

Escape Wife 12

Chapter 12 Master of Hard-To-Get

"Maam, your eloquence is as talented and impressive as your designing skills."

Samuel said lightly, but he still let go of her hand.

At a moment of a trance, he felt that there was a familiar aura around Nicole, which made him unable to suppress the urge to explore more.

However, Nicole snorted, "Mr. Green, you'd better take care of your family affairs first."

With that, she directly left the Eternal Group, but this time Samuel didn't stop her.

It wasn't until Riley saw Nicole leave the company that the former went up to Samuel and said agitatedly, "Sam, I didn't know that she's the co-designer of the company. It was she who provoked me in the first place I...."

"What are you doing here?"

Samuel's expression was as cold as the ice, which disturbed Riley even more.

"I notice that you didn't eat breakfast in the morning. I am worried that you might starve while at work, so I bring you something to eat. Sam, I didn't mean to do that. Please don't be mad at me!"

Riley dragged Samuel's sleeve pitifully.

Samuel looked at her, and his sharp eyes almost crushed Riley.

"Sam..."

"You started the fight?"
