Chapter 111: Reina Wants To Be Nailed*

"Uhh... what?"

"You can fuck me if you want to."

"..."

"I am not saying this because of your super libido, or if you are barely holding it. I am saying this because I want you to fuck me," Reina uttered shamelessly. "I am horny, and my pussy is thirsty for your dick."

"Wow..." Rudy took 6.9 seconds to comprehend that. "You said it just like Angelica would."

"..."

"Wait a minute..." Rudy squinted his eyes and placed his hand on Reina's forehead to confirm something.

"What are you doing?" Reina asked with a confused look on her face.

"I was checking if Angelica possessed your body or something, but it seems you are completely sane. Hmm~" Rudy hummed in amusement and muttered, "maybe your brain is not functioning well, and it has disabled the shy-girl and embarrassed-girl switches because you haven't slept yet."

"Why are you suddenly making fun of me?"

"I am not. Seriously. Because I never expected those words to come out of your mouth. It's true that you said them last night too, but at that time we were in a moment of heat, while currently, we are... in smoke?" Rudy scoffed.

"Well, I do feel embarrassed by saying that, but I would be left behind if I don't say anything. And besides, even if I hadn't said it, I would still have thought the same thing in my mind, and you would have read it. So it's better if I say it out loud since it pleases your ears, am I right?"

Reina had a judging look on her face even though she knew what Rudy's answer would be. But it wasn't as though she had completely changed her way of acting. She simply wanted to be more direct and honest with her feelings since that would help her in the near future when Rudy's harem expanded.

"Where is Angelica, by the way?" Reina asked curiously. "Has she become invisible to me again?"

"Umm... no. She is staying at home," Rudy replied in a calm voice while squeezing Reina's ass.

"Not going to lie, I assumed she has possessed you, so she can't stay away from you or something."

"Technically, she has indeed possessed me. But she can stay away from me without any problem. We both are connected by my power, and... my power can currently cover the area between the waterpark, and my home in the neighboring town."

Reina pondered for a while and tried to understand what Rudy said, but even after thinking about it for a minute, she was having a hard time understanding it.

Rudy realized it, and said, "In short, I can snap from here, and destroy anything and everything if I want to."

"...!"

Rudy couldn't help but scoff after seeing Reina's reaction. He raised his hand in front of Reina and snapped his fingers.

"No!"

"Ahahahaha!" Rudy laughed out loud for a minute and still couldn't stop laughing.

"Why are you laughing! You just destroyed something!" Reina yelled with a furious look on her face.

"I didn't, my innocent little idiot." Rudy kissed Reina on the lips to calm her down, and then said, "It only works if I wish it."

Reina frowned her face and tried to punch Rudy in the face, but Rudy dodged it and pushed Reina against the wall.

"It hasn't even been 12 hours since we became lovers, and you have already started physical abuse, huh?" Rudy teased with a grin on his face.

Reina bumped her head repeatedly on Rudy's chest and uttered in a disdainful tone: "Don't do that again."

"I won't." Rudy hugged Reina and said, "I was just teasing you."

A few seconds later, Reina looked up at Rudy with teary eyes and said, "Are you going to fuck me or not?"

"If you ask me with such a cute face... I wouldn't be able to say no..." Rudy closed the doors and windows using telekinesis and pushed Reina on the couch.

Then, he activated his see-through ability to check what Alice was doing.

'She is still standing in the waiting line.'

Rudy calculated the time it would take Alice to order the food and get the food made.

'It would take her roughly 13-15 minutes, depending on what she orders.'

"Rudy..." Reina called out to Rudy with a mischievous smile on her face. She spread her legs in a seductive position and said, "I have been a bad girl since I broke my promise! Please, punish me with your stick~"

Rudy licked his lips and said, "Why do I think that you and Angelica would become best friends sooner or later."

Rudy stripped himself in 2 seconds and jumped on the couch. Then, she placed one hand on Reina's cave and another on her breasts.

"Wow. You are so wet." Rudy said as he felt wet around Angelica cave.

"Should I take off my clothes?" Reina asked curiously.

"No. Let them be." Rudy unzipped Reina's skirt and moved the panties to the side. "Sex with clothes on is exciting too."

Rudy inserted his finger inside Reina's wet cave and moved it in all directions.

"Fingers won't do anything~ I need your big dick~" Reina demanded to be railed.

Rudy fixed his position and the tip of his snake inside Reina's cave, but he didn't move any further.

"Stop teasing me~" Reina moved her hips up and down and said, "I will get angry."

Rudy thrust a little and then plunged his entire snake inside Reina's cave.

Reina's cave warmly welcomed Rudy's snake and squeezed it tightly from all the sides.

"Aanh~" Reina moaned out loud as she orgasmed.

"Whoa~ Calm your moans, or you will get us caught." Rudy kissed Reina on the lips so that even if she moaned again, it wouldn't go out.

Reina wrapped her legs around Rudy's waist and enjoyed the heavenly pleasure.

"Yes~ Yes~ This feeling~ I can't forget it~"

"I can't forget the feeling of your tight pussy either," Rudy said as he increased his railing speed.

"Harder~ Harder~ Pound me like never before~" Reina moaned. "I feel like I am going to cum again~ Keep going~ Anh~ Anh~ Mnh~"

Let's spread the culture!

Chapter 112: A New Course*

"Anm~!"

Rudy and Reina came together at the same time, and Reina moaned as she orgasmed, but her moan was muffled by Rudy's kiss.

15 minutes passed since they started, but it was more than enough for them.

Rudy made Reina orgasm every minute, and he himself ended up milking her cave two times.

Reina's cave was so tight because she was excited about the situation, and it clenched Rudy's snake so hard that he was having a hard time holding his milk from leaking.

After creampieing Reina for the second time in 15 minutes, Rudy activated his see-through ability to see whether Alice had already ordered food or not.

Much to his surprise, Alice was still standing in the line, and it looked as though it would at least take another 5 minutes.

"Are we going to continue?" Reina asked with a desperate look on her face.

"You don't say..." Rudy rubbed his thumb on Reina's clit and uttered, "Crush my dick with your tight pussy."

"Mnh~ Don't touch me there~" Reina moaned in pleasure with her eyes closed.

Rudy picked Reina up and sat on the couch with his back leaning on the couch.

His snake was still inside Reina's cave when he did that.

After sitting in a comfortable position, Rudy moved his hands under Reina's shirt and squeezed her breasts.

Reina started shaking her hips back and forth and moved her body up and down as she continued moaning.

A few seconds later, she opened her eyes and immediately kissed Rudy on the lips.

She wanted to have all the pleasure she could get in that 5 minutes.

Rudy unbuttoned the first few buttons of Reina's shirt so that he could touch her breasts directly without moving his hand under her shirt.

Rudy squeezed them bare a couple of times as they kissed.

After the kiss, Rudy moved his face closer to Reina's mangoes and opened his mouth to squeeze them. But Reina hugged him tightly and ended up burying his face under her breasts.

