

Escape Wife 48

Don't Try to Escape, My Wife!

Chapter 48: This kid is really incredible

"It is time for Joseph to face everything alone. As the heir to the Green Family, he is now four years old and we have to arrange a lot of courses for him. Mother should avoid him recently to create a better study space. And it is also good to cut him free. You can rest assured now. The seaside villa has everything you need and these won't make you sad. When you're available, read more books and cultivate yourself, so as not to ruin the reputation of the Green Family."

As Samuel said this, Riley collapsed on the ground.

Nicole spared no sympathy for her. All this was her fault. This was just a little revenge to what she has done to Nicole back then.

Riley was dragged out.

Samuel looked at Nicole and whispered, "Can you stay now?"

Nicole froze slightly.

"You are doing this to keep me stay?"

"Of course."

"Why?"

After asking this sentence, Nicole felt that something was wrong, but it was too late to take it back.

Samuel took her hand and whispered, "I think you know why."

Nicole seemed like being electrocuted and wanted to withdraw her hand. But she couldn't do anything since Samuel's palm caught her tightly.

His eyes were sharp.

"Nicole, don't you really want to tell me?"

His eyes seemed to be penetrating, making Nicole dare not look straight in his eyes.

"What are you talking about? I don't understand. Mr. Green, there is nothing between us. It's you who want to slap Riley for me. Now you say such inexplicable things, let's stay calm to avoid those misunderstandings."

"What misunderstandings? Who will misunderstand this? Allen Brook? What is the relationship between you?"

Samuel suddenly became nervous.

Nicole was asked about this question. She was still a little stunned, but she whispered, "Allen and me are just friends."

"Allen? You are calling him with his name. So, can you call me Samuel?"

Samuel was a little bit tricky.

Nicole's brows frowned, and she pulled back her hand, whispering, "Mr. Green, we are not familiar."

"Unfamiliar? Nicole, anyone can say that but you! I won't force you if you don't want to confess your identity. Sooner or later I will let you witness my sincerity. Until then, you can't leave the Seapolis city. In the Seapolis city, you can do anything, even if you make a hole blow the whole city up in the sky, I will handle it as long as you don't leave me."

At this time Samuel was somewhat insecure.

Nicole had never seen Samuel look like this.
