Don't Try to Escape, My Wife!

Chapter 211: Who Did He Offend

The sun seemed to be ashamed of the scene and slowly hid behind the clouds. Samuel and Nicole were holding each other closely when a childish voice sounded.

“Daddy, Mommy. Are you kissing? I also want kissing!”

They didn't notice Zoe, whose voice scared them.

Samuel quickly withdrew his hand from inside Nicole's clothes when he heard Zoe's voice.

Nicole jumped up from Samuel's thigh as if she had been struck by lightning.

“Zoe, why are you here?”

Nicole felt her face hot as if it was burning.

She didn't know what Zoe had seen. It was so embarrassing.

Samuel was also embarrassed. It was terrible to be caught by his daughter. He was almost scared into becoming a eunuch.

Zoe blinked her big eyes and said innocently, “Joseph had gone to the bathroom, so I came here for daddy and mommy. But what were you doing just now? Are you kissing? I want it!”

As she spoke, Zoe was about to climb onto Samuel.

Samuel was almost embarrassed to death.

He hadn't calmed down yet. If Zoe noticed it, how could he explain it?

“Zoe, your daddy has something else to do. He needs to go to the bathroom. Let me play with you for a while, OK?”

The president of the Eternal Group should want to run away when facing his four-year-old daughter.

It should have been amusing, but Nicole couldn't laugh out as she felt embarrassed.

But Zoe seemed to like Samuel very much. She hurriedly grabbed Samuel's hand and said, “Daddy, I'll go to the bathroom with you.”

“No.”

Samuel was frightened.

“Why not? You don't like me?”

Zoe was about to cry.

Samuel hurriedly coaxed her and said, “No, Zoe. You are a girl. Boys and girls can't go to the bathroom together, understand?”

“Then why can mommy go to the bathroom with daddy?”

Nicole was speechless.

Had she ever been to the bathroom with Samuel?

Samuel blushed. No matter how cheeky she was, she couldn't explain to Zoe facing her innocent eyes.

“Well, daddy and mommy are different.”

“What's the difference? Aren't we a family?”

Zoe was not ashamed to ask questions. She intended to get to the bottom of it.

Samuel looked at Nicole pleadingly, but Nicole ignored him and looked away.

What?

How should he explain to Zoe?

Samuel was a little depressed.

Samuel was about to cry.

He turned around and saw Joseph stand there with his hands crossed around his chest and look at him
coldly.

“Brat, what are you doing here?”

Samuel felt that his dignity had completely disappeared in the past few years.

Joseph snorted, “If you want to kiss mommy, can you go back to your room next time? Don't you know
that we are still minors? Is it really good to harm us like this?”

Samuel was stupefied by Joseph's question.

“Brat, you're looking for a beating, aren't you?”

Samuel was a little embarrassed and angry. He raised his arm and glared at Joseph.

Joseph was so scared that he ran away and said, “If you use force to suppress us, we won't surrender! If
you dare to kiss mommy in front of us again, I will photograph you and post it online. Let's see who is
embarrassed at that time!”

After saying that, he didn't stop for a moment and ran out.

Samuel felt that his life became dim.

This brat wanted to photograph him and Nicole kissing.

How dare he did that?

Then Samuel thought of Lucas.

Not only did that brat film him, he even dared to pee on his face.

He missed Lucas very much.

He was her son!

Samuel took out his phone and dialed a group of numbers according to his memory.

For a while, it was an empty number. Now he suddenly got through. Samuel's heart beat faster.

The phone rang for a long time but no one answered it.

Samuel gradually calmed down.

Maybe the user of this number had already been changed, or perhaps he who was at the other end didn't know him at all.

An unprecedented sense of loss made Samuel feel pain.

Sitting on the bench in the corridor, he thought of Vincent's bloody body.

How could he survive with such a weak body?

Perhaps the fact that Vincent was still alive was just a lie made up by Laurel. It made Nicole and him feel at ease.

Samuel smiled bitterly.

Not long after, his phone rang.

When Samuel saw the familiar number, he was ecstatic.

Chapter 213: Who Would You Save First

Attracted by Nicole's charm, Samuel couldn't help but want more. They were getting closer and closer.

The temperature in the room suddenly rose, and a different smell filled the air.

Nicole suddenly pushed Samuel away with her face red.

