Chapter 301: Rudy's Greatest Fear

Virgil turned to Rudy and waited for his response.

"I will say I didn't mind it. I could have easily pushed her away if I wanted to, but I didn't."

Virgil moved his gaze to Rudy and asked, "Are you saying that you want to become my father?"

"Uhh... that would be one hell of a family tree. And no, I didn't mean it that way. You can assume I am... well, curious about Nyxia. But if you ask me about my feelings for her or whether I am romantically attracted to her, I am not sure myself.

I could just say yes or no if I wanted to. But I hate half-assed answers with conflicted feelings, only to regret them later on. Before I got my powers, I was a simple man who only had eyes for his lover.

Sure, I did find other girls attractive and sometimes even looked at their chests, but never in my wildest dream had I ever thought of cheating on her. Maybe it's because I put myself in everyone's shoes. I wouldn't want my lover to ever cheat on me, so I would never do the same.

But now, I have not only one or two but multiple lovers, and I love all of them equally. I am starting to doubt the reason I agreed to have a harem. It was to save my loved ones, but before I noticed it, I forgot about that reason and ended up fooling around with the girls I liked.

Not that I am saying 'like' and not 'love'. But the boundaries between both are getting thin and thin for me. Maybe my powers have made me like this, but I am confident that I can seduce any girl I like without using any powers.

There is nothing really wrong with that. After all, they love me, and I love them. I can satisfy them in bed and make all their wishes true in the blink of an eye. As long as they are happy, there is no problem. But... I can't keep doing that.

Don't get me wrong, I am not saying that I will stop loving more girls. Love is not something you can control. Most of the girls in my harem right now are the girls who loved me.

Jane is the only girl I made moves on. But I think there will be more as I keep exploring the world... worlds. I don't know what I should do. I don't want to stop, but I do not wish to continue either.

The one thing I fear the most is for my harem to feel that I am neglecting them or not giving them the love like I once used to. I say I love them equally, but do I? I honestly don't know. There is no actual way to know... no, I don't want to know it.

However, the more girls I get in my harem, the less time I would get to spend with them. I don't know what I should do, and I can't ask anyone for help."

Rudy became so sensitive all of a sudden that he let his emotions leak and revealed his greatest fear to Virgil, who he thought wasn't the best choice to tell.

"Forget what I just spouted. I didn't—"

"I don't know what you are going through, but I understand how you are feeling," Virgil uttered calmly. "Believe me or not, but you are not the only man suffering through this. Almost everyone in this or other worlds has loved more than one person.

I am not talking about them having a harem, of course. That's not something everyone can achieve. But from what I understand, you don't want your lovers to think that you don't love them, am I right?"

Rudy nodded in response.

"The solution is rather simple, to be honest." Virgil chuckled and asked, "What does one do when they have a problem or an issue?"

"Uhh.. they try to fix it somehow?" Rudy responded.

"Exactly! So if you are worried about something related to your lovers, then you should always consult them about it, even if it's a small problem. They would know the best," Virgil asserted with a distant smile on his face.

"..." Virgil was the last person Rudy wanted to consult, but he was glad that he did. He now had his answer, and his greatest fear had turned into small worry.

As Virgil had said, it was indeed a simple solution.

'I do tell everything to my harem member, so I don't think I am doing something terrible. I wonder if starting a relationship with another girl or adding them to the harem without telling the rest of the harem members is considered cheating.

If yes, then I am currently cheating on all of them with Jane. But I don't plan to hide it. I would have told them if there was a way to tell them. I already sent that letter to Alice, and I hope it reached her.'

"I wanted to confront you about mother, but I forgot that you are still a teenager in the end. You hold so much power, and you have so many responsibilities on your shoulders at such a young age."

After a brief pause, he continued, "I don't know what else to say, but as an adult or as an in-law, I would like you to give a piece of advice."

"I feel honored."

"There will be times where you will feel hopeless even if you have everything in the world, money, fame, power, but not happiness. That's the only thing that matters in the end. That and the satisfaction of everything. Without that, your life will be hollow," Virgil asserted in a solemn voice.

"I will remember this."

SIGH!

Virgil turned around after saying, "I came to look for my mother as the guests were asking for her. Now I have to look for her again."

After saying that, Virgil walked away.

"..."

Rudy let out a sigh in relief and muttered, "I somehow managed to avoid the drama."

He then made his way to Jane's room to try his new power.

Chapter 302: Find My Prey

Rudy entered Jane's room and lazily teleported to the bed.

"Even though I no longer feel exhausted thanks to Nyxia, I feel lazy. But it's not like I currently have anything to do, so I will fool around."

For Rudy, the best way to fool around was to use his powers and do something remarkable.

'Now that I think of it, if the letter truly reached Alice, she should have already informed mom and Reina. I hope they are not worrying about me. But to be honest....' Rudy lowered his gaze and muttered:

'I should have asked Alice to tell Rize about this too. I am not sure if she has fallen for me yet, but she must also be worrying about me. Am I forgetting anyone? Maria!'

'Well, we are not close in any way, and we are barely friends. But I did promise her that I would play with her once every week. And obviously, I can't get Alice or anyone involved with Maria. She is a mafia, after all.'

As Rudy was missing his girls, he suddenly thought of an idea that was not possible before, but after inventing the new power, there was a chance that it would work.

"Let's try it."

Rudy took a deep breath and closed his eyes. Then, he teleported his vision to the human world to Rebecca.

"Everything is pitch black..." he muttered.

Rudy had used this ability only once, which didn't go well. He couldn't see clearly, although he was able to recognize the place since he had been there before.

However, he was currently trying to teleport his vision to a different world, which pushed his ability to a whole other level.

'Think. Think about it, Rudy. It's not that hard. You can do anything as long as you believe in it. It's just like teleporting. In fact, it's much easier than that. You are not even teleporting your entire body, it's just your vision that should be easy as fuck.'

Rudy cleared his mind and focused hard. He saw something for a split second, but his vision turned dark again.

One would expect him to be angry, but he was happy instead.

