

Escape Wife 43

Don't Try to Escape, My Wife!

Chapter 43: You are amazing

Joseph didn't care Lucas's expression. He directly held Lucas's arm and said as if he is a rogue, "I don't care, I don't care, you have the ability to be better than me, and I will recognize you as the elder bro. From today on you are my big bro."

Lucas had never seen such a rogue person.

From childhood to now, except for Zoe's had a close relationship with him, he hasn't let others touch on him like this. Today Joseph hangs almost half of his body on his body. The grinning look made Lucas cannot get angry.

"You, let me go! How could two boys be so close to each other!"

Lucas felt awkward.

Joseph was the son of Samuel. He replaced himself and Zoe in the Green Family. Shouldn't he hate him?

But Joseph was hugging Lucas like an octopus.

"No way, no way, no way! Unless you promise to be my big bro, I won't let go!"

"Joseph, why are you so shameless? You are the heir to the Green Family; how can you be such a rogue?"

Lucas was almost crying. If he had known Joseph was like this, he would not come.

Joseph said with a smile, "What's up with the heir? The heir is also a child, and the heir can also have a big bro. In the future, what is mine will be yours. If you need, I will give you the entire Green Family."

"No! I'm not interested in the Green Family!"

Lucas's brows were slightly frown, and his expression was not very good.

Although Joseph was rogue, he still looked at people's faces. He found that once he talks about the Green Family, Lucas's face was not good-looking.

"Then you help me design a game, like what you have done in the kindergarten computer room, I won't call you big bro. Don't think I don't know, you have done something to the computer, right? Lucas, you are so good Oh! You can actually use computer!"

Joseph's admiration was undisguised, even is a little loud because the excitement.

Lucas quickly reached out and covered his mouth. Although he knew that there is no one in the room, he looked around and said carefully, "If you talk nonsense anymore, I will break up with you!"

"Ok! Fine!"

Joseph quickly covered his mouth, and those eyes looked at Lucas pitifully.

Lucas suddenly felt a little softened.

“Does your ass hurt?”

“Yes!”

Joseph screamed immediately.

“You don't know, my mother is terrible. She keeps saying that I make my daddy's company suffer a huge loss, which is about 2million dollars. Holding such a thick stick, my butt is beaten badly.”

Joseph touched his butt. When he walked, he was very shaky.

Lucas was guilty again.
