

Envelope 4801

Chapter 4801 Useless trash!

“Hehe, so what?”

“When I said I wanted to join the beixuan Alliance, that kid didn’t agree to it!” The first Supreme holy ancestor said disdainfully. So, I’m still free!”

“You mean you don’t want to join the beixuan Alliance?” The Supreme holy ancestor asked with a frown.

“That’s right!”

The first holy ancestor shrugged and said, “The current situation is chaotic, and it’s time to gather together! Since we’re going to form a group, I’m going to form a stronger and more beneficial group. Is there a problem?”

It was obvious that the first Supreme divine ancestor did not have much of a relationship with Chen Xiaobei.

That was why Chen Xiaobei did not agree immediately when the first divine Supreme divine ancestor said that he wanted to join the beixuan Alliance.

At this moment, the first Holy Supreme holy ancestor had revealed his true appearance.

The reason why he wanted to form an alliance was that he hoped to have the support of a powerful ally in the event of a major change, so that he could obtain more benefits!

But now, in the eyes of the first Holy Supreme holy ancestor, the Alliance of the three races was already stronger than the beixuan Alliance!

The key was that Jade-Free’s performance could bring more practical benefits to the Holy Shi tribe!

This was why the first holy ancestor had joined the three-Race Alliance without any hesitation and recommended the Supreme holy ancestor to be the alliance leader!

“Life Saint!”

Immediately after, the first Holy Supreme holy ancestor directly opened his mouth and said, “You and I are best friends! You should be able to see the current situation very clearly! Come and join me! This is your best choice!”

As soon as he said this, the No saint and profound Saint Supreme divine ancestors also looked at the life Saint Supreme divine ancestor with confidence.

It was obvious that there were only seven of them!

If the Wushi Xuan’s three-Race Alliance pulled in the Holy Supreme divine ancestor, they would become the most powerful force on the scene and could control everything!

It was obvious that most people thought that the life Holy paramount divine ancestor would definitely join them!

After all, this seemed to be the most beneficial choice!

Only a fool would refuse!

“No!”

However, in the next moment, the life saint’s Supreme divine ancestor said with great determination, “I won’t betray the northern Mystic Divine ancestor! He’s the second parent of my entire holy life tribe! If I betray him, what’s the difference between me and an animal? No one in my clan will ever forgive me!”

The core upper echelons of the Holy life tribe all nodded in agreement.

If not for Chen Xiaobei’s help, the life saint’s Supreme divine ancestor and these core members would have been like dogs under the control of the Saint burial’s Supreme divine ancestor!

They were able to regain their freedom all thanks to Chen Xiaobei!

That was why none of them wanted to betray Chen Xiaobei!

“Truly foolish!”

The first holy ancestor frowned and rebuked, “Life Saint! You and I are best friends! I’m only advising you to join on account of our life-and-death friendship! You actually rejected me! Are you crazy?”

“From now on, I’m officially cutting off all ties with you!”

“You’re no longer the best friend I used to know!” The life saint’s Supreme Saint ancestor said solemnly. Back then, you would never betray me for benefits! But now, you no longer have your principles and bottom line! You want me to be ungrateful and join you in your dirty work? no way!”

“Idiot! Idiot! You’re so stupid that you can’t be saved!”

The first holy ancestor was furious. He pointed at the livestream screen and shouted, “The truth is right in front of our eyes! That bei Xuan divine ancestor was a useless piece of trash! Now, they were still walking, hiding outside the safety line, not daring to take half a step forward! If you follow him, what kind of future will you have? I’m doing this for your good! Can’t you tell?”

“Heh, it’s too much to say when you don’t like it!”

“Even my disciple, Sheng lishang, knows that I can’t be ungrateful,” the life saint’s Supreme Saint ancestor said indifferently. “As his master, am I worse than him?”

gratitude?!

“You’re making such a stupid decision for the sake of gratitude! You might even lose your life!” The first Supreme holy ancestor roared. This was simply brain damage! Oh no! It’s feces!”

“There’s no need to be angry, Shi Sheng!”

The profound Sage paramount divine ancestor sneered, “it’s already clear who’s stronger and who’s weaker!” Since the life Saint is determined to follow a piece of trash to the end of the road, no matter how much we try to persuade him, it’ll be in vain, right?”