'Yes!' He rejoiced. 'I was able to see! That means my letter reached Alice, and this ability is, in fact, working. Now one more try, and I will master it!'

He couldn't open his eyes as he had transferred his vision, and if he opened his eyes, the attempt to locate the person would fail.

After a few seconds of trying hard, Rudy managed to see the blurry vision, but he couldn't understand anything. It was an unrecognizable place for Rudy.

'I don't know what time it is now or if the human world has the same timezone as this world. So there are chances that mom might be sleeping. Still, I don't recognize this place.'

Rudy's vision was currently 240p at 16fps. But he focused hard and managed to clear it to 360p at 30fps.

Fortunately, he was used to that quality since most of the time, he watched videos at 360p whenever he was on mobile data to save as much data as possible. But when he was using his neighbor's or public Wi-Fi, he made sure to watch everything on 720p.

Once Rudy's vision had gotten clear enough to glance at the surroundings, he realized that it was the car's interior.

"What's mom doing in a car? Maybe a taxi?" he wondered. "But I know mom, and she would never get on a taxi. She is someone who saves every single penny possible."

'Hmm?! Someone is sitting beside her in the car? Who the fuck is it!' he yelled inwardly.

Even though Rudy could see things, there was a limit to it. He couldn't freely glance around everywhere like one normally would with their eyes. In short, the screen of his vision was limited.

'Judging by the outfit, I can't really tell if it's a man or a woman. I think they are wearing a suit.'

'I don't know, but I am feeling anxious. Only if I could also hear what they are talking about.'

In this tense situation, Rudy got another idea.

'If I can transfer my vision, then I should be able to transfer my hearing too!'

Rudy teleported his hearing to Rebecca and tried to hear what was going on.

[No ...wot... yo... Ru...]

Rudy had no idea who was speaking or what he was hearing. Just like his vision, his hearing was like a broken speaker with a static voice of an unknown radio channel.

After a few seconds of trying hard, he was able to hear something he could understand.

[I am telling you. You worry too much. I am sure he is alright,] the voice said.

"Oh!" Rudy sighed in relief as he recognized the voice. "It's Eleanor."

'Maybe mom went to her after Alice informed her about my absence? They are best friends, so I guess Eleanor was the first person mom decided to talk to.'

Rudy wanted to watch more, but his connection was suddenly cut off.

SIGH!

He opened his eyes and muttered, "I guess using this ability in another world is a limit to it. But I am surprised at myself to come up with such an ability. I can confidently claim that 'I am getting the hang of my powers now.'"

'It's about time I name this ability. I use it to find, so how about 'find my prey'? I can't think of a better one, so let's go with that.'

"Angelica. I am free right now. Want to have some fun?" he asked Angelica.

Angelica didn't waste any time and pulled Rudy's consciousness into her domain. He talked and fooled around with Angelica for a few hours, and they both fell asleep.

However, something unexpected happened. He woke up to a strange and fantastic feeling. His snake was wrapped around something wet. And it was not what he had expected.

[Esper Harem in the Apocalypse](#)

Chapter 303: (Un)expected Happening

Rudy was in Angelica's domain, and after spending some quality time with her, he fell asleep there, only to wake up to a familiar feeling around his snake.

Even without opening his eyes, Rudy was sure that he was getting a blowjob.

'This is what happens when I sleep with Angelica. My mornings with her are just something else. Just as the saying says that an apple a day keeps the doctor away; similarly, a blowjob in the morning makes the day refreshed.'

He opened his eyes to surprise Angelica and give her a mouthful of milk as a reward. However, it wasn't Angelica.

He thought he would open his eyes and wake up in Angelica's domain, but instead, he woke up in the real world.

When he opened his eyes, he saw a familiar person in a maid outfit, sucking his snake like a morning breakfast. Of course, it was Niti.

Niti had pulled down his pants so she could suck him more freely.

"..." He was left speechless, not because he caught Niti sucking his snake, but because of how bold she had become.

Rudy was already aware that Niti had sucked him off once when he woke up in the morning. Even though he didn't know the reason behind her action, he let it slide as he didn't want to make it awkward between them.

When he began to interrogate her to confirm his suspicion, she started acting strange and seemed embarrassed to death. That's why Rudy never expected Niti to do the same thing again.

Not only that, but Niti seemed so immersed in sucking him off that she let her guard down. It had been over a minute since Rudy opened his eyes, and never even once Niti tried to check whether he woke up or not.

Jane could walk through the door at any time and catch Niti red-handed. Who knows what kind of punishment she would have given her for doing something like that. After all, she was sucking off her master's lover's snake.

Rudy, obviously, didn't mind it, but he was conflicted. He was contemplating on what he should do next. He could pretend to stay asleep and enjoy the blowjob, or he could confront Niti about it.

Rudy's libido had started acting since it had been more than 12 hours since he last relieved himself. For some reason, his session with Angelica in her domain didn't count, but Rudy concluded it was considered as a dream.

Earlier, when Nyxia was making out with Rudy and rubbing her body against his crotch, he felt excited, and he could have ejaculated from the sheer pleasure of making out. But alas, both Nyxia and Rudy were cockblocked by Virgil.

Now, Niti was sucking him off, and he was close to shooting out his milk. So if Rudy chose the second option, that was to confront Niti, but that would leave him blue balled again.

Hence, Rudy once again created a third option.

'I will pretend to sleep until I cum, and then confront Niti. It's the best solution.'

Rudy stayed quiet and enjoyed getting his snake sucked by the bat's mouth.

'Still, to think that Niti, who is always uptight and obedient, would do something like this. It does feel exciting, though. I wonder if this counts as cheating since no one knows about it. Moreover, should I tell Jane about Nyxia and Niti? I will keep Nyxia's matter a secret since our relationship has no name now. But... Niti has done more than what Nyxia did. Giving a blowjob is a worse offense than kissing. Should I tell Jane about it?'

Rudy didn't intend to keep his relationship secrets from other girls, but he wanted the correct time to tell them. But he knew that there was no such time.

'Talking about Jane, where is she? This world has no clock or sun. Otherwise, I would have guessed the time. But I am sure I slept for more than five hours since Angelica, and I had more than 15 rounds of fun; she was extra aggressive today.'

