#### Chapter 201: Helping Hand

"Stop joking! Please leave the room!" Rudy insisted, although he was demanding Jane get out of the room.

"I won't! Hmph!" Jane glared at Rudy before turning her face to the side and said, "I was actually considering leaving, but now that you are being a jerk, I won't leave!"

"This is not funny, Jane. Do you want to repeat what happened when I lost my senses?" Rudy reminded Jane of when she nearly got assaulted by Rudy.

"And believe me, I won't pass out this time. You will be in trouble if I end up doing something to you. And I don't think I would regret my actions because you did the same thing not once but twice," Rudy warned her.

"..." Jane glanced at Rudy from the corner of her eyes, but when Rudy caught her, she averted her gaze and didn't say anything in response.

"..." After seeing her stubborn nature, Rudy muttered, "Yeah, you fit to be a princess. Arrogant as fuck."

SIGH!

Rudy wrapped the blanket around his body and got off the bed.

"Where are you going?" Jane asked with a curious yet concerned look on her face.

"If you are not leaving this room, then I will." Rudy started walking towards the door, which was on the other side of the room.

"Heh!" Jane smirked at Rudy and said, "Are you that embarrassed to do it in front of me?"

The corner of Rudy's face twitched after hearing that. He immediately let go of the blanket and stood naked while facing his back at Jane.

Jane licked her lips after seeing that but hid the expression on her face.

Rudy turned around and nonchalantly walked to Jane without any shame.

"I have long thrown away such human emotions," Rudy said in a haughty tone, even though both he and Jane knew he was lying.

Rudy sat on the bed and spread his legs so Jane could have a clear view. He thought if he acted shamelessly and boldly, Jane would get embarrassed and leave the room, but he had no idea that it had the opposite effect.

"What's wrong?" Jane asked while glancing back and forth at Rudy's snake and face. "What are you waiting for? Do you want me to call the maid again to jerk you off?"

"No thanks."

'Why is she still here?! I thought she would run away from the room while yelling after seeing my anaconda!'

Rudy slowly moved his hand towards his snake and grasped it in his palm. Then, he started jerking off.

'I can't remember when was the last time I jerked off like this. All this time, Angelica has been taking care of my libido. But it seems she is still sleeping.'

Rudy was having serious thoughts while beating his meat, which wasn't the correct way to jerk off.

After a few minutes, Jane had closed her distance from Rudy. She was staring at Rudy's snake with an alluring gaze, and she was opening her mouth repeatedly while gulping down.

'Is she getting horny?' Rudy thought to himself.

Rudy continued jerking off, but with no surprise, he couldn't ejaculate.

'Why is he not shooting the white stuff he shot before?' Jane wondered. 'He shot it out last time within a few minutes. Is it because he is doing it by himself?'

Jane finally moved her gaze from Rudy's snake to his face and noticed he was struggling.

"Are you in pain...?" she asked hesitantly.

Rudy let out a short grunt as she said, "Can't you tell that by looking at my face?"

Jane gulped down once again and said, "Can I..."

After a brief pause, she continued, "Do you want me to help you?"

"What can you do?" Rudy asked jokingly and continued jerking.

"I was here when the maid jerked you off. So I know what to do. And honestly, it doesn't seem that hard. I just have to move my hands up and down, right?"

Rudy stopped moving his hand and pointed his gaze at his raging snake. "I don't care about anything, so go ahead and do whatever you want."

Neither of them moved or did anything for a few seconds.

Jane took a deep breath and slowly moved her hand towards Rudy's snake. She didn't look at it directly even though she had been staring at it before, just like a thirsty would look at water and a hungry would look at a loaf of bread.

Jane's hand was around Rudy's snake, but she wasn't touching it yet.

"What's wrong?" Rudy asked with a smirk on his face. "What are you waiting for? Do you want me to call the maid to teach you how to jerk me off?"

He teased her with the same comment she used to tease him earlier, which made her angry.

She clenched Rudy's snake tightly in her grip but opened her hand and let go of it the next second.

'What is that?! It was so hot as though I was touching a rod recently taken out from the furnace! And it twitched too! I could feel his blood pulsating around it! It's almost like it's alive!'

"What's wrong? Is it too 'hard' for the princess to handle?" Rudy asked with a grin.

"I can do it, and I will do it!"

Now that Jane knew how it felt to touch a raging snake bare, she was prepared for it. She once again touched Rudy's snake and felt its warmth.

"Doesn't it hurt?" Jane asked curiously. "Just by touching it, I can feel like it's screaming in pain. I can't believe you were enduring this all this time. And having it rubbing against your pants must be agonizing for you."

For some reason, Jane started pitying Rudy's condition.

"Stop talking and start moving your hand!" Rudy ordered.

"Hmph!" Jane slowly moved her hand, and within a few minutes, Rudy was close to ejaculating.

"It's twitching even more now! Does it hurt more?!" she asked with a concerned look on her face.

"Keep... moving..." Rudy uttered in pleasure.

After a few seconds, Rudy shot his warm milk on Jane's hands, thighs and clothes.

#### **Chapter 202: Awkward Silence Followed by Lust**

"You let out so much again..." Jane said as she looked at Rudy's milk on her hand, thighs, and clothes.

"Now that I think of it, I must have ejaculated when the maid jerked me off."

"Yeah. You shot everything on her face," Jane informed.

"Really...?"

"Yeah," she nodded. "Her entire face was smeared by your white stuff."

"What did she do after that?"

"Nothing. She wiped her face with a cloth and left the room on my order."

"Don't you feel bad for the maid? And what if she tells someone about me?" Rudy asked curiously.

"Actually, I don't understand why you didn't tell Virgil about me staying here."

"What was I supposed to tell him? You were unconscious, and if he had seen me carrying you to my room, he must have thought that I did something to you."

"And that would have been the right accusation. You are the only one at fault here. If you hadn't provoked me, everything would have settled calmly. Not only that, but if you had let me go back to my world, none of this would have happened," Rudy remarked in a slightly annoyed tone.

He was angry and frustrated because he was going to stay away from Rebecca, Alice, and Reina for 15 days. He was worried about Rebecca the most since she used to get anxious about small things.