The Supreme holy ancestor also narrowed his eyes and grinned. everyone has seen the good intentions of the first Sage. It was the life Sage who did not know what was good for him and ended up in such a miserable state. He only had himself to blame!

Obviously, the three Supreme divine ancestors of Wushi Xuan had all thought that Chen Xiaobei was a piece of trash. Naturally, they also believed that those who followed Chen Xiaobei would not have a good ending!

Therefore, at this moment, the three Supreme Holy ancestors of the Wushi sect looked at the Holy life Supreme holy ancestor as if he was an idiot, treating him as a joke!

At the same time, the hundreds of millions of people in the audience had similar opinions.

“That kid is really a useless braggart! He actually had the face to pretend to be the Alliance master! His skin is thicker than the city walls!”

“Have the Holy life and Holy extermination paramount divine ancestors taken the wrong medicine? Why did you choose this little trash as the Alliance master?”

“That little trash hasn’t moved at all, doesn’t she feel embarrassed? I’m so embarrassed for him!”

.....

Hundreds of millions of viewers were ridiculing Chen Xiaobei.

After all, from the live stream, Chen Xiaobei was indeed stagnant and unmotivated. Such a person was not worthy of joining the martial arts competition.

Pretending to be the leader of the beixuan Alliance? what a big joke! move1usb.com

what is the North Mystic Divine ancestor doing?!

Faced with everyone’s mockery and disdain, the two Supreme Holy ancestors were extremely anxious.

Even though they were all loyal to Chen Xiaobei, Chen Xiaobei’s actions were too unreasonable. They could not even find an excuse to lie to themselves.

Could it be that Chen Xiaobei was really a piece of trash as everyone said?

space vortex!!!

Suddenly, Chen Xiaobei let out a soft cry.

“Shua shua ... Shua shua ...”

Then, six spatial walls appeared, forming a square box that surrounded Chen Xiaobei and the others!

“Whoosh!”

The next moment, the square box disappeared.

how ... How is this possible?!

Seeing this, everyone in the real world couldn’t believe their eyes!

“Whoosh!”

Then, another confined space appeared where Chen Xiaobei and the others had disappeared.

The spatial wall quickly dissipated, and what appeared in front of everyone was actually a Jade-less machine!

Chapter 4802 Hesitating!

huh?!

At this moment, Wu Yuji’s face was still filled with confidence and a graceful smile. He was completely unaware of what was happening at this moment.

what’s going on???”

After hesitating for about three seconds, Jade-less machine let out a loud scream as if it had just woken up from a dream.

The giant tower in front of him disappeared, and in its place was an extremely glaring safety line.

“I ... How did I get back outside the safety zone? This ... This this this ... What is going on?”

In an instant, Jade-less machine’s face twisted.

The veins on his forehead popped out, his eyes instantly turned red, and he gritted his teeth so hard that it sounded like his molars were about to be crushed.

Without a doubt, at this moment, Jade-less machine was so depressed that he wanted to vomit blood.

He, who was known as a genius and extremely intelligent, had never imagined that such a change would occur.

It was like he was dreaming!

At the same time ...

In the real world, everyone was dumbfounded. Their scalps were numb and their jaws were about to drop to the ground!

Through the livestream, everyone could clearly see that when the Jade-less machine appeared outside the safety line, Chen Xiaobei and the four people who were following him appeared where the Jade-less machine was!

In other words, it was very close to the giant tower!

In an instant, the situation was completely reversed!

No one had expected such a situation to occur!

It was simply inconceivable to the extreme. His three views were instantly shattered, and he began to doubt his life!

Of course, apart from the huge shock, everyone at the scene was slapped in the face by an incomparably loud slap! movelusb.com

The more they mocked and despised Chen Xiaobei, the louder they were slapped in the face!

Even the Holy life and Holy extermination Supreme divine ancestors had doubted Chen Xiaobei's ability for a moment. Naturally, they were slapped in the face by reality!

However, compared to the others, the strength of their face smacking was naturally very small!

The hundreds of millions of people in the audience were all red in the face. They were so embarrassed that their faces were swollen. They even felt extremely embarrassed when they saw the people around them!

