Chapter 4671: duping!

It was obvious that this matter had a deep connection with the sky burial Yuan sacred clan. If it was not handled well, it would cause a huge change and cause uncontrollable changes.

For this reason, mie xuanling became nervous and even filled with great anxiety.

There was nothing mie xuanling could do in this situation. She could only pin all her hopes on Chen Xiaobei.

“Don’t worry, to me, this is a very simple matter.”

Chen Xiaobei shrugged. He was as calm as ever, as if he had everything under control.

“You ... You’re amazing ...”

Mie xuanling gulped and looked at Chen Xiaobei with admiration and respect.

“Alright, let’s find a safe place and see how I’ll break out of this!”

Chen Xiaobei raised his eyebrows, looking very confident.

Very quickly, the two of them retreated to a corner with no one around.

Chen Xiaobei then took out a communication rune.

There was no mistake!

This communication rune belonged to the origin Dao divine ancestor!

It would be extremely difficult for others to find out the secret of the sky burying Yuan sacred clan!

However, the origin Dao divine ancestor was the young master of the sky burying Yuan sacred clan and was deeply trusted and valued by the Supreme Saint ancestor! If he wanted to find out some secrets, he would have a natural advantage! Coupled with Chen Xiaobei’s great trickery, things would be smooth sailing!

[origin divine ancestor (Chen Xiaobei): Supreme divine ancestor, are you there?] There’s an urgent matter that I need to consult you about!

[Saint burial’s Supreme Saint ancestor: present!] What was it?

The Supreme Saint ancestor of the Saint burial sect replied almost instantly!

From this, it could be seen that the Saint burial’s Supreme divine ancestor wasn’t busy at all. He was definitely still outside the birthplace of the Saint pan clan!

This was in line with Chen Xiaobei’s previous guess! To the Supreme Saint ancestor of the Saint burial tribe, the temptation of the one-word Saint destroyer curse far exceeded the benefits of attacking the Saint extermination clan! This was why the Saint burial’s Supreme Saint ancestor was still there and would never leave!

Of course, the Supreme Saint ancestor of the Saint burial sect valued the one-word Saint destroyer curse more, but that didn't mean he didn't care about the interests of the Saint extermination clan!

It was obvious that the Holy life tribe had gathered all their troops under the orders of the Saint burial's Supreme Saint ancestor!

Most of the benefits that the Holy life tribe could take would eventually end up in the pockets of the Saint burial tribe's Supreme Saint ancestor!

From this, it could be seen that the Saint burial's Supreme sacred ancestor was extremely greedy and wouldn't let either side off! He wanted to eat them all!

In fact, this was also the reason why the middle and bottom ranks of the Holy life tribe were unwilling to fight. If they fought with their lives on the line, the ultimate benefits would all go to the Saint ancestor!

Most importantly, the middle and bottom ranks of the life Saint clan knew very well that the sky burying Yuan sacred clan had always been their true enemy!

The benefits that they had fought so hard for were all given to their enemies!

Who would be willing to fight such a war?

The origin divine ancestor (Chen Xiaobei) said, "there's a problem with my ultimate opportunity again!

"What's the question?" the Supreme Saint ancestor of the Saint burial asked.

[origin divine ancestor (Chen Xiaobei): I've encountered a very strong opponent!] His cultivation base had reached the peak of Nine Star divine ancestor!

[Saint burial's Supreme Saint ancestor: so what?] Didn't I give you three great burial heaven's mysterious immeasurable talismans last time? Taking out two cards to attack was enough for you to defeat your opponent! Or have you already used up all the talismans?

The origin divine ancestor (Chen Xiaobei): This opponent is very special, I can't kill him! He had to be captured alive, and he had to be under one hundred percent control!

[100% control?] Why?

[origin divine ancestor (Chen Xiaobei): because his ability is very special. It will be of great help to my mission later!] If I kill him, my mission will fail completely!

[Saint burial's Supreme Saint ancestor: I see!] This Lord can help you solve this problem!

The origin divine ancestor (Chen Xiaobei) said, "Then I'll thank you!

"Don't worry!" The Supreme Saint ancestor of the Saint burial said. I also have some questions that I would like you to answer!

Obviously, the Saint burial's Supreme divine ancestor was so shrewd and greedy that he wouldn't make a loss! If there were no benefits, he would definitely not help others, even if this person was the young master of the entire clan that he had chosen himself!

[origin divine ancestor (Chen Xiaobei): what questions do you have? just ask. I'll tell you everything I know!]

[Supreme Saint ancestor: I've studied the one-word Saint destroyer curse you gave me last time, and there are a few things I don't quite understand!]

The origin divine ancestor (Chen Xiaobei) thought! how ... How is this possible? You're so talented and wise, how could you not understand? All the problems would be solved if he cultivated according to the instructions!

Chen Xiaobei had been flattering the Saint burial's Supreme divine ancestor.

If he was a reckless person, he might really practice according to the instructions on impulse.

However, the Supreme Saint ancestor was still calm.

[Saint burial's Supreme Saint ancestor: I don't think we should cultivate it rashly!]

The origin divine ancestor (Chen Xiaobei): " w-why?!

Chen Xiaobei's heart skipped a beat. Could it be that the Supreme divine ancestor had noticed something?

Impossible!

Even though the one-word Saint-Killing Curse that Chen Xiaobei gave the Supreme Saint ancestor was fake!

However, to be exact, it should be 90% true and 10% false.

This was because Chen Xiaobei had modified a few details from the foundation of the true one word Saint destroyer incantation. On the whole, it looked no different from the real one.

Even old Feng, who could almost recite the one-word Saint-killer curse backwards, could not find any flaws in it and fell for Chen Xiaobei's trick.

Therefore, it was reasonable to say that the Saint burial's Supreme Saint ancestor shouldn't have been able to see through the flaw!

[Saint ancestor burial: because I think that this is an opportunity given to you by the Saint turtle. If I cultivate it rashly, will the Saint turtle be angry?] Will the Saint turtle's master punish me?

The origin divine ancestor (Chen Xiaobei): Just this?

Chen Xiaobei almost burst out laughing.

He had thought that the Supreme divine ancestor of the Saint burial chamber had seen through Chen Xiaobei's plan.

He had never expected that the reason why the Supreme sacred ancestor of Saint burial didn't dare to cultivate it was because he was afraid of nine hearts turtle ancestor and myriad Dao ancestor!

Of course, this was actually very normal.

After all, the Saint burial's Supreme Saint ancestor had been a lowly slave at the very beginning. He had only been able to achieve what he had today because of the two opportunities that the nine heart turtle ancestor had brought him.

It was precisely because of this that the Saint burial's Supreme sacred ancestor had great respect for the nine hearts turtle ancestor from the beginning!

The master that nine heart turtle ancestor had mentioned was an absolutely Supreme and terrifying existence that could not be offended.

Of course, the Saint burial's Supreme Saint ancestor had his reservations. He was afraid of offending an existence he couldn't afford to offend!

The origin divine ancestor (Chen Xiaobei): I've asked master nine hearts turtle ancestor! The one word Saint-slaying curse can make me cultivate it with trust! I trust you very much, so you just have to practice! If there's a problem, I'll take responsibility!

[Red Envelope Group of the Three Realms](#)

Chapter 4672: Playing in the human world!

4672 Playing in the human world!

[Saint burial's Supreme Saint ancestor: Are you sure?] If he angered the turtle ancestor, he might bring about a disaster!

The origin divine ancestor (Chen Xiaobei) replied, "I'm sure!" Why are you so afraid of the nine hearts turtle ancestor? In fact, I feel that it's not bad after getting along with it!

[Saint burial's Supreme Saint ancestor: that's probably because you've never felt its terrifying aura before!] The first time I saw it, it left a huge psychological shadow in my heart. I felt that it was an existence that I could not offend in my life!

psychological trauma?!

Chen Xiaobei exclaimed, " could it be that the Supreme Saint ancestor of Saint burial has been turned into a loyal dog by nine hearts turtle ancestor?!

The way the elder of ten thousand DAOs controlled others was the same as Chen Xiaobei's divine path of heart and soul. It was to leave a shadow in others 'hearts.

