Chapter 31: Looking For Girlfriend

Rudy called Eric on the phone to ask him for details about his mysterious girlfriend.

[Yeah, Rudy. What happened?] Eric asked.

"Uhh... where are you right now?" Rudy asked.

[I was just about to take a bath. Why?]

"Are you alone right now? Is your mother there?"

[No. She should be at the airport currently,] Eric replied.

"Okay. I will come to your house."

Rudy hung up the call and jumped out of his window.

He flew to Eric's house, which was 10 minutes away, but Rudy reached there within a minute.

He landed in Eric's backyard and entered his house from the backdoor. Then, he dashed up the stairs into Eric's room, but Eric wasn't there.

Rudy could hear the sound of the water coming from the bathroom in Eric's room.

"Eric? Are you alive?" Rudy asked with a scoff.

"Rudy?! You are already here?!" Eric exclaimed.

"Yeah, I was right outside your house when I called you," Rudy replied. "Anyway, I want to ask you something."

"What is it? If you want money, then you can take my card. It's in my wallet," Eric said as he turned on the shower.

"No... actually... I want to know about my girlfriend..." Rudy stuttered.

"Oh! What about her? You guys broke up, right? Are you still holding onto her or something?" Eric asked curiously.

'Well, that's new to me!' Rudy face-palmed himself and muttered, "What is this? I didn't even get time to comprehend the thought of me having a girlfriend, and now I know that we already broke up?"

"What did you say?!" Eric said in a loud voice. "I have a shower on, so I can't hear you!"

"I was asking if you have any photos of her with you. Like a group photo or a couple of pictures of me and her!" Rudy yelled back.

"No, I don't. She was a shy girl, remember? She didn't like when someone took photos of her," Eric uttered. "What happened? Why do you suddenly want her photo?"

'Well, I don't remember anything about her...'

Rudy was trying to make Eric tell the name of the girl, but it didn't work.

'I guess I will have to ask her directly,' Rudy decided.

"Umm... Do you remember her name?" Rudy asked in an awkward manner.

"Why are you asking me, bro?"

"Well... I can't remember her name..." Rudy replied reluctantly.

"Seriously?!" Eric exclaimed. "Is it because of the incident with the tunnel?"

"Yes! So... can you tell me her name?"

"Sure." Eric turned off the shower and said, "Her name was... uhh.... Umm... huh? Why can't I remember it? It's right up my throat, but I can't... seem to remember it..."

"...."

'What's going on?' Rudy wondered.

"Why don't you check on the school records tomorrow? It should have her name and everything in it," Eric suggested.

"Yeah. Good idea."

"Are you staying for the night?" Eric asked curiously.

"No, not tonight."

"How about you stay for dinner? I will order something good," Eric suggested.

"Na, I already ate. Thanks for the offer!"

"Alright. Make sure to lock the doors before sleeping~"

"You are not my mom~!"

Rudy opened the window of Eric's room and flew out.

However, instead of going back to his house, Rudy went somewhere else.

'Where are we going?' Angelica asked.

"School," Rudy replied. "I can't wait for tomorrow. I need to know who my girlfriend was. And my curiosity increased after seeing how Eric couldn't remember her name."

'That's true. Something strange is going on...'

Rudy was getting tired of flying, so he teleported to the school. But he made sure to teleport to the place where no one would be around.

He teleported to the school's washroom.

After that, Rudy made his way to the library to find the book that holds the records of all the students with their photos and basic details in it.

Rudy entered the library and found the book within a minute. However, the book was more than a thousand pages long, but it was managed well according to year and the first letter of the alphabet. But it was useless as Rudy didn't know her name.

"How am I going to find her?" Rudy asked himself.

"Find who?" A voice asked from behind Rudy.

"My—" Rudy turned around to see Rize standing there with her hands folded below her bosom.

"Hey... Rize..."

"What are you doing here in the library at this hour?" Rize asked with a judging look on her face.