"Mnh~ Mnh~ Anh~!"

She moaned as she moved her hips in all directions.

Rudy could feel the walls of her cave twitching as his snake continued hammering her cave.

A few seconds later, Rudy increased his piston speed as Reina's moans got louder.

"Yes~ Yes~ I can get your dick throbbing inside me~ Shoot it~ Shoot it inside me~ Let's cum together~!"

After a few more thrusts, Rudy once again milked Reina's thirsty cave.

They stayed like that for a few seconds and enjoyed the after-pleasure.

"Why does this feel so good~?" Reina asked with a satisfied look on her face.

"It seems we are compatible with each other," Rudy said with a grin on his face.

Reina squinted her eyes at Rudy and commented, "You will be compatible with lots of girls, and I know it."

"But it's not only about compatibility, to be honest."

"Oh?"

Reina slowly got up from Rudy's lap, and finally freed Rudy's snake from her tight cave.

"You once again released so much inside and filled my pussy with your thick cum," Reina said after seeing Rudy's milk dropping from her cave.

"Wrong. It was your pussy sucking everything from my suck."

Rudy pulled Reina on his lap again and kissed her a few times before moving to her breasts and sucking her nipples.

"Mn~ You love boobs, don't you?"

"There are no men in this world who don't love boobs, you know?" Rudy uttered as he moved from Reina's right breast to the left one.

"So you are a boob guy?" Reina asked curiously.

"I am a thigh guy, but I can't suck thighs so..." Rudy let out a short scoff and kissed Reina on the lips.

However, Reina took the lead and started kissing Rudy.

"It seems my kissing course was a success," Rudy scoffed.

"It was. And as promised, you have obtained a free pass to kiss me whenever you want."

Rudy poked his snake at the entrance of Reina's cave and said, "Isn't that pass already upgraded to the max?"

"That's because you cheated your in by penetrating your cock into my virgin pussy." Reina kissed Rudy again and asked, "Can we go one more round?"

"Let me see what Alice is doing first." Rudy activated his see-through ability and saw Alice was ordering the food.

"It would take around two to three minutes for the food to arrive, and I don't think either of us will be able to finish in three minutes," Rudy uttered and looked into Reina's eyes before saying, "So... I will be left blue-balled, and trust me, it's worse than super libido."

"Would that be called super blue-balling?" Reina snickered.

"Haha. Very funny," Rudy faked his laugh on purpose.

Reina kissed Rudy on the lips and got off his lap. Then, she licked her lips and got on her knees as she said, "So, I guess I will be using my other mouth to suck you dry."

Reina licked Rudy's snake and kissed the tip. Then, she smelled it and said, "It smells so weird. But the scent is making me horny."

"You are talking like you are an expert at giving blowjobs," Rudy scoffed.

"But I am learning! And this is a practice, so I can get better to make you feel better!" Reina retorted.

Rudy slapped his snake on Reina's cheeks and said, "I guess I will have to start a blowjob course."

"Sure. I would like to opt for the VIP blowjob course, please."

Then, Rudy placed his erect snake on Reina's face and scoffed after seeing it was bigger than her face. He slapped Reina's forehead and cheeks with his snake and said, "Open your mouth."

Reina opened her mouth and kept staring at Rudy.

"Take out your tongue."

Reina did as Rudy asked her to do.

"Good. Now, don't close your mouth until I say so."

After saying that, Rudy plunged his snake inside Reina's mouth and began thrusting his hips.

"Try to narrow your mouth if you can," Rudy uttered.

Rudy grabbed Reina's head and increased his thrusting speed.

"Yes.. Like that..." Rudy grunted in pleasure.

Chapter 113: Reina Wants To Be Punished

Rudy watched his snake go in and out from Reina's mouth.

The face Reina was making while sucking Rudy's snake was delighted. Her lips were stopping his snake from escaping her mouth while moving back and forth with her cheeks, and her tongue was moving all around his snake.

Rudy couldn't help but feel excited every time he saw that.

"No matter how many times I see my dick in your mouth, it's never going to get old. Your face when you suck me is just so... cute and hot at the same time that I want to keep my dick inside your mouth all the time."

'You can do that if you want to, except the time I eat food. Or maybe I will eat your cream all day...'
Reina uttered inwardly. Seemingly knowing that Rudy would hear it using telepathy.

"I can't do that. After all, I will have to give it to other girls too," Rudy scoffed softly.

'Am I doing this fine?' Reina asked inwardly.

"Yeah, you are doing great. I think I will cum in no time."

'I can't wait to drink it~'

Normally, one wouldn't be able to talk with his girl while having a blowjob since her mouth will be filled with his snake, but Rudy had no need to worry about that.

'I will clean it well, so Alice can use it later,' Reina remarked.

"You can't be sure of that. I just hope nothing goes wrong when I tell her everything," Rudy uttered with a sigh.

'Don't worry too much. She seems like a nice girl, and I am sure she would react positively.'

Reina increased her sucking speed as she said, 'I was the same as her. In fact, we had no relationship before you told me anything. While you and Alice are childhood friends. You are even lovers, but just not going out. So I think everything will be fine.'

"Or the exact opposite can happen for the same reasons you stated. She committed suicide in my past life after going through a severe depression. What worries me now is that she might feel betrayed when she finds out about my relationship with other girls," Rudy uttered in a disdainful tone.

"Even now, we are on a date, and yet I fucked you and currently getting my dick sucked by you. This can easily be considered as cheating..."

Reina looked into Rudy's eyes while sucking and uttered inwardly: 'Do you regret this?'

"No. Of course, not. If anything, I am glad you are taking care of my libido. Otherwise, I might have done something to Alice or any other girl after seeing hundreds of girls in swimsuits today," Rudy scoffed with a sigh.

'But I didn't do this for you. I did it for myself because I was horny. So don't misunderstand,' Reina said in a haughty tone.

"Yeah, yeah."

After 3 minutes, Rudy shot everything inside Reina's mouth.

"Don't swallow it and don't spit it," Rudy ordered. "Show it to me."

Reina raised her face and showed her cream-filled mouth to Rudy.

"Good. Now slowly swallow it all."

It took Reina 2 minutes to swallow everything, but she did without spilling a single drop.

"How was it?" Rudy asked.

"My jaw didn't hurt. And as for the taste... well, it was delicious," Reina answered with a flushed face.

"You didn't spill it, either." Rudy patted Reina on the head and said, "Good girl."

Rudy activated his see-through ability to check on Alice, and much to his surprise, she was on her way to the pool with food in her hands.

"Uh oh! Good to go."

"Can't you stay?" Reina asked with an innocent look on her face. "I still want it inside me."

"No, you pervert. You should also rest while I am here."

Rudy wore his brief and said, "And yes. My phone had a low battery. Can you charge it for me? It's in your drawer."

"And who will charge me?" Reina asked with a mischievous grin on her face.

