Chapter 4681: It's her indeed!

4681 It's her indeed!

Chen Xiaobei's face was filled with shock!

are you saying that the young lady lives in the origin of the great sage Tribe? " Chen Xiaobei asked.

"Yes, I am!"

The life Saint Supreme Saint ancestor nodded. "According to the ninth elder's memories, that young girl does live inside! I only come out once in a while!"

"What? She ... She can come and go as she wishes?" Chen Xiaobei's face was filled with shock.

According to Chen Xiaobei's speculation, the origin of the great saint tribe should be under the protection of the elder of all DAOs. Even the Supreme divine ancestor could not enter.

But why was that young girl inside? Why was he still able to enter and exit freely?

This was simply unbelievable!

More importantly, if the young girl had been living inside, didn't that mean that the great opportunity inside had already been taken by her?

Suddenly, Chen Xiaobei felt as if his entire world had been changed.

He could not believe that this was real.

However, Chen Xiaobei's mental state was strong enough to calm himself down.

That was because Chen Xiaobei might know that girl!

what did that young girl look like?! Chen Xiaobei asked again.

"Very, very beautiful!"

The life saint's Supreme Saint ancestor hesitated for a moment before sighing, I can't even find a suitable word to describe her beauty ... If the North Mystic Divine ancestor is interested, you can take a peek at ninth elder's memories!

"Alright!"

Chen Xiaobei walked over.

Originally, Chen Xiaobei's ability to read memories was only at the peak of a five-star divine ancestor. It was not enough to read the ninth elder's memory.

But now, the ninth elder had completely surrendered. His soul and mind were open, and there was no rejection from the outside world. So, Chen Xiaobei could easily pry into his memory.

Then, Chen Xiaobei saw the girl's beauty in the ninth elder's memory.

The young girl was indeed very, very beautiful.

Her facial features were exquisite, her skin was white and tender, and her bright eyes had a special aura, making her look full of vitality.

At the same time, her figure was extremely hot. Her exaggerated curves were graceful to the extreme and revealed an alluring charm.

An ordinary man would definitely be mesmerized by this girl's peerless beauty and be unable to extricate himself.

However, Chen Xiaobei was very calm. He could not help but smile.

In fact, when the life saint's Supreme divine ancestor mentioned the girl from the great saint tribe, Chen Xiaobei immediately thought of someone.

Chen Xiaobei's guess was proven to be correct!

There was no mistake!

This young lady was one of Chen Xiaobei's close female friends, Yan Lingshi!

In fact, this result could not be guessed.

After all, the great sage Tribe had declined and was on the verge of extinction. There were only a few capable clansmen left!

Yan Lingshi, on the other hand, had received the full-power inheritance left behind by the great divine Supreme divine ancestor before he demonized, so she naturally gained extremely powerful abilities.

Don't forget that the great saint Supreme divine ancestor had a premonition that he was going to be demonized, so he had left behind that opportunity to allow the person who received the inheritance to suppress his demonized self.

Therefore, as long as Yan Lingshi digested the inheritance, she would basically have the strength to rival a peak divine ancestor.

At the same time, in addition to power, the inheritance should also contain the lifetime knowledge of the great saint Supreme divine ancestor! Cultivation technique! A secret skill! Special abilities ... Wait, wait, wait ...

That was why Yan Lingshi had the ability to help the ninth elder remove the shackles of her life source. At the same time, she had also left behind a great saint origin mark to make arrangements for the ninth elder!

In fact, if it weren't for the fact that one had to be acknowledged by the ancestor of all Dao to become the Supreme divine ancestor, Yan Lingshi could already have the power to rival the Supreme divine ancestor!

However, there were no ifs in this world.

Yan Lingshi's power had been suppressed to below the highest level.

Of course, even so, Yan Lingshi could almost be said to be the most powerful person below the utmost being.

bei Xuan divine ancestor, what are you laughing at?!

The life Holy Supreme divine ancestor and the others were all confused. Why was Chen Xiaobei smiling at such a serious time?

“To be honest! That young lady is a very, very important friend of mine!”

Chen Xiaobei calmed himself down and said seriously, “I want to ask the life saint’s Supreme divine ancestor for a favor! That elixir of life that was stolen, can you just treat it as a gift to me and not get it back?”

Both the Supreme holy ancestor and mie xuanling were slightly taken aback.

Especially mie xuanling, after hearing Chen Xiaobei’s words, she suddenly felt sour and sour.

“Of course, no problem! The North profound divine ancestor has freed us! In fact, it’s equivalent to freeing our entire clan! Such great kindness is like giving you a new lease of life. Let alone a mere drop of holy water, even if we were to give you all the Holy water in the future, we would not have any objections!”

The Holy life Supreme divine ancestor and the core members of the Holy life tribe agreed to Chen Xiaobei’s request without any hesitation.

Clearly, the life saint’s Supreme divine ancestor and the core members of the upper echelons were truly grateful to Chen Xiaobei.

Just as they had said, without Chen Xiaobei, all of them would have been controlled by the Saint burial’s Supreme holy ancestor like dogs! The entire holy life tribe couldn’t resist, and in reality, they were also the dogs of the Supreme holy ancestor!

Chen Xiaobei had set them free. He was like their second parent!

Because of that, not only the higher-ups, but even the middle and lower-ranking members of the clan would not be stingy with Chen Xiaobei.

If Chen Xiaobei needed it, they would be willing to give him all the elixir of life.

“Good! Then I’ll thank the life saint’s Supreme Saint ancestor on behalf of my friend!”

Chen Xiaobei smiled.

He did not know what Yan Lingshi needed the elixir of life for.

However, Chen Xiaobei would definitely support her.

This was because Yan Lingshi would definitely become a powerful ally of Chen Xiaobei’s. She would definitely play a decisive role!

Chen Xiaobei had every reason to believe that Yan Lingshi would be the one to deal with the demonized Supreme divine ancestor!

If this assumption was true!

Yan Lingshi had dealt with the demonized great divine Supreme divine ancestor!

Then, the life Saint and the Saint destruction Saint would deal with the Saint burial Saint!

It could almost be said that the overall situation was set! Not only would the Holy life tribe and the Holy extermination tribe be able to protect themselves perfectly! Even Chen Xiaobei would be able to free the Saint Pan's People and achieve his ultimate goal!

This was definitely the ultimate victory of dodging the Eagle with one arrow!

Chen Xiaobei's heart was filled with anticipation!

so, what should we do next?" Asked the Supreme Holy extermination.

[Red Envelope Group of the Three Realms](#)

Chapter 4682: friendship!

It was clear that the Holy life tribe's crisis had been resolved, but the Holy extermination tribe was still facing two great enemies.

One was the sky burial Yuan sacred clan!

The Holy extermination clan and the sky burying Yuan sacred clan already had a blood feud. This time, the power of the Holy extermination Supreme divine ancestor had been greatly reduced, so it was the perfect opportunity for the sky burying Yuan sacred clan to take revenge. Even if the life Saint clan no longer listened to their orders, the sky burying Yuan sacred clan still had enough power to suppress the Holy extermination clan!

The second was the Holy Shi clan!

It was laughable to say that the Holy extermination clan and the Holy Shi clan had become enemies only because when the Holy extermination clan and the profound Sage clan had formed an alliance, the Holy Shi clan had wanted to join them, but the Holy extermination clan's Supreme holy ancestor had said that they were not worthy!

Originally, this wasn't a big deal.

However, after a long time, because of this sentence, the middle and lower levels of the Holy extermination clan began to look down on the Holy Shi clan!

As a result, there were constant conflicts between the middle and lower levels of the Holy extermination clan and Holy Shi clan!

The relationship between the two races became more and more intense. Later on, there was even a small-scale war!

Just like that, the Holy extermination clan and the Holy Shi clan became enemies!

Therefore, the Supreme holy ancestor didn't dare to relax!

This was because both the sky burying Yuan sacred clan and the first sacred clan had the ability to annihilate the sacred clan!

That was why the Holy extermination Supreme divine ancestor could not wait to ask Chen Xiaobei what his next step would be!

Of course, Chen Xiaobei knew what was important and what was not.

