Red Envelope Group of the Three Realms

Chapter 4691: Throw him out!

4691 Throw him out!

“What?”

A single stone caused a thousand ripples.

Chen Xiaobei’s simple words had stunned miexuan Ling, the six-armed Ape King, and the Dragon Sparrow Emperor.

you ... How dare you!?

The six-armed Ape king’s mouth was wide open, and its scalp was numb. It looked at Chen Xiaobei as if he was crazy.

She could not understand how Chen Xiaobei dared to provoke the Dragon Sparrow Emperor like this! Could it be that he thought that direct death was too boring and wanted to take the initiative to apply for a “not having a good death” package?

If he wasn’t a lunatic, then what was he?

“Bei Xuan divine ancestor ... What ... What are you thinking? We’re no match for this powerful being ...”

At the same time, mie xuanling’s brows were furrowed. Her face was filled with surprise, shock, and horror. Her heart was in a state of turmoil that could not be calmed down. She was even quickly swallowed by great despair.

After all, in mie xuanling’s eyes, Emperor long que of the abyss was an invincible existence!

More importantly, not only would he not be able to defeat mie xuanling, even Chen Xiaobei would not be able to defeat her!

This was because mie xuanling knew Chen Xiaobei’s actual cultivation level. She also knew that Chen Xiaobei had only used his aura to suppress the six-armed Ape King!

It was almost impossible to use the same method to intimidate the long que great netherworld Emperor into submission!

That was why mie xuanling believed that there was no way Chen Xiaobei could defeat his opponent. So, why would Chen Xiaobei go and provoke his opponent?

you ... You ... What did you say?!

On the other side, long que, the netherworld Emperor, was extremely surprised. He couldn’t believe what he had heard.

After all, long que was the great netherworld Emperor, one of the core elders of the Supreme Saint tribe. His cultivation could be ranked in the top three below the Supreme Saint ancestor!

Under such circumstances, no one would dare to show the slightest disrespect to the long que great underworld Emperor!

Even the Supreme divine ancestor would never say that Emperor long que was qualified to be a Mount!

That was why long que thought he had heard wrong when Chen Xiaobei said that!

The Dragon Sparrow Emperor couldn't understand how a dying ant could be so arrogant! Did water get into his brain?

"I said, you are qualified to be my Mount!"

Chen Xiaobei repeated it again so that long que could hear it clearly.

"If you come over now, kneel in front of me, and swallow that legendary venomous insect on the ground," Chen Xiaobei added, "and become my Mount, I can spare your life! If you dare to refuse, then I'm sorry, but I can't guarantee that you'll be able to leave your corpse intact!"

The six-armed Ape King and mie xuanling were even more dumbfounded. Their scalps went numb and their eyes were so wide that they looked like they were about to fall out.

you ... What did you say?!

At the same time, the long que underworld Emperor's eyes were wide open in anger. He bared his teeth, and flames of anger seemed to be about to burst out of his eyes.

It was obvious that Emperor long que had heard him clearly this time.

This puny ant really wanted to make him, a super expert, his Mount!

There was no doubt that this wasn't just a simple provocation to the long que underworld Emperor. It was a huge humiliation!

The Gu worm on the ground was ugly and disgusting. It was covered in the six-armed Ape King's stomach acid and saliva ... To a proud and powerful figure like Emperor of the abyss, it was definitely harder to swallow this than to kill him!

Swallowing this thing and then becoming Chen Xiaobei's Mount was double the humiliation!

It was no exaggeration to say that the Dragon Sparrow great netherworld Emperor had never been so humiliated in his life! He was really furious and filled with killing intent!

"Hiss ... It's over ... It's all over ..."

The six-armed Ape King was so frightened that its face turned pale and its eyes went blank as if it had lost its soul.

The long que underworld Emperor didn't care about the six-armed Ape King's life to begin with.

At that moment, Emperor long que was thoroughly enraged. The six-armed Ape King had never seen Emperor long que so angry in his life.

To the ape King, as long as the Dragon Sparrow Emperor attacked, he would kill Chen Xiaobei, mie xuanling, and the ape King himself.

The six-armed Ape King fell into complete despair at the thought of this.

North Mystic Divine ancestor ... What ... What are you trying to do?!

At the same time, mie xuanling was also in despair. But unlike the six-armed Ape King, she had absolute trust in Chen Xiaobei.

Even though Chen Xiaobei's actions had made mianxuanling desperate!

However, mie xuanling still blindly believed in Chen Xiaobei. Even though it looked like they were going to die, Chen Xiaobei might still have a backup plan that could change the situation!

After all, mie xuanling and Chen Xiaobei had been together for quite some time. They had encountered this kind of situation many times!

It was as if Chen Xiaobei was born to create miracles! It was born to break the impossible!

Therefore, in the midst of extreme despair, mie xuanling still had a trace of hope and longing in his heart, waiting for a miracle to happen again!

“Go to hell!”

Then, long que Emperor of the underworld let out a terrifying roar that shook the heavens and earth!

In an instant, an endless stream of Saint Origin Energy surged out from long que underworld Emperor's body like a tsunami, enveloping the entire space!

The Saint Origin Energy turned into Saint Dragons and circled the sky. There were also billions of nine-colored Saint wings. It was magnificent and magnificent!

Of course, the magnificence was only the appearance. Under this dazzling holy light, there was a terrifying killing intent!

There was no doubt that the Dragon Sparrow great netherworld Emperor was truly enraged!

At this moment, not only did he activate his Saint Origin Energy, he also activated the power of his bloodline to boost his battle prowess. He even used the special ability of the Supreme Saint tribe to unleash the power of his bloodline to the extreme!

It wasn't an overstatement to say that long que had unleashed his most powerful killing move! Even an ordinary peak nine-star divine ancestor wouldn't be able to withstand it!

In such a situation, the six-armed Ape King and mie xuanling could not help but close their eyes.

The six-armed Ape King was already waiting for its death.

And mie xuanling was praying for a miracle to happen!

Chen Xiaobei suddenly shouted, “Xuan Ling! Don't close your eyes! Hurry up and throw the six-armed Ape King out!”

“What?”

As soon as he said that, everyone at the scene was instantly dumbfounded.

Throw him out?

What kind of international joke is this?

[Red Envelope Group of the Three Realms](#)

Chapter 4692: Deliberately infuriating!

4692 Deliberately infuriating!

The six-armed Ape King was about to cry!

What kind of crazy operation was this? What’s the use of throwing me out?

The six-armed Ape King had always been afraid of death, but when he secretly called for reinforcements to kill Chen Xiaobei, he was doomed to die! Chen Xiaobei was not a good person. There was no way he would let him go!

The six-armed Ape King was already mentally prepared for death.

However, the six-armed Ape King had never imagined that it would die by being thrown out.

He threw it at the full-power attack of a Supreme sacred ancestor!

It was not just the six-armed Ape King. In this world, there were probably not many people who had enjoyed such a way of dying. It was really a super weird thing!

“Idiot!”

At the same time, the Dragon Sparrow Emperor let out an extremely disdainful voice. He looked at Chen Xiaobei as if he was looking at a super idiot whose head had been kicked by a donkey!

One had to know that the Dragon Sparrow Emperor was a peak nine-star divine ancestor! His strength was already extremely tyrannical!

Moreover, the Dragon Sparrow Emperor had been angered by Chen Xiaobei, so he had activated his bloodline ability to boost his power. He had even used the extreme Saint tribe’s Gokudo path ability to maximize the power of his bloodline ability!

In this situation, only two people below the Supreme divine ancestor could resist long que’s attack!

If it was anyone else, they would definitely be crippled or killed by this move. They would definitely not have any good ending!

And now, Chen Xiaobei was trying to throw the six-armed Ape King out. In The Eyes of the Dragon Sparrow Emperor, this was a meaningless and stupid move. It would not change the final result!

“Swish!”

Mie xuanling did not look suspicious at all, but she did not hesitate to throw the six-armed Ape King out of the way.

“North Mystic Divine ancestor! What ... What is this for?”

It was only after throwing out the six-armed Ape King that mie xuanling could not help but ask.

After all, no normal person would be able to understand what Chen Xiaobei was trying to do!

“Don’t ask! If you ask, you’ll be a King!”