At the same time, the Supreme divine ancestors on the high platform, who were the focus of everyone's attention, blushed and felt their faces burning. They were so embarrassed that they wanted to find a hole to hide in!

After all, just a few seconds ago, they were treating Chen Xiaobei as a joke. But now, they were the ones who became the joke!

Even though Chen Xiaobei was not here, he had used his actions to pin them to the ground and slap them in the face!

He had smashed their faces!

After a moment of silence, the audience burst out in exclamations.

"That's too rash! I've never dreamed that the North Mystic Divine ancestor would be so powerful! He's too well hidden!"

"Indeed! I originally thought that Jade-less machine was a genius and extremely smart! But now, it seemed that Jade-less machine had been toyed with by the northern Mystic Divine ancestor! It's so weak!"

"This is called the Mantis stalking the cicada, unaware of the Oriole behind! The North Mystic Divine ancestor had already schemed against Jade-less Ji when he was plotting against Ji Haoyuan! It's simply too awesome!"

"This is the most terrifying part of the North Mystic Divine ancestor! When Wu Yuji calculated that Ji Haoyuan would approach the giant Pagoda first, the North Mystic Divine ancestor had already calculated it to a deeper level. He calculated that Wu Yuji would be able to deal with Ji Haoyuan!"

"There's no mistake! This was the difference between the Jade-less machine and the northern Mystic Divine ancestor! Their vision and wisdom are not on the same level at all!"

"That's too awesome! No wonder the beixuan divine ancestor could become the leader of the beixuan Alliance! No wonder the Holy life and Holy extermination Supreme Holy ancestors were so loyal to him! I've finally found the reason!"

“The first Sage and the Supreme divine ancestor’s operation this time is really a mistake for their own cleverness. Hahaha ...”

“Right? Originally, if the Holy first Supreme holy ancestor had followed the beixuan Alliance obediently, he might have been able to get some benefits in the end! Now, it was all for nothing! He’s so stupid!”

“Indeed! The first holy ancestor was really too stupid! Hahaha ...”

.....

In an instant, hundreds of millions of spectators exclaimed in shock.

At the same time, a large number of people burst out laughing. Although they had all been slapped in the face, it was nothing compared to the first Saint and the Supreme Saint ancestor.

The first and utmost sacred ancestor was the most embarrassed and the one who had been slapped in the face the most.

There was no doubt that after today, the Holy Shi Supreme divine ancestor would become the laughing stock of the entire world. He would lose all his face and be humiliated to the extreme. He might even become a stain on the entire Holy Shi clan!

However!

The layman watched the show, while the expert watched the tricks!

Just as the hundreds of millions of spectators were shouting in shock, a completely different voice had already come from the high platform!

“That kid ... Oh no! Did the North Mystic Divine ancestor just use the same trick as the Jade-less machine? Is he also a member of the No-Saint tribe?” The yuan Sage Supreme divine ancestor looked puzzled.

“That’s impossible!”

The profound Sage Supreme divine ancestor immediately denied it. If the North profound divine ancestor is also a member of the No-Saint tribe, why would the No-Saint Supreme divine ancestor target him?! How could you not know his strength?”

“He’s not a member of my clan!”

The Supreme Saint ancestor continued, “Everyone should have heard of the one word Saint destroyer curse, right?”

“This ... This, this, this ...”

As soon as he said that, the expressions of everyone on the high platform changed drastically.

Without a doubt, everyone had heard of the one word Saint destroyer curse!

Furthermore, everyone had searched every corner of the world for this technique!

However, at this moment, the Supreme holy ancestor’s words woke everyone up.

“Rumor has it that Chen Xiaobei once had a supreme fate! Could it be the one-word Saint-Killing Curse?”
The first holy ancestor’s eyes widened.

“I can’t be wrong!”

“I’m sure that Chen Xiaobei doesn’t have the aura of one of our kind!” The Supreme holy ancestor said. He’s definitely not a member of my clan! Therefore, what he just used must be the wordless curse of the one word Holy extermination curse!”