Although he really wanted to see Yan Lingshi, he still had to get rid of the Holy extermination clan's worries!

Otherwise, by the time Chen Xiaobei returned from meeting Yan Lingshi, the Holy extermination clan would have already been wiped out!

"I want to go to the Holy Shi tribe to take a look!"

I have to say, the Holy Shi tribe's problem is even more troublesome than the Holy life tribe's! Chen Xiaobei said. I don't even know where to start!"

The Supreme holy ancestor lowered his head in shame and sighed,"This is all my fault ... If I wasn't so arrogant back then, I wouldn't have planted this huge disaster ..."

Hearing this, mie xuanling's expression turned grave. Her beautiful eyes were filled with worry and anxiety.

It was obvious that if the problem with the Holy Shi tribe could not be resolved, they would have to deal with it.

There was a possibility that the Holy Shi clan and the sky burying Yuan sacred clan would form an alliance and jointly attack the Holy clan!

If it really did develop to that point, even if the Holy life tribe sent all their troops, they would not be able to stop it. In the end, the Holy extermination tribe and holy life tribe would both be annihilated!

At the thought of this, mie xuanling's heart was filled with infinite worry and even began to despair.

"The Holy Shi clan?"

However, at this moment, the life Holy paramount divine ancestor revealed a rather complicated expression. He said with a heavy voice,"The first Holy Supreme holy ancestor is my old friend! Before I was controlled, our relationship was very good!"

is ... Is this true?!

Chen Xiaobei, mie xuanling, and the Supreme holy ancestor were all overjoyed.

"Of course it's true!"

"Back in the day, before the first Saint and I became the Supreme Saint ancestors, we were already very Good Brothers. We've been through life and death together countless times! They even became sworn brothers!"

“This is great!” The Supreme holy ancestor said with great excitement, “If that’s the case, then please help me mediate and resolve the conflict between the Holy Shi tribe and my tribe! I will remember your great kindness in my heart!”

“Saint destroyer! Don’t get too excited!”

The life saint’s Supreme Saint ancestor frowned. although the first Sage and I used to be brothers, I was controlled by the Saint burial’s Supreme sacred ancestor. A very long time has passed. Hundreds of years have passed ... I wonder how the first Sage is now? ”

this ... the Supreme Holy extermination was stunned.

It was obvious that the life Holy paramount divine ancestor and the first Holy paramount divine ancestor had a very close relationship.

However, ever since the life Saint was controlled by the Saint burial Saint, the two sides had never interacted with each other again. No matter how deep their friendship was, it would probably be gradually diluted and forgotten!

In fact, the Holy birth Supreme holy ancestor had followed the orders of the Holy burial Supreme holy ancestor in some ways. He had also done things that had harmed the Holy Shi tribe, further damaging the relationship between the two sides!

Thus, the life Holy paramount divine ancestor didn’t have any confidence in mediating the conflict between the two races.

“No matter what, let’s give it a try!” “After all, we’re going to live and die together!” Chen Xiaobei said. Even if their feelings for each other have faded, they won’t turn against each other!”

“O-okay ...” The life Saint Supreme Saint ancestor nodded.”I’m going to make some preparations and make a trip to the Holy Shi tribe! Don’t go there yet, Saint destroyer. If Saint Shi sees you and gets angry, it’ll be troublesome!”

“Of course ...” The Supreme holy ancestor said, embarrassed.”I won’t be going, but please convey my apologies, life Saint! If the first Sage is willing to forgive me, I can make a public apology to him! Apologize to the Holy Shi clan!”

“Good! I’ll definitely pass on the message!” The life Saint Supreme Saint ancestor nodded.”You guys stay in the Holy sanctum and wait for my news!”

With that, the life saint’s paramount Saint ancestor shattered the void and left.

Soon after.

The core Grand Elder of the Holy life tribe had personally healed sacred ancestor withered glory’s injuries with his extremely powerful life force!

This was the special ability of the Holy life tribe, and it was also the special ability of the one word Holy extermination curse.

The effect of a higher realm healing a lower realm was quite obvious.

Sacred ancestor withered quickly regained his energy.

As for the ninth core elder, since he was working for Yan Lingshi, Wang Chen, as the alliance leader, gave him a chance and allowed him to continue working for the Holy life tribe.

However, due to this betrayal, his status as the ninth core elder was stripped away.

He would only remain in the Holy sanctum as a protector and continue to serve the core higher-ups.

After all, this person was indeed a talent.

On one hand, he had to work for Yan Lingshi. On the other hand, he had to pretend to be controlled by the Saint burial's Supreme Saint ancestor. On the other hand, he had to plant spies in the divine temple!

A series of sneaky operations actually didn't reveal any flaws!

It was no wonder that the life saint's Supreme divine ancestor would view this person as a trusted aide and discuss every major matter with him!

Chen Xiaobei kept this man because he valued talent!

They could only hope that he could turn back and be loyal to the Holy living tribe. If he dared to have any other thoughts, he would be consigned to eternal damnation and die without a doubt!

Soon after.

After a while, Chen Xiaobei's communication rune suddenly rang.

It was a message from the life saint's Supreme Saint ancestor.

Red Envelope Group of the Three Realms

Chapter 4683: making things difficult!

The Supreme holy ancestor of the Holy life sect, the Alliance master! I've already seen the first Sage! The good news is that he still remembered our friendship and had a good conversation with me! The bad news was that he wasn't going to forgive Holy extermination so easily!

Chen Xiaobei: That meant that if the Supreme holy ancestor paid a price, he could still forgive him, right?

The life Holy Supreme holy ancestor: What the first Sage meant was that besides making Holy extermination apologize publicly, there was nothing else he could do. He also wanted Holy extermination to take out one more thing!

Chen Xiaobei:

The life Saint Supreme divine ancestor was the Supreme blood of the Supreme Saint tribe!

Chen Xiaobei thought, "extreme divine blood?" What was that thing?

[holy life Supreme divine ancestor: this is a type of divine blood that comes from the origin of the Supreme Saint clan!] It was known as the Blood of Heaven and earth, the blood of laws, and the blood

of the Holy Dao! As for what the first Sage wanted to do with the extreme divine blood, he didn't tell me yet!

extreme divine blood!?

Chen Xiaobei thought for a moment and said, "The word 'extreme' represents the bloodline, and the special ability of the spell 'extreme' is to raise the quality of the bloodline to the extreme! In that case, the use of the extreme divine blood should also be related to the bloodline ..."

After that, Chen Xiaobei told the Supreme holy ancestor everything that he had just received.

"What? Extreme divine blood?"

The Supreme holy ancestor was taken aback for a moment before frowning. "I don't have any extreme divine blood! One must know that the extreme divine blood was a Supreme sacred object on the same level as the water of life! I didn't even have the chance to see it!"

Clearly, in order to resolve the conflict between the Holy extermination clan and the Holy Shi clan, the Holy extermination clan's Supreme holy ancestor would be very willing to offer the extreme divine blood to the Holy Shi clan's Supreme holy ancestor if he really had it.

However, the problem was that the Supreme Holy extermination divine ancestor didn't have any extreme divine blood. He had never even seen such a legendary Supreme sacred artifact before.

Under such circumstances, the Supreme holy ancestor couldn't just take out the extreme divine blood to appease them.

"This way, the situation has become a dead end again ..."

Mie xuanling's pretty face turned grave and her eyes were filled with anxiety. Despair once again welled up in her heart.

Chen Xiaobei: "I've just asked the Supreme holy ancestor. He said that he doesn't have any extreme divine blood. He's never even seen it before!"

"What ... What should I do?" the life Holy Supreme divine ancestor thought.

"Ask the first divine Supreme divine ancestor again. Why would he make such a request?" He couldn't be deliberately making things difficult for the Supreme holy ancestor, could he?

"Wait a moment ..." The life Holy Supreme divine ancestor replied.

After a while.

"I just asked!" Saint Shi said ... He said that Saint extermination had a disciple of the Brahma's flawless and dustless Holy body! She wanted her clone to become a member of the Supreme Saint clan and steal the Supreme divine blood!