He wasn't that worried about Alice and Reina as they were aware of Rudy's power, and they knew that nothing would happen to him.

However, Rudy had no idea that Rebecca was the first one to learn about his powers, and even then, she couldn't help but worry about him.

"I am sorry..." Jane uttered in a low voice. "I never apologized for doing that. But I did that for Rias' sake, and I didn't have much time to think about anything, so I did the only thing I thought was right. I know you hate me, but I don't regret doing that."

'She is either stupid or a braided airhead. Well, there is no difference between them, but for how long will she use Rias for her own selfishness?'

"When did I ever say that I hate you?" Rudy asked Jane with a judging look on his face.

"You don't hate me?" Jane asked with a confused and curious look on her face. "That evening, when I came to take Rias back with me, I did so many horrible things to you. I.. nearly killed you. So why are you saying that you don't hate me?"

"You have indeed caused me a lot of trouble in the past, and today too. But I can't hate you for your actions. You didn't do them because you wanted to; you did them because you were ordered to."

"..." Jane stayed quiet and listened to Rudy.

"I am sure even if you had killed me that evening, Virgil wouldn't have cared. But you didn't kill me."

"Because Rias would have hated me if she found out..."

"I know. But that doesn't change anything. Your actions towards me were not for a personal reason," Rudy said calmly. "Don't get me wrong. I still haven't forgiven you for all that. I just don't hate you."

Jane's face flushed like never before.

'What was that?' Jane placed her hand on her chest and thought, 'My heart just skipped a beat for some reason...'

"Furthermore, even today, when you appeared in front of me and realized that I didn't actually remember anything about Rias, you pretended to be Rias. You did that to drive me away to protect me, right?" he asked with a knowing look on his face.

Jane meekly nodded in response.

"So why should I hate you for trying to protect me?" Rudy scoffed softly and smiled gently at Jane.

'It happened again! My heart skipped a beat again! What's happening?!' Jane panicked.

"You didn't reply to my question from earlier."

"Huh?"

"Wouldn't that maid tell Virgil about me? Not that I care even if he finds out that I am still here, in your room, naked... with your hand still grabbing my dick..."

They were having a serious conversation while being in that state.

Jane quickly let go of Rudy's snake and wiped his milk from her hand.

'I kind of regret mentioning that. It felt so good when she was holding onto my dick...' Rudy uttered inwardly. 'Her hand was colder than the ice, which is normal for vampires. And because of my pent-up super libido, my dick had become hot as fuck. So when she touched it, it felt so good and satisfying!'

"You don't have to worry about the maid. She is my personal maid who only serves me," Jane stated while repeatedly glancing at Rudy's snake.

"Oh?"

"Yeah. Rias has a personal maid too. I think she should be in the chamber of the valley right now."

"I see..."

"Yeah..."

"..."

"...."

Both Rudy and Jane stared at each other, but neither of them did anything. There was an awkward silence between them, and it increased as time passed.

However, Jane was still glancing back and forth and forth between Rudy's face and his snake.

"So... have you calmed down...?" she asked awkwardly.

"Umh... no. I usually need to cum at least five times. And now that I have reached the 24-hour limit, maybe I have cum more than ten times," Rudy replied with a sigh.

"That sounds tough," Jane muttered. But after a brief pause, she gulped down and uttered, "Do you want me to jerk you off again?"

"Yes, please!"

Jane gripped Rudy's snake with her fingers and started jerking him off. But even after a few minutes, Rudy couldn't ejaculate.

"Why are you not shooting it out? The last time you released it by this time...." Jane asked hesitantly, feeling a little sad, thinking she wasn't doing it properly.

"I think you might have to do more than just jerking me off..."

[Esper Harem in the Apocalypse](#)

**Chapter 203: The Temptation**

"More?"

"Yes..."

"Okay. What do I have to do?" Jane asked.

'Why is she asking me that? Does she not have any sexual knowledge? Surely, she can't be as innocent as Alice as I could hear her thoughts when we kissed earlier.'

'She mentioned something about her friends telling her how a kiss feels better than bloodsucking. And I am sure they would have also told her other things.'

Rudy glanced at Jane, only to find her staring at him with a curious look on her face.

'I was so lost in the pleasure when she was jerking me off that I didn't read her mind about what she was thinking while doing that. Still, she agreed to help me without asking any questions. Should I ask her to give me a blowjob? But that's a little too much to ask.'

Rudy wanted to get his snake sucked by Jane, but he wasn't sure about it. He was afraid that Jane would get angry and he would end up losing the helping hand.

'I can test how much she is willing to help me and how far she can go. I will start with indirect questions and read her thoughts since she is jerking me off right now.'

"Huh? I thought you would know what to do," Rudy said in a slightly arrogant tone.

"I know what to do. But I don't know what you want me to do!" Jane hissed.

'That's a vague response. But does she truly know what to do, or is she simply bluffing to act cool? She is not thinking anything, so I don't know what's going on in her mind.'

After thinking for a while, Rudy decided to respond indirectly:

"Use your mouth..." Rudy said hesitantly.

There was still a risk even though Rudy gave a vague response. And it was obviously a bold thing to ask, considering Jane was his sister-in-law.

"Okay." Jane nodded and said, "If that's going to help you."

"...!" Rudy was feeling both excited and guilty at the same time. 'Why do I feel like I am seducing her?'

Jane let go of Rudy's snake and walked on her fours to sit beside Rudy.

'Don't make me more horny than I already am!' Seeing Jane walk to him on her fours made him excited.

'Still... I can't believe I will be getting a blowjob for Jane. My dick will be in her mouth... the mouth that insulted me three months ago...'

'I am kind of glad of my super libido. Without it, this wouldn't be happening.'

Jane slowly opened her mouth and moved her face to Rudy's head.

'Huh? Why is she moving her head to my face? You are supposed to go for the other head...'

Jane pressed her lips on Rudy's lips and kissed him.

'Oh! So when I said use your mouth, she thought I was asking her to use her mouth to kiss me...'

Rudy blamed himself for answering vaguely but kissing while being jerked off was better than nothing.

"Do you feel like you will release your stuff soon?" Jane asked.