Only when the mind of the person being controlled was stronger than that of the ancestor of all DAOs and Chen Xiaobei could he break free from the shadow in his heart and regain his freedom.

However, judging from the Supreme sacred ancestor's reaction, he probably didn't know that he was being controlled.

However, the Saint burial's Supreme sacred ancestor was terrified of the nine hearts turtle ancestor, and he didn't dare to offend him. In addition, he was completely obedient. This was already a 100% submission!

More importantly, it was almost impossible for the Supreme sacred ancestor to break through the psychological shadow in his current state!

Therefore, it wasn't wrong to say that Saint burial was the loyal dog of the nine hearts turtle ancestor!

Of course, nine hearts turtle ancestor was different from the other loyal dogs. He didn't have any restrictions on Saint burial's Supreme sacred ancestor. He allowed Saint burial to develop as he pleased!

It was because of this absolute freedom that the Saint burial's Supreme sacred ancestor didn't know he was being controlled!

Chen Xiaobei suddenly had a bold idea.

"The Saint burying Supreme Saint ancestor should also be a chess piece in the myriad Dao ancestor's plan!"

'Although the nine hearts turtle ancestor has never bothered to bury the Holy and Supreme Holy ancestors, I'm still worried about them when the time comes! The nine hearts turtle ancestor would step out and interfere with the actions of the Saint burial's Supreme Saint ancestor! At that time, the situation of the world will completely move in the direction of the ancestor of all Dao's plan!"

Once again, Chen Xiaobei felt the power of the ancestor of all DAOs.

First of all, Chen Xiaobei had fallen into a trap. From the looks of it, if Chen Xiaobei wanted to save the Saint pan family, he would need to gather nine 10000 Saint souls and cultivate the highest level of one word Saint destroyer incantation! In this way, the ancestor of all DAOs would inevitably return to the world!

Chen Xiaobei then realized that the Saint-burying Supreme divine ancestor might also be a pawn of the ancestor of all DAOs!

This meant that even if Chen Xiaobei's plan failed, the ancestor of all DAOs still had other ways to return to the world.

To put it bluntly, almost everything in this world was within the calculations of the ancestor of ten thousand DAOs.

When the ancestor of all DAOs died and became nine Saint souls, he experienced different lives as nine people. In fact, he was just playing around in the human world.

To the ancestor of all DAOs, this was just a game! With the world as the chessboard, and all living beings as the chess pieces!

The only difference was how to make it more interesting!

Perhaps it would be more interesting for Chen Xiaobei to look for the nine 10000-Daoist Saint souls, and it would be faster for nine hearts turtle ancestor to intervene!

In addition to these two options, the ancestor of ten thousand DAOs might have a third, fourth, and countless other plans!

It was not an exaggeration to say that no matter how the game played out, the myriad Dao ancestor would be the final winner!

Chen Xiaobei could not help but feel despair.

Of course, this was only a small part of his despair. Because of some of his previous encounters, he had found the key to breaking out of this situation!

Among them, the most important one was the ten thousand Supreme domains behind the spatial wall that the Saint pan axe had pierced through!

If he were to speculate according to the model of the Supreme domain!

There should be a Supreme Holy Meridian in the ten thousand Dao Supreme domain, and all the Holy meridians and spirit meridians in the world originated from that Supreme Holy Meridian!

In other words, all the living things in this world were providing the ancestor of all DAOs with the power of the saintly way!

Let's assume that all this is true!

As long as Chen Xiaobei could cut it off and use it, he might be able to break through to the highest level of power!

By then, the situation would be completely different!

Of course, all of this was still in the stage of speculation!

The answer would only be revealed when Chen Xiaobei pulled out the Saint pan axe and went to the ten thousand DAOs Supreme domain!

[origin divine ancestor (Chen Xiaobei): you don't have to be traumatized!] Believe me! Just follow the cultivation technique I'm giving you! The nine hearts turtle ancestor will not blame you! After all, there were already people who knew how to use the one word Saint destroyer curse before you and I!

"That's true!" The Supreme Saint ancestor of the Saint burial said. It seems that I'm overthinking it ... In that case, I have nothing to worry about!

The origin divine ancestor (Chen Xiaobei): "uh ... Then can you help me with the help I need?"

"Hmm ... This might be a little troublesome!" The Supreme Saint ancestor of the Saint burial sect thought.

The origin divine ancestor (Chen Xiaobei):

[Supreme Saint ancestor: because the person you're controlling has reached the peak of the nine Star Saint ancestor realm!] Ordinary methods could no longer control him! He had to use the elixir of life!

"Water of life?" the origin divine ancestor (Chen Xiaobei) asked. What was that thing?

[the Saint burial Supreme Saint ancestor is the Holy object of the origin of the Holy life clan!] Hidden in their origin source grounds!

The origin divine ancestor (Chen Xiaobei): " aren't the Holy life tribe our puppets? " You just need to give them an order and they'll definitely be willing to give it to me!

[Saint burial's Supreme Saint ancestor: it's not difficult to give an order!] The main reason was that the elixir of life required countless years to gather! I've used up all the elixir of life. I wonder if I've gathered a new one?

It was clear that the Supreme Saint ancestor of the Saint burial tribe had used the water of life to control the core upper echelons of the Holy life tribe.

As such, all the life potion he had was used up.

If the elixir of life was unlimited, the entire holy life tribe would have been under his control.

"Saint burial's Supreme Saint ancestor: You go there personally! I've spoken to the life saint's Supreme Saint ancestor, and I'll take you there! If there's any elixir of life, you can take one drop for yourself! Leave the rest for this Lord!

[origin divine ancestor (Chen Xiaobei): one drop is enough?!]

"Of course!" The Supreme Saint ancestor of the Saint burial sect replied. The elixir of life was a Supreme existence on the level of a sacred ancestor!

The origin divine ancestor (Chen Xiaobei): Then I'll go over now!

"Wait!" The Saint burial's Supreme Saint ancestor shouted. I haven't even told you how to use it yet. Even if you get the elixir of life, it won't have any effect!

[Red Envelope Group of the Three Realms](#)

Chapter 4673: confirmation!

The origin divine ancestor (Chen Xiaobei): " yes, I was too excited. Go ahead, I'm listening!

[Supreme sacred ancestor: after you obtain a drop of the elixir of life, you'll need to use it with a secret medicine I've developed. Then, you'll be able to control your opponent's life from the source of their life, and you'll be able to control their life and death!]

The origin divine ancestor (Chen Xiaobei) said, " Please send me a red packet of that secret medicine!

[No... I don't have any more of this secret medicine. If you want it, you'll have to make it yourself!] I can send you the formula!

"What the!! ck! How!! cking stingy! You won't even give me a single finished product, and you want me to concoct it myself?"

Chen Xiaobei could not help but curse.

It had to be said that the Saint burial's Supreme Saint ancestor was simply too greedy.

Even such a small matter had to be carefully calculated.

It was not an overstatement to say that if Chen Xiaobei wanted to get some actual benefits from burying the Supreme divine ancestor, he would have to pay something in return.

For example, the last time Chen Xiaobei gave him the one-word Saint-killer curse, he only got three talismans in return.

This time, Chen Xiaobei did not give them anything. He had only resolved some of the Saint-burying's concerns, so Chen Xiaobei could forget about getting anything!

The Saint burial's Supreme divine ancestor had only given Chen Xiaobei one prescription. Whether he could come up with it or not would depend on Chen Xiaobei's own abilities!

Chen Xiaobei was right to scold him for being stingy!

However! After thinking about it carefully, the reason why the Saint burial's Supreme sacred ancestor was so stingy might have something to do with his original identity!

The Saint burial's Supreme Saint ancestor had been a lowly slave in his early days. He had been poor and had nothing at all. At that time, he had to be very careful with his food, let alone resources!

It was precisely because of this that the Saint burial's Supreme Saint ancestor had developed such a personality!

Even though he was already an utmost being, he was still unable to free himself from the shadow of a slave!

It was quite sad to think about it!

[origin divine ancestor (Chen Xiaobei): alright, give me the prescription. I'll figure out the rest on my own!]

[Saint burial's Supreme Saint ancestor: en, I'll send it to you now.]

After that, the Supreme divine ancestor sent the recipe to Chen Xiaobei.