Has Jane not returned yet? Or did something happen?'

Rudy looked to his right to see Jane's dress, which she was wearing at the function, was hanging in the chamber-sized wardrobe that was open for some reason.

'Oh, so she returned. But that could be an identical dress too.'

SIGH!

'Oh shit! I ended up sighing!'

Rudy slowly jerked his head to Niti and saw her looking at him with a petrified look on her face with his snake still in her mouth.

"Good... morning..."

Niti threw the blanket on Rudy and made a run to the door.

"..." Rudy pulled the blanket and saw Niti was about to reach the door.

"You think you can escape from me?" he muttered.

Niti opened the door, but it soon closed with a heavy force. She tried to open it again, but it didn't move an inch.

Rudy was using telekinesis to hold the door.

"It won't open!" Rudy said aloud.

Niti slowly turned around and gulped down anxiously, her face sweating all over.

"I..." she lowered her gaze and tried to think of something as an excuse, but she knew that she would never be able to outsmart Rudy.

"First of all." Rudy patted on the bed beside him and said, "Come here."

"Are... are you angry?" she asked nervously.

"How would you feel if you woke up to me eating you?" Rudy asked with a judging look on his face.

"I would cry because of the pain..." Niti replied meekly.

"Huh? Why would it hurt— oh!" He facepalmed himself and uttered, "I don't mean eating you, but rather your pussy."

Niti's face flushed, but she slowly opened her mouth and answered, "I would be confused..."

"Exactly. I am confused as well."

"So... you are not angry?"

"That depends on your answers to my questions." He opened his gaze beside him and ordered, "Come. Sit. It's time for the real interrogation."

Niti nervously walked to Rudy and sat on the bed beside him.

Chapter 304: Niti's Secret

"You already know what I am going to ask, so let's save us time and get to the point," Rudy stated.

Niti was keeping her distance from Rudy and avoiding eye contact with him. But once in a while, she was glancing at Rudy's erect snake that she was sucking a moment ago.

"So...?"

"I... am sorry..." Niti apologized.

"I am not looking for an apology. I am looking for a reason."

"I don't know what came over me. I just felt so... desperate to do it for some reason..." Niti responded meekly.

"Desperate? You mean you got horny?"

"No." Niti shook her head and said, "We maids don't feel horny."

"Why not?"

"When we become maids, we have many high-grade spells cast on us, and their effects get stronger as time passes. Out of them, one spell renders us unable to feel horny. The other spells also make us unable to betray our master and such things. You may say it's a safety precaution," Niti answered.

"So why would you suck my dick like that? Even in the morning, you sucked me off, right?" Rudy asked with a knowing look on his face.

Niti's face flushed red after hearing that.

"You knew...?"

"I had my suspicions, and I confirmed it after interrogating you. I may not be good at it, but who the fuck cares as long as I get my answers?"

"That day... when I first walked into this room with Vampire Monarch and found you and Princess Jane naked on top of each other, I smelled a strong scent that made me feel desperate for something."

"..."

"After that, when I came back a few minutes later to give you your clothes, I saw you two having sex in action. As I mentioned, that feeling was similar to a mother walking into her daughter's room and finding her in bed with someone. But what surprised me the most was your seed. Princess Jane's vagina was filled with it, and it was leaking.

You left soon after that, and Princess Jane went to take a bath. I was alone in the room, so I did what I was supposed to do. I started cleaning the room, but when I got on the bed, the smell of your seed had charmed me. Before I realized it, I was sniffing it. I couldn't stop myself from doing that, and even after half an hour, I was still sniffing it. So I decided to capture that scent on my bangle and sniff it whenever I felt like it.

I don't know why, but sniffing it made me calm. I felt relaxed. But obviously, the smell wore off the next day. However, I wasn't worried. I knew for sure that you and princess Jane would be doing it all night, and I would be able to get my hands on the scent again. And I was right.

The next day or should I say today, when I entered this room, I found Princess Jane was still making love with you even though you were fast asleep. After she left and I gave her the royal dress that she was supposed to wear for the function, I returned to this room.

I was excited for the first time in decades. My heart was beating fast, and I felt thrilled. I knew I was doing something I wasn't supposed to, but I couldn't resist the urge.

When I returned, my intention was only to capture the scent of your seed again and leave. And then come back after a few hours when you woke up, but while I was doing that, I saw your... your penis and became attracted to it.

I sniffed it, and the smell made me feel as though I was in the heavens. So I decided that I would capture the fresh scent directly from your penis. And it should last longer, too, as I was going to take it in a liquid form.

I already know all the techniques in bed, so it was easy for me to make you ejaculate. But... the scent was so strong that I lost my senses and ended up licking your penis.

It was only for a second, but that was the sweetest thing I had ever tasted. It was even sweeter than the blood moon fruit."

"Surely, you jest. Blood moon fruit is the best thing I have tasted. I would really want to try eating the fruit directly instead of drinking the milkshake. I am sure it would taste better," Rudy stated. "Anyway, please continue."

"After I licked it once, I licked it again and again. I eventually began sucking it cautiously without waking you up, and after a few minutes, you shot your seed inside my mouth. I wanted to store it and never thought of drinking it, but you shot out too much and filled my mouth with it.

It was really too much, so I thought maybe I would drink half of it and store half of it and lick it once in a while whenever I felt like it. But in the end, I ended up drinking it all.

I was angry at myself for doing that. I am a royal maid, and we are trained to be uptight and emotionless. Yet, I couldn't hold my real self in front of you. After savoring and savoring every last drop of your seed, I was left with nothing but regret.

I.. wanted to smell it more. I wanted to drink it more. And then I glanced at you. I called your names a few times to confirm you were still sleeping. I... decided to suck you off again and, this time, store your seed.

But you suddenly woke up, and I had to act oblivious to everything. My heart skipped a bit when you noticed something on my lips and chin. And then you asked me a few questions. I was truly scared of you finding out.

I thought I was safe, but it turns out you already knew it."

Niti looked at Rudy with teary eyes and asked, "Can I know why you didn't confront me about it?"