Rudy pointed his gaze at Reina's cave that was dripping out his milk and said, "You are leaking with charge."

"Uh, uh!" Reina pointed her finger at the monitor that showed the live footage of the reserved pool.
"Alice has already reached there."

"Whose fault do you think it is?!" Rudy yelled and teleported behind the tree near the reserved pool
Reina watched Rudy and Alice eat together near the bench at the pool.

"I was also hungry a while ago, but now..." Reina placed her hand below her navel and said, "He felt my pussy and stomach, as well as left the taste of his thick cum in my mouth and throat."

Reina took out Rudy's phone from the drawer of the desk and looked at the battery percentage.

"He wasn't lying about that," Reina muttered.

It was at 3%.

Reina glanced around the office to look for the charger and found it plugged in the outlet.

She inserted the cable and turned on the switch.

"..."

Suddenly, she had an evil thought.

"I want to look through his phone...." she muttered.

'I know it's a crime, and it's a bad thing to do, but I am just curious!'

Reina wanted to know more about Rudy, and what could be more easier than looking through his phone?

Deep down, Reina wanted Rudy to catch her, she would punish her again with his stick.

Rudy had corrupted one more innocent girl.

Reina decided to look through Rudy's phone. However, much to her surprise, the phone was password protected.

"..."

"What was I thinking? It's obvious that everyone would have passwords on their phones..." Reina sighed.

She was about to put the phone down and resume her work, but she decided to insert certain numbers to see if it got unlocked.

"Rudy can't be this stupid, but..."

Reina pressed 4-2-0-6-9 as a password, but it didn't work.

"Obviously! Wait... it's saying it's a 6 number password. So I need one more word. What could that be?"
Reina pondered.

Reina added a zero (0) after 9 and the phone got unlocked.

"..."

Esper Harem in the Apocalypse

Chapter 114: Libido Crisis

"No way...!"

Reina couldn't believe that she really unlocked Rudy's phone.

"This was so... cliché..." Reina muttered. "But does that mean I now know Rudy so well that I can even guess his password?"

Reina swiped through the phone and checked the applications installed on the menu.

"The screen is broken, and I am having a hard time using it... How does Rudy use it...?" Reina wondered. "And... why does he have a broken phone in the first place? If he can't afford a new phone, how is he going to help me repay the debt?"

Reina had so many questions, but right now, she wanted to look through Rudy's phone.

'I can't even see the screen properly unless I tilt the phone because of the cracks...'

The first thing Reina opened was the 'Gallery' app, so she could see the photos on his phone.

She clicked on the first image, that had Rudy doing his homework in the library. The photo was taken from a random angle beside him, implying that it was taken without Rudy's permission.

The second photo was the same as the first one, but it was a selfie, and Alice was in it, while Rudy was unaware that his picture was taken.

"Hmm~" Reina hummed in amusement and muttered, "So he trusts her enough to give her his phone."

Reina scrolled to the left and that had a picture of Rudy and Eric. Eric was standing in a pose, while Rudy was standing with an awkward smile on his face. Seemingly, he was forced to take photos against his will.

Reina was certain that this photo was also taken by Alice.

"Who is this other boy with Rudy? His brother? No... they both are wearing the same uniform, so they must be classmates and friends."

"Hmm. He doesn't look bad, but Rudy is stealing the spotlight even when he is not trying to."

Reina scrolled through different photos, but most of them were of Rudy with Eric and Alice. And Rudy wasn't smiling in any of the photos.

"Most of the photos look like a random shot taken. Maybe Rudy doesn't like taking photos?"

After scrolling for a few seconds, Reina found something she had never thought she would.

Rudy was smiling in a picture while standing next to a tall, pretty girl.

'Who is that?! And why is he smiling like that?!'

The girl in the photo had black hair and purple eyes. She was also wearing the same uniform as Rudy, and the photo seemed as though it was taken in the classroom.

"Wait... this girl looks similar to the boy in other photos..."

Reina raised her brows in confusion and muttered, "Could it be that the boy is actually a girl?"

That girl was none other than Erika, Eric's twin sister. She was currently overseas as a transfer student, but she was about to return soon.

Reina scrolled through a few more photos and stumbled across a rare photo, in which Rudy was the one taking a selfie for the first time.

"But what's this place? He is not in his usual school uniform, and the background is dark too. I think this photo is taken from his home."

Reina smiled and moved the phone closer to her lips to kiss it, but she stopped as her eyes widened when she spotted something in the background of the photo.

She squinted her eyes and zoomed the picture to see clearly, but it was dark and blurry.

"I want to assume it's Angelica, but I doubt she can be captured in a photo."

Reina accidentally stroled through while zooming out of the picture, and ended up opening the next picture.

It was the same picture as the last one, but it was much clearer and Reina could easily see the girl behind Rudy.

"Wow! She is so pretty..." Reina was awed after seeing the beauty of the girl. "Who is she?"

"She must be Rudy's sister," Reina concluded.

It was Rebecca. And they were eating dinner in the kitchen without any electricity.

Reina had seen enough photos, so she closed the app in a hurry. But she accidentally opened a browser that already had a tab open.

The phone was connected to Reina's office Wi-Fi, so the site loaded, and a video started with a drumbeat.

Reina's face flushed a little after hearing that as though she recognized the tune.

She let the site load properly because she was curious about the title of the video.

"...!" Reina's eyes widened as she read, "Student-teacher..."

She closed the site and cleared the browser history because she didn't want Rudy to get caught in the future. Then, she placed the phone on the dock and resumed her work.

She wanted to check what Alice and Rudy were doing, but she decided to leave them alone.

'I have already done many bad things today. Let's stop here,' she thought.

Meanwhile, when Rudy and Alice were eating together on the bench near the pool.

"Sheesh, Alice. You bought too much food," Rudy uttered as he unpacked all the food.

"But I thought you would be hungry after swimming so much..."

"Yeah, but it's not good to eat too much before doing any activities. That would just make it worse," Rudy said in a calm voice.

"Is that so? How about drinking?" Alice asked curiously.

"Staying hydrated is good. And drinks like lemon juice could work well with that."

As they were eating, Alice called out to Rudy and opened her mouth.

"Rudy."

"Hmm?"

"Feed me," Alice said with her mouth wide open.

"...!"

Rudy suddenly covered his face with his hands, while in truth he was facepalming himself.

'I just imagined my dick in her mouth!' Rudy rubbed his face in frustration and muttered, "I am the worst."

In his past life, and even in this life, Rudy had never lusted after any girl, except his girlfriend.

However, this was the first time, when he looked at Alice and thought about doing her.

'Are my powers changing me?'

"What's wrong? Feel me~!"

Rudy cleared his mind and threw away all the impure thoughts about Alice. But as soon as he looked at Alice again, he couldn't help but think the same.

Rudy picked up the slice of pizza and fed it to Alice.

Alice grabbed the half-eaten slice from Rudy's hand and said, "Here. You open your mouth too."

