Chapter 1031 I Like the Difference in Height Between You and Me

Samuel regretted it for a moment.

Wasn't he betraying Blair?

He coughed and said, "Can we ignore these details?"

"Well, OK. After all, your sweet talk just now satisfies me."

Nicole said generously.

Samuel secretly let out a sigh of relief.

When the car started, Samuel said, "I said it from the bottom of my heart. It's not just sweet talk."

"I see."

Nicole thought Samuel was so cute.

She couldn't help but smile.

"By the way, will Lucas come back tomorrow?"

Although Nicole had seen Lucas in the military area, she still wanted to know if he would come back. Because she wanted to buy Lucas a suit.

Lucas grew fast after returning home. His clothes no longer fit him. Although Lucas looked good in military uniform, she still wanted to buy some clothes for him. After all, she didn't have much time to do that.

Samuel said lightly, "I'm not sure if Lucas is available. I'll ask Emory later."

"Will the children come tomorrow?"

"Maybe."

Samuel did not know much about it.

Since it was just a fraternal gathering, Samuel didn't take it very seriously. But obviously, Nicole had considered it more carefully and comprehensively.

Did it mean that Nicole was actually very nervous and concerned about it?

Samuel felt somewhat guilty.

"Don't worry. You needn't feel stressed. You have known them. Apart from Emory and Claire, they are all very easy to get along with."

"OK."

Nicole nodded. Although she was still nervous, what else could she say after hearing Samuel's words?

They directly headed to the VIP area in the mall.

Basically, there were only newly arrived limited edition clothes.

Nicole first picked out casual clothes for Samuel. She had to say that Samuel really had a good figure and looked good in all kinds of clothes.

She looked at Samuel with twinkling eyes after he got dressed.

"Darling, you're so handsome."

Hearing Nicole's praise, Samuel smiled like a child.

"It's because you have a good taste."

"Of course."

Nicole raised her head happily, only to find that a few female shop assistants were enchanted by Samuel. She could not help but cough and say, "I'll take it."

The clerk hurriedly said, "Ma'am, aren't you going to buy some more for your husband? Look at how handsome he looks...."

"My husband's clothes are all custom-made. I won't buy too much today. Wrap them up."

"What's wrong? Did I say something wrong again?"

Samuel's word made Nicole lose her temper all of a sudden.

"No, I wasn't going to buy it for you, let's go."

She tugged at Samuel, which made him puzzled.

"Didn't you want to have it?"

"I'm having a diet."

"You're already terribly thin. What are you doing that for? But eating sweets at night is indeed bad for your health."

Hearing this, Nicole really wanted to shut him up.

"Let's go to a supermarket."

Seeing that there was a supermarket nearby, Nicole took Samuel there.

Samuel still couldn't figure out what Nicole meant at the entrance of the cake shop.

"What were you doing at the cake shop just now?"

Seeing that he was still confused, Nicole said with a sigh, "I was just reminding you that your birthday is coming. Remember what I told you when I went to visit you?" I said I wanted us to go on a trip on your

birthday, but as your birthday drawing near, and I didn't see you making any plans for it. "Samuel, can you take my word for it?"

She got Samuel wrong.

"Darling, how do you know that I'm not prepared? I've already prepared everything I need to."

"Well? I didn't tell you where to go. How did you prepare it? Besides, I think you didn't tell me about it, right?"

Nicole's expression was actually telling Samuel that she totally forgot about their travel plan for Country F.

Samuel was upset and retold her the plan to Country F.

"I have got the pass card. Didn't you say to check if Zayn's mother is your aunt?"

"Now I remember. But, I don't want your birthday to be wasted on it. Samuel, I want to spend your birthday with you only."

Nicole pouted, and she had some expectation for it.

Samuel smiled and said, "Then let's go abroad?"

"Just us?"

"If you say so."

"No one else. Not even Zoe!"

Nicole declared her position like a child.

Samuel loved the way she looked now and said in a hurry, "Sure."

"Don't eat your words if your daughter cries."

Nicole knew Samuel very well.

Samuel said somewhat helplessly, "If I don't tell her, she probably won't remember my birthday."

"It better be."

They went to the supermarket as they were talking.

There was a sales promotion in the supermarket today, so it was quite crowded.

Nicole was really afraid that Samuel would be attracted by some elder women, so she pulled his arm to buy ingredients right away.

Seeing that Nicole treated him like a child, Samuel laughed.

It felt great.

"What are you talking about? You said Fernanda wants to target Nicole? Are you sure?"

Tim was completely confused.

