Chapter 21: Childhood Friend

YAWN~!

Rudy covered his mouth as he yawned loudly.

After spending his weekend at Eric's house alone with him, he was on his way to school.

Eric's mother was busy with her work because she was opening a franchise of her store in the neighboring city. So she stayed at the hotel at night.

Eric's twin sister was overseas for a semester for the project.

Rudy and Eric spent the nights watching horror movies and playing games. However, Rudy wasn't scared because he had already watched those movies in his previous life.

Talking about the horror story, his pet ghost— Angelica, was sleeping inside his body because she was keeping a watch on Rudy when he was sleeping at night.

Rudy was still having nightmares whenever he slept. That's why he asked Angelica to watch over him and wake him up if he started emitting aura.

As Rudy was walking, someone covered his eyes from behind and stopped him from stepping forward.

"Come on, Eric!" Rudy groaned. "We are not kids anymore. What's with this silly—"

Rudy grabbed the hands on his eyes and noticed it was soft and slim, almost as though it belonged to a girl.

When Rudy turned around, he saw a black-haired girl, blushing and fidgeting.

"...Alice..." Rudy uttered her name.

"I am sorry. I thought I would surprise you, but... you got angry..." she said with a sad look on her face.

"No, I am not angry. I thought it was Eric, and that's how I talk with Eric, and you know it, right?" Rudy asserted in a calm voice.

"I guess..."

Rudy and Alice started walking to school together.

Alice was walking beside him, and she was glancing at Rudy from the corners of her eyes once in a while.

YAWM~!

Rudy yawned again.

"Were you studying till late at night?" Alice asked with a gentle smile on her face.

"Umm... I was at Eric's house, playing games..." Rudy replied with an awkward smile.

"Oh..." Alice was surprised to hear that.

Of course, it was unusual for Rudy to spend his nights playing games instead of studying. That's what he did in his previous life.

"Hey, Rudy..." Alice jumped in front of Rudy and started walking backward without looking back.

"Hmm?"

"If you need help with studying, I can help you anytime, okay?" she said in a calm voice.

"I know."

"And if you need notes or want me to write notes for you, I can do that too..." she said with a little flushed face.

Rudy smiled at her and said, "I know."

"Also, if you ever feel like—"

Alice's shoelaces became undone, and she tripped forward at Rudy. She fell into Rudy's arms embrace, and they ended up hugging even though neither of them was hugging each other.

They stayed like that for a while, as though neither of them wanted to move away from each other.

"I am so sorry!" Alice apologized as she made some distance between them.

"Are you okay?! I am so sorry!" Alice apologized again with an anxious and concerned look on her face.

"Yes, I am okay. What about you? Are you okay?"

"Yes," she nodded.

"You should be careful, you know? What if I wasn't there? You would have fallen down and might have gotten injured," Rudy asserted.

Alice puckered her lips and said, "I will be careful."

She turned around with a bit of a sad look on her face and said, "I will be going first."

After saying that, she hurried over to the school without tying her shoelace.

SIGH!

'I was having mixed emotions after meeting her so suddenly. But I hope I managed to hold them in.'

"I wasn't expecting to meet her so soon," he sighed.

'Who was that? Your future girlfriend?' a voice said in Rudy's mind.

"So you are awake?"

'Yeah. I woke up after receiving a sudden change in your emotions,' Angelica replied.

"Heh," Rudy scoffed after imagining Angelica suddenly waking up from sleep.

'So, who was that girl?' Angelica asked again.

"Her name is Alice," Rudy replied.

'And...?'

"And she is my childhood friend. Well, not really a childhood friend, but we have always been in the same school ever since kindergarten. Our house is also the same way, so we were mostly together."

Rudy looked up at the sky and continued with a distant smile on his face: "Me, Alice, Aric, and Erika. It was a group of four. But it fell apart after we got into high school."

'Now, who is this Erika?' Angelica asked.

"Come on. It's not that hard to guess," Rudy remarked.

'Umm... Eric's twin sister?' Angelica guessed.

"Yeah."

'So...' After a brief pause, Angelica asked, 'Why did you get emotional after seeing Alice?'

"Why are you so curious about all this?" Rudy asked with a slightly annoyed tone.

However, he wasn't annoyed because Angelica kept asking him questions. He was upset because he didn't want to talk about it. It reminded him of his previous life, which he was trying his best to leave behind.

SIGH!

"I am sorry," Rudy sighed. "Alice was... well, after I graduated from the high school, I moved out to the next city because the university fee was less there. Then soon after, I met a girl who later became my girlfriend. I started living together at her apartment because I couldn't afford my own."

'Where did you live before that then?'

"Government help centers. Where they provided food and shelters for poor and homeless people," Rudy replied with a wry smile on his face.

'What happened to Alice? You met her again at your university or something?'

"No... I met her five years later at a get-together in our high school. Everyone had grown up and had girlfriends and all. I also brought my girlfriend there to... well, I wanted to flex too," Rudy laughed.

"And there I met Alice again," he added.

Chapter 22: Right Choices

"There, I met Alice again, but she looked different. She had cut her hair—"

'What's weird about that? Maybe she had an image change or something?' Angelica wondered.

"I thought the same when I first laid my eyes on her. But her skin also looked rough, and her eyes... basically, it looked as though she wasn't taking care of herself," Rudy asserted.

"I wanted to ask her if she has been doing alright, but I didn't. After the party was over, she said she wanted to talk to me alone. I was kind of reluctant because she was acting a little strange, but my girlfriend said I should go."

"So, we went behind the school where we always ate our lunch together. She recalled a few things about the time we were in high school, and we reminisced together. Then suddenly, she said, 'Do you know I have always loved you?'"

"I was totally bewildered after hearing that. I mean, Alice was... is... a school idol, and she is loved by almost the entire campus. And I was only a mob who wouldn't even get noticed by others unless they needed something from me. So her saying I love to me was like god telling the devil to do more evil things."

Rudy was always pessimistic whenever it was about himself. He considered himself as good-for-nothing because he hadn't done anything great in his life. However, he had one chance to change his life, which was stolen from him because he got into an accident. After spending years being crippled and helpless, Rudy's pessimistic nature got even worse. But he wasn't to blame.

'What did you do then?' Angelica asked curiously.

"I honestly thought she was joking or trying to tease me. For your information, Alice has always been like that. She jokes too much and teases me, and that's why I thought she was joking about that too. But..." Rudy bit his lips before completing his sentence.