[Esper Harem in the Apocalypse](#)

Chapter 305: A Tsundere Masochist

"I didn't tell you because, well... I didn't know what to say." Rudy shrugged his shoulders and said, "What was I supposed to ask you? Hey, why did you suck me off when I was sleeping? But to be honest, I didn't care. I mean... I didn't mind it, and you were trying so hard to keep it a secret, so I went along with it."

"But I didn't know you had a cute side to you," Rudy teased with a grin on his face.

"Please don't make fun of me!" Niti hissed with a flushed face. "I am already feeling guilty for doing that!"

"Why are you feeling guilty?" Rudy asked curiously, even though he knew the answer.

"Obviously, I would. I laid hands on my master's lover. That's the biggest crime a maid can commit."

"But if you were truly guilty, you wouldn't do it again," Rudy commented with a judging look on his face.

"I wasn't planning to consult you about it if you had ended it the first time. But I caught you again."

"Please..." Niti clenched her fists with the bedsheet and pleaded, "Please don't tell Princess Jane about it."

"You should have thought that before doing something like this," Rudy remarked.

Niti sobbed while saying, "I know, but... I don't know!"

"Do you..." Rudy looked at the tears rolling down from Niti's cheeks and asked, "Do you regret doing that?"

"Huh?" Niti suddenly stopped crying and averted her face to the side. A few seconds later, she glanced at Rudy from the corner of her eyes and asked, "Do I need to answer that?"

"You sure do. I will then decide whether I should tell Jane about it or not."

"I... don't..." she muttered.

Rudy smirked from the corner of his lips and asked, "Does that mean you would do it again if you got another chance?"

After a brief silence, Niti quietly nodded.

"Thanks for the honest responses."

"You know, it's all your fault..." she murmured.

Rudy raised his brow in amusement and asked, "What...?"

"If you hadn't exposed me to the scent of your seed, I wouldn't have become like this, and nothing would have happened. If you had been more careful about all this, things would have turned out differently," Niti remarked.

"Wow. I didn't know you were this type of girl."

"It's a logical excuse." Niti squinted her eyes at Rudy and asserted, "This palace is not your home, so you are not treating it as one. Tell me, if Jane was in your house and in your room, would you have been careless like you are here? Would you have slept naked on top of each other or continued making love when someone else was at home?"

"Wow. You went full 180 in your personality just now. But you are actually right. I wouldn't bring a girl home, though."

Niti squirmed on the bed while shooting glances at Rudy's erect snake. She gulped down nervously and savored the taste of Rudy's snake she had left in her mouth.

"If you truly don't regret it and you would do it again if given a chance, how about you suck me off right now?" Rudy asked with a straight face.

"Huh?"

"Suck me off. You brazenly did it before I woke up, and I was actually close to cumming. So continue sucking me, and I will shoot your favorite milk that you like so much in your mouth. It's a win-win situation for both of us, what do you say?"

Niti furrowed her brows and uttered, "I can't believe you just said that. All this time, I was thinking of you as a charming prince who was kind and gentle. But you turned out to be an evil prince who seeks everything he can get."

"Whoa~ Calm down, miss. Why are you suddenly acting like a victim now? Don't make me the bad guy, okay?"

"But you are one." Niti puckered her lips and uttered, "I bet you did the same with princess Jane and somehow forced her to have sex with you. I can't believe I praised your kindness back then."

"Oh? So this is how you want to play, huh? Okay. If you think I am the bad guy, then I better act like one too." Rudy smirked viciously at Niti and threatened her:

"If you don't suck my dick and make me cum, I will tell Jane everything, and she will punish you later."

"You cannot do that! If she finds out, she will release me from my duties, and I will lose my job!" Niti bellowed.

Rudy shrugged his shoulders and pointed his gaze at his snake before saying, "Then you better start sucking me off."

"I see, so you are a blackmailer too."

"Yeah. I am the epitome of all evil. Now, start sucking." Rudy ordered.

Niti grabbed Rudy's snake in her hands and glanced at Rudy with a soft glare in her eyes. She opened her eyes and uttered:

"I am only doing it because you are forcing me to. Otherwise, I would never do something so shameful."

She licked the tip of his snake and kissed it before sucking it like a popsicle. She moved her lips up and down without moving her head and played with the tip. A few seconds later, she engulfed his entire snake in one go and began to move her head up and down.

"..." Rudy watched and enjoyed Niti's professional-like blowjob.

'What are we even doing?' He wondered. 'I know that Niti wanted to suck it more, and that's why I asked her that question. But then she began acting oblivious and played a victim. I am not really forcing her since she is making a lovely face while sucking me off.'

Does she like to be ordered or treated harshly? Is she a masochist or something? But let's not judge, or that would make me a sadist as well since I was enjoying ordering her.'

"Mnh~" Niti made a noise while sucking.

The slurping sound had filled the room, and Niti showed no sign of stopping.

After a few seconds, she stopped while staring into Rudy's eyes and uttered, "It wouldn't make me happy if you placed your hand on my head."

"..."

Rudy placed his hand on her head, and Niti smiled slightly before plugging her mouth with his snake.

'Seriously, what is she? A tsundere masochist?'

What is she?!

[Esper Harem in the Apocalypse](#)

Chapter 306: Niti's Betrayal

It had already been a few minutes since Niti began to suck Rudy's snake passionately.

Of course, Rudy felt thrilled seeing Niti doing that, which increased his excitement. Not to mention he never knew Niti's true personality that she had been hiding all this time. Or perhaps, no one knew about it, and Rudy was the only person she trusted enough to be herself rather than act like someone to follow the rules.

Rudy's hand was on Niti's head that moved up and down every second, but he thought it would be funny to tease her and began pressing her head down whenever it moved up to control Niti's head movement.

Niti had been looking into his eyes ever since she started, but when Rudy moved her head, her gaze narrowed, and she glared at him— although her face seemed delighted.

Rudy was convinced that Niti was a masochist who liked to be treated badly or at least liked to be forced.

"I am going to shoot your favorite milk soon. So if you want to store it, you better be ready."