Rudy opened his mouth and Alice fed him.

They repeated it until the entire pizza was eaten. But some cheese had remained on the dish.

Rudy wiped it with his finger and he was about to eat it, but he noticed Alice's lips and couldn't help himself.

He inserted his finger with cheese in Alice's mouth and said, "Here."

Alice was a little surprised as Rudy did that without letting her know, but she wholeheartedly sucked Rudy's fingers.

After looking at the face Alice was faking while sucking his finger, Rudy had gone insane.

'I just satisfied my libido not long ago. And it's already over the roof!'

Rudy tried his best to make himself look calm since he could get in trouble if Alice saw his raging boner.

However, the feeling of getting his finger sucked by Alice forced Rudy to imagine how heavenly it would feel if his snake was sucked like that by Alice.

Rudy's snake was hard as a rock, and it was visible through the bulge in his briefs.

'If Alice saw this, she might think I did that on purpose. And judging by her reaction when her top got loose, I think she is not ready for the deed yet.'

Alice tossed the juice can to Rudy with a grin on her face.

Since Rudy wasn't paying attention, she thought he would miss him, and she would make fun of him. But much to her surprise, Rudy caught it even when he was lost in deep thought.

Rudy felt cold in his grasp and realized he was holding a juice can.

"Nice fluke," Alice scoffed softly.

Rudy passed the can back to Alice, and while she was trying to catch it, Rudy slid through and jumped into the pool. He had no other choice to hide his raging boner from Alice.

"...!" Alice furrowed her brows and asked, "What are you doing?"

"I thought we would exchange it like we did that day," Rudy said with a grin on his face.

Alice's face flushed a little after hearing that, but she had made up her mind not to do anything indecent while they were in the waterpark.

"That's not happening!" Alice retorted and tossed the can at Rudy again. "Drink it. I don't want you to get dehydrated."

'I will get blue-balled really hard if I don't do something to calm my libido. I didn't I will be able to control it, but if Alice gets closer to me, I might—'

Rudy's face turned pale when he heard the splashing sound coming from behind him.

He looked back to see Alice closing distance from him.

"What are you doing?" Rudy asked as he backed off.

"Hmm? I am just getting close to you so we can drink together," Alice replied with an innocent look on her face.

"Of course..." Rudy uttered with an awkward smile on his face.

Alice's gaze fell on Rudy's can that was still unopened.

"What's wrong? Why are you not drinking it? Do you want another flavor?" Alice asked in a calm voice with an anxious look on her face.

"No... it's... good..."

Alice felt bad after seeing Rudy acting awkwardly. She thought Rudy was angry at her because she denied his proposal to exchange juices with their mouths.

"Only once..." Alice murmured.

"Huh?"

"We will exchange juices, but only one time," Alice repeated herself and took a sip from her can.

"..." Rudy had never thought he would regret making a move on Alice, but he currently was.

He was cursing his two minutes old self for making that joke.

'What should I do? I can't just refuse her now!' Rudy panicked.

Without wasting any time, Alice wrapped her arms around Rudy and pressed her lips against his lips. She closed her eyes and played with his tongue as she gave him a deep kiss.

However, her eyes suddenly wide opened after feeling something hard poking her private part.

"..."

Chapter 115: Official Relationship

Alice felt something knocking on the entrance of her cave.

She immediately stopped kissing and looked down to see a bulge in Rudy's brief.

"..."

"That's not what you think—"

Alice squinted her eyes and said, "I already know what you are going to say."

"...!"

"You are going to say, 'That's just a biological phenomenon where the blood is gathering down there' or something, right?" Alice asked with a judging look on her face.

"Umm..."

"I may not be smarter than you, but I am still ranked number three in the school, you know?" Alice remarked.

"Alright. But it's not because of the kiss." Rudy shrugged his shoulders and said, "When you sucked my finger earlier, it... well, I got horny."

"Why would you get horny by getting your finger sucked....?" Alice asked with a confused, curious, and innocent look on her face.

'I can't! She is so innocent! I don't want to corrupt her!'

Unlike Reina, who had experience of masturbation before, Alice was truly innocent. She had never watched any kind of adult video, nor ever masturbated thinking about her crush— who was undeniably Rudy.

After she lost her mother, and her father got into depression, Alice had to take care of herself and the house all by herself. She never enjoyed her childhood the way one would normally enjoy. She didn't go on vacation or had family nights together.

Naturally, she never had time for herself, to watch movies, play games, or read novels. She was too busy studying.

Part of the reason was her shy personality, due to which she never talked to anyone other than Rudy and Eric. She never made new friends, not even female friends.

Hence, she never thought of someone other than Rudy.

However, she had recently started watching romantic movies that included kissing scenes, which was also too much for Alice to watch.

"Tell me! Why did it make you hard?!" Alice asked curiously.

"Well..." Rudy averted his gaze to the side and said awkwardly: "I... imagined my... dick in your mouth..."

As Rudy had expected, Alice's face flushed red after hearing that.

She glared at him with teary eyes, but she couldn't do anything. Rudy had imagined something, he hadn't done it yet. And Alice realized that it was a normal thing for a teenager.

"Do you... always think of me like that...?" Alice asked hesitantly while stuttering.

"No. You are like my sis— I mean, you are my childhood friend, and I have never thought of you that way. But now that our relationship has changed, I can't help but lust after you," Rudy replied honestly.

'The cat is already out of the bag, and the damage has been done. So rather than making more excuses and lying about it, I should be honest and tell her everything,' Rudy uttered inwardly.

'And that would also help me know what Alice thinks about making our relationship intimate.'

"Say..." Alice bit her lips and looked into Rudy's eyes before asking, "What is... Our relationship right now?"

"I am glad you asked that." Rudy smiled at Alice and stroked her hair. Then, he asked in a gentle voice, "What do you want it to be?"

"I want to be lovers with you. I want to go out with you. I want to date you. And a few years later, I want to marry you and start a family," Alice said in a calm voice and a beautiful smile on her face.

'If I had paid more attention to Alice's feelings in my past life, maybe things would have ended up differently.'

Whenever Rudy recalled his past life, he was thankful from the bottom of his heart that he got a second chance.

Rudy kissed Alice on the lips and said, "Yes, your highness. All your wishes shall be fulfilled."

Alice looked into Rudy's eyes and puckered her lips, seemingly, she wanted another kiss.

'Things are getting heated, and my libido is going insane!'

Rudy placed his hand on Alice's waist and pulled her closer. Then, he kissed her on the lips.

Alice also wrapped her arms around Rudy's neck and kissed him back.

Both of their bodies rubbed against each other. Sure, they had kissed before like that, but the situation was different here.

Rudy wasn't wearing anything on top, while Alice was wearing a swimsuit that was thinner and revealing compared to her usual outfits she wore every day.

Because of that, Their bodies were making more contact than usual.

Rudy could feel Alice's nipples getting hard while kissing her. And Alice could feel Rudy's snake poking her more and more.

