

Escape Wife 1521

Don't Try to Escape, My Wife!

Chapter 1521 I Care About Nothing but My Wife

The operation team was set up very quickly. The next day, they came to the Mason's to search for clues. Then, they left without saying where they went.

Samuel was just an ordinary man, so it was impossible for him to know any secret, and the higher-ups didn't want him to be involved, so he did nothing but idle at home. Sometimes, he went to the company to handle the business with Jarrod, but Nicole knew that Samuel was secretly investigating the Masons. She also asked Finn and the others from the Night Elf Empire to find out where Tim and Evelyn were.

Nicole had thought it wouldn't take a long time, but more than a month later, they didn't find out anything. Tim, Evelyn and Ethan all disappeared from the world, and there was no news about them at all. The poisonous bugs of the Mason family seemed to have appeared in a vacuum, and it got away clean.

However, Nicole didn't give up, but continued her investigation.

Three months later, Morty told her that the operation team had returned, but they found nothing. They had traveled a lot of places, all of which were related to the poisonous bugs, but none of them found anything related to the Mason family's poisonous bugs.

Therefore, Nicole and Samuel were somewhat uncomfortable and worried.

"It'll be fine."

Samuel had no choice but to comfort her in this way.

Hearing this, Nicole nodded.

Everything seemed to have passed. Phoenix became more and more addicted to the Internet. She buried herself in novels every day. If it weren't for the servant telling her to eat, she probably wouldn't have remembered. She didn't mention anything about Davon, and wanted to forget about him.

Nicole didn't know whether to say it or not, so she had to keep it to herself.

After searching for Davon for such a long time, the higher-ups did not find out his trace, so they had to announce Davon's sacrifice and send the reward to the Dons.

Samuel, Jason, and William all were sad to know this. Especially William, who had just found out that he had such an outstanding son, did not expect that Davon died before him, and that he would not see Davon anymore.

Because of Davon, William was bedridden, which scared Audrey and she began to look for famous doctors everywhere. In order to compensate the Dons, the higher-ups asked Femando, who was a skilled doctor, to help William recuperate.

Audrey and Xander were in the Dark Forest. It was said that they were studying a new subject. Nicole missed them very much, but she knew that she could not go there.

Her babies started to crawl and babble. They laughed all day long, which delighted the children. When Nicole saw them, she felt that life was full of hope.

Zayn made some achievements in Country F, winning the respect of the entire country, so he got strong support. He said that he would come back to see Edwin at the end of this year, which greatly excited Edwin.

Everyone was trying to lead a better life, but Nicole was in fear.

She was worried about Phoenix, Tim, and the others who were missing.

Morty came to the old mansion at times. He especially liked Lucas, and he often spent a whole day with Lucas. No one knew what they were talking about. Anyway, Lucas got excited as soon as he saw Morty.

At first, Nicole was not welcoming of Morty and she was afraid that it had something to do with her younger son. However, after so long, although there was no evidence that Eaton had nothing to do with Laurence's Berserk Gene, the higher-ups finally asked those who were monitoring them to leave, showing respect to the Green family.

Chapter 1522 He Doesn't Dare to Offend Samuel

"I'm afraid this child is in danger."

Nicole leaned over and whispered in Samuel's ear.

It was too noisy outside. If Nicole didn't whisper like that, Samuel might not be able to hear her. But at the same time, Samuel was keeping an eye on the hidden risks. He just felt a wave of hot air come over his ear. It was as if an electric current went through his body, causing him to tremble. He didn't pay much attention to what Nicole said.

Just as Nicole was about to say something, the young girl lost her balance and fell off the wire rope. The people around instantly cried out in fear.

Samuel tried to help, but there were so many people that he couldn't step forward. He could only watch the girl fall. He even heard the bones break.

Nicole was a mother. The young girl didn't look much older than Nicole's children. She was even younger than Lucas and Zoe. The girl's thin body and sallow face seemed to indicate malnutrition.

Seeing the fallen girl and the stunned people, Nicole let Samuel put herself down. She squeezed past the crowd and walked towards the girl. However, she saw a fierce-looking man, who seemed to be the leader of the acrobatic troupe, raised his whip and lashed the girl.

"Bitch! You ruined my business! Did you do that on purpose? Tell me!"

The ruthless whip cut through the air. Everyone was frightened.

Nicole's heart lurched. She quickened her pace, but it was still too late. The whip slammed onto the girl's thin body, instantly tearing her clothes apart.

The girl trembled for a while and suddenly looked up. She gritted her teeth and clenched her fists. Her eyes were filled with hatred, and her forehead was sweating. Nicole didn't doubt that the girl would kill the troupe leader if she was able to resist.

The people around were even more shocked.

"She didn't fall on purpose. Why did you hit such a young girl?"

"That's right. She might have broken her bones. Take her to the hospital."