“Heavens! No wonder the Saint burial’s Supreme divine ancestor is willing to pay any price to find Chen Xiaobei!”

it’s rumored that anyone who learns the one-word Saint destroyer curse will be able to use the saintly abilities of the nine Supreme races and become invincible! the yuan Sage Supreme divine ancestor exclaimed.

“Yuan Sage!”

Right at this moment, the Supreme Saint ancestor stood up and said solemnly, ” “Open the spatial gate immediately! Let us enter the ruins! We have to get Chen Xiaobei under control!”

“This ...”

The yuan Sage Supreme divine ancestor was stunned for a moment and fell into hesitation.

Chapter 4803 hidden chess piece!

why are you still hesitating!?

“Your Yuan Sage clan and the sky-burying Yuan Sage clan have an irreconcilable relationship!” The Supreme divine ancestor said solemnly. If you can control Chen Xiaobei, you will have a great chance of winning! On the other hand, if Chen Xiaobei were to fall into the hands of the Saint burial’s Supreme divine ancestor, you should know better than me what the consequences would be!”

As soon as this was said, the profound Sage Supreme divine ancestor and the first Sage Supreme divine ancestor immediately stood beside the Supreme divine ancestor, putting pressure on the yuan Sage Supreme divine ancestor as if they were in an Alliance.

However, the yuan Sage Supreme divine ancestor did not give a clear answer and was still hesitating.

On the other hand, the Supreme holy ancestor said disdainfully, “We’re competing in singing! You keep saying that you want a Yuan Sage to control our Alliance master, but in reality, aren’t you the ones who want to keep the one-word Saint-Killing Curse to yourself? Unless the yuan Sage is stupid, he will never let you in!”

“F * ck! Do you even have the right to speak here?”

The Supreme holy ancestor’s face turned cold as he roared, ” shut up immediately and scam to the side. Otherwise, don’t blame us for being impolite to you!

We!

These two words represented the common interest of the three races!

To put it bluntly, there were a total of three venerated divine ancestors on the three-Race Alliance's side!

On the other hand, the beixuan alliance only had the Holy extermination and holy life Supreme Holy ancestors!

This was the reason why the Supreme holy ancestor was so arrogant and even used the tone of a lowly servant to scold the Supreme holy ancestor!

"You ..."

Upon seeing this, the Supreme Holy extermination's aura was instantly suppressed.

After all, in the face of absolute strength, nothing was of any use. Fists were the absolute truth.

"Saint destroyer! I want to join you! I don't know, is that okay?"

However, right at this moment, the Supreme holy ancestor suddenly appeared next to the Holy extermination Supreme holy ancestor!

It was obvious that the Supreme holy ancestor was being threatened by the combined might of the profound and first Holy ancestors. If they didn't hurry up and join forces, the losses would be incalculable!

At this moment, the beixuan Alliance was obviously at a disadvantage. Naturally, the Supreme Saint and the Supreme divine ancestor saw this opportunity and wanted to join in!

"This ..."

The Supreme holy ancestor seemed a bit hesitant.

On the other hand, the life saint's Supreme Saint ancestor made a prompt decision. "You can temporarily join forces with us! However, it's up to our Alliance master to decide whether or not you can join the beixuan Alliance!"

It was clear that the life saint's decision had been very wise and decisive!

At this critical juncture, the only way to regain his authority was to temporarily join forces with the Supreme Saint and the Supreme divine ancestor!

Otherwise, the beixuan Alliance would be crushed or even destroyed by the Alliance of the three races!

As for whether the Supreme holy ancestor could join the beixuan Alliance, the life Saint Supreme holy ancestor did not give a definite answer. He said that it would be up to Chen Xiaobei to decide!

This would leave room for future variables!

"No problem! We'll do as the life Saint says!"

The Supreme holy ancestor had been forced into a corner, so he agreed without any hesitation.

After all, if he didn't agree, he would lose the extreme blood marrow and one-tenth of the Supreme saint's Supreme Holy Meridian!

This kind of loss was something he absolutely could not bear!

Therefore, only by joining the beixuan Alliance could they have a chance to protect themselves!

"You ... You guys ..."

Seeing this, the three Supreme Holy ancestors of Wushi sect all had ugly expressions.

Originally, the three of them could have crushed the two from the beixuan Alliance!