Both of them were in an awkward position, but they were going along with it.

Rudy moved his hand down from Alice's waist to her hips, and squeezed them a little to see Alice's reaction.

He had expected Alice to stop him or push him away since she was being strict about making contact in the waterpark, but much to his surprise, she didn't do anything.

'If you don't stop me now, I am going to do something more pervy...'

Rudy's other hand was on Alice's back, so he moved it to her hips and squeezed them with his both hands.

Now, Alice reacted a little because Rudy was a little aggressive.

Then, Rudy moved his hand further down between Alice's hips, and fingered her from behind.

Alice squeezed and crushed Rudy's hand between her legs and bit his tongue while kissing.

"..."

After the kiss, she stared into his eyes with a judging look on her face, but didn't say anything.

She had realized that they had come far enough and there was no stopping now. Still, Alice wasn't sure about it.

She wanted to make Rudy happy and advance her relationship more than before. Especially when now they both were officially going out.

Thus, she looked into Rudy's eyes with a curious look on her face and opened her mouth to say something Rudy hadn't expected.

"You do... want to put 'it' in my mouth...?"

Chapter 116: One Step Closer

"You do... want to put 'it' in my mouth...?" Alice asked hesitantly with a little flushed face while stuttering.

"Yes," Rudy replied instantly without wasting even a single second or having second thoughts.

"Wow... you didn't even think about it and answered immediately..." Alice commented in a low voice.

"I am just too excited to see that happening..." Rudy scoffed softly and asked, "What about you, though? Didn't you say, 'this is too early for us'?"

"Well... we are officially lovers now. And..." Alice pointed her gaze at the bulge in Rudy's brief and said, "That seems painful to me. Does it hurt?"

"A little yeah. It wants to come out and greet you," Rudy replied with a grin.

Alice glanced around and peeked at every corner, especially the entrance of the area, and then locked her eyes with Rudy. Then, she slowly moved her hand and touched Rudy's snake from outside.

It immediately throbbed.

"...!" Alice immediately retracted her hand and jolted in surprise. "It moved!"

"That's what happens. It's normal," Rudy said in a calm voice.

"How is that normal?! According to what we studied in biology, there is no bone inside, and it gets hard because the blood gets accumulated there. Hence, it's an involuntary part of the body which we can't control at our will," Alice asserted with a confused look on her face.

Rudy scoffed with a sigh and kissed Alice before saying, "You are thinking too much."

"Okay, so... what do I have to do to make you feel good?" Alice asked in a calm voice. "I have to put it in my mouth?"

"First, let's find a suitable spot to do it. And the pool is not the best place for that, especially for the first time."

Rudy pointed his gaze at the bench and said, "Would you be comfortable there?"

The bench didn't have much height, and it was almost impossible for someone to get on their knees to do the deed. So Rudy was planning to place Alice on the bench, and he himself was going to stand straight.

"If someone comes, they will catch us instantly. Can't we go somewhere where we could be seen easily?" Alice wondered.

'We can go to her house, but that would make it seem like I was more into this than the date. And besides, George will be there too,' Rudy uttered inwardly.

"Would you be comfortable doing it while staying in the pool?" Rudy asked.

"Hmm?"

Rudy sat on the ledge of the pool and said, "Like this. 1/3rd of your body will still be in the pool, So..."

"Well, I only need to use my mouth, so I guess I won't be having any problem." Alice shrugged her shoulders and uttered, "I mean, I have no idea how to do this so... it can't get any worse than it already is..."

"Umm..." Rudy wanted to say something to reassure Alice, but he ended up kissing her in the end.

That was the best reassurance he could give to her.

"You know, I am really scared right now, and I feel like crying. But you are with me, so I am not worried. And I know nothing will go wrong as long as you are here," Alice said with a smile on her face.

"..."

"And even if we get caught, I will be okay as long as nothing too serious happens." Alice hugged Rudy and uttered, "I can't describe how lucky and delighted I feel to have this relationship with you. I always wanted to be your lover ever since we were kids. It was just a natural crush, but before I had realized it, it was turned into love."

"As we grew up, I started feeling more and more anxious because you never showed any affection towards me. And after mama died, everything ended."

After a brief pause, Alice continued, "But as they say time is the best medicine. As the time passed, we started talking again. We spent time together and often met, almost daily. However, I was scared to confess my feelings to you. I had already experienced the pain of staying away from you, and I didn't want to feel the same again."

"As I have said before when you kissed me in the park; thank you..."

Alice's words made Rudy realize how thoughtful and anxious Alice was.

'She was the same in my past life. She lived with this pain inside her, and it got worse and worse to the point where she...'

Rudy hugged Alice back and said, "I love you. And I will always love you. I am sorry for not realizing your feelings until now, but I promise you that I will make you the happiest girl in the world."

Alice looked up into Rudy's eyes and said, "I am already the happiest girl in the world, you dummy."

"..."

"Now..." Alice placed her hand on Rudy's snake and said, "Let me greet it."

Rudy pulled down his pants and revealed his snake to Alice.

Alice's eyes widened in shock as she stepped back a little.

"Why... is it so big...?" she asked while stuttering like crazy.

"Well, it's hard because I am horny..." Rudy replied awkwardly.

"No! I know that! That's not what I am talking about." Alice pointed her finger at Rudy's snake and said, "Why is the size so big?! I remember seeing it when we bathed together when we were kids! It wasn't this big!"

"This also grows as our body grows..." Rudy touched Alice's breasts with his feet and said, "I mean... haven't your breasts grown bigger too."

"How am I supposed to suck something so big?!" Alice panicked.

'Her reactions are so cute that I honestly feel like teasing her more...' Rudy thought to himself.

"Come here. I will teach you," Rudy said with a gentle smile on his face.

"First, tell me one thing. Will it hurt me...? I mean, when I put it in my mouth. Will it hurt my mouth?" Alice asked with a judging look on her face.

"Your jaw might hurt a little, but nothing serious."

"You better be telling the truth. Because if I didn't like it, we wouldn't be doing this again, never ever."

"Okay."

Chapter 117: With Alice*

Rudy turned his head to the side and gazed directly at the camera in the center of the room near the reserved pool.

'I don't know if Reina is still watching us, but I would rather keep this private. Reina, I am sorry, but it's interval time.'

Rudy used electrification and jammed the signals passing through the camera.

"What are you looking at?" Alice asked curiously.

"I was just confirming that there is no one around."

"Oh." Alice moved her gaze to Rudy's snake and gulped down.

"You can do anything you want. Just play around with it as if you are playing with a lollipop." Rudy said in a calm voice.

"Hmm." Alice grabbed Rudy's snake and first licked the tip. She made it wet and started sucking it while looking into Rudy's eyes.

"I can't believe this is really happening..." Rudy muttered.

"Hmm?"

"You have no idea for how long I wanted to see my dick in your mouth..." Rudy scoffed.