Chen Xiaobei shrugged with a smile on his face. His tone was calm as if everything was under his control. He did not even care if he won or lost!

For a moment, long que underworld Emperor, mie xuanling, and even the six-armed Ape King who had been thrown out all had expressions of disbelief on their faces!

Chen Xiaobei was supposed to be at an absolute disadvantage, but his attitude and expression showed that he was the ultimate winner!

“BOOM!”

In the next moment, with a loud explosion, the six-armed Ape king and emperor of the abyss’s powerful killing move collided in mid-air!

Oh no!

To be more precise, the six-armed Ape King’s body and soul were crushed by the terrifying shockwaves when it was a few hundred meters away from the Dragon Sparrow Emperor’s power. It was burned to ashes by the terrifying heat, leaving no trace behind!

At this moment, the thing that was truly clashing with long que’s power was actually the 10000 Saint souls that were hidden in the six-armed Ape King’s soul!

“Hmm? What is that thing?”

Long que felt that something was wrong and looked at the center of the battle with a grave expression.

The Dragon Sparrow Emperor did not expect Chen Xiaobei to have a trump card that could withstand his most powerful attack! This was simply unbelievable!

What shocked long que the underworld Emperor even more was that he couldn’t tell the level of that thing. Instead, he could feel a terrifying pressure from it!

In such a situation, even someone as powerful as the Dragon Sparrow great netherworld Emperor couldn’t help but panic!

Just a moment ago, the Dragon Sparrow Emperor was looking down on Chen Xiaobei and saw him as a brainless idiot!

However, at this moment, Emperor of the underworld long que had an extremely bad feeling!

He had been slapped in the face by the crowd, and his expression turned extremely ugly!

that ... That is!?

At the same time, mie xuanling seemed to have recognized the 10000 Saint souls.

After all, mie xuanling had gone to the ten thousand secret realm with Chen Xiaobei once and had seen ten thousand Saint souls with her own eyes!

However, mie xuanling didn't know the specific function of 10000 Saint souls!

In mie xuanling's eyes, the 10000 Saint souls were a mission item. As long as they returned to the nine-heart turtle ancestor, they would get a reward!

What mie xuanling didn't know was that the 10000 Saint souls were one-ninth of the souls of the ancestor of all DAOs! Not only was it an undying existence, but it also had an extremely powerful ability to protect itself. It absolutely could not be offended in the slightest!

"Whoosh ..."

At the same time, from an outsider's point of view, the 10000 Saint souls and Emperor of the abyss's attack seemed to have reached a delicate balance and were in a stalemate in the sky!

However, only Chen Xiaobei knew that this was not a stalemate!

The 10,000 Saint souls were actually absorbing the energy from Emperor long que's attack. The real attack had yet to begin!

In other words, the 10000 Saint souls hadn't even exerted their strength, but they were already on par with the long que underworld Emperor's power. This showed how huge the gap between the two was!

Of course, this was mainly because there was no energy inside the 10000 Saint souls! Therefore, if it wanted to launch an attack, it had to first absorb the power of the opponent's attack! The stronger the opponent's attack, the more energy it absorbed, and the stronger the counterattack it launched.

This was a self-preservation mechanism of the 10000 Saint souls! Before being directly threatened, one would not be able to sense its existence at all. However, as long as one was threatened by energy, the self-protection mechanism would be activated directly. It would absorb the other party's energy, strengthen it, and counterattack, giving the enemy the most powerful blow to kill!

In fact, no one understood why Chen Xiaobei had angered the Dragon Sparrow Emperor!

At this moment, the answer had already surfaced!

It was precisely because the more powerful long que underworld Emperor's attack was, the stronger the counterattack of the 10000 Saint souls would be!

After all, in long que's eyes, Chen Xiaobei and mie xuanling were as weak as two ants. Under normal circumstances, long que would not even need to attack with all her might!

In this way, the counterattack of the 10000 Saint souls might not be strong enough to kill Emperor of the abyss long que in one blow!

As long as the 10000 divine souls could not kill Emperor long que, he would not make the same mistake again, and Chen Xiaobei and miexuan Ling would lose all chances of winning!

That was why Chen Xiaobei had deliberately asked the Dragon Sparrow Emperor to be his Mount. This had completely enraged him, and he had unleashed his strongest attack!

The result of Dragon Sparrow underworld Emperor's full effort was a death sentence for himself!

Red Envelope Group of the Three Realms

Chapter 4693: Too late!

4693 Too late!

"Boom boom boom ..."

With a terrifying explosion, the 10000 Saint souls finally launched a counterattack!

Everything was within Chen Xiaobei's expectations, but not the Dragon Sparrow Emperor's!

In long que underworld Emperor's eyes, the 10000 Saint souls were only on par with him in terms of power. They didn't pose any threat to him.

Therefore, even though long que underworld Emperor couldn't see the level and quality of the 10000 Saint souls, he wasn't afraid of them. In fact, he wasn't even on guard against them!

However, the reality was that the 10000 Saint souls had absorbed Emperor long que's peak power and immediately went through a wave of strengthening!

At this moment, this wave of attack that had been strengthened was directly unleashed!

This was the overwhelming power that long que and the Emperor of the underworld couldn't withstand!

"Whoosh ..."

An extremely violent and terrifying aura that was completely above the Dragon Sparrow Emperor of the underworld burst out from the 10000 Saint souls!

In an instant, the countless Azure Dragon Holy wings circling in the sky were crushed and turned into ashes!

what ... What ... What is going on???? "

Emperor long que panicked when he saw the scene before him. His pupils contracted uncontrollably, and his heart clenched. An unprecedented fear swept over him, almost making Emperor long que's mental state collapse on the spot!

It was obvious.

Even with long que's status, she had never felt such a strong aura of death in her life!

In that instant, long que the underworld Emperor was truly afraid!

"Spare me! Senior, please spare my life ... I'm willing to be your Mount ... I'm willing ... Please take back your divine power ... I don't want to die yet ..."

Long que underworld Emperor knew very well that the power of the 10000 Saint souls was far above his own strength. He had no way of resisting it. He didn't even have enough speed to escape!

Because of this, long que great netherworld Emperor instantly admitted defeat. Even if he was slapped in the face, even if he had to give up all his dignity and bottom line, even if he had to be as humble as a dog, as long as he could keep his life, he was willing to do anything!

In fact, in order to survive, the Dragon Sparrow Emperor was willing to become Chen Xiaobei's Mount!

heavens ... This ... This actually came true ...

Seeing this, mie xuanling was stunned. Her beautiful eyes widened and her mouth was half open. Her heart was filled with incomparable shock!

When Chen Xiaobei said that he wanted to make long que the Emperor of the underworld his Mount, mie xuanling's heart was filled with shock and disbelief!

To mie xuanling, Chen Xiaobei was just trying to anger the Dragon Sparrow Emperor. It was impossible for him to do that!

Moreover, Chen Xiaobei's actions were seen as a stupid death-seeking act!

No one could understand why Chen Xiaobei would say those things!

However, the reality was just as Chen Xiaobei had said. The Dragon Sparrow Emperor was actually willing to become Chen Xiaobei's Mount!

This huge reversal had a huge impact on mie xuanling's heart!

It even directly subverted her three views!

However, mie xuanling quickly calmed down because this was all Chen Xiaobei's doing!

After spending some time with Chen Xiaobei, mie xuanling realized that Chen Xiaobei was born to break the impossible! It was born to create miracles!

So, Chen Xiaobei had just broken another impossibility and created another miracle!

If this had happened to anyone else, it would definitely be a super shocking thing!

However, after spending so much time with Chen Xiaobei, miexuan Ling was no longer surprised by this kind of situation!

At that moment, mie xuanling's attitude had changed. She had only one thought in her mind. No matter what Chen Xiaobei said, as long as it came from Chen Xiaobei, no matter how ridiculous or impossible it sounded, it would come true in the end!

After all, Chen Xiaobei had never disappointed miexuan Ling!

"Spare me ... I'm willing to be your Mount ... Please spare my life ..." He begged.

As the power of the 10000 Saint souls arrived in front of long que, his mental state had completely collapsed, and he screamed hysterically!

It could be seen that he really did not want to die!