Chen Xiaobei: "This ... Isn't this causing trouble?" If the Supreme holy ancestor really did as he was told! Wouldn't that mean that he had just resolved his enmity with the Holy Shi tribe and now he would have to start a new feud with the Holy Shi tribe? Don't you think that's stupid?

“The Holy life Supreme divine ancestor-it’s indeed a little stupid, but the first Holy Supreme divine ancestor doesn’t need to consider the Holy extermination clan!” The enmity between the Holy extermination clan and the Supreme Saint clan was naturally none of Shi Sheng’s business!

Chen Xiaobei: I’ll discuss this with the Supreme holy ancestor and make a decision!

Then, Chen Xiaobei shared the content of the conversation.

The Supreme holy ancestor’s expression turned extremely grave.”I can understand the feelings of the first holy ancestor, but we can’t do this. Otherwise, we’ll only invite even more trouble! After all, the strength of the Supreme Saint tribe was above that of the Holy life tribe! By doing so, it’s like stepping out of a Wolf’s Den and into a Tiger’s Den, and you’ll only be faced with greater danger!”

Hearing this, mie xuanling naturally had nothing to say.

If her master and the Holy extermination clan needed it, mie xuanling would definitely be willing to take the risk and steal the extreme divine blood.

However, not only would stealing the extreme divine blood not solve the problem, but it would also bring about a bigger problem. Mie xuanling was naturally speechless and had no idea what to do.

“Don’t be in a hurry!”

However, Chen Xiaobei calmed down and said, “The first holy ancestor has already laid out his conditions. This at least proves that he won’t start a war with the Holy extermination clan in the near future! I wouldn’t have formed an alliance with the sky burying Yuan sacred clan!”

“Well said!”

The Supreme Holy extermination nodded heavily.”It seems that the life saint’s Supreme divine ancestor’s reputation is still useful. At least it bought us some time to catch our breath!”

The light of hope finally lit up in mie xuanling’s beautiful eyes. this way, we can use this time to plan other ways to obtain the extreme divine blood.

“En!”

yes! Chen Xiaobei nodded. the next step of the plan is set. I’ll go to the Holy Zhi’s territory first! Let’s first understand the situation there, then think of a specific way!”

“I’ll go with you!” Mie xuanling said without hesitation.

“Alright!”

yes! Chen Xiaobei nodded. your saintly being identity is very useful to me. It can even turn the tables at critical moments!

“Then let’s go!” Mie xuanling was immediately excited. He was full of energy and fighting spirit.

“Wait a moment!”

However, the Supreme holy ancestor called out to Chen Xiaobei and mie xuanling.

Then, the Holy extermination Supreme divine ancestor took out two things from his inventory and handed them to Chen Xiaobei.

Both Chen Xiaobei and mie xuanling had seen these two things before!

The first item was the Supreme Saint ancestor-level Supreme space-breaking spell that mie xuanyu had used!

there's still enough energy to activate your special ability twice in this magical treasure. Take it, Alliance master. You can escape at the critical moment!

After that, the Holy extermination Supreme holy ancestor handed the No-Saint Supreme space-breaking spell to Chen Xiaobei.

The second thing was the poisonous Scorpion-like Gu worm that mie cangheng had spat out.

"This is a soul-seizing banner! I've studied the incantation and will send it to you later, President! By using the soul-snatching banner, he could control all experts below the Supreme divine ancestor! With Alliance master's wisdom and wit, it will definitely be useful at the critical moment!"

Then, he handed the soul-snatching banner to Chen Xiaobei.

"These two items are indeed useful. I'll keep them for now!"

Chen Xiaobei nodded and ordered, "Don't stay here any longer. Return to the Holy extermination clan and spread the news of the Holy life clan's liberation. Do your best to retain the Holy extermination clansmen who want to escape!"

"I understand! I'll go back now!" The Holy extermination Supreme Saint ancestor nodded and immediately stepped through the void to return to the Holy extermination Supreme domain.

"Ho ... Ho Ho ..."

After that, Chen Xiaobei and mie xuanling put on their human skin masks, activated their fake mirror, and headed to the territory of the Supreme Saint clan.

[Red Envelope Group of the Three Realms](#)

Chapter 4684: pursuit!

The territory of the Supreme Saint tribe was very unique compared to the other large tribes.

On the streets, one could see all kinds of clansmen. There were humans, demonic beasts, spirits, and even extremely special spiritual bodies.

Chen Xiaobei was very curious about this.

Mie xuanling explained, 'the Supreme Saint tribe's innate talent is the extreme of their bloodline! Therefore, there were all sorts of people in the Supreme Saint tribe! They seek different bloodlines and marry different races. They also take in different races as clansmen!'

at the same time, different races all pursue to maximize the potential of their bloodline. Therefore, he doesn't just pursue to transform into a human form! Only clansmen with human blood would maintain their human form! Clansmen of other bloodlines are in different forms!"

As soon as mie xuanling finished speaking, two giant Dragons flew across the sky.

Chen Xiaobei looked up and said, "So you're saying that those two are members of the dragon clan?"

"That's right!"

of course! mie xuanling nodded and said, "in short, you don't have to be surprised by anyone you see in the territory of the Supreme Saint tribe!"

"Interesting!"

Chen Xiaobei raised his eyebrows. He was very interested in such a situation.

"What should we do next?"

Mie xuanling was not as relaxed as Chen Xiaobei. She immediately changed the topic to their ultimate goal.

"I'm not sure about the situation at the moment."

Chen Xiaobei thought for a moment and said, 'let's find out where the Holy Zhi originated from! Then, we'll see if we can get there!'"

"Alright!"

Mie xuanling nodded and immediately went to ask passersby.

Chen Xiaobei did not stay idle either. He went to the other side to ask around.

However, it was very strange that the two of them asked several people in succession, but they did not get the answer they wanted.

Although those people said they didn't know, their eyes and expressions were very strange.

This made Chen Xiaobei feel a sense of danger.

"Let's go!"

When Chen Xiaobei felt her tail, he immediately gave up on asking around and pulled mie xuanling along to leave the place.

"What's wrong?"

Mie xuanling did not realize that something was wrong. She looked at Chen Xiaobei in confusion.

"I'm fine, I just want to leave!"

Chen Xiaobei then stepped into the void and left the scene.

However, just before the crack in the void closed, a huge figure suddenly appeared from afar.

It was a giant silver ape with three heads and six arms.

“Woof! Whoosh!”

Its six arms suddenly stretched out and held the closing space crack on both sides, not letting it close.

“Whoosh, whoosh, whoosh ...”

Immediately after, several strange-looking figures appeared in the surroundings.

Then, these figures rushed into the spatial Rift.

After everyone had entered, the three-headed and six-armed giant silver ape followed.

Clearly, they were after Chen Xiaobei and miexuan Ling.

As soon as they left, the crowd around them began to discuss.

“Those two young men of unknown origin are really bold. How dare they ask about the location of my clan’s birthplace? That’s the greatest taboo of our clan!”

“Isn’t it? They made a big mistake, so it’s no wonder that the extreme grade Imperial Guards would capture them!”

“It’s not that simple! Didn’t you guys see the six-armed Ape King? He was the strongest person under the core higher-ups! Even he has made a move. There must be a big problem with those two young men!”

“No, no, no! Those two young men might not have a problem! It’s very likely that their bloodline has attracted the attention of the six-armed Ape King!”

“That’s right! The Gokudo guards had the ability to spy on other people’s bloodlines! It must be because of their extraordinary bloodline that the six-armed Ape King would personally take action!”

.....

Chen Xiaobei’s judgment was proven right by everyone’s discussion.

At the same time, it also revealed an important piece of information.

That was, a portion of the Supreme Saint tribe had the ability to peer into the bloodlines of others.

Because of this, no matter how Chen Xiaobei and mie xuanling tried to disguise themselves, their bloodline would be seen through.

Both Chen Xiaobei and miexuan Ling’s bloodlines were extremely rare and high-level.

At this moment, their bloodlines were able to attract the attention of the six-armed Ape King, who was known as the strongest expert below the core upper echelons. This would also attract the attention of the core upper echelons of the Supreme Saint tribe.