'But...?'"

"But of course, she wasn't kidding. I told her, 'If you truly loved me, then you should have told me sooner.' as a joke. I said that as a joke, but... I shouldn't have said that."

Rudy kicked a stone near him, which shattered into sand upon impact.

Even Angelica was afraid to ask what happened next.

"One day, when I was giving my final exams at the university, I got a call. My phone was in my bag, so I wasn't aware of it. When I checked my phone after that, I saw a few missed calls from Eric. I thought he was back from overseas, and he wanted to meet me, so I called him back."

"At first, he didn't pick up, so I had to call again. Then, he picked up and told me the news." After a brief pause, Rudy uttered in a disdainful tone: "Alice had committed suicide in her apartment."

After that, Angelica didn't speak a word.

Rudy kept walking to the school with mixed expressions on his face.

After a while, Angelica finally broke her silence and asked, 'Did you blame yourself for her death?'

"At first, I did. But then I became numb to it..."

'But you have a second chance now. You can do it better!' Angelica reassured Rudy.

"Yeah. I am not repeating any of my past life mistakes," Rudy swore to himself. "You know what I learned from my past life, or should I say what I learned as an adult?"

'What?' Angelica asked with a hint of curiosity in her voice.

"Your one choice can change not only yours but others' lives too. Sure, you might think, 'Why do I care about other people's lives?' or 'What does that have to do with me?'. But remember, just like your one choice can affect others' lives, other's one choice can affect your life too," Rudy asserted in a solemn voice.

"Karma is a bitch! And it always bites back! For some, it comes sooner, and for some, it comes late. So always be considerate about others because you never know when or how you end up destroying their lives, and they end up blaming you for it."

'Wow... those were some deep words. But also something obvious...'

"Well, yeah..." Rudy looked at his hands and said, "Ever since I traveled back in time, I thought I got a second chance to live my life better. But it's not only my second chance, I can give a second chance to others too. I can save their lives and protect them from the disaster or the tragic end they met."

'You are already doing it,' Angelica uttered. 'You saved me.'

"..." Rudy didn't say anything in response.

In his previous life, Rudy had never heard of the abandoned tunnel. He assumed it was demolished long ago as his world never had the apocalypse.

Angelica felt guilty for opening up Rudy's old wounds, but it wasn't her fault. She didn't have any memories of her own, so she wanted to know about the others.

'Let's be happy now! We can't go to school in a sad mood.' She tried to cheer up the mood.

"Now that I think about it, it would also be your first time going to school after eight years, right?" Rudy asked with a curious yet calm look on his face.

'Umm...' Angelica pondered for a while and said, "I can't seem to remember anything. Did I go to school before?"

'There are five schools in this town. But I don't know how many schools there were eight years ago.' Rudy placed his hand on his chin and thought, 'If I do some research, I can find out who Angelica truly is and what or who killed her. But should I?'

'If Angelica finds out about herself, I don't know what she might do. I am not afraid of her turning evil or wanting to seek revenge. In fact, if she wants revenge, then I will get it for her. But... what if she passes away after remembering everything?'

Before Rudy could realize it, he had reached the school gate.

He made his way in and entered his classroom. There he was greeted by Eric and Alice.

Chapter 23: [Bonus] Possessed | Teased By The Ghost

"Rudy...."

"Rudy...!"

"Rudy!"

Rize was yelling Rudy's name for a while now, but Rudy wasn't responding. When she walked over to his seat, she found him sleeping with her head resting on his hand.

"...."

Rize glanced at Eric, whose desk was on the left, right next to Rudy's desk. Then, she glanced at Alice, whose desk was on the right.

"Why is he sleeping?" she asked them.

Alice averted her gaze and played dumb. It wasn't as though she didn't want to reply, but she did that so Rudy wouldn't get into further trouble.

While Eric rolled his eyes and said, "Miss, he was at my house last night. He was studying until 5 AM in the morning. Give him a break."

"Is... that so...?" Rize asked with an anxious look on her face.

Rize wasn't angry because Rudy was sleeping in her class, but she was mad because Rudy wasn't paying attention to her.

Rudy and Rize had strange chemistry between them. While Rize was an adult, she knew her boundaries and limitations as a teacher. But mentally, Rudy is basically the same age as her in this life.

She was aware of Rudy's home condition and circumstances, so she didn't try to wake Rudy and let him sleep.

Rize stood there and stared at Rudy with a smile on her face. She forgot that she was in an ongoing class, and all the students were looking at her.

Out of a sudden, Rudy's head slipped from his hand and ended up slamming onto the desk, or so would have happened if Angelica hadn't taken over his body and stopped his face from slamming onto the desk.

Rudy immediately opened his eyes from the shock and glanced around to see Rize had bumped into his desk.

"..." Confused, he raised his brows and asked, "What are you doing?"

Rize stepped back and said, "Nothing."

However, she was lying.

When she saw Rudy's head was about to hit the desk, she tried to stop it by using her hand, but Rudy woke up before that.

Rize tried to dodge the topic and asked, "More importantly, why were you sleeping in my class?"

"Yeah..." Rudy grabbed his head with his hand because it was aching so badly. It always hurt whenever Angelica took over his body or vice versa.

"I was playing games till late at night and didn't realize..." Rudy stopped on his words when he realized he had just dug his own grave. His head was hurting, and he couldn't think straight, so he answered honestly.

"But Eric said you were studying the entire night..."

Rize and Rudy glanced at Eric, and he simply sighed in disbelief.

"I was... studying in a game," Rudy responded with an awkward smile.

Rize looked at her watch and said, "My lecture ends in 10 minutes. Go to the washroom, wash your face, and return within two minutes. If you are even a second late, you have to meet me at the staffroom after the school ends."

Rudy left the room and made his way to the washroom.

"You shouldn't have taken control over my body like that," Rudy muttered. "You know my headaches for 10 minutes after that, and I can't even think properly."

'But your head was going to hit the desk,' Angelica responded.

"I would have preferred that pain, to be honest. And besides, I don't think it would have hurt me at all because I have super strength too. But the desk might have broken on impact," Rudy scoffed.

'I am sorry. I will be careful next time,' Angelica apologized with sadness in her voice.

"No need to apologize. And... thank you for saving me," Rudy sighed. "As I said, my headaches, so I was blurting nonsense. Don't take it seriously."

Rudy wanted to take a piss, so he stood in front of the urinal and unzipped his pants before taking out his snake.