Chen Xiaobei took a quick look and frowned. they're all high-grade medicinal herbs. Furthermore, each of them is extremely rare and almost impossible to find!

"Fortunately, I don't need to concoct this secret medicine. I only need to concoct the antidote! There are many different recipes for antidotes, so this is not a problem for me!"

It was obvious that Chen Xiaobei had a strong learning ability!

Through the prescription of the Saint-burying Supreme Saint ancestor, he would be able to completely learn the principles of medicine!

The Saint burial's Supreme Saint ancestor had also said that this secret medicine, when combined with the water of life, could control people from their source!

This way, Chen Xiaobei only needed to reverse-think according to the prescription and remove the control from the source of life. Then, he would be able to free the higher-ups of the Holy life tribe!

His learning ability allowed Chen Xiaobei to quickly understand the secret Medicine's principles. Then, he drew inferences and drew up a set of antidote recipes!

Chen Xiaobei had also substituted the herbs required for the antidote.

For example, he could use a few low-grade medicinal herbs to replace a high-grade rare medicinal herb, or he could use different medicinal herbs and control the fire during the preparation to produce the same medicinal effect.

All in all, the antidote that Chen Xiaobei had created was not only effective, but it was also cheap and the quality of the herbs needed was greatly reduced!

Even though it was not easy for Chen Xiaobei to find these low-level herbs, he now had a super backup. It was very, very easy for him to find these herbs!

After that, Chen Xiaobei contacted the Supreme holy ancestor!

He then told the Supreme holy ancestor the types and quantities of herbs he needed!

On the other hand, the Holy extermination Supreme divine ancestor had entered his Supreme treasure vault and easily gathered all the herbs Chen Xiaobei needed!

In fact, with the Holy extermination's resources, even if Chen Xiaobei needed some rare and high-grade herbs, the Holy extermination's Supreme holy ancestor would most likely be able to help Chen Xiaobei find them!

However, there was no need for that.

After that, Chen Xiaobei taught the function of the red packet to the Holy extermination Supreme divine ancestor.

After that, the Holy extermination Supreme holy ancestor stuffed all the herbs into a red envelope and sent it to Chen Xiaobei.

.....

The process of concocting the medicine was naturally extremely smooth.

Chen Xiaobei's action was not surprising at all. Very quickly, the perfect antidote was concocted.

"Xuan Ling! The next operation will be up to you!"

Then, Chen Xiaobei's eyes turned to mie xuanling.

"Watch me!"

Mie xuanling's expression froze for a moment, and he was very surprised. I ... What can I do for you?!

"I need you to spread this powder on the Holy extermination clan's higher-ups!" It would be best if he sprinkled it on the life saint's body first! This way, we can completely stabilize the situation!"

"I understand!"

Mie xuanling nodded, but he was still a little hesitant. "But I'm not familiar with the Holy life tribe. I don't know who I can transform into to get close to the Holy life Supreme divine ancestor!"

Mie xuanling knew what Chen Xiaobei was trying to do.

He wanted to use miexuan Ling's innate Holy body to create a clone that even the Supreme divine ancestor would not be able to see through. Then, he could get close to the Holy life Supreme divine ancestor and sprinkle Chen Xiaobei's antidote on him!

After all, Chen Xiaobei's cultivation was too low. Even if he transformed into a demonic body made of purple Qi, the Supreme divine ancestor would still be able to detect him!

Therefore, it was most appropriate to leave this matter to mie xuanling!

"As for who you should turn into, you can ask the Supreme holy ancestor! He should be very clear about this!"

but, I'm worried that the person you've turned into might be right next to the life Saint and the Supreme divine ancestor! Chen Xiaobei said. then, we'll be exposed! Your life will be in danger!"

"No rush! I'll ask first!" Mie xuanling composed himself and asked the Supreme holy ancestor.

He got the answer very quickly!

yes," mie xuanling said. master suggested that I use my clone to become the ninth elder of the Holy life tribe!

"Why is that?" Chen Xiaobei was very cautious. He had to ask clearly before he could decide whether to take action.

"That's because the ninth elder of the Holy life clan is the number one genius and the number one think tank of the clan!" He's highly valued by the life saint's paramount divine ancestor, and every time he has an important decision, he'll discuss it with the nine core elders!"

"Sure!"

alright! Chen Xiaobei nodded. since we've locked onto the target! What we need to do now is to confirm if the target is with the life saint's paramount divine ancestor!"

"How ... How can we confirm this? Mie xuanling was stunned and confused.

[Red Envelope Group of the Three Realms](#)

Chapter 4674: holding back?

I can't do anything about it. I can only solve it in a simple and crude way!

Chen Xiaobei shrugged and said.

"Simple and crude? What are you doing?" Mie xuanling was stunned and immediately became nervous.

"Don't be nervous, I'm just going to ask around." Chen Xiaobei smiled evilly and walked towards the crowd.

"Bastard! You actually played me!" Mie xuanling glared at Chen Xiaobei, thinking that Chen Xiaobei was going to cause a scene. She had worried for nothing.

"Uncle, I want to ask you something!" Chen Xiaobei found an honest-looking uncle on the side of the road and said.

what's the matter?! The middle-aged man looked at Chen Xiaobei with a strange expression.

"I want to know where the ninth core elder is now."

ninth elder!?

"He's definitely with our race's Supreme holy ancestor right now!" The middle-aged man replied without even thinking. They were about to launch an all-out war against the Holy extermination clan! At this time, they must be studying a specific war strategy!"

Both Chen Xiaobei and mie xuanling's expressions changed.

As expected, the situation that he least wanted to see had happened.

If the ninth core elder stayed by the life Holy Supreme divine ancestor's side the entire time, then mie xuanling's clone would never be able to get close to the life Holy Supreme divine ancestor.

In this way, the entire process of breaking out of the situation would be completely obstructed, and he would be unable to continue.

why are you looking for my father!?

However, at this moment, a very charming voice came from not far away.

As soon as this was said, the middle-aged man immediately knelt down in front of the speaker. His attitude was very pious and full of fear.

Clearly, they did not come with good intentions!

Chen Xiaobei and mie xuanling turned to look.

The person walking towards them was a plump woman in luxurious clothes.

This woman was surrounded by a large group of followers. It was a very Grand display. It was clear that this woman's identity was extraordinary.

Of course, the main point was that there was a skinny old man beside her. He was probably her personal guard. He radiated with a dense baleful Yin Qi, which was in great contrast to the vital Qi of the life Saint tribe.

From this woman's words, one could tell that she was the daughter of the Holy life tribe's ninth core elder, Sheng tingfang!

"Oh ..."

Chen Xiaobei then said, "I admire your father very much. I heard that a war is about to break out, so I want to join his Army. I'm willing to be the vanguard general and work for him!"

"Heh, you have good taste! If you join my father's Army, your future will be boundless!"

Sheng tingfang raised her chin, her chubby face trembling, making her look extremely arrogant.

Of course, this was normal. After all, her father could be said to be the most popular person among the core upper echelons of the Holy life tribe.

With her father's power, she could naturally do whatever she wanted in the Holy life tribe's territory.

"If that's the case, how can I meet your father?"

Chen Xiaobei had started to plan. As long as he could lure the ninth elder out, annihilating xuanling would have a chance.

"You? A mere five-star divine ancestor wants to see my father? You're thinking too much!"

Sheng tingfang rolled her eyes and said in a bad mood, go to the nine universe Army's camp and find my father's subordinates. Take the position of Deputy general of a small team!

Obviously, this Sheng tingfang was a haughty and arrogant person.

Chen Xiaobei and mie xuanling had both used the secret skill of the fake mirror to disguise their cultivation as early five-star divine ancestor.

So, at this moment, Sheng tingfang did not care about Chen Xiaobei and mie xuanling at all. She could send Chen Xiaobei away with just a few words and would never let Chen Xiaobei see the ninth core elder!

Hearing this, mie xuanling couldn't help frowning and her beautiful eyes were full of anxiety.

"Wait a moment!"

At this crucial moment, Chen Xiaobei stood up and said, "Actually, I've hidden my true cultivation!"

"Oh?"

Sheng tingfang squinted her eyes and looked Chen Xiaobei up and down. Once again, she confirmed that Chen Xiaobei's cultivation was indeed at the early stage of five star divine ancestor!

