

Escape Wife 38

Chapter 38: I'll tell you why today

"Ah!"

Nicole exclaimed and a hot body stuck to her.

Her flustered heart was dulled by the familiar smell.

At one time she was looking forward to close contact with Samuel rather than routine in the cold bed, but until she was pregnant they never did.

Samuel felt only a sweet smell in his nose. The familiar smell was like the memory on the pillow in his bedroom when he dreamed every night. He was immersed in it and felt that he was dreaming.

"Nicole..."

Samuel mumbled. His handsome face slowly approached Nicole's lips.

Suddenly, a sharp bell rang. Nicole woke up and pushed Samuel away. Her heart thumped and it was as if her blood had come up and made her all hot. Her face was burning.

Samuel almost fell out of bed and woke up. But he had some regrets. He watched Nicole's cell phone ringing all the time. He subconsciously wanted to get it. Nicole got it first.

"Allen?"

All of Nicole's fantasies and dreams disappeared when she saw Allen's name.

She just lost her mind!

How could she still have that fantasy about Samuel?

Nicole immediately sat up. Although it was difficult, she refused Samuel's help and touch and answered.

Allen's voice came out immediately.

"Catherine, are you ok? I heard you had an accident. I want to see you, but Zoe is not in good condition and I can't leave."

Allen's voice was rapid, and the solicitude made Samuel uncomfortable.

Nicole had no time to take into account Samuel's face and thoughts at this time. When she heard that Zoe was in a bad situation, Nicole was in a panic.

"How's Zoe? Is it serious?"

"Don't worry. Zoe is fine for the moment, but I can't leave her. You..."

"I'm fine. Don't worry about me. Allen, I just hurt my right leg. I only need to recuperate for a few days. Just focus on Zoe."

Nicole was thinking about Zoe now.

She was far away from her daughter and she couldn't take care of her. Only mothers could understand the pain.

Samuel watched Nicole's eyes turn red and aggrieved. He became angry.

She was his wife! But now she was upset about another man's phone call. What was her relationship with Allen?

Allen wanted to say something to Nicole, but Samuel grabbed her cell phone directly. He said coldly, "President Brook, take care of your family. As for Catherine, I will take good care of her here."