In his past life, Rudy had a favorite urinal that was in the last row, but currently, another student was taking a piss there.

Rudy was about to take a leak, but suddenly, his hand started stroking his snake.

"..."

'So this is what penis feels like...' Angelica uttered.

"..."

'It feels so weird...'

Angelica had taken control of Rudy's hand and started stroking his snake.

Rudy furrowed his brows and asked, "What are you doing?"

'I just wanted to do what the girl was doing in that porno you were watching that day,' she replied and kept stroking Rudy's snake.

'Oh! It's getting hard!'

"..."

Rudy facepalmed himself and thought, 'I can't believe this is happening.'

Rudy glanced to his right and saw that the student was staring at him with a judging look on his face.

"You... talk to your little brother?" the student asked.

"Uh..."

"Don't worry. I talk with him too, but only when I am alone," the student said with a smug look on his face.

'Why the hell is he looking at me with a proud face?!'

'Hey. It got super hard. What do I do now?' Angelica asked curiously.

The student noticed Rudy's right hand was shaking and uttered, "Are you... are you jerking off, bro?"

"..."

"Don't worry. I do that too—"

Rudy turned around and dashed into the cubicle.

"I have got some material with me if you want to use it!" the student yelled from outside.

"No. I am good!" Rudy replied. He was holding off his piss because Angelica wouldn't stop stroking his snake.

Rudy didn't speak a word until he heard the student leave.

Then, his face twitched in anger as he uttered, "Come out."

'Hmm? Isn't it supposed to be 'I am cumming'?' Angelica asked.

Rudy's face twitched even more as he said, "I am asking you to come out of my body."

"Oh! Okay..." Angelica came out of Rudy's body and stood in front of him with an innocent and curious look on her face.

"I can't even get angry if you make a face like this," Rudy sighed and pushed Angelica aside.

Once Rudy had done the deed, he turned to Angelica and said, "Don't ever do that again when I am about to take a leak."

Angelica touched Rudy's crotch with her hand and said, "Take it out. I feel weird for some reason."

'She is horny?!'

Chapter 24: Reasons To Go Harem Route

"I am sorry, but can you say it again?" Rudy asked. "I think I misheard it."

Angelica squinted her eyes and said, "I am feeling your dick from outside, and that's enough to understand what I am trying to say. So stop playing dumb and take your dick out."

Rudy wanted to play dumb, but he failed miserably.

"I don't think I should do that," Rudy uttered and tried to distance himself from Angelica, but they were in a cubicle, so there wasn't much space to move.

"What do you mean?" Angelica asked with a confused look on her face. "I already saw and stroked your dick once."

"That was something else, and this is something else. And besides, you did that without my permission," Rudy retorted.

Angelica frowned her face and grabbed Rudy's snake from the outside.

"Why are you against this?" she asked.

"I can't betray my girlfriend," Rudy said with an awkward smile on his face.

"Oh, please!" Angelica rolled her eyes and said, "You haven't even met her yet. So this can't be considered cheating."

"Well, you are not wrong but still..." Rudy bit his lips and muttered, "This is wrong."

Angelica sighed and grabbed Rudy's head in her hand. She caressed his face and said, "Listen, you have a second chance to live your life differently. Didn't you say you want to save the people who had met bad ends before?"

Rudy nodded in response without saying anything.

"Alice died because you failed to notice her love. She hated herself that she didn't confess to you when she had a chance, and that guilt and self-hate forced her to commit suicide. I don't know who else had met bad ends, but if you can save them by making them fall in love with you, or maybe simply help them. You have to return their feelings and love them back. Otherwise, they will meet the same bad ends."

"..."

"Even with your superpowers," Angelica added.

Rudy pondered for a while and uttered, "I guess you are right. And it wasn't as though I didn't love them. I did like them, but my 'like' never turned into 'love' for any girl other than my girlfriend."

Rudy scoffed softly and said, "You truly are too mature for your age. Or perhaps, I am stupid."

"Putting that aside, I am an adult, and you are a child compared to me..." Rudy covered his face and muttered, "But you are a ghost and technically older than me."

"What's your age-difference limiter?" Angelica asked awkwardly. She didn't know how to phrase her question.

"You are asking how much younger girl I would date? Like the age difference?" Rudy was no different than Angelica when it came to explaining things.

"Yes," Angelica nodded.

"Well, Eric married a girl seven years younger than him. But he met her at the age of 28 and married her at the age of 30, so his wife was 23 at that time. But if you see it from this timeline, he is eighteen right now, and she is only 11."

After pondering for a while, Rudy uttered, "I think I would date a girl with a maximum of 5 years younger than me."

"And you were 23 when you got into the accident, so we shouldn't count the time you spent as a crippled. According to that, a five year younger girl would be 18 years old right now." Angelica was dead set on convincing Rudy to have a harem.

"Why are you so good at convincing people? You must be a school president or a daughter of a politician or something," Rudy remarked.

"Maybe, but right now, I am your pet."

"... my pet?" Rudy stuttered in disbelief.

Angelica nodded with an innocent face.

"Why do you want to be my pet rather than a friend or something more?" Rudy asked with a curious look on his face.

"A pet's life is easy." Angelica scoffed. "They get free food, a free bed, and their master's love. They don't need to work or do house chores. Heck, they don't even need to wipe their own potty. What can be more amazing than that?"

"I don't mind giving you everything you want," Rudy uttered with a grin on his face. "Just ask for something, and I will make it happen."

"Okay. So take your dick out!" Angelica demanded.

"You had to ruin this good moment, huh?" Rudy groaned with a sigh.

Rudy unzipped his pants and stared at Angelica to see what she was planning to do.

"Look how hard it is. It must be painful for him to be trapped under the pants," Angelica said while patting Rudy's snake.

"... just so you know, it belongs to me. So technically, you should be worried about me, not him," Rudy remarked in disbelief.

Angelica started stroking Rudy's snake at a slow pace.

"What are you going to do, by the way?" Rudy asked with a curious look on his face.

"I will do what the girl did in the porno..." Angelica responded in a calm voice.

"She did too many things... though..."

"I will start with sucking it," Angelica replied.

'So... a blowjob...?'

Rudy's snake suddenly twitched. He got excited after realizing that he was going to get a blowjob from a ghost.

"Let me ask you this..." Rudy placed his hands on Angelica's shoulders and said, "Are you sure about this? This is not late to... well, it actually is. But still.."

Rudy sighed and uttered, "You do this type of thing with a person you love."