Then, Sheng tingfang looked at the old man beside her.

"Sacred ancestor withered glory, can you take a look at this kid's cultivation base?"

Obviously, Sheng tingfang's own cultivation base was not high, so she was not sure if what she saw was real.

The old man known as sacred ancestor withered glory was clearly an expert with extremely high cultivation. He definitely wouldn't make a mistake.

"Miss, you're right! This kid is an early-stage five-star divine ancestor!" Sacred ancestor withered glory squinted his eyes. His emaciated face looked like a skeleton, and he was covered in a layer of yellowish-brown wrinkly skin, which made him look quite strange.

"Hmph! Little brat! You obviously didn't hide your cultivation, yet you still dare to lie to me! Do you think I'm an idiot?" Sheng tingfang was extremely angry. Her chubby face puffed up, and her eyes were so wide that they looked like they were about to spit fire.

As soon as she said this, the followers around Sheng tingfang began to rub their fists and wipe their palms, some even burning with battle intent.

Clearly, this was a group of loyal dogs that protected their master!

As long as Sheng tingfang gave the order, they would pounce on Chen Xiaobei and bite him!

“What’s the hurry?”

However, Chen Xiaobei said calmly, “ if my cultivation realm is higher than this old man’s, then isn’t it normal that he can’t see through it?!

you’re bullshitting!!!

“Sacred ancestor withered glory’s cultivation base has reached the peak of a seven-star divine ancestor!” Sheng tingfang roared. Are you an eight-star divine ancestor? If you’re really an eight star divine ancestor, you’ll be able to enter the core upper echelons and follow the Supreme divine ancestor! Why do you still want to serve my father? Only a fool would believe your nonsense!”

“I’m telling the truth.”

In this situation, Chen Xiaobei shrugged and said, “ “My cultivation level is indeed higher than this old man’s!”

“Little brat! How dare you underestimate me! Do you want to die?” Sacred ancestor withered glory’s face immediately darkened.

Originally, the withered glory divine ancestor’s attitude towards Chen Xiaobei was extremely disdainful. He even regarded Chen Xiaobei as an ant.

However, at this moment, this tiny ant dared to speak such arrogant words!

In an instant, wilted’s disdainful attitude turned into anger!

One could clearly feel a gloomy and cold murderous aura sweeping out directly, accompanied by an extremely terrifying pressure. It made Sheng tingfang and all her followers ‘hearts palpitate with fear, and their faces changed drastically. They even found it difficult to breathe!

There was no mistake!

This was the aura of a peak Seven Star divine ancestor. It could be said to be extremely terrifying!

However!

In front of Chen Xiaobei and mie xuanling, it was just a joke.

Chen Xiaobei even said, “ “Old man, are you holding back your fart? My face is red!”

[Red Envelope Group of the Three Realms](#)

Chapter 4675: verification!

what???

Sacred ancestor withered and glory almost spat out a mouthful of blood.

He was only releasing his aura with all his might! You’re the one who’s f * cking holding back! Your whole family is holding back their farts!

At the same time, the surrounding people were stunned for a few seconds before they exclaimed in shock.

“You little brat! You’re simply tired of living! How dare he provoke and humiliate the sacred ancestor! He was really courting death! You’re courting death!”

“Is there a hole in this little bastard’s brain? Was he really tired of living? He definitely didn’t know how terrifying sacred ancestor withered glory was! I definitely won’t let him die so easily!”

“You’re right! Sacred ancestor withered glory was one of the most powerful experts under the core leadership! Moreover, the great curse of life and death could make people suffer a fate worse than death! I won’t let that brat off so easily!”

“Without a doubt! That brat will definitely regret every single word he said!”

.....

All of a sudden, everyone started to curse Chen Xiaobei as if he had made a grave mistake. It was not enough to just die, but to suffer endless torture, as if he could neither live nor die!

“Sacred ancestor withered glory! If you want to make a move, you don’t have to hold back!”

Sheng tingfang directly said in a cold voice, “Although you can’t fight in this area, I can give you this privilege!”

Obviously, Sheng tingfang did not like Chen Xiaobei. She could not wait to see Chen Xiaobei being tortured and crying miserably.

“Little brat! You asked for it!”

Without another word, the forefather closed in on Chen Xiaobei.

“Whoosh ...”

Chen Xiaobei activated the secret skill of the fake mirror and disguised his cultivation as an eight-star divine ancestor.

In an instant, everyone was shocked!

how ... How is this possible?!

Sacred ancestor withered glory was dumbfounded. He stopped in his tracks and froze on the spot as if he had been hit by a petrification spell.

Sheng tingfang’s chubby face trembled as she exclaimed, “That ... That kid’s Saint Qi seems to have changed! I can’t see through his cultivation level at all!”

Just now, Sheng tingfang could tell that Chen Xiaobei was a five-star divine ancestor.

But now, she could no longer see through her. This meant that Chen Xiaobei’s cultivation had far surpassed hers.

Of course, it was only a fake realm.

Sacred ancestor withered and glory immediately exclaimed, this ... This brat has really reached the eight-star divine ancestor realm!

this ... How is this possible???

As soon as these words were spoken, Sheng tingfang and all of her followers had incredulous expressions on their faces. They simply couldn't believe their ears.

! moment ago, when Chen Xiaobei said that his cultivation level was higher than the sacred ancestor, Sheng tingfang and the rest of the followers thought that Chen Xiaobei was an idiot who was trying to brag. They thought that Chen Xiaobei was provoking the sacred ancestor and was courting death!

But now, Chen Xiaobei had really displayed the power of an eight star divine ancestor! This result was like an extremely loud slap, directly and ruthlessly slapping everyone's faces!

The more ruthlessly they had mocked and cursed, the louder this slap was!

There was no mistake!

This was the power of the fake realm! It could deceive anyone below the Saint ancestor level!

Of course, to put it bluntly, this was just a smokescreen. Sometimes, it might not be effective against experienced martial artists!

"Wait a moment!"

Sacred ancestor withered immediately composed himself and said solemnly, "This kid is so young. How can he reach the level of an eight star divine ancestor? Even if he was a genius, he should have entered the core upper echelons of a Supreme clan long ago! How could he still be a nameless, ordinary person?"

The forefather could sense Chen Xiaobei's cultivation level and could not see any flaws.

However, from a logical point of view, Chen Xiaobei's cultivation level was his biggest flaw!

That was why sacred ancestor withered glory immediately raised his doubts! He would not believe Chen Xiaobei so easily!

"Sacred ancestor withered glory is right!"

Sheng tingfang also immediately came to a realization, "I've heard my father say before that there are many smokescreens in the world! Sometimes, even if one saw it with their own eyes or heard it with their own ears, it might not be true! We have to verify it!"

It was obvious that sacred ancestor withered glory and Sheng tingfang were no ordinary people. They had a very deep foundation.

He had seen through Chen Xiaobei's plan.

Of course, if this was a scheme by an ordinary person, then it would be a complete failure after being seen through!

But now, Chen Xiaobei was the mastermind behind this plan. That was a completely different story!

This was because if an ordinary person's scheme was seen through, they would have no choice but to give up!

However, Chen Xiaobei had countless ways to remedy the situation!

In fact, Chen Xiaobei did not even need to do it himself!

"Then let's verify it!"

Mie xuanling took a step forward and adopted a domineering stance.

Clearly, Chen Xiaobei was using the fake mirror to disguise his high cultivation, while mie xuanling was using the fake mirror to disguise her low cultivation!

Mie xuanling's true cultivation realm had already reached the early stage of Nine Star divine ancestor!

No matter how the other party verified it, there would definitely be no problem!

"I'll do it!"

Suddenly, Chen Xiaobei walked up to mie xuanling and said, "How do you want to verify it? just come over directly!"

"This ..."

Mie xuanling's expression froze for a moment, and his face was filled with surprise.

Clearly, mie xuanling's understanding of Chen Xiaobei was limited to the time when Chen Xiaobei fought with mie xuanyu on Mount Saint destruction.

Therefore, in mie xuanling's eyes, Chen Xiaobei's cultivation was only at the pinnacle of a four-star divine ancestor, and the trump card in Chen Xiaobei's hand could only take on an early-stage six-star divine ancestor.