"Umm.. you will have to do it for a few more minutes. How about you get on my lap and kiss me while jerking me off?" Rudy suggested in a calm voice. He didn't want to get distracted by his main goal, which was to satisfy his super libido.

"Okay..."

Jane stood up and sat on Rudy's lap, but she accidentally touched his snake with her hips while sitting.

"...!"

After sitting properly, Jane started kissing Rudy. She kissed desperately, just like she was kissing him in the chamber.

She had gotten horny before, but all that vanished when Rudy chased after her when he lost his senses. Fear took over her lust, and she forgot about it. However, now that she kissed Rudy again, she was turning wet.

She was so lost in kissing him that she forgot to jerk him off.

'Should I mention it? I should.'

As soon as their lips parted, Rudy pointed his gaze at his snake and said, "You forgot to do the main thing."

"Oh!" Jane exclaimed and started jerking Rudy's snake. But now, she forgot to kiss him.

"Umm... you have to kiss too."

"Right..." Jane kissed Rudy on the lips while jerking him off.

'It's too distracting to do both things at once. When I kiss him, I get lost in the pleasure, and I am unable to do anything else. I shouldn't forget the reason I am doing this. It's all for his sake,' Jane thought, and Rudy heard her.

'Well, I am happy that she is enjoying it too. But things are going to escalate too. I don't want to say this, but... I want to fuck her. I might regret this later, but I don't care about that right now.'

A hot vampire was sitting on his lap, kissing him passionately and jerking him off; how could someone resist the temptation?

'But for that, I will have to take a natural approach and go step by step. I still don't know if she would agree to let me fuck her or not,' Rudy uttered inwardly.

Rudy had no idea that Jane had submitted herself to Rudy long ago, and she was even ready to get r\*ped by him, although she wanted him to be gentle.

After a few minutes, Rudy once again smeared his fresh and hot milk on Jane's hand and thighs.

Jane wiped her hand with the bedsheet and said, "That's three times. Seven more to go."

"Two times..."

"Huh? The maid did once, and I did twice. That's three. Have you lost your sense of thinking again?" Jane asked with a straight face.

"The maid one doesn't count as it was when I was unconscious."

"Oh? Is that how it works?"

"Yes."

"Okay then. Eight more times to go." Jane started kissing Rudy again and continued stroking his snake with her hands, but Rudy stopped her by placing his hand on her shoulders.

"Same technique won't work again. You will have to do something else now."

"Oh..."

'I will make progress step by step and eventually get to the main deed!'

### [Esper Harem in the Apocalypse](#)

#### **Chapter 204: Get On Your Knees**

"So... what do I have to do now?" Jane asked in a calm voice.

'What should I make her do? I don't want to jump to a blowjob. I need something less bold than that.'

As Rudy was thinking about his next wish, his gaze fell on Jane's chest.

"Uhh... you will have to squeeze my dick between your boobs," he said while staring at her breasts.

Jane squinted her eyes and looked at Rudy with a judging look on her face. But after a few seconds, she sighed and said, "You have weird fetishes."

"That's not a fetish, and even if it is, it should be a common fetish between all men," Rudy remarked.

Jane got off Rudy's lap and said, "Can you look that way while I take my top off?"

"Oh?" Rudy smirked at her and commented, "What's this? Is the princess embarrassed?"

"I am a girl!"

"And yet you asked me to masturbate in front of you. Don't you think I also deserve to tease you?" Rudy locked his eyes on Jane's breasts and said, "I will be watching you while you take it off."

"..." After a brief pause, Jane sighed and muttered, "Fine."

"Come on, now. Don't make that annoyed look on your face. I would look at your breasts anyway when you give me the boob job."

"I know that. But it's just... embarrassing. It's my first time showing my naked body to a man," She said in a low voice. "And... I am not confident enough."

'Don't worry. Your figure is perfect! I have been watching your naked body ever since you entered the room.' Rudy wanted to say that to her, but he was saving it for the last.

Rudy used his see-through ability and watched Jane's naked body. That was one of the reasons why his libido started acting up again.

Jane was wearing a royal dress that wasn't much revealing but not covering either. If she took off her dress, she would be in her underwear and stocking, which was definitely more embarrassing. So she decided to unhook the lace from the shoulders and let her dress slip to her stomach. And then used the lace to tie it, so it didn't fall further.

After that, she moved her gaze to Rudy and looked at his snake.

"What's wrong?" Rudy asked with a grin on his face. "You still have to take off your bra."

"I can't believe I am doing all this..." she muttered.

'Am I going too fast? Or should I have asked for something other than a boob job?' Rudy wondered.

Jane moved her hand to her back to unhook her bra, but she couldn't reach her fingers.

"..."

Rudy watched her struggle for one minute and realized that she had never taken her bra off in her life.

"Did your maid always take care of everything?" Rudy asked calmly.

Jane nodded and said, "She does everything from waking me up in the morning to singing me a lullaby at night."

"Sounds like a nice maid."

"But I have been spending a lot of time in your world lately, so..."

'Come to think of it, she spends 15 days in the vampire world and 15 days in my world. That's a little too cruel for a princess.'

'What does she eat when she is in my world? And how does she spend her time? Fifteen days alone in a world where she can't even talk to anyone...'

Rudy smiled at Jane and said, "I respect you."

"What's with you all of a sudden? Are you making fun of me because I am a spoiled princess?" Jane asked with a judging look on her face.

"Argh!" she yelled in frustration after failing to unhook her bra.

"Do you want me to help?"

"..." Jane had no choice but to agree, so she nodded and got on the bed.

'I can just unhook it using my telekinesis, but I want to touch her bare skin...'

Rudy pulled her between his legs and made her sit on his lap again.

"Wha—!"

He hugged her from behind and licked her nape.

"What are you doing?!" he hissed. "I asked you to take off my—"

"Hmm? You also did this to me without my permission. You drank my blood twice, forcefully," he remarked.

"Well..." Jane stopped resisting and let Rudy play with her body. But much to her dissatisfaction, Rudy unhooked the bra and let her go.

'I will leave her desperate, so she yearns for more,' Rudy decided.

Jane turned around and showed him her soft, otherworldly breasts.

"Go ahead and stare as long as you want," she said nonchalantly, but she was feeling a little anxious from behind.

