

## Envelope 4791

Chapter 4791 boundary!

BOOM!

A stone that caused a thousand ripples!

Ji Haoyuan's desperate promise instantly shocked everyone!

All the participants looked at him in disbelief. At the same time, the expression on everyone's face had a subtle change!

Extreme blood marrow!

This was the Supreme treasure of the Supreme Saint tribe!

There was no need to mention its value. Even the Supreme Saint ancestors outside would be tempted, let alone the participants!

"Pa!!!"

When the Supreme Saint Supreme divine ancestor saw this, he slapped the armrest of his throne and stood up.

He shouted angrily at the live broadcast screen, "this prodigal!!!" How could he make such a promise? I'm so angry!"

There was no doubt that the Supreme blood marrow was the Supreme Saint divine ancestor's right arm.

If the Supreme blood marrow was really given away, the Supreme holy ancestor's strength would be greatly reduced, and his status and authority in the ancestral divine region would also be greatly reduced!

This way, the overall strength of the entire Supreme Saint tribe would also be greatly reduced!

From this, it could be seen that Ji Haoyuan's desperate decision was really a trap!

He could even be said to be the number one scammer in the world!

"Supreme Saint, don't be angry! Ji Haoyuan had no other choice but to use this plan!"

The yuan Sage Supreme divine ancestor narrowed his eyes and said with a faint smile, "After all, in that kind of environment, if no one saved him, his body and soul were destined to die, and his soul might not be able to survive! Could it be that the Supreme Saint really wishes to watch his most outstanding son's soul be scattered and die an unnatural death?"

"This ... " the Supreme Saint Supreme holy ancestor was stunned for a moment. He was also speechless.

It was obvious that the Supreme holy ancestor doted on Ji Haoyuan a lot. If he had to choose between his son and the Supreme blood marrow, the Supreme holy ancestor would definitely choose to save his son!

Because of this, even though Ji Haoyuan's decision was extremely fraudulent, the Supreme holy ancestor still silently agreed!

After all, there might still be a way to get the extreme blood marrow back if he gave it away, but if his son died, it would be completely gone!

The Supreme holy ancestor was very clear about this!

The surrounding Supreme Holy ancestors couldn't help but look excited!

Obviously, they all hoped that it was their own people who obtained the extreme blood marrow!

There was no need to say more about the benefits the extreme blood marrow could bring them!

More importantly, Ji Haoyuan had made a promise in front of everyone!

In other words, as long as Ji Haoyuan gave the extreme blood marrow, even the Supreme holy ancestor would be embarrassed to ask for it in public!

This way, the Supreme blood marrow would have a new owner. Even if the Supreme Saint divine ancestor wanted to return in the future, he would have to pay a great price!

Therefore, no matter who it was, as long as they obtained the extreme blood marrow, it would be a huge profit!

.....

Within the ruins.

"Swish!"

Xuantaizong was the first to withdraw. With his fastest speed, he rushed toward Ji Haoyuan.

As for the others, they were still on guard against the huge flame centipede, in case the monster attacked them from behind.

"Hand it over!"

Xuantaizong directly stretched out his hand and firmly controlled the extreme blood marrow in his hand.

Then, he took out a small medicine bottle.

Then, he poured out a green-red pill from the small medicine bottle.

"Here! Eat this!"

Xuantaizong stuffed the elixir into Ji Haoyuan's mouth.

Very soon, the medicinal effects began to take effect, and Ji Haoyuan's injuries recovered at a speed that was visible to the naked eye.

"You ... You actually carry a life-saving pill with you!"

Ji Haoyuan finally heaved a sigh of relief and looked at xuantaizong in shock.

“Who among us doesn’t have some life-saving Holy medicine? It’s just that I’m more cautious than all of you. I didn’t put all the pills in the storage space!”

“Carrying a life-saving pill on my person is a habit I’ve developed over the years!” Xuantaizong said with a faint smile.

This was clearly xuantaizong’s character!

A high level of vigilance and caution!

“Sigh ... If I had known earlier, I would have learned from you ... ”

Ji Haoyuan was filled with regret.

He had given away the extreme blood marrow because of his recklessness! It was simply a blood loss to the extreme!

However, how could such a reckless person like him learn the methods of xuantai sect?

“Alright, you can rest on your own! I’m going to head over first!”

Soon after, xuantaizong kept the medicine bottle close to his body. Then, he held the extreme blood marrow in his left hand and the profound secrets heavenly net in his right hand!

It was a pity that his Saint Origin Energy had been sealed. Otherwise, xuantaizong would have become the number one fighting force among all of them!

“Damn it ...”

Looking at xuantaizong’s back as he left, Ji Haoyuan gritted his teeth so hard that his molars were almost crushed.

It was a pity that everything here was being broadcasted live. Ji Haoyuan could not fall out with him on the spot. Otherwise, this despicable act of going back on his word would definitely be ridiculed by the world. It would also bring shame to the Supreme Holy tribe and become a great humiliation for the entire tribe! Even the Supreme Saint and Supreme divine ancestor would be humiliated!

Therefore, even though Ji Haoyuan’s injuries were recovering rapidly, he was still recovering! Although he was extremely unhappy and unwilling, he could only endure it. Even if he had to act, he had to act as if he was a man of his word!

On the other hand, if there was no live broadcast, Ji Haoyuan would immediately snatch the extreme blood marrow as soon as he recovered!

Of course, back to the topic!

If all of this had not been broadcasted live, xuantai sect could have killed Ji Haoyuan and snatched the extreme blood marrow by force. They would not have given Ji Haoyuan the chance to recover from his injuries!

From this, it could be seen that broadcasting everything live was a very subtle rule!

Perhaps this was an important part of the yuan Sage Supreme divine ancestor’s plan!

Of course, as far as the current situation was concerned, there was no final conclusion as to what the yuan Sage Supreme divine ancestor was planning!

It would still depend on the development of the ruins!

“strange, that flame centipede doesn’t seem to have any intention of attacking!”

The contestants observed for a while.

He found that the fire centipede had just stopped in place and did not attack.

At this moment, Jade-less machine had already made a discovery.”Look! There was a dark line of Holy Radiance over there! If I’m not wrong, the flame centipede will only attack when someone crosses that line!”

“That’s right!”

At this moment, Ji Haoyuan, who had fully recovered from his injuries, walked over and said, ” “I was attacked after I crossed the line!”

Everyone looked at Ji Haoyuan and could not help but feel surprised.

He didn’t expect this guy to recover so quickly!

However, after thinking about it carefully, this was very normal. After all, xuantazong carried life-saving medicine with him!

The effect had to be the best! The level had to be the highest!

Otherwise, it would lose its meaning of carrying it with him!

“What should we do now?”

Everyone’s eyes turned to Jade-less machine, eager to hear his wise opinion.

Chapter 4792 breaking the situation!

Obviously, after the series of situations just now, everyone had a tacit understanding and recognized the wisdom of Jade-less machine.

Therefore, at this moment, not only the people from the three groups of allies, but also the people from the beixuan Alliance all looked at the Jade-less machine, waiting for it to make a decision!

“I can’t think of any good countermeasures for the time being. I can only follow the boundary and see if I can bypass the flame centipede!”

Jade-less machine revealed his plan.

However, there was a cunning look in his eyes. He was obviously not telling the truth.

Of course, this was normal.

After all, there was only one final reward. If Jade-less machine shared its countermeasure with others, it would be equivalent to adding more competitors to itself. It was simply lifting a stone to smash one's own foot!

Wu Yuji was so smart that he would not do such a stupid thing!

"In that case, let's split up!"

"me, Wu Yuji, and xuantaizong," Ji Haoyuan said. "we'll advance to the right of the boundary. The rest of you, advance to the left!"

Obviously, the two sides had been divided into three groups and the beixuan Alliance from the beginning. It was time to part ways!

"Alright," he said.

Chen Xiaobei nodded and did not waste any time.

Jade-less machine was smart, but Chen Xiaobei, who had always kept a low profile, was even smarter than it!

Chen Xiaobei could easily see through what Jade-less machine was thinking!

Chen Xiaobei did not want to take advantage of his Jade-less machine!

It's better to go our separate ways!

After that, Chen Xiaobei led the beixuan Alliance to the left side of the border.

The three groups of Alliance members walked to the right.