Niti ignored Rudy's words and continued sucking his snake. But when his snake began to twitch, she decreased her speed but increased the time she was keeping his snake in her mouth.

Rudy tried his best to hold it as he didn't want that feeling to stop, but a minute later, he shot everything inside Niti's mouth while jerking his hips a little.

He saw Niti's mouth getting filled and her cheeks getting puffed.

"Be careful there. I can still shoot one more shot, but it will spill out," Rudy stated.

"Hmm?!" Niti's eyes widened after hearing that. She tried to swallow some from her mouth so she could take more, but it was hard in her current position.

"Too late~" Rudy released the last shot that puffed Niti's cheek even more.

"...!"

"Uhhh..." Rudy couldn't bear to watch that and said, "Why not just spill some?"

'No!' Niti yelled inwardly, but Rudy heard it using mindreading.

"Well, let me pull my dick out so it would make some space in your mouth."

'No! Don't do that!' Niti yelled again.

"Why not?"

'I will end up spilling it. Every drop is precious!'

"Okay... so what are you going to do? Stay like this all night?"

Niti moved her eyes and scanned the room. Her gaze stopped on the empty glass near the bed and inwardly uttered:

'Give me that glass. But it's far away, and if you move, I will—'

Before Niti could finish her request, Rudy grabbed the glass using telekinesis and handed it to Niti.

'You might not want to see what I am going to do next, so please close your eyes.'

Rudy was already aware of what she was going to do, and he did not want to see it. So he closed his eyes and waited. But he could hear the sound and couldn't help but feel gross.

"You can open them now."

Rudy opened his eyes and saw that the empty glass was filled completely with his white milk.

"What?" Niti asked while hiding the glass behind her.

"What are you going to do with it?"

"I will drink it leisurely while enjoying and savoring each and every sip," Niti replied while filling her lungs with the scent. "And store some of them so I can smell it whenever I feel like it. Maybe I should try drinking it with the blood moon fruit? That would make an amazing drink."

"Kinky~!" Rudy licked his lips and said, "But there is no need to store it for now. I am going to stay here for more than a week, and I will give you a fresh mouthful of my milk every day."

"Really?!" She asked with a happy and surprised face.

"Yeah."

"Thank you~ Maybe you are not evil, after all~"

Rudy chuckled and uttered, "Not going to lie, it was the best blowjob of my life."

"Really?!" She asked curiously with a surprised look on her face.

"Yes."

"But I am sure you have been with hundreds of girls. I can't be the best of them...." she uttered under her breath.

"Whoa. Where did you get that number? I have an intimate relationship with only 4 girls. Angelica, Reina, Alice— though we haven't fucked yet, and Jane. And none of them had prior experience in such things, so it's obvious that you would be the best of all," Rudy asserted calmly.

Niti squinted her eyes and said, "Four is not 'only'."

"Well, it's 'only' compared to the 'hundreds' of girls who talked about."

Niti gulped down while looking at the glass with an alluring gaze. She glanced at Rudy from the corner of her eyes and turned around before taking a small sip from the glass.

"..." Rudy facepalmed himself and muttered, "I don't blame her but come on~"

Since Niti was facing her back at Rudy, he could see her backyard. It wasn't the first time his gaze had fallen on it, but he felt guilty for looking at her like that since she was a maid. Especially after hearing her life story as a maid, he felt it inappropriate to lust after her.

But everything changed after she got caught red-handed.

"Say..." Rudy cleared his throat and asked, "Do you..."

"Hmm?"

"First, put that glass down on the table. It's distracting me."

Niti placed the glass on the table and covered it with a plate.

"So? Is there something you want?" Niti asked with a knowing look on her face.

"Where is Jane? Has she not returned yet?"

"No, she has. I don't know the exact time, but when I entered this room, Princess Jane was sleeping beside you on the bed. She was awake and looking at you. Maybe she was contemplating on whether she should wake you up or not.

Then I mentioned how exhausted you were earlier, and she sighed in relief after saying, 'I am glad I didn't wake him up then.'

After that, she took off the royal dress she was wearing and wore plain clothes."

"Where is she now?"

Niti pointed her gaze at the chamber-sized open wardrobe and uttered, "Inside the wardrobe."

"What?!" Rudy exclaimed.

Chapter 307: Digging Niti

Rudy enjoyed the best blowjob of his life and didn't regret it. But after learning that Jane was in the wardrobe all this time, he started sweating.

He then recalled how Niti was acting innocent and blamed everything on Rudy.

'Is that why she said all that and forced me to act like an evil lord? It all makes sense now!

What the hell?! So I got played by Niti?! Dammit! I let my guard down!

Rudy glanced at the open wardrobe and said, "Did Jane ask you to do this to test my loyalty or, rather, my promise to her?"

And how could you do something like this to me? I treated you kindly, and this is how you repay me by double crossing me like this?"

Come on~ You could have signaled me or at least uttered inwardly that I was being tested. Now, not only did I fail the test, but Jane will now—"

"I was lying," Niti uttered in a neutral tone.

"Wh... at?" Rudy's face twitched from all the sides in anger, and his fury reached the roof when he saw Niti holding her laughter.

"You are dead, Niti. I am not going to forgive you for this lame prank!"

"That 'lame' prank got you sweating, though," she quoted 'lame' with her finger.

"You know, my impression of you has changed drastically, and I now know who spoiled Jane so much. You are like a middle version which is more haughty than Jane but less than Nyxia," Rudy commented. "Now, where is Jane?"

"She is in the royal bath house. She must be tired after meeting the guests and the... Alucard kingdom drama," Niti replied meekly after getting called out by Rudy.

Rudy raised his brow and asked, "When did she go?"

"A few minutes before you woke up," Niti responded.

"Oh! So you started sucking me off as soon as she left?"

Niti's face flushed after hearing that, but she managed to glare at Rudy and retorted, "You enjoyed it too!"

"I did, and I want more." Rudy tapped on the bed beside him and said, "Want to go all the way?"

"You mean..." Niti glanced at Rudy's snake and said, "You mean you want to... make... love with me...?"