There were many women as mothers around. Seeing the poor young girl, they felt soft-hearted and talked to each other.

Seeing Michele's hateful gaze, the troupe leader turned even angrier and struck at her again with the whip.

"Why are you glaring at me? You ruined my business. How dare you glare at me!"

Seeing the whip was about to fall again, Nicole took a step forward and grabbed it immediately. Her eyes suddenly turned cold.

"Beating a minor is against the law. Don't you know that? I can sue you for what you just did!"

The troupe leader didn't expect that someone would dare to meddle in this affair. He stared at Nicole.

Samuel took a step forward and kicked the troupe leader in his waist, knocking him to the ground.

"How dare you stare at my wife! Do you believe I could take your eyes out?"

Seeing Samuel who looked domineering and majestic as a superior, the troupe leader was terrified.

Chapter 1523 She Is Not a Simple Girl

After searching the surveillance video, Nicole was surprised that she couldn't find her anywhere.

"What happened?"

"We've underestimated her. She's not a simple little girl."

Nicole's words aroused Samuel's interest.

"I want to know if she's more skilled than Lucas."

Nicole understood what Samuel had meant. She said, "It's none of our business. Anyway, she wouldn't have done this if he had money. Can you recover the video?"

Samuel's pupils dilated when he heard Nicole asking him in a tentative tone.

"Honey, you have misconceptions about my ability."

"What?"

"What that girl did is a cheap shot for me."

After saying that, Samuel pushed the security guard away and sat in front of the monitor, tapping the keyboard with a rattle. Nicole slightly smiled when she saw him concentrating on solving the problem.

'He is more like a silly kid now, but I like it.'

It only took Samuel a while to restore the video. From the fixed video, he saw Michele sneak into the office and delete the video by using the computer of the office. She did these within two minutes.

'She's really bold!'

Looking at Michele's profile, Samuel felt somewhat familiar.

'Where have I seen such a face before?'

However, Samuel couldn't think of anything.

He quickly used the computer to break into the monitoring system of the neighborhood. After scanning the surveillance video of the neighborhood, he found the trace of Michele.

Because of the injury on her leg, Michele walked very slowly and had to rest after walking for a while. But this tenacious girl was still persevering.

"I know where she went. Follow me."

Samuel took Nicole by the arm. Then they got out of the hospital and hailed a taxi. As soon as they got in, Samuel told the driver an address. After a while, they arrived at the destination.

They got off the car and walked to the corner of a street.

"What are we doing here?"

Nicole was puzzled.

Samuel said, "That girl will be here in few minutes. I've checked the video. There are different ways to get out of this area, but all the ways meet in this intersection. That girl will definitely come here in a while."

His words reminded Nicole of the note left by Michele.

For other children, they would be grateful to the couple who had saved them, but things were different in Michele's case. Growing up in a harsh environment, she could only see the evils of the world; she to be traffickers. The only explanation for their saving her was selling her to them because they had saved still young and didn't know how to hide her emotion. Chapter 1524 The Pathetic Has Some Insufferable Sides

Nicole's heart lurched.

"Samuel, stop her!"

Although Dylan was a bastard, it was worth nothing that Michele killed the bastard at the cost of her future.

She was only seven years old!

If she killed Dylan, it would be the taint in her life that she couldn't shake off.

Thinking of this, Nicole quickly ran into the room.

Samuel rushed up to grab Michele in the shortest time.

However, Michele was like an enraged wolf cub, struggling extremely.

"Let go of me! You let go of me!"

She waved the kitchen knife in her hand. And Samuel got a sudden cut on the back of his hand. She was too angry to notice Samuel's cut. And her shout attracted the attention of Dylan and Molly.

"Michele? My daughter!"

Molly was defenseless against Dylan's beatings. And when Dylan heard Michele's voice, he thought that she secretly ran back. Thinking of the money, he was in a rage.

"Little bitch, you actually dare to come back. I don't have money to give to your uncle."

As Dylan spoke, Nicole arrived in front of him and hit Dylan on the waist, kicking him away from Molly.

What she despised the most was a man who hit a woman!

He could do nothing outside the home and beat his wife and child at home. What a shameless man he was.

Nicole took a step forward in exasperation and slapped Dylan in the face twice. She said angrily, "What an ass! You are a man?"

Dylan was pissed off after being slapped twice by Nicole who rushed in. Hearing Nicole call him names, he flared up at once.

"You're courting death!"

As he spoke, he raised his hand towards Nicole.

In Dylan's eyes, Nicole was as weak as Molly. However, before his hand could touch Nicole, Nicole grabbed his wrist again. With a pull, Dylan's arm was dislocated.

Dylan screamed in pain.

It really hurt. His voice quivered with pain.

Nicole despised him for being too noisy. She picked up a rag and stuffed it into his mouth, and then kicked him away.