"Yeah, and I love you," Angelica uttered nonchalantly.

"..."

"Do I need to repeat myself, or you heard it?" Angelica asked with a grin on her face.

"Umm... I am honestly speechless." Rudy shrugged his shoulders and said, "I don't know what to say."

"What about you?" Angelica stared into Rudy's eyes and asked, "Do you love me?"

Chapter 25: [Bonus] A Ghost Girl's Mouth*

"What about you?" Angelica stared into Rudy's eyes and asked, "Do you love me?"

"I do think you are cute and beautiful. And I think I like you too, but... love? I am not sure. I mean, we met a few days ago, and I..."

Rudy sighed and continued, "This headache, my nightmares, superpowers, the tension, and all those thoughts are making me feel sick. I still haven't recovered from my past life trauma, so whenever I see someone from my past life, I get happy and sad at the same time. Give me some time to process everything."

"Don't worry." Angelica licked her lips and moved her gaze to Rudy's snake before saying, "I will make you feel good."

"This will be your first time, so I doubt that," Rudy sneered.

Angelica puffed her cheeks and said, "Don't underestimate the power of a ghost girl in love."

"Oh?" Rudy raised his brows and uttered, "Let's see then."

Angelica crouched down and sat on her knees, but Rudy stopped her.

"What are you doing?"

"Well, I have to sit down to suck it... right?"

"Yeah, but sit on the toilet seat. I don't want you to tire your legs."

Angelica closed the lid of the toilet seat and sat on it.

"I don't feel any pain, other than the pain I feel when I am in your body," Angelica asserted. "But I do feel pleasure and happiness. I wonder why?"

Rudy patted Angelica's head and said, "As long as you are happy. I am happy."

Angelica's face was near Rudy's snake, and he could feel her breath hitting it.

"Your dick is bigger than the man in the porno," Angelica remarked. She stroked his snake for a while until she saw precum coming out of it.

"Can I suck it now?" she asked with an innocent and eager look on her face.

"Go ahead and show me your love," Rudy nodded with a grin on his face.

Angelica opened her mouth and licked Rudy's snake with her tongue.

"Can you taste it?" Rudy asked with a curious look on his face.

Angelica nodded and said, "Yes."

Angelica was a ghost, so she had no need to eat or drink. She could eat and drink if she wanted to, and she would be able to taste it too. However, she mostly tasted the food when Rudy ate.

They shared the same body system, so whenever Angelica was inside Rudy's body. Angelica could feel the pain and feelings through Rudy.

"Tell me if I do it wrong..." Angelica licked the tip of his snake and kissed it.

Then, she started sucking the tip and played with it by rubbing her tongue around it.

'The warmth of her mouth is exactly the same as a real girl's mouth...' Rudy expected it to feel different because Angelica was a ghost. 'Maybe it's because I am the only one Angelica can touch? I gave her a name and shared my power with her, so that can be the reason why she feels like a real person.'

"Am I doing it right?" Angelica asked with the tip of Rudy's snake still in her mouth.

"Yes. Try to take it deeper, but slowly. Go at your own pace," Rudy responded in a calm voice.

Rudy was already feeling good by getting the tip sucked that he could barely stop himself from shoving his entire snake into Angelica's mouth.

Angelica moved her head forth and took half of Rudy's snake inside her mouth.

"Don't push yourself. You are already doing great," Rudy reassured Angelica.

It was Angelica's first time sucking a penis, and no matter what she said, there was no way she would be perfect at it. Rudy didn't want Angelica to feel that she wasn't doing great.

Rudy simply told her the truth that he was, in fact, feeling good from her blowjob even when she hadn't started yet.

Slowly, Angelica started moving her head back and forth while stroking Rudy's snake with her hand.

She had realized that giving a blowjob wasn't as easy as it looked in the porno.

After three minutes, Angelica had gotten used to it, so she started sucking deeper and faster.

Rudy's snake was wet with Angelica's saliva, and he could hear a slurping sound coming from her mouth.

Angelica also started wrapping her tongue when she sucked out after moving her head back. When she looked up at Rudy's face, she felt delighted because he was making a satisfied look on his face.

She wanted Rudy to feel more good, so she tapped on his hand and signaled him to place his hands on her head.

Rudy placed his hands on Angelica's hand and slowly moved her head back and forth.

"Do you want me to...?"

Angelica nodded before Rudy would even ask the full question. She knew what Rudy was going to ask because of the porno where the guy moved the girl's head and took the lead.

"I will first go slowly. You can let me know if you feel uncomfortable." Rudy moved Angelica's head back and forth before adding, "It's your first time after all."

After around a minute, Rudy started thrusting his hips back and forth while moving Angelica's head in sync.

When he thrust his hips forward, he pulled Angelica's head in and he pulled it out when he thrust his hips back.

The pleasure was in sync, and even Angelica had started to enjoy it. She was genuinely happy because Rudy had been careful about moving her head. He was making sure she didn't feel forced.

"I am going fast!"

Rudy was about to shoot out his milk, and the pleasure was at its maximum. He increased his thrusting speed and kept moving Angelica's head back and forth.

Then, he looked into Angelica's eyes and released his milk inside her mouth.

Rudy tried to pull his snake out of Angelica's mouth, but she stopped him and slowly swallowed all of his milk without leaving a single drop behind.

Then, she pulled out Rudy's snake while sucking it out. But she stopped at the tip and played it with her tongue before finally taking it out and kissing it in the end.

Chapter 26: Post Nut Clarity

After taking out Rudy's snake from her mouth, Angelica still kept sucking and kissing the tip to suck every single drop out of his snake.

She ended the blow job with a kiss on the tip. Then, she looked up at Rudy with a grin on her face and asked, "How was it? Did my love reach you?"

"If I be completely honest with you, it was amazing. Even though it was your first time, and you were a little awkward at this, it felt incredible. I want to keep my dick in your mouth for forever," Rudy responded in a calm voice.

"It was the best blowjob I have ever gotten," he added.

Angelica squinted her eyes and asked with a curious look on her face: "So that means I was better than your girlfriend?"

"Well..." Rudy averted his gaze and said, "She never gave me a blowjob."

"Why not?"

"I mean, she did suck me once. But then it triggered her allergies, and she got a throat infection. She also had her braces removed not long ago. And it... it turned into a mess," Rudy sighed. "I always regretted forcing her to give me a blow job."

"Don't worry..." Angelica kissed the tip of Rudy's snake once again and said, "I will suck you anytime."