So, mie xuanling could not understand why Chen Xiaobei would stand out and accept the test.

If Chen Xiaobei did not have the power of an eight-star divine ancestor, then his cover would be blown!

At that time, there would really be no way to remedy the situation!

"Don't worry, leave it to me!"

However, Chen Xiaobei only smiled, as if everything was under his control.

"This ..."

Mie xuanling could not imagine what Chen Xiaobei was going to do, but she was willing to believe in Chen Xiaobei!

Because now, not only miexuan spirit, but the entire Holy extermination clan had to believe in Chen Xiaobei. They could only believe in Chen Xiaobei!

"Come on! Old man! How do you want to verify it?" Chen Xiaobei asked.

it's very simple. You can prove your strength by directly attacking! Sacred ancestor withered glory said indifferently.

what? " Chen Xiaobei laughed. do you think you'll be able to live if I attack? "

Red Envelope Group of the Three Realms

Chapter 4676: intimidated!

"What!"

Chen Xiaobei's simple words made everyone's faces change. They could not believe their ears!

Especially mie xuanling.

In her eyes, Chen Xiaobei was no match for the forefather.

He could not understand why Chen Xiaobei would say something like that. Could it be that Chen Xiaobei was really courting death, just like what the man said? Was he seeking death?

"Whoosh ..."

Suddenly, Chen Xiaobei's calm and composed face turned into a terrifying aura.

In that instant, Chen Xiaobei's aura changed completely. He looked calm and relaxed, but in reality, he was like a world-shattering being that was about to be destroyed. It was as if he was the general of the end of the world. In an instant, the atmosphere in the entire space became gloomy and fierce. It was extremely terrifying!

"Hiss ..."

Suddenly, he gasped, and his expression changed.

His face was deathly pale, his pupils couldn't help but contract, his lips and teeth couldn't help but tremble, and cold sweat kept coming out of his forehead.

Of course, the change in expression was only the most superficial thing on the surface.

Deep down, sacred ancestor withered glory was hallucinating because of the terrifying pressure!

A Supreme sacred ancestor appeared in front of him, and sacred ancestor withered and glory immediately knelt down, trembling as if he was walking on thin ice. He didn't dare to show the slightest neglect!

However, at this moment, a giant hand descended from the sky and easily killed the Supreme Saint ancestor, turning him into dust and destroying him!

He could clearly sense a terrifying power from that hand that was far more powerful than any of the other sacred ancestors. It was a whole new realm! It was a peak that was beyond imagination!

In front of the hand, he felt like an ant.

He even felt that he could be crushed to death by that big hand at any time!

Oh no!

To be more precise, it was possible that he would be turned into ashes with a casual wave of that big hand! He didn't even need to pinch her!

Sacred ancestor withered glory was terrified by the illusion. His body and mind trembled violently, and he found it difficult to breathe. He felt like he was going to suffocate at any moment!

"Plop ..."

The fear in the depths of his soul quickly crushed his mental state.

He kneeled on the ground and looked up at Chen Xiaobei. His eyes were filled with desolation, and at the same time, they were filled with the most humble begging!

"Bang Bang Bang ... Bang Bang Bang ..."

At the same time, with Sheng tingfang in the lead, everyone else in the surroundings fell to the ground one after another.

Clearly, their mental state was not as strong as the withered glory holy ancestor's. Even if they were not the target of Chen Xiaobei's pressure, the mere aftereffects of his pressure were not something they could withstand.

Their mental states were quickly crushed. One by one, their eyes rolled back and they fell to the ground, unconscious. Some of them were foaming at the mouth, while some of them had wet their pants.

"What ... What a terrifying aura ..."

Standing behind Chen Xiaobei, mie xuanling was the one who was least affected by the pressure. However, she still felt that her state of mind had been greatly affected. It was very difficult for her to keep her mind calm.

For a moment, mie xuanling even felt that he might not be able to hold on any longer and his state of mind would collapse.

In mie xuanling's opinion, he wouldn't be able to withstand such a terrifying aura if he were in the same position as sacred ancestor withered glory.

One could only imagine how terrifying this kind of pressure was!

Miexuanling once again looked at Chen Xiaobei in a new light.

He did not expect that other than Chen Xiaobei's many powerful trump cards, his own aura could be this terrifying. In fact, it was even more powerful than his trump cards.

To mie xuanling, Chen Xiaobei's aura was strong enough to intimidate a peak holy ancestor!

However!

What mie xuanling did not know was that Chen Xiaobei was not even using his full power.

This was because sacred ancestor withered was not worthy of Chen Xiaobei's full strength.

If Chen Xiaobei released his most powerful ten-thousand-several-unparalleled pressure, he could even shock a peak divine ancestor when his opponent was not prepared for it.

If mie xuanling knew the truth, she would probably be scared silly.

“Chi ...”

Of course, Chen Xiaobei did not kill him.

Instead, he dispelled his aura after thoroughly intimidating the forefather.

“Thank you, senior ... Thank you, senior, for being magnanimous ... Thank you, senior, for not killing me ...”

Sacred ancestor withered glory took a deep breath and kowtowed to Chen Xiaobei. He was so grateful to Chen Xiaobei that he did not dare to offend him.

They did not dare to underestimate Chen Xiaobei anymore.

From that moment on, Chen Xiaobei had occupied a sacred and inviolable position in the eyes of the Holy forefather.

Even if Chen Xiaobei had disguised himself as an eight-star divine ancestor, the withered glory divine ancestor would have believed him. He would have treated Chen Xiaobei with the utmost respect and reverence.

“Alright, let’s cut the formalities!”

Chen Xiaobei waved his hand and asked, “ are you a middle-ranking member of the Holy life tribe?!”

yes ... sacred ancestor withered glory nodded. in our holy life clan, only those who have reached the eight star divine ancestor realm can enter the core upper echelon. I’m still a step away, so I’ve always been in the middle ...

“ if that’s the case, what do you think about the Holy life clan using their entire Army to attack the Holy extermination clan? ” Chen Xiaobei asked.

opinion!?

Sacred ancestor withered glory was dazed. He didn’t dare to answer, so he asked, “ “Why do you ask?”

It was obvious that the forefather did not know Chen Xiaobei’s identity. He was afraid that he would anger Chen Xiaobei if he spoke his mind, so he did not dare to say anything.

Chen Xiaobei shook his head and said, “ “You don’t need to know why I’m asking! Just say what’s in your heart!”

I ... I don’t dare to say what’s in my heart ... sacred ancestor withered glory gulped, trembling.

“As long as you tell me the truth, I promise I won’t make things difficult for you!” but, if you don’t tell me, or lie, don’t blame me for being merciless! Chen Xiaobei said.

“This ...”

what?! holy ancestor withered and glory gasped. He was so terrified that he did not dare to disobey Chen Xiaobei.

“I said! I’ll say ...”

Red Envelope Group of the Three Realms

Chapter 4677: smooth!

what I’m saying is that this war is completely reversed. Black and white can’t be distinguished. It’s a battle that goes against the will and interests of our race.

Sacred ancestor withered and glory’s heart skipped a beat. He didn’t dare lie and said in a sad voice, in fact, the middle and bottom-level members of our clan know very well that the sky burial Yuan sacred clan is our true enemy!

“For so many years, we’ve been bullied, exploited, humiliated, and tortured by the sky burial Yuan sacred clan! My hatred for the sky burying Yuan sacred clan is increasing by the day!”

“However, our race’s Supreme sacred ancestor was controlled by the Supreme sacred ancestor of the Saint burial tribe! We don’t have the ability to resist the sky burial Yuan sacred clan! He could only go against his conscience and acknowledge the thief as his father, becoming a dog raised by the Saint burial’s Supreme Saint ancestor!”

“Whoever the Saint burial’s Supreme Saint ancestor wants us to bite, we’ll bite! If they dared to resist, they would immediately face a disaster! Therefore, there’s nothing we can do except to be filled with grief and indignation. We can only accept it and obey ...”

“Just like this war, if possible, we will definitely change the target of our attack to the sky burial Yuan sacred clan! However, we can’t do that ... It’s too sad ...”

At this point, sacred ancestor withered glory’s face was filled with grief and shame! However, at the same time, it was filled with extreme helplessness and despair.