Rudy touched her breasts but didn't squeeze them.

"I don't think you will feel comfortable doing this on the bed."

"Huh?"

"You need to get off the bed and sit on your knees."

"Making a princess get on her knees..." Jane muttered, but she did what Rudy asked her to do.

Jane didn't care anymore and ignored him. She focused on the task at hand even though she had no past experience with this stuff.

She lifted her chest up and buried his snake inside the deep valley between her mountains. Her soft and plump breasts squeezed him tightly inside.

Rudy looked down at her and watched. He appreciated her awkward and inexperienced movements.

"Do it like this," Rudy said.

He guided her, and she learned how to move her chest up and down properly. The tip of his snake would peek out once in a while.

Jane's hot breath blew on it as she tried to please him. She noticed more and more precum coming out. She was feeling happy as it was a sign that Rudy was enjoying it.

Jane moved faster and faster. Her soft breasts squeezed him tightly while sliding in and out smoothly.

"Ah..." Jane couldn't help but moan.

The feeling of his hot snake rubbing between her breasts made her feel wetter than before. It was a weird feeling she had never felt before.

A few seconds later, Rudy shot everything on Jane's face and chest.

## Esper Harem in the Apocalypse

### Chapter 205: Their schemes

"Eww! You shot everything on my face and chest!" Jane yelled while running to the nearest table to grab a cloth so she could wipe her face.

"I honestly don't care about my chest or the rest of the body, but my face is important to me! What if you burn it with your hot seed?!" she hollered.

'Seed?' Rudy couldn't ignore the word he heard from Jane's mouth. 'All this time, she was calling it 'your stuff' or 'white stuff', but now she is calling it 'seed'.

Rudy glanced at Jane to see her wiping her face again and again with the cloth.

'Not going to lie, she fooled me good. I thought she didn't have much knowledge about it since she was using words like that, but she knows them very well. All this time, she was just acting to be an innocent girl, but her tongue slipped as she yelled in anger without caring for anything other than her face. But what would she get by fooling me?'

'Wait... could it be that she was testing me? If that's so.. then I... just fell right into her trap?!' Rudy panicked.

'Come to think of it, it was weird for her to help me in the first place. Why would she even help me with such a thing? She is a princess, for fuck's sake. Why would she care... wait, no. I read her thoughts when we kissed in the chamber, and even a while ago, she said she was feeling good.'

Rudy was even more confused than before. However, he was half right and half wrong.

Jane wasn't indeed as innocent as she was making herself out to be, but she wasn't a full degenerate either. She had sexual knowledge, but that was from the books she read. And she only read them to gain the knowledge as it was a must for her as a princess to have knowledge in every field. So the books didn't have everything mentioned in detail, especially the things Rudy was making her do.

"Seriously! If you are going to shoot it, then at least warn me beforehand so I can move my face away," she uttered with a sigh.

"Are you angry?" Rudy asked with a curious yet calm look on his face. 'She might not help me if I mess this up. So I have to calm her down if she is angry. Otherwise I—'

"No, I am not angry. But your white stuff is hot, and vampires are cold creatures. So your stuff is the same as boiling water for me," Jane responded.

'She is back to 'your stuff' and 'white stuff' again. Perhaps, she didn't realize what she said a while ago. Or maybe she is trying to fool me again. Either way, I will continue with my plan and seduce her.'

"You are right. I should have warned you before, but you were so good that I was lost in the pleasure. And before I could realize it, I had already released my cum," Rudy uttered while acting like a professional.

'I will convince her by talking smoothly. And I am not lying. It truly felt good! My hot dick was getting crushed between her cold breasts!'

Rudy had no idea that his smooth words were earning him brownie points.

"Anyway, that was your third ejaculation. 7 more, and you will feel better," Jane walked to Rudy while smiling at him.

'Her breasts are not small, nor big. And they are bouncing a little as she walks. Dammit! What an amazing sight!'

If Rudy didn't have a boner before, he would have gotten hard after seeing that.

"What are you going to make me do now?"

"Good question..."

'What should I make her do? I still think asking for a blowjob is risky. I can take it slowly as I have seven more chances. Even if I use a blowjob as the 7th or 8th option, I would still have wishes left to ask her to have sex with me.'

Rudy couldn't wait to see his snake inside Jane's cheeky mouth.

'But I wonder what her mouth would feel like. Would it be as cold as the rest of her body? Or warm? When she gave me a boob job earlier, the tip of my cock hit her lips, and that felt so good, dammit! Only I know how I resisted the urge to ram my dick in her mouth.'

'When I kissed her, her mouth felt cold for the first few seconds, but as we exchanged saliva, it got warm. Wait, forget about her mouth. I wonder what her pussy would feel like.'

"Are you okay?" Jane pointed her gaze at Rudy's snake and said, "Your thing has been moving and twitching for some reason."

"Yeah, I am.... Not fine. We should continue as soon as possible," Rudy acted as though he was in pain.

"What do I have to do?" Jane asked with a concerned look on her face.

"Get on your knees and give me a boob job again." Rudy wanted to get his snake crushed by Jane's mountains again.

"Huh? But you said that same technique won't work twice..."

"Hurry!" Rudy yelled in pain.

"Okay!" Jane immediately got on her knees and squeezed Rudy's snake with her breasts.

'Dammit! Why does it feel so good?!'

Jane started moving her breasts up and down while looking into Rudy's eyes.

After a few minutes, Rudy warned Jane, "I am going to shoot soon."

However, Jane didn't stop and continued pleasuring him.

A minute later, Rudy released his load on Jane's face and chest.

"Why...?" Rudy asked.

"My top priority right now is to help you and make you feel good," Jane said with utmost sincerity in her voice.

'She cares more about me than her face?' Rudy thought. 'Now I feel guilty for taking advantage of her.'

Rudy flicked his fingers in the air and removed his milk from Jane's face to show his gratitude.

Jane smiled at him and said, "What is your next wish?"

Rudy was in an illusion, thinking he was slowly seducing Jane. While that was true, Jane was planning the same thing. They both were trying to seduce each other even though they had been aiming for the same thing all along.