Angelica stroked Rudy's snake and said, "It's still raging hard."

"Yeah..." Rudy suddenly raised his brows as a thought crossed his mind.

'No, no. That can't be... right?'

Rudy had superpowers. He had super strength, superfast speed, superhuman reflex. In short, everything was super, including his libido.

He had a crazy sex drive that was awakened after receiving his first blowjob in this life.

Angelica licked her lips with a mischievous smile on her face and asked, "It looks like you are going to satisfy many girls in the bed."

"You don't say," Rudy responded with a sigh.

After noticing Rudy's snake had started twitching, Angelica looked at Rudy with an alluring gaze and uttered, "Do you want to fuck me?"

Rudy shrugged his shoulders and said, "Why not?"

"Be gentle..." she said with a flushed face.

"Didn't you say you can't feel pain?" Rudy asked with a knowing look on his face.

"Don't you find it cute when a girl says 'Be gentle' during her first sex?" Angelica asked with a grin on her face.

Angelica took off her skirt and panties but covered her cave with her hand. She might be acting bold all of a sudden, but in truth, she was embarrassed.

She knew that she would have to make the first move if she wanted Rudy to notice her. And fortunately, she succeeded.

"Are we going to have some foreplay?" Angelica asked with a curious look on her face.

"Your pussy is dripping wet. But if you want me to—"

DING~ DONG!

The bell of the lecture ending rang in the entire school campus. However, something else rang in Rudy's ears.

'My lecture ends in 10 minutes. Go to the washroom, wash your face, and return within two minutes. If you are even a second late, you have to meet me at the staffroom after the school ends.'

It was at this moment when Rudy realized that he had fucked up.

His raging hard snake went limp, and his face turned pale as Rize's warning kept ringing in his ears.

Angelica also realized what was happening because she was in Rudy's body when Rize warned Rudy.

Rudy looked down at Angelica and gulped down, while Angelica smiled awkwardly in response and went back inside Rudy's body.

'I am going to sleep,' she said after entering Rudy's body.

SIGH!

"Let's hope that the blowjob was worth it..." he sighed.

Rudy immediately dashed out of the washroom and made his way to the classroom, only to see Rize had already left.

Rudy glanced at Alice and Eric, who simply pointed their gaze at the whiteboard.

He looked at the whiteboard and saw, 'Meet me in the staffroom after school hours end.' written on it.

Rudy looked at Eric with a pale face, while Eric placed his hand on his forehead and threw a salute at Rudy.

"It was nice knowing you."

"We will remember you in our memories," Alice added.

"You guys are horrible!" Rudy groaned.

"Bro! She literally told you to come back within two minutes, and you came after 10 minutes. Like, come on! What were you doing? Getting your dick sucked by a ghost or something?!" Eric remarked.

"..." Rudy covered his face with his hand and sighed, 'That's accurate.'

Suddenly, a boy approached Rudy and placed his hands on Rudy's shoulders.

"Man, you are so lucky to have private time with Rize," he said.

"Hey... Anon..." Rudy greeted him.

Anon was the son of the wealthiest businessman in the town. And obviously, Anon was the richest student in the school.

He came to school in a limo filled with idols and actresses who were in his collection of the girls.

He was on friendly terms with Rudy.

'In my past life, he helped out a lot in my tough times.'

After Rudy graduated from high school and went to university, Eric went overseas to study. He rarely came back during the vacations. And because of different time zones, they never had a chance to talk online properly.

Anon went to the same university as Rudy, and they had selected the same subjects, so most of their classes were mutual.

'He was the one who took me to the mixer even when I denied. He kind of kidnapped me in his car, took me to the clothes shop and bought me new clothes, bought me shoes and everything before taking me to the mixer. And that's where I met Elise, who became my girlfriend afterward.'

Rudy started to reminisce with a smile on his face while looking at Anon.

Anon shot a glance at Alice and Eric and uttered, "I think he has lost it."

"Well, who wouldn't be afraid to face the wrath of Miss Rize," Eric scoffed softly.

Chapter 27: Rize

The school hours ended, and everyone left the classroom to go to clubs or homes.

Rudy, however, was going somewhere else.

He glanced at his right and then at his left, only to see Eric and Alice averting their gazes.

"Wow. You guys are awesome," Rudy said and clapped his hands.

"What do you want us to do?" Eric retorted. "You want us to come with you and sacrifice ourselves?"

Alice clapped her hands and said, "What a friend you are. Trying to save your own skin while sacrificing your friends."

"..." Rudy sighed and thought, 'They are making it sound like I am going on a battlefield.'

Rudy got up from his seat and made his way to the staffroom.

'Now that I think of it, this used to happen quite often in my previous life. Rize always found an excuse to call me and lecture me.'

Rudy scoffed softly and muttered, "Maybe she just wanted to spend time with me."

Rudy reached the staff room and opened the door, only to see it was empty.

"Where did everyone go?" Rudy wondered. "I know that the other staff gets busy at this time because we also have a sports festival coming up in two weeks. But Rize should be here."

"Ahem!" Rize cleared her throat to let her presence known. She was standing behind Rudy.

Rudy moved aside and let Rize enter.

"You have some gall to call me by my name without any respect," Rize remarked.

Rize was a strict teacher, not because she enjoyed doing that. But she was always uptight about everything and kept her feelings locked. She wasn't open to anyone and avoided chit-chatting with the student.

Of course, her personality was like that too. But she wasn't truly a strict person. Rudy knew that because of what happened between him and her in his past life.

"Oh?" Rudy raised his brows and said, "Since when did I start respecting you? You always bully me and use your power and authority over me."

Of course, Rudy was simply trying to tease Rize.

Rize's face turned pale after hearing Rudy's remark. She covered her mouth and said, "I never intended to do such a thing. I only think about your well-being."

"Really?"

Rize nodded in response.

"So... you are saying you do anything that would make me happy?" Rudy asked with a knowing look on his face.

"I didn't say that. I said I would do anything that would help you in your life," Rize retorted.

"Same thing." Rudy shrugged his shoulders and said, "Then how about..."

He looked at Rize's juicy lips and said, "How about you kiss me?"

"...!" Rize's face turned red after hearing that. She had never expected to hear such a thing from Rudy's mouth.

"This is going too far, even as a joke!" Rize uttered in a loud voice. "I can get you a detention for this, you know?"

"But you said you would do anything for me. Was that a lie?" Rudy asked with a judging look on his face.

"Kissing is not going to help you in your life," Rize retorted.