“Very good!”

alright! Chen Xiaobei nodded. since you have such a thought, I can entrust this mission to you without worry!

Chen Xiaobei had been carefully observing the expression on the forefather’s face. He could tell that he was not lying! Furthermore, his state of mind had just been subdued, so it was impossible for him to lie immediately!

Because of that, Chen Xiaobei decided to trust the Holy forefather and hand over the next mission to him!

After all, Chen Xiaobei’s divine path of the soul could not completely control a Seven Star divine ancestor!

Therefore, Chen Xiaobei could only use mental deterrence and psychological control to make sacred ancestor withered and glory work for him!

Of course, the main reason was that the Holy life tribe had a huge National feud, so it was more believable.

If it was someone from another faction, Chen Xiaobei would not have trusted them completely with just mental deterrence and psychological control.

“What mission do you want to give me? I ... I’m afraid I can’t do it well ...”

Sacred ancestor withered glory wasn’t stupid.

In his opinion, Chen Xiaobei was countless times more powerful than him. If Chen Xiaobei could not do it, how could he?

Because of this, sacred ancestor withered glory was very guilty and didn’t dare to accept the mission.

“Don’t worry! You must do this mission well!”

Chen Xiaobei looked at her and said, “Furthermore, if you complete this mission, you will be able to free your Supreme divine ancestor! I’ll let your life Saint tribe escape the control of the sky burial Yuan Saint tribe! When that time comes, you’ll be the great hero of the entire clan!”

“What? This ... How is this possible?”

Sacred ancestor withered glory was dumbfounded. He couldn’t believe his ears.

He really couldn’t imagine what he had done to accomplish the mission of freeing the Supreme divine ancestor and the entire clan!

Without a doubt, it wasn’t that the Holy life tribe didn’t want to free the Supreme divine ancestor over the years!

However, they had thought of all kinds of methods and paid the price of countless blood and lives, but none of them could be realized!

Every time he failed, he would only face the terrifying revenge of the sky burial Yuan sacred clan! And even more brutal and brutal bullying!

He couldn’t imagine what he had to do!

“This method is very simple!”

there’s only one thing you need to do,” Chen Xiaobei said. contact the ninth elder and tell him that something has happened to his daughter. Tell him to come over immediately!

“Ah?” Sacred ancestor withered glory was stunned. it’s ... It’s that simple? ”

“Right! It’s that simple!”

Chen Xiaobei nodded and said, “to put it simply, it’s to lure the ninth elder out! Just tell me where your race’s Supreme holy ancestor is!”

this ... sacred ancestor withered glory still couldn’t believe what he was seeing.

However, after some careful consideration, he realized that this wouldn’t do him any harm.

In any case, something had really happened to Sheng tingfang, so it was completely reasonable to ask the ninth core elder to come and check.

“Sure!”

In the end, the forefather nodded, indicating that he was willing to cooperate with Chen Xiaobei.

The following operation became very smooth!

First, sacred ancestor withered glory contacted the ninth core elder of the life Saint and asked for the location of the life saint’s Supreme sacred ancestor.

Then, mie xuanling created a clone, took the antidote that Chen Xiaobei had made, and went straight to where the life Saint and the Supreme divine ancestor were.

Coincidentally, at this moment, the core upper echelons of the Holy life tribe were all discussing the next step of the plan.

Mie xuanling was very alert. She found a suitable opportunity and scattered the medicinal powder that Chen Xiaobei had made in the crowd!

“Whoosh ...”

The medicinal powder spread, and the medicinal effect was quickly revealed.

The core upper echelons of the Holy life tribe in the hall were dazed and weak at first, as if they were about to faint.

However, they quickly regained their energy.

the shackles in the source of life seem to have been removed!!!

Soon, someone exclaimed, “ we seem to have escaped the control of the Saint burial’s Supreme Saint ancestor!

“There’s no mistake!”

“The shackles of our life force have indeed been removed!” The life saint’s paramount divine ancestor said with certainty. The Saint burial’s Supreme Saint ancestor will no longer be able to control our lives! The ninth elder! What kind of powder did you just spray out? You’ve done a great service!”

“Whoosh ...”

Seeing that everyone had recovered, mie xuanling revealed his true form.

“Greetings, life Saint Supreme Saint ancestor!” He said in a deep voice. I’m the direct disciple of the Supreme holy ancestor, mie xuanling! We’re here to resolve the war that shouldn’t have erupted between our two races!”

“Good, good, good! That’s great!”

The life Saint Supreme Saint ancestor nodded repeatedly. "You're right! There's no enmity between our two races! A country-toppling war shouldn't have erupted! Moreover, we've been set free this time, so we owe your Holy extermination clan a great debt of gratitude!"

"No, it's not!"

no! mie xuanling shook his head and said, "this time, the credit for freeing you doesn't belong to the Holy extermination clan. It belongs to the northern Mystic Divine ancestor!"

the North Mystic Divine ancestor?! The life saint's Supreme Saint ancestor was taken aback. "May I ask who this is? I've never heard of such a person!"

"I'm just a nameless junior, it's normal that I've never heard of it!"

Chen Xiaobei walked in, calm and collected.

In an instant, everyone turned to look!

Chapter 4678: great change!

how ... How is this possible?!

In an instant, everyone present had an expression of disbelief.

Everyone, including the life saint's Supreme Saint ancestor, was stunned for a few seconds before they burst into an uproar!

"That's impossible, right? His cultivation realm was so low! How could he be the one who set us free?"

"We're being controlled by the Saint burial's Supreme Saint ancestor! He had to negotiate with the Saint burial's Supreme sacred ancestor in order to obtain a way to break the shackles of his life source! What capabilities does this brat have to make the Saint burial's Supreme Saint ancestor yield?"

"Well said! The Supreme Saint ancestor of the Saint burial sect was so powerful that he couldn't just hand over the method to break the seal so easily! Only a Supreme expert on the level of the Saint destroyer Supreme sacred ancestor would have the ability to negotiate with the Saint burial Supreme sacred ancestor and obtain a solution!"

"Kill xuanling! You're not playing any tricks with this kid, are you? It was your master, the Supreme Saint ancestor, who set us free! Yet you say it's all this kid's credit! What are you up to?"

"Supreme! I think we should contact the Supreme holy ancestor! Ask him what exactly happened! Don't be fooled by mie xuanling and this kid of unknown origin!"

.....

All of a sudden, the core leaders of the Holy life tribe were filled with doubts about Chen Xiaobei.

In fact, because Chen Xiaobei was recommended by mie xuanling, mie xuanling had also become a suspect.

Of course, this was also human nature!

After all, Chen Xiaobei's cultivation was too low! He looked like a liar!

Since the [fake mirror] could not fool the living holy Supreme divine ancestor, Chen Xiaobei had retracted the [fake mirror] before he came in, revealing his true cultivation.

That was the peak of a four-star divine ancestor!

In the eyes of the core members of the upper echelons, his cultivation base was like that of an ant. There was no way he could be trusted!

Furthermore, these core upper echelons were all extremely proud and high and mighty figures!

It wasn't that they didn't know how to be grateful, but that their minds and instincts couldn't accept that such a Big Shot like them was saved by an ant!

This was really hard for them to accept. Therefore, they naturally burst out with great suspicion!

And under such circumstances.

Chen Xiaobei and mie xuanling were calm and even wanted to laugh.

"It's fine!"

"The life Holy Supreme divine ancestor can contact my master!" Mie xuanling said indifferently. When the time comes, we'll naturally get the answer!"

"Alright!"

The life Holy paramount divine ancestor composed himself and immediately used a communication rune to contact the Holy extermination paramount divine ancestor.

"Ho ... Ho Ho ..."

In the next moment, a spatial storm suddenly appeared, and a crack burst open in the void.

Next, the Supreme Holy extermination arrived in front of everyone.

"Greetings, Supreme holy ancestor!"

The core upper echelons of the Holy life clan all cupped their hands and bowed respectfully to the Supreme holy ancestor.

Even the life Holy paramount divine ancestor was the same. He was extremely humble and even filled with deep respect for the Holy extermination paramount divine ancestor.

After all, in their opinion, the one who had truly set them free was the Supreme holy ancestor.