In the end, do Jin was the only one left standing in the same spot.

"Kid, I'll give you a chance to join! How was it? Do you want to come over and join us? If this young master has meat to eat, you brat will have bones to gnaw on!"

Ji Haoyuan turned around and directly recruited Dao Zhen.

However, Ji Haoyuan was still arrogant and looked down on do Zhen. From his words, he even regarded do Zhen as one of his lackeys, and he ordered him to gnaw on bones.

"No, I won't."

Do Jin shook his head, turned around, and followed the team from the beixuan Alliance.

"You ..."

Upon seeing this, Ji Haoyuan's face turned red and he was extremely depressed.

In Ji Haoyuan's opinion, since he had taken the initiative to recruit Dao Zhen, Dao Zhen should have joined his side without hesitation!

In fact, do Jin should feel flattered and grateful!

However, at that moment, do Zhen rejected Ji Haoyuan without hesitation!

This result was like a loud slap to Ji Haoyuan's face!

Ji Haoyuan was so embarrassed that he almost vomited blood!

"Let's go! Don't just stand there!"

Jade-less machine urged him and then quickened his pace.

..... [novelusb.com](http://novelusb.com)

Then, the two of them walked to the left and right along the boundary, almost directly to the two ends of the huge mountain forest.

The huge flame centipede did not seem to have followed their tracks and disappeared without a trace.

"Jade-free machine! You're really something!"

Ji Haoyuan grinned and said, "there's only one flame centipede. It didn't follow us here. It must have been attracted by those trash! "This way, we can run to the giant tower without any obstacles!"

Obviously, in Ji Haoyuan's opinion, Wu Yuji was using a trick to lure the Tiger away from the mountain.

He would let the flame centipede track the party with more people to the other side of the forest. With only three people on his side, they could go straight to the giant tower from this side of the forest without any obstacles!

"....."

However, in the face of Ji Haoyuan's praise, Wu Yuji had a look of disdain on his face. He rolled his eyes to the top of his head and didn't even want to talk to this fool, lest it lowered his own intelligence.

"Why are you rolling your eyes? Am I wrong?" Ji Haoyuan furrowed his brows and asked.

"You're too simple-minded!"

Wu Yuji sighed and said in a deep voice, "Only one flame centipede? He was easily lured away? Do you think that this trial will be so simple?"

"this ... " Ji Haoyuan was stunned for a moment. He was immediately awakened by the Jade-less machine.

Indeed, if it was that easy to pass, then wouldn't the second stage be even easier than the first?

This was absolutely impossible!

"You can try crossing the boundary!"

"if I'm not wrong, " said Jade-free machine. "no matter which direction we approach the tower from, we'll face a huge resistance!"

"this ... " Ji Haoyuan was dumbfounded when he heard this.

After all, Ji Haoyuan's body and soul were almost crippled by the flaming centipede just now. Therefore, when he thought about the resistance he would face, he felt uneasy and extremely anxious.

Xuantaizong observed for a moment and said, " "Since we can't pass through easily no matter which direction we go, why should we waste time taking a detour? Wouldn't it be the same if we just charged in from the front?"

"Of course it's different!"

Wu Yuji's eyes narrowed. "actually, I've already thought of a way to break out of this situation. It's just that I don't want the people from the beixuan Alliance to know. That's why I found an excuse to get rid of them!"

"Oh? You already have a plan?" When Ji Haoyuan and xuantaizong heard this, they immediately revealed looks of pleasant surprise.

"Of course!"

"of course!" Wu Yuji smiled confidently and said, " although our Saint Qi has been completely sealed, our mind power is not!"

"spiritual power!?"

When Ji Haoyuan and xuantaizong heard this, their faces instantly revealed expressions of realization.

"No wonder it's a Jade-less machine!" He said in surprise. All of us have overlooked this point, but you've thought of it!"

"It's not hard to guess this!"

Wu Yuji said, " the first test is to let us display the innate abilities of our respective races. It was basically consuming mental energy! And the second one also requires spiritual power and our divine Dao special ability to pass!"

"Understood!"

Xuantaizong's eyes lit up, and he immediately burned his mind power to activate the sage Dao special ability of the profound Sage Tribe!

"opportunity!!!"

Then, in xuantaizong's eyes, a mysterious change appeared in the space in front of him.

One by one, spiritual lights of opportunity lit up, marking out the most favorable path for xuantai sect.

"You two! I'll make a move first! I'll share the reward with you two after I get it!"

Xuantaizong instantly became excited. Holding the extreme Dao blood marrow in his left and right hands, and the Arcanum Sky Net in his right hand, he crossed the boundary without hesitation and rushed toward the giant tower!

"Are you trying to fool a fool? You're clearly trying to keep the reward for yourself!"

Ji Haoyuan roared and activated the saintly way special ability of the Supreme Saint clan.

"extreme bloodline Dao!!!"

With a roar, Ji Haoyuan followed closely behind xuantaizong with his fastest speed.

Chapter 4793 Give up?

“Woof!”

Under the guidance of the spiritual light of creation, the path that xuantai sect took was the most beneficial to him!

He did not encounter any resistance as he charged forward!

“Woof!”

Although Ji Haoyuan was reckless, he was not stupid. He followed the path that xuantai sect had taken.

Of course, at this moment, Ji Haoyuan’s bloodline power had already been activated to the extreme. He was no longer in his human form.

It directly turned into a special Mirage beast that looked like a giant Roc, covered in golden scales and surrounded by nine-colored Holy Fire!

In this state, Ji Haoyuan’s speed was actually much faster than xuantaizong’s!

However, Ji Haoyuan knew that if he followed xuantai sect, he would be able to avoid all dangers!

Therefore, Ji Haoyuan had no intention of overtaking him and simply followed behind xuantaizong.

With an absolute advantage in speed, Ji Haoyuan could totally choose to overtake them at the corner when they were close to the finish line!

Just like that, xuantaizong and Ji Haoyuan’s figures quickly disappeared from Wu Yuji’s line of sight.

However, Jade-less machine had no intention of giving chase.

He just stood there quietly, not even crossing the safety line.

Those who didn’t know would think that Jade-less machine was going to give up.

.....

“What’s going on? What is jade-less machine doing?”

Seeing this scene, the audience in the real world all showed extremely puzzled expressions. They were puzzled by the Jade-less machine’s behavior.

Even the core higher-ups of the various races on the central High platform were dumbfounded, their faces full of question marks.

Yuan mengqing frowned and said, ‘it was Wu Yuji who came up with the idea to break out of this situation. Why didn’t he execute it himself?’ Could it be that he wants to give the final reward to xuantai sect and Ji Haoyuan?”

Hearing this, Yuan Xuan po helplessly shook her head, indicating that she didn’t know either.

However, while the audience and the higher-ups were still in a daze, the Supreme divine ancestors present had already seen through the mystery.

“No saint! Your son used a spatial imprint! Am I right?”

The Supreme holy ancestor’s brows were tightly furrowed, and he appeared to be extremely displeased.

At this moment, Ji Haoyuan possessed an absolute advantage in speed. Theoretically, he would definitely be the first person to reach the giant Pagoda!

However, the Supreme holy ancestor wasn’t happy at all. Instead, he was extremely, extremely unhappy!

“You have good eyes, Supreme Saint!”

The Supreme Saint ancestor smiled and said, “ ‘It’s indeed a space seal!’ ”

The Supreme holy ancestor’s face instantly darkened as soon as he heard this. He braced himself and said, “Wu Yuji, you’re so scheming! What a good plan! My son didn’t lose unjustly ...”

At the same time, the other Supreme Holy ancestors’ faces also darkened, as if they were silently agreeing with the Supreme Holy Holy ancestor’s statement!

Jade-less machine would definitely win this round and become the first person to reach the tower!

Of course, even though the Supreme divine ancestors had already predicted this outcome, everyone else around them was still in the dark.

“Father, what is a space imprint?”

Yuan mengqing could not help but ask, “in this situation, Ji Haoyuan clearly has a higher chance of winning. Why does the Supreme Holy divine ancestor say that Ji Haoyuan did not lose in vain?”

Yuan Cheng po said in a deep voice, “Ji Hao Yuan has indeed lost!” The spatial imprint was a special ability unique to the non-Saint tribe! It can ignore distance, environment, and even laws to perform spatial rotation!”