Therefore, if this problem was not solved, Chen Xiaobei and mie xuanling would not be able to move a single step in the territory of the Supreme Saint clan. They would be like two lambs surrounded by Tigers and wolves wherever they went, and they would be in mortal danger at any time!

“Chi ... Chi ...”

On the other hand, Chen Xiaobei stepped into the void and brought mie xuanling to the exit of the ten thousand secret realm.

Over there, there was a deserted area, which was the best place to hide for the time being.

After all, Chen Xiaobei was after the Supreme Holy tribe’s Supreme treasure, the extreme divine blood. If he broke through the void and returned to the Holy extermination or holy life tribe’s territory, he would definitely make these two tribes the enemy of the Supreme Holy tribe.

At this moment, this special territory didn’t belong to any force. Even if there were pursuers, it wouldn’t cause any more negative effects.

It was clear that Chen Xiaobei was able to remain calm even in that state.

The things he considered were also very far-reaching and thorough.

“What’s wrong? Why are you suddenly pulling me away? We have to hurry up and complete the mission! I don’t have the time to do anything else!”

Mie xuanling furrowed her brows. She did not understand Chen Xiaobei’s sudden action.

After all, mie xuanling was not as calm as Chen Xiaobei. She had been worried and anxious the whole time. She was afraid that if she did not handle things well, it would lead to the destruction of the Holy extermination clan. If that happened, she would be the eternal sinner of the Holy extermination clan. Even if she died, she would not be able to rest in peace!

“Shua shua ... Shua shua ...”

However, before mie xuanling could finish his sentence, more than a dozen figures rushed out of the crack in the void one after another.

There was no mistake!

They were the Gokudo path personal guards led by the six-armed Ape King!

what ... What’s going on???”

Mie xuanling’s expression changed drastically, revealing an extremely shocked expression.

However, mie xuanling was not stupid. She quickly understood what was going on and looked at Chen Xiaobei in surprise.

He did not expect Chen Xiaobei to sense the danger and retreat without him noticing.

Compared to Chen Xiaobei, mie xuanling felt like a weakling.

“Whoosh ...”

As the tear in the void gradually closed.

Chen Xiaobei smiled and said, “You dare to chase after me with just these few people? You guys think too highly of yourselves!”

Red Envelope Group of the Three Realms

Chapter 4685: I'll do it!

4685 I'll do it!

Chen Xiaobei had been a little worried when he was in the territory of the Supreme Saint tribe.

After all, it was the other party's home ground. Once they caused a ruckus, it was likely to attract the attention of the core high-level powerhouses.

However, at this moment, almost no one knew about this place, and the crack in the void had already closed, so there would be no more reinforcements.

In Chen Xiaobei's eyes, these people were like a joke.

"You little brat! You're really pretentious! He was merely an early-stage five-star divine ancestor! How dare you look down on this King? Are you even worthy of that?"

The six-armed Ape King stood up and glared at Chen Xiaobei with its three heads and six eyes.

In the three big mouths, the fangs were exposed, and the breath was like the wind. It could be said to be very, very terrifying! Coupled with his steel-like silver-white muscles, he exuded an extremely powerful and overbearing aura!

Chen Xiaobei and mie xuanling exchanged a look.

The two of them felt no waves in their hearts, and they even wanted to laugh.

There was no doubt that both Chen Xiaobei and mie xuanling had the ability to make these people submit to them.

So, Chen Xiaobei was not looking down on them. He was just telling the truth.

Of course, Chen Xiaobei and mie xuanling were not in a hurry to attack.

"Why are you guys chasing after me?" "We didn't do anything to you!" Chen Xiaobei said.

"Hmph!"

The six-armed Ape King snorted and shouted angrily, "The two of you, go around and ask about my clan's taboo! This has already broken the iron law of our clan! As Gokudo path Imperial Guards, our duty is to protect our clan's territory and laws!"

Chen Xiaobei said, "You're right, you don't know! We don't know the laws of your race! He was only asking around out of curiosity! Even if you want to punish me, you don't have to send so many people! Even a powerful person like you is here! Isn't that strange?"

It was obvious that Chen Xiaobei was very smart. He immediately saw the problem.

Just as Chen Xiaobei had said, if it was as simple as breaking the law, one or two six-star divine ancestors from the extreme grade Imperial Guards would be enough to solve the problem!

Why did more than ten people come at once, plus a six-armed Ape King who was at the peak of Seven Star divine ancestor realm?

At the same realm, sacred ancestor withered glory was known as the strongest expert below the core of the Holy life tribe!

It could be seen that this six-armed Ape King was basically the strongest expert under the core of the Supreme Saint tribe!

Wasn't it akin to using a dragon-slaying saber to kill a chicken with such a character and a dozen extreme grade Imperial Guards chasing after two five-star divine ancestors?

It was obvious that this was a very contradictory question!

Chen Xiaobei's sharp senses had locked onto this problem! He even directly raised his own doubts!"

"This ..."

The six-armed Ape King was obviously a strength-type powerhouse, but it did not seem to be very intelligent. It was at a loss for words when Chen Xiaobei asked it this question.

"Lord Ape King!"

At this moment, a Lion covered in snake scales behind him roared, "There's no need to talk nonsense with them! There were no outsiders here! He could just directly take action! What's there to explain!"

"Yeah ..."

The six-armed Ape King smacked its head and its fighting spirit was ignited again."I really did something unnecessary! There were no outsiders here! I don't need to enforce the law impartially! I'll just crush you and take your bloodline!"

Indeed, the six-armed Ape King was able to spy on Chen Xiaobei and mie xuanling's bloodline. That was why it had gathered so many people to capture them.

At that moment, there were no outsiders in the domain. The six-armed Ape King could do whatever it wanted, so it naturally did not have to be fair or reason. To put it bluntly, it would just be bullying the weak!

so, you guys are after our bloodline!?

Chen Xiaobei finally understood. No wonder the enemy had so many people and the six-armed Ape King.

In fact, they were afraid that Chen Xiaobei and mie xuanling would run away. It would be easier to track them down with more people.

"It's good that you know!"

The six-armed Ape King was extremely arrogant and threatened, "I advise you to obediently kneel on the ground and offer up your bloodline! This way, this King can let you all die a quick death! Otherwise,

this King will definitely let you know what it means to be unable to live or die! I'll let you suffer and regret your decision so much that you'll die with everlasting regret!"

"You're so long-winded!"

Chen Xiaobei said impatiently, "I also advise you to kneel down obediently, open up your soul and mind, and become my puppets! Otherwise, I won't target anyone, but you will all die!"

what???"

The six-armed Ape King and the Gokudo guards were instantly enraged! His heart was instantly provoked to the extreme! It could even be said to be a form of humiliation!

"Numbed! You're just a mere five-star divine ancestor. How dare you speak to us like this! I'm afraid you don't know how to spell the word 'death'!"

"What the f * ck! I've never seen such a pretentious person! A mere five-star divine ancestor actually dared to say that he wanted all of us to die? Did water enter his brain? Or is it feces?"

"Little brat! You have successfully enraged us! Speak! How do you want to die?"

"Go to hell! Little bastard! We will never let you off!"

.....

The six-armed Ape King and the Gokudo guards were all agitated and furious.

Their eyes were as sharp as swords, as if they wanted to cut Chen Xiaobei into pieces and grind his bones into dust.

After all, in their eyes, Chen Xiaobei was just a weak, useless ant!

They had thought that Chen Xiaobei would be so scared that he would wet his pants and kneel on the ground like a dog, begging for their mercy.

However, they did not expect Chen Xiaobei to tell them to all die!

To them, this was a huge provocation! It might even be a great humiliation that he would never forgive in his life.

However, facing the enraged six-armed Ape King and the Gokudo path guards, Chen Xiaobei and Qin Yitian were very relaxed and showed no fear.

Mie xuanling's beautiful eyes flickered and her fighting spirit was ignited. She said in a deep voice, "This time, let me take action! You can't always be the one doing the work! It would make me look useless!"

"That's good." alright! Chen Xiaobei nodded. He did not seem to care about the upcoming battle.