He could not understand why Fernanda, as a college student, had to target Nicole, and how could she know Nicole?

Samuel couldn't help but frown because through Tim's reaction, he realized that Tim also didn't know the reason, even the real Fernanda.

"Do you remember Maia?"

Tim looked annoyed when Samuel mentioned Maia suddenly after so long.

Maia had been a pain in Tim's heart. Although she was dead, Tim remained could not get over it.

"Do you want to remind me to do not let Fernanda become the second Maia?"

"OK, as long as you understand that. I don't want to butt in, but I must tell you what Fernanda did to Nicole. If she won't stop, she will face the consequences and don't blame me for ruthless."

Then Samuel stood up and left.

However, when Samuel was about to leave, Tim said, "I'm not familiar with Fernanda. You don't have to tell me what will you do and I won't do anything for people who are nothing to me."

"Well, it will be best."

After Samuel left, Tim frowned slightly.

Tim thought that he just wanted to help Fernanda, who was struggling, and he didn't expect that would trouble Nicole.

Tim hurriedly called his assistant.

"I wonder what had happened between Fernanda and Nicole, please send all the details to my phone."

"OK, Mr. Tim."

After hanging up the phone, Evelyn came back with some food for him.

But he was meditating and didn't notice her.

"What's wrong? Why Samuel came here?"

Evelyn was putting flowers in the vase while she said.

"It is so late, why are you changing flowers?"

Tim thought that Evelyn was just causing trouble.

Evelyn smiled, "Don't you feel much better looking at such beautiful flowers?"

"I don't think so, and I'm allergic to pollen."

"Don't lie! Those flowers I put before have been here all day, so if you were, you would have been allergic. Not only you don't want to say why Samuel came, but I don't want to hear it either."

Evelyn snorted to show her discontent and then pack up the other things.

"What's going on?"

Nicole asked while rubbing her sleepy eyes.

Samuel patted her head dotingly and said, "It's fine. Just sleep. I'll call the Civil Affairs Bureau."

"How annoying. Can't they get the marriage certificate tomorrow?"

Nicole thought Tim did it on impulse, and he had never pondered over Evelyn's intention.

She yawned and lay down again.

It was warmer in the blanket.

It would be better to have someone to warm the bed.

Nicole muttered, "Hurry up, I can't sleep without you."

Her words sounded especially comfortable to Samuel.

The corner of Samuel's lips rose slightly.

"Okay."

With that, he took the phone and walked out of the bedroom.

Evelyn felt really awkward.

"Well, Mr. Green, could you please turn off the phone while you two are making love?"

"No one asks you to hear that."

Samuel was in a good mood and didn't even care Evelyn's words.

"Just once, I wouldn't help you next time. You heard her. She can't sleep at night without me."

"Come on, I know you have such a great relationship. Hurry up and help me out. I promise I won't disturb you anymore, and I'll take out those concubines."

Samuel sneered, "Aren't they yours?"

"Well, it doesn't matter. Do you want to keep Tim away from your wife? If so, do me a favor. He only gave me one night to deal with it. Isn't he trying to make it tough for me? But I am never afraid of challenges."

Evelyn proudly raised her chin.

Samuel whispered, "In my opinion, you should think about it clearly. You will suffer a lot if you marry a man who has other women in his heart."

"It's fine. He will never get the woman in his heart. Since that's the case, why bother? As long as I treat him well and love him wholeheartedly, I believe that Tim will fall in love with me."

"Then what if he still doesn't love you even if you try your best?"

Hearing this, Evelyn remained silent for a while, then she said with a smile, "That doesn't matter. At least, I tried and I've done as much as I could. If he doesn't love me in the end, I'll let him go."

Chapter 1035 You're Finally Married

After Tim and Evelyn got married, the officer of the Bureau of Civil Affairs gave Samuel a call.

Just as Samuel got into bed, Nicole leaned over and hugged his waist. But the phone rang again.

Nicole frowned tightly.

"What's going on? Why are you so busy tonight? Can you turn off your phone?"

Samuel immediately turned off his phone after Nicole's complaint.

"Alright. I guarantee that no one will disturb your sleep anymore."

Samuel patted Nicole's back.

Nicole muttered, and immediately found a comfortable place to fall asleep.

The officer called again, but couldn't get through.

The officer knew that he might have disturbed Samuel, so he didn't dare to call back anymore and left.

Nicole slept comfortably. When she woke up, Samuel was still sleeping.

It was rare for Nicole to get up earlier than Samuel.

