Chapter 211: Sixty Nine

It has been around five minutes since Rudy started eating Jane's cave.

"Mnh~" Jane moaned with Rudy's snake in her mouth.

When Rudy first mentioned he wanted Jane to feel good, Jane assumed he was going to finger her again, which was the only pleasure she was aware of.

She had no knowledge of oral sex or foreplay, only the sex. IT seemed the vampires liked to jump right on and do the deed, which was followed and mentioned in the ancient books that were used to give knowledge to the young vampires such as Rias and Jane when they were still young.

So when she realized Rudy was licking her cave, she tried to stop him by saying it was dirty and all the things an innocent maiden would say. But after Rudy showed his skills, Jane couldn't dare to stop him. Not because she was afraid of angering Rudy, but because she didn't want the pleasure to end.

Rudy was having fun teasing Jane using his tongue, but he was worried about making Jane orgasm. The main reason he was trying to pleasure Jane was to leave her desperate in the end, just like she did to him when he was about to leave the vampire world.

Of course, he wasn't angry at Jane anymore. How could he be angry at her after having such a fantastic time with her?

The night was still young, and the party in the royal hall wasn't going to end anytime soon.

Rudy also knew that it was a perfect chance to make a move on Jane. Because sooner or later, Virgil and the other vampires would learn about his presence, and Rudy was worried that he might not get another chance again.

Sure, he would still need to sate his super libido, but he would have to do it alone in the corner of some room or between mountains, which was the saddest thing for a man.

Since Rudy was so good at eating Jane, Jane was having a hard time concentrating on sucking Rudy's snake. But she somehow managed to do both at once.

A few minutes later, Rudy noticed that Jane was about to orgasm soon, so he stopped. Jane was obviously furious at him, and this time she didn't stay quiet.

She stopped sucking Rudy's snake and yelled, "Why did you stop?!"

"Hmm? I feel tired. SuddenlY. Maybe because we are closing to the 10 round," Rudy replied in a calm voice, seemingly trying to make himself look exhausted.

"But..." Jane wanted to ask Rudy to at least finger her cave so she could orgasm, but she didn't want to trouble Rudy. After all, she was the one who was supposed to pleasure Rudy.

Jane was more desperate than before, and her mind was going blank. She was slowly losing her sense of thinking and only cared about the one thing, which was to orgasm.

That was Rudy's second time doing that, and he felt bad this time. He didn't want to torture Jane like that; such things were against his harem policy. But he had no other options.

Of course, if Jane was at a breaking point, he wouldn't care about anything else and try his best to make Jane Orgasm, but she could still endure.

Jane continued sucking Rudy's snake, but it didn't feel like before. To Rudy, it felt as though she was doing this for his sake, and she was no longer receiving any pleasure from sucking him.

A few minutes later, Rudy released everything into Jane's mouth. Rudy expected her to swallow her milk like she did last time, but instead, she spilled it out.

However, she didn't do it on purpose. Their positions were comfortable, and it was hard for Jane to swallow something that was dropping down. When she tried to drink it, she choked on Rudy's snake and ended up coughing everything out.

Rudy didn't know about that, and he thought he had ruined everything.

'Maybe I should have let her cum...' He started doubting his master plan.

When Jane turned around to say something to Rudy, she could see the evident shock on his face.

'What happened to him? Is he feeling so tired that he can't even move?' she thought. 'What should I do? Only two rounds remain now, and if I let him sleep, I will have to start everything from the first round.'

Jane had believed what Rudy had said earlier about the maid. But Rudy had only said that because he wanted to enjoy ten rounds from Jane.

'I don't really mind starting from 10 rounds, but I am sure he is feeling desperate. Just like I am now...'
Jane touched her cave and muttered, "I did something horrible to him without even realizing..."

Rudy smiled at Jane and said, "Shall we move to the 9th round?"

Rudy heard everything Jane thought as their bodies were in contact with each other. And since his worries were clear, he was no longer feeling hopeless.

'There is still a chance, so I better not fuck it up.'

"Are you feeling okay?" Jane asked with a concerned look on her face. "Earlier, you said you were feeling tired, so..."

"Yeah. I am fine. What about you?" Rudy asked curiously. "We have been doing this for hours now, and you are the one who did most of the work. If you are tired, we can take a break."

"No, I am not tired." Jane shook her head and said, "We vampires are full of stamina, and every vampire is at least ten times stronger than usual during the red moon week," she asserted.

'That means she will last longer in bed.' Rudy's excitement kept increasing as they went closer to the tenth round.

"What do you plan to make me do now?" Jane asked with a grin on her face.

Jane was a smart vampire, and her IQ was higher than a normal vampire. She always thought of quick solutions to her problems, no matter the situation.

And even she had already realized what Rudy was trying to do. She was as excited as Rudy was.

Guess what he will ask for in the 9th round. The correct guess will get a shoutout!

Chapter 212: Mission Failed

It was a long night for both Rudy and Jane, but at the same time, it wasn't.

Rudy's libido had sated, and he could manage for another 20 hours without ejaculating, but of course, he wasn't going to reveal that to Jane. After all, they were close to the end game.

Rudy had left Jane desperate in the previous round, and he planned to do the same and leave her hanging. But considering how Jane had sapped in the previous round, Rudy wasn't sure if that was a good idea.

'No matter what happens, I have to keep Jane's horniness at bay so I can sail my ship in her sea. If I fail, the ship will sink.'

Jane was still sitting on top of Rudy, staring at Rudy, seemingly waiting for his next order.

"I am not sure if you would be able to do this, though...." Rudy played a psychology trick.

"I can do everything," Jane said with a proud face. "Just tell me, and you will be surprised."

And the trick worked like a charm.

"Alright, if you are so confident, then I will guide you." Rudy said calmly. "First, stand up."

"Okay..."

Jane placed her feet on Rudy's chest and stood up.

'I... wasn't talking about standing on me. But I am not complaining.'

Rudy had a clear view of Jane's cave, and no man would not want to look at their partner's private parts.

"What now?" she asked.

"Walk backward to my thighs."

Jane slowly stepped back and stopped at Rudy's thighs.

"Now sit down," he said.

"Huh?" Jane gazed down and saw Rudy's erect snake waiting for her.

Jane reluctantly sat on Rudy's thighs and looked at him with a curious expression on her face.

"Now, move forward a little."

Jane did as Rudy asked her to do, and now Rudy's snake was touching the slit of her cave.

"Move more."

Jane moved a little more, and Rudy's snake got crushed under Jane's cave. No, it didn't enter her cave, but it was buried down her hips.

That was Rudy's last order before the tenth and the final round.

"What now?" Jane asked.

'I assumed she would know what to do, but I guess vampires truly weren't fans of foreplays.'