Then, mie xuanling stepped out.

The six-armed Ape King and the Gokudo guards, on the other hand, looked extremely disdainful. They did not take mie xuanling seriously at all!

“Whoosh ...”

In the next moment, mie xuanling released her pure and holy Saint Origin Energy without a word!

Seeing this scene, everyone was shocked!

Red Envelope Group of the Three Realms

Chapter 4686: loyal dog!

“Whoosh ...”

As mie xuanling’s Saint Origin Energy was released, the Holy and pure white light enveloped the entire space.

The terrifying energy fluctuations were like a tsunami, causing the heavens to collapse and the earth to crack. Everything in the surroundings trembled.

Then, the pure white holy light turned into stars that filled the sky. They intertwined and connected to form an endless star formation. It emitted a very powerful aura, as if it was an ancient star God that could destroy the heavens and illuminate the world!

Even Chen Xiaobei could not help but be shocked!

Mie xuanling’s strength could almost be said to be invincible among those of the same level! It was extremely powerful! It was extremely overbearing!

At the same time, the six-armed Ape King and the Gokudo path guards were all horrified. Their eyes were so wide that their eyeballs were about to fall out, and their mouths were so wide open that their jaws were about to fall off!

Immediately after that, gasps of shock erupted from the crowd!

“Oh my God ... This ... This woman is actually a nine-star divine ancestor! She ... She actually hid such a terrifying power!”

“It’s over ... It’s completely over now ... Let’s not talk about resisting! I even need a chance to escape ...”

“It’s too terrifying ... How did I encounter such an enemy! This time, we’ve really been too smart for our own good! If I had known, I wouldn’t have chased them!”

“Don’t talk nonsense! Hurry up and beg for mercy! We have no other way out except to beg for mercy!”

“Begging for forgiveness ... Right! Hurry up and beg for mercy!”

.....

At that moment, the six-armed Ape King and the Gokudo guards were all in shock. They were terrified and desperate!

In the face of an expert like mie xuanling, they had no ability to resist at all. They didn’t even have the chance to escape. They definitely couldn’t escape from mie xuanling’s palm.

Therefore, they knew very well that they had no choice but to beg for mercy!

Plop ... Plop ... Plop ... Plop ...

Soon, the six-armed Ape King and the Gokudo guards all knelt on the ground.

One by one, they kowtowed and begged for mercy hysterically. Their attitude was a 180-degree turn from before.

“Senior, please spare our lives ... Senior, please spare our lives ... It’s all our fault for being blind ... It’s all our fault for failing to recognize Mount Tai ... We know we were wrong ... Please, senior, have mercy on us and spare us this time ...”

The wailing and begging of the six-armed Ape King could be heard. It could be seen that the six-armed Ape King and the Supreme guards were very, very afraid of death.

In order to live, she really gave up all her pride and dignity.

He kept kowtowing, and even the ground was left with a huge pit. He was even more pathetic than a stray dog.

“So boring!”

Mie xuanling was just about to make a move when he saw this scene. His fighting spirit instantly dissipated and his interest was greatly reduced.

At this moment, in mie xuanling’s eyes, the six-armed Ape King and the Gokudo path guards were just a group of pitiful ants. They were not even worthy of her attack!

“Let me do it!”

Chen Xiaobei smiled and walked over.

“Alright,” he said.

Mie xuanling nodded. He really didn’t want to attack the six-armed Ape King and the Gokudo guards.

After that, Chen Xiaobei walked over.

don’t kill us ... Don’t ... We’ve already opened our soul and mind ... Please don’t kill us!!!

The six-armed Ape King and the Gokudo guards started wailing.

One by one, they kneeled on the ground, shivering, and cold sweat poured down their bodies like rain.

“If you were so sensible, wouldn’t it be simple?”

Chen Xiaobei smiled and activated Mo Sha’s possession ability.

Since Mo Sha’s possession ability was derived from Saint Pan’s devouring of the chaos, his ability was equivalent to the North Mystic’s sacred soul realm, which was the peak of a five-star divine ancestor!

“Whoosh, whoosh, whoosh ...”

After that, Chen Xiaobei activated Mo Sha’s possession and turned the Gokudo guards around him into his puppets.

Most people could only control one puppet at a time.

However, Chen Xiaobei's state of mind was strong enough, calm enough, and his intelligence was also extraordinary, so he could easily multitask.

In other words, Chen Xiaobei could control multiple puppets at the same time when necessary.

However, at this moment, there was no need to do so.

So, Chen Xiaobei put these puppets into the chaotic space, together with the origin Dao divine ancestor.

In the end, only the six-armed Ape King was left!

This guy's cultivation base had reached the peak of Seven Star divine ancestor!

Chen Xiaobei's Mo Sha's possession was no longer able to take over his body, and the divine path of heart and soul could no longer control him!

In the past, Chen Xiaobei would have had no choice but to kill him.

But now, Chen Xiaobei had a new trump card!

"Swish!"

Chen Xiaobei then took out the Scorpion-like Gu worm that the Supreme holy ancestor had given him.

The Supreme Holy extermination had also figured out the curse.

Chen Xiaobei had only read it once before and learned it.

"Whoosh ..."

Then, Chen Xiaobei activated the evil curse.

Soon, the Gu worm emitted a sinister black-purple holy light, which gave people a huge mental pressure.

what ... What is this?!

The six-armed Ape King was dumbfounded, and all three of its heads showed an extremely horrified expression.

"Open your mouth! Otherwise, die!"

Chen Xiaobei did not waste any time and threatened her.

"I ..."

The six-armed Ape King's face turned green. Its body trembled, and its heart beat wildly.

Of course, he knew that the Gu worm was not a good thing.

However, with mie xuanling standing by his side, he had no choice even if he was extremely unwilling.

"O-okay ..."

In the end, the six-armed Ape King obediently opened its mouth.

Chen Xiaobei was the one who hesitated.

This thing had three heads and three big mouths, which mouth should he put the Gu worm in?

However, after a moment of hesitation, Chen Xiaobei cleared his doubts. Although this guy had three mouths, he only had one soul!

Therefore, no matter which mouth he fed the glutton, he could control his soul! Just like mie cangheng, he would become a 100% loyal dog!

“Swish!”

Without hesitation, Chen Xiaobei threw the worm into the ape king’s mouth.

“Uh ...”

The six-armed Ape king’s throat felt a cold movement. Then, the coldness passed through his heart and reached his dantian, shrouding his soul.

“Uh ...”

A moment later, the six-armed Ape King’s expression changed drastically.

He was no longer afraid. Instead, he had a submissive look on his face and had completely become a 100% loyal dog.

And from now on, Chen Xiaobei’s plan would be extremely smooth!

[Red Envelope Group of the Three Realms](#)

Chapter 4687: Peak confrontation!

4687 Peak confrontation!

“Master!”

The six-armed Ape King knelt in front of Chen Xiaobei, waiting for his orders.

tell me, where is the birthplace of your race!?

Chen Xiaobei cut to the chase.

“That position is right below the Supreme domain of our race’s Supreme sacred ancestor! It’s an absolute forbidden area that belongs to my clan! Under normal circumstances, no one is allowed to enter without the permission of the Supreme divine ancestor!”

The six-armed Ape King said in a deep voice.

Chen Xiaobei and mie xuanling’s expressions turned complicated.

It was obvious that the origin of the Supreme Saint tribe was located in a very special place. It was almost as if it was right under the eyes of the Supreme Saint divine ancestor!

If Chen Xiaobei and mie xuanling were to get close, the Supreme holy ancestor would definitely notice!

It could be said that there was almost no chance of entering it!

This meant that the possibility of Chen Xiaobei stealing the extreme divine blood was almost zero!

“This is going to be troublesome!”

Chen Xiaobei frowned and looked at mie xuanling.

At this moment, mie xuanling’s face was also filled with despair. He couldn’t think of any way to break out of this situation.

master, why do you want to go to the origin of my clan?!

The six-armed Ape King asked.

“We need an extreme divine blood!” Chen Xiaobei answered.

extreme divine blood!?