“Space vortex? ‘This ...’ Yuan mengqing finally understood.

He could not help but sigh, Jade-less machine is really too smart! Not only had he quietly thought of a way to break out of this situation, but he had also secretly plotted against xuantai sect and Ji Haoyuan! In this way, no matter how fast xuantazong and Ji Haoyuan run, they’ll only be making a wedding dress for the Jade-less machine!”

Yuan qianpo nodded and said, “there’s no more suspense in this round.” The final reward would definitely belong to the Jade-less machine! If this brat can survive, I really want to marry you to him!”

“Father ...”

Yuan mengqing’s face turned red with embarrassment, but she did not reject him outright.

Obviously, in Yuan mengqing’s eyes, Wu Yuji was the most outstanding one among all the participants. She was more than willing to marry him.

However, Yuan mengqing was still a little worried when she thought of what Yuan yuanpo had said.

After all, if Yuan mengqing wanted to marry Wu Yuji, the first condition was that Wu Yuji had to survive!

In other words, even if Wu Yuji won this round, he might not be able to survive in the end!

From this, it could be seen that this relic test was far more dangerous and terrifying than everyone had imagined! The undercurrents were even more turbulent! It was even more treacherous!

Even the yuan Sage Supreme divine ancestor and his daughter had been tricked!

That was because Yuan Cheng PO's words had also revealed a detail!

That was, the most outstanding person among all the participants would not marry the daughter of the yuan Sage Supreme divine ancestor. Instead, Yuan chanpo would arrange for him to marry Yuan mengqing!

This was obviously a huge suspicion!

On what basis could Yuan Xuan po make such a decision?

Would the yuan Sage Supreme divine ancestor and his daughter sit by and do nothing?

The only explanation was that the yuan Sage Supreme divine ancestor and his daughter had already been tricked by Yuan qianpo!

Therefore, when the situation developed to the later stage, the yuan Sage Supreme divine ancestor and his daughter would lose the initiative and even be controlled by Yuan yuanpo!

Of course, this was just a relatively reasonable explanation and reasoning!

In fact, there were still some unexplainable loopholes!

The most direct point was, what did he, Yuan Cheng po, do? How was it possible to set up such a shocking scheme?

The only possibility was that Yuan Cheng po had the support of an expert!

Of course, the current clues weren't enough to prove everything. Therefore, in order to reveal the final answer, they still had to continue to push the development of the situation!

&quot; it seems like the beixuan Alliance is going to give up. They're still hovering outside the safety line! &quot;

At the same time, the yuan Sage Supreme divine ancestor glanced at the Holy extermination Supreme divine ancestor.

The yuan Sage Supreme divine ancestor wanted to confirm with the Holy extermination Supreme divine ancestor if Chen Xiaobei was really going to give up.

"This ..." [novelusb.com](http://novelusb.com)

The Supreme holy ancestor frowned slightly with an awkward expression."I ... I don't think he'll give up ... But I'm not sure ..." He said.

It was obvious that the Supreme holy ancestor was trying to help Chen Xiaobei!

However, from the live stream, Chen Xiaobei and his team were just hovering outside the safety line. They had no intention of crossing the line!

No matter how he looked at it, he seemed to be giving up!

When the first holy ancestor saw this, he laughed and said, " &Quot; actually, giving up isn't a bad choice. Since we can't win, why waste our energy? "

Chapter 4794 escape!

The surrounding Supreme Holy ancestors couldn't help nodding in agreement with the first Supreme holy ancestor.

After all, in the eyes of the Supreme divine ancestors, Jade-less machine was the winner. Even if Chen Xiaobei did not give up, he would not be able to win!

Instead of wasting their energy and increasing the number of casualties, it was better to wander around where they were, which was safe and convenient.

All of the Supreme Holy ancestors had agreed with this statement, and the core leaders of the various races and the hundreds of millions of spectators naturally had no objections!

All of a sudden, everyone in the audience was certain that Jade-less machine would win. Chen Xiaobei and the entire beixuan Alliance had forfeited!

Even the contestants from the beixuan Alliance couldn't sit still anymore.

"The North Mystic Divine ancestor!"

Sheng lishang furrowed his brows, "we can't just wait here forever!" You should at least tell us the next step of the plan!"

Chen Xiaobei shook his head and said, " "My plan is very special. I can't tell you about it for now! However, I can guarantee that as long as everyone trusts me, I will definitely win in the end. Furthermore, I am willing to split the reward equally with everyone!"

&Quot; this ... &Quot; Sheng Li Yao's face was filled with disbelief.

However, since Chen Xiaobei had already said so much, Sheng Lizhu could not say anything more.

After all, the Holy life tribe was a member of the beixuan Alliance. Sheng lishang had to give Chen Xiaobei his absolute trust, or the beixuan Alliance would become the laughingstock of the world!

Of course, more importantly, Chen Xiaobei was the Savior of the Holy life tribe. He was their second parent!

That was why the Holy life tribe was so grateful to Chen Xiaobei!

Even so, Sheng Li Yao had to trust Chen Xiaobei to repay his kindness!

However, the others didn't think like Sheng Li Yao.

“The North Mystic Divine ancestor!”

Shi hengtian’s eyes focused and he said solemnly, ” &quot; my Holy Shi tribe has not completely joined the beixuan Alliance. If you have no ambition, then don’t blame me for parting ways with you! &quot;;

As the first direct disciple of the first holy ancestor, Shi hengtian was naturally one of the best of the younger generation. He naturally had great pride!

Most importantly, the Holy Shi clan and Chen Xiaobei did not have a deep relationship. So, Shi hengtian did not have much respect for Chen Xiaobei!

If Chen Xiaobei could lead the way, Shi hengtian could still follow him.

But now, Chen Xiaobei was not moving forward. He looked like he had no ambition at all. This made Shi hengtian very unhappy. He even decided to leave the team and go on his own.

“It’s fine,”

&quot; of course! &quot;; Chen Xiaobei smiled and said, ” if you’re confident that you can make it to the finish line, then you can leave anytime! I will sincerely wish you good luck!”

“Hmph! Since that’s the case, I’ll take my leave!”

Shi hengtian’s face turned cold. His eyes were filled with disdain and contempt for Chen Xiaobei. He turned around and walked towards the safety line.

&quot; you don’t want to live anymore?! &quot;;

Seeing this, the life separation Gu quickly shouted, ” &quot;; Ji Haoyuan’s strength is no less than yours and mine. Even he was seriously injured and almost killed. If you break in, aren’t you seeking death? ”

It was obvious that the life Holy Supreme divine ancestor and the first Holy Supreme divine ancestor were best friends, so Sheng lishang didn’t want to see anything happen to the first Eternal Heaven.

However, Shi hengtian said with extreme arrogance, ” “Hmph! That idiot Ji Haoyuan is not worthy to be mentioned in the same breath as me! I’ve already thought of a way to break out of this test!”

With that, Shi hengtian stepped across the safety line.

&quot; how ... How is this possible?! &quot;;

Looking at the scene in front of him, Sheng Li Yao was still in disbelief, his face filled with anxiety and worry.

However, Chen Xiaobei’s face was calm, as if everything was within his expectations. There was nothing to be surprised about.

However, through this small detail, Chen Xiaobei could also see Shi hengtian’s unique character. He was extremely proud! He was not willing to be under someone else, nor was he content with the status quo!

Of course, although Shi hengtian was very arrogant, he did have the right to be arrogant!

On the one hand, he was strong enough. On the other hand, he was not stupid!

“Boom boom boom ...”

Right at this moment, a gigantic flame centipede suddenly burrowed out from the ground and pounced towards Shi hengtian!

The strength and speed of this fire centipede were also extremely powerful.

If they were to face him head on, Shi hengtian would definitely be suppressed and end up in the same state as Ji Haoyuan.

“Time freeze!”

However, at this moment, Shi hengtian directly burned his spiritual power and activated the sage path special ability of the Holy Shi clan.

“Whoosh ...”

All of a sudden, the time law around the flame centipede was interrupted, forming a huge barrier.

And within this barrier, time was stopped.

The giant flame centipede froze in mid-air, not moving.

Shi hengtian, on the other hand, walked past the flame centipede with a calm and composed pace, easily escaping from danger.

