the cultivation bases of people with high cultivation bases.

At this moment, Xuan zhenyi's strength was only at the peak of the divine ancestor realm. There was still a huge gap between her and the Supreme divine ancestor realm.

Therefore, Xuan zhenyi could not tell the quality of the chaos Blood Sword at all.

it seems that you didn't find an excuse. That kid really has an extremely powerful trump card!

Xuan zhenyi narrowed her eyes. Her fighting spirit was burning, and the killing intent in her eyes was as sharp as a blade, piercing Chen Xiaobei.

It was obvious that Xuan zhenyi wanted to kill Chen Xiaobei. She wanted to take the chaos Blood Sword and study it.

"Shit ..."

Chen Xiaobei was shocked by what he saw.

Although mie xuanyu was a good-for-nothing and his actions were extremely stupid.

However, Xuan zhenyi was a real ruthless character. Even the core great elder of the Holy extermination clan, mie cangheng, had been tamed by her.

One could only imagine how terrifying this woman was.

Although the chaos Blood Sword was very strong, it couldn't activate its peak holy ancestor level ability, so it couldn't devour Xuan zhenyi's offensive power.

Under such circumstances, Chen Xiaobei was still going to die.

"Master! Please save the North Mystic Divine ancestor!"

Mie xuanling's heart clenched as he stared at the light screen.

"Master?"

However, when mie xuanling's eyes shifted from the light screen to the Supreme holy ancestor ...

The Supreme Holy extermination was long gone!

[Red Envelope Group of the Three Realms](#)

Chapter 4629: Borrowing the sword!

4629 Borrowing the sword!

"Where's master?"

Mie xuanling's face fell. Only the Supreme divine ancestor could save Chen Xiaobei.

Other than that, Chen Xiaobei had no other way out.

"Whoosh ..."

However, in the next moment, a black figure suddenly appeared on the screen!

"Master!"

Mie xuanling's eyes widened instantly. She didn't expect the Supreme holy ancestor to come out and descend on Xuan zhenyi's head.

It was obvious that mie xuanling didn't know how greedy the Supreme holy ancestor was for the chaos Blood Sword!

At this very moment! The Supreme Holy extermination would never let the chaos Blood Sword fall into Xuan zhenyi's hands. He couldn't even let Xuan zhenyi know that the chaos Blood Sword was a Supreme treasure!

After all, the one-word Saint destroyer curse had already attracted the attention of the world, and even the Supreme Saint ancestor would do anything to get it!

And Supreme treasures, like the one-word Saint destroyer curse, were existences above the Supreme Saint ancestors!

It was conceivable that once Xuan zhenyi found out about the quality of the chaos Blood Sword, the entire profound Sage Tribe would come to snatch it at all costs! This was no doubt a huge problem for the Supreme holy ancestor!

That was why before mie xuanling could ask the Supreme holy ancestor to save Chen Xiaobei, the Supreme holy ancestor had already made his move.

"Whoosh ..."

Then, a terrifying pressure descended.

The Supreme Holy extermination floated above everyone's head and looked down at them.

"Greetings, Supreme holy ancestor!"

Xuan zhenyi did not dare to be negligent and immediately bowed respectfully to pay her respects.

"Greetings ... Greetings ... Greetings to the Supreme holy ancestor!"

At the same time, mie xuanyu and the other two six-star divine ancestors knelt on the ground.

After kowtowing three times and bowing nine times, their heads were still stuck to the ground. Without the Supreme Holy extermination's orders, the three of them didn't even dare to raise their heads.

"What a strong aura!"

Chen Xiaobei was the only one who did not show any sign of cowardice. He did not even have the intention to bow.

He was simply crazy!

"Audacious fanatic! How dare you not bow to the Supreme holy ancestor! This is a great disrespect to the Supreme holy ancestor!"

Xuan zhenyi had wanted to kill Chen Xiaobei, and now she was trying to pin a crime on Chen Xiaobei in front of the Supreme holy ancestor. She wanted Chen Xiaobei dead!

But before Chen Xiaobei could say anything, the Holy extermination Supreme divine ancestor spoke first, "Xuan zhenyi, this North Mystic Divine ancestor is my friend! Since you're on the same level as me, you naturally don't need to bow!"

what????

A stone that caused a thousand ripples!

The Supreme holy ancestor's simple words scared everyone present.

"W-what did you say? How can this trifling three star divine ancestor be on the same level as you?"

Xuan zhenyi was dumbfounded. Her face stiffened and the corners of her mouth twitched unconsciously. She could not believe her ears.

"Oh my God ... This ... This is too scary ..."

At the same time, mie xuanyu and the other two six-star divine ancestors were so scared that their souls almost left their bodies.

Mie xuanyu was so scared that he peed his pants.

Without a doubt, they had been extremely disrespectful to Chen Xiaobei and had even wanted to kill him.

If Chen Xiaobei was really a friend who was on the same level as the Supreme holy ancestor, then mie xuanyu and the other two would have to suffer unimaginable punishment.