Samuel was stunned. He didn't know what was going on. He wanted to step forward but was stopped by Nicole.

"I'm still in my period."

Her voice was so low that he could hardly hear it. But Samuel quickly understood. He was somewhat annoyed.

"How many days are left?"

"Count it yourself!"

Nicole pushed him away and went straight to the bathroom. She was really ashamed.

How could she be almost captivated?

Samuel was a little depressed. Looking at his tense body, Samuel let out a long sigh. Then, he got up and poured a cup of brown sugar water for Nicole.

When Nicole came out of the bathroom, Samuel handed her the brown sugar water and said softly, "Drink some hot water. I'll go to the bathroom."

As for what he was doing in the bathroom, Nicole could guess more or less.

She and Samuel had sex in the past, but she didn't want it as much as she did now. She had always thought that as she grew older, her demand for sex would slowly decline. Now, it didn't seem to be the case for her and Samuel.

Nicole left the room awkwardly and met Jacob in the corridor.

"What's going on? Why are you in a hurry?" Nicole asked casually.

Jacob paused for a moment and said, "The Brook family is starting to revenge."

"The Brook family?"

Nicole's face darkened.

Naturally, it was Allen. What did he want?

"What did he do?" Nicole asked.

Jacob whispered, "The Brook family started financing. I don't know where they got the venture capital. They almost withdrew all the liquidity. As for our land, it's at disadvantage now. We're quite passive now."

"What?"

Nicole knew more or less about that land. Hearing Jacob's words, she thought that Allan was really clever. He should manage to drive Samuel into a corner.

"Samuel is in the recom. You can go find him later."

"Alright."

Jacob didn't dare to disturb her. Nicole went to the garden alone.

Samuel's expression changed slightly, but he didn't say anything else. Instead, he bit on Nicole's lips as a punishment.

“Samuel, are you a dog?”

“I am a wolf!”

Samuel let go of her gloomily. Then he turned around and left like an angry little wolf dog.

Nicole suddenly smiled.

How fierce!

Her lips were bitten.

Nicole licked the blood on her lips, hugged Samuel from behind and whispered, “I only have you in my heart.”

Her words made Samuel feel much better.

“Say it again.”

He said proudly and joyfully.

Nicole felt that he was like a child. She directly let go of him and said, “I won't say it again.”

She turned around, but her arm was grabbed by Samuel. And she was pressed against the wall.

His breaths and deep eyes had intoxicated Nicole, making it hard for her to resist.

“What do you want?”

“You!”

Samuel lowered his head and could no longer hold back his desire. His gentle touch had intoxicated Nicole.

Before she knew it, Nicole had been in the bed covered by a quilt. She only remembered when she caught her breath, Samuel whispered to her.

“Be good and rest at home. Leave everything to me. OK?”

His words were like a feather brushing through her heart, making Nicole tremble.

When she realized it, Samuel was not in the room. But the air seemed to be filled with his breath.

Nicole couldn't help but smile. The older she grew, the more she loved Samuel. She felt five years of separation didn't exist at all. The feeling of sticking together every day became stronger, so strong that she felt she might be sick.

She hurriedly covered her face, only to find that it was burning hot.

Nicole didn't know where Samuel went. When she was about to get up, her phone rang again.

Chapter 215 Who Is the One Up to Something

The woman wore a cap and had kept her head down. She looked very suspicious in that way.
Nicole's heart tensed up. The closer she got to the woman, the more nervous she became. Just as that
woman was about to brush past her, Nicole grabbed her arm.
"Who are you?"
Nicole grabbed her so hard that she didn't even have time to care about her favorite drawing board
when it fell to the ground. She was afraid that the woman in front of her would escape, so she grabbed
both of her arms.
"Are you crazy?"
That woman raised her head. But it startled Nicole and she unconsciously let her go.
The woman's face was severely burned. When she was stopped by Nicole for no reason, her expression
went darker.
"Do I know you? Why are you stopping me?"
The woman was very aggressive and fierce. Nicole was scared by her and subconsciously took two steps
back. Then, she frowned and said, "Did you kidnap my parents?"
"You're insane."
Hearing Nicole's words, the woman cursed angrily and turned to leave.
Nicole wanted to stop the woman again. But she did not make a move. Instead, she kept following
behind her.
The woman was a little annoyed. Her expression was very bad, and there was a hint of cruelty in her
voice.