#### **Chapter 206: Five More To Go**

'I already used four wishes, and now I only have six left. But the problem is.... I don't know what else to ask her. I have never been a fan of foreplays. Rather, Elise didn't like that as she hated giving me a blowjob, and the handjob was not as pleasurable as others. Her boobs weren't big enough to give a boobjob, so I never asked her. But she would often ask me to finger her while watching movies, but that's the other way around.'

'Here, I am getting foreplayed by her. If it was me pleasuring Jane, I would have made her cum over a dozen times now. I know many techniques to pleasure a woman.'

Rudy was deeply regretting skipping the parts of the cultured videos where women pleased the men.

'I can't ask her for a boob job for the third time, so I guess I will have to go full degenerate mode and ask her to do the other things.'

"Hmm?" Jane stared at Rudy with a curious and innocent look on her face. Seemingly, she was waiting for Rudy's next wish.

"Get on the bed first..."

Rudy jumped on the bed, and Jane followed him. She sat in front of him with her breasts exposed.

'Dammit! I want to squeeze them so badly. I want to suck her erect nipples!'

"Use your hands and stroke my dick like you did in the first round, but I will be sucking your breasts while you do that," Rudy said with a straight face, even though he was dying to suck onto Jane's breasts.

"How would sucking my breasts make you feel good...?" Jane asked with a confused yet judging look on her face.

"Uhh... it's complicated to explain, and we don't have time for that right now, do we?"

"Hmm..."

Jane once again got on Rudy's lap and started stroking his snake with her cold hands. Rudy quietly watched the amused expression on Jane's face, and he couldn't hold the urge to kiss her.

He sealed Jane's lips with his lips and kissed her deeply.

'I was dying to kiss him! But I was afraid to ask him. I am glad he kissed me!' Jane uttered inwardly, but of course, Rudy heard it crisp and clear.

'Rudy continued kissing her and slowly moved his hand towards Jane's chest. He copped the feel and gently squeezed them.

'Mhm...!' She let out a small moan.

'Alright! I have another plan! Instead of seducing her, I will make her horny. I think she got wet before we were kissing. So if I squeeze her breasts and later maybe even finger her, she will get horny, which would increase my chance of fucking her. I will do the same thing she did to me. I would tease her and make her so horny that she would be unable to resist anything. Thus she would be in the same state as I was. This is perfect revenge!'

Even in a moment like this, Rudy never forgave those who messed with him. Truly, making an enemy of Rudy was the worst thing one could do.

After exchanging a few kisses with Jane, Rudy moved his face closer to Jane's breasts and gently licked her nipples.

"Amh~ That tickles," Jane said as she increased the stocking speed out of pleasure.

'Noice! My plan is working!'

Rudy began sucking onto Jane's nipples and used his hand to squeeze her other breast. He made her moan with every breath.

'I can't believe I am using my five years of hard work like this!'

In this past life, After Rudy and Elise started dating, Elis had a small breast complex as they were smaller than what an average girl would have had at her age. So she used padding and never told Rudy about it. Rudy wasn't aware of it until their first time together.

Elise asked him if he was disappointed after seeing the real size of her breasts, but Rudy smartly diverted the topic and said he liked thighs more than breasts or ass— Which was true.

After that day, Rudy always massaged her breasts whenever they were alone to make her breasts big, and they got bigger over the tears. He also fingered her and tried many things to keep her horny all the time.

Rudy did that because Elise was more nerdy than him, while Rudy changed little by little after meeting her.

'It wouldn't be wrong to say that Elise is helping me in seducing Jane.'

"Mhn~! You are being rough. Suck them slowly~ I am not going anywhere," Jane moaned.

Rudy switched from one breast to another and sometimes kissed her on the lips to make her as horny as possible. But that didn't last long as he ejaculated a few minutes later.

"That's five times..." Jane said while looking at Rudy with a desperate look in her eyes.

'I used five wishes, now five remain, and I know exactly what I have to do to get her to submit to me by the end of the 9th round.' Rudy's revised plan was flawless, and if he succeeded, he was surely going to get laid.

Jane puckered her lips and closed her eyes as though she wanted a kiss from Rudy. Rudy moved to kiss her but stopped before their lips could touch.

'I will make her so desperate that she will get infuriated and eventually beg me.'

"Shall we move to the sixth round?" he asked Jane, who was still desperately waiting for a kiss.

After hearing that, Jane opened her eyes and nodded with a disappointed look on her eyes. Rudy was teasing her; however, he was as desperate as Jane. He also wanted to kiss her, but in order to tease Jane and follow his plan, he was punishing himself too.

"What do I have to do now?" Jane asked in a neutral tone.

"Hmm." Rudy gazed between Jane's legs and saw a wet stain.

'Alright. Time to take this to the next step!'

#### **Chapter 207: A Tight Reward**

Jane was sitting on Rudy's lap while facing face to face so Rudy could suck and squeeze her breasts. While it was also easy for Jane to stroke his snake.

However, five rounds had finished, and Rudy wanted to take their play to a serious mode. His top priority was to make Jane so horny that she wouldn't be able to resist the temptation. However, there was a risk, too, so Rudy had to take a slow approach.

"What do I have to do now?" Jane asked again, but her mood was still off as Rudy left her hanging for a kiss and didn't kiss her.

"First, take off your bottom, or whatever you are wearing down there under your dress. Then, sit on my lap, but with your back leaned on my chest, and spread your legs," Rudy uttered in a calm voice.

"What?!" Jane exclaimed loudly. "Why are you asking me to do all that?!"

Even though Jane was aiming for the same thing all along, her plan and approach were different. And every time Rudy made a wish, her plan failed.

"If you don't want to do it, then it's okay," Rudy uttered in a low voice. "I won't force you. I will just suffer alone."

Rudy had already thought of a backup plan if his first plan failed, and that was to make Jane pity him. While that was not something Rudy was proud of but as long it worked out in the end, everything was worth it.

"I will... do it..." Jane muttered with a frustrated face. However, it wasn't as though she didn't want to do it or she was against it. She was simply embarrassed as a normal maiden would.

Jane didn't get up from Rudy's lap, but she turned around and leaned her back on his chest as he had asked her to. Then, he moved her hand under her dress and took off her panty.