Therefore, everyone was very grateful to the Supreme holy ancestor and treated him very well.

"Saint destroyer! This time, I've specially invited you here to thank you for your great kindness in freeing us!"

The life Saint Supreme Saint ancestor cupped his hands and bowed again, his attitude extremely sincere.

"No, no, no! You're mistaken!"

The Supreme holy ancestor shook his head and said in a serious tone, "It's all thanks to the northern Mystic Divine ancestor! Compared to him, I didn't even help at all!"

"What? This ... How is this possible?"

In an instant, everyone was shocked.

Everyone, including the life Saint and the Supreme divine ancestor, looked at Chen Xiaobei in shock.

"Also ..."

The Supreme holy ancestor paused for a moment before solemnly saying, "The North Mystic Divine ancestor isn't just a great benefactor who freed you all, he's also a great benefactor who protected our Holy extermination clan! Without the beixuan divine ancestor, our Holy extermination clan would have been annihilated!"

BOOM!

A stone that caused a thousand ripples!

These two simple words from the Supreme holy ancestor were like a peal of thunder! Everyone present, including the life saint's paramount Saint ancestor, was struck by an extremely intense psychological blow!

In an instant, all of them were dumbfounded. Their pupils shrank, and even their three views were shattered. They couldn't help but start to doubt their lives.

Of course, apart from shock, this result was like an invisible slap to the face of everyone present, including the life Saint and the paramount Saint ancestor!

Just a moment ago, they were still suspicious of Chen Xiaobei, not believing that he was the one who had freed them.

And now, the Holy extermination's Supreme divine ancestor had personally confirmed that all of this was Chen Xiaobei's credit! Even the Holy extermination clan had to rely on Chen Xiaobei's help to avoid being annihilated.

This face slap was simply too loud!

Everyone's expression changed completely, including the life saint's paramount Saint ancestor!

"North Mystic Divine ancestor! We must apologize to you!"

Under the leadership of the Holy life tribe's Supreme divine ancestor, all the core members of the Holy life tribe apologized to Chen Xiaobei with all their heart.

"It's all our fault for judging people by their appearance and offending the North Mystic Divine ancestor! We feel extremely ashamed and remorseful! Please accept our apology! I'm sorry!"

All of a sudden, the life Holy Supreme divine ancestor and all the higher-ups bowed at a 90-degree angle to Chen Xiaobei in apology.

Mie xuanling was stunned by the scene before him.

Mie xuanling knew that the Holy life clan would see Chen Xiaobei as their benefactor, but she did not expect that the core members of the Holy life clan would show such sincerity!

A Supreme divine ancestor and dozens of eight-star divine ancestors to nine-star divine ancestors all stood in front of Chen Xiaobei, bowing 90 degrees in apology.

This scene was simply shocking to the extreme!

It was filled with an indescribable visual and mental impact!

However, after mie xuanling calmed down and thought about it, she realized that Chen Xiaobei definitely deserved such treatment!

Chen Xiaobei deserved all of this!

“Alright, I won’t argue with you guys!”

Chen Xiaobei waved his hand and forgave them.

After all, they were only judging Chen Xiaobei by his appearance. They did not have any ill intentions toward Chen Xiaobei. When he found out the truth, he immediately apologized to Chen.

So, Chen Xiaobei did not need to be calculative with them.

“That’s right!”

there’s still one ninth core elder who hasn’t been released from his post. Call him back! Chen Xiaobei said.

“Alright!”

The life Holy paramount divine ancestor nodded and used a communication rune to contact the ninth elder.

However, the life saint’s Supreme divine ancestor’s expression quickly turned extremely ugly.

[Red Envelope Group of the Three Realms](#)

Chapter 4679: scheme!

what happened?!

Chen Xiaobei noticed the change in the life saint’s Supreme divine ancestor’s expression and asked.

“I can’t contact the ninth elder!”

The life Holy paramount divine ancestor’s brows furrowed, and his expression became extremely grave and anxious.

What do you mean you can’t contact him?!

Chen Xiaobei’s heart tensed up.

The life saint’s Supreme Saint ancestor composed himself and said,“Ninth elder might have already escaped ...”

escape?!

Chen Xiaobei's brows were tightly knitted together. He looked very serious, as if the situation was getting out of control.

"I ... I wish to see the Supreme divine ancestor ..."

At this moment, a painful wail suddenly came from outside the hall.

"Who's there?"

The life saint's paramount divine ancestor immediately focused and enveloped everyone outside the hall with his divine sense.

"Swish!"

In the next instant, that person was wrapped in the Supreme Saint origin power of the life Saint and brought into the palace.

sacred ancestor withered glory!?

Everyone, including Chen Xiaobei, was shocked when they saw the person.

Sacred ancestor withered glory was only half-dead.

His body had suffered heavy injuries and was already covered in bruises. Blood had already dyed his entire body red.

What was even more terrifying was that the left half of his body was completely charred, as if it would collapse at any moment.

how did you end up like this?!

Chen Xiaobei asked before anyone could react.

the ninth elder ... The ninth elder has eyes and ears in the Saint Palace ... The conversation between you guys just now was leaked by his eyes and ears ... The ninth elder took his daughter and ran away ... I wanted to come and report this, but he injured me with one strike ...

Sacred ancestor withered glory said with great difficulty, after that, I almost exhausted all my life force before I finally recovered a little. Then, I immediately rushed over ...

Sure enough, things were just as the life saint's paramount divine ancestor had thought. The ninth elder had indeed escaped.

"Dammit!"

The surrounding higher-ups all cursed in anger, "The ninth elder is not human! They had actually planted eyes and ears in the Holy Temple! Simply dammit!"

"Arrest him! Arrest him! Seal the sanctum! We must catch that damn spy!"

"It's too late! Even the ninth elder had run away! How could their eyes and ears still be in the divine temple? I'm afraid that when he informed ninth elder, he had already escaped!"

“This way, the Saint burial’s Supreme divine ancestor will soon find out that we’ve been set free, and it’ll definitely cause a huge commotion! It might even be a war between our race and the sky-burier Yuan sacred clan!”

“It’s really a wrong move, and there will be endless trouble! If a war really breaks out, I’m afraid we’re still no match for the sky burial Yuan sacred clan! Who knows, he might even be controlled by the sky burial Yuan sacred clan in the end!”

damn it ... How could this happen?!

.....

It was obvious that this result was something that no one had expected.

After all, the core upper echelons of the Holy life tribe had been firmly controlled by the Supreme Saint ancestor of the Saint burial tribe before.

Logically speaking, all the core members of the upper echelons were a unified entity that advanced and retreated together. There was no need to plant any spies at all.

“Everyone! Calm down!”

Chen Xiaobei said, “ the problem now is to find out which side the 9th elder is on!

The life saint’s Supreme Saint ancestor was taken aback.”Why would the North Mystic Divine ancestor ask such a question? Now that we’re free, our biggest enemy is the Saint-burying Supreme sacred ancestor! The ninth elder’s escape is proof that he’s on the side of the Saint burial’s Supreme Saint ancestor!”

“Not necessarily!”

no! Chen Xiaobei shook his head. if the ninth elder was the one who buried the Holy Supreme holy ancestor, then all of you were the same. Why would he have planted spies around you? ”

“This ...”

The life saint’s paramount divine ancestor was at a loss for words.

After a moment of silence, the life Saint Supreme divine ancestor nodded in agreement with Chen Xiaobei.

Then, the life saint’s Supreme Saint ancestor asked,“In that case, which side do you think the ninth elder is on?”

“I’m not sure about that, but I have a way to verify it!”

I heard that the Holy life tribe will produce some elixir of life every once in a while! Chen Xiaobei said.

“Yes, I am!” The life Saint Supreme Saint ancestor nodded and asked,“But how do we verify the ninth elder’s identity?”

Chen Xiaobei said, “ Before you’re free, the life potion will be handed over to the Saint burial’s Supreme Saint ancestor! However, once you’re free, the elixir of life will naturally be under your control!”

“So, I’m guessing that the ninth elder ran away because his true goal in infiltrating the Holy life tribe was the elixir of life! After everyone is released, he will no longer be able to obtain the elixir of life! Therefore, he must escape!”