The six-armed Ape King was stunned and quickly said, “There’s no more extreme divine blood in my clan’s birthplace!”

“What!” Chen Xiaobei and mie xuanling’s hearts took a huge blow.

One had to know that the hatred between the Holy extermination clan and the Holy Shi clan could only be resolved with extreme divine blood.

If they couldn’t obtain the extreme divine blood, then there would always be the risk of war between the Holy extermination clan and the Holy Shi clan.

In fact, the Holy Shi clan might even choose to ally with the Supreme sacred ancestor of the Saint burial.

By then, the Holy extermination clan would have been annihilated without a doubt. Even Chen Xiaobei could not change that.

The six-armed Ape King continued to explain, “not long ago, a new drop of extreme divine blood was gathered in the place of origin!” Soon after, it was taken away by our race’s Supreme divine ancestor!”

how did you know about such a big thing?! Chen Xiaobei was confused.

After all, the six-armed Ape King wasn’t a member of the core upper echelons, so there was no reason for him to be informed that the Supreme divine ancestor had taken the extreme divine blood.

“The entire Supreme Saint tribe knows about this!”

“Master, do you know that the great elder of the yuan Sage clan is going to choose a son-in-law through a martial contest?” the six-armed Ape King asked.

“I know!” Chen Xiaobei nodded.

In fact, Chen Xiaobei had already heard about the yuan Sage clan’s martial arts competition when he first arrived at the ancestral sacred region.

At that time, Chen Xiaobei even wanted to attend it himself.

In Chen Xiaobei's opinion, the Yuan Sage clan and the sky-burier Yuan Sage clan were mortal enemies. So, as long as Chen Xiaobei became the son-in-law of the core Grand Elder, he would be able to gain the support of the Yuan Sage clan to fight against the sky-burier Yuan Sage clan!

What Chen Xiaobei did not expect was that the joust for a spouse Festival would start from the outer circle of the large clans. They would compete layer by layer, and it would take a long time to determine the final winner.

It was even possible that the middle level competition was still going on.

Therefore, Chen Xiaobei gave up on the idea of joining the martial arts competition. After all, by the time the competition was over, the battle between Chen Xiaobei and the sky-burier sacred clan might have already ended.

As for why the six-armed Ape King would bring up the joust for a spouse event, Chen Xiaobei was also puzzled.

the reason why our Supreme divine ancestor took away the newly-gathered drop of extreme sacred blood was to use this Supreme sacred object as a betrothal gift and send it to the Yuan Sage clan to propose marriage for his son! the six-armed Ape King continued.

"The son of the Supreme Saint Supreme divine ancestor? Betrothal gift? Marriage proposal?" Chen Xiaobei and Mie Xuanling were shocked to hear this.

On one hand, this was the first time that Chen Xiaobei and Mie Xuanling had heard that the Supreme holy ancestor had a son!

However, after thinking about it carefully, this was not strange at all.

Even the profound Sage Supreme divine ancestor had a daughter, Xuan Zhenyi!

The Supreme Saint tribe placed great importance on the continuation and development of their bloodline. The Supreme Saint divine ancestor naturally wanted to have a son to continue his bloodline!

Judging from Xuan Zhenyi's strength, the son of the Supreme Saint and the Supreme divine ancestor probably also had extremely terrifying strength!

It was precisely because of this that the Supreme divine ancestor was certain that his son would have the last laugh in the joust for a spouse event. Therefore, he had prepared the betrothal gifts in advance and married the daughter of the Yuan Sage core elder in a grand manner!

Furthermore, the Supreme Saint tribe placed great importance on the continuation of their bloodline!

Therefore, finding a wife for his son and carrying a grandson soon was definitely the Supreme Holy paramount divine ancestor's greatest wish!

It was precisely because of this that the Supreme holy ancestor was willing to give a drop of extreme divine blood, which he had spent countless years to condense, as a betrothal gift. It could really be considered a big deal!

in other words, this drop of extreme sacred blood will most likely end up in the hands of the first elder of the Yuan Sage Tribe! Chen Xiaobei's eyes focused on a spot further away.

"Not necessarily!"

The six-armed Ape King shook its head and said, "After all, in addition to the Supreme holy ancestor's son, there will also be the Supreme holy ancestor's sons, as well as the Supreme holy ancestor's sons, who will also participate in the final competition! It's known as the ultimate battle between the three great Holy Sons!"

"What? The son of a profound Sage's Supreme divine ancestor is also here to join in the fun?" Chen Xiaobei was confused.

According to reason, the profound Sage clan's groom search was to obtain new allies to fight against the sky burial Yuan sacred clan!

The son of the profound Sage Supreme divine ancestor was also participating in the competition. If he won in the end, wouldn't he lose a good opportunity to recruit allies?

Wasn't this self-contradictory?

"It's said that the son of the profound Sage's Supreme divine ancestor didn't want to participate."

however, this guy seems to be very competitive," the six-armed Ape King said. once he heard that the other two Holy Sons were participating, he couldn't sit still and insisted on signing up for this battle between the top Holy Sons!

"You're really willful!"

Chen Xiaobei's expression was complicated. "This way, the situation is even more complicated! We don't even know where the extreme divine blood will end up! There's almost no hope of getting it!"

"That's right, this mission is destined to fail!" Mie xuanling's face was also filled with anxiety. The word "worried" was already written all over her pretty face.

"That's not necessarily true!"

However, the six-armed Ape King came up with a new solution at this moment.

[Red Envelope Group of the Three Realms](#)

Chapter 4688: spit out!

Seeing that the ape King had an idea, Chen Xiaobei and miexuan Ling perked up their ears and looked very angry.

"My clan's Supreme divine ancestor is extremely eager to hold a grandson. We can't afford to lose!"

"If we can defeat the son of the Supreme holy ancestor, we can negotiate with the Supreme holy ancestor and get him to give us his extreme divine blood. Then, we can lose to his son on purpose in the competition!" The six-armed Ape King said.

this ... both Chen Xiaobei and miexuan Ling were stunned.

He had never expected the six-armed Ape King to come up with such a trick.

This plan was very complicated.

First of all, he had to defeat the son of the Supreme holy ancestor. Then, he had to negotiate with the Supreme holy ancestor. Finally, he had to lose to the son of the Supreme holy ancestor in the joust for a spouse Festival without anyone knowing!

The entire process seemed to only have three steps, but in reality, it was extremely difficult.

Firstly, it was impossible for Chen Xiaobei and mie xuanling to defeat the son of the Supreme Holy Supreme divine ancestor in a short period of time!

The second part would be whether he would infuriate the Supreme holy ancestor when negotiating terms with him, and the Supreme holy ancestor would personally kill him! After all, rather than asking Chen Xiaobei to admit defeat, it would be much easier to just kill him!

Finally, how to lose the match without revealing any flaws in the joust for a spouse's arena was also a great question! If they lost in a way that was too fake, the Supreme Holy Saint and his son would lose a lot of face! In fact, it might even anger the profound Sage Tribe!

To sum it up, the six-armed Ape King was not an intelligent person. It was no different from not coming up with such a plan since the success rate was almost zero.

"It seems that this mission can no longer be continued!"

Mie xuanling's face was filled with despair. She could not help but look at Chen Xiaobei with a complicated expression. She wanted to say something but stopped.

"Just say what you want to say. There's no need to be so wishy-washy between us." Chen Xiaobei saw through mie xuanling's plan.

To Chen Xiaobei, mie xuanling was now a friend he could completely trust. So, there was nothing that he could not tell her.

"I'm thinking, can I bring my master into the secret realm?"

Mie xuanling said, 'nine hearts turtle ancestor, please help treat my master's injuries! This way, even if the Holy Shi tribe can't resolve the enmity between us, master can still resist for a while!"

Clearly, mie xuanling had been seriously injured and almost lost her life. It was only after she followed Chen Xiaobei to the ten thousand secret realm that the nine-heart turtle ancestor had healed her.

At this moment, seeing that the task of resolving the hatred could not be completed, mie xuanling had no choice but to think of this method.

As long as he could heal the Supreme holy ancestor, he would at least be able to protect himself in times of danger, even if he couldn't reverse the situation.