"..." Rudy was surprised to see that. "You... weren't wearing anything under the dress?" he asked with a clear shock in his voice.

"After you passed out and I brought you here, the maid jerked you off and left. I also had nothing to do, and the royal members would have felt weird if I was absent from the party. So I changed my dress to a party dress and went to the party. But I wasn't enjoying it— the parties are not my thing anyway— and I was also worried about you—"

Jane paused and corrected herself after realizing she had let her tongue slip again:

"I was only worried because you are my responsibility right now!"

Rudy quietly listened to Jane without passing any comments or remarks like he usually would.

"So I came here to check up on you, and you were awake. You know the rest..."

"So you were wearing such an outfit for the party?" Rudy asked in a little annoyed tone. "Were you trying to impress some male vampires or what?"

Jane turned around with a frowned look on her face and glared at Rudy.

"Sorry..." Rudy apologized without even giving her a chance to say something. He realized that he had said something he shouldn't have.

"For your information, I am wearing stockings, and my dress is long. It was literally dragging on the floor when I walked. So don't you ever say something like that again," she uttered in a solemn voice.

"I was just trying to ease up the mood..." Rudy muttered.

Of course, Rudy also didn't want Jane to be impressing someone else. After all, he considered Jane as his property now.

Jane removed her panty and threw it as far away as possible so that Rudy couldn't see the wet stain on them, but that was useless as Rudy was already aware of it.

Her long dress covered Jane's cave and legs, so she was less embarrassed than she thought she would be.

'He can't see, so I am safe~' she thought and let out a sigh in relief.

However, she had no idea that Rudy could, in fact, see everything using his see-through ability. But currently, his see-through ability could only see through one layer, such as one wall, one person, or one layer of clothes.

So when Rudy used the ability to see Jane naked, he was only seeing through her dress, not her bra or panty. But he had learned a technique to bypass that, and it worked most of the time.

'I simply need to trick my brain into thinking that I reset the see-through ability, even though I didn't. And that would make my brain activate the see-through ability twice and allow me to see through two levels.'

Only Rudy could use his abilities in such things. Although it was more of an evolved version of his see-through ability, Rudy didn't consider it one as the trick sometimes didn't work.

"So what now?" Jane asked in a low voice and thought, 'I can feel the breeze hitting my private parts for some reason!'

"You will have to lift your dress up," Rudy said.

"What?!"

"Now, now. Listen to me first." Rudy hugged Jane from behind and said, "You will have to stroke my did like you have been doing all this time, but if your dress blocks the way, how will you do it?"

"Right..."

Jane stood on her knees and left her dress, but it went down as soon as she sat on Rudy's lap again.

"It's because it's the fury dress..." Jane sighed.

Rudy slowly moved his hand towards Jane's chest and said, "Then how about you take off the dress itself?"

"No way!" Jane yelled and ripped the bottom fury part of the dress. She smiled sarcastically at Rudy and uttered, "Problem solved."

"..." Rudy could now see Jane's stockings on her knees and her bare pale thighs.

'Control. Control yourself, Rudy! This is a challenge to test your temptation. If you pass this challenge, then you will get a tight reward with sweet and sexy moans sprinkled with it!'

Rudy slowly moved his hand down from Jane's breast to her thighs.

"...!" Jane watched as Rudy trailed his finger on her soft thigh before moving it under her dress. "What are you— amh~"

Before Jane could even ask what Rudy was doing, Rudy gently inserted her finger in Jane's wet cave and started fingering her.

#### **Chapter 208: Desperate Jane**

Every man in the world always had one thing in common; it was true no matter how hard he tried to refute it.

They had at least three women they had hots on and wanted to have sex with them, even if they didn't mean it or wouldn't actually do it. It was but a mere fantasy of every man and their deepest desire.

One woman was their sister's best friend, the second woman was their friend's sister, and the third woman was their lover's sister.

Of course, just because they had this fantasy doesn't mean they would do it if they ever got a chance. But that wasn't applicable to Rudy as he was currently fingering his sister-in-law.

"Mhn~" Jane let out another moan.

Rudy was gently fingering Jane using his middle finger and enjoying Jane's moans even though he wasn't using his full finger yet.

'This feels so good~' Jane thought to herself. 'It's much better than when I do it myself~!'

'I knew it! I fucking knew it!' Rudy rejoined inwardly. 'There is no girl who can be as innocent as Alice. She is the only one who doesn't know about masturbation. While Jane was giving me the same vibes, it was all an act from her side to make herself look innocent!.'

"Nh~" Jane moaned and thought. 'But why is he pleasuring me? I should be the one pleasuring him—'

Before Jane could complete her thought, Rudy interrupted her and said, "Why are you not stroking my dick?"

'I will not give her a chance to get suspicious and keep her focused on the pleasure!'

"I was about to do that..." Jane muttered and started jerking Rudy's snake.

'Jane is surprisingly easy to seduce. Or am I just that good? I guess it's a perk of having a harem and knowing different types of girls.'

"Nmh~ Am~"

Jane's moans were bliss to Rudy's ears, but he wanted to bless his eyes too by seeing her face when she moaned.

"Are you comfortable sitting like this?" Rudy asked in a calm voice. He was trying to get Jane into changing their positions so he could see her face.

"Yes... it's— amnh~ it's fine~" she replied while moaning.

"How about you sit sideways as you were sitting in the last round?" Rudy suggested.

"Why...?" Jane asked in a low voice and thought, 'I don't want him to stop fingering me!'

"It would be better that way."

"Okay..."

Rudy lifted Jane and placed her on his lap just as a mother would place her newborn child for breastfeeding. However, here, it was Rudy sucking Jane's breasts.

Rudy was fingering Jane, and Jane was stroking his snake. But Rudy made it even more pleasurable for Jane by sucking her nipples and squeezing her other breast with his other hand.

Once in a while, he would kiss Jane and satisfy her, also keeping her desperate at the same time.

"Amh~" she let out a moan from her mouth.

'Dammit! The face she makes while moaning is so fucking precious! I can't wait to see what type of face she would make when I rail her!'

Just like Jane, Rudy's lust for her was also increasing even though his libido was decreasing with every round. However, Rudy could last all night and all day without getting tired, which was the best and the worst thing about his libido.