"Move your hips back and forth and crush my dick," Rudy ordered.

Jane didn't understand at first, but she followed Rudy's order.

'Why would he ask me to do something like this? Does this even feel good to him?' she wondered. 'It doesn't feel good to me.'

However, Jane regretted her words after a few minutes.

'What's this? I am only moving my hips back and forth, and yet... How is this feeling better than anything?!' Jane asked herself.

'It feels a lot better than when he fingered me. I said the same thing in the last round, but this time, it feels even better than the previous round! What is this sorcery!'

Rudy couldn't help but chuckle after seeing Jane's reaction. He focused on her breasts which were bouncing as she moved.

'I think I know it now!' Jane finally realized why she was feeling good. 'His dick is rubbing against my pussy, and it's teasing me. Why do I enjoy getting tortured like this?!'

All that wouldn't have worked if Jane's cave wasn't letting out juices to make everything wet and slippery, working as oil or lube, as one would call it.

"Mnh~" It didn't take a while for Jane to start moaning.

'I don't know if she is simply sensitive to all this or in the mood. But to be honest, I don't know what I am trying to say. Because... I am feeling as good as her.'

"Anh~"

Earlier, when Rudy first started to pleasure Jane, Jane was holding her moans and didn't let them out so easily. However, she was moaning shamelessly now without caring for anything. It was as though the only thing she cared about was pleasure.

'Dammit! I didn't know this could feel so good! I am barely managing myself to not let my dick slip inside her thirsty pussy. But wait, even if I do that, I can say it was an accident and continue... no. That would be like a r*pe.'

For Rudy, intercourse without consent was r*pe. Even when he was with Reina or Angelica, he wouldn't penetrate them without their permission.

'I still remember that night clearly...'

In his past life, Rudy was r*ped by someone he respected a lot. Sure, he enjoyed it too, but it was his first time, and he was saving it with someone special. He never mentioned that incident to anyone, not even Elise, when she asked if he was a virgin.

Rudy's relationship with that person didn't change much, but he never went close to her.

'I know she regretted her actions, but...'

"Anh~ Mnh~ Nhm~ Anh~!" Jane's loud moans brought Rudy back to his senses.

'Oh shit!' Rudy was lost in his thoughts, and he forgot about his plan.

Jane started moving her hips virtuously, and her cave juice overflowed.

A few seconds later, Rudy ejaculated, marking an end to the 9th round. However, not for Jane.

'No, no, no!' Rudy wanted to stop Jane, but it was already too late.

"Aanh~!" Jane let out a loud and satisfying moan as she finally orgasmed. She lost all her energy, and she relaxed her body by laying on top of Rudy.

Rudy had no way of knowing how close Jane was to orgasm, but he thought he would realize it after Jane's moans, but he realized it when it was too late.

'The only reason why I suggested all that was to leave Jane desperate at the end of the 9th round, but my plan failed.'

Rudy's dream of having sex with Jane shattered before his eyes. But he didn't give up yet.

'I will make her horny again and fuck her at any cost!'

Rudy pushed Jane to the side and pinned her down. He looked into her eyes and said, "Time for the tenth round."

Chapter 213: Deflowering Jane*

Jane tried to break free from Rudy's grip, but he had overpowered her.

"You are.... hurting me..." she said.

Rudy noticed tears in Jane's eyes and let her go.

'Oh crap! What was I... going to do? And... why? I no longer feel horny, and my libido has been completely sated. I told Jane that the maid round didn't count, but I have officially ejaculated ten times. So...'

Rudy glanced at Jane, who was still on the bed in the same position.

'So why did I feel so...' Rudy covered his mouth to conceal his gasp. 'Don't tell me...'

Rudy gulped down and muttered, "I have fallen in love with her?"

'But how? And when...? Or is it because she looks like Rias? I don't understand. I have never fallen in love with a girl so quickly.'

Rudy had one more thing to worry about.

'Wait... What if it's not love and simply lust? That could explain why I want to fuck her so badly, but I was going as far as...'

Jane poked Rudy's hand and uttered with an innocent look on her face: "What's wrong? There is still one round left, right?"

'This girl... looking at me with such an innocent face and making me crazy...! Her charm is crazy effective! Vampires are scary!'

Rudy once again got on top of Jane and placed his hands on her hands. They both intertwined their fingers and locked their hands, so even if one of them let go, the other would still be grabbing their hands.

They both looked into each other's eyes and smiled. But neither of them knew what was going to happen next.

Rudy's plan had felt, and Jane seemed satisfied with her orgasm from a while ago.

Jane moved her gaze to Rudy's snake, which was poking the entrance of her cave, but she didn't say anything. She had left everything to Rudy to decide what to do next.

'She is wet as fuck. If I force my dick in, it should penetrate her without any problem. But how do I get confirmation from her without asking her directly?'

Unlike everything Rudy made Jane done so far, Jane had knowledge about sex, and she knew why the two opposite sex indulged in such activities.

There was no fooling Jane, so even if Rudy asked her directly or indirectly, Jane would know about it.

In the end, Rudy decided to repeat the 9th round with him at the top. He rubbed his snake against Jane's cave and continued doing it until he heard Jane's moan.

'Yes! I managed to get her horny again! If I continue just like that and leave her—'

Suddenly, Jane wrapped her legs around Rudy's waist and pulled him closer, and that resulted in the tip of his snake entering Jane's cave.

"...!" Jane's eyes widened as she realized what she had done. Her body froze, and she was both scared and nervous at the same time.

Now, everything depended on Rudy. He could just push it further and blame everything on Jane or continue what he was doing so far.

He decided the latter and kept rubbing his snake at the entrance of Jane's cave. However, now that the snake's head had entered the cave once, it was trying to go there again and again.

"Nhm~ Mnh~" Jane's moans became louder and more frequent, which was the sign that she was about to orgasm soon.

Rudy stopped and stared at Jane's face to see her reaction. And as he had expected, she looked desperate and angry at the same time.

Rudy took the opportunity to kiss her lips and make her more desperate.

"Mnh~"

After the kiss, Rudy let go of Jane's hands, but Jane gripped her fingers tighter, seemingly trying to stop Rudy.

Rudy couldn't help but chuckle after that and kiss her again.

"Say, Princess..." Rudy looked into Jane's eyes and asked, "Would you give me the honor to deflower you?"

Jane's face flushed a little, but she nodded meekly as a yes in response.

'Yes! I did it! I fucking did it!'

Without wasting even a single second, Rudy penetrated Jane's wet cave, but only half of his snake managed to get in at once.

'She is so tight! I feel like my dick will snap into two if I push it deeper.'

Rudy looked at Jane's face, only to find her staring at him with a desperate look on her face.