She said to Nicole, "What do you want?"

"Where are my parents? What do you want? Just come at me! Let go of my parents!"

Nicole was a little anxious.

The woman was stunned for a moment and angrily pushed Nicole.

"Are you crazy? I don't even know you. Who cares about your parents? Where did you come from, you crazy bitch? When did you come to the sanatorium?"

"Don't go! Give my parents back!"

Nicole had decided that this woman was the one who kidnapped her parents and spied on her. She pounced on the woman and fiercely clasped her.

The woman was caught off guard and fell on the ground because of Nicole. Her face twisted in pain.

"Get off me! If you don't get up, don't blame me for being rude!"

The woman shouted in a hoarse voice, but she did not do anything to Nicole.

However, Nicole didn't care about anything else at all. She just wanted to hold on tight to this woman and get her parents' whereabouts at the same time.

The woman felt so much pain from being strangled by Nicole that she had no choice but to shout at the top of her voice.

"Anyone here? Help! Pull this crazy woman away!"

Hearing the woman's voice, the bodyguards and the security guards of the sanatorium quickly ran over.

Nicole didn't let her go. She said coldly, "You can't escape today. If you don't tell me where my parents are, I won't let you go!"

The woman was about to cry.

"Girl? Miss? I don't care if you're crazy or not. But I really don't know your parents. Can you let me go now? It's pretty awkward that you fall on me. Others will have some thoughts."

However, Nicole did not understand what she was talking about, nor did she bother to care about what this woman meant.

The bodyguards and security guards arrived almost at the same time. But when they saw the two women on the ground, their attitudes were very different.

“Ah!”

Viola was caught off guard by Zoe, so she subconsciously raised her hand to slap her.

“No! Zoe!”

Nicole reacted quickly as she hugged Zoe while Viola waved her hand to Zoe.

Therefore, in the end, Viola slapped Nicole in the face. And it was so clear and resounding.

Both of them were stunned.

Viola did not know that she would actually do it, and so coincidentally slapped Nicole in the face. As for Nicole, she was simply

shocked.

The Greens’ bodyguards and the security guards of the sanatorium saw this and had a nervous confrontation with each other.

“I didn't mean to”

Viola’s palm got numb. Obviously, that slap was really heavy.

But Nicole just looked at her and whispered, “Can I take a look at your phone again?”

This sentence made Viola speechless. All her anger had now turned into helplessness.

“Come on, girl. Why do you think of me as a kidnapper? You can't suspect me just because I'm disfigured, right?”

“I just want to take a look at your phone”

Nicole was very persistent.

Now, Zoe could tell that it was her mother who had been pestering Viola.

She gently tugged at Nicole's sleeve and whispered, “Mommy, why do you have to look at her phone?”

Nicole was unable to answer Zoe's question, and Viola obviously wanted to know the reason too. However, because she had

slapped Nicole earlier, she was a little depressed and handed over her phone.

“Hey, just to remind you: you can see everything on it, but you can't do anything”

After saying that, she gave her phone to Nicole as if it was very precious.

Nicole took it over and started browsing the phone quickly, especially the photos. She really wanted to find some clues from the phone. And she also wanted to find some photos of her parents.

Unfortunately, there was nothing.

Nicole flipped through the photos. And suddenly one photo caught her attention.

There was a woman sitting in the sunshine in that photo. She looked melancholy, which made people feel pity for her.

However, this was not something that surprised Nicole. What surprised her was that this woman looked very similar to the woman in the photo she took from Xander's painting garden.

“Who is this woman?”

Nicole asked.

Viola glanced at the photo and said, “My mother!”

“Your mother?”

“Yes!”

Viola nodded and said proudly, "My mom is pretty, right? She was gorgeous when she was young. And she's just a little old

Nicole rejected Zoe's request.

“Honey, Joseph is your brother. You can't sleep with your brother. And you can't kiss him, either.
Anyway, you can't play the

kissing game with a random boy, okay?”

Nicole had to take the opportunity to tell Zoe that there was a boundary between men and women.

However, Zoe was puzzled by Nicole's words.

“But why can you and Daddy kiss?”

“Because we love each other, and we are adults. That's why we can do it. When you meet a boy you like in the future, and he

also likes you, then you can do it too.