"But what if I get a girlfriend in the future? I will have to be a good kisser to impress her, right?"

"That's..." Rize averted her gaze with a little annoyed look on his face.

Rudy pushed Rize against the wall and said, "Can I kiss you?"

"You can't! We are a teacher and a student!" Rize was trying her best to avoid eye contact with Rudy.

Rudy grabbed Rize's chin and looked into her eyes before saying, "But you are an intern. So it should be okay, right?"

"It's not okay! This is so immoral!" She shouted.

"How? You are just helping me out, right?" Rudy smirked. "You are simply teaching your favorite student how to kiss, right?"

Rize averted her gaze and said, "Who said you are my favorite student?"

"Look me in the eyes and tell me that I am not your favorite student."

Rize looked into Rudy's eyes and said, "You are not my..." Rize once again averted her gaze and said, "That's cheating."

Rudy brought his face closer to Rize's ears and whispered, "So I can kiss you, right?"

"No. What if someone sees us?"

"No one is here. And there are no cameras around." Rudy rubbed his face on Rize's cheek and said, "You can push me back and run out of the room if you don't want me to kiss you. You can even yell and have me punished if you want to."

"..."

"The choice is yours. I am not forcing. However, if you don't stop me, I will take that as a yes and give you your first kiss," Rudy said in a gentle voice.

Rize was embarrassed, but she didn't push Rudy back. She didn't yell or even try to stop Rudy. Instead, she closed her eyes and waited for Rudy's lips to touch her lips.

After seeing Rize's embarrassed face, Rudy chuckled and kissed her on the lips.

Rize opened her eyes as she couldn't believe she was truly kissing Rudy. However, she was too embarrassed to look at him, so she closed her eyes and let Rudy kiss her.

The kiss lasted for one minute, and Rudy tried his best to make it as pleasurable as he could.

After the kiss, Rudy stepped back and looked at Rize with a grin on his face.

"Thank you, Rize," he said in a calm voice with a gentle smile on his face.

Rize was too embarrassed, and she didn't have the courage to look into Rudy's eyes. She turned around and left the staffroom.

However, she returned a few seconds later and glared at Rudy with a flushed face.

"I will start going to the gym next month once the sports festival is over. And after that, I will pay you back for what you did to me today," she asserted.

Rudy licked his lips and said, "I will wait for it."

After saying that, Rize left the room.

Rudy also left the room soon after and headed to his classroom to grab his bag.

'That was too out of character. It didn't suit you,' Angelica remarked.

"It was for a reason..." Rudy replied with a sigh.

"What's her story? I could feel your emotions surging up when you were talking with her," Angelica asked curiously.

"I... had a crush on her in my past life..."

[Esper Harem in the Apocalypse](#)

Chapter 28: Evil Resolution

"Let's be honest, Rize is hot," Rudy stated. "Almost all the students in this school have a crush on her, but because of her strict nature, no one dares to approach her," Rudy said with a soft chuckle. "But I did."

"That's true. Honestly, I also thought she was a scary person, but after seeing her getting red when you mentioned the word kiss, my thoughts on her suddenly changed," Angelica said as she got out of Rudy's body.

"Wait, since how long have you been awake?" Rudy asked with a curious yet calm look on his face.

"I woke up around the time you left for the staff room," Angelica answered. "I felt your emotions and heartbeats rising, so it interrupted my sleep."

Angelica ran around the classroom and said, "So, what's her story?"

"I wouldn't have kissed her if it was some other girl. But Rize is special," Rudy uttered with a smile on his face.

"Yeah, you already said that. Now stop smiling and tell me her story! I am curious!" Angelica demanded.

Angelica was curious to know about others. She herself didn't have any past memories, so she enjoyed knowing about others.

"Let me start from her family background first." Rudy sat on his seat and continued, "She is from a traditional family, so she grew up in a strict environment."

"Now I know the reason why her nature is strict," Angelica remarked.

"She was sent to a female boarding school, and she wasn't allowed to make any friends, not even female friends. She was also prohibited from talking with the boys whenever she returned to her home for vacation," Rudy stated.

"That explains why her face went red. She doesn't have any experience with boys. If she grew up in a strict environment, then most likely, she doesn't have any adult knowledge either," Angelica remarked.

"She actually does. I mean..." Rudy shrugged his shoulders and said, "Girls are perverts too, you know?"

Angelica dodged the topic and said, "Then, what happened?"

"Basically, her parents planned to marry her off once she had finished her high school, but Rize said she wanted to study more. Of course, her parents denied and said they wouldn't pay her fees."

After a brief pause, Rudy continued, "So she got scholarships and completed her higher studies. Her parents didn't like that. They gave her a deadline and told her that she would have to leave everything behind."

"How could someone do that to their own child?" Angelica muttered in disbelief.

"Beats me," Rudy sighed. "Rize's internship ends after six months. After that, she would leave and never return."

"...!"

"In my previous life, I was studying in the town library during my final year of high school. I ran into Rize... or rather, she approached me," Rudy chuckled. "She had become more beautiful in that one year."

"We talked for a while. She also helped me study for the entire day, and then we went home together."

"And then you had lots of sex?" Angelica quipped.

"No..." Rudy furrowed his brows at Angelica and asked, "Why are you acting like a pervert?"

"What else could happen if you run into your crush after a year and spend time together? I just said what I thought might have happened," Angelica shrugged.

"Let me continue..." Rudy sighed. "We were walking to the park while talking, and Rize suddenly said, 'Close your eyes'."

"I closed my eyes, and I felt something soft touching my lips after that," Rudy said with a wry smile on his face. "When I opened my eyes, I saw Rize running off."

Rudy looked at his hand and muttered, "I regretted not chasing after that day..."

"What happened after that?" Angelica asked with a curious yet calm look on her face.

"She got married the next month..."

"Oh..."

"But that's not the problem," Rudy frowned. "She was killed by her husband on their honeymoon. He choked her to death."

"... wow..."

"And you know what's funny?" Rudy gritted his teeth and said, "The husband wasn't charged with any crime."

"Was there no evidence against him?" Angelica wondered.

"No. His fingerprints were all over Rize's neck," Rudy responded in a disdainful tone.

"So.. was he from a rich background or something?"

"Yes. But that's not why he wasn't punished." Rudy bit his lips and said, "He said, 'Rize asked me to choke her during sex, and maybe I choked her too hard.' He was announced innocent because there was

no solid proof. And plus, he was rich, so everything was settled quickly. No one talked about it afterward. Not even the media and everything was taken down from the internet."