'Her pussy is getting wetter and wetter as I finger her. And it has started to twitch too. She is probably about to cum soon.'

"Anh~" she moaned.

'What should I do?' Rudy thought. 'Should I let her orgasm? But if I do that, there are chances that she would no longer feel horny. And that would ruin my grand plan.'

Rudy kept fingering her for a few minutes but stopped when Jane was close to orgasmic. And the desperate look she made when Rudy stopped was priceless.

She was angry, frustrated, annoyed, and desperate at the same time. Truly, orgasm denial was the worst thing a partner could do while playing on the bed.

However, even after all that, Jane kept stroking Rudy's snake and made him cum.

Jane wanted to try because Rudy was teasing her, but even between all the feelings, she was enjoying that.

"That was the sixth. Only four remained," Rudy said to Jane. He smiled at her and continued, "Thank you for helping me out. I am glad that you are here."

Jane's face flushed to her pointy ears, and she averted her gaze.

"Let's move to the seventh round now. Are you ready?" he asked.

Jane placed her finger on her cave and tried to finger herself, but her gaze fell on Rudy's snake, and she stopped.

"I am ready."

"So now... you have to use your mouth..." he said in a low voice.

"Hmm? Do I have to kiss you again? If that's the case, then I would rather prefer what we did just now," Jane said while looking at the overflowing juices coming out of her cave.

"No." After a brief pause, Rudy uttered, "You will have to use your mouth and suck my dick."

"Wha...t?" she asked in disbelief. Her face showed nothing but disgust after hearing that.

'I guess she truly didn't know about a blowjob.'

"Before you say something, sucking a dick is the most common thing between male and female humans. They do it each and every time to pleasure themselves. It's called Oral Sex," Rudy asserted with a gentle smile on his face to make himself look sincere.

"Will that... make you feel good?" she asked reluctantly.

"Yes. That would be the best pleasurable activity out of what we did so far," Rudy replied instantly without even thinking.

"Okay. I will do anything I can do to pleasure you," she said and got off Rudy's lap.

"Uhh... the best way to do it is to get on your knees..." Rudy said awkwardly.

SIGH!

Without saying anything, Jane got off the bed and sat on her knees in front of Rudy.

'Praise the humans or whoever invented blowjob!'

#### **Chapter 209: A Vampire's Mouth\***

Rudy sat on the side edge of the bed and looked at Jane, who was gazing at him and his erect snake.

'I don't know why, but I have always been crazy about blowjobs. Maybe it was because Elise never gave me one, and I longed for it. And if anyone asks me what's my favorite foreplay before sex, I would say 'getting a blowjob' without even thinking twice!'

Rudy got up from the bed and stood in front of Jane, who was on her knees. All this time, she was looking straight at him, but now that Rudy was standing, she had to look up.

Jane's face was reaching Rudy's crotch, and she had to raise her head if she wanted to suck his snake.

Rudy placed his snake on Jane's face and muttered, "Holy..."

Rudy's snake was longer than Jane's mouth, and it was an amazing sight for him.

'I wish I had a phone or camera with me to capture this shot. It's perfect... no, it's a masterpiece!'

Rudy's snake was aligning in the middle of Jane's face. The shaft of Rudy's snake was touching her lips, and it was raised a little because of her nose.

Her red eyes on each side, white silk-soft hairs, pointy ears, and sharp fangs were peaking out of her mouth. Her gothic vampire dress that was ripped from the bottom, her fitting stockings, pale thighs, and her breasts popping out of her dress. Everything looked so gorgeous that Rudy wanted to seize that moment and capture it. He wanted to bury that scene in the deepest part of his brain so that he would never forget it.

"Wha~" Jane let out a playful moan from her mouth after feeling Rudy's hot and raging snake on top of her face. "I stroked it so many times and even squeezed it with my breasts, but I never realized it was this big."

"Try making it wet by kissing it and licking it with your tongue," Rudy said in a calm voice.

Jane gripped Rudy's snake with her hands and kissed the tip. Then, she licked on the sides to make it wet.

"It's so big. I don't think it will fit in my mouth," Jane remarked.

"Don't worry about it. Just suck as much as you can. No need to force yourself. After all, it's your first time," Rudy instructed in a calm voice.

Jane nodded and opened her mouth to suck it. However, she only managed to take the tip in her mouth.

Rudy carefully watched as his snake hit perfectly in Jane's mouth, and her fangs didn't come in a way.

'I was worried about her fangs and thought they would scrap my little brother, but I was worried for nothing,' Rudy sighed in relief. 'And her mouth is warm. Maybe before we kissed so much.'

"Itsh sho biiig~" Jane said with Rudy's snake still in her mouth.

"Heh!" Rudy chuckled and said, "You have to move your head up and down and use your hands to stroke it too."

Jane started stroking it up and down with both hands and used her saliva to make it wet.

She used her mouth to suck it up and down. It had become wet with her saliva, and he could hear a slurping sound coming from her mouth.

Jane also started wrapping her tongue when she sucked out after moving her head back.

After a while, Jane got used to it, and she increased her speed. She was now able to take one-third of Rudy's snake in her mouth. Rudy could see Jane's cheeks bulging when his snake hit the sides.

"You can stop if your jaw hurts," Rudy uttered with a concerned look on his face. "Or your fangs feel uncomfortable."

Jane shook her head and slowly sucked Rudy's snake as deep as she could.

'Dammit! It feels so so good! I can't even describe what I am feeling right now!' Rudy yelled inwardly in pleasure.

'This might be my best blowjob ever! When I got my first proper blowjob from Angelica, I thought a ghost's mouth was the best. But how can it be better than a vampire's mouth?!'

'I want to feel it more! I want to go deeper! I want to deepthroat her cheeky mouth!'

Rudy looked into Jane's eyes to confirm she wasn't feeling uncomfortable, but she seemed to be enjoying sucking his snake.

"Say... can I grab your head and move it?" he asked in an awkward manner to not sound forceful.

Jane nodded and continued sucking Raya.

Rudy knitted his brows and asked, "Are you sure?"

Jane nodded again and relaxed her head.

Rudy placed his hand on Jane's head and gripped it gently.