“This ... This, this, this ...”

Looking at the scene before him, the life separation Gu immediately exclaimed, “I didn’t expect Shi hengtian to really think of a way to break out of this situation! I was too careless! This space only seals Saint Qi, not spiritual energy, why didn’t I think of this earlier?”

Chen Xiaobei only smiled and did not express his opinion.

Even mieshi Kong and the annihilation Emperor scale were surprisingly calm.

Do Jin, who was standing not too far away, had a calm expression on his face. He was not shocked.

In fact, Chen Xiaobei and do Jin had already thought of a way to get out of this situation. However, they did not say it out loud because they had their own plans.

As for mie shikong and the annihilation Emperor scale, he didn’t know if they had thought of a way to break out of this situation, but judging from their calm attitude, they had most likely thought of it.

In fact, these two guys were also very suspicious!

After all, out of all the participants, they were the only ones who didn’t have a Supreme sacred ancestor level treasure!

Previously, there had been another contestant from the profound Sage clan who had chosen to forfeit because he did not have a Supreme sacred ancestor-level magical treasure to protect himself.

However, mie shikong and the annihilation Emperor scale insisted on not giving up. They said that they would help Chen Xiaobei.

The problem was that they didn't have a powerful trump card, so they couldn't help much.

Therefore, the more they insisted, the more suspicious they were.

The calmer they were, the more suspicious they were.

"The North Mystic Divine ancestor!"

Life separation Gu could no longer sit still, "the situation is clear now. Our spiritual power is not sealed. We can use our abilities to break through this barrier! "We can't hesitate anymore, otherwise, the fruits of our victory will be taken by others!"

Chapter 4795 going all out!

Obviously, Shi hengtian had already found a way to break out of this situation, and had already crossed the fire centipede's defensive area.

If Chen Xiaobei and the others were to remain in the same spot, even if the three-team Alliance did nothing, Shi hengtian would be the first to win and receive the reward for this round.

The reward for this round was a portion of Nine Star divine ancestor peak level divine ancestor Mystic resin.

To every participant, this was an extremely important reward. It could even be said to be a super opportunity that was hard to come by in a lifetime.

It was because of this that the life separation Gu was completely flustered. It couldn't wait to catch up immediately, not willing to waste even a second. [movelusb.com](http://movelusb.com)

At the same time, mie shikong and the annihilation Emperor scale remained unperturbed, as if they had no interest in the final reward.

It was really suspicious.

Chen Xiaobei smiled. "If you trust me, you can wait. If you don't, you can do it yourself. I won't hold it against you."

"This ..."

The life separation Gu hesitated for a moment, but in the end, he sighed heavily, "Forget it! No matter what, you're our clan's Savior! I, Sheng liyao, will not do such an ungrateful thing!"

With that, Sheng Li Yao retreated to the side with an angry face and sulked alone.

Chen Xiaobei could not help but smile when he saw this.

Sheng Li Yao was not the smartest of them all, but Chen Xiaobei liked his personality.

At this moment, the angry life separation Gu would never have thought that his decision would save his life in the future!

"Why aren't you two talking?"

Chen Xiaobei raised his eyebrows and looked at mieshi Kong and the annihilation Emperor scale.

“Ah? Oh ...” Mieshi Kong composed himself and said, “&quot; it’s nothing. We’ve already made up our mind to listen to the northern Mystic Divine ancestor’s every word. So, there’s nothing more to say. We’ll follow your command! &quot;

&quot; yes, yes, yes ... &quot; the Emperor annihilation scale nodded repeatedly with a fawning smile.

Suspicious!

It was even more suspicious!

One had to know that mie shikong was the first direct disciple of the Supreme Saint ancestor, while mie huanglin was the second direct disciple of the Supreme Saint ancestor!

The strength and talent of these two fellows were extremely high. Among the younger generation, they were also the top existences!

People who stood at this height all had pride in their bones!

However, in front of Chen Xiaobei, the Emperor-killing scale and mieshi Kong were so submissive, as if they were born to be nobodies!

Without a doubt, Chen Xiaobei had already noticed the suspicious nature of these two.

However, Chen Xiaobei had no intention of exposing them.

He had to be patient and quietly watch what they were up to.

After all, it was easy to Dodge a spear in the open but hard to defend against an arrow in the dark!

If he exposed them now, he wouldn’t be able to know what kind of conspiracy they were plotting in the dark. It would instead become a hidden danger in the future.

The best way was to wait for them to expose themselves, and then Chen Xiaobei would make his move and get rid of the whole conspiracy at its roots. This way, he would be able to avoid any future trouble and be at ease!

“What about you? What are your plans?”

Chen Xiaobei raised his eyebrows and looked at do Jin.

“I want to work with you.”

“I believe that you are the final winner!” Do Jin said bluntly.

“Alright then, we’ll wait a little longer.” Chen Xiaobei shrugged. He looked confident and not humble at all, as if victory was already in his grasp.

“This ...”

Looking at the scene before them, Sheng liyao, mie shikong, and the annihilation Emperor Qilin all revealed expressions of disbelief.

They could not understand how Chen Xiaobei and do Jin, the two people with the weakest cultivation, could be so blindly confident!

This was simply unreasonable!

However, the life separation Gu did not leave out of affection, while mieshi Kong and the annihilation Emperor Qilin did it out of their own schemes. They chose not to leave, but instead, waited quietly.

.....

On the other side.

Xuantaizong, who was the first to step out of the Dharma, was guided by the special ability of creation, opportunity, and destiny. He took the most favorable path. Although it was a little winding, he did not encounter any danger along the way.

Ji Haoyuan, who had transformed into a Gokudo path demonic beast, followed closely behind!

The speed of the extreme path demonic beast form was far faster than that of xuantaizong!

Therefore, no matter how hard xuantaizong tried, he could not shake off Ji Haoyuan.

In this way, Ji Haoyuan would definitely catch up and overtake them when they were close to the finish line.

All of xuantaizong's efforts at this moment would be for the benefit of others.

Xuantai sect was well aware of this.

Therefore, when they were halfway there, xuantaizong suddenly stopped.

"Ji Haoyuan! You're shamelessly following behind me, don't you find it embarrassing?"

Xuantaizong squinted his eyes, his tone full of mockery and provocation. "Don't forget, our every move will be broadcast live! Can't you be a little more shameless?"

"Heh, I'm here to win, not to ask for face!"

Ji Haoyuan was going all out and said, "Besides, I've already lost all my face in front of you! I don't care anymore, as long as I can win, I'll do anything!"

"You ... " xuantaizong was instantly speechless.

As the saying goes, a shameless person is invincible!

At this moment, Ji Haoyuan was completely shameless. Even if he had to win in such a disgraceful way, he would not hesitate to do so.

In this way, xuantai sect's taunting and provocation had completely lost its meaning.

It was impossible to solve this matter with words.

"How about this!"

"As long as you don't fight with me over it, I'm willing to return the extreme blood marrow to you!" Xuantaizong composed himself and said.

"What?"

Ji Haoyuan's expression froze for a moment before a look of pleasant surprise appeared on his face.

He didn't expect to have such an unexpected harvest.

After all, the Supreme blood marrow was extremely important to the Supreme Saint tribe.

It would naturally be great if he could get it back with a legitimate reason.

But!

At this moment, Ji Haoyuan had completely thrown all caution to the wind. He didn't even care about his face, so why would he care about being justified?

"Of course, I'll take the extreme blood marrow back!"

Ji Haoyuan sneered and said, 'however, you don't need to return it to me! That's because my combat strength has already far surpassed yours! I'll take back the Supreme Dao blood marrow and your Arcanum heavenly net! If you don't, I'll kill you!"

"You!"

When xuantaizong heard this, his expression changed drastically.

He had never thought that the situation would turn out like this.

One must know that at this moment, all the participants 'greatest reliance was their own saintly way abilities.

On the other hand, the sage Dao special ability of the profound Sage clan could only be used to find opportunities that were beneficial to themselves, and it was of no help in battle.

Compared to Ji Haoyuan, who had transformed into the form of a Gokudo path demonic beast, xuantai sect did not have the slightest chance of winning!

Chapter 4796 I'm convinced!

"Shameless! Shameless! You're extremely shameless!"