"It's too late!"

However, under such circumstances, Chen Xiaobei only shook his head and said, "As I said earlier, if you are willing to be my Mount, I can spare your life! However, if you refuse, I can't guarantee that you won't die in one piece! It's obvious that you've rejected me just now, so I can't help you now!"

If the Dragon Sparrow Emperor had surrendered earlier, Chen Xiaobei would have been able to control the Dragon Sparrow Emperor with that special Gu worm.

However, the Dragon Sparrow Emperor had just rejected Chen Xiaobei and had even used his most powerful attack to kill Chen Xiaobei!

Chen Xiaobei had no choice but to use the king Bomb in his hand!

Chen Xiaobei could only use the Zhangwang bomb and could not retract it. So, even if Chen Xiaobei wanted to let the Dragon Sparrow Emperor off, he could not do it!

"Woof!"

In the next moment, the power crushed over and the powerful Dragon Sparrow Emperor of the underworld was instantly torn apart like paper. Then, he was burned to ashes by the burning power, not leaving even a trace behind!

"Too ... Too powerful ..."

At the sight of this, mie xuanling's heart was once again greatly shocked!

He even exclaimed in disbelief, "why do I feel like this counterattack has already reached the power of a Supreme divine ancestor!" This ... This is unbelievable!"

Obviously, this was the first time mie xuanling had seen the power of 10000 Saint souls! Therefore, she didn't know that the strength of the Saint souls 'counterattack depended on the strength of the attack!

Last time, the 10000 Saint souls had absorbed enough energy from the destruction Saint orb and exploded with a power that was even more terrifying than the Supreme Saint ancestor! It directly destroyed the Holy destroyer Pearl!

Fortunately, the Supreme holy ancestor hadn't attacked the 10000 souls. Otherwise, he would've been killed by them!

It was not an overstatement to say that even Chen Xiaobei was not sure how much power 10000 divine souls could unleash at their maximum!

In any case, it was just one sentence, you will become stronger when you meet a strong opponent!

Under the ancestor of all DAOs, the 10000 Saint souls were the invincible super king bombs!

"Woof!"

After killing Emperor long que, the Saint souls tore open a crack in the void and returned to the ten thousand Dao secret realm!

"Let's go! Next, it's time to go to the nine hearts turtle ancestor and ask for a reward!"

Chen Xiaobei's eyes were filled with anticipation.

Red Envelope Group of the Three Realms

Chapter 4694: A surprise!

4694 A surprise!

This time, Chen Xiaobei let miexanling enter the chaotic space first.

After all, the nine-hearts turtle ancestor didn't like others entering the 10000 Dao secret realm. Last time, he almost killed mie xuanling.

After that, Chen Xiaobei entered the ten thousand secret realm.

you're here again!?

The voice of the nine hearts turtle ancestor was heard immediately. He was slightly surprised, but this surprise disappeared completely very quickly.

He was surprised because he did not expect the return of the 10000 Saint souls to be related to Chen Xiaobei! After all, it had not been long since the last 10000 Saint souls had returned! It was amazing that Chen Xiaobei had found this one so quickly!

Of course, nine hearts turtle ancestor had seen Chen Xiaobei's support more than once! If it was anyone else who had found two 10000-Daoist Saint souls so quickly, nine-hearts turtle ancestor would not have believed it. But if it was Chen Xiaobei, he was willing to believe it. So, his surprise quickly disappeared!

"Don't be so long-winded, tell me quickly, what other rewards can I get?"

Chen Xiaobei was getting impatient. After all, the nine hearts turtle ancestor was not a human being. Everything was stuck and there was no room for negotiation. Because of that, Chen Xiaobei did not need to be polite with him. He just needed to get straight to the point!

The reason why Chen Xiaobei was asking about the reward was because he had absorbed all the Saint Qi in the ten thousand secret realm last time!

This meant that even nine hearts turtle ancestor could not reward Chen Xiaobei with energy!

That was why Chen Xiaobei wanted to ask what other rewards he could get!

"Any reward is fine!"

I'm fine," nine hearts turtle ancestor said. as long as you ask, I should be able to satisfy you!

so awesome!?

Chen Xiaobei was stunned. He did not expect nine hearts turtle ancestor to be so powerful that he said that he could grant any reward! Even the other Supreme divine ancestors didn't dare to say this!

"Then I won't be polite!"

no! Chen Xiaobei said. help me kill the Saint burial's Supreme divine ancestor and free the Saint pan race!

Obviously, Chen Xiaobei's ultimate goal was to free the Saint Pan's People. As long as he achieved this goal, Chen Xiaobei would not have to look for the 10000 divine souls anymore, and he would not have to worry about the threat of the ancestor of 10000 DAOs!

"No!"

However, the nine hearts turtle ancestor immediately gave a negative answer.

"Ah?"

Chen Xiaobei was taken aback and said, "After all this, you're just bragging? You obviously can't do it, yet you still dare to casually agree!"

"It's not impossible!"

The nine hearts turtle ancestor shook his head and said in a deep voice, "It's actually very easy for me to kill the Saint burial's Supreme Saint ancestor, but I don't want to do it!"

let me put it bluntly. I can give you any reward, but whether I'm willing to give it to you or not is another matter!

Chen Xiaobei felt depressed. "So you're saying that I can only get the reward that I'm offering if you're willing to give it to me? otherwise, it's useless no matter what I say?"

"That's right!"

you can only get it if I'm willing," nine hearts turtle ancestor said in a deep voice. otherwise, do you really think I'll kill myself in front of you when you ask me to as a reward?"

"I ..."

Chen Xiaobei was speechless.

He had originally thought that he would be able to obtain any reward he needed. He did not expect that after all this trouble, the final decision and Control were still firmly held in the hands of the nine hearts turtle ancestor!

However, this was also a very normal thing. After all, the nine hearts turtle ancestor had absolute strength. Naturally, he firmly held the initiative in everything!

Chen Xiaobei had no advantage in terms of strength, so he could only play the game according to the opponent's rules.

"Let's hurry up and think of a new reward!"

Nine hearts turtle ancestor did not have much patience and immediately urged.

"This ..."

Chen Xiaobei thought for a while and said, "I want some extreme divine blood! This should be fine, right?"

Obviously, extreme divine blood was a very, very high-level and very, very rare resource! There was a high chance that the nine hearts turtle ancestor would still refuse!

Therefore, Chen Xiaobei only asked in a probing manner. He did not have much hope!

However, Chen Xiaobei did not expect nine hearts turtle ancestor to agree.

“Sure!”

Nine heart turtle ancestor nodded. Then, with a thought, he took out three drops of extreme divine blood.

These three drops of extreme divine blood were only the size of green beans, but they exuded a blood-red Holy brilliance that was as dazzling as the sun. At the same time, they also had a special aura and pressure that came from infinite mystery.

Three drops?

Chen Xiaobei was shocked by what he saw.

He had thought that the nine-hearted turtle ancestor would refuse to reward Chen Xiaobei with the ultimate divine blood. He did not expect the nine-hearted turtle ancestor to agree and give him three drops in one go!

This was a huge surprise for Chen Xiaobei!

One had to know that the Holy ancestor’s request for reconciliation was for a drop of extreme divine blood!

This way, Chen Xiaobei would be able to resolve the enmity between the Holy Shi clan and the Holy extermination clan, and the Holy extermination clan would be one step away from danger!

More importantly, after pacifying the Holy Shi tribe, Chen Xiaobei would have two drops of extreme divine blood left for himself!

Although Chen Xiaobei did not know the use of the extreme divine blood yet, he was sure that this kind of sacred ancestral-level sacred object would have a very great use!

If he used it properly, it could even give Chen Xiaobei a huge boost, or even give Chen Xiaobei a new trump card!

Because of that, Chen Xiaobei was extremely happy!

“Whoosh ...”

Of course, Chen Xiaobei was just overjoyed. He kept his calm face and kept the three drops of extreme divine blood.

alright, next, you can start cultivating the next level of the one word Saint destroyer curse!

same old rules, ” nine hearts turtle ancestor said indifferently. you can only open the space door and leave when you finish your cultivation!

“Chi ...”

As soon as he finished speaking, another beam of light was cast on Chen Xiaobei.