But before that, you may want to save the most precious thing for the most important person, right?”

Nicole didn't know if Zoe could understand, but she had to tell her now.

Zoe said reluctantly, “But I like Joseph very much. I can marry him in the future”

“No, you can't. He's your brother. And your brother can't be your husband, you know? He can only be your brother”

“Then I can't kiss and hug him, can I?”

Zoe was upset, as if she had lost something particularly precious.

Nicole couldn't bear to see Zoe upset, but she still whispered, “Honey, Joseph will always be your brother. You two are family,

and you can kiss each other. But you should kiss him on the forehead, you know? Or on his cheek. That's a kiss between family members.”

“Really?”

Zoe's eyes once again lit up and shone brightly. It was like the entire room had also lit up because of her smile and eyes.

Nicole smiled and said, “Of course. After you change your clothes, you can go to kiss Joseph”

“Alright!”

Zoe was very cooperative.

Joseph crinkled his nose, but he didn't say anything.

Zoe had been thinking about kissing on his lips and pulling off his pants. Compared to that, Nicole's solution was acceptable to

him.

Zoe ran to change her clothes.

Joseph smiled and said to Nicole, “Thank you, Mommy”

Nicole hurried to Joseph and Zoe.

Zoe slept soundly and did not hear anything. Joseph was more alarmed and woke up. When Nicole came over, he opened his eyes.

"Mommy, what's wrong?"

Nicole stopped Joseph, told him to put on his clothes and take Zoe to the inner room.

Joseph found that Nicole was nervous. And at this moment, the weird sounds outside also made him nervous.

"Is he a bad person?"

"Probably!"

Nicole said in a low voice. She quickly picked up Zoe and her blanket. Then she carried her into the inner room.

Joseph looked around and then ran to the bathroom to get a basin of cold water.

"What are you doing?"

Just as Nicole came out, she saw Joseph carrying the basin with difficulty. So, she went forward to take it over.

Joseph pointed to the basin and then pointed to the top of the door. Nicole instantly understood.

"You want to put this basin on the door"

Joseph hurriedly nodded.

"It's cold at night"

Now Nicole knew that Joseph was also a little bad.

She walked over gently, stepped on the stool and put the basin on the door. Then she quietly retreated to the room inside with

Joseph.

Joseph asked in a low voice, "Mommy, what should we do if that person comes in?"

“Beat him with anything you could get. As long as he comes in, we'll beat him up until he escapes”

Apart from this stupid method, Nicole didn't know what else they could do.

She really wanted to call Samuel or Jacob now. But unfortunately, she had taken down her phone and thrown it into her room.

Now she could only see the danger approaching. And she was unable to protect her children. At this moment, Nicole felt that

she was so useless.

“Stay inside and don't go out. Do you understand?”

Nicole decided to wait outside alone. No matter what, she can't let anything happen to her children.

Joseph didn't agree. But Nicole whispered, "You have to think about it. Zoe is not in a good condition, so nothing can happen

to her. Joseph, this is a difficult task.

You must protect her. Didn't you promise Lucas that you would take good care of Zoe?”

“But I also promised him to be good to you:

Joseph found himself in a difficult situation.

Nicole touched his head and smiled, “It's okay. I'm an adult, so I'll be alright. You just need to protect your sister. I will be fine.”

“But.”

“Alright, the people outside are coming in soon. Don't speak anymore”

Nicole got sharp ears.

She quickly stuffed Joseph into the inner room. Then she held an ashtray in her hand and kept it behind her back for the

Chapter 219: You Must Comfort Me

“No! Nicole, I came back at midnight. You just gave me a cold shower. Now, what the hell is it that you left me alone in the room?”

Samuel was extremely wronged.

Nicole paused for a moment. Joseph quickly hugged her arm and said pitifully, "Mommy, I'm so cold. Zoe must feel cold in the

room, too”

“Oh, yes’

Nicole remembered Zoe, so she turned to Samuel and said, “Go sleep in your room. I'm going to carry Zoe out. It's too cold inside”

“No..”

Samuel was depressed.

Joseph hid in Nicole's arm and secretly stuck out his tongue to make a face at Samuel.

Daddy deserved it!

He was so mean to him just now.

Samuel looked at Joseph's complacent expression. And he just wanted drag this bad boy over and beat him up.