'No sign of pain. That's good. I will try pushing it deeper.'

Rudy slowly pushed his snake even deeper and thrust his hips forward in the last to plug her cave.

"Aaanh~!" Jane pierced her claws into Rudy's hand, and they started bleeding.

However, Rudy showed no sign of pain and enjoyed the orgasmic look on Jane's face.

As soon as Rudy penetrated Jane's wet cave, she orgasmed.

The feeling was incomparable to any of her previous orgasms, and feeling the long hot snake inside of her only served to enhance the pleasure she felt.

"Aaaahhhhn~"

She let out an ear-piercing moan as her legs began to shake. It felt like hot electricity was running through every inch of her body, bringing her endless pleasure.

And she wasn't alone in this. Rudy could feel her cave tightening around his snake and massaging it as it spasmed, making him want to burst his load before they even started.

Not to mention the look of sheer ecstasy on Jane's face. Just seeing it was enough to make his ego and excitement skyrocket.

Without waiting for her to exit her orgasmic bliss, Rudy began rocking his hips back and forth, ramming his snake closer and closer to her womb.

Sounds of flesh clapping against each other resounded through the room along with Jane's moans. Rudy kissed her lips before increasing his pace.

Jane's breasts bounced rhythmically with every thrust, giving Rudy an undeniable urge. But their hands were tied together, so the only thing Rudy could do was to keep slamming his hips back and forth to give and take as much pleasure as possible.

Chapter 214: A Vampire's Cave*

It has been a few minutes since Rudy successfully deflowered Jane, and they had been going on since then.

Jane was still gripping Rudy's hand tightly, and his urge to squeeze her bouncy breasts was growing with every thrust.

After a few minutes, Rudy filled up Jane's cave.

"Aaaahhhhn~"

'She was so tight that I came in a few minutes...'

Jane finally let go of Rudy's hands and moved them to caress his face.

"That felt so~ good~" she said with an orgasmic look on her face.

"Me too. Your body is awesome, and your pussy can't even be compared to anything. I guess vampires are not bad after all," he said with a grin on his face.

"That was the tenth round," Jane said calmly while looking into Rudy's eyes.

"Yeah..."

'It would really suck if she asks to stop now. I haven't explored her enough yet!' Rudy uttered inwardly.

Jane pulled Rudy's face closer and kissed him on the lips before saying, "Your dick is still inside me."

"Do you want me to take it out?"

"No. I would rather want you to keep it inside." Jane kissed Rudy again and continued, "Your hot stuff is making my body turn hot. Even though I am a vampire, I feel warm from the inside. This is my first time, and it's a memorable experience."

"..."

"Wouldn't it be nice if a precious moment could last longer?" she asked with an alluring gaze and a desperate look on her face.

"You are absolutely right. A precious moment should last forever."

"How many more times can you shoot inside me?" she asked curiously.

Rudy kissed her on the lips before replying, "As much time as you want."

"Then go ahead and fill me up until it starts spilling from my pussy."

After hearing that, Rudy resumed thrusting his hips again. Now, he had gotten an 'okay' ticket, and he could fuck her for as long as he wanted.

'I will mark her as mine!'

Rudy grabbed her hips before increasing his pace.

"Anh~ Amh~ Nh~!" she moaned in pleasure and spread her legs as though she was asking Rudy to go even deeper.

Jane's breasts bounced with every thrust, but unlike before, Rudy's hands were free. Reaching out, he cupped her left tit and massaged it while putting his mouth on the right, sucking and lightly biting her nipple.

"Aah~ ahh~ ahh~"

Jane's melodious voice was like music to his ears, making Rudy want to take things further. His hand slowly left her breast and traveled down her lithe body.

He traced the ripped fabric covering her willowy waist before making his way down to the gap between her legs, slowly rubbing it as if searching for something.

And with how much experience he had at this point, it didn't take him long to find it. He increased the pace of his hand to match that of his hips, rubbing her clit while consistently penetrating her.

"Mmmmmgh~" Jane bit her lip, trying to muffle her moans, but to no avail. She simply felt too good to stop herself.

She was in the heavens, and she wanted to ascend even more.

Rudy played with her clit and rubbed his thumb on it with one hand, and grabbed her ripped dress with the other. He used the dress to pull Jane's body back and forth. And because of that, Jane's breasts that were stuck between the lace of the dress from earlier squeezed them on their own, giving Jane even more pleasure.

Rudy once again grabbed her by the waist, but this time, he raised her body and pulled her in to explore the deepest part of her cave.

Soon, Jane's cave began twitching, and Rudy realized it was the best time to go a little rough on her.

Rudy increased his speed with every thrust, and Jane's moans were working as fuel. Still, he didn't want to tease Jane as he had been doing in the name of orgasm denial. After all, he wouldn't want her to do him the same thing.

A few seconds later, Jane orgasmed with a loud moan.

"Yes~!" Her face before and after she orgasmed didn't change, but it looked more satisfying.

However, Rudy didn't stop there. He continued nailing Jane like never before.

"Anh~! Why are you so good at this~?" she asked while moaning.

Rudy didn't reply to her and continued ramming his snake into her now damned cave.

'My cum from before and her juice made her cave a little slippery. Now it's easy to go in and out, but the tightness remains the same.'

Jane had just orgasmed, and the strength had left her body. She let Rudy use her body to pleasure himself, although she was also receiving the best pleasure in her life.

But for some reason, she felt like she was losing. Even if he denied her orgasm earlier out of revenge, it didn't mean she'd accept it lying down.

Her hands moved up Rudy's back before tracing his chest, lightly pinching his nipple like he had done to her.

Her sudden actions caused Rudy to remove his face from her soft marshmallows to look at her in shock. Not missing the opportunity, she agilely wrapped her legs around his back and flipped their positions.

This time, she was on top. The feeling of riding his snake was entirely different from when she was lying down. She could feel his tip reaching all the way to her womb, bringing her further pleasure.

"Anh~ Yes~ Yes~ Yes! This feels a lot better~!"

She pegged him like an experienced cowgirl, although she was simply going with the flow to satisfy her thirst. Occasionally switching from pure up and down motions to rotating her hips. Combined with the way her cave massaged him and began taking the shape of his snake, Rudy couldn't hold it anymore.

"Mmmgh!" He groaned as he let out his load, filling her up once again.

"Aaanh~ I can feel it~ I can feel your hot stuff filing my womb~"

Jane had orgasmed three times in total, but she wasn't done yet. Just like Rudy, vampires seemed to have a strong libido as well.

[Esper Harem in the Apocalypse](#)

Chapter 215: Under the Red Moon*

Even though Rudy filled her up with his hot milk, Jane didn't stop riding him. It was as though Rudy's dose made her even more horny. She was shaking her hips at a slow pace as though she wanted to enjoy every second of it.