Nicole checked the time and it was only six o'clock. Yesterday, Samuel said that he was going to take her for morning exercises, but now he was sleeping so soundly.

Nicole got up and lay on Samuel's body, used her finger to gently brush Samuel's nose, and said softly, "Lazybones, get up!"

Samuel tightly held her waist. He opened his sleepy but beautiful eyes. It was so attractive.

Nicole lowered her head and kissed him.

"You're seducing me."

"I'm sorry, Mrs. Green. I can't satisfy you now, even though I really want to."

Samuel's words reminded Nicole of his operation, and she felt a little disappointed.

"How annoying. When can we have sex?"

"Are you anxious? Well, I can finger you."

Samuel whispered to Nicole with warm breath, causing Nicole to tremble.

"No!"

She smiled and wanted to jump away, but she was caught by Samuel.

"Where are you going?"

"We have morning exercises, right?"

Nicole dodged, but Samuel kissed her.

"It's fine, our morning exercise won't be delayed."

When Nicole wanted to say something, she was immersed in Samuel's flirtation.

She had never known that Samuel's slender fingers could do that.

After they were done, Nicole raised her eyebrows.

"Mr. Green is so experienced."

"It's a special period. I can't neglect my wife, right? Alright, take a shower. Let's go to morning exercises together."

Samuel's words upset Nicole.

"Do we still need to do morning exercises? No, I'm so tired now. Besides, I need to go to a party later."

Nicole was being speechless.

Chapter 1036 Don't Be Too Arrogant

Samuel felt that Nicole's expression was quite funny now.

He smiled and said, "Is it difficult to know his instructions? Anyway, he is my biological father. Petty would not show up. And I was in the prison. The only person he could ask for help was you. Although I didn't recognize him as my father, and he never said that he was my father. Not even at the end of his life. He had done too many wrongs in his life. Since the law had punished him, just let everything go back to dust and earth. As his son, I was supposed to collect their bodies. That's why I directly buried them without telling you. As for the tomb, I knew early on that he had bought it. In his situation, I thought he would refuse to enter the family's tomb. So I buried him with Una. I hope they could be a couple in their next life.

Nicole could sense Samuel's sadness.

She hugged his head and whispered, "You still have me, and the children."

"Yes. I am pitiful. My parents gave birth for me and Vincent for their own gain. Now that they and Vincent were all gone, I'm the only one left to live in this world. If it weren't for you and our children, I would not have a reason to live in this world. Nicole, thank you for not giving up on me, and for being with me. "

Hearing what Samuel said, Nicole didn't know what to say.

"OK, let's look ahead. Let's go have breakfast. After breakfast, we're going to the SZ Club. We can't be absent if everyone gathers there."

Nicole changed the topic.

Samuel smiled and his eyes were filled with tenderness.

Zoe changed into a beautiful princess dress. After breakfast, Samuel personally drove them to SZ Club.

SZ Club was Blair's property. For so many years, Blair ran it casually. The customers here were all VIP members. In recent years, with the birth of Emory's children, they added some facilities for children.

Zoe liked it the moment she came.

"Wow, there's a slide here. Daddy, mommy, can I go play for a while?"

Zoe's nature delighted Nicole.

"Sure, but you have to meet your uncles first."

"OK."

Zoe reluctantly agreed.

Samuel brought them to the "Heaven" private room where they often met.

Emory had arrived with Claire and their children, Nash and Naomi. Blair was with Gabrielle, who was pregnant. Now that they saw Samuel and his family members coming, they smiled.

"Welcome, Samuel."

"Good morning. This is my wife, Nicole, and my daughter, Zoe."

Samuel introduced them.

This was Nicole's first time seeing Emory.

Emory was such a soldier with unforgettable aura.

"Hello, commander."

"Call me Emory. There's no commander here."

Emory smiled faintly.

Zoe saw Nash and ran over with a smile.

"Nash, I'm glad to see you."

"This is for you."

Nash took out a piece of chocolate from his pocket and handed it to Zoe.

"Thank you, Nash."

Zoe took it sweetly and thanked him with a smile.

Naomi looked at Nash and joked, "I was wondering why you didn't eat this chocolate. So it was because you wanted to leave it to Zoe."

"You're nosy."

Gabrielle said indifferently.

"Don't forget that Samuel has neuralgia. Take it easy."

Blair suddenly paused.

"Gabrielle, I'm your husband. Is it appropriate that you're not helping me but Samuel?"

Blair was jealous.

Gabrielle smiled and said, "I reminded you that because you are my husband. Think about it, Nicole is needing my help to nurse her health. If you hurt Samuel and his neuralgia attack him again, we will have to take care of them. It will be worse for us, won't it?"