However, now that the beixuan Alliance and the Supreme Saint Supreme divine ancestor had joined forces, the combat power of the two sides was equal! In fact, the beixuan Alliance might even have a slight advantage with the Supreme Saint and the Supreme divine ancestor!

In this way, the three Supreme Holy ancestors of Wushi Xuan could no longer be arrogant.

movelusl.com

"Saint Qi!"

The Supreme divine ancestor had no choice but to continue persuading the yuan Sage Supreme divine ancestor.

"I promise you," he said. "after I have Chen Xiaobei under my control, I will not take the one-word Saint-killer curse for myself! I will definitely share it with you! If you don't believe me, I can even swear!"

As soon as he said this, the first and profound Sage Supreme divine ancestors nodded and expressed their willingness to share.

There was no doubt that the one-word Saint destroyer curse was extremely attractive to any Supreme Saint ancestor!

Just the fact that the Supreme Saint ancestor was willing to exchange the Saint burial blade for the one-word Saint execution curse showed how attractive this technique was!

Naturally, all of the Supreme divine ancestors were extremely excited. They wanted to go into the ruins, capture Chen Xiaobei, and dig out the one word Saint-killer curse from his memory!

"No! I don't plan to open the entrance for the time being!"

However, the yuan Sage Supreme divine ancestor shook his head and said, "I still hope that this martial arts competition can proceed smoothly to the end!"

"You ..."

The three Supreme Holy ancestors of the No beginning sect were speechless, and their faces twisted!

To the three of them, the current situation was like a peerless beauty lying in front of them, but they could only look at her but not touch her!

That feeling was really depressing!

“.....”

However, such a situation was not good news for the beixuan Alliance!

After all, this entire plot had been plotted by the yuan Sage Supreme divine ancestor!

Therefore, every decision made by the yuan Sage Supreme divine ancestor would only benefit him and not Chen Xiaobei!

The yuan Sage Supreme divine ancestor had refused to open the entrance to the ruins because he was afraid that the benefits would be snatched away by the three Supreme divine ancestors of Wushi Mystic!

Of course, there was a more important point!

The yuan Sage Supreme divine ancestor had set up two hidden chess pieces in the ruins!

The first hidden chess piece had not participated in any of the martial arts competitions. He had only entered the ruins with the personal consent of a Yuan Sage Supreme divine ancestor, do Jin!

This harmless-looking young man was too mysterious!

The people from the beixuan Alliance could not even guess what kind of role do Jin was going to play! What would he do? What kind of change would it bring to the situation in the end?

However, there was no doubt that Dao Zhen and the yuan Sage Supreme divine ancestor had reached some kind of agreement!

And the second hidden chess piece was known as the number one genius among the younger generation in the world! The daughter of a Yuan Sage Supreme divine ancestor! The element core!

This woman was originally the number one genius and the number one expert among the younger generation. She had also obtained a Nine Star Peak sacred ancestor level sacred ancestor black resin. Her strength had probably reached the peak of the sacred ancestor level! He could even be invincible against anyone below the Supreme Saint ancestor!

Without a doubt, if Chen Xiaobei did not win this woman, then all the benefits that Chen Xiaobei had obtained would fall into her hands!

This was why the yuan Sage Supreme divine ancestor had refused to open the entrance to the ruins!

After all, from the current situation, the yuan Sage Supreme divine ancestor would be the one who had the last laugh!

He was naturally unwilling to break the current balance!

Chapter 4804 help!

Right now, as well as inside and outside, there was a delicate balance.

The yuan Sage Supreme divine ancestor refused to open the entrance to the ruins to ensure that his plans would not be affected.

At the same time, the strength of the beixuan Alliance and the Alliance of the three races was basically equal.

Since the beixuan Alliance refused to open the entrance, the three-Race Alliance naturally didn't dare to use force.

Left with no other choice, the Supreme divine ancestors could only return to their Thrones and continue to observe the next development.

.....

Within the ruins.

“Who is it? Who was it? Who is scheming against me?”

The Jade-less machine appeared at where Chen Xiaobei was standing. It raised its head and let out a hysterical roar.

His entire face was contorted in a hideous, terrifying, and abnormal manner.

He was a completely different person from the calm and gentle image he had just now.

