

Escape Wife 65

Don't Try to Escape, My Wife!

Chapter 65: You hurt me

Samuel Green didn't want to think so much, but he couldn't control himself, as if a devil had lived in his body, and force he become didn't even know himself.

When the car drove to the gate of the Royal Garden, he did see Tim Louis's arrogant Ferrari, and the red color were dazzling. The most dazzling thing was that Nicole Bush and Tim Louis were sitting at the window, eating and laughing. Holding something. As he can see, Nicole Bush is in a good mood.

He didn't know what Tim Louis say to Nicole, Nicole Bush lowered her head and chuckled, she gently touched her injured leg, the movement was not obvious, but Samuel Green saw it.

He frowned slightly and called Jacob Brown immediately.

“Send me a thin blanket to the gate of Royal Garden.”

Jacob Brown is now somewhat immune to Samuel Green's orders. After all, he has been surprised and experienced a lot, and his ability of surprise has also increased a lot.

Jacob Brown quickly brought the thin blanket.

Samuel Green whispered, “Get in and cover her legs. Her leg injury hasn't healed yet. The weather in the morning is a bit cold, and her legs can't stand it.”

Jacob Brown was a little surprised.

“Me?”

Samuel Green gave him a cold look, his eyes sharp.

Jacob Brown felt innocent.

Isn't it sweet for Samuel Green to take the quilt in?

Moreover, Nicole Bush and Tim Louis are talking and laughing together, shouldn't he go to make them stop? Or to declare that she is his woman?

Jacob Brown couldn't see through Samuel Green, but he didn't dare to refute it. He deflated his mouth and walked in with the thin blanket, but he then suddenly remembered something, he paused, and said with a little depress, “Mr. Green I really didn't know that Catherine knows Tim Louis. In this way, the company's confidential documents...”

“This is over. Let go of this matter”

Samuel Green spoke suddenly.

Jacob Brown was stunned.

“Mr. Green, that is our biggest deal in recent years. Isn't it so easy for Tim Louis? You can't keep a woman like Catherine around!”

“When did I allow you to interfere with my business?”

Samuel Green's voice was low, with irresistible serious.

Jacob Brown closed his mouth, but he still thinks bad about Nicole Bush.

“Go!”

Samuel Green saw Nicole Bush touch his thigh again and couldn't help but whisper.

Reluctantly, Jacob Brown walked in and handed the thin blanket to Nicole Bush in front of everyone.

“Mr. Green said, your leg injury hasn't healed yet, the weather is cold in the morning, so he arranged for me to send you a thin blanket.”

Jacob Brown said very bluntly.

Nicole Bush and Tim Louis both froze.