Alice squinted her eyes and said, "Are you saying that you were perverting on my body and masturbating thinking about me?"

"No. But now that I have seen this scene, I don't think I will be able to ever forget it."

Alice opened her mouth and licked Rudy's snake from all the sides to make it wet. Then, she placed her hands on Rudy's thighs and gobbled his snake in one go.

Of course, she was only able to take half of it in one go. She slowly moved her tongue around it and started sucking in and out.

She sucked Rudy's snake at a slow speed.

Rudy placed his hand on Alice's head and said in a calm voice: "Can you go faster?"

Alice nodded and opened her mouth to take Rudy's snake inside. She first sucked the tip and slowly sucked half of his snake.

"Your mouth is surprisingly small, not going to lie," Rudy remarked.

Alice furrowed her brows and sucked deeper, taking almost Rudy's entire snake in her mouth.

Rudy could feel the tip of his snake hitting the back of Alice's throat, but he didn't force it further and let Alice go at her own pace.

He couldn't help but compare Alice's novice-like fellatio to Angelica's otherworldly blowjob. But he knew that he wouldn't get the same pleasure from any girl other than Angelica as she was the most experienced girl in his harem.

Rudy looked into Alice's eyes and said, "It feels good."

Alice rolled her eyes at Rudy and continued sucking him, seemingly, she thought Rudy said it to make her feel good. She moved her head back and forth, and with every other movement, she used her tongue to rub around his snake.

"Do you really enjoy seeing your dick in my mouth?" Alice asked as she slowly started moving again.

"You have such a cute face, so obviously, I would want to see my dick inside your mouth. You have always teased me with this mouth. So how can I not feel exhilarated when I see you sucking me?"

Alice averted her gaze and spoke in a low voice: "I did that to make you notice my feelings and pay attention to me."

"Not going to lie, hearing 'dick' coming from your mouth in a cute voice feels strange for some reason, but in a good way," Rudy added with a scoff. "I can't wait to teach you more dirty words."

"...."

"Say, can I move your head?" Rudy asked in a calm voice.

Alice nodded and continued sucking Rudy.

'Since it's her first time, I will go easy on her.' Rudy slowly began to move Alice's head back and forth with his hands. After a while, he gradually increased his speed and forced his snake deeper into her mouth.

Rudy could feel the tip of his snake hitting Alice's throat, but this time a little further down.

He looked into Alice's eyes and said, "Tell me if you feel uncomfortable, okay?"

His snake was still in her mouth, and she continued sucking it without replying to Rudy's question, as though she was trying to say she could take it more.

"Well then, I will be a little rough now."

Rudy started moving Alice's head back and forth with a uniform motion, but he also started moving his hips back and forth. He had to make sure not to slip off the ledge, or he would fall into the pool with Alice.

He was thrusting his hips into Alice's mouth while pulling her head back and forth. Then, he increased his speed and started deep throating Alice, but made sure not to force it too much.

Unlike with Angelica and Reina, it was different with Alice; he felt different and more excited.

Rudy met Angelica in his second life and so with Reina, and he didn't know them prior to that. It has only been weeks since he met both of them. But he grew up with Alice, and his prior relationship with her makes the situation more exciting.

Who would feel thrilled by seeing his snake in his best friend or childhood friend's mouth?

After a few thrusts, he was about to cum, so he let go of Alice's head and let her move at her pace. He wanted to leave it to Alice to decide what she wanted to do.

Of course, shooting inside her mouth without letting her know or warning her, especially on her first time, was not a wise thing to do.

"I am going to shoot it in your mouth!"

Rudy let out all his milk into Alice's mouth. After the second shot, Alice's cheeks were puffed because her mouth was full of Rudy's milk.

"You can spill some out," Rudy said in a calm voice.

Alice shook her head and started swallowing it slowly. Rudy's snake was still in her mouth, and she was using her tongue to prod it.

Once Rudy released every single drop of his milk into Alice's mouth, he pulled his snake out and watched Alice with an amused expression on his face.

[Esper Harem in the Apocalypse](#)

Chapter 118: With Alice (ii)

Rudy wanted to see what Alice does with his milk; whether she could spill it out or drink it.

This was Alice's first time, and she had never watched an adult video that would give her the thought of swallowing it, so Rudy was curious to see what Alice naturally does.

Alice chewed on Rudy's milk as though she wanted to savor the taste. Her puffed cheeks eventually turned to normal, and Alice swallowed everything without spilling a single drop out.

"Wow... you really swallowed it all?"

"Huh? Was I not supposed to...?!" Alice asked with an anxious look on her face.

"No, no. My milk is more beneficial than dairy milk, but I was just surprised that you drank it without any instructions. And you didn't spill a single drop either..." Rudy uttered with an amused look on his face.

'Compared to Reina, who spilled some out on her first time,' Rudy uttered inwardly.

"It didn't taste good!" Alice retorted. "It was so sticky and thick! I still think there is some left around my throat."

"You will get used to the taste, and it will become your favorite drink once you keep drinking it," Rudy uttered with a mischievous grin on his face. "That was...hot in many ways."

Alice's face flushed a little after hearing that, as she just realized that doing those things would eventually become an everyday thing for both of them.

Rudy placed his hand on Alice's face and rubbed his thumb on her lips.

Alice squinted her eyes after looking at Rudy's snake and said, "Why is it still hard?"

"It won't calm down until I release my milk a few times," Rudy responded with a grin on his face.

Alice placed her hand on her lips and covered her mouth before saying, "I am not putting it inside my mouth again."

"Why not?"

"My jaw hurts a little. And I am still overwhelmed by what I just did." Alice covered her face with her hands and muttered, "One week ago, I would have never thought I would be sucking your dick."

"Me neither."

"And when I invited you to the pool, I only wanted to spend some time with you. Never in my wildest dream had I thought that it would come to this." After a brief pause, she peeked at Rudy from the gap between her fingers and said, "But I am happy."

"You know, I am so happy right now that I can't describe my happiness in words..." Rudy uttered with a distant smile on his face.

Unlike Alice, who got together with her childhood crush— Rudy, Rudy had already lost Alice once— in his past life— because of his ignorance. And currently, after seeing her in her happiest moment, Rudy couldn't help but feel fulfilled.

He hugged Alice and uttered in a low voice: "I finally saved you."

Rudy hugged Alice out of pure intention, but the situation wasn't pure.

Rudy was naked and sitting on the ledge of the pool, so when he hugged Alice, his snake ended up poking Alice's breasts.

Alice was so freaked out that she missed what Rudy muttered while hugging her.

Rudy's gaze fell on Alice's breasts that were poked by his snake.

"Hey..." Rudy looked into Alice's eyes and said, "Can you..."

"Hmm?"

After a brief silence, Rudy opened his mouth and uttered, "Can you give me a boob job?"

"What's that? According to the name, it's something related to my breasts, but... what do I have to do?" Alice asked with a confused and curious look on her face.