In the real world, the profound Sage Supreme divine ancestor was so angry that he slammed the table and cursed, " "Supreme Saint! This is The Good Son you taught! He went back on his word! Repaying kindness with enmity! Despicable! You're even worse than a beast!"

As soon as he said that, the hundreds of millions of spectators below the stage expressed their agreement and began to curse.

"Ji Haoyuan is really too shameless! If not for xuantaizong's help, Ji Haoyuan's physical body would have been dead! How could I have the chance to transform into an extreme grade demon beast?"

"Well said! The extreme divine clan's extreme special ability can only be activated by relying on the bloodline of the body. Without the body, Ji Haoyuan will become the weakest of all the participants!"

“This is so ironic! Xuantai sect had helped Ji Haoyuan preserve his physical body and soul! “However, Ji Haoyuan turned the tables on him. This is a typical example of repaying kindness with ingratitude. He is extremely despicable and shameless!”

.....

It was obvious that justice was in everyone’s heart!

Ji Haoyuan’s actions were very contemptible. The hundreds of millions of spectators did not hide their anger at all. The sounds of contempt and curses were endless!

Unfortunately, in the Supreme divine ancestor’s eyes, these hundreds of millions of spectators were nothing more than dust. No matter what they thought or said, they wouldn’t receive any attention!

At the same time, the other Supreme divine ancestors on the platform chose to remain silent, as if they were watching a show.

The Supreme holy ancestor immediately acted like a Rascal,”Profound Sage! What are you saying! Did he forget that this was a martial arts competition? The winner is king and the loser is vilified. The strong are respected. This is a real martial arts competition!”

“You ...”

“Why didn’t you say that this was a martial arts competition when xuantaizong saved Ji Haoyuan?!” The profound Sage Supreme divine ancestor cursed.

&Quot; of course it’s not a competition, but a deal! &Quot;

The Supreme holy ancestor thickened his skin and said,”Xuantai sect saved my son, and my son gave him the extreme blood marrow. This is a deal that both of us are willing to make! No one owed anyone anything! Isn’t it?”

&Quot; this ... &Quot; the profound Sage Supreme divine ancestor was instantly speechless.

The Supreme Holy divine ancestor continued to complain,”If you really want to say that my son is shameless! Then, I can also say that xuantai sect is taking advantage of you! We’re both equally shameless, so don’t say who’s wrong!”

As soon as these words were spoken, the scene suddenly became much quieter.

After all, the Supreme holy ancestor’s words were not without reason.

Don’t forget, when Ji Haoyuan was seriously injured in the beginning, no one cared about him.

If xuantaizong really wanted to save her, he should have acted at this time.

However, xuantai sect had only saved him after Ji Haoyuan had promised to give him the Supreme Dao blood marrow. This was more or less like taking advantage of him.

From this, it could be seen that Ji Haoyuan and xuantai sect were not good people.

Hence, the hundreds of millions of spectators all fell silent.

The Supreme holy ancestor continued, "Right now, Ji Haoyuan and xuantai sect don't owe each other anything, and neither is more noble than the other! The final result can only be decided by the martial arts competition!"

"You ..."

The profound Sage Supreme divine ancestor frowned and said, "My race's abilities aren't good at fighting! With his Saint Origin Energy sealed, how could xuantai sect possibly be your son's match?"

"Hehe, you can't blame me for this!"

"After all, this world has always been a world of the strong. Weakness is an original sin!" The Supreme holy ancestor sneered. It was low! His death is not to be regretted!"

"You ... You, you, you ... " the profound Sage paramount divine ancestor almost vomited blood in anger.

In fact, when the ancestor of the myriad DAOs had set up the various Supreme clans, he had already considered the balance of the characteristics and strength of each clan!

The special ability of the profound Sage Tribe was used to discover opportunities, and it could help the profound Sage Tribe to quickly develop and strengthen itself. It could also discover a large number of resources, and it could be said to be the most heaven-defying developmental special ability.

However, in terms of combat, the special abilities of the profound Sage Tribe were obviously the weakest among the various races. They didn't even have any direct effect on combat!

After taking this into consideration, the ancestor of ten thousand DAOs gave the profound Sage Tribe the most powerful combat treasure, the profound secrets heavenly net!

Therefore, in terms of cultivation, xuantaizong was definitely not weaker than Ji Haoyuan.

With the Arcanum heavenly net, he could completely defeat Ji Haoyuan.

However, at this moment, because his Saint Qi had been sealed, xuantaizong was unable to use his own strength, and the profound secrets heavenly net's power could not be activated!

He was clearly very strong, but the Supreme holy ancestor had called him a lowly weakling in front of everyone!

There was no doubt that the profound Sage paramount divine ancestor was very depressed!

However, success or failure, life or death, was an undeniable fact!

Success meant that he was strong!

Those who were defeated were the weak!

Very few people would dig deep into the reason behind this, so no matter how aggrieved and depressed the profound Sage Supreme divine ancestor was, he could only endure it and grit his teeth to swallow it!

When the Supreme Holy Supreme divine ancestor saw this, he revealed a sinister smile. He felt that his son, Ji Haoyuan, was already in the bag!

He could even imagine the scene of Ji Haoyuan recapturing the extreme blood marrow and snatching away the mysterious heavenly net!

Just thinking about it made the Supreme holy ancestor extremely excited.

.....

At the same time, in the ruins.

Ji Haoyuan and Xuantaizong had already reached the point of daggers drawn.

“Xuantaizong, this young master will give you one last chance!”

Ji Haoyuan narrowed his eyes and said coldly, “You can either obediently send the extreme blood marrow and the profound secrets heavenly net over, and then obediently lead the way! Otherwise, this young master will kill you right now and directly devour your bloodline!”

“You ...”

Xuantaizong was extremely depressed and regretful. “If I had known, I wouldn’t have saved you just now! When you’re dead, I’ll still be able to get the extreme blood marrow!”

“Hehe, there’s no medicine for regret in this world!”

Ji Haoyuan grinned hideously. “You only have ten seconds left. My patience is limited. I hope you can take care of yourself!”

“Shualala ... Shalala ...”

As he spoke, Ji Haoyuan flapped his wings, and the Golden scales on his body vibrated rhythmically. The nine-colored Holy Fire burned, showing off his power!

It was obvious that this was a threat!

Xuantaizong had no way out.

“I’m convinced!”

Soon, Xuantai sect made a concession and offered the extreme path blood marrow and profound secrets heavenly net with both hands.

“Hahaha ... At least you know what’s good for you!”

Seeing this, Ji Haoyuan was extremely happy. He immediately grabbed the two Supreme magical treasures with his sharp claws. He was so excited that he even trembled.

“Follow me closely! I’ll continue to lead the way for you!”

Xuantaizong composed himself and continued to activate his special ability as he walked forward.

Chapter 4797 unfortunate!

“Hahaha! How well-behaved!”

Ji Haoyuan laughed proudly. "don't worry. As long as you follow me obediently, I'll reward you with a bone when I eat meat!" he said.

"Mm ..."

Xuantaizong did not turn his head and only responded in a low voice.

Without a doubt, the current situation was being broadcasted live. To xuantai sect, it was a great humiliation and the greatest stain in his life!

However, he had no other choice!

Xuantaizong was very clear about Ji Haoyuan's boorish character. If he rejected Ji Haoyuan, this guy would definitely launch a fatal attack in a moment of rashness!

In that case, xuantai sect would definitely not be able to resist! In the end, there was only death!

Therefore, in order to live, xuantaizong could only endure the humiliation and show a submissive attitude. He offered up two Supreme treasures and personally led the way!

.....

On the other side, Shi hengtian was still advancing smoothly with the help of the time stop ability.

However, it seemed to be smooth on the surface, but there were huge variables and hidden dangers.

That was because the flame centipede was not the only obstacle along the way!

As Shi hengtian continued to venture deeper into the forest, more and more monsters appeared, and their strength was not below that of the flame centipede! [novelusb.com](http://novelusb.com)

Although Shi hengtian could use the time restriction ability to hold these monsters back!

However, this process was also a huge drain on Shi hengtian's mind power!

After all, Shi hengtian had already used up a lot of his mind power during the first stage of drawing the sword. The amount he was using now was even more!

Shi hengtian was even starting to worry that his remaining mental energy might not be able to last him to the finish line!