“And if my guess is correct! Everyone, head to the birthplace of the Holy life clan now and you should be able to capture the ninth elder!”

As soon as he said this, the life saint’s paramount divine ancestor immediately ignited his Saint origin power, ready to capture him at any moment.

“Hold on!”

But Chen Xiaobei stopped the life Saint Supreme divine ancestor.

He said in a deep voice, “I haven’t finished my words!” If you all want to capture the ninth elder, then go now! If you want to verify who the ninth elder is working for, then wait for a moment and wait for him to take out the elixir of life. Then, you can follow him!”

“Understood!”

The life saint’s eyes immediately lit up when he heard this, and he said with heartfelt admiration, “The North Mystic Divine ancestor is indeed not an ordinary person! Quick-witted and meticulous! It was truly admirable! I’ll go and keep an eye on him now, and then follow him myself!”

“Good! Go!” Chen Xiaobei nodded.

All of a sudden, Chen Xiaobei seemed to have become the leader of the crowd!

The two Supreme divine ancestors and dozens of core members were all at Chen Xiaobei’s disposal! Chen Xiaobei was also the one who led all the plans and schemes!

That was why the life Saint Supreme divine ancestor admired Chen Xiaobei from the bottom of his heart!

Soon after.

The life saint’s paramount divine ancestor had immediately rushed to the birthplace of the life Saint clan and waited there for him.

Meanwhile, Chen Xiaobei and the rest of the people were discussing another important matter.

The Holy extermination clan and the Holy life clan had formed an alliance against the sky origin sacred clan!

This plan was led by Chen Xiaobei, and the Holy extermination Supreme divine ancestor had responded enthusiastically. The core upper echelons of the Holy life tribe had no objections.

They just had to wait for the life saint’s Supreme holy ancestor to return, and then they could finally settle this matter!

All of a sudden, everyone had even begun to discuss who should be the leader of the Alliance!

Red Envelope Group of the Three Realms

Chapter 4680: The truth!

4680 The truth!

Of course, even though this was a problem, there was no need to discuss it.

The Supreme divine ancestor, Holy extermination, supported Chen Xiaobei unconditionally.

All the core members of the Holy life tribe had the same opinion, recommending Chen Xiaobei with all their might.

Therefore, they only needed to wait for the Holy life Supreme divine ancestor to return, and Chen Xiaobei would be the leader of the Alliance.

It could be said that everyone was convinced.

Chen Xiaobei did not decline.

This was because Chen Xiaobei had long thought of allying with his allies to fight against the sky-burier Yuan sacred clan.

However, at that time, Chen Xiaobei was still very weak. His words carried little weight. Naturally, he could not get any powerful allies, let alone become the leader of the Alliance who could make plans and give orders!

Now that Chen Xiaobei had become the alliance leader of the Holy extermination clan and holy life clan, he had accomplished one of his small goals!

In such a situation, if the Alliance attacked with all their might, they would definitely be able to defeat the sky burial Yuan sacred clan!

However, the result of doing so was that he would suffer 800 losses while the enemy suffered 1000.

After all, the sky-burying Yuan Sage clan was extremely powerful. Due to the existence of the heaven Earth embryo membrane, every member of the clan possessed two Saint Soul abilities. In addition, the yuan Sage clan had unlimited mind power, so they could maximize the effect of their abilities and unleash extraordinary combat power.

But now, the life Saint tribe wasn't the strongest race, and there was a clear gap between their strength and the sky-burying Yuan Saint tribe.

As for the Holy extermination clan, there was no need to even mention them. Everyone was in a state of panic, and their clansmen were fleeing in all directions. Even many of the core upper echelons and personal disciples of the Supreme Holy extermination Saint had fled!

Therefore, although the Holy extermination clan had once been a top-tier clan that could rival the sky-burier Yuan sacred clan, their strength had been greatly reduced now and they were also far behind the sky-burier Yuan sacred clan!

In this situation, the only chance of victory for the two races was on the side of the Supreme divine ancestor.

Although the Supreme holy ancestor was severely injured and had even lost his Supreme treasure, the Holy destroyer Saint orb, he was still a true Supreme holy ancestor!

As long as the two Saint ancestors joined forces to defeat the Saint burial Supreme Saint ancestor, the sky burial Yuan Saint clan would lose their greatest support and would no longer be able to fight back!

However, the Saint burial's Supreme Saint ancestor wasn't someone to be trifled with. The life and death Saint ancestors would have to pay a huge price to defeat him!

In addition, there was an even greater variable, and that was the demonized great saint Supreme holy ancestor!

Back when the Saint pan clan was still around, the demonized great saint Supreme divine ancestor and the Saint burial Supreme divine ancestor had reached an Alliance agreement!

If the demonized great saint was helping the Saint burial Supreme Saint, then the Saint life and Saint destruction Supreme Saint ancestors had no chance of winning!

Therefore, at this moment, although the Alliance of the two races seemed stronger on paper, the variables behind it were extremely huge. One wrong move and they could lose the whole game!

Chen Xiaobei had no choice but to be cautious and not attack rashly!

In addition, there was another variable, and that was the ninth elder of the core of the life Saint realm!

Who was he working for? And why did he need the elixir of life? Also, how did the shackles of the divine origin that were originally controlled by the Supreme divine ancestor of the Saint burial chamber break?

There was no doubt that this series of questions was equally important. It was enough to affect many subsequent actions!

.....

After a period of time.

The life saint's Supreme Saint ancestor shattered the void and returned to the scene.

At the same time, the life Saint core's ninth elder had also been captured.

At the same time, the fat daughter of the life Saint core's ninth elder was also captured.

At this moment, the two of them knelt on the ground, trembling. They were extremely nervous, terrified, and even desperate.

any results from the tracking!?

Chen Xiaobei quickly asked.

"We've followed them!"

The life Saint Supreme Saint ancestor nodded."The place that the father and daughter are heading to is the birthplace of the great sage Tribe! After that, pour the life potion through a spatial gate!"

the origin of the great sage Tribe?! Chen Xiaobei suddenly thought of someone.

what! ” Chen Xiaobei asked, ” why did you send the elixir of life through the portal to the origin of the great sage Tribe! ” Why didn’t the two of them go in!”

“Because they can’t get in!”

“That space gate is extremely profound!” The life saint’s paramount Saint ancestor said helplessly. In fact, even I can’t get in!”

“What? Even you can’t get in?”

When the surrounding people heard this, they instantly revealed extremely shocked expressions.

“Can’t get in!”

Suddenly, Chen Xiaobei and mie xuanling exchanged a look.

Chen Xiaobei and mie xuanling had been to the birthplace of the Saint pan clan. The gate of space there was also inaccessible to the Supreme divine ancestor.

This also meant that the origin of the great sage clan might be the same as the origin of the Saint pan clan, which was sealed and protected by the ancestor of all DAOs.

In the birthplace of the Saint pan clan, the Saint pan Emerald treasure had obtained an inheritance and evolved from childhood to maturity.

By the same logic, the birthplace of the great sage Tribe must have had extraordinary opportunities.

Chen Xiaobei made up his mind that he must go there once he was done with his business here.

After all, the Supreme divine ancestor could not enter, but Chen Xiaobei could.

This was a huge opportunity. No matter what, it would bring Chen Xiaobei a great improvement.

Of course, Chen Xiaobei still had to deal with the Holy life clan and Holy extermination clan first.

“Then what exactly is going on?” Chen Xiaobei frowned.

“I’ve pried into his memories!”

“The truth is that the ninth elder met a strange girl a few months ago!” The life saint’s paramount divine ancestor said. That young lady was able to use the secret technique of the great sage Tribe to remove the shackles of life from the ninth elder’s body!”

“However, at the same time, she also left a great sage origin mark in the ninth elder’s body. She could kill the ninth elder at any time from the origin of life! It’s because of this that ninth elder had no choice but to be used by her!”

“And that young lady’s only request was for the ninth elder to send her some elixir of life! Just like that, in order to save his life, the ninth elder planted a spy in the Holy Temple so that he could keep track of the situation with the elixir of life!”

and today, he knows that we have all been set free and is afraid that we will never be able to get the elixir of life again. That's why he acted rashly and forcefully took the elixir of life that he had just gathered. Then, he escaped to where the girl is!
