

Escape Wife 35

Don't Try to Escape, My Wife!

Chapter 35 Godfather is the most powerful man in the world

The light smell of milk brought Samuel back to his senses. He looked at Lucas and was in a mixed mood. He didn't know what to say.

Lucas did not speak and sat quietly beside him. He just seemed to want to sit and he didn't care who was next to him.

Samuel found out that he was depressed.

Joseph was also four years old, but he was leisurely and willful. He laughed when he was happy and he cried when he was not happy. But Lucas was calm and mature.

The first time he saw Lucas was in the airport bathroom. Lucas frowned and begged him. But now Lucas had changed.

What kind of living environment made Lucas have such a character?

If he was really his son, what happened to him and Nicole in these five years?

Samuel had many problems, but he didn't know what to say.

When he hesitated, Lucas spoke.

"Why is my mommy hurt?"

Samuel froze and whispered, "there's something wrong with the car's safety system. Your mommy is the car designer of my company. She had an accident while driving. I have to take responsibility. I didn't check the safety of the car in advance. I'm sorry."

He was king of Seapolis. He rarely said sorry in his life, but now he was facing Lucas, four, and apologizing to him naturally.

Samuel thought it was incredible.

Lucas stared at Samuel.

Samuel saw Lucas's eyes were very similar to his own. He was more excited. He even wanted to hold Lucas, but he didn't do anything. He just looked at Lucas and didn't speak.

Lucas couldn't see if Samuel was lying. After all, he was a kid and couldn't tell the good from the bad. But he was angry.

"Why are you so careless? Did you do it on purpose?"

"Why did I do it on purpose?"

Samuel sensed Lucas's hostility sensitively.

Lucas hated him!

Although Lucas tried to hide it.

"Because you..."

Lucas almost said that because you didn't like Mommy and me! You wanted me and Mommy to die!

But he stopped. He seemed to hate his incompetence. He had his back to Samuel. Samuel was upset.

"Because of what?"

Samuel's voice was subconsciously gentle.

Lucas ignored him. He stood up and said coldly, "get out of here. My mommy won't want to see you when she wakes up."

"I'm your mommy's boss."