"You put my dick between your boobs and squeeze it. And then you move your breasts up and down..." Rudy explained awkwardly.

"I can't believe people do such things..."

"Can you...?"

"Do I really have to?"

"Yeah. Use your bouncy tits and give me a boob job," Rudy nodded and squeezed her soft breasts with his hands.

"I don't mind but... I have to take my top off..."

"Don't worry. No one will come," Rudy reassured Alice.

"Okay then..." Alice removed her top and covered her breasts with her hands.

"Come on~ Don't hide them. I have been longing to see them...." Rudy groaned softly.

Alice squinted her eyes and said, "You pervert."

"That's like a compliment to me," Rudy scoffed.

Alice slowly removed her hand from her breasts and revealed her soft, marshmallow-like breasts.

"Wow... so these are your..." Rudy's hands automatically moved towards them and squeezed them.

"Mh~ Don't squeeze them so hard..." Alice muttered with a flushed face.

'Not going to lie, I didn't expect Alice's boobs to be this big. They are almost the same size as Reina, if not, a little bigger...'

"Let's start now. It's nearly closing time, and I don't want to leave blue-balled," Rudy scoffed.

Alice placed Rudy's snake between her soft breasts and said, "Like this?"

"Yes, squeeze them a little harder," Rudy instructed. "Press your boobs against each other and crush my dick without mercy."

Alice did as Rudy asked her to do.

She moved them up and down to make the motion slippery.

"It feels fantastic!" Rudy answered and asked Alice to continue.

Without any instructions, Alice gave an awkward boob job. However, after seeing Alice trying her best, Rudy let out a chuckle and stood up from the ledge.

"What... happened?" Alice asked with an anxious look on her face.

"Just trying to make it comfortable for you," Rudy answered.

He carried Alice from the pool and placed her on the bench. Then he adjusted his position and placed his snake between Alice's boobs. Then, he asked Alice to squeeze her boobs even more.

"Like this...?" Alice confirmed as she pressed her boobs from both sides.

"Yes. Now I will move, so all you need to do is keep squeezing them." Rudy began to thrust his hips back and forth at a slow pace. Once Alice had gotten used to it, he increased his speed.

Alice looked up at Rudy's face with a smile on her face and asked, "Does it feel good? I feel weird, in a good way."

"You are doing great. I will increase my speed!"

Rudy began to thrust his hips even faster. The tip of his snake was hitting Alice's lips, so Alice opened her mouth so that the tip would go inside her mouth.

"Nice!" Rudy grabbed Alice's head and pressed it down to suck more of his snake. Alice opened her mouth to suck it whenever he thrust his hips forth.

Alice noticed Rudy's snake was twitching, and she realized that he was about to shoot his milk again. So she started moving her breasts up and down to make it more pleasurable.

Alice kept her mouth open and sucked the tip of his snake with her tongue whenever it entered her mouth.

After a few minutes, Rudy released his load inside Alice's mouth, and she slowly swallowed it after enjoying the taste.

"Well, well. It seems that someone has already taken a liking to my milk," Rudy snorted.

After swallowing everything, Alice cleaned Rudy's snake using her mouth. She looked up at Rudy with an alluring gaze in her eyes and said, "Did I make you feel good?"

"The stuff you drank is the proof that I felt good," Rudy replied in a calm voice.

Chapter 119: Alice Is Innocent

Even after releasing his load two times, Rudy was —obvious— still hard.

When Alice's gaze fell on Rudy's snake, and she noticed it was still hard, she realized Rudy was telling the truth about his snake not calming down until it shot the milk several times.

"Is it normal for it to stay hard like this?" Alice asked curiously with a hesitant look on her face.

"Umm... it's not normal, but..." Rudy didn't know how to explain his super libido to Alice. He still had to explain many things to her.

'I shouldn't go all the way with Alice until I tell her about everything, including the harem. Or she might feel betrayed afterward....' Rudy thought to himself.

"What can I do now to calm it down?" Alice asked with an innocent look on her face.

Rudy couldn't help but chuckle and smile at Alice.

'Even now, she is so worried about me that she is not even considering her own feelings...'

Rudy patted Alice's head and said, "You have done enough."

"But... it still hurts... right...?"

Rudy pinched Alice's nipples and asked, "What about you? Don't you feel weird somewhere?"

Alice's face flushed as she said, "I feel itchy down there."

"Explain in detail," Rudy teased with a grin on his face.

After a brief silence, Alice uttered in a low voice: "After I... started sucking your dick. It's been itching since then, so I don't know what to do."

"Why did you tell me then?"

"What was I supposed to say? I thought maybe my periods arrived earlier than usual or something... This is my first time doing all this stuff, so I don't know how I should feel about this..." Alice murmured.

'She is so cute!'

"Don't worry, it's a normal thing to happen when a girl is horny," Rudy uttered in a calm voice.

"I am not horny!" Alice retorted.

"Oh? Do you not feel like rubbing your pussy with something?" Rudy asked with a grin on his face.

"I do. But that's what happens when you feel itchy on any part of the body. This has nothing to do with horniness," Alice retorted. "In fact, I think I am feeling itchy because I am wearing a swimsuit after a long time, and that too a new one. And We all know that the pools have chemicals, so maybe it's triggering my allergy or something."

Alice didn't want to admit that she was horny. She thought only perverts can become horny in public.

Rudy crouched down and squeezed Alice's breasts as he said, "You are too innocent for your own good."

He then started sucking them one by one while playing with the other breast. He squeezed them, sucked them, and played around with her nipples.

"Nh~"

Alice couldn't hold her moans and ended up moaning.

"Oh? What was that?" Rudy smirked and asked, "Was that also because of allergy?"

"Yes..."

"Is that so? Then let me try to cure it."

Rudy increased his speed and started sucking faster and harder.

Naturally, Alice's moans became frequent, and she moaned every other second. And suddenly, she let out a loud moan.

"Aanh~!"

Alice's body relaxed after the loud moan.

"Did you just come...?" Rudy asked with a curious look on his face.

"I don't know what it was, but I felt like my soul was leaving my body...." Alice uttered while taking deep breaths.

Rudy looked at Alice's sacred place and saw a wet spot.

Sure, Alice's swimsuit was already wet as she was in a pool until a few minutes ago, but after getting out of the pool, it dried up a little. And When Alice orgasmed, her cave flooded out with juice that left a wetter stain.

"Congratulations. You just experienced the first orgasm of your life," Rudy said in a calm voice.

"I don't want to be congratulated for that!" Alice yelled with a flushed face.

"Heh!" Rudy snickered and asked, "Did you feel good when I massaged your boobs?"

"You weren't massaging them! And it didn't feel good!" Alice retorted with the same look on her face.

She had a soft glare in her teary eyes and a flushed face. Everything she said with that look on her face was nothing but pure bliss for Rudy, who was enjoying the new side of Alice.