It was due to Jane's technique that Rudy couldn't stop her from taking the lead. It was an otherworldly experience for both Rudy and Jane, quite literally.

Jane had orgasmed three times in less than 1 hour, while Rudy ejaculated eleven times— but only twice inside Jane.

As the time passed, both Jane and Rudy got immersed in it, and their sex drive increased instead of decreasing.

Jane increased her pace and said, "Is it weird that I want this to continue for the entire night?"

"Not as weird as you getting tighter with every thrust," Rudy replied with a grin on his face.

"But it feels so good~"

"Yeah~"

Jane's breasts were bouncing as she shook her hips, and Rudy couldn't help but grab them. He squeezed them gently and pinched her nipples using his thumb and finger. Because of that, Jane got a little tighter.

"Do you like it when I do this?" Rudy asked with a curious look on his face.

"I like your touch~ I feel happy whenever you touch me. And I feel satisfied when your big dick is inside me~!"

"Wow. You are not even shy anymore. I like it."

"I am going to cum~" Jane moaned. "What about you? I like it when we cum together. And the feeling of getting filled up with your hot juice is so thrilling that I want to get filled like that all the time~!"

Rudy sat up while pulling Jane's breasts and squeezing them. He sucked her nipples left and right and then pushed her on the bed on her back.

"Yes~"

Rudy grabbed Jane by her waist and pulled her body back and forth.

"More~ More~" she begged.

Rudy also started moving his hips back and forth and slowly increased his speed as he got close to ejaculating.

Jane started moving her body up and down to make it easy for Rudy to shoot everything inside her.

However, Rudy wasn't going to shoot just yet. He wanted to tease Jane and make her more desperate.

"Why are you not cumming~?" She asked while violently moving her body up and down. "I can't hold it for much longer~ I want to cum together with you at the same time~"

"Hold it for one more minute," Rudy said as he increased his speed.

"No~ You are asking for too much~ I want it now~"

Rudy could feel Jane's cave walls clenching his snake from all the sides. She had gotten so tight that it was getting hard for Rudy to move back and forth, but that was his main goal.

"Don't you want me to shoot more inside you?" Rudy asked with a mischievous smile on his face.

"Yes~ Yes~ I do~ I want all of it~"

Jane was desperate for the one minute to pass, and she was trying her best to hold her orgasm as she wanted Rudy to ejaculate together. Rudy knew that Jane wouldn't cum until he shot his juice inside her, but he had other plans.

Rudy wasn't going to cum after one minute, and that would make Jane feel more desperate. That's when Rudy planned to fill her up to make her as satisfied as possible.

"Anh~! Anh~! Yes~ It's about time~ I can't hold it anymore~" she moaned.

"Heh!" Rudy smirked at her and said, "I was joking. I won't shoot unless you beg even more."

"No~ Give it to me~ Or I will die~" She moaned loudly.

At that exact moment, Rudy released everything inside Jane's thirsty cave, and Jane ended up orgasming at the same time.

"Aaanh~ Yes~ It's feeling me up~ Keep shooting it inside me~"

Jane's entire body twitched as her cave swallowed each and every drop of Rudy's juice.

Rudy scoffed and grinned after seeing the orgasmic and satisfied look on Jane's face.

"I will pull it out now," he said as he tried to pull out his snake from her cave.

"No~!" Jane once again wrapped her legs around Rudy and said, "Keep it inside. You said you can continue for as long as I want."

Rudy squinted his eyes at Jane and said, "If you say it with a face like that... I will start humping you again."

"I don't mind~ I don't want it to stop~ Keep ravaging me until you are satisfied~"

After hearing those words, Rudy once again started moving his hips slowly. He could feel his juice getting mixed inside Jane's cave, and it was working as a lube.

'Why is she so tight? I can't just get enough of it! Vampires are awesome!'

Just like Jane, Rudy didn't want to stop yet. He wanted to keep railing Jane for a bit longer, and Jane wanted Rudy to nail her for forever.

"Yes~ Yes~ Harder~ Go deeper~ More~ More~" she moaned.

Once again, the room was filled with Jane's moans. She had gotten sensitive, and her sexy moans were the proof.

A few minutes later, she ended up orgasming again. However, she wasn't done yet.

Rudy slowed down as Jane had just orgasmed, and he wanted to give her some time before recovering. But Jane didn't want that.

She climbed on top of Rudy and pulled him close to her. Her fangs elongated before she lowered herself, biting into his neck.

Rudy's snake didn't even have a chance to calm down before it started raging again. He had no clue why he always became more horny after the vampire bite.

She sucked his blood and continued shaking her hips vigorously. Not only that, but she herself had become a beast.

To Jane, blood sucking was the best experience until she experienced the feeling of the kiss and now sex. Currently, Jane was having sex while sucking Rudy's blood.

She spread her vampire wings and covered Rudy's body inside them while wrapping her legs around his back.

That position was a ritual in vampires, which was called soul and body binding between two people. Knowingly or unknowingly, on the first night of the red moon week, Jane and Rudy got married.

[Esper Harem in the Apocalypse](#)

Chapter 216: Vampire's Lust*

Jane and Rudy stayed in the ritual position for minutes, and neither of them stopped what they were doing.

Jane's fangs were still buried under Rudy's neck, her hands were wrapped around his neck and back, her legs were wrapped around his waist, and her vampire wings had covered him inside.

Jane had been sucking Rudy's blood for minutes while shaking her hips back and forth without even stopping to check on Rudy. While Rudy didn't mind that at all. In fact, he was enjoying it as the sensation was making him more excited.

However, if Rudy was a normal human and he was spending the night with Jane, he would have died by now.

'She is wild! Like super wild!' Rudy uttered inwardly, 'I can't imagine how wild she can get when she is rough.'

A few minutes later, Rudy couldn't hold it anymore and ended up releasing his load inside Jane's tight cave. Only then she let go of Rudy and let out a loud moan that he was dying to hear.

"Aanh~ Yes~ Another one~ Fill me up~" She moaned.

Jane couldn't endure the pleasure and ended up orgasming once again. She relaxed her body but kept her hands and legs wrapped around Rudy.

Rudy noticed his blood on Jane's juicy lips and asked, "Which one do you like more?"

"Hmm?"

"My blood or my cum?" he asked with a grin on his face.

"That's very tough to decide. I can't choose between them."

"Answer fast, or I will pull my dick out," Rudy threatened.

"No~ You can't do that~!"

"Then answer."

Jane licked the remaining blood from her lips and said, "I like your blood more."

"May I ask why?" Rudy asked curiously.