"There's no need for that!"

no! Chen Xiaobei shook his head and said, " the nine hearts turtle ancestor used the one word Saint destroyer curse to heal people's injuries! The special ability of the spell of birth was the same as the special ability of the Holy life tribe! Now that the Holy extermination clan and holy life clan have formed an alliance, I'll speak to the Holy life Supreme divine ancestor. He'll naturally be able to heal your master's injuries!"

Obviously, Chen Xiaobei had a better understanding of the situation!

If the life Saint Supreme Saint ancestor were to treat the Holy destruction Supreme Saint ancestor, the same result would be achieved. Therefore, there was no need to use the nine heart turtle ancestor's power!

Furthermore, the nine hearts turtle ancestor's treatment of people was not without conditions.

It was because Chen Xiaobei had found a Saint Soul of 10000 DAOs and had received a reward, which allowed him to get the nine-heart turtle ancestor to heal him once.

Therefore, not only was it unnecessary for the nine hearts turtle ancestor to treat the Supreme holy ancestor, but it was also not worth it!

you're right ... mie xuanling nodded in agreement.

After things had developed to this point, mie xuanling was completely silent.

On the one hand, he couldn't resolve the hatred. On the other hand, mie xuanling couldn't think of what to do next.

In an instant, they fell into silence and a stalemate.

"Uh ... Uh ah ..."

However, the six-armed Ape King suddenly let out a painful wail.

Then, an unexpected scene appeared!

"Ugh ... Blargh ..."

The six-armed Ape King suddenly retched.

The Gu worm that was just sent into its mouth was actually spat out again.

What was even more strange was that the Gu worm was actually trembling, and its aura was extremely weak, as if it had suffered a serious injury.

what ... What's going on?!

Chen Xiaobei and mie xuanling were both shocked.

One had to know that this type of Gu worm was a very powerful and overbearing existence!

Back then, even mie xuanling's father, mie cangheng, was firmly controlled by this Gu worm and could not resist it at all!

Mie cangheng was a peak nine-star divine ancestor!

On the other hand, the six-armed Ape King was only a peak seven-star divine ancestor. The gap between them couldn't be measured by many times. They were on completely different levels!

However, this Gu worm could firmly control mie cangheng, but it was severely injured in the six-armed Ape King's body and was forcefully expelled!

This result was simply inconceivable! It couldn't be explained with common sense!

That was why Chen Xiaobei and mie xuanling were dumbfounded. It was beyond their expectations!

"You ... How did you do that?"

Chen Xiaobei looked at the six-armed Ape King in confusion.

"I ... I didn't do anything ..."

However, at this moment, the six-armed Ape King was also at a loss. It had no idea why it had spat out the Gu worm.

"Don't rush to a conclusion! Let's focus on the changes in my body first!" Chen Xiaobei said seriously.

"O-okay ..."

Even though the six-armed Ape King was no longer under the control of the legendary venomous insects and was no longer Chen Xiaobei's loyal dog, he was still very afraid of Chen Xiaobei and mie xuanling. So, he naturally listened to Chen Xiaobei and did not dare to disobey him.

Then, the six-armed Ape King started to concentrate and sense the changes in its body.

After some time, the six-armed Ape King suddenly looked surprised.

He exclaimed, "I ... I feel like there's something extra in my soul!?" "But I can't be sure what the extra thing is!" This is really too strange!"

soul!?"

Chen Xiaobei's expression changed. "Are you saying that there is something extra in your soul? Don't tell me ..."

[Red Envelope Group of the Three Realms](#)

Chapter 4689: King's explosion!

4689 King's explosion!

could it be what!?"

The six-armed Ape King was dumbfounded and looked at Chen Xiaobei anxiously.

It was obvious that the six-armed Ape King really did not know about the mystery in its soul. It was even more nervous than Chen Xiaobei.

"Hurry up and tell me! What was it? Don't keep us in suspense!"

At the same time, mie xuanling's face was filled with curiosity. She could not wait for Chen Xiaobei to answer.

I'm guessing that the extra thing might be the 10000-Dao-Saint Soul!

Chen Xiaobei gave his answer.

"10000 Saint souls? What is that?" The six-armed Ape King was still confused. It had no idea what 10000 Saint souls meant.

R-really?! Mie xuanling, on the other hand, was shocked.

Even though mie xuanling did not know what 10000 Saint souls meant, she had been to the 10000-path secret realm with Chen Xiaobei once and had seen the scene of 10000 Saint souls returning to their positions. So, she had a rough idea of what it meant.

"It's very possible!"

"Ten thousand Saint souls can not be destroyed!" Chen Xiaobei said. Invulnerable to all techniques! Ten thousand tribulations would not grind! This is the only reasonable explanation for the Gu worm being spat out and being severely injured!"

Chen Xiaobei had witnessed the power of 10000 divine souls!

The third 10000-Dao-path Saint Soul had shattered the Supreme Saint ancestor's Orb of Destruction!

It was evident that no attack in the world could hurt the Saint souls. Instead, they would suffer a destructive counterattack!

In the same way, all the sealing techniques in the world were ineffective against the 10000 Saint souls!

In fact, that Gu worm might have sensed danger and escaped on its own accord. That was why it was able to keep its life, but it was only heavily injured.

If he kept imprisoning and attacking 10000 Saint souls like the Saint destroyer Pearl, he would be absolutely destroyed.

Of course, there was another explanation. The Saint souls didn't have energy. They needed to absorb the attacks from the outside world to turn into their own energy and counterattack.

At this moment, this Gu worm didn't have much energy. The key was that it ran fast, so it didn't have much energy absorbed by the Saint souls, which was why it was still alive!

If it dared to attack the 10000 Saint souls, it would probably spit out the broken corpses of the Gu worms!

Considering the above circumstances! It was almost certain that there were 10000 Saint souls in the soul of the six-armed Ape King!

"However, this type of Gu worm can't control the soul of a Supreme divine ancestor!" what? "mie xuanling asked. how do you know if it's the 10000 Saint souls or the Supreme divine ancestor's soul?"

"I'm afraid you're too anxious!"

if the six-armed Ape King's soul is a Holy ancestral level, the Gu insect would not have been able to control it! Chen Xiaobei said.

“And the Gu worm was only spat out after being heavily injured after controlling him for a period of time! This is in line with the characteristics of 10000 Saint souls!”

Chen Xiaobei's analysis hit the nail on the head.

If the six-armed Ape King's soul was at the Supreme holy ancestor level, it would have been impossible to control it from the start!

In the soul of the six-armed Ape King, there were 10000 Saint souls. At first, the Saint souls had no energy, so the six-armed Ape King was controlled for a while. After the Saint souls absorbed some energy, they launched a counterattack!

After this analysis, Chen Xiaobei was even more certain of his deduction!

There was a high chance that there was a Saint Soul of 10000 DAOs in the soul of the six-armed Ape King!

this ... mie xuanling was instantly excited. if that's the case, you can send this Saint Soul back to the ten thousand Dao secret realm. Won't You Be able to get another reward from the nine-heart turtle ancestor? ”

“It's like this!”

yes! Chen Xiaobei nodded and said, ” but it would be a loss for me if I send it back!

why is that?! Mie xuanling was stunned.

Obviously, mie xuanling wasn't there when the 10000 Saint souls destroyed the annihilation Saint orb, so she had no idea how powerful they were!

In other words, Chen Xiaobei had a super king Bomb in his hand!

When used at a critical moment, it could even defeat a Supreme Saint ancestor and a Supreme true treasure!

To Chen Xiaobei, this was a significant increase in power!

So, Chen Xiaobei did not plan to return the Saint Soul to the 10000-path secret realm immediately. He wanted to keep it with him so that he could find a chance to blow up the Zhangwang bomb and maximize his benefits!

With the Zhangwang bomb in his hand, Chen Xiaobei could even plot against the Saint burial's Supreme holy ancestor!

If they were lucky, they could even take away the Saint burial and put an end to all the chaos!

However, looking at the current situation, Chen Xiaobei could only plan for the time being. He did not dare to act rashly. After all, there was still a demonized great saint Supreme divine ancestor beside Saint burial!

