

Escape Wife 29

Don't Try to Escape, My Wife!

Chapter 29 Samuel, what do you mean

Nicole looked at the time. It was almost eight o'clock. If there was no traffic jam, she could get there in time, but she didn't know where the automobile processing plant of Eternal Group was.

Just then, Samuel sent her a coordinate and marked the specific location and asked her to drive carefully.

Nicole replied angrily, "you bastard!"

Samuel looked at the phone and smiled. He was in a much better mood.

Jacob waited and looked at Samuel. He didn't speak, but he had arranged everything since Nicole's arrival.

Riley seemed to be living in a nightmare this week.

For five years she thought Samuel was a piece of ice. She wanted to impress Samuel with her passion and Joseph. She wanted to be the mistress of Green Family. But Samuel had been indifferent to her. But now he was passionate about Nicole. He totally ignored the public opinion and gave her something every day.

Although Samuel didn't show up with Nicole at the same time, his abnormality made Riley feel crisis and deeply hostile to Nicole.

Whatever the identity and background of the woman, Samuel was very kind to her. She couldn't let her stay here!

When Riley saw Samuel's news in the media, her eyes were vicious.