After Nicole carried Joseph into the inner room, Joseph came down from her embrace.

“Mommy, I wonder if Zoe has caught a cold when she goes out today. We have to take good care of her tonight”

This once again shook Nicole to the core, which had just been shaken.

Yeah.

She hadn't figured out what it had to do with Viola. But Zoe had taken some time to get there. So, she was worried if Zoe had

caught a cold.

Nicole planned to accompany Samuel after coaxing the children. But now she was troubled after hearing Joseph's words.

Seeing her troubled expression, Joseph secretly laughed.

Daddy deserved it. He had scolded him!

Joseph thought to himself: I'm not letting Mommy go back tonight!

Nicole didn't know his little plans.

She carried Zoe out and found Samuel was still there. He stared at Nicole with an aggrieved expression.

Nicole just looked away and didn't dare to look at him, especially at the injury on his head. It made her feel even guiltier.

But thinking of Zoe, Nicole gritted her teeth and said to Samuel, "You go back to rest now. I will sleep with Zoe and Joseph

tonight. Don't catch a cold"

After she finished speaking, she placed Zoe on the bed. But she was somewhat in a hurry and did not dare to look back at

Samuel.

Seeing Samuel's aggrieved expression, Joseph secretly smiled. Then, he said to Nicole, "Mommy, my stomach is upset. Did I

eat too much tonight?"

"Really? Is your stomach aching? Let me look"

Nicole carried Joseph to the stool, gently rubbed his stomach and asked softly, "Where does it hurt? Do you want to see a

doctor?"

Samuel was also a little worried, but he suddenly met Joseph's smiling eyes. Then he understood.

"Joseph, how dare you.."

"Ah! My stomach hurts"

Joseph hugged his belly and almost fell into Nicole's arms. His small hand tightly grabbed Nicole's arm and screamed.

This frightened Nicole.

Chapter 220: I'm Yours and I Love You

“I don't know. I didn't see him clearly. A person passed by, and then you appeared”

Nicole sighed.

If there wasn't such an accident, how would she treat Samuel as a thief?

Samuel did not continue on that and whispered, “Sleep quickly. I am here. Everything will be fine”

“Okay”

Nicole had a long day, especially when she was chasing after Viola. Later, she had another accident, which made her tired.

Nicole slowly closed her eyes. She sensed Samuel's breath and heard his heartbeat.

An even breathing sound could be heard. Nicole had already fallen asleep, but Samuel did not feel sleepy.

This kind of things happened one after another. Who was the one behind the scene?

And what did he mean by tricking Nicole?

Samuel's thoughts were the same as Nicole's. This person was definitely still in the sanatorium. However, this person must be

somebody as he was able to sneak in and monitor Nicole without being noticed.

Who could it be?

Samuel could not figure out.

He looked up at the ceiling. He turned off the lights. Then, a flickering spot attracted Samuel's attention.

Samuel gently moved Nicole away from his embrace, and then covered her with the quilt. He stood up and quickly grabbed towards the flickering spot.

Perhaps it was because his moves were so fast that he grabbed it in his hand.

When Samuel saw that it was a camera, he immediately understood.

Perhaps it was not someone who was watching. Instead, electronic eyes were employed to monitor Nicole. They intentionally

caused her to panic.

Samuel quickly connected the camera to his computer. Unfortunately, the other party was very vigilant and had cut off the

power supply. Samuel could only look at it and sigh.

Who did this?

He looked at the camera and thought over.

He did have a suspect, but he just felt that it was impossible.

Could it be Allen?

But why did he kidnap Nicole's parents?

Samuel could not figure it out. Could it be that he wanted Nicole to go back to him? Or was there another purpose?

As time passed, the bodyguards had returned.

Samuel went out to inquire about the situation, but as expected, there was no useful information.

Since this person was able to sneak into the sanatorium, he must be very familiar with this place. Otherwise, he should hide in

this sanatorium. Thinking of that, Viola attracted Samuel's attention.

Maybe we should start with this woman.

“Investigate Viola”

Hearing that, the bodyguard nod slightly, and then said in a low voice, “President Samuel, Viola's face is injured. She said that

she was injured during the experiment. She is currently recovering in the sanatorium, but I am not sure whether she looks much different now?

“Such a coincidence?”

Samuel frowned again.