After all, the Supreme divine ancestor was an extremely sacred existence in any large clan and could not be offended!

Disrespecting Chen Xiaobei was disrespecting the Supreme holy ancestor!

Disrespecting the Holy extermination clan's Supreme holy ancestor was enough to enrage the entire Holy extermination clan!

Even Xuan zhenyi couldn't bear the terrifying consequences, let alone mie xuanyu and the other two!

"Nonsense!"

"Do you think I'm joking with you?" the Supreme holy ancestor asked solemnly.

"No, no, no..."

Xuan Yingyi swallowed, and a thin layer of cold sweat instantly appeared on his forehead. "Of course you're a man of your word, and you're not joking ... It's just that ... I ... I didn't hear you clearly ..."

It was obvious that even if Xuan zhenyi was the daughter of the profound divine Supreme divine ancestor, she wouldn't dare to be impudent in front of the Supreme divine ancestor.

After all, even if the Supreme holy ancestor had killed Xuan zhenyi directly, the profound divine Supreme holy ancestor wouldn't have come to fight the Supreme holy ancestor.

This was because all of the Supreme divine ancestors knew that the third party would benefit from the fight between the snipe and the clam.

If the profound Sage Supreme divine ancestor fought the Holy extermination Supreme divine ancestor for his daughter, it would only cause the Holy extermination clan and the profound Sage clan to suffer heavy losses at the same time, giving the other great clans an opportunity to take advantage of it!

If both the Holy extermination clan and the profound Sage clan were to suffer heavy losses, the Holy extermination clan and the profound Sage clan might even be at risk of being exterminated.

Because of this, Xuan zhenyi was very clear that her own life could not compare to the survival of the entire large clan.

Therefore, Xuan zhenyi had to be cautious and didn't dare to offend the Supreme holy ancestor.

"Alright! You guys can leave!"

The Supreme holy ancestor waved his hand. His tone was indifferent, but it was filled with unquestionable dominance.

"Yes, sir ..."

Xuan Yingyi swallowed his saliva and didn't dare to say a word. He brought mie xuanyu and the other two and fled the scene.

Mie xuanyu and the other two felt as if they had been granted Amnesty. They peed while flying, looking extremely embarrassed and completely humiliated.

However, to their surprise, the Supreme holy ancestor didn't punish them.

"Why did you save me?"

what's the matter?" Chen Xiaobei asked, looking at the Supreme holy ancestor.

"I see that you're a talent, so I don't want you to die in vain."

The Supreme holy ancestor was still looking down at Chen Xiaobei from above.

The promised equality simply didn't exist!

"There's no such thing as a free lunch in this world! You see that I'm a talent, so you probably want me to do something, right?"

Chen Xiaobei was smart enough to see through the hypocrisy of the Supreme holy ancestor.

After all, if the Supreme divine ancestor had saved Chen Xiaobei, he would have done it a long time ago. He would not even have to do it himself. Mie xuanling would have been able to come down and pass on the order to resolve the conflict.

However, the Supreme holy ancestor hadn't done anything in the beginning. He had only stepped in to calm the situation after seeing it deteriorate to this point.

Chen Xiaobei knew that the Supreme holy ancestor must have other intentions!

“Heh, it’s so easy to talk to smart people!”

The Supreme holy ancestor chuckled. “I do have a request, and that is to take a look at the sword in your hand! You won’t reject me, will you?”

Red Envelope Group of the Three Realms

Chapter 4630: A mission!

4630 A mission!

of course I won’t refuse. But, forgive me for being blunt, you’ve already seen what you shouldn’t see. Even if I pass the sword to you now, what you’ll see will be the same as what you saw just now. There won’t be any difference!

Chen Xiaobei was very calm and composed.

“Hiss ...”

At the sight of this, mie xuanling’s face turned pale and her scalp went numb.

She had never met anyone who dared to speak to the Supreme holy ancestor like Chen Xiaobei did.

The simplest example was someone as powerful as Xuan zhenyi, who had to be respectful to the Supreme holy ancestor.

However, Chen Xiaobei did not show any respect at all. Instead, he spoke in a lecturing tone.

This was really crazy to every side!

However, what mie xuanling didn’t expect was that the Supreme holy ancestor wasn’t angry.

“Alright,”

The Supreme holy ancestor only nodded and said indifferently, “What you said makes sense, this Lord will not look!”

Seeing this, mie xuanling was dumbfounded.

Based on mie xuanling’s understanding of the Supreme holy ancestor, the Supreme holy ancestor would definitely be furious if he was rejected.

No one dared to reject him.

“If that’s the case, is there anything else you need?” Chen Xiaobei shrugged and asked.

yes, I heard from Xuan Ling that you two have formed an alliance in private!

“I’m very supportive of your Alliance,” the Supreme holy ancestor said in a deep voice. “Besides, I happen to have an important task for Xuan Ling!” With your help, the mission will be much smoother!”

“Oh?”

Chen Xiaobei looked at mie xuanling curiously.