Then, the next level of the one word Holy extermination curse was injected into Chen Xiaobei’s mind.

To other people, cultivating this level of cultivation technique would probably take hundreds of millions of years!

However, to Chen Xiaobei, this was a very simple matter.

.....

“Done!”

After a while, Chen Xiaobei had successfully completed his cultivation and upgraded the one word Saint destroyer incantation to the next level!

To reach the highest level, Chen Xiaobei still needed to find another Five Ten thousand Saint souls!

At this moment, the nine hearts turtle ancestor suddenly said, “ by the way, I have an additional task now. Are you interested in taking it? ”

[Red Envelope Group of the Three Realms](#)

Chapter 4695: variable!

A new mission?

Chen Xiaobei did not expect this to happen.

Although he did not know what the nine hearts turtle ancestor was up to, knowing Chen Xiaobei, there was no way he would do it for free. Since he was going to do a mission, he would definitely get some benefits!

So, no matter what, he could just listen to it first. If the rewards were enough, he would accept this mission. If he rejected it, there would be no loss.

“What mission? Tell me about it!”

Chen Xiaobei looked at nine hearts turtle ancestor with interest.

“I just want you to kill a person. Very simple!”

The eighteen eyes of the nine hearts turtle ancestor looked at Chen Xiaobei with a strange expression. His eyes were so deep and wise that they seemed to be able to see through Chen Xiaobei.

of course, don’t worry. I won’t let you work for free. As long as you can do it, I can give you an extra reward!

“Tell me! Who do you want me to kill?”

Chen Xiaobei narrowed his eyes and looked at the nine hearts turtle ancestor cautiously. He realized that things were not as simple as they seemed.

go to the origin of the great saint tribe. Kill whoever you meet there and bring back their physical and Saint Soul. Then, you'll have completed your mission!

The nine hearts turtle ancestor said in a deep voice.

After that, he looked at Chen Xiaobei carefully, observing the changes in his expression.

“.....”

Chen Xiaobei fell into silence.

Obviously, Chen Xiaobei already knew that the person in the ancestral grounds of the great sage clan was Yan Lingshi!

Who would have thought that the nine hearts turtle ancestor's mission was to have Chen Xiaobei kill Yan Lingshi!

To Chen Xiaobei, this mission had a huge impact on his heart!

If it was an ordinary person, at this moment, their faces would definitely reveal some uncontrollable and unconcealable micro-expressions.

However, Chen Xiaobei's mental state was so strong that he could withstand any impact. So, it was impossible for him to show any expression.

The nine hearts turtle ancestor naturally could not see any flaws!

Not only did Chen Xiaobei's strong state of mind withstand the impact, but it also allowed him to think calmly and look for the nine hearts tortoise ancestor's weakness!

“Why do you want me to kill this person?”

Chen Xiaobei narrowed his eyes and asked.

It was obvious that the nine hearts turtle ancestor would not suggest this mission for no reason. There must be a purpose behind this!

Moreover, Chen Xiaobei had a feeling that nine hearts turtle ancestor might have found out about Chen Xiaobei and Yan Lingshi's relationship!

If that was the case, the situation would become even more dangerous and out of control!

Therefore, Chen Xiaobei had to find out the truth. Otherwise, he would not be able to do anything else in peace.

“Do I need a reason to kill someone?” Nine hearts turtle ancestor squinted his eyes and had a matter-of-fact expression.

don't you need it?!

Chen Xiaobei said, “ you've been staying in the secret realm for a long time and you don't care about the outside world. Do you really believe that there's no reason for you to kill someone? ”

Chen Xiaobei's heart tightened again.

That's right!

Nine hearts turtle ancestor had been staying in the ten thousand Dao secret realm and didn't go anywhere. How would he know where Yan Lingshi was?

Could it be that the nine hearts turtle ancestor had his own eyes and ears in the real space?

Chen Xiaobei's thoughts started to go deeper and deeper!

Chen Xiaobei had already guessed that there was more than one ancestral pawns in the real world!

And now, the nine hearts turtle ancestor's actions once again confirmed Chen Xiaobei's guess.

In other words, the nine hearts turtle ancestor might have found out about Yan Lingshi's situation through some spies.

Under such circumstances, the situation would become rather complicated and dangerous.

So, Chen Xiaobei had to get to the bottom of this!

However, the nine hearts turtle ancestor was not an idiot. He would not give Chen Xiaobei an opportunity to strike.

He said solemnly, "don't ask things you shouldn't ask!" Even if you ask, I will not tell you the truth! So, the only thing you can do now is to tell me directly, are you going to accept this mission or not?"

"I'll take it!" Chen Xiaobei agreed without hesitation.

After all, Chen Xiaobei was smart. He knew that he would not get an answer if he asked directly. So, he had to get involved in the mission himself to get more information and solve the final mystery!

So, Chen Xiaobei agreed without hesitation!

"Very good!"

The nine-hearted turtle ancestor nodded and said, "You go! Complete this mission as soon as possible! I guarantee that you will receive a satisfactory reward!"

Chen Xiaobei was not in a hurry to leave. He narrowed his eyes and asked, "if I didn't take this mission, would you have sent someone else?!"

"This is not something you should be asking! Let's hurry up and set off!" The nine hearts turtle ancestor did not show any signs of it and only urged Chen Xiaobei to leave.

Chen Xiaobei did not leave and asked, "What if I'm not the target's match?"

"It doesn't matter if you're not a match!"

The nine hearts turtle ancestor sneered, "I believe that you'll definitely be able to think of a way! After all, you've already found four 10000 Saint souls in such a short time. What problems in this world can stump you?"

"....."

Chen Xiaobei's expression did not change, but the sense of danger in his heart grew.

He could even faintly smell a conspiracy.

However, the nine hearts turtle ancestor was very cautious and did not reveal any flaws. So, Chen Xiaobei could not figure out the whole situation at the first moment!

“Whoosh ...”

There was no point in staying in the ten thousand secret realm any longer, so Chen Xiaobei left and returned to the real world!

“Whoosh ...”

Just as Chen Xiaobei left, a figure appeared in the ten thousand secret realms!

Who dared to think about it?

This figure was actually the demonized great divine Supreme divine ancestor!

Chen Xiaobei's guess was right. The nine hearts turtle ancestor really had an eye in the real world!

If this spy was the demonized great divine Supreme divine ancestor, everything made sense!

The demonized great saint Supreme divine ancestor had suggested to Saint burial Supreme divine ancestor to capture Yan Lingshi to threaten Chen Xiaobei!

This meant that the demonized great saint Supreme divine ancestor knew about Yan Lingshi's existence and her relationship with Chen Xiaobei!

However, what the demonized great saint Supreme divine ancestor didn't know was that Yan Lingshi could actually enter the birthplace of the great saint clan!

Under such circumstances, the demonized great saint and Saint burial's Supreme divine ancestors were unable to catch Yan Lingshi!

Therefore, the demonized great saint Supreme holy ancestor could only seek help from nine hearts turtle ancestor!

Hence, the scene just now happened!

The next conversation between the demonized great saint Supreme divine ancestor and the nine hearts turtle ancestor would definitely reveal extremely important information!

[Red Envelope Group of the Three Realms](#)

Chapter 4696: Top Secret!

4696 Top Secret!

“Your Excellency turtle ancestor ... Why did you let that kid leave? It's obvious that he's a huge variable that might lead to the final result being out of master's calculations!”

Demonized great saint Supreme holy ancestor squinted his eyes. Shrouded in black Qi, he looked extremely gloomy and dark, like a resentful ghost.

there's indeed a huge variable in his body. However, according to master's calculations, the person who learned the one-word Saint destroyer curse and came here is the first chess piece in the entire plan!

Nine hearts turtle ancestor said in a deep voice, " I don't have the right to execute the first chess piece. On the contrary, I have to cooperate with him on many things! So, even if you want him to die, you can't let me do it! Otherwise, I will be punished when master comes again in the future!"

At this point, the nine hearts turtle ancestor's face revealed an unconcealed look of horror.

It was obvious that the ancestor of all DAOs had left a huge psychological shadow in the heart of the nine-hearts turtle ancestor that he would never be able to break through.