"But... what if... he was telling the truth?" Angelica murmured in a low voice.

"Her neck was broken! Who chokes someone that hard?! Even I had done rough play with my girlfriend. And I know how choking works." Rudy took a deep breath and said, "And I wasn't even aware of this incident until after three months of that incident."

"But I swear..." Rudy looked at his hand and formed a fist as he said, "I will crush that motherfucker!"

"Do you know who he is?"

Rudy shook his head and said, "As I said, the matter was settled very quickly, and everything about it was removed. All I knew was her parents sold her off to a rich businessman in a party that will happen six months from now."

Rudy looked at his closed fist and said, "So all I have to do is make Rize fall in love with me in six months and go to that party where she got engaged. There, I will show my wrath to her parents and that shit who killed her!"

"What will you do?" Angelica asked with a curious look on her face.

"You will have to wait for that," Rudy responded with a vicious smirk on his face.

Angelica squinted her eyes and said, "That smirk doesn't suit you."

"You are the one to talk..." Rudy scoffed with a sigh.

Chapter 29: Caught In The Act

Angelica puffed her cheeks, but the reason behind her pouting was different.

"What happened to you?" Rudy asked. "Your face, especially your cheeks, look like dumplings. It makes me want to squish them."

"You kissed Rize, but you haven't kissed me yet," she said while pouting.

"You want me to kiss you?" Rudy asked with a knowing look on his face.

Angelica nodded and said, "The master always gives rewards to his pet when they do something, right? I gave you a blowjob, so I want a kiss as a reward."

Rudy tapped his hand on his lap and said, "Come here."

Angelica finally stopped pouting and jumped on Rudy's lap. Then, she closed her eyes and made a face similar to Rize's. However, Rudy didn't kiss her.

Annoyed, Angelica opened her eyes and saw Rudy grinning at her.

"Kiss me!" she demanded.

"How about you kiss me?" Rudy teased.

Angelica puckered her lips and said, "Fine."

She brought her face closer, but just as their lips were about to touch, Angelica stopped and murmured, "I wonder if this is my first kiss too. What if I had a boyfriend before I died?"

Rudy didn't want Angelica to think about that possibility, so he caught her attention by kissing her on the lips.

Angelica wrapped her hands around Rudy's neck and started kissing him.

Rudy could feel the warmth of Angelica's mouth. He could feel Angelica drinking his saliva and sucking his tongue.

It was Rudy who initiated the kiss, but now, Angelica was controlling it.

She played with Rudy's tongue while sucking his lips.

Rudy was genuinely surprised by how good Angelica was at the kissing. But in truth, Angelica could learn anything by seeing it once. And kissing was easier than giving him a blowjob because it was easy to learn and copy.

When Rudy looked into Angelica's eyes, he could see how happy she was. He tried to stop Angelica so he could take a breath, but Angelica didn't let him go and kept kissing like crazy.

They both were so lost in kissing that they had forgotten about their surroundings. Until... they heard the sound of the classroom door opening.

Angelica was a ghost, so no one could see her. But to normal human eyes, it seemed like Rudy was kissing the air.

Honestly, it would have been less embarrassing if he was caught kissing a girl rather than the air. What's more, the person who opened the door was none other than...

"...Alice..."

However, even when Alice entered the room and saw Rudy, Angelica still kept kissing Rudy because no one could see her. While Rudy struggled to break free, Angelica wrapped her arms even tighter around Rudy's neck.

Rudy somehow managed to push her off and stood up from his seat.

"Hey... Alice... what are you doing here?" Rudy asked with an awkward smile on his face.

"I was... waiting for you..." Alice responded.

Rudy averted his gaze and said, "But your bag wasn't here, so I thought you went home with Eric..."

To Alice, it may look like Rudy was trying to avert his gaze, while in truth, Rudy was glaring at Angelica, who was laughing like crazy at Rudy's current situation.

"No, Eric is practicing for the sports festival," Alice responded. "While I went to the washroom."

"I see..."

"More importantly.." Alice raised her brows and asked, "What were you doing?"

"Uhh... what do you mean?" Rudy tried to play dumb.

"You were like... you looked like you were holding someone and kissing..." Alice rubbed her eyes and asked, "What were you doing?"

'I guess playing dumb won't work...' Rudy uttered inwardly.

"Well, you see.." Rudy opened his mouth and rubbed his tongue on the teeth. "Something is stuck in my teeth, so I was trying to get it off."

"But you could have just used your finger or something..."

"Yeah, I tried to, but I couldn't quite locate the... you know... whatever was stuck in my mouth..." Rudy replied with a shrug.

'I know what was stuck in your mouth,' Angelica snorted. 'It was my tongue.'

"Anyway." Rudy diverted the topic and said, "Shall we go home?"

"Yes," Alice nodded.

On their way, Alice glanced at Rudy and asked, "So, how was it?"

"Hmm?"

"With Miss Rize. She must have yelled at you a lot, right?" Alice asked with a grin on her face.

"Umm... She said she would pay me back for what I did to her. So I guess... I will be getting a punishment soon."

"You should stop picking up with Miss Rize," Alice said with a little annoyed look on her face. "Everyone knows she is extra strict with you."

"Well..." Rudy scratched his finger on the back of his head and said, "I can't do anything if she picks up on me, right?"

Alice didn't say anything in response.

After a while, when they had almost reached Alice's house, Alice stopped Rudy by pulling his sleeves.

"Say, Rudy..." she said with a flushed face. "Are you free this Saturday?"

"Uhhh... kind of? What do you want?"

"There is a new water park opened in the next city. So I was wondering if you are interested..." After a brief pause, she said, "It's okay if you are busy with something."

"No. I am free," Rudy nodded with a smile on his face.

"Great! I will ask Eric too," Alice added.

"How about only two of us go there?" Rudy suggested.

"...!" Alice's face flushed after hearing that. She lowered her head and said, "Okay..."

After that, Alice went home, while Rudy teleported to his room.

Angelica came out of Rudy's body and said, "That was smooth."

"What do you mean?" Rudy wondered as he started taking off his clothes.

"You just set a date with Alice like it was totally normal," Angelica remarked.

"Well, something like this didn't happen in my past life, so I am curious where this leads to," Rudy responded as he pushed Angelica on the bed.

"Umm... what are you doing?" Angelica asked with a confused and curious look on her face.