It must be known that Shi hengtian was within the safety line at this moment. Once his psyche was exhausted and the surrounding monsters were freed from the restraint of the time restriction, they would immediately attack Shi hengtian. It would be enough to kill him without a complete body and a burial place!

"if I had known this would happen, I would have listened to the northern Mystic Divine ancestor and not rushed in ..."

Without a doubt, Shi hengtian started to regret.

If she had trusted Chen Xiaobei and waited for him, she would not have been in such a dangerous situation.

However, there was no medicine for regret in this world.

At this moment, no matter how much Shi hengtian regretted it, he still forced himself to continue forward.

That was because they had already covered more than half of the journey. Even if they retreated now, they would not be able to return beyond the safety line.

Only by constantly moving forward and praying for his potential to be stimulated, allowing his spiritual power to reach a higher realm, could Shi hengtian obtain the only way to live.

&quot; huh?! &quot;

However, at this moment, Shi hengtian could vaguely see two figures in front of him!

They were none other than xuantazong and Ji Haoyuan!

Shi hengtian was very smart. When he saw that xuantazong was using his special ability, and that there was no danger in the surroundings, he immediately understood the profoundness!

Shi hengtian practically used all his strength and directly rushed to xuantazong's side!

“Whoosh ...”

Immediately after, Shi hengtian stopped burning his mental energy and removed the time stop ability.

Then, the monsters that were pinned down by him seemed to have lost their target and hid underground one after another, completely safe.

From this, it could be seen that there was a safe path in this test. As long as one took the right safe path, they could avoid being attacked by monsters.

And this safe path seemed to be specially tailored for the opportunity!

Because, other than the special ability of creation, opportunity, and fate, there was almost no other way to discover this path!

Because of this, xuntai sect's appearance was undoubtedly a life-saving straw for Shi hengtian, and they could finally let out a sigh of relief!

However, before he could completely relax, Shi hengtian began to get nervous again!

After all, Shi hengtian was still very smart and careful.

Therefore, Shi hengtian immediately discovered that Ji Haoyuan, who was in the form of a Gokudo path demonic beast, had already controlled the Gokudo path blood marrow and the Arcana Sky Net at the same time. He had absolute control over them!

Shi hengtian was very clear that this wasn't a good sign!

As expected, Ji Haoyuan immediately cast a greedy look at him and said coldly, “ Shi hengtian! What are you doing here? Was his spiritual power about to be exhausted? You want to rest and recover?”

“This ...”

Shi hengtian was stunned for a moment, but he could only brace himself and say, " "Yes! He had consumed too much spiritual energy! It's a good thing we met you!"

"Fortunately? It should be called misfortune!"

Ji Haoyuan's face revealed a ruthless expression as he coldly said, " "from the moment you decided to follow the North Mystic Divine ancestor, you've already stood on the opposite side of us. To put it bluntly, we're now enemies! "

"This ..."

Shi hengtian's face was ashen as he quickly explained, "No, no, no! I've already left the beixuan Alliance! Otherwise, how could I possibly advance alone?"

"He left the beixuan Alliance?" "What's their situation now?" Ji Haoyuan squinted and asked.

"I don't think so! " Shi hengtian said without hesitation, " they must be afraid of the dangers here, so they've been waiting here all this time! "

"Pfft! Hahaha ..."

Upon hearing this, Ji Haoyuan laughed out loud. "I've already seen through it. The North profound divine ancestor is just a piece of trash who's bluffing! He doesn't have any strength at all, and he only rose to power because of the bragging of Saint extermination and Saint of life!"

"Yes, yes, yes ... You're right!" Shi hengtian nodded his head without hesitation.

In this situation, Ji Haoyuan had the absolute advantage, so everything he said was right! Even if he said sh \* t was fragrant, Shi hengtian would still nod in agreement!

"Alright! Don't talk nonsense!"

Ji Haoyuan narrowed his eyes and said greedily, " "If you want my protection, then hand over the blade of time!"

"What?" Shi hengtian was stunned for a moment, his heart suddenly tightening.

It was obvious that Shi hengtian's spiritual power had been exhausted and he was unable to fight Ji Haoyuan.

The moment he rejected, Shi hengtian would definitely not have a good ending.

"Why are you so surprised?"

"Don't you see that xuantai sect has also given up the Arcanum heavenly net?" Ji Haoyuan grinned hideously. This test is my home field! All of you must submit to me! Otherwise, only death awaits you!"

It had to be said that Ji Haoyuan had a huge advantage in this round of the test!

After all, when he transformed into an extreme grade demonic beast, he only needed to consume a portion of his mental strength at the beginning of the transformation. He could maintain this form after that!

However, if anyone else wanted to fight with Ji Haoyuan, they could only rely on the supernatural power that was ignited by burning their mental power! As long as he could not end the battle quickly, his spiritual power would definitely be exhausted and he would lose to Ji Haoyuan without a doubt!

Chapter 4798 surrender!

However, the biggest problem was that the form, strength, speed, and defense of an extreme grade demonic beast were all far superior to its opponent of the same level. It was impossible to defeat it, let alone defeat it quickly!

Because of this, it was not an exaggeration to say that this round was Ji Haoyuan's home field!

Hence, at this moment, Shi hengtian had no other choice but to give in!

After all, Shi hengtian didn't want to die Here!

"O-okay ... I'll listen to you!"

Shi hengtian presented the blade of time with both hands and showed a respectful attitude.

"You, go to the front!"

Ji Haoyuan grabbed the blade of time with his sharp claws and immediately gave the order.

Obviously, Ji Haoyuan was afraid of Shi hengtian's sneak attack from behind, so he specifically ordered Shi hengtian to go to the front.

"Yes ..."

Shi hengtian nodded his head and obediently listened to the order.

However, after walking to the front, Shi hengtian and xuantaizong exchanged a look, silently reaching some kind of agreement!

Without a doubt, Shi hengtian and xuantaizong were the cream of the crop among the younger generation! On the surface, they seemed to be submitting to Ji Haoyuan, but they were extremely unconvinced in their hearts!

As long as there was a chance, Shi hengtian and xuantaizong would definitely counterattack!

Furthermore, they had joined forces to counterattack!

.....

"Supreme Saint! You have to give me an explanation for this!"

In the real world, the first Holy Supreme holy ancestor's eyes widened in anger as he shouted.

"Explanation? What kind of explanation?"

A sneer appeared on the Supreme holy ancestor's face, and he said, "Isn't this an obvious deal? Your eldest disciple, Shi hengtian, wants to live, so he's begging my son to protect him! Naturally, you have to pay a protection fee, don't you think so?"

“You ...”

The first holy ancestor gritted his teeth and rebuked, “Stop quibbling! Your son bullies the weak and takes advantage of his own advantage! This wasn’t a deal at all, this was extortion! It’s a humiliation!”

It was obvious that Shi hengtian was the representative of the first and Supreme sacred ancestor.

If Shi hengtian was humiliated, the Holy first Supreme divine ancestor would naturally lose face as well. Even the entire Holy first tribe would be humiliated.

Because of this, the first Holy Supreme holy ancestor was extremely unhappy and wanted an explanation.

“Hehe, even if it’s blackmail! Even if it was humiliation! But what about it?”

However, the Supreme holy ancestor arrogantly said, “Don’t tell me you still want to exchange blows with this Lord! Without the support of a Supreme treasure, do you think you are my match?”

“You ... This ...” the first Saint and the Supreme Saint ancestor were speechless.

Indeed, without the support of the blade of time, the beginning holy ancestor would not be able to defeat the Supreme holy ancestor, who could take the form of an extreme beast, just by relying on his own cultivation and abilities!

In fact, among all the Supreme Holy ancestors, apart from the nine hearts turtle ancestor, only the great saint Supreme holy ancestor could fight a Supreme holy ancestor without the support of a Supreme magic treasure.

Any other Supreme holy ancestor wouldn’t be a match for the Supreme Saint Supreme holy ancestor in a one-on-one fight without any Supreme treasures!

All of the Supreme divine ancestors had handed their Supreme treasures to the participants.

Therefore, the Supreme Saint Supreme divine ancestor had already become the number one combat force on this high platform. He had absolute authority and control over the situation!