Therefore, the nine heart turtle ancestor feared the ancestor of myriad DAOs from the bottom of his heart and did not dare to easily go against the plans of the ancestor of myriad DAOs.

Besides, other than fear ...

Because of this, even though the nine hearts turtle ancestor had realized the danger Chen Xiaobei was in, he did not dare to kill Chen Xiaobei.

More importantly, nine heart turtle ancestor had blind trust in myriad Dao ancestor.

Therefore, in the eyes of the nine-hearted turtle ancestor, even if Chen Xiaobei could bring about some unexpected changes, it would not completely destroy the ancestor of ten thousand DAOs 'plan!

On the other hand, nine-hearted turtle ancestor would not be able to bear the crime of ruining the myriad Dao ancestor's plan by killing Chen Xiaobei!

Therefore, the nine hearts turtle ancestor's attitude was very clear. He would not kill Chen Xiaobei with his own hands.

"Since it's not convenient for you to make a move, why don't you let me do it!"

The demonized great saint Supreme Saint ancestor said in a deep voice, " "After all, Chen Xiaobei and Yan Lingshi are very close. If the two of them were together, there was no way they would start a war. It was even more impossible for them to get rid of either one of them through someone else! It's better to let me go. I guarantee that I'll kill them both completely!"

At this point, the nine hearts turtle ancestor's goal could actually be seen.

It wanted to use Chen Xiaobei to kill Yan Lingshi, or use Yan Lingshi to kill Chen Xiaobei!

However, the demonized great saint Supreme divine ancestor was right.

With Chen Xiaobei and Yan Lingshi's relationship, no one would be able to kill Chen Xiaobei with a borrowed knife. This puzzled the demonized great saint Supreme divine ancestor. He volunteered to kill Chen Xiaobei and Yan Lingshi himself.

"No rush!"

I don't know, " nine hearts turtle ancestor said indifferently. if I let you take action, your identity will be exposed. Who will be my eyes and ears in the future?!

yes ... demonized great saint Supreme holy ancestor nodded and immediately dispelled the idea of attacking first.

“What’s the situation with the Saint burial’s Supreme Saint ancestor?” The nine hearts turtle ancestor immediately changed the topic.

The demonized great saint Supreme Saint ancestor immediately said, “ the Saint burial’s Supreme divine ancestor is secretly cultivating a special technique. I’ve tried to test him, but he’s extremely cautious and didn’t reveal any clues ...

“A special cultivation technique?”

The nine hearts turtle ancestor’s expression was slightly startled. He said suspiciously, “ You’ve all reached the Supreme divine ancestor realm. What abilities do you not have? Why would I need to cultivate?”

“Yes ... I’m also very curious!”

The demonized great saint Supreme holy ancestor nodded and said, “ What kind of cultivation technique is it that is worth cultivating in secret? Why don’t I sneak up on the Saint-burying sect’s Supreme Saint ancestor and steal the technique?”

“No! You can’t hurt him!”

just keep watching, ” nine hearts turtle ancestor said in a deep voice. report to me immediately if you discover anything!

“Netherworld!” The demonized great saint Supreme holy ancestor nodded. Although he was a little confused, he didn’t dare to say anything.

Of course, even though demonized great saint Supreme holy ancestor didn’t dare to ask, nine heart turtle ancestor saw the change in his expression.

Then, the nine hearts turtle ancestor said indifferently, “ Are you wondering why we can’t hurt the Saint burial’s Supreme Saint ancestor?”

y-yes ... demonized great saint Supreme holy ancestor nodded.

“There’s no harm in telling you the truth!”

yes, ” nine hearts turtle ancestor said indifferently. with the return of the 10000 Saint souls, I can already receive some information and instructions from master! The Saint-burying Supreme Saint ancestor will become an important chess piece in master’s follow-up plan!”

“I see!” The demonized great saint Supreme divine ancestor couldn’t help but gulp in shock.

“And there’s another piece of good news!”

Nine hearts turtle ancestor continued, “now, four of the 10000 Saint souls have returned!” As long as the fifth 10000-Daoist Saint Soul returns, I’ll be able to get a reward from master! Every time I return with another 10000-Daoist Saint Soul, I’ll be able to obtain more and better things!”

“This is really good news!” Demonized great saint’s Supreme Saint ancestor was overjoyed and couldn’t help saying, “To us, this is like adding wings to a Tiger! The follow-up plan will definitely go smoothly!”

“Theoretically, yes ...”

The nine-hearted turtle ancestor nodded and said, “ however, we still can’t let our guard down. If another variable like the Supreme divine ancestor pan appears, the situation will be difficult to predict!

“This ...”

The demonized great saint Supreme holy ancestor was a little surprised. “What exactly happened back then? How did the Supreme divine ancestor become a variable that even master is afraid of?”

the Saint pan clan represents creation!

“In the past, the Supreme divine ancestor, Saint pan, created a special power by accident!” The nine hearts turtle ancestor said in a deep voice. This kind of power could actually have a restraining effect on its master! It can even break through the shackles of the laws set by master!”

“What! This ... How is this possible?”

Demonized great saint Supreme holy ancestor was dumbfounded. His eyes were so wide that they looked like they were going to fall out, and his mouth was so wide that his jaw was about to fall off!

Obviously, in the eyes of demonized great saint and nine-hearted turtle ancestor, the myriad Dao ancestor was an absolutely powerful and invincible existence!

In fact, everything in the world, including Saint pan, was created by the ancestor of all DAOs!

Logically speaking, the ancestor of all DAOs should be invulnerable to all spells and tribulations. He should be able to restrain all powers and crush all beings!

He had never imagined that the Supreme divine ancestor, Saint pan, could create a power that could restrain the ancestor of all DAOs! This meant that as long as the Supreme divine ancestor was strong enough, he would be able to injure or even kill the ancestor of all Dao!

More importantly, the power created by the Supreme divine ancestor could break through the shackles of the myriad Dao ancestor!

This meant that ...

[Red Envelope Group of the Three Realms](#)

Chapter 4697: structure!

This meant that the Supreme divine ancestor Saint pan could break through to the Supreme divine ancestor realm without the approval of the ancestor of all Dao!

Although there was still a big gap between the Supreme divine ancestor and the myriad Dao ancestor ...

However, as long as the laws of the ancestor of all Dao were no longer restricted, the Supreme divine ancestor pan Sheng could use the long period of time to become stronger bit by bit!

In theory, as long as there was enough time, Saint pan would have a chance to catch up and even surpass the ancestor of all DAOs! Coupled with the restraining effect of power, he could defeat or even kill the ancestor of all DAOs!

Without a doubt, this was an extremely shocking absolute secret!

At the same time, it was an extremely shocking bombshell!

This was the first time demonized great saint Supreme holy ancestor had heard of this, and he was so shocked that his entire being went numb and his three views collapsed in an instant!

that's why master ordered me to help the Saint burial's Supreme holy ancestor. He'll rise to power and destroy the Saint pan race!

The nine hearts turtle ancestor said in a deep voice.

The demonized great saint Supreme divine ancestor was shocked again!

It turned out that the ancestor of all DAOs was the mastermind behind the sky-burying Yuan Sage clan's annihilation of the Saint pan clan!

This once again made the demonized great saint Supreme divine ancestor feel the terror of the ancestor of all DAOs from the bottom of his heart!

However, after a brief moment of shock, the demonized great saint Supreme divine ancestor raised another question. Since the Saint pan clan is a threat to master, why don't you eliminate them? "

Although the Saint pan clan had been defeated, they had not been completely eradicated. Instead, they had been enslaved by the core higher-ups of the sky burial Yuan sacred clan in the Saint Soul world.

As the saying goes, if you cut the grass and don't remove the roots, it will grow again when the spring breeze blows!

By right, the ancestor of all DAOs should have completely eliminated the Saint pan clan, as they were a hidden danger!

In fact, the demonized great saint Supreme divine ancestor's doubts were reasonable!

After a long wait, the Saint pan clan finally welcomed Chen Xiaobei, the reincarnator of Pangu! It brought the Saint pan clan a chance to be reborn again!

With the wisdom and ability of the ancestor of all DAOs, it was impossible for him not to have calculated this!