Nicole and Claire burst into laughter.

Blair said somewhat reluctantly, "Forget it. I'll listen to my wife so I won't suffer a loss. I'll take it as a lesson today."

He glared coldly at Samuel and sat back at the mahjong table.

Steven looked at the time and frowned.

"Why hasn't Ashley here yet? I'm going out to take a look. Enjoy yourself."

Without Steven, the three men would not be able to play mahjong, so they began to chat about the military and the economy.

"Samuel, are you really not going back?"

Samuel involuntarily turned to look at Nicole.

He whispered, "No. From now on, the place with Nicole is my battlefield. The only thing I have to do in my life is to make sure she will grow old with me happily and safely."

"Oh, don't do PDA."

Blair trembled.

Emory patted his shoulder and said, "Although it would be a loss for the military region if you don't come back, everyone has the right to choose their own life. I respect your choice. Just go ahead if you had thought it carefully."

"Thank you, Emory."

Samuel smiled and nodded.

At this time, Ashley brought the children in.

"Sorry, I'm late."

When Ashley brought the twins in, Claire and Gabrielle were astonished for a moment.

"Twin girls? I thought you only have one daughter."

"I thought so too."

Yasmeen and Jasmine greeted them under Ashley's guide.

The adults gave red envelopes to the twin.

Samuel said indifferently, "You can't be biased. Why didn't you give Zoe red envelopes? Are Steven's daughter more popular?"

Samuel's envy filled the air.

Emory smiled and shook his head.

Chapter 1038 Your Daughter Is Clever

Lucas frowned tightly. He felt that Yasmeen was deliberately stained his clothes with cream.

Seeing that Lucas was about to vent his anger, Nicole hurriedly said, "Lucas, you are a gentleman. How can you fight with a girl? She is Steven's daughter, and Steven is your father's best friend."

Lucas frowned tightly.

He was shocked that his mommy was pressuring him.

Why?

This girl was the one who started the fight.

However, Lucas respected Nicole outside. He looked at Yasmeen and then turned to Ashley and said politely, "Auntie, she didn't mean to fight with me. We were sparring."

"That's right. We were sparring. Mommy, I didn't cause any trouble."

Yasmeen hurriedly said.

Ashley could tell that Lucas was giving Yasmeen an excuse. She glared at Yasmeen fiercely, and then smiled at Lucas, "Are you Lucas? I'm sorry that Yasmeen upset you."

"No, she didn't. We were really sparring."

Lucas smiled faintly. He was polite, but he was also indifferent. He was like the young Samuel so much.

Seeing that Lucas had given Yasmeen an excuse, Nicole pulled her son's hand and said, "Why are you here? Are you going in with me?"

"I have a mission, Mommy. But I'm afraid I have to change my clothes."

Lucas looked at his clothes helplessly and was lost for words.

"I'll get someone to buy you a set of clothes. Can you wait for a while?"

Ashley said.

Lucas did not refuse.

If he wore such a stained military uniform to participate in the mission, he would be scolded by the captain.

"I'm going to the bathroom."

Lucas left.

Ashley called her assistant to buy a set of clothes for a little boy.

Nicole was afraid that Ashley would punish Yasmeen. She hurriedly patted Yasmeen's shoulder and said, "Go play. I'm talking to your mommy now."

"Thank you, Auntie Nicole."

Yasmeen felt that Nicole was so nice and gentle, while her mommy was so mean to her.

She envied Lucas for having such a gentle mommy.

Ashley glared at Yasmeen speechlessly before being pulled in by Nicole.

"All right. It's fine for children to fight and make trouble. Don't be so serious, or you'll scare the children."

"Yasmeen is not like a girl at all. She is a tomboy and is fighting and causing trouble all day long. I'm pissed off that I have to clean up her mess."

As Ashley spoke, she was pulled back to the private room by Nicole.

Claire and Gabrielle also came back since they were fine.

Seeing Ashley leave, Yasmeen heaved a sigh of relief. Her beautiful eyes rolled around shrewdly and then she suddenly walked towards the bathroom. However, Jasmine grabbed her.

"Yasmeen, what are you doing? If you cause trouble again, Mommy will really beat you up when we get home."

"I need to do something. Leave me alone."

Yasmeen felt that Jasmine was a little bothersome. She broke free and quickly arrived at the door of the bathroom.

Chapter 1039 Learn from Your Wife

The party ended early because of the mess caused by Steven's eldest daughter.

Following the departure of Steven and his wife, Blair also stood up.