"I can drink your blood for as long as I want, while your... cum only lasts a few sips," Jane answered with a flushed face. Seemingly feeling embarrassed to say the dirty words.

"Fair enough."

Rudy's libido was ready for further action and adventure. His snake wanted to explore Jane's cave even more.

The two once again switched positions, with Jane on all fours and Rudy behind her. Without hesitation, he once again penetrated his snake inside of her.

"Ohhhhh~"

The first thrust was just the beginning. Rudy didn't show mercy this time, pounding her as hard as he could without hurting her.

Her boobs jiggled wildly. Her pliant ass rippled with every thrust. Seeing it, Rudy couldn't help himself.

'I have never done this before, but I think Jane might like this. Not to mention, I don't have to worry about going all out like I usually do.'

Even though Angelica was a ghost, she was a ghost of a human. Unlike Jane, who was from an entirely different race able to endure rough things.

Smack!

A crisp slap rang out, causing her ass cheek to redden slightly. Jane was slightly shocked. She expected it to hurt, but her body welcomed it, shivering in pleasure.

Rudy was anxious because he was afraid of Jane's reaction. He didn't want to ruin the mood, that could leave him hanging alone for the rest of the night.

"Mmmng~ more~"

However, much to his surprise, Jane liked it.

'Damn! She got tighter!'

Smack!

Rudy spanked her once again.

"Ohhhhhh~"

Since she had a positive response, Rudy decided to test his luck. He reached out his arm, grabbing a handful of her long silver hair before pulling it. Her head snapped back, forcing her to look up at him as he pounded her from behind.

"Yes~ Yes~ I like it~" she moaned out loud and puckered her lips at Rudy while staring at him with a desperate look on her face.

Rudy moved his other hand to Jane's neck and pulled her up further before sealing her lips with his.

"Mnh~" They kissed as their hips continued to do their work.

The unbridled ecstasy on her face made his snake pulsate, threatening to spurt more of his milk into her cave.

Rolling her onto her back, Rudy grabbed her legs and hoisted them onto his shoulders. In this position, he could penetrate her even further.

"Yes~ Keep going~ Harder~ Deeper~"

Jane's boobs bounced in front of Rudy's eyes, and he couldn't hold his urge to play with them. He squeezed them with his hands and later pinched her nipples as he continued slamming his hips back and forth into her cave.

"Aanh~ I am going to—!~!"

Her tongue hung out of her mouth, her eyes rolled back, and she was cumming.

Jane might've been a vampire whose sexual stamina outclassed many others, but after so many intense orgasms with Rudy, she was already starting to tire out.

Her mind was in a wonderland of pleasure, floating in the clouds, but before she could drift off to dreamland, she heard a voice that came like a seductive devil.

"Did you think we were done already?"

Rudy turned her on her side, grabbing one leg and lifting it in the air as he continued to pound her.

"We aren't done yet at all. Not by a long shot."

He once again grabbed her boobs into his hand, pinching her nipple and slightly twisting it.

"Nngh~ Mmh~ Aahhnn~!"

Jane was barely conscious. Her mind was blank, her only thoughts being pleasure. Her body had lost any other feeling, only focusing on the hot snake sliding in and out of her cave and the white milk that dripped out of it.

Rudy had a mischievous smile on his face as he watched her. His other hand that wasn't pleasuring her boobs snuck its way past her cave towards another unused entrance.

Realizing what was about to happen, Jane slightly woke up from her daze.

"W-wait! That's~!"

But she was too late. His finger slipped into her second hole uninhibited. It was a new kind of pleasure Jane hadn't felt before, and as Rudy slowly added a few more fingers, a sense of pain joined as well.

"I never did this before, so this would be my first time as well," Rudy said and plunged his wet snake inside another cave.

"Wha—!~!"

As it was wet and mixed with their juices, it entered inside easily without much effort. But oddly enough, Jane welcomed it. The mixture of pain and pleasure only made her feel better.

"I am going to fuck you senseless!"

Chapter 217: Falling in Love*

Rudy was lying naked on the bed, while Jane was on top of him, still wearing her ripped dress. His snake was inside her cave, but it was overflowing. Seemingly, he had filled her up dozens of times.

"How many hours have passed?" Rudy asked as he twirled his finger with Jane's silver hair.

"I don't know. I stopped caring about everything and only focused on you," Jane replied in a calm and low voice. She was tired but not exhausted.

"Are you satisfied?" he asked with a hint of curiosity in his voice.

"What about you? All this was to relieve your libido. Has it satisfied itself?" Jane asked back. She didn't want to answer the question, so she dropped everything on Rudy.

"Your body and you are so amazing that I don't think I will ever have enough of them. And don't forget that it was you who asked me to continue, so tell me..." Rudy raised Jane's face with her chin and asked, "Are you satisfied?"

Jane stared into Rudy's eyes and got lost in them. She had fallen for Rudy so badly that she had forgotten about everything, including the fact that she not only had sex with but also married her brother-in-law.

She smiled at Rudy and said, "You have become so strong and dominating..."

She said it without realizing it. Long story short, she was drunk on Rudy's blood and cum. And Rudy had a faint guess that she would forget everything that happened tonight. However, he was certain that she wouldn't forget her first night with Rudy. After all, it was an unforgettable experience for both of them.

"What's with that remark? I asked you a question."

Jane took out her tongue and sarcastically said, "I won't answer."

"If you don't answer, I will pull my dick out of your damped pussy," Rudy said with a grin on his face.

"Go ahead."

"Wow. So you are satisfied, after all. And as soon as you are pleased, you no longer care about me or anything else," Rudy commented. "I guess that's how princesses are."

"Why do you always bring this up. How I act or what I do has nothing to do with me being a princess."

"That's obviously a lie. I know enough to judge a person by how they act, and you, my thirsty vampire, sure act as spoiled as a princess," he asserted with little to no sign of sarcasm on his face.

"Do you... truly think of me as a princess?" Jane asked in a low voice while averting her gaze.

'Huh? What's with her all of a sudden? She looks sad. Did I say something wrong or touch a sensitive topic?' Rudy panicked inwardly.

"Is that a trick question?" Rudy asked awkwardly.

"Just answer me honestly. If you do, I will tell you everything you need to know."

"Well... you are without a doubt beautiful, in fact, one of the most beautiful girls I have ever seen. Your body is perfect from all the angles, as though the god has perfectly carved you. Your breasts size is perfect for my hand, as though they were made so I could squeeze them. Your mouth and your fangs are awesome."

"Your tongue when you kiss me reminds me of my first kiss every time you kiss me. Not to mention how my dick perfectly fits in your mouth. Your waist is exactly my type, and your pussy— oh god, I have no words to describe how my dick felt in your pussy."