Therefore, the demonized great saint Supreme divine ancestor was very confused. Why didn't they annihilate the entire Saint pan clan?

I've also raised your doubts back then ... And this is the difference between our master and US!

"In the face of a threat, our idea is to cut the weeds and eliminate the roots!" Nine hearts turtle ancestor said in a deep voice. However, his master's idea was to defeat the threat and eliminate it! Therefore, the reason why his master did not exterminate the Saint pan clan was to find a way to

counter the special power created by the Supreme holy ancestor! That power will no longer be a threat to master!”

“This ...”

The demonized great saint Supreme holy ancestor was shocked again.

It was just as the nine-heart turtle ancestor had said. The demonized great saint Supreme divine ancestor felt that he was too narrow-minded.

Moreover, if he thought about it carefully, the demonized great saint Supreme divine ancestor had to admit that the myriad Dao ancestor’s choice was truly foolproof!

After all, even if they wanted to get rid of the roots, it would be difficult to get rid of every single person in the Saint pan clan!

In other words, as long as a single member of the Saint pan clan survived, the bloodline of the Saint pan clan would continue after a long time. Sooner or later, the threat of the past would reappear!

According to the ancestor of Dao, as long as they found a way to counter the attack, they would no longer have to fear the Saint pan clan!

Therefore, according to the ideas of the Supreme divine ancestor demonized great saint and nine-heart turtle ancestor, eliminating the root of the problem would only be treating the symptoms, not the root of the problem. The method of the ancestor of all DAOs was the real solution!

In addition!

There was one more thing that the demonized great saint Supreme divine ancestor didn’t expect!

That was the existence of the one word Holy extermination curse!

The pan curse’s special ability was the same as the Saint Pan’s!

In other words, even if the entire clan of Saint pan was slaughtered, as long as the one-word Saint destroyer curse still existed, it could still create a special power that could threaten the ancestor of all DAOs!

Therefore, it was almost impossible to cut the weeds and eliminate the roots! The only way to solve the problem was to find a way to counter it!

Because of this, the demonized great saint Supreme divine ancestor felt from the bottom of his heart that he was so small and pitiful compared to the ancestor of all DAOs!

At the same time, the shadow in the demonized great saint Supreme divine ancestor’s heart became even larger and harder to break through!

“Alright, if there’s nothing else, you may leave! We can’t let the Saint burial’s Supreme Saint ancestor become suspicious!”

The nine hearts turtle ancestor said indifferently, appearing very cautious.

“Yes, sir!”

The demonized great saint Supreme divine ancestor nodded heavily and left.

Looking at the back of the demonized great saint Supreme holy ancestor, nine hearts turtle ancestor's 18 eyes couldn't help but narrow.

Then, the nine hearts turtle ancestor let out a cold and sinister laugh. "In fact, apart from the Saint pan tribe, the great sage Tribe also poses a threat to master! You actually want to spy on master's origin! Your great sage Tribe has been reduced to such a state! You asked for it!"

By the time nine hearts turtle ancestor said this, the demonized great saint Supreme divine ancestor had already left!

And this simple sentence had once again revealed an extremely important absolute secret!

After all, the situation of the great sage Tribe was even worse than that of the Saint pan tribe!

Although the Saint pan clan had been defeated and enslaved, at least many of them were still alive and had a chance to regain their freedom!

However, the great sage Tribe was on the verge of extinction!

And all of this was because the great saint Supreme divine ancestor wanted to spy on the origin of the ancestor of all DAOs!

The word 'Hong' represented the origin!

If one could spy on the origin of the ancestor of all Dao, one could follow his origin and see his growth process. One could even use the endless origin of the great sage Tribe to derive the same characteristics as the ancestor of all Dao and create another ancestor of all Dao bit by bit!

Without a doubt, this also posed a huge threat to the ancestor of all DAOs!

Therefore, the great sage Tribe would definitely be annihilated!

Although nine-hearts turtle ancestor didn't say it clearly, he was almost certain that the reason why Saint ancestor Hong Sheng had fallen into a state of rebellion was all because of the myriad Dao ancestor and nine-hearts turtle ancestor!

Without the protection of the great sage Supreme divine ancestor, the people of the great sage Tribe were besieged and captured by all the other large tribes because their original form was the Hong Meng immortal Qi. As a result, the number of members of the great sage Tribe was even fewer than that of the Qilin! Almost exterminated!

Of course, the main reason was that the ancestor of myriad DAOs only wanted to find a solution to the problem and didn't want to exterminate the great sage Tribe. Otherwise, there wouldn't be any members of the great sage Tribe in this world, nor would there be any trace of the bloodline of the great sage Tribe!

The real reason why the ancestral weapon was split into nine 10000 Saint souls was that it wanted to find a solution to its problems through different lives, different origins, and different development and creation!

He had to admit that the ancestor of all Dao was really powerful!

Perhaps, when the ancestor of all DAOs reappeared in the world, neither the special power created by the Supreme divine ancestor pan Sheng nor the Supreme divine ancestor Hong Sheng's method of peeking into the origin would pose any threat to him!

That was truly terrifying! He was invincible!

Of course, there were still variables!

Chen Xiaobei had the one-word Saint destroyer incantation and the bloodline of Saint pan, and Yan Lingshi was the inheritor chosen by the great saint's Supreme divine ancestor before he turned into a demon!

When Chen Xiaobei and Yan Lingshi were together, perhaps the situation would turn around!

At the same time, Chen Xiaobei was rushing to the birthplace of the great saint tribe!

He would be able to meet Yan Lingshi again soon!

[Red Envelope Group of the Three Realms](#)

Chapter 4698: Another surprise!

4698 Another surprise!

Soon, Chen Xiaobei arrived at the territory of the great saint tribe.

Just like the Saint pan clan's territory, Saint elemental energy was scarce in this vast land, and resources were almost zero.

Naturally, no one would be willing to come here. Even some demonic beasts with high cultivation would leave on their own.

Of course, without the presence of outsiders, there would be fewer conflicts in the world. Therefore, the plants here were all very, very lush. As far as the eye could see, it was like a vast and boundless Sea of Trees, making one feel relaxed and happy.

After he arrived, Chen Xiaobei headed east.

This was Chen Xiaobei's first time here, but after asking the living holy Supreme divine ancestor for the exact location, he had the right direction, which saved him the time of searching.

"Whoosh ..."

Not long after, Chen Xiaobei found a hidden dimension door in a large Valley surrounded by green trees.

There was no mistake!

This spatial gate was the entrance to the birthplace of the great sage Tribe!

"Hong!"

Chen Xiaobei did not waste any more time. He immediately activated the 'Hong' word incantation and directed its power onto the gate.

“Chi ...”

Immediately afterward, some special energy fluctuations began to appear from the space gate. They were like water ripples, causing ripples.

“Whoosh ...”

Chen Xiaobei reached out and touched the gate.

The palm quickly passed through it, and it did not feel any repulsive force.

It was clear that, according to the life saint’s words, not even he could enter this space gate.

In other words, this space gate had been sealed by the ancestor of the myriad DAOs.

Apart from the power of the one word Holy curse, even if all the Supreme Saint ancestors gathered together, they wouldn’t be able to enter.

“That’s strange ...”

Although Chen Xiaobei could enter the place after activating the Hong word incantation.

However, this result only served to deepen Chen Xiaobei’s suspicion.

This was because only the Hong curse could open this space gate, which meant that Yan Lingshi shouldn’t have been able to enter at all!

However, according to the life Saint core’s ninth elder’s memory, Yan Lingshi could freely enter and exit this space gate!

Moreover, there was another strange thing. The ninth elder of the life Saint core could actually throw the water of life through this spatial door!

In other words, not only could Yan Lingshi enter and leave freely, but the elixir of life could also enter and leave freely!

This was very strange!

Chen Xiaobei could not explain what was going on with all the clues he had.

“Whoosh ...”

But since he could not figure it out, Chen Xiaobei did not want to waste any more time here.

He took a step forward and passed through the space gate, entering the birthplace of the great sage Tribe.

huh?!

The next moment, Chen Xiaobei found himself in a very special space.

There was nothing around him except for a nine-colored Halo that rotated and circulated in the void domain!

Chen Xiaobei could feel an indescribable aura within it, and he was shocked.