"Yes."

"But why with someone like me?" She asked with a gloomy face. "I have been defiled. I am a used good. I am a maid, and I am not pretty at all. I am much older than you, and I—"

Rudy pulled Niti close to him and placed her on his lap. Then, he caressed her face and uttered, "Why do you degrade yourself? I don't care about your past. I only care about your present. And what's wrong if

you are a maid? You are a woman, and you need love. And who dares to say you are not pretty? You are prettier than most human girls.

But to be honest, I find all the vampire girls hot. Maybe it's their charisma. Their beauty is otherworldly, and I completely understand why someone would want to be charmed by a vampire. Even if it means death, getting intimate with one of them would be worth dying.

Believe me or not, but you are beautiful."

Niti couldn't hide her flushed face out of embarrassment and tears in her eyes.

"No one has ever told me such kind words in my life. I thought I never deserved them."

"They are just uncultured swine who don't know how to praise a girl's beauty. Even if you weren't a maid, I would still have... well, I am not sure. If you weren't a maid, we most probably wouldn't have crossed paths, but you get what I am trying to say."

Niti wiped her tears and glared at Rudy with a judging look on her face.

"Are you trying to seduce me with your kind words?"

"Uh on. You caught me." Rudy pushed Niti on the bed and said, "Now I will have to force myself on you."

"No~!" Niti grinned cheerfully and playfully tried to resist. "I won't let you take advantage of me."

"Too late, missy. You are now my toy~" Rudy pulled Niti's clothes and revealed her big breasts, which she had been hiding under clothes.

"Not going to lie, they are bigger than I imagined...." he muttered as he caressed them gently.

"Our maid outfit has many layers and is kind of baggy too. So our body features cannot be seen—"

"I know that. I was using my ability to see through your clothes and noticed it the first time the maids wore many layers of clothes. Anyway, the time it's time to locate your cave and explore it~"

Rudy pulled Niti's bottom and laughed after seeing her sleeved panties.

"Don't laugh!" She hissed with a flushed face.

Rudy pulled the panties without wasting a single second and licked his lips after looking at her clean, shaved cave.

"Were you expecting something like this to happen and were prepared for it?"

"Of course not. If I knew, I would have worn better underwear for you— I mean, for... no... well..." Niti was lost in her words.

Rudy inserted his finger in Niti's cave and murmured, "You are wet enough. Do you want me to make you more wet, or do you want me to dick you up?"

"You can do whatever you want. It's not like it will make me happy~"

"Well, I will start the deed then." Rudy rubbed his snake at the entrance of Niti's cave and uttered, "Thank you for this amazing sight."

"Wait, wait!" Niti stopped Rudy, looked into his eyes with an anxious look on her face, and asked, "Are you sure about this?"

"I am."

"But... you can do it with someone better..."

"I don't know if you would understand what I am going to say next, but hear me out: It's like how one would want to fuck his classmate or a teacher, his hot neighbor or a maid working at home, his teacher's daughter or friend's mother. It's one of those immoral fantasies every teenager has, but not all of them get a chance to fulfill them.

Yet, here I am, with my dick touching a maid's pussy. It's an exciting situation. Of course, I would stop if you don't want to do it with me, but I want to do it with you at this moment."

Niti bit her lips and averted her gaze before cheerfully saying, "Even if you fuck me, it's not like it will make me feel good. But you can try and test it for yourself."

"I will be digging in then~"

Chapter 308: (Un)Wanted Empathy

Rudy inserted the tip of his snake inside Niti's cave and asked, "Are you ready?"

Niti meekly nodded and closed her eyes for some reason, which confused Rudy.

He gently penetrated Niti's cave while rubbing his thumb on her clit to make her more wet so his snake could explore her cave easily.

"Is it in?" Niti asked anxiously with her eyes closed.

"It's not even halfway in yet," Rudy replied as he pushed his snake deeper.

He was being gentle as he didn't want to hurt Niti. He may not know the reasons behind her actions well, but looking at her face and hearing her voice made it obvious that Niti was scared.

He knew that she must have been maltreated in the past and that she developed her trauma from such things. That's why Rudy swore that he could make her forget about all the things and let her taste the pleasure of real sex with feelings.

"Is it in?" Niti asked again, but this time with a more anxious face.

"I am halfway in. I will now push it all the way in one go, so brace yourself."

Rudy pulled out his snake for an inch and plunged it inside Niti's tight cave in one go. His snake was no longer visible, and it was stuck inside Niti's narrow cave.

"...!" Niti opened her eyes in shock and took a deep breath while gasping, but she ended up choking, and Rudy had to squeeze her breasts to divert her attention.

Even after taking a few breaths, Niti was breathing heavily with her eyes wide open while staring at Rudy.

"Are you okay?" Rudy asked calmly.

"Yes... it's just... your dick is so big..." Niti responded. "I noticed it when I was sucking it, but it feels much bigger when it's inside me. I can't believe princess Jane was riding it with such a delighted face."

"You will make the same face soon enough," Rudy remarked with a grin.

"No matter what you do, I won't feel good," Niti stated with a straight face.

'Still acting like a masochist, I see. Well, I turned the haughty Jane into meek Jane, so turning you into a desperate and honest masochist would be fun," Rudy uttered inwardly.

"Veseir's penis wasn't even 1/3rd the size. Yours is much bigger. It has filled me up entirely," Niti added.

"I need not know that. But no wonder you are so tight like a virgin. He probably couldn't even reach the best spot of a woman's pussy." He scoffed softly and muttered, "Such a disgrace to the men."

"Do you... do you feel good?" Niti asked reluctantly.

"Oh yeah~ It's hard to believe this pussy birthed a girl. The tightness is nothing alike. But then again, I have never fucked a milf before, so I don't know what their pussy feels like."

"Does my... does my pussy feel better than Princess Jane's or any other girls you have been with?" she asked hesitantly.

"Let's not compare, shall we? But I will say that the milfs have their own charm. And as a man of culture, I feel honored to be having sex with a milf," Rudy asserted with a proud face.