However, this was also very normal!

After all, Jade-less Ji had always been recognized as a genius and extremely intelligent. He was more or less proud and even conceited!

Originally, he had planned carefully and was almost like a stroke of genius, sending himself directly to the end of victory!

At that moment, he, Wu Yuji, was proud of himself and had earned enough face! He even gave rewards to xuantaizong and Shi hengtian in a condescending manner. He was filled with a great sense of achievement!

However, at this moment ...

He had no Jade machine, but he was directly sent from the end point to outside the safety line!
move1usb.com

Such a huge contrast was like falling from heaven to hell!

Jade-less machine was so depressed that he wanted to vomit blood!

“Jade-less machine ... I'm going to kill you! I'm going to tear you into a thousand pieces! Grind his bones and scatter his ashes!”

At the same time, another heart-wrenching roar came from the other side of the forest!

He didn't ask for the wrong thing!

This voice was from Ji Haoyuan!

At that moment, Ji Haoyuan's mood was almost exactly the same as that of Jade-less machine.

They were all the kind of people who were only one step away from the finish line. When they were at their proudest, happiest, and most accomplished, they were kicked from heaven to hell!

He was really depressed to the deepest part of his soul!

He was furious! He was unwilling! Resentment! Hatred! Hysterical!

Of course, there was a slight difference between Ji Haoyuan and the Jade-less machine!

Ji Haoyuan knew that he had been tricked by Jade-less machine!

However, Jade-less Ji did not know what had plotted against him!

This small difference might seem small, but it was actually a huge difference between the Jade-less machine and Chen Xiaobei!

Wu Yuji's scheme had exposed him!

Chen Xiaobei's plan was truly undetectable. Even if Jade-less machine wanted to take revenge, he did not know who to look for!

.....

The giant tower was approaching!

"North ... North Mystic Divine ancestor? You ... How did you ..."

Xuantaizong and Shi hengtian were dumbfounded. Their faces were filled with bewilderment, and their world views were shattered.

After all, just a moment ago, xuantaizong and Shi hengtian had been madly sucking up to Jade-less Ji. They had even admitted defeat and expressed their willingness to follow him! Jade-less machine had also agreed to give them a portion of the final reward! This made the two of them so happy that they were about to fly!

However, the Jade-less machine suddenly disappeared and was replaced by Chen Xiaobei and the others!

This result was simply a slap to xuantaizong and Shi hengtian's faces, making their happiness turn into nothing!

That depressing feeling was really unbearable!

Xuantaizong and Shi hengtian even had the urge to cry!

In stark contrast to xuantaizong and Shi hengtian, Chen Xiaobei's followers were all exclaiming in disbelief!

heavens!!!

Sheng Li Yao was dumbfounded. He swallowed his saliva and trembled with excitement. "North Mystic Divine ancestor! You're simply too awesome! He had actually reached the end of victory in an instant! I'm convinced! He was really convinced! He was convinced! I'm completely convinced!"

It was clear that the life separation Gu was not happy with Chen Xiaobei's decision to stay put.

He did not even believe that Chen Xiaobei could turn the tide!

However, at this moment, the result was placed right in front of him, causing the life separation Gu's heart to be shocked by a hundred thousand times!

At first, Sheng liyao had also suspected that Chen Xiaobei was just a liar.

But now, life separation Gu admired Chen Xiaobei from the bottom of his heart! He was simply worshiping her!

"The North Mystic Divine ancestor didn't let us down! He's really too powerful!"

At the same time, mieshi Kong and the annihilation Emperor scale also let out excited cries.

However, their exclamations seemed a little fake.

It was more like an act.

It was as if they already knew the result.

It was too suspicious.

"Hurry up and cross the finish line!"

Do Jin, on the other hand, was very calm as he urged Chen Xiaobei to win the battle.

In comparison, do Jin's calmness made it seem like everything was under his control, and he was unperturbed.

"Alright!"

Chen Xiaobei nodded and crossed the finish line.

"Whoosh ..."

Then, the Dragon-headed Lord's Dharma form descended again and appeared in front of Chen Xiaobei!

"Congratulations on being the first person to reach the bottom of the tower!"