“I’m not your match in a one-on-one fight! Then I’ll join hands with the first Sage!”

However, right at this moment, the profound Sage Supreme divine ancestor also stood up, his entire body seething with battle intent.

“This ... This, this, this ...”

The Supreme holy ancestor was taken aback for a moment. He swallowed hard and said, “You two want to fight me alone? Don’t you have any shame?”

It was obvious that the Supreme Saint Supreme divine ancestor was the most powerful in a one-on-one battle. However, they were both Supreme divine ancestors, so he was definitely no match for them if they fought two against one!

Therefore, the Supreme holy ancestor immediately changed his tone and accused the first and Supreme Holy ancestors of being shameless!

“Right now, your son Ji Haoyuan has already trampled on the faces of our first Sage Tribe and the profound Sage Tribe! We’ve already lost all our face, and we can only make it up to you!”

The first holy ancestor’s face turned cold, and his tone was overbearing.

It was obvious that the first holy ancestor was using the theory that Ji Haoyuan had just said.

He had already lost all his face, so what face did he still want?

It’s over!

“Woof! Whoosh!”

Immediately after, the profound Sage paramount divine ancestor and the first Sage paramount divine ancestor turned around and approached the Supreme Sage paramount divine ancestor.

“Oh my God!”

The Supreme holy ancestor couldn’t help but gasp at this sight. He tried to keep a calm expression on his face, but he was already panicking inside.

If they were to really fight, the Supreme Saint Supreme divine ancestor would definitely be either dead or crippled.

The surrounding Supreme divine ancestors still looked like they were watching a good show!

Even the host, a Yuan Sage Supreme divine ancestor, had an indifferent attitude and did not even try to persuade him!

It was obvious that these Supreme divine ancestors were all sly old foxes!

They knew better than anyone else the principle of the third party benefiting from the fight between the Sandpiper and the clam.

Therefore, all of them hoped that the Supreme Saint divine ancestor would be killed. That way, the benefits of the Supreme Saint tribe would be split among the other tribes!

Just like back then, when the Saint pan clan was on the verge of destruction, no one lent a helping hand!

After the Saint pan clan was exterminated, all the other clans started to take over the territory of the Saint pan clan!

Reality was cruel!

The Supreme Holy Supreme holy ancestor was also aware of this, so he had no intention of asking the other Supreme Holy ancestors for help!

After all, no matter how much he begged, it was impossible to get help!

On the contrary, begging for mercy was the only way out for the Supreme holy ancestor!

“Please calm down ... Please calm down ...”

The Supreme holy ancestor immediately lowered his attitude and said in a respectful tone, "My son is indeed in the wrong in this matter! When he comes out, I'll definitely teach him a good lesson and make him return your Supreme treasures!"

"He really changes his attitude faster than flipping a book!"

The profound Sage paramount divine ancestor said coldly, "since you're scared, I won't waste any more time!" In addition to returning the profound secrets Heavenly King, they also had to hand over the extreme blood marrow! This was what your son had promised xuantai sect!"

"No problem ... No problem ... " the Supreme holy ancestor nodded his head repeatedly. He didn't dare to say anything.

Immediately after, the first Holy Supreme holy ancestor also said, "in addition to returning the blade of time, you must also hand over one-tenth of the Supreme Holy Meridian as compensation for our clan's humiliation! "

Chapter 4799 mutation!

"This ..."

The Supreme holy ancestor was taken aback for a moment before he hurriedly nodded and said, "No problem, no problem ... Whatever you guys say ..."

There was no doubt that the request of the first Supreme holy ancestor was extremely excessive.

However, the Supreme holy ancestor had no other choice. He could only grit his teeth and curse Ji Haoyuan in his heart.

Of course, the situation was still developing, and no one could say for sure how the situation would change next.

The Supreme holy ancestor had temporarily agreed to this in order to protect himself and wait for the situation to change.

.....

At the same time, in the ruins.

Xuantaizong walked at the front, Shi hengtian followed a little behind, and Ji Haoyuan was at the back.

Just like that, the three of them approached the finish line.

However, xuantaizong had also used up a lot of his mental power, so he had to stop and rest.

Ji Haoyuan, however, was extremely anxious. He immediately urged, "Don't you have a pill with excellent recovery effects? Take it out and eat one! Let's fill up our spiritual energy before we continue!"

"It's no use ..."

"No. " xuantaizong shook his head and said, " my pill is only for saving lives. Its effect is mainly for physical and soul injuries. It has no other recovery effects! You've just eaten one, so you should be very clear ..."

&quot; this ... &quot; Ji Haoyuan was stunned. He was furious, but he could do nothing about it.

Indeed, when Ji Hao's primordial spirit was about to be destroyed, he ate a life-saving pill from xuantai sect. His injuries recovered quickly, but his mental power did not recover much.

Therefore, Ji Haoyuan could only be patient and wait for xuntaizong to rest and recover his mental power.

Of course, Ji Haoyuan was not stupid. He immediately shouted, " "Shi hengtian! Use your special ability to speed up the flow of time and allow xuntaizong's mental energy to recover quickly!"

&quot; O-okay ... &quot; Shi hengtian didn't dare to disobey.

Although Shi hengtian didn't have much mental strength left, he could only force himself to accelerate time.

Fortunately, the time acceleration only needed to cover xuantai sect. It wasn't like just now, where he had to cover a huge area and many monsters.

Hence, Shi hengtian wasn't in any danger of his spiritual energy being exhausted for the time being. It was just that the amount of spiritual energy left would be infinitely close to zero.

After a period of time.

"I can't ... I can't ..."

Shi hengtian's face was pale and he looked dispirited. He said embarrassedly, " "If this continues, my spiritual energy will be completely exhausted ..."

The boorish Ji Haoyuan immediately became angry and roared, " "F \* ck! Who allowed you to stop! Continue to activate your special ability, or I'll kill you!"

&quot; I ... &quot; Shi hengtian's face was filled with despair. This was simply forcing him onto the path of death!

Thinking up to this point, Shi hengtian felt even more regretful, so regretful that his intestines were about to break!

If he had known that things would turn out this way, he would have followed Chen Xiaobei obediently and listened to his arrangements!

At this moment, if Shi hengtian were to listen to Ji Haoyuan's arrangement, his psyche would definitely be exhausted and he would die! If they did not listen to Ji Haoyuan's arrangements, they would be better off dead!

Under such circumstances, it was too late for Shiheng to regret!

"Ji Haoyuan!"

Fortunately, at this moment, xuntaizong said, " "I'm almost fully recovered. I should be able to hold on until the finish line! Keeping the Shi Heng heaven might be useful in the future!"

"Mm ..."

Ji Haoyuan hesitated for a moment, then finally nodded and said, " "Since that's the case, let's continue forward!"

Obviously, in the eyes of a boorish man like Ji Haoyuan, only those who were of value were qualified to travel with him. Otherwise, they would be useless!

After all, there might be other tests later on. Only then did Ji Haoyuan relax and stop making things difficult for Shi hengtian!

After that, the three of them continued to maintain their formation and rushed forward!

Sure enough, xuantaizong's estimation was correct. As his mental power gradually approached zero, the giant Pagoda had already appeared in front of everyone!

"Whoosh ..."

Xuantaizong stopped using his special ability to prevent his mental energy from being exhausted.

Shi hengtian, on the other hand, had recovered a little. He hurried forward to help up the already dispirited and weak xuantaizong.

On the other hand, Ji Haoyuan was already in ecstasy.

"Hahaha ... The final victory is mine! It was so f \* cking cool! Hahaha ..."

Ji Haoyuan laughed wildly as he looked at the huge Pagoda in front of him. He was so excited that he seemed to have been injected with chicken blood, and his entire body was trembling violently.

Without a doubt, based on the current situation, Ji Haoyuan had indeed become the biggest winner!

With three Supreme magical treasures in hand, he would also obtain a portion of Nine Star divine ancestor peak level divine ancestor Mystic resin, causing his cultivation base to soar!

Because of this, Shi hengtian and xuantaizong's faces were filled with envy and jealousy. Of course, there was also a strong hatred hidden within!

"Two pieces of trash! I know what you're thinking! You guys must be thinking of taking revenge on me! Unfortunately, you won't have the chance to do so!"