'Her head is cold, unlike her mouth, which is warm and welcoming...'

'Since it's her first time, I will go easy on her.' Rudy slowly began to move Jane's head back and forth with his hands. But after a while, he gradually increased his speed and forced his snake deeper into her mouth.

Rudy could feel the tip of his snake hitting Jane's throat.

'Wow. She can manage to take half of my snake without any problem.' Rudy was surprised at how fast Jane was learning things.

He looked into Jane's eyes and asked, "Are you okay?"

His snake was still in her mouth, and she continued sucking it without replying to Rudy's question. Seemingly, she preferred continuing sucking his snake rather than replying to him.

"Well then, I will be a little rough now," he said.

Rudy started moving Jane's head back and forth with a uniform motion, but he also began moving his hips back and forth.

He was thrusting his hips into Jane's mouth while pulling her head back and forth. Then, he increased his speed and started deep throating Jane but made sure not to force it too much.

Surprisingly, Jane wasn't choking or gagging onto Rudy's snake. And she never showed dissatisfaction on her face even after getting her mouth fucked.

#### **Chapter 210: Filling Jane's Mouth with White Blood\***

Rudy was flying through the heavens. He was feeling so good that he didn't want to ever stop moving Jane's head onto his snake.

Even though he was being a little forceful, Jane was enjoying it too. She was happy after hearing Rudy's grunts knowing that he was enjoying it too.

Jane had locked her eyes with Rudy, and even though her face was being moved back and forth and Rudy was thrusting his hips in and out, they both were looking into each other's eyes.

The pleasure and the excitement Rudy was feeling were immeasurable.

'She is a vampire, my sister-in-law, a princess, Rias' twins, strong, beautiful, hot, and I don't know what more to say to describe her character. But why am I so attracted to her? Sure, I feel the same way towards Rias and the other girls in my harem, but Jane and I don't have any prior relationship.'

While Rudy was questioning his attraction toward Jane, Jane was wondering the same thing.

'Why? What's so special about him?' she thought while wholeheartedly sucking Rudy's snake. 'He is handsome, charming, not to mention how strong he is, he makes my heart flutter, and I want him to feel good using my body.'

After a few minutes, Rudy stopped thrusting his hips and slowed down.

"I am going to shoot in your mouth. So if you don't want me to do that, you can stop if you want!" Rudy warned Jane.

He looked into Jane's red eyes and released his milk inside her mouth.

"I am cumming!" Rudy let out all his milk into Jane's mouth. After the second shot, Jane's cheeks were puffed because her mouth was full of Rudy's milk.

"You can spill out," Rudy stated.

Jane shook her head and started swallowing it slowly. Rudy's snake was still in her mouth, and she was using her tongue to prod it.

Once Rudy released every single drop of his milk into Jane's mouth, he pulled his snake out and watched Jane with an amused expression on his face.

"Can you open your mouth and show me?" Rudy asked curiously, seemingly wanting to fulfill his long-lost dream of seeing his thick, white cum in a girl's mouth like never before.

Jane opened her mouth and showed him his hot milk that had stained her entire mouth.

'I have seen this scene many times in Angelica's mouth, but it looks better in Jane's mouth.'

Jane chewed on Rudy's milk as though she wanted to savor the taste. Her puffed cheeks eventually became normal, and she swallowed everything without spilling a single drop out.

She did that while gazing into Rudy's eyes.

'So hot, dammit! I want to get a blowjob again!'

"That's seven. Now three remain," Jane said with a seductive smile on her face.

'The last three rounds. I am both excited and nervous at the same time. I have already planned the last three rounds, but I have to make an effort to make them sound convincing. The only reason Jane agreed to a blowjob is that I planned and executed the earlier rounds well. Otherwise, I might not have had the best blowjob of my life.'

Jane grabbed Rudy's snake with her hand and licked the tip with her tongue as she looked into his eyes and asked, "What's next?"

'I want to have a dirty talk with her, but let's not stray from the main goal.'

Rudy patted Jane on the head and said, "You were awesome. I want to do it again."

"Okay~" Jane said cheerfully and started sucking Rudy's snake.

"WAit. Not like this." Rudy jumped and lay down on the bed in a relaxed manner. Then, he looked at Jane and said, "Your knees must be hurting sitting there for so long. Come onto the bed. I will show you another technique."

"Hmm..."

Jane got on the bed and sat beside Rudy with a confused and curious look on her face.

"Not here. Sit on top of me," Rudy said calmly.

"Huh?"

"Just do it."

Jane got up and sat on Rudy's chest.

'Whoa! Her asscheeks are so soft and cold!' Rudy managed to calm himself and said, "Turn around and suck my dick while staying on top of me."

"But wouldn't it be better and more comfortable for both of us if I do it without sitting on top of you?" Jane wondered with an innocent look on her face, unaware of Rudy's master plan.

Rudy grinned at Jane and said, "I have a surprise for you."

"Okay..." Jane turned around while sitting on top of Rudy and then moved forward so she would reach his snake.

She grabbed Rudy's snake with her hand and slowly moved her face towards it to suck on it. But she immediately sat back up and covered her exposed cave. That was Rudy's surprise for Jane and his plan.

She glared at Rudy with a flushed face and opened her mouth to utter something. However, Rudy stopped her by saying:

"Before you say anything, I just want to make you feel good too. Don't you want to feel the pleasure?" Rudy asked in a gentle voice and reminded Jane of the desperate feeling when he fingered her.

"But it's embarrassing. You can see my privates..." she muttered.

"I am butt naked in front of you, and you are worried about me seeing your privates? Don't you think it's only fair and completely fine if you show me your body too? I am not even asking to see you naked, and I am only doing this to make you feel good."

Jane was flustered but convinced too. She removed her hands covering her cave and leaned forward to suck Rudy's snake.

She first grabbed it with her hand and licked all the sides as Rudy had taught her. Then, she kissed the tip and instantly engulfed it in one go.

'I am in heaven again! But now it's time to send Jane there,'

Rudy pulled Jane's thighs and lips back, which resulted in her losing the palace and choking on Rudy's snake.

"...!" Jane's eyes widened in surprise as she felt something warm liking the entrance of her cave.