The Dragon head Saint venerable said in a deep voice,"now, you will receive a portion of Nine Star Saint ancestor peak level Saint ancestor black resin!" You can refine it yourself, and you can also share it with others!"

"Whoosh ..."

After that, a ball of holy ancestor Mystic resin appeared in front of Chen Xiaobei!

"Whoosh ..."

Then, the gate of the giant tower opened.

here, you can prepare and rest. After you enter the gate, you will be facing the third Test! the Dragon head Saint said.

After saying that, the Dragon head Holy senior's Dharma power entered a state of silence! She would no longer interfere with Chen Xiaobei's actions!

"Swish!"

With a thought, the sacred ancestor dark resin flew into Chen Xiaobei's palm.

Seeing this scene, the expressions of the surrounding people all changed subtly!

Xuantaizong's face was filled with envy and jealousy. He had chosen to stand against Chen Xiaobei from the start. Naturally, he could not get anything out of it. All he could do was stare at Chen Xiaobei!

Other than jealousy, Shi hengtian was also filled with regret. After all, if he had not betrayed Chen Xiaobei just now, the blade of time would not have been taken away from him, and he might even have been rewarded!

Sheng Li Yao's face was filled with anticipation and ecstasy! The life separation venomous worm knew that Chen Xiaobei was a man of his word. He would keep his promise and give it some rewards! That would be awesome!

Mieshi Kong and the annihilation Emperor scale still pretended to be excited. They didn't know what they were up to!

Do Jin still had a carefree expression on his face, as if he was not interested in the reward at all.

"Shi hengtian, come over and help me with a small matter!"

"I'll give you a reward after this!" Chen Xiaobei said.

Everyone was shocked by his words!

Chapter 4805 soaring!

No one had expected Chen Xiaobei to make such a decision.

After all, Shi hengtian had just betrayed Chen Xiaobei and acted alone!

From a certain point of view, this could already be considered betrayal!

More importantly, the rarity and importance of the reward at this moment could be said to be the highest existence!

Therefore, the fact that Chen Xiaobei was going to give part of the reward to the traitor was shocking. They could not believe their ears!

Even Shi hengtian himself could not believe it. He looked at Chen Xiaobei with his mouth agape.

North Mystic Divine ancestor ... he asked awkwardly. are ... Are you telling the truth?! Are you making fun of me?"

"My words have always carried enormous weight!" "Of course, if you don't want to help, I won't force you!" Chen Xiaobei said.

"No, no, no! Of course I'm willing to help!"

Shi hengtian hurriedly said, " North profound divine ancestor, just say the word. As long as it's within my power, I will do my best. I will not refuse!

It was obvious that Shi hengtian had regretted not following Chen Xiaobei!

Now that Chen Xiaobei had given Shi hengtian another chance and was even willing to share a reward with him, Shi hengtian was more than happy to receive it!

Furthermore, Shi hengtian's blade of time had been snatched away by Ji Haoyuan!

Now, Shi hengtian had to join Chen Xiaobei's side in order to get the blade of time back!

Hence, Shi hengtian would definitely not miss this great opportunity!

As long as it was within his ability, Shi hengtian would definitely do it for Chen Xiaobei!

"Actually, it's not difficult!"

I don't know! Chen Xiaobei said, " just help me speed up time and refine the Holy ancestor Mystic resin!

Even though Chen Xiaobei had obtained the sacred ancestor Mystic resin that was at the peak of the sacred ancestor level, it would still take a long time for him to fully refine it!

If it couldn't be realized in a short time, then the significance of this reward wouldn't be reflected!

But now, because his Saint Origin Energy had been sealed, he couldn't take out the sunlight cache!

That was why Chen Xiaobei had no choice but to make a deal with Shi hengtian! Shi hengtian would help Chen Xiaobei to quickly refine the Holy ancestor Mystic resin to achieve the effect of increasing his cultivation!

"No problem!"

Shi hengtian agreed without any hesitation, " "Let's start now!"

"Whoosh ..."

After that, Shi hengtian started to burn his mental power to speed up the time around Chen Xiaobei.

Fortunately, he had rested for a while, and Shi hengtian's mental power had recovered a little. He could still accelerate in a small area.