If you can't get rid of them all, it's best not to do it.

Otherwise, if one of them was killed, Chen Xiaobei would be killed by the other one without Wang Zha.

This was equivalent to injuring 1000 enemies and losing 1000 of their own!

Chen Xiaobei would never do such a stupid thing!

"Hahaha ..."

However, at this moment, the six-armed Ape King suddenly laughed wildly. "You two idiots! I have already regained my freedom! You're actually still talking to yourselves! You're not putting me in your eyes!"

huh?!

Chen Xiaobei and mie xuanling looked at the six-armed Ape King warily.

"Zhenzhen ..."

Right at this moment, a spatial Rift suddenly appeared in the void.

Then, an extremely terrifying figure appeared from the crack.

While Chen Xiaobei and mie xuanling were discussing, the six-armed Ape King had used a communication rune to call for reinforcements. It had also sent the location of the location to the ape King so that the reinforcements could come to them!

Chen Xiaobei and mie xuanling had not expected this.

After all, just a moment ago, the six-armed Ape King was still crawling on the ground like a stray dog, reverent and lowly.

She really didn't expect that after he regained his freedom, he would pretend to be a coward while secretly calling for help!

Of course, although this step was unexpected, it was completely within reason.

After all, they were currently in the real world, and the communication runes could contact others.

If they were in an independent space, the six-armed Ape King would not be able to do this.

Chen Xiaobei and mie xuanling had been too careless, and the situation had turned into a crisis.

But even so, Chen Xiaobei was not afraid!

After all, with the king Bomb in hand, the world was his!

[Red Envelope Group of the Three Realms](#)

Chapter 4690: Mount!

what ... What a terrifying aura ... I feel like this guy is much stronger than me ...

Mie xuanling revealed an extremely surprised and nervous expression.

don't think too much about it. We'll control the six-armed Ape King first and seal his cultivation. We'll keep him firmly in our hands!

Chen Xiaobei did not even look at the strong man who had appeared out of nowhere. Instead, he ordered mie xuanling to control the six-armed Ape King.

After all, to Chen Xiaobei, the six-armed Ape King was a super king Bomb!

As long as he used it at the right time, even if the Supreme divine ancestor came, he would definitely be defeated and die on the spot!

"O-okay ..."

Even though mie xuanling was panicking, to her, Chen Xiaobei was her absolute pillar of support. He was someone she trusted and obeyed her one hundred percent.

Therefore, mie xuanling immediately focused his mind and attacked the six-armed Ape King.

"Damn ..."

As they were very close to each other and mie xuanling's strength was far stronger than the six-armed Ape King's, the ape King had no chance of escaping.

"Whoosh ..."

In an instant, mie xuanling's powerful Saint Origin Energy enveloped the six-armed Ape King.

It was like a pure white cage that left the six-armed Ape King with nowhere to escape.

Chen Xiaobei quickly reminded, " just seal his cultivation. Don't touch his soul!

Obviously, there were 10000 Saint souls in the soul of the six-armed Ape King. If he touched it rashly, he would suffer a strong backlash like the Gu worm just now. It was very, very dangerous!

"Good! I got it!"

Luckily, mie xuanling was very obedient to Chen Xiaobei and would not do anything unnecessary.

"Whoosh ..."

With mie xuanling's will, the ape King's cultivation was completely sealed. Under such circumstances, even if mie xuanling did not use her Saint Qi to cover it, the ape King would not be able to escape from Chen Xiaobei and mie xuanling.

"Childish!"

However, at this moment, the Super powerhouse who had just arrived let out an extremely disdainful and disdainful voice.

He said coldly, "do you think you can threaten me just because you have six arms?" Heh, in my eyes, six-arm is nothing but an ant. Even if I stomp him to death, I will not show the slightest pity or reluctance! Do you understand?"

In the eyes of this super Overlord who had just arrived, Chen Xiaobei and mie xuanling were using the six-armed Ape King as a hostage to threaten him.

However, this super Overlord who had just arrived saw Chen Xiaobei, miexuan Ling, and the six-armed Ape King as mere ants!

He was extremely cold and heartless. Even if he were to stomp the six-armed Ape King to death, it would not matter!

It was the most childish and ignorant act to threaten him with a hostage!

However, what he did not expect was that the six-armed Ape King was not a hostage to Chen Xiaobei. It was a super king Bomb that could turn the tide!

“Lord long que, the Emperor of the abyss! I beg you to save me ... No matter what, I’ve provided you with important information ... These two people’s bloodlines are very, very special ... I beg you to take into account my contributions and save me ... Please don’t kill me too! I’m begging you ...”

The six-armed Ape King wailed in pain.

It was obvious that this fellow was extremely afraid of death. However, at this moment, the long que Emperor of the underworld did not care about his life at all.

This really made him anxious!

“Shut up!”

The Dragon Sparrow Emperor let out an angry roar and said with extreme disdain, “You still have the face to talk about credit to me? If you hadn’t fallen into a dead end, you would have taken the two special bloodlines for yourself! You still remember me? Do you think I’m a fool?”

It was obvious that the long que underworld Emperor wasn’t stupid. He had calculated everything clearly.

Indeed, if it wasn’t for the fact that the six-armed Ape King had fallen into a hopeless situation, he wouldn’t have contacted the Dragon Sparrow Emperor of the underworld! Chen Xiaobei and miexuan Ling’s bloodlines would also be swallowed by him!

Therefore, the six-armed Ape King did not make any contributions to Emperor of the underworld! Instead, he was troubling her to come and save him!

Because of this, long que underworld Emperor didn’t care about the six-armed Ape King’s life at all!

“I ...”

The six-armed Ape King wanted to cry but had no tears.

If the six-armed Ape King had just been Chen Xiaobei’s loyal dog and did not do anything funny, Chen Xiaobei would not have killed it!

However, the six-armed Ape King thought he was smart and found Emperor of the abyss!

Chen Xiaobei would not let the six-armed Ape King off the hook. The Dragon Sparrow Emperor did not care about the ape King's life. If he made a move, the ape King would die!

In this way, the six-armed Ape King was like Zhu Bajie's mirror, not knowing what to do!

It was a typical case of shooting oneself in the foot and being too smart for one's own good. He was really stupid!

At the thought of this, the six-armed Ape King was filled with regret! He wanted to vomit blood!

"Don't talk nonsense, just introduce us! Who is this?"

Chen Xiaobei looked at the long que Emperor with interest. He was very interested in his identity.

That was because, apart from having a profound cultivation base, the true form of Emperor of the abyss, long que, was also very unique!

His main body was in the form of an Azure Dragon, but there were feathers like sparrows on his back. He also had a pair of nine-colored wings that were so huge that they could cover the sky. It was extremely gorgeous.

His head was in the shape of a Sparrow's head with dragon horns, just like the nine-colored Sparrow Emperor. He wore a crown with dragon horns and looked very, very domineering.

Chen Xiaobei had never seen such a sacred beast before, so he was very curious.

Of course, this was mainly because Chen Xiaobei had the Wang bomb in his hand. So, he was very relaxed. He did not look like he was facing a strong enemy. Instead, he looked like he was toying with a weak person!

"Yes, yes, yes ... I'll introduce you immediately!"

The six-armed Ape King nodded and said, "This long que great netherworld Emperor is the core great elder of our Supreme Saint tribe! He had the cultivation base of a peak nine-star divine ancestor! Furthermore, the Dragon Sparrow xuanming bloodline could also bring about many additional benefits! That's why the Dragon Sparrow underworld Emperor is extremely powerful. In terms of combat power, he can rank in the top three below the Supreme divine ancestor!"

"He's really amazing ..."

The anxiety and fear in mie xuanling's heart soared when she heard this.

In terms of cultivation base, there was a huge gap between mie xuanling and Emperor of the abyss that could not be filled.

Even if the Dragon Sparrow Emperor of the underworld didn't use his bloodline power, he could easily crush mie xuanling without any suspense!

"Yes, it's quite powerful ..."

Chen Xiaobei nodded and said, "You are qualified to be my Mount!"