"Since Steven has left, let's call it a day. But Samuel, I think you should ask Steven for compensation. No matter what, my nephew can't be married by their girl for nothing, right?"

Blair liked to seek trouble, so he had such an idea.

Samuel glanced at him and said, "When will I get my money back?"

Blair immediately got upset.

"I don't think you are short of money!"

"Indeed, but I don't mind having too much money. After all, I won it."

Samuel acted like he needed a lesson, which enraged Blair.

Gabrielle smiled and said, "Samuel, I'll have the manager send the money to your place later."

"Gabrielle is a pragmatist. Mr. Blair, learn from your wife."

After saying that, Lucas stood up and walked in front of Nicole. He smiled and said, "Let's go. What do you want to eat tonight? I'll take you to a restaurant. The money won today should be enough for a meal."

Blair felt that he shouldn't speak.

Looking at them like this, Emory smiled brightly.

Claire walked over and Emory held her in her arms and whispered, "What do you want to eat? I'll eat lunch with you."

"Do you have time? You don't need to go back to the military area?"

"I slacked off. I can make time to eat with my wife."

Emory's voice wasn't loud, and Claire just pursed her lips and smiled. However, that happy expression still made the surrounding people envious.

The party of four ended just like that.

When Samuel brought Nicole out, Zoe felt a little uncomfortable with her stomach, which amused Nicole.

"Didn't you see Lucas coming back just now?"

"I did, but didn't you go take care of him? I think it's best to eat."

Zoe burped and gave out the smell of cake.

"How much did you eat? Aren't you afraid that you will have an upset stomach?"

Nicole picked up Zoe with both hands, and she heard her say, "Mommy, can I go back with Nash? I want to go to Great Grandpa's place to play."

Nash happened to be around. Hearing Zoe's words, he said, "Miss Nicole, I will take care of Zoe."

"Thank you."

Samuel wanted to stay with Nicole, so he didn't want to bring Zoe with him. At this moment, Nash took the initiative to ask to return with Zoe, and he was so glad to hear that.

Zoe waved her hand at Samuel, then left with Nash.

Nicole said somewhat gloomily, "Shouldn't you lecture your daughter? It's not good to follow whoever has snacks. If a bad person kidnaps her with candy someday, you'll regret it."

Samuel held her hand and smiled, "Zoe won't randomly follow others."

Chapter 1040 Do You Want to Die

A sharp pain attacked Samuel and he felt like his head was about to explode.

He cried in a low voice and wanted to hold back. But this time, the neuralgia was so intense that he staggered and fell on Nicole.

"Samuel! Samuel, what's wrong with you?"

Just now, Nicole was lost in thought about Melissa's injury. Before she fully came back to her senses, she saw Samuel leaning against her shoulder with a painful expression.

She immediately turned to be worried.

"I'll call Blair over."

Nicole panicked.

She knew that Samuel suffered from neuralgia but she didn't expect the pain to be so intense and unbearable.

His whole body was trembling. He held his head as if he wanted to smash his own head open.

Nicole made the call with shivering hands.

Seeing that it was Nicole calling, Blair frowned.

"Nicole, just several hundred thousand of cash, right? What's the hurry? I will bill you."

Blair teased over the phone.

However, Nicole was not in the mood to reply to his tease. She said in a crying tone "Blair, come quickly. Samuel is suffering from neuralgia. He is about to faint."

Blair suddenly paused.

"I'll be right there."

After hanging up the phone, Nicole held Samuel tightly in her arms.

"Samuel, Blair is coming right away. You hold on."

Samuel knew that Nicole was worried about him. He wanted to tell her that he was fine but the pain this time was so intense that he couldn't even make a sound.

Fill happened to see this when he came out.

"What's wrong with Boss?"

He quickly came to Samuel's side and frowned.

Nicole didn't know him much. But since Samuel said that he and Fill were friends, Nicole chose to believe Fill for the time being.

"He has neuralgia. Can I send him to your villa first?"

"Why do you ask? Hurry up and send him over. Have you called the doctor?"

Fill directly took Samuel from Nicole.

Nicole hurriedly nodded and said, "I called Blair. He will be here in a while."

"Send the address to Blair. There shouldn't be any problem with him around. When does Samuel get neuralgia? He never had such a disease before."

As Fill said, he and Nicole helped Samuel into the villa to lie down.

Samuel was in such pain that he huddled, his back was already wet with cold sweat.

"I'll go see if there are any painkillers. Let's get him to eat some first."

Nicole hesitated when hearing Fill's words.