Rudy looked into Alice's eyes and asked with a knowing look on his face: "Tell me, how did you feel when I said it felt good when you sucked me off?"

"I felt... happy..." Alice answered honestly.

"And how would you have felt if I said it didn't feel good?"

"I would have been... sad..."

"And what you just said when I asked if it felt good or not?"

'And it didn't feel good!' Alice recalled her face.

Her face immediately turned pale after realizing she did something horrible to Rudy without even realizing it.

Of course, Rudy was simply teasing Alice to make her more honest.

When he had confessed to Alice in the park, he had sworn to himself that he would change Alice for good. Being kind and humble was a good thing, but being weak and helpless wasn't.

Rudy wanted to stop Alice from expecting good things from people. He wanted to show Alice that the world was cruel and not everything that happened in the world was not for good.

"I am sorry, I didn't mean it like that! I was just lying to hide my embarrassment!" Alice hugged Rudy and said, "It felt good! No, not just good, it felt heavenly!"

Rudy hugged Alice back and whispered something in her ear that made her blush.

"I will do something even better," he whispered.

"Something that would make me feel even better than that...?" Alice uttered with an amused look on her face. "What can it be?"

Rudy pinched and pulled Alice's cheek and said, "You are so innocent!"

Rudy placed his hand on Alice's sacred place from over the swimsuit, and said, "Time to take it off."

[Esper Harem in the Apocalypse](#)

Chapter 120: First Finger

"No way! That's embarrassing!" Alice immediately placed her hand on her sacred place and said, "I am not showing it to you!"

"I showed you everything to you, right? Now it's your turn," Rudy said with a lewd face.

"I didn't ask you to show it to me. And it's my choice if I want to show my... to you..."

"You what?" Rudy teased.

"My..."

"Hmm?"

"My... pussy..." Alice stuttered.

"Good. Now show it to me," Rudy snorted.

Alice glared at Rudy with teary eyes and said, "No."

"Don't you want to feel better?"

"Well..." Alice averted her gaze and muttered, "Can you make me feel better in a way where I won't have to show you my... pussy...?"

"No."

Alice pondered for a while, and after a brief silence, she slowly removed her hands that were covering her sacred place.

"This is so embarrassing!"

Rudy rubbed his thumb on the wet spot on Alice's swimsuit and asked, "Can I take it off?"

"Hmm..." Alice meekly nodded in response. "But what if someone sees us?"

"This place is already closing time. Did you not notice how there is less noise coming from the other side?" Rudy asked Alice.

"Now that you mention it. The time passed very quickly, didn't it?" Alice wondered. "Not long ago, we were eating lunch on a break, and then..."

"And then you ate my sausage and drank my milk," Rudy added with a scoff.

Alice furrowed her brows and squinted her eyes at Rudy as she said, "You are acting more brazenly than usual."

"I am just excited."

"Anyway, when was the break? I don't remember the exact time."

"Well, there is no time for a break, you know? They just wanted people to get out of the pool and eat to get their stamina back and energize themselves. Also, to make them spend money in the canteen, of course," Rudy stated.

"But what time was it? I think it was around 3 or something. And... now it's nearing closing time. So are we doing this indecent stuff for three hours now?"

"No. You spend around 30 minutes waiting in line. And then we spent around 30 minutes eating. Then we talked and did stuff. So I think the time has passed how it should," Rudy asserted in a calm voice.

"Is that so...? I thought it passed quickly..."

Rudy raised his brow and smirked from the corner of his lips.

After seeing the smug look on Rudy's face, Alice asked, "What's with that look? Are you making fun of me?"

"No. But do you know when one usually says, 'Time has passed quickly'?"

"No..."

"They say it when they are not satisfied, and they want more." Rudy pulled down Alice's swimsuit as she said, "And... I think you want more."

Alice, at first, covered her cave, but she soon removed her hands without Rudy asking her.

Her cave looked fresh and it was shaved.

Rudy rubbed his thumb on the clit and uttered, "Did you shave recently?"

Alice slightly nodded and responded, "I shaved 2 days ago."

"Do you know what this normally means?" Rudy asked Alice.

"What...?"

"It means that the girl shaved it for her lover to do the deed."

"I did not shave it for that!" Alice retorted.

"I am just joking. Don't worry. But it is true, though," he scoffed.

"Shut up and make me feel better!"

"Yes, your highness."

After that, Rudy moved his hand down to Alice's cave and rubbed his thumb on her clit. Then, he slowly inserted his one finger inside her cave and fingered her.

"Anm~" Alice wrapped her hands tightly around Rudy's neck and started moaning.

"How many fingers do you insert when you masturbate?" Rudy asked.

"I am— Amn~ I am not a pervert! I have never done such a thing!" Alice retorted.

Rudy was surprised to hear that.

'When she said 'I have never felt like this before' when she orgasmed, I assumed she didn't orgasm to that level. I never expected her to be a completely innocent girl who has never masturbated before...'

However, he was happy too, because he was the one who took Alice's first orgasm.

Most men never get this chance, as it was almost impossible for a girl to be as innocent as Alice— who has never masturbated or orgasmed before in their entire life.

Rudy inserted his second finger inside Alice's cave and spread them. He widened her cave using his wingers and explored the walls.

"Anh~ Do it slowly~ It stings~"

'I guess two fingers are too much for her currently...'

Rudy took out one finger and fingered Alice's cave with one finger.

"Does it feel better now?" Rudy asked with a grin.

Alice's face flushed even more as her cave started twitching in pleasure.

Rudy increased his fingering speed, and after a few seconds, Alice orgasmed as her cave flooded Rudy's finger with her warm juice.

"Mnh~!" Alice let out a soft and muffled moan.

"..." Rudy pulled out his finger that was wet from Alice's juice and licked it.

"Eww! Don't lick that! It's dirty!"

"You sucked my entire cock and even drank my milk with a happy face. So..." Rudy then inserted the same finger in Alice's mouth and said, "How about you have a taste too."

"Umm!" Alice tried to yell, but she couldn't because Rudy's finger was in her mouth. She glared at him, and it looked as though she was furious at Rudy for doing that to her.

"Are you angry?" Rudy asked with a grin on his face. Seemingly, well aware of Alice's emotions. But he couldn't stop teasing her.

"Say, did it feel good?" He asked without pulling out his finger from Alice's mouth.

Alice nodded without resisting and started sucking Rudy's finger.

"You didn't moan as you did before, though."

"Mmmhh!"

Rudy finally pulled out his finger from Alice's mouth, so she could reply to his comment.

"I held back my moan because I didn't want others to hear it," she responded.

"Maybe I will make you orgasm one more time and—"

RING~ RING!

The bell rang across the water park. Seemingly, it was the last call before the closing of the water park.

"I guess we will have to continue some other time."

Rudy and Alice wore their clothes and went to the area.

Alice went into the locker room to take a shower and wear her clothes.. While Rudy told Alice he was going to the male locker room, he went to Reina's office instead.