Without stopping, Rudy continued, "Your thighs are so soft and thick that I want to get my head crushed between them. Your tender yet strong hands, when they gripped me, reminded me of the shackles, making me paralyzed. Your fangs when you buried them inside me and the feeling when you sucked my blood was akin to getting my soul sucked out of my body."

"Your voice which is normally so haughty, turned meek so suddenly, totally opposite to your sweet and sexy moans. Your entire existence is so charming that I dare say you are fit to be called a Goddess."

Rudy had no idea why he told Jane all his inner thoughts, but he wanted Jane to know how he saw her. Now, what's left was Jane's reaction.

Jane stared at Rudy without a dumbfounded look on her face, seemingly unable to comprehend what she had just heard. No one had ever praised her like that, and she had no idea how to react to it.

Her face immediately went red like never before, and she hid it by pressing it against Rudy's chest.

"Uhh... I don't know what you are doing, but should I take it as you are happy?" Rudy asked calmly.

She looked at him with her face flushed to her pointy ears. Flustered, she said, "I asked you if you truly saw me as a princess! Why did you have to say all that stuff!"

"Every word I said was true. And why are you so hung up on the 'princess' anyway?" Rudy furrowed his brows and asserted, "Mind you, everything would have turned out the same even if you weren't a princess."

Jane smiled after hearing that and kissed Rudy on the lips. But she didn't stop there.

Rudy's snake, which was still inside Jane's flooded cave, twitched after seeing Jane's smiling face.

"Oh? It seems someone is still not satisfied," Jane remarked and sat up to feel his snake even deeper.

"Mnh~" she moaned quietly.

They both looked into each other's eyes but didn't say anything until Jane asked, "Can you still continue? I think you ejaculated 39 times tonight, including the ten times before we... started this."

"I can shoot it 50 more times if you want me to. So yes, I can continue."

"Well, then..." Jane raised her hands and said, "Please take this dress off me. It's very uncomfortable when I move."

Rudy ripped the dress into pieces without even touching it. He looked at Jane's naked body and instantly fell in love with her.

'The image of Jane revealing her beautiful and naked figure was buried into my mind, hypnotizing me and making me unable to move my eyes off her.'

'I might have committed the sin of sleeping with my sister-in-law, but I don't and never will regret what I did with her tonight.'

Rudy copped the feel of Jane's breasts and said, "Get your hips shaking."

"It's so big~" Jane orgasmed the moment Rudy started moving.

"Wow. You are still tight as you were during the first time..."

Rudy couldn't control his hips, and he started thrusting them up and down.

"Mm~ Nm~ Yes~ Yes~ Keep going~" Jane moaned.

Rudy placed his hands on Jane's hips and said, "You are supposed to move too."

"I can't~ Pin me down and continue to fuck me~"

Rudy gently pushed Jane to the side but made sure to keep his snake inside her cave.

"Aanh~"

"This is... incredible." Rudy gently started thrusting his hips back and forth while Jane tried her best to hold her moans.

She covered her mouth and moaned, "Mm nn mnh nn~"

"Why are you holding your moans? Keep moaning, and please my ears."

Jane wrapped her legs around Rudy's waist and said, "You can go harder and ravage me inside out~"

"I will gladly accept that offer." Rudy grabbed Jane by her waist and raised her body so he could thrust faster and deeper. "I will go rough, okay?"

Jane nodded in response and spread her legs as though she was welcoming Rudy's snake into her wet cave.

Rudy adjusted Jane's body and inlined with his snake. Then, she started moving her body back and forth as he thrust his hips at a steady pace.

"Anm~" Jane had already started feeling good even though Rudy hadn't gotten to the rough part yet.

"You can... go rough..." she said, seemingly reminding Rudy in case he forgot about it due to the pleasure.

Rudy raised his brows and said, "Someone has taken a liking to the rough play."

"Of course, I did. It feels incredible..." she said with a flushed face. "That's why go as hard as you can."

"How about you ask for it nicely?" Rudy teased with a grin on his face.

Jane stared at Rudy in disbelief as though she couldn't believe Rudy was being a sadist even while having sex.

"Please... pound my pussy. Fill me up with your big dick~ Ravage me inside out and mark me with your thick cum~"

Jane's cave had become so wet and slippery that Rudy's snake could easily go in and out. However, the tightness of the cave remained the same.

The walls of Jane's cave trapped Rudy's snake every time it tried to go deeper. The walls of her cave clenched Rudy's snake from all the sides as though it didn't want it to go out. But every time Rudy's snake went in and out, her cave welcomed it with even more tightness.

"Nnm~" she moaned and started shaking her hips. "I love this~"

"You are getting tighter every second," Rudy stated. "Are you about to cum?"

"Ah~ Mn~ Yes~ Yes~ Give me more~" Jane's moans were making Rudy more and more excited. They sounded slutty, but they also sounded desperate and thirsty for more even though she earlier said she was satisfied.

"Yes! Yes~ Yes~!"

Rudy was still having a hard time believing that he was having sex with a vampire. He also felt a guilty pleasure when doing it with Jane because she was his sister-in-law. However, that's what made their situation more exciting.

A few minutes later, they both orgasm at the same time. But Jane passed out from the pleasure.

"..." Rudy caressed Jane's face and closed his eyes after muttering, "I miss my home."

When Rudy opened his eyes again, he found himself sleeping on the bed of his room.

Chapter 218: A Sweet Nightmare

Rudy opened his eyes and saw a familiar ceiling. Conflicted, he blinked a couple of times before sitting up on the bed and glancing around to realize he was indeed in his room.

"What the fuck?" That was the first thing to come out of his mouth.

"Don't tell me all that was a dream?! No, no. There is no way." Rudy checked his body and found himself naked.

"Did I... teleport back home?" Rudy wondered. "I do remember saying I miss home before I drifted to sleep."

Rudy got up from the bed and left his room, forgetting that he was butt naked.

"I didn't realize I could teleport between worlds. But..." Rudy raised his brows in confusion and muttered, "Jane was on top of me, so she should have teleported with me as well, right?"

After realizing Jane might be in his house, he hurried downstairs and rushed to Rebecca's room, but it was empty.

"Has mom not returned from her shift yet? She did go late, so maybe she is doing extra hours to make up for it?"

"I don't have my phone either, and I am sure she must have tried to contact me."

Rudy checked the remaining rooms to look for Jane, but she was nowhere to be seen.

"Maybe Jane couldn't teleport with me? But I can't be certain! I have to take a look around to confirm it!"

Rudy rushed to his room to get dressed, but he couldn't shake the feeling of being watched.

"Wait, if I was able to teleport out, can I also teleport back to the vampire world without waiting for the full moon?" Rudy asked himself.

Rudy tried to teleport there, but he couldn't.