Luckily, Chen Xiaobei's mental state was strong enough. His shock was only temporary. He quickly calmed down and calmed down.

However, Chen Xiaobei still found it strange.

This was because Chen Xiaobei did not see Yan Lingshi's figure in the nine-colored Halo.

Chen Xiaobei continued to fly forward. No matter how he flew, he seemed to be walking on the same spot because everything around him did not change.

Just as Chen Xiaobei was about to break the void, he realized that the laws of this space were of a very high level. Chen Xiaobei could no longer tear the void open.

Luckily, Chen Xiaobei and Yan Lingshi were in the same space, so their communication runes could be connected!

Chen Xiaobei then sent a message to Yan Lingshi.

As expected, Chen Xiaobei was smart. This method worked immediately, and he managed to contact Yan Lingshi!

Xiaobei!!!

Soon, a melodious and excited voice came from not far away.

In the direction of the voice, the nine-colored halos retreated one after another, revealing a beautiful figure!

She had the looks of a top goddess, a quick-witted and charming temperament, and a lithe and hot figure. She could simply be said to be the most outstanding beauty in the world!

There was no mistake!

She was Yan Lingshi!

After not seeing her for a while, Chen Xiaobei felt that she seemed to have become more beautiful than before! In fact, she was even more beautiful than the ninth elder of the life Saint core had remembered!

It was simply too beautiful! It was so beautiful that it made people intoxicated!

"Lingshi!"

Chen Xiaobei was also very excited. He flew over and gave Yan Lingshi a big hug.

The love of two lives had already formed an irreplaceable bond between Chen Xiaobei and Yan Lingshi.

Now that they met again, there was a sense of absence makes the heart grow fonder. Unable to control their feelings, the two took the opportunity to kiss.

"Whoosh ..."

As they kissed, Chen Xiaobei's state of mind and body underwent some mysterious changes!

All of a sudden, the Saint Qi in Chen Xiaobei's body started to boil and explode. It shot up to a very high level, far beyond the limit of his current cultivation!

Then, his Saint Origin Energy began to stabilize at this height and finally stabilized!

There was no mistake!

Chen Xiaobei's cultivation had broken through!

He had directly reached the early-stage five star divine ancestor realm from the peak of the four-star divine ancestor realm!

Without a doubt, this was a huge surprise for Chen Xiaobei!

And this was precisely where the mysteries of opportunity and opportunity lay. Some people pursued it bitterly, but could never find an opportunity to break through!

However, at this moment, when one's body and mind inadvertently reached a special state and touched the critical point of the bottleneck, an opportunity would be created. One could directly break through the bottleneck and break through to the next realm!

Chen Xiaobei was really lucky!

Of course, to Chen Xiaobei, this was another huge surprise!

However, Chen Xiaobei did not stop kissing Yan Lingshi even though he had broken through to the next realm!

(800 words are omitted here ...)

After a period of intimacy, the two gradually calmed down.

"Xiaobei, you're so mean ..."

Yan Lingshi's face was flushed red, and her breathing was still a little weak and strenuous.

After she composed herself, Yan Lingshi asked in surprise, "How did you break through so quickly? you've already reached the five star divine ancestor realm! It was simply like cheating! Oh no! It's faster than cheating!"

"How can my cultivation realm be compared to yours!"

Chen Xiaobei raised his eyebrows and asked curiously, "I can't see through your cultivation at all! Quickly tell me, what realm have you reached?"

[Red Envelope Group of the Three Realms](#)

Chapter 4699: Danger!

4699 Danger!

I've already reached the peak of the nine Star divine ancestor realm!

“But my cultivation base is all thanks to the inheritance of the great saint Supreme divine ancestor!” Yan Lingshi said. And all I did was to digest and absorb the power of the inheritance! Compared to you, who have been cultivating on your own, my method is not worth mentioning!”

“Don’t praise me ...”

Chen Xiaobei smiled.

Even though Chen Xiaobei had relied on his own cultivation to get to where he was today, his recent breakthroughs were not too difficult. He did not spend too much time and energy on them, so he did not deserve Yan Lingshi’s praise.

“Oh right, Xiao bei! How did you find this place?” Yan Lingshi’s eyes were wide open as she looked at Chen Xiaobei curiously.

I’ve cultivated the one word Saint destroyer incantation. I even met the nine hearts tortoise ancestor and learned something about ... Chen Xiaobei nodded and told Yan Lingshi everything he knew.

This was because Chen Xiaobei and Yan Lingshi could trust each other.

Therefore, Chen Xiaobei did not hide anything. He shared with Yan Lingshi the myriad Dao ancestor, the nine-heart turtle ancestor, and all the big events that were happening outside.

I see ... Yan Lingshi’s brows furrowed slightly. Her beautiful eyes reflected a solemn and cold light.

However, Yan Lingshi’s expression did not seem too surprised. It was as if she more or less knew about all this.

“By the way, I’ve always wanted to ask you, how did you get in here?” that’s right! Chen Xiaobei said, “theoretically, only those who have cultivated the one word Saint destroyer curse can open the space seal left by the ancestor of all DAOs!

“Yes, I am!”

Yan Lingshi nodded and said, “at first, I really couldn’t get in!” However, as I digested the inheritance of the great divine Supreme divine ancestor, I gradually gained the ability to peer into the origin!”

“Using this special ability, I can peek into the origin of the space seal of the ancestor of the myriad DAOs! And all living things, at the beginning of their origin, are usually the weakest and weakest!”

“The main point is that at the beginning of the origin, you can see how all things develop! It’s just like how the spatial seal is a dead knot that ordinary people can’t open. However, we can see the origin and the process of its formation, so we can naturally open it!”

Chen Xiaobei understood immediately.

Yan Lingshi’s metaphor was very vivid. Everything in the world was like a dead knot. Ordinary people could only see the unsolvable state on the surface and could not understand it in depth.

However, after peeking into the origin, one could follow the origin and see the development step by step. One would be able to see how this dead knot was formed and naturally know how to untie it!

To put it bluntly, as long as you start from the origin of all things and watch them grow and grow step by step, you can naturally understand their core essence like the back of your hand and think of a way to deal with them!

wait a moment!!!

Chen Xiaobei's face was filled with shock, as if he had just discovered a new continent.

"What's wrong?" Yan Lingshi showed a strange expression.

After all, Chen Xiaobei had always been a calm and composed person!

Yan Lingshi had never seen Chen Xiaobei so shocked!

"I suddenly thought of an extremely important question!"

"According to what you said, if I can see the origin and development of things, I will be able to find a way to deal with them! Doesn't that mean that as long as we can see the origin and development of the ancestor of all Dao, we'll be able to find a way to deal with him?"

y-yes ... Yan Lingshi nodded and said in a deep voice, "In theory, as long as we can see its origin! I'll definitely be able to defeat him!"

"This is great!" Chen Xiaobei was excited.

In Chen Xiaobei's heart, the ancestor of all DAOs had always been an invincible being!

If Chen Xiaobei wanted to defeat the Saint burial's Supreme divine ancestor and release the Saint Pan's People, he would have to gather nine 10000 Saint souls and let the ancestor of 10000 DAOs return to the world!

By then, Chen Xiaobei would have completed the ultimate mission. However, if he could not defeat the ancestor of all DAOs, it would be meaningless even if he had completed the ultimate mission. After all, Chen Xiaobei could be killed by the ancestor of all DAOs with a single thought. The entire pan Sheng clan could also be wiped out by the ancestor of all DAOs with a single thought!

So, as long as the ancestor of all DAOs returned to the world, Chen Xiaobei would not be able to rest easy and be safe! Chen Xiaobei could not even protect the people he cared about!

This was the last thing Chen Xiaobei wanted to see!

Through his conversation with Yan Lingshi, Chen Xiaobei suddenly found a way to deal with the myriad Dao ancestor!

Although this method was only a theoretical speculation so far, he did not dare to say that it would be a hundred percent successful! However, the change from zero to one might seem small, but it was a qualitative leap!

To Chen Xiaobei, this was a very important discovery!

It was definitely more exciting than discovering a new world!

"Let's hope it will succeed ..."

Yan Lingshi could not help but smile at the excited Chen Xiaobei.