Seeing Nicole beating Dylan, Molly was stunned.

Michele was controlled by Samuel. Waving the kitchen knife in her hand, she couldn't get rid of him.

When Molly noticed the clothes on Nicole and Samuel, her heart thumped.

"Who are you? Please let go of my daughter. I know that my useless husband sold Michele, but please return the child to me. No matter how much he got, I will pay you back."

Molly knelt on the bed and kowtowed to them.

Nicole's eyes suddenly narrowed.

This man was kicked out by her just now. She thought that he wouldn't be able to get up for a long time, but he actually ran out and called other people.

She couldn't believe what he said either.

He even said that Samuel was Molly's adulterer.

How could he say such words in front of a seven-year-old child?

Moreover, Molly was still crying on Samuel's shoulder. Nicole felt that it was unpleasant to hear that word.

Her eyes were a little cold.

"Little girl, protect your mommy. I will give that bastard a lesson."

Nicole was really angry.

This man was not shamed of domestic violence. He was even proud of himself. Molly was too tolerant.

Just as she wanted to remind Molly, Molly almost choked from crying. Nicole couldn't help but sigh.

Forget it. She was in a good mood today.

Nicole was about to go out when she heard Samuel say, "Nicole, let Molly do this on her own. She has to solve it if she wants to protect her daughter. Don't worry. I'm here. No one can interfere with you."

At this moment, Samuel was domineering.

Nicole was attracted to him. Meanwhile she looked at Molly.

Samuel was so charming. Would Molly take a fancy to him?

Molly was a little tired from crying. Hearing Samuel's words, she couldn't help but pause for a moment before leaving Samuel's embrace. She said somewhat embarrassedly, "I'm sorry, captain. I shouldn't hug you."

"Are you in a better mood? Then settle the matter yourself and let your daughter see how strong her mother used to be!"

Nicole did not know Molly's past, so she had no idea how much impact Molly had on Samuel now. But seeing Samuel's sad expression, she could feel it.

Molly called Samuel captain, which meant that Molly was once Samuel's soldier.

Nicole knew that there were no weaklings under Samuel's rule.

But if it was really like what Samuel said, Molly should be very powerful. How could she be beaten up by Dylan and not be able to protect her child?

As soon as Nicole got confused, she heard Molly whisper, "Captain, I'm not the same as I used to be."

"What do you mean?"

Samuel frowned slightly.

Molly smiled bitterly and said, "In order to control me, Dylan poisoned me. I don't have the strength right now. Even if I remember the moves, I can't punch. I can't even lift a bucket of water."

She was a poor woman, and a pitiful veteran.

"Are you trying to get yourself killed?"

Samuel said in a low and cold voice. He was like God of Death, making everyone around chill.

Though Cierra lost, she had developed a sense of superiority by bullying Molly over the years. But she got panicked now that she was choked by Samuel.

She shouted, "Who are you? I'm warning you. If you hurt me, my son will sue you!"

"Then let's wait and see who will end up in jail. I can send every one of the Bells into prison and give you no chance to get out! And I promise I will." Samuel threatened.

He was so angry that he wanted to kill her.

Dylan was frightened.

He hurriedly said, "Let go of my mother. Why not calm down and talk?"

"Calm down and talk? Now you're ready to talk? When you beat Molly and sold Michele, why didn't you calm down and talk?"

Samuel was on the edge of blowing up. He wished he could kill them right now, but he couldn't.

Nicole rarely saw Samuel lose control. But she could understand his fury now that she knew Molly was Blair's cousin.

...

Blair was Samuel's best buddy, and Molly was one of Samuel's best soldiers. It was irritating to know Molly had been bullied by these disgusting people all these years.

However, Nicole wouldn't allow Samuel to kill them.

Nicole cleared her throat and said, "Samuel, sometimes death is not the best punishment. Don't you think it's better to let them live and atone for their sins?"

Dylan immediately looked at Nicole with a trace of hatred in his eyes.

"You wicked bitch!"

Nicole said, "I haven't come to the worst part. I guarantee that you will beg for a quick and merciful death. What do you think? Do you want to give it a try?"

Nicole despised men like Dylan and hoped he could disappear as soon as possible. However, she also knew that she could not violate the law.

Samuel's hand loosened a little, and Cierra coughed badly.

Although Dylan was a wife-abuser, he was a filial son. He was panicked to see his mother choked by Samuel.

He questioned, "What the hell do you want? Are you Molly's lover? Otherwise, why would you stand up for her? Are you the biological father of that little bastard?"

Hearing Dylan, Nicole and Samuel were instantly enlightened.

Molly was also stunned.
She thought, "How could it be?"
Eight years ago, she remembered being with Dylan that night, so how could it be?

Cierra heard that and was enraged. She didn't care about Samuel's hand around her neck. She gritted her teeth and cursed angrily.