"Fuck. Fuck. Fuck!" he yelled at the top of his lungs. "What if Jane feels betrayed? She would think I used her body to satisfy my lust and threw her aside."

"Dammit!" He punched the wall, but he soon regretted that.

He was looking at the ground and punched the wall in anger. He gulped nervously, assuming the wall would be shattered into pieces, but much to his surprise, when he looked up, the wall was perfectly fine. Instead, Rudy's fist had started bleeding, followed by intense pain.

"Wha..t?" He looked at his fist with a confused look on his face. "How?"

Rudy was so shocked after seeing the blood coming out of his fist that he forgot about the pain. But he couldn't endure it for long.

He fell to his knees and muttered, "Could it be that... that Jane stole my powers? No, that's not possible."

Rudy shook his head and said, "If that was the case, I wouldn't have teleported back here."

"What are you doing?" a familiar voice asked.

Rudy jerked his head to the voice to see Angelica standing in the doorway of his room.

Rudy got up and hugged her tightly before saying, "Thank fuck. I don't care if I lose my powers, but I didn't want to lose the ability to be able to see and touch you."

That showed how Rudy cared more about his lovers rather than his powers.

Angelica hugged Rudy back and said, "You haven't lost your powers."

"Huh?"

Angelica looked Rudy in the eyes and said with a serious look on her face: "You are in a dream."

"What?!" Rudy exclaimed.

"You are currently dreaming," Angelica repeated herself.

"What do you mean?! I am in my room, and you are in front of me. I can touch and feel you. Heck, I am having a conversation with you. How can this be a dream?!"

Angelica pointed her gaze at the closed window in Rudy's room and said, "Why don't you look outside the window."

"..." Rudy was both curious and anxious. But he reluctantly decided to do what Angelica asked him to do.

However, when he opened the window, there was nothing outside. All he could see was the never-ending space with no light.

"What's going on?"

"As I said, this is a dream." Angelica closed the window and held Rudy's hand— which was bleeding— in her hands. "You can control everything in your dreams. Just thinking of your wound getting healed, and it shall get healed."

Rudy looked at his hand, and it had already started healing.

"Okay. Now I have more questions." Rudy sat on the bed and asked, "What's going on? I mean.... Why am I here? And... are you truly Angelica?"

Rudy inspected Angelica from head to toe, and she indeed looked like Angelica. However, she was acting differently.

"Why are you acting... distant?"

Angelica spread her arms while pointing at the things in the room and said, "This is where I live."

"Hmm?"

"When I am inside your body, this is how I perceive things. Currently, you are sleeping, and your eyes are closed, and that's why everything is dark outside. I see what you see from your eyes through the window."

"Oh..."

"I don't know why your house. When I entered your body for the first time, it was already there. I am not complaining, but you now know why my voice sometimes sounds different when I am inside your body."

"I see..."

Rudy touched his bed and other things to understand how it all worked. But he was more eager to know about Angelica.

"Why do you... don't get me wrong, you look exactly the same. But the Angelica I know is touchy and a pervert. While you haven't done anything Angelica would," he said with an awkward smile on his face.

"I am Angelica. Your Angelica."

Rudy squinted his eyes and asked, "Are you angry about something?"

Angelica shrugged her shoulders and replied, "Who knows?"

"Oh, so you are sulking too." Rudy pulled Angelica close to him and sat her on his lap.

As Rudy had expected, Angelica tried to break free and get off his lap, but Rudy easily overpowered her and pinned her on the bed.

"Tell me. Why are you pouting?"

Angelica turned her face to the side and said, "I hate you."

Chapter 219: Angry Ghost

Rudy looked at Angelica and tried to make eye contact with her, but she kept averting her gaze to the side.

"I can't even tell if you are joking or not with the serious expression you have on your face. But either way, it hurts when you say that." Rudy bumped his head onto Angelica's forehead and muttered, "Why would you say such a cruel thing to me?"

"You are the one who did that to me first," Angelica yelled without looking at Rudy.

"What do you mean? I truly have no idea what you are referring to me. So please, tell me and let me clear this misunderstanding," Rudy said in a calm voice.

"You ignored me even though I kept yelling your name!"

"When...?" Rudy asked with a curious and puzzled look on his face. "I don't remember hearing your voice. Wait... when did you wake up, and for how long have you been awake?"

"I woke up after you crashed the party in the royal palace," Angelica answered. "I was so anxious when you challenged the Vampire Monarch to fight. But I was glad when everything turned out well."

"You were awake all this time? Why did you say so? And why did you never come out of my body?" he asked eagerly.

"I did. I tried calling your name again and again, but you never listened to me."

"I swear on mother's name that I didn't hear your voice," he said with a serious look on his face.

Angelica felt betrayed and thought Rudy was ignoring her this all time. She was alone in the house and kept yelling his name, only to get no response. She was scared and anxious that Rudy had fed up with her.

However, after realizing Rudy had never heard her, she felt relieved that she wasn't getting ignored. He even proved it by swearing on Rebeca's name, and she knew better than anyone how much he held Rebeca dear. And that he would never lie if Rebecca was involved."

"I..." Angelica finally made eye contact with Rudy and showed him her teary eyes. She sniffed and continued, "I tried to get out of your body, but I couldn't. I was trapped. I was scared. I... felt exactly the same as how I felt when I was trapped in that tunnel."

Rudy smiled bitterly and uttered, "Don't worry. I am here now. Everything is fine, and I would never let anything happen to you."

Rudy recalled his promise to Angelica, where he said he would never let her feel alone, but without even knowing it, he failed to fulfill that promise.

"I was the one who pulled your consciousness here as soon as you fell asleep. Otherwise, I would have spent 15 days and nights yelling your name without you ever hearing me. I would have been trapped here without feeling your touch and embracing you."

"All this time, I was thinking that you were still asleep since you sometimes still a lot."

Angelica moved her hand to Rudy's face and pulled his cheeks. She smiled and said, "It feels as real as it feels when I touch you in the real world."

"Yeah."

Angelica played with Rudy's face and hair with a happy face.

"Maybe you couldn't come out of my body because it's another world?" Rudy wondered.

"What does that have to do with anything?"

"Basically, our world has a frequency of energy flowing around, and you are linked to that with my body. And this world has a different set of frequencies which is unable to link you," Rudy explained.

"I don't understand a thing you said. But in short, I can't come out of your body as soon as you are in the vampire world?"

"Yes." Rudy nodded before saying, "But I think I might be able to change that frequency with the help of the vampire's powers. I don't know how to do that, but magic can do anything, and I can do the impossible with my power."

"I will talk this out with Virgil and find a solution. After all, I can't spend a day without your comments and remarks," he added with a soft chuckle.