However, if time was accelerated on a large scale, Shi hengtian would not be able to hold on for long.

Therefore, Chen Xiaobei was the only one who could refine it quickly. No one else had the chance to!

"Whoosh ..."

At the same time, Chen Xiaobei did not hesitate to start refining the sacred ancestor Mystic resin.

Shi hengtian's control of the Law of Time had already reached an extremely profound level. The effect of accelerating time in a small area was even much faster than the sunlight cache!

In an instant, Chen Xiaobei had broken through a small realm!

Within a few seconds, he had broken through a small realm continuously, and then directly completed the breakthrough of a large realm!

He had directly reached the six-star divine ancestor realm!

“It’s so cool ... It’s indeed worthy of being a peak Nine Star sacred ancestor level sacred ancestor black resin! The effect is simply too good!”

Seeing this scene, the surrounding contestants couldn’t help but reveal extremely excited gazes, not to mention how envious they were.

“Boom boom boom ... Boom boom boom ...”

At the same time, a commotion broke out in the mountain forest. From afar, one could see huge demonic beasts appearing and engaging in a fierce battle with people.

It was obvious that Ji Haoyuan and Wu Yuji did not just wait there. They had already started to challenge the levels again!

However, this time, they could only rely on their own abilities to pass through the area blocked by the monsters, which would consume a lot of mental strength!

Moreover, he was afraid that he would not be able to come over in a short period of time!

.....

In the real world.

“That’s strange ...”

The Supreme Holy Supreme divine ancestor frowned, and his face was filled with confusion. “Doesn’t the North Mystic Divine ancestor know the one-word Saint-Killing Curse? Why didn’t he use the Shi word incantation to speed up time? They even had to give a portion of the reward to Shi Heng heaven! It’s such a waste!”

“No, no, no! You don’t understand the northern Mystic Divine ancestor’s meaning!”

The Supreme holy ancestor narrowed his eyes and said, the reason why the North Mystic Divine ancestor had Shi hengtian activate this special ability was to protect his mind power!

“There’s no mistake!”

The life saint’s Supreme Saint ancestor immediately chimed in, “The first and second trials seem to be related to spiritual power! Therefore, the North Mystic Divine ancestor is preserving his strength in preparation for the next test!”

“I see! The North Mystic Divine ancestor is really good at scheming!”

Realization dawned on the Supreme holy ancestor, and he said, now, Shi hengtian and xuantaizong’s mental strength is almost exhausted. Ji Haoyuan and Wu Yuji need to break through again, so their mental strength will be greatly consumed!

but at the same time, the North Mystic Divine ancestor and those who followed him just now all have relatively full mind power. This way, they will have a greater advantage in the next test!

under such circumstances, even if the North Mystic Divine ancestor gave Shi hengtian a portion of the reward, Shi hengtian wouldn't have enough mind power to refine it. Getting the reward would be equivalent to getting nothing. It would be meaningless!

All of the Supreme divine ancestors finally understood Chen Xiaobei's intentions.

The side of the beixuan Alliance was naturally happy and full of confidence for the next test.

On the other hand, the Alliance of the three Supreme divine ancestors of the Wushi sect had a dark look on their faces. They had already seen Chen Xiaobei as a thorn in their flesh. movelusb.com

However, the strength of the two major alliances was in a state of balance!

Before the yuan Sage Supreme divine ancestor made a clear decision, the three-Race Alliance could only endure it no matter how unhappy they were.

.....

Whoosh ... Whoosh ... Whoosh ...

In the ruins, Chen Xiaobei's cultivation level was skyrocketing!

He had broken through to the eight star divine ancestor realm in just a few words!

He had broken through three major realms!

And at this moment, the sacred ancestor Mystic resin had only been consumed a little!

Naturally, he could continue to improve!

"Whoosh ..."

Thirty seconds later, Chen Xiaobei successfully broke through to Nine Star divine ancestor!

Early stage! Middle stage! Late stage!

Immediately after, the breakthrough of a small realm was also very smooth, almost without any obstacles!

"Phew ..."

Chen Xiaobei let out a long breath and stopped his cultivation.

Late-stage nine Star divine ancestor!

As Chen Xiaobei felt his new realm, he began to plan in his mind!