"Molly, you shameless bitch! How dare you do that to my son? You deserve to be trampled, you slut!"

Samuel let go of Cierra and threw her out.

"Mom!"

Dylan ran out to find Cierra.

Samuel looked at Molly and didn't know what to say.

"Do you want to stay here?"

"No! I'm leaving!"

Although Molly felt uncomfortable and puzzled, she was determined.

She glanced at Michele and felt uncomfortable when she thought of what Michele had suffered over the years.

"No matter what, I will take Michele out of this place! This place is like a hell and my child is suffering."

Nicole couldn't be more agreed.

"I'll hold the girl. You go with my husband. Let's go."

Nicole picked up Michele.

Nicole was embarrassed, and she directly hit Samuel's hand.

Samuel felt a little painful and smiled, "And I won't flirt with my buddy's woman."

"Well?"

Nicole thought for a long time, but she did not think that any friends around Samuel would be Molly's man.

Samuel lay down beside Nicole, and whispered, "Molly is Morty's woman."

"What?"

Nicole was truly surprised. Her surprised expression immediately pleased Samuel, and he scooped her into his arms and kissed her lips.

After a lingering kiss, Nicole couldn't even breathe. When she heard Samuel's chuckle, she came to herself and hit him with her hand.

"Are you lying to me?"

"No, Molly was Morty's girlfriend before she got married."

Samuel was not a gossip man. However, Nicole was really curious and quickly asked, "Then why did they break up? Why did Molly marry that jerk?"

"Nicole, sometimes it's not good to be too curious."

"But I want to know it."

Nicole's voice was sweet and coquettish, making Samuel full of lust.

Oh god!

Who could hold this?

His two sons occupied most of Nicole's energy and time. He and Nicole had much fewer chances to make love. But now Nicole was so charming, and Samuel felt that the lustful desires kept running all over his body.

"You really want to know?"

"Yes."

Nicole nodded eagerly.

"There is always a price to pay for gossip. Why don't we talk about it in the bed?" Samuel said with a meaningful look.

Nicole's face instantly turned red.

Chapter 1529 Nobody Can Leave

Nobody talked when having the meal.

After dinner, Molly didn't feel good. Michele was a little worried, so Samuel let them go to rest.

Since it was an unfamiliar environment for Molly and Michele, Samuel did not arrange for them to sleep separately. Instead, they shared a room, which could keep the child at ease.

Nicole watched them enter the room and couldn't help but say, "I've always felt that Zoe is quite pitiful. Now I feel pitiful for Michele too."

"Every family has its difficulty. No matter what it is, they have to solve it on their own. After all, we can do little."

Samuel's words were reasonable.

Nicole and Samuel were also tired after the day.

Originally, they were out to play, but they met Molly, which seemed that their travel plan had to be suspended or changed.

Thinking of this, Samuel felt somewhat sorry.

"Sorry, Nicole, I originally brought you out for a trip this time, but I didn't expect..."

"It's fine. I can't blame you for that. Since we've met them, we'd better help them solve the problem. If Dylan doesn't divorce Molly, Molly and Michele won't be able to live a peaceful life. We..."

"We won't interfere in their divorce."

When Samuel said this, Nicole became stunned.

"What do you mean? Isn't she your favorite subordinate? Isn't she Blair's sister? Don't you care?"

This was not Samuel's style!

Samuel carried Nicole in his arms. Nicole was caught off guard, so she hurriedly hugged Samuel's neck and frowned slightly.

Chapter 1530 If He Doesn't Love Her Deeply, He Won't Let Go

Seeing Nicole so curious, Samuel tapped her forehead with his finger and said with a smile, "Aren't you afraid that I'll be jealous now that you're so curious about Morty?"

"That's okay, we've been together for so long, so why are you jealous? Besides, I don't like Morty. I just want to know his love story."

Nicole rubbed her head and said with a smile, "You see, Morty is usually very cold. I just can't imagine that such a man loves someone deeply. Actually, I've always wondered why there's no woman around him even though he's about your age. It's so strange."

Samuel shook his head and said, "Morty has given all his feelings to Molly. How can he be interested in other women? Since his heart is full, there's no place for others."

"Even if she got married and had a child?"

Nicole knew that some people could keep their feelings for a long time. But with his status, it was like a joke that Morty would watch helplessly as the woman he loved got married and had children with another man.

Samuel was a little gloomy. As a man, he knew the feeling of Morty.

"He's indeed heartbroken to see her get married and have children. When Molly got married, Morty was drunk for three days and nights. After drunk, he wanted to take her away, but we stopped him."

Samuel felt sad at the thought of Morty at that time.

Morty was always so proud, but on the day of Molly's wedding, he was drunk and even cried. It was the first time that he and Fernando had seen Morty crying.