"I was watching everything, you know?" she said with a knowing look on her face. "I saw how you seduced Jane and fucked her."

"Well... I won't deny that since that's what I did. But... it felt awesome..." Rudy recalled the pleasure.

"I know that. You might not have been able to hear me, but I could hear you crisp and clear. And I am sure you compared my body with her too," she remarked.

"I won't deny that either. But I couldn't help it. The other girls in my harem are humans, and you are the only one who is... a supernatural entity. And you can't deny a vampire's charm, come on."

"You are a big big pervert..."

"I have only heard about the vampires in the stories, and after finding out they really exist, I was mind blown. You know, all this feels like a big dream, and that's a scary thought, not going to lie. I don't want to wake up and find myself in the hospital, realizing that I created all that to cure my boredom."

All of Angelica's anger and sadness vanished after hearing that. She pulled his face close and kissed him on the lips before pinning him down on the bed.

"What are you doing?"

Angelica licked her lips seductively and said, "I haven't tasted you for over a day. Don't you think it's about time you give me some love?"

"Oh, great. Pervy Angelica is back."

"Did you miss her?" Angelica asked with a grin on her face.

"Very much."

Rudy was already naked, so Angelica quickly stripped herself and said, "I will make you admit that my body feels better than some horny vampire."

Rudy couldn't help but chuckle after hearing that.

'Ghost versus Vampires is inevitable, I guess,' he thought.

After that, Rudy spent a few hours pleasuring Angelica. But when he fell asleep in the dream, he opened his eyes in the vampire world.

However, he regretted waking up because Jane's maid and Virgil were standing in front of the bed, and they had seen Jane and Rudy naked on top of each other.

[Esper Harem in the Apocalypse](#)

Chapter 220: Disastrous Morning

Rudy had an unforgettable night with Jane, but it didn't end there. He spent quality time with Angelica in a dream too. It was the best night of his life, and nothing could have gone wrong, or so Rudy thought until he woke up and saw Virgil and the maid standing in front of them.

Rudy thought of covering Jane, but it was too late. They had seen everything, including Jane's naked body and the bloodstains on the bedsheet— although most of the stains were from Rudy's blood.

"...!" Rudy choked on his breaths, and he didn't know what to say or do. It was truly a messed-up scenario, and never in his wildest dream had Rudy thought he would encounter such a disastrous situation.

Firstly, Jane was Viril's granddaughter, who was naked on the bed with Rudy. Even in a normal family, that could have caused huge trouble. Secondly, Jane was a princess, and Rudy was a nobody. Thirdly,

Jane was a vampire, and Rudy was a human. Fourthly, Jane was Rias' sister and Rudy's sister-in-law; and that situation was the worst of all.

Even in the human world, that could cause a bloodbath between two parties. It was considered cheating and betrayal.

Sure, Rias wasn't awake yet, and she wasn't aware of all that, but Virgil now knew everything.

Even though Rudy was powerful and he had proved his strength in the battle last night in the arena, what he did with Jane was morally and legally unacceptable.

Rudy has always been sensitive whenever it comes to relationships, whether it be his relationship with others or others' relationships with him. He admired every bond and respected it.

Last night, when Rudy broke all the boundaries of his relationship with Jane and deflowered her with his snake, he said that he wouldn't regret doing that. And he was still stubborn in his words.

However, how was he going to explain everything to Virgil? He could use his power to assert dominance over Virgil, but that wasn't a solution to the problem.

Rudy wanted Virgil to acknowledge his relationship with Jane as he did with his relationship with Rias. That was, of course, to make Jane happy.

After falling in love with a girl, the only thing that mattered to Rudy was her happiness. And if Rudy did something to Virgil, that would surely not make her happy.

Rudy was ready to fight anyone to prove his love for Jane, but everyone who had witnessed the demonstration of his power in the area already knew that he would win.

Rudy wanted to do many things, including getting off the bed at the very least. However, Jane was on top of him, and she was gripping him tightly.

"Uhh..."

"After the party ended, I came to check up on Jane since she never returned. I asked her personal maid, and she said Jane was sleeping, which was abnormal since Jane would never throw away her duty as a princess to be present at the party. So I decided to check up on her, but the maid stopped me. And then... I see this..." Virgil shook his head in disbelief.

There was disappointment in Virgil's voice, and he sounded sad.

"I..."

Rudy tried to say something, but Virgil turned to the maid and said, "Bring him clothes to wear, and take care of Jane after he leaves."

"Yes, my king!" The maid was shivering, and she was visibly shaken.

'She was given one order by Jane, and she failed to fulfill it,' Rudy uttered inwardly. 'I don't know what would happen to her as a punishment, but she seems scared. And it's not her fault, to be honest.'

Virgil glanced at Rudy from the corner of his eyes and said, "I want to have a talk with you. Come meet me when you are ready."

Rudy didn't say anything in response, but Virgil already knew the answer.

After glaring at Rudy, Virgil left the room without closing the door.

The maid glanced at Rudy and hurriedly left the room before closing the door.

"..." Rudy looked at Jane, who was still fast asleep in her arms, and muttered, "I am not scared or anything, but I am worried about our future relationship."

"Honestly speaking, I am in the wrong here, and what I did was absolutely wrong. There were many other ways to do it, but not much time. Maybe things could have turned out differently if I hadn't given in to temptation," he sighed.

'My libido had sated, and there was no need to fuck Jane. But I wanted to fuck her. Last night, the only thing in my mind was to fuck her and make her mine. And I don't regret what I did. But what about Jane? I basically seduced her and left her desperate in the end. Sure, I did get her permission, but that was all my doing.'

"I wonder if she feels the same as me. Or would she ask me to forget what happened last night? Even if she asks me that, there is no way I can do that. At the very least, I will add her to my harem and convince her that I love her."

Rudy recalled his thoughts from the dream.

'What if she thinks I used her body to satisfy my lust?'

Rudy had decided to make things clear with Jane and confess his feelings as soon as she woke up. But he didn't have much time.

"I should wake her up." Rudy gently stroked Jane's hair and whispered in her ears:

"Wake up, princess. We are in trouble."

Jane's eyelids slightly moved, but she didn't wake up.

Rudy shook her hand and patted her back, to which Jane turned her face to the other side while muttering, "Five more minutes, Niti..."

'I assume that's her maid's name?'

Rudy shook Jane again, but this time a little harder.

"Wake up, or I stuff my dick in your mouth."

Jane's ears twitched, and she raised her head to look at Rudy. She stared at him with squinted eyes and blinked a couple of times as her vision got cleared.

"Good morning, princess," Rudy greeted her with a smile on his face.

Jane's face slowly turned red to her ears as she yelled, "W-Wa-What the hell is going on?!"