However, mie xuanling shook his head in confusion. Clearly, he had no idea about this mission.

Chen Xiaobei narrowed his eyes. He knew that this must be the Holy extermination Supreme divine ancestor's plan. In fact, Chen Xiaobei had already sensed that there was a conspiracy.

Chen Xiaobei was now even more certain that the Holy extermination Supreme divine ancestor was up to no good.

With Chen Xiaobei's intelligence, he had already guessed that the Supreme holy ancestor's target was the chaos Blood Sword.

After all, Chen Xiaobei's cultivation was not high. He had many trump cards but he had not revealed them all. So, to the Supreme holy ancestor, only the chaos Blood Sword could pique his interest!

"I haven't told Xuan Ling about this mission yet because I just thought of it!"

"You must have noticed the Jade talisman in mie xuanyu's hand, right!! the Supreme holy ancestor asked in! deep voice. That was the Supreme holy ancestor-level Dharma Treasure of the No-Saint tribe. It could be said to be a very, very important thing! It should have belonged to the Supreme holy ancestor, but it was now in mie xuanyu's hands! This is very abnormal!"

"You mean to say ..."

Chen Xiaobei was surprised. you suspect that there's a special relationship between the profound Sage Supreme divine ancestor and the Supreme divine ancestor? "

"That's right!"

"According to what I know, the No saint tribe has been in close contact with the sky burying Yuan sacred tribe in secret recently. They seem to be plotting something terrifying!"

sky burying Yuan sacred clan!? Chen Xiaobei's eyes turned serious.

"That's right!"

The Supreme holy ancestor nodded and said, it is precisely because of the unstable factor of the sky-burier Yuan sacred clan that I must figure out the relationship between the profound Sage clan and the No-Saint clan!

"Because you know that the Holy extermination clan and the sky burial Yuan sacred clan have a huge feud! If the profound Sage Tribe and the non-Sage Tribe had a hidden relationship! In that case, the profound Sage clan might also be related to the sky-burier Yuan sacred clan!"

if that's the case, there's a high chance that we'll fall into the trap of the sky burial Yuan sacred clan if we form an alliance with the profound Sage clan!

He had to say! Although the Supreme holy ancestor had other plans, his words were reasonable.

If the link between the No-Saint tribe and the profound Sage Tribe was the sky burying Yuan sacred tribe ...

In that case, the profound Sage Tribe coming to form an alliance with the Holy extermination tribe could really be a huge conspiracy.

Therefore, it was necessary for the Supreme Holy extermination to find out everything.

this is an emergency. I can set off immediately to the territory of the No saint tribe to investigate! Mie xuanling didn't think much of it. The moment she heard that the Holy extermination clan might be in danger, her fighting spirit was ignited.

For the safety and interests of the entire clan, mie xuanling had always been willing to bow and die before others!

This time would naturally be no exception.

"Well, now it's up to you if the northern profound divine ancestor is willing to go with you!" The Supreme holy ancestor narrowed his eyes and looked at Chen Xiaobei.

"I'm willing to go!"

Chen Xiaobei nodded. to be honest, I have some enmity with the sky-burier Yuan sacred clan. So, I'm interested in their every move? "

"Oh? So the North profound divine ancestor also has a grudge against the sky burying Yuan sacred clan?"

Upon hearing this, the Supreme holy ancestor rolled his eyes and asked tentatively,"In that case, with the North Mystic Divine ancestor's background, he should have the power to take revenge! Why did you let the sky burial Yuan sacred clan continue to get away with it?"

It was clear that the Supreme holy ancestor was very smart.

The question might seem like an ordinary question, but it was actually a test of Chen Xiaobei's background.

The reason why the Holy extermination Supreme divine ancestor had not attacked Chen Xiaobei was because he was afraid of Chen Xiaobei's background.

The logic was simple. If Chen Xiaobei really had the backing of a power that was above the Supreme divine ancestor, Chen Xiaobei should go straight to the sky burial origin divine clan for revenge.

On the other hand, the reason why Chen Xiaobei could not get his revenge was probably because the power behind him was not above the Supreme divine ancestor.

If Chen Xiaobei made the wrong call, the Supreme holy ancestor might turn on him and snatch the chaos Blood Sword.

"Of course I have the ability to take revenge!"

Chen Xiaobei had been on guard against the Holy extermination's Supreme divine ancestor, and now he could see right through the Holy extermination's mind.

"It's just that my master told me to train myself, so he won't take action unless it's a critical moment!" Otherwise, the sky burial Yuan sacred clan would have been completely destroyed by my master!"

"Heavens ..."

The Supreme holy ancestor sucked in a breath of cold air, his pupils constricting and his eyes trembling. Even his heart began to tighten.

may! ask who the master of the northern Mystic Divine ancestor is! ” he asked! embarrassed! who is he! ” I wonder if I’ll have the opportunity to pay my respects to him?”

As soon as he said that, mie xuanling became even more nervous! Her pretty face was filled with solemnness!