"You were enjoying yourself back there when I was in a pinch. Now, it's time for your punishment..." Rudy said with a grin on his face.

"Oh?" Angelica spread her arms and legs and said, "Am I supposed to say 'be gentle' here?"

Rudy grabbed his snake in his hand and said, "Time for your punishment."

CREAK~!

At the same time, the door opened.

"Uhh..." Rebecca was standing at the door with her mouth covered with her hand and her gaze fixated on Rudy's snake.

"Dinner... is ready..." she said and ran away.

"..." Rudy glanced at Angelica and muttered, "We need a new house."

[Esper Harem in the Apocalypse](#)

Chapter 30: Strange Anomaly

Rudy looked at Angelica, who was laughing out loud after what had just happened.

"Stop laughing," he said with a furious look on his face.

"Oh? What will you do if I don't stop? Will you 'punish' me?" Angelica quoted the word 'punish' with her finger.

"Ahahaha!" She kept laughing out loud, and she laughed even louder after noticing how Rudy's snake went limp when he saw Rebecca.

Rudy let out a weary sigh and muttered, "I will teach you a lesson one day."

"Sure. I will wait for the day you learn not to get caught by everyone," she snorted.

It wasn't entirely Rudy's fault.

Usually, Rebecca would be at work during these hours. And since Rudy teleported back into his room, he didn't know whether Rebecca was home or not. Moreover, it wasn't even 7 PM, so Rudy wasn't expecting Rebecca to call him for dinner.

As Angelica had mentioned previously, Rudy had super libido. He has been abstaining himself ever since Angelica gave him a blowjob in the cubicle. After that, he couldn't focus on his studies because he was trying his best not to have naughty thoughts. However, Angelica's 'O' face kept flashing before his eyes.

After that, when the school hours ended, he kissed Rize, who was his first crush and his teacher. Then, he kissed Angelica like crazy but got interrupted because he was caught by Alice.

All the events of the day made Rudy so horny that he couldn't care less about checking the house, let alone lock the door—that was broken anyway.

Rudy immediately took out his clothes from the closet and went downstairs to see Rebecca was setting up the tables.

"The food smells nice. What did you cook?" Rudy asked as he filled his lungs with the scent.

"I was thinking of cooking something nice today, so I made your favorite dish," Rebecca replied.

'Thank god, she is acting normally,' Rudy sighed in relief and sat on his chair.

Rudy thought he was safe, but when they were eating together, Rebecca kept glancing at Rudy as though she had to say something.

"Uhh... I will try to fix the lock of the door of your room when I get time this weekend," Rebecca said in a low voice.

"I was changing clothes, nothing else," Rudy tried to defend himself, but it wasn't convincing since Rebecca heard and saw what Rudy had said while grabbing his snake.

"It's fine. You don't have to mention it," Rebecca said. "It must be tiring for you to live with a mother like me."

"What? No... of course not." Rudy shook his head and said, "Why are you saying that?"

"Boys at your age have a nice phone, a personal computer, a television, a gaming set or something. Also, you are a high schooler, so your daily expenses must be high too." Rebecca bit her lips and said, "I am sorry I couldn't give you the happiness like every other parent."

"No... don't say that..." Rudy held Rebecca's hand in his hand and looked into her eyes before saying, "You are great, mom. I can't describe how grateful I am to have you as my mother. I am lucky to have you in my life. So don't worry about all that. I am not interested in those things anyway."

"What..." Rebecca averted her gaze and asked, "What would you do if I wasn't your mother?"

"Hmm? What do you mean?" Rudy asked with a confused look on his face. "Oh! So you are saying 'if' I was born in a rich family or something?"

"Uhh... yes. Something like that," Rebecca sighed wryly.

Rudy kissed Rebecca's hand and said, "As I said, you are the greatest mother of the world, and no one can change that."

Rebecca patted Rudy on the head and kissed him on the cheek. She smiled at him and said, "You have really grown up into a fine man."

"I will become better," Rudy scoffed.

"I was really surprised when you brought a girl home and introduced her as your girlfriend. She was so pretty and..." Rebecca turned to Rudy and asked, "What was her name again?"

"Uhh..."

RING~ RING!

Rebecca's phone rang, so she went to pick it up in the living room.

'You have a girlfriend?' Angelica asked.

"Not that I can remember, no." Rudy pondered for a while and muttered, "My first girlfriend was Elise. And I never dated anyone in my school."

'So, what is your mom talking about?'

"I have no idea. But it seems... this is another anomaly of this world..."

Rebecca turned to the kitchen and said, "Rudy. I have to go for a job!"

"But didn't you promise you won't take a job?"

"It was Elenor on the phone. She needs me to be the cashier in the store for tonight. I can't deny her." Rebecca grabbed her purse and said, "I will be back before morning. Make sure to lock all the doors."

"Okay, mom. Take care!"

Angelica came out of Rudy's body and asked, "Who is Elenor?"

"Eric's mother. She is the owner of many convenience store franchises. She asks my mom for help whenever someone is late on their shift, or they can't make it due to personal reasons," Rudy answered.

"It seems your mother and Eric's mother get along," Angelica remarked.

"Well, they are friends," Rudy replied with a shrug. "But more importantly, we have to find the girl who is supposedly my girlfriend."

Rudy took out his phone and checked the photos, but he couldn't find a picture of a girl other than Rebecca and Alice.

"Well... shit. I don't have a single clue..." Rudy finished eating the food and went into his room to find any lead, but as expected, there was no proof.

"I will ask Eric. If I had a girlfriend, then he must know about it," Rudy stated.

So I want to make some things about Angelica and how her abilities work.

First of all, no one can see her. Her physical form has nothing to do with her being visible or not. Yes, she can choose to show herself to others if she wants to. But currently, she is only visible to Rudy.

Only Rudy can see her. And the only reason Rudy can touch her or Angelica can touch Rudy is that Rudy named her. She technically belongs to him, as Rudy had said. (Even when they couldn't touch each other, Rudy could still see her.)

Second of all, Angelica is living like an alive girl.

Angelica doesn't need to eat or drink, but she still eats sometimes because she wants to feel alive. She can taste food through Rudy's body when he eats, and she can also feel the emotions Rudy feels when she is in his body.

Angelica also breathes and blinks like an alive person. But she only does it because she wants to, not because she needs to.

Third, her body and soul are connected to Rudy. Without him, she wouldn't exist. Rudy is the only reason she is still in this world. She is bound to him, or rather his soul and body.