"What is... that?" Niti asked with a curious and confused look on her face. "You mentioned that a couple of times now. Is it a term or some sort?"

"So I will have to explain that, huh?" Rudy sighed softly and smiled awkwardly before explaining: "Milf means... a mature lady I would like to fuck."

"Hmm? So shouldn't it be mlilf instead of milf?"

"Uhh..." After realizing there was no other choice, he uttered, "It actually means mother I would like to fuck."

"Oh. Humans really do come up with strange terms..."

"Hey, hey. I am sure it's a thing here too. You just don't know about it."

"Maybe... but you can't refute that you are an evil and horny human. You even laid your hands on your lover's maid. What could be worse than that?" she asked with a grin.

"Well, the 'lover' you are talking about is a twin sister of my lover, so there's that." Rudy shrugged his shoulders and continued, "Unless you want me to mention that I even laid hands on their great grandmother."

"Huh?" Niti was baffled by what she had just heard. "Their great grandmother means... do you perhaps mean Queen Nyxia....?"

"Yeah, although our relationship is kind of in limbo right now. She made a few requirements before joining my harem, but I guess she will most likely agree. So far, I haven't met a girl who dared to refuse my charm, but maybe I am getting ahead of myself. Nyxia is like the main boss to acquire after Rias and my girlfriend from my past life," Rudy uttered under his breath with a distant smile on his face.

Niti touched Rudy's face and said, "This look on your face..."

"Hmm?"

"Sometimes, you act kind and sometimes evil. But you are enduring a lot of pain inside you, am I right?"

"...."

"You don't have to do that, you know? You worry about your lover's pain and suffering, but what about yours? You should be selfish sometimes and think about yourself. If you are not happy, you can't make someone happy," Niti asserted calmly with a gentle smile on her face.

"Heh.." Rudy chuckled softly and muttered, "And here I was thinking I was doing a good job hiding it. But I got caught by the person I least expected to."

"You can come to me if you want comfort. I am not saying that the other girls can't do that, but I have raised a lot of newborns, and I know how tough it is to understand one fully.

If you want, I can give you the motherly love you are seeking. Not just my body but my everything. You are the only person who has been this kind to me and treated me like a regular person, so let me show you my thanks by submitting my life to you."

To this moment, Rudy never realized what he was lacking. Niti gave him the comfort he never knew he needed.

Chapter 309: Amid Pleasure

"There is no need to go that far. Your words are enough. And you were wrong about my happiness. Being with my lovers and spending time is my remedy to all my pain. And I wish I could make you feel the same by giving you the otherworldly pleasure you never knew you wanted."

After saying that, Rudy began slowly to thrust his hips back and forth.

Of course, he was gentle at first, but he simply couldn't hold himself from increasing his speed gradually.

After a few minutes, Niti's cave had released enough juice for Rudy's snake to swim in it freely without him forcing much.

Rudy expected to hear Niti's sweet moans, but his ears never heard them. So he looked at her face hoping to see her flushed and orgasmic look, but she had the same straight look on her face.

"...!" Rudy was having a crisis, and he began to question his bed skills.

'What the fuck?! How could I fail to pleasure a girl in bed after talking so big?! What's going on?!

"Do you... are you not feeling good?" Rudy asked hesitantly, seemingly afraid to know the answer.

"I don't."

"Why... not? You should be moaning in pleasure by now..."

"I already told you. Even if you fuck me, I won't feel good. In fact, I am not feeling anything other than being plugged up by something warm, long, and thick," Niti responded nonchalantly.

"Is it because of the spell you mentioned earlier?"

"Indeed. We maids can't feel horny, so the pleasure of lovemaking is unknown to us," she stated.

"But you became desperate about my cum. How is that any different?"

"It was the smell and the taste that made me like this. We don't have any spell cast on us that makes us immune to smell or taste. Otherwise, our life would be living hell."

"True. But I won't give up!" Rudy grabbed Niti by her waist and said, "I will make you feel the pleasure of being a woman. I will break all the spells and free you!"

"I eagerly wait for that, my master~"

After hearing the word master from Niti's mouth, something awakened inside Rudy. His commitment to making Niti feel good increased, and he began thrusting his hips faster.

To be honest, Rudy had no need to do that. If he simply wanted to fuck Niti or feel good, he would have fucked her without caring for how she felt. But Rudy wanted Niti to feel good too. For him, sex was something both parties should enjoy; it was an obvious thing, but most forget about it amid pleasure.

Breaking the spell seemed easy to Rudy, but it was something he hadn't done. There were many types of spells, and Rudy wasn't familiar with even one of them. While Niti said it was a top-tier spell that obviously would need someone strong to break it.

Rudy, however, was stronger than one could fathom, but if he didn't know the way to break it, he wouldn't be able to do anything.

Still, Rudy had thought of many ways to break it, and he was constantly trying them out while thrusting his hips. One after another, his plans failed, and he came up with new ones.

Niti placed her hands on Rudy's hand and uttered, "It's okay. You don't have to try so hard. Please enjoy yourself. Make yourself feel good using my body, and if you feel good, I would be happy too."

"It's not about being happy. It's about the shackles of spells cast on you! You don't deserve to live like this! Not in my presence, and no spell can dare to challenge. I shall seal them all!"

Amid his various plans, Rudy suddenly remembered what Nyxia had told him in the royal bath house. The spells were nothing but complex formulas of the world that could interfere both physically and elementally with the world.

It was how Rudy was able to conjure elements like fire and water out of nothing, and he even conjured silver in space that was not elemental but a physical matter.

The spells were something in between that didn't have any physical matter, but it affected it. Rudy now had to find a way to grab that spell from Niti's body and crush it with his hands.

It would have been effortless if Jane was with him. He simply needed to share senses to see the spell and shatter it with brute force, but getting Jane into the topic was impossible.

After pondering for a while, Rudy had a mind-blowing idea. He had the ability to restore or forward the time of anything he touched, so what if he simply stopped the time flow of that thing.

Practically, it seemed impossible as stopping a time of an object would be against the laws of the universe, but it shouldn't matter if he stopped the time on an inanimate object. Even after forwarding the time or stopping it, an inanimate object would never age or decay under normal circumstances.