Even though Yan Lingshi was not confident, as long as it was something Chen Xiaobei wanted to do, she would do her best to help him, even if it meant giving up everything!

After all, Yan Lingshi had sacrificed her life for Chen Xiaobei in both her previous and current lives!

Hence, no difficulty could stop Yan Lingshi!

wait a moment!!!

Suddenly, Chen Xiaobei's expression changed. "I suddenly thought of a huge conspiracy ..."

what scheme?! Yan Lingshi looked at Chen Xiaobei, confused.

the conspiracy of the ancestor of all DAOs!!!

Chen Xiaobei's tone turned serious, "I'm thinking about how the great saint Supreme divine ancestor suddenly fell into a state of rebellion! Could this be the work of the myriad Dao ancestor?"

"This ..."

Yan Lingshi was stunned for a moment. She immediately exclaimed, "That's possible! There's an ultimate mission in the inheritance of the great divine Supreme divine ancestor, which is to pry into the origin of the ancestor of all DAOs!"

"This was something that the great saint Supreme divine ancestor wanted to do back then, and he already had some clues and directions to go in! It's a pity that we suddenly fell into chaos, causing this matter to be abandoned halfway!"

so, it might really be like what you said," Yan Lingshi exclaimed. the sacred Ancient One was really tricked by the ancestor of all DAOs and fell into the origin of the rebellion!

Chen Xiaobei's face changed, and he became nervous. if the myriad Dao ancestor could scheme against the great divine Supreme divine ancestor, does that mean he could scheme against you too? "

[Red Envelope Group of the Three Realms](#)

Chapter 4700: stunned!

Chen Xiaobei was really smart. After a few words of conversation, he realized a big secret that the nine hearts turtle ancestor had been keeping!

That was, the ancestor of all DAOs could, through some means, make the great saint Supreme divine ancestor fall into a state of chaos!

By the same logic, Yan Lingshi had obtained the inheritance of the great saint Supreme divine ancestor. Furthermore, the inheritance had been digested and she had reached the peak of the nine-star divine ancestor realm!

In this situation, Yan Lingshi was only one realm away from the true great saint Supreme divine ancestor!

Therefore, the ancestor of all DAOs could use the same method to plot against Yan Lingshi! In fact, it was even easier than scheming against the great divine Supreme divine ancestor!

“According to what you’ve said, there’s really such a possibility ...”

Yan Lingshi’s beautiful eyes darkened, and she suddenly became nervous.

“Do you know when the great saint Supreme divine ancestor fell into a trap?” Chen Xiaobei quickly asked.

“I can’t be sure ...”

Yan Lingshi thought carefully and said, however, I’m guessing that it must have been when the great divine Supreme divine ancestor peeked into the origins of the ancestor of all DAOs!

“This ...”

Chen Xiaobei’s face changed and he said, “You just said that the ultimate mission left for you by the great divine Supreme divine ancestor is to spy on the origin of the ancestor of all DAOs! If you really do that, isn’t that the same as jumping into a fire pit?”

“Don’t worry! I haven’t even started yet!”

“According to the inheritance information of the great saint Supreme divine ancestor, if we want to pry into the origin of the ancestor of all DAOs, we need to gather all nine Supreme sacred artifacts!” Yan Lingshi shook her head.

nine Supreme sacred objects?! Chen Xiaobei asked, “What’s that?”

“The Holy life clan’s water of life!” Yan Lingshi said. The extreme Saint blood of the extreme Saint tribe! The Light of Destruction of the Holy extermination clan! The Holy Shi clan’s time sand! The black hole of the No saint tribe! The creation Saint crystal of the profound Sage clan! The Lotus seed of creation of the Saint pan clan! The spiritual fire seed of a Yuan Sage! The primordial violet Qi of our great sage Tribe is also known as the Qi of origin!”

this ... Chen Xiaobei could not help but be surprised.

It turned out that every Supreme race had a unique Supreme sacred artifact. When all of them were put together, one could peek into the origin of the ancestor of all DAOs!

Of course, what really surprised Chen Xiaobei was that the Saint Pan’s race’s most sacred item was called the Lotus seed of creation! And the origin Qi of the Supreme sacred artifact of the great sage Tribe was actually the Hong Meng immortal Qi!

Back in Pangu world, the birth and rise of the ancestral Saint Pangu had been closely related to the chaos Green Lotus!

The chaos Green Lotus had another name, the green Lotus of creation!

Of course, the green Lotus of creation in Pangu great world was far inferior to the Holy Lotus of creation in the Saint pan clan. They were not on the same level at all!

However, even though the difference was huge, there must be some connection between the two!

This was good news for Chen Xiaobei.

After all, Chen Xiaobei was the current reincarnator of Pangu, and he had the three-petaled ancient true body. As long as he could find the green Lotus of creation, it would be a huge boost to Chen Xiaobei!

In addition, the primordial violet vapor was actually a Supreme sacred object of the great sage Tribe!

It was no wonder that the great sage Tribe had so few clansmen!

First of all, there was not much primordial violet vapor to begin with, and the primordial violet vapor that could transform into a demon was even rarer!

Coupled with the fact that the great sage Supreme divine ancestor had fallen into rebellion, the entire great sage Tribe had lost their backbone and their greatest protection!

This was why the great sage Tribe was on the verge of extinction!

Moreover, the Hong Meng immortal Qi itself was a rare resource. Therefore, many people hunted down the people of the Hong Saint tribe not because of war or hatred, but purely for profit!

Just like that, as time passed, the number of great sage Tribe members in existence became even fewer than the Qilin tribe!

At the very least, Yan Lingshi had not met a single living great saint tribesman in the time she had been in the ancestral Saint domain. She had to take everything on by herself!

“As long as I can gather the nine Supreme sacred objects, I can peek into the origin of the ancestor of all DAOs!”

Yan Lingshi said in a deep voice, “now that I’ve obtained the sacred life water and the primordial violet Qi of my tribe, I still need to gather the other seven sacred items before I can truly begin to try and peek into the origins of the ancestor of all DAOs!” This is an extremely difficult task, and I have no idea how to obtain the next Supreme sacred artifact! I’m afraid it’ll take a long time to gather all nine!”

It was obvious that the nine Supreme sacred objects were the rarest resources in the world!

It would take countless years to produce a small portion!

Furthermore, after it was produced, it would immediately be controlled by the Supreme Saint ancestor!

Therefore, Yan Lingshi could only guarantee that she had the primordial violet vapor!

If she had not happened to control the ninth elder of the life Saint core, Yan Lingshi would not have even been able to obtain the elixir of life!

Because of this, in Yan Lingshi’s eyes, gathering the nine Supreme sacred artifacts was an extremely difficult task. She did not even have a clue as to what to do next!

He could only wait for an extremely long time to come by and wait for an opportunity like the ninth elder of the life Saint core!

However, such an opportunity could only be encountered by luck!

If they were to continue waiting like idiots, it would simply be an endless stretch!

“Here!”

Suddenly, Chen Xiaobei took out a drop of blood!

This drop of blood was only the size of a green bean, but it exuded a blood-red Holy brilliance that was as vast and dazzling as the sun. At the same time, it also had a special aura and pressure that originated from an endless profound mystery!

“This ... This, this, this ...”

Yan Lingshi was instantly stunned by the scene before her!

Her beautiful eyes widened and her small mouth was half open as she exclaimed, “Is this the legendary extreme divine blood? You ... How did you get it?”

Obviously, Yan Lingshi was extremely shocked at this moment!

What she had thought was extremely difficult had become extremely easy for Chen Xiaobei!

“I got this from the nine hearts turtle ancestor!”

is one drop enough? ” Chen Xiaobei smiled. if not, I still have one more!

“It’s ... It’s enough ...”

Yan Lingshi was extremely shocked, her face full of disbelief.

It was extremely difficult for her to get even one drop of it, but after Chen Xiaobei gave her one drop, there was another one!

This was simply too crazy!

Yan Lingshi could not help but exclaim, ‘that’s Chen Xiaobei!’ He would always bring people miraculous surprises!

“Don’t get too excited!”

Chen Xiaobei smiled and said, ” “If nothing goes wrong, I can help you gather the nine Supreme sacred artifacts!”