Ji Haoyuan laughed arrogantly. "Do you see the Golden line in front? As long as I cross over, there will be an irreparable distance between me and you! In front of me, Ji Haoyuan, you will always be trash! Hahaha ..."

As soon as he said this, Shi hengtian and Ji Haoyuan's faces twisted. They felt even more depressed than if they had eaten a fly.

However, in the face of absolute strength, they could only continue to swallow their anger.

He could only swallow his broken teeth.

"Whoo ... Whoo ..."

However, at this moment, something happened around Ji Haoyuan.

In an instant, six gray space walls appeared without any warning!

From the front, back, left, right, up, down, six directions, they completely surrounded Ji Haoyuan who was in the form of a Gokudo path demon beast!

Then, the six space walls connected to form a huge square box!

Ji Haoyuan was directly sealed in the box!

&quot; what ... What's going on??? ”

Ji Haoyuan was dumbfounded by the scene before him. He could not understand why this had happened.

Instead, it was the intelligent Shi hengtian who had guessed the situation at the first moment.”Spatial confinement! This is the special ability of the No-Saint tribe!”

“No saint? Jade-less machine?”

Realization dawned on Ji Haoyuan. His eyes widened to the size of a cow's, and his pupils contracted involuntarily. The expression on his face was completely twisted in an instant, as if he had eaten a pile of super poop!

“Whoosh!”

In the next moment, the huge confined space disappeared into thin air!

Ji Haoyuan, who was wrapped in it, also disappeared without a trace!

Chapter 4800 Alliance!

&quot; what's going on?! &quot;

Xuantaizong's entire person was in a state of extreme shock, and he could not even react.

“Ji Haoyuan has disappeared! Hurry ... Let's hurry over! Take the reward and we'll split it equally!”

Xuantaizong was extremely excited and prepared to charge over.

“Stop!”

However, at that moment, Shi hengtian pulled xuantaizong back and shook his head helplessly.

It was obvious that Shi hengtian's intelligence had allowed him to predict the final outcome. The final victory definitely wouldn't belong to the two of them!

“Woof!”

As expected, in the next moment, there was another change.

In the next moment, another confined space appeared at the spot where Ji Haoyuan had just disappeared!

“Whoosh ...”

Immediately after, the spatial wall of this confined space disappeared on its own!

The person who appeared inside was the Jade-less machine!

“This ... This, this, this ...”

Xuantaizong was dumbfounded, but he finally understood everything.”Space vortex! This was the spatial vortex of the No-Saint tribe! The Jade-less machine and Ji Haoyuan have exchanged their spatial positions!”

In fact, the Supreme divine ancestors had already seen through this in the real world!

The Jade-less machine left a spatial imprint on Ji Haoyuan’s body silently.

Through his understanding of the spatial imprint, Jade-less machine could clearly sense the distance between Ji Haoyuan and himself.

He then used his naked eyes to determine the distance between the giant tower and himself.

The Jade-less machine would be able to accurately know when Ji Haoyuan would arrive near the giant tower!

At this point in time, he could use the spatial vortex and go to Ji Haoyuan’s location without Jade! Ji Haoyuan would be switched to the position of the Jade-less machine!

This was also the reason why the Jade-less machine had been staying outside the safety line!

It was to send Ji Haoyuan out of the safety line after the spatial vortex!

This way, even if Ji Haoyuan wanted to attack again, he would have to waste a lot of time and pay a painful price!

Now that things had developed to this point, no one could stop the Jade-less machine!

“The Jade-less machine is so powerful ...”

Shi hengtian nodded his head and sighed helplessly, ” “From the very beginning, Jade-less machine had planned everything! Ji Haoyuan is just a chess piece of Jade-less machine!”

“Both of you don’t seem to be in a good mental state!”

Wu Yuji smiled. “however, don’t be afraid. I have already sent Ji Haoyuan out of the safety line. He won’t be able to come back any time soon! ”

Xuantaizong was dumbfounded.”Everyone says that Jade-less machine is extremely smart, and after seeing it today, it really lives up to its reputation! I’m convinced of my loss!”

Shi hengtian’s brows furrowed and he said embarrassedly, ” “I was very confident in my wisdom, or even proud of it, but it’s still far from the Jade-less machine! I’m also convinced ...”

Obviously, these two guys were praising and complimenting Jade-less machine on the surface, but in fact, they were lowering their heads and admitting defeat, indicating that they would not go against Jade-less machine!

After all, Jade-less machine was waiting for his exhausted state and his spiritual power was quite full!

Shi hengtian and xuantaizong were in a state of weakness where their mental strength was about to be exhausted. They were not the opponent of Jade-less Ji at all!

Therefore, admitting defeat in advance was actually a way to protect himself!

&quot; you're too polite. I'm not an idiot like Ji Haoyuan. I won't do anything to you! &quot;

Wu Yuji smiled indifferently and said, "on the contrary, after I get the reward, I'll give some to the two of you!" In the future, I hope our three families can get closer and form an alliance forever!"

&quot; this ... This, this, this ... &quot; xuantaizong and Shi hengtian were stunned. They could not believe their ears.

After all, at this moment, Jade-less machine had the absolute initiative and could totally pocket the reward!

However, the result was that Wu Yuji was willing to share the rewards with xuantai sect!

This was truly something that xuantaizong and Shi hengtian couldn't even dream of!

However, after calming down and thinking about it, xuantaizong and Shi hengtian immediately understood that what Wu Yuji had done was truly brilliant!

Don't forget!

Everything that happened here was being broadcasted live!

&quot; Wu Sheng's son is really good!!! &quot;

In the real world, the profound Sage and first Sage Supreme divine ancestors praised him almost in unison. [novelusb.com](http://novelusb.com)

Obviously, there was a sharp contrast between the Jade-less machine at this moment and Ji Haoyuan just now!

The more shameless and vile Ji Haoyuan's behavior was, the more it highlighted Wu Yuji's kindness and sincerity!

The profound Sage Supreme divine ancestor even immediately said, "My profound Sage Tribe is willing to form an alliance with the No-Saint tribe! We'll share blessings, honor, and disgrace, and never betray each other!"

The first holy ancestor's expression froze for a moment before he immediately said, "My Holy Shi tribe is also willing to form an alliance with the No saint tribe! Advance and retreat together, and share the benefits!"

"You two are too polite! It's such a big matter, you should think about it carefully!" The Supreme holy ancestor smiled indifferently, his expression calm.

"There's no need to consider!"

The profound Sage paramount divine ancestor said in a deep voice, "Wu Yuji protected my eldest direct disciple and was even willing to share the final reward!" After that, they would fight against Ji Haoyuan together! Based on this friendship, not only am I willing to form an alliance with the No-Saint tribe, but I'm also willing to make no-Saint the alliance leader!"

"I'm the same!"

Immediately after, the first Holy Supreme holy ancestor also said, "As the saying goes, Like Father Like Son! Just by looking at Wu Yuji's performance, one could tell what kind of person Wu Sheng was! I'm sincerely convinced that Wu Sheng will be elected as the alliance leader!"

For a while, the profound Sage Supreme divine ancestor and the first Sage Supreme divine ancestor both showed great sincerity. They cupped their hands and bowed, almost kneeling down to beg.

However, those with discerning eyes could see that the current situation was quite chaotic, and it was undoubtedly the best choice to join forces!

As for the sincerity on the surface, these old foxes could easily put on a show. It was not unusual for them to regret and fall out with each other after the matter!

"Good, good, good! Since the two of you are so kind, then I'll respectfully accept it!"

The Supreme holy ancestor smiled with satisfaction and said in a clear voice, " &quot; from this moment on, the three Wushi Xuan tribes will officially form an alliance. We will share all blessings, honors, and disgraces, and never betray each other!!! &quot;

All of a sudden, the three old foxes were tied to each other and became comrades on the same boat.

Upon seeing this, the Supreme Holy extermination couldn't help but frown. "The first Sage! Didn't you just want to join the beixuan Alliance? Why are you allying with someone else now?"

The first Supreme holy ancestor smiled faintly and said, " &quot; our three-Race Alliance is not hostile to the beixuan Alliance. What's the big deal if I join both sides? "

"You ..." The Supreme holy ancestor's brows furrowed as he said solemnly, "you're not a Saint." The North Mystic Divine ancestor won't allow it!"