Niti told Rudy that the spell's effectiveness increased with time, so if he stopped the spell itself, it would be just like having no spell at all since the effect of the spell would be stopped.

Still, to do that, he first needed to make contact with the spell.

'How can I see the spell?' he asked himself. 'What if I replicated my experience when Jane shared her senses with me?'

Rudy tried to do that, but he failed.

SIGH!

'Let me try it.' Angelica uttered from inside Rudy's mind.

Instead of taking over his entire body or a certain body part, she took control of his brain to share her thoughts.

'Since I am a ghost, I can see things human eyes can't. If I use your powers to see through your eyes but with my ability.'

Angelica showed Rudy the spells, and Rudy immediately grabbed them and shattered them all together.

Why should he stop the time of the spell if he could break them? That seemed to be a permanent solution for Rudy. Either way, he gained a new ability to stop the time of the object he touched, so it wasn't all in vain.

"Anh~!" Niti suddenly moaned with a flushed face as her senses got restored.

A grin appeared on Rudy's face after witnessing that, and he licked his lips before saying, "Are you ready to visit the heavens?"

Chapter 310: Riding Niti*

"Anh~ Anh~ Mnh~ Nmh~" Niti moaned uncontrollably as she experienced the pleasure of getting railed by the magical snake.

It had been a few minutes since the first official round started, and at first, Niti orgasmed with every thrust as it was a foreign pleasure for her.

Now that Rudy could hear Niti's sweet moans and see the orgasmic look on her face, he felt more excited to keep railing Niti.

"Anh~ Wait—anh~ What's going on~? How could something like this feel so good? You are simply moving your penis in and out of me, so why—Anh~ No~ Stop~ I can't think straight~ You are making me go insane~"

It was Niti's first time experiencing true pleasure, and understandably, she was scared too. She was feeling something she had never felt before, but she didn't want it to stop.

"What's happening to me~? Why is my body suddenly turning so hot~?" Niti began moving her hips up and down. "Why is my body moving on its own~? What did you do to me~?"

Niti's comments seemed so oblivious and innocent that Rudy felt like he was taking advantage of her.

Rudy grabbed the two bouncing mountains in front of him and squeezed them gently before pinching the nipples at the same time.

"No~~! Don't do that~ Don't play with my body like this~!"

"Do you feel good?" Rudy asked with a smirk on his face.

"Yes~ Yes~! It feels incredible ~ Please don't stop and keep going until I die~"

"That would be a problem for me." Rudy grabbed Niti's waist and increased his speed after saying, "If you die, I won't get to hear your sexy moans."

"Do you like when I moan~?"

"Obviously. No man in this world dislikes when a girl moans because of him. It's a sign that the girl is feeling so incredibly good that she can't hold her moans. The harder you moan, the more excited and confident I would feel."

"Then I will try my best to not moan~ I don't want you to get confident and make love with every girl you see."

"Oh? I never planned to do such a thing, but okay." Rudy raised his brow with a smug look on his face and said, "I challenge you to try your best and hold your moans. If you manage to stay without moaning for one minute straight, you win."

"And what will be the reward?" Niti asked with a curious and excited look on her face.

"Uhh... I will give you a barrel full of my milk."

"Oh!" Niti placed her hands on her mouth after saying, "Then you better be ready."

"But if you fail to do that; in other words, if I win, you will have to become my personal maid."

"Why do you want me to be your personal maid? To take care of your libido when none of your girls are around you?" she guessed.

"Yeah, but even if they are around me, you will have to come to me and take your daily dose. You are a bad maid, so I need to punish you with my stick every day to ensure quality work for the rest of the day."

"Okay. I agree with your demands. If you win, my body belongs to you. You can use it as much as you want. But I will be the one winning," she said with a confident look on her face.

"Mind you, no girl has ever been able to hold her moans after tasting my mighty dick!"

"Mind you too, I am a proud royal maid. I have trained to survive in the hardest situations, so holding my moans for a mere minute is easier than a child's play for me," she asserted with a proud face.

"You sure talk big for a girl who was moaning wild a few seconds ago," Zach scoffed softly and teased Niti.

Niti frowned her face and sealed her hips before pressing her hands even more on her mouth, so she accidentally didn't let out a moan.

"I will give you a freebie and allow three muffled moans. Moan for the fourth time, and you are out."

Rudy pushed his snake deep inside Niti's cave and asked, "Are you ready?"

Niti nodded and clenched her teeth with her tongue in between. She had blocked all the possible ways to moan, and she was more than confident about winning.

"I will show you the wrath of my mighty magical dick!"

Rudy stopped thrusting his hips and fixed his position while grabbing Niti's waist. He raised her body by her waist and aligned his snake and her cave perfectly in a straight line. Then, he slowly began to move his hips back and forth.

After a few thrusts, he turned on his legendary piston and thrust his hips like before.

"Mnh~ Anh~ Nhm~!" Niti moaned three times and held the fourth moan.

Her eyes popped out of her eye sockets, and the veins on her face were now visible. She forced herself to not moan, but no girl had or ever would be able to hold their moan when Rudy's snake was in rage mode.

Still, Niti managed to not moan for the first ten seconds. After that, the room was filled with her loud moans.

"Aaaanh~ Mmmhhh~ Nhhmmm~!" She removed her hands from her mouth as she had already lost the challenge and submitted herself to Rudy.

"I lost~ I admit my defeat~ So please, don't stop~" she moaned without caring for anything in the world.

"Lost within the 15 seconds, huh? But well, you did a great job holding your moans, considering it's your first time experiencing this pleasure."

Her mountains bounced up and down, and Rudy was barely holding his urge to squeeze them. Just like every other time, he couldn't resist the urge and gave in to the temptation.

He let go of Niti's waist and squeezed her soft mountains, but Niti's hips were still raised.

For the first time ever, Rudy used his power during sex. He was holding Niti's waist up using telekinesis.

"Harder~ Harder~ Make a mess out of me~ I have never experienced this pleasure before, and I don't want it to stop~ Please use my body until you are satisfied~"