"Just like any other scholar student, I am studying late..." Rudy replied with an awkward smile on his face.

"The school hours have already ended, and you should be at home..." Rize looked at the book behind Rudy and asked, "Is that a record book?"

"Yes. I am searching for someone," Rudy sighed. "Can you help me?"

"Who are you looking for?" Rize asked with a curious yet calm look on her face.

"My girlfriend... ex-girlfriend..." Rudy replied.

"Oh! You are looking for Rias?" Rize asked.

'She knows her name?!' Rudy exclaimed inwardly. Rudy was more surprised because Eric couldn't remember her name, but Rize did.

"Yes. I... wanted her picture" Rudy averted his gaze and said, "... for... research purposes..."

"But why? And you can't just look into the record to—"

"If you say any more words, I will have to shut you up with a kiss," Rudy uttered nonchalantly.

Rize immediately covered her mouth after hearing that.

'She is so cute!'

"Please Rize... can you help me out?" Rudy asked with an innocent look on his face.

Rudy knew how to handle Rize because she was the only girl Rudy developed a crush on.

"Fine~! But the record book won't have her picture and details," Rize stated.

"Why not?"

Rize shrugged her shoulders and replied, "Because she dropped out three months ago, and the record book gets updated at the end of every year..."

Rudy placed his hand on his chin and wondered, 'We are currently in the second year. And if the record book doesn't have Rias' details yet, does that mean she wasn't here in the first year? So she was probably a transfer student.'

"So, where can I find her details and everything?" Rudy asked with a curious look on his face.

Rize looked through her phone and showed him the screen that had Rias' address on it. However, it didn't have Rias' photo.

"Why is there no picture of her?" Rudy asked.

"I... don't remember..." Rize replied with a confused and puzzled look on her face.

"Thanks for the address, Rize," Rudy thanked with a smile on his face and said, "Come here. I will give you a kiss as a reward."

Rize smacked Rudy on the head and left the library after saying, "Lock up the library and leave."

After that, Rudy locked the library and went to the address Rize gave him. However, never in his wildest dream would he have imagined what he would see there.

The address of the house Rize gave was demolished a month ago.

Chapter 32: My Ghost Girl

Rudy stared at the demolished house for a few seconds until Angelica brought him back to his senses by yelling in his ears.

"I think we are at the wrong address," she said.

"No." Rudy shook his head and said, "This is the 9th house of the sixth block in 69th street. We are at the correct address."

"So why is it demolished?" Angelica asked with a curious look on her face.

"According to Rize, we broke up because she was going to move out. Maybe that's why?"

"But why would someone demolish a house?"

Rudy glanced around and saw an elderly woman who looked to be in her late 80 peeking through the window of the neighboring house.

"The best way to know is to ask the neighbors."

Rudy walked over to the old lady's house and rang the doorbell.

The old lady didn't open the door, but she replied from the window.

"What do you want?!" she yelled.

"Uhh... I want to know about the people who lived next door," Rudy said in a calm voice.

She closed the window and shouted, "Go home!"

Rudy could feel the anger from the old lady's voice. But he assumed she was angry because he disturbed her at night.

He didn't want to make her more angry, so he left. But after a while, the old lady came back and opened the window.

She stared at Rudy but didn't say anything.

"Umm... hello?" Rudy greeted awkwardly.

"What is your name?" the old lady asked in a calm voice as though her anger had suddenly vanished.

"Rudy," Rudy replied with a smile.

"That's a weird name," the old lady remarked. "What's your family name?"

"Well... I don't have one..."

For some reason, Rudy never had a family name. Even in his past life, he didn't have a family name until his mother married her co-worker.

"What's the name of your old man?" the old lady asked in a little annoyed tone. She thought Rudy was lying to her.

'Why is she taking my interview?' Rudy sighed. 'I shouldn't have approached her.'

"I will tell you if you answer my question first," Rudy said with a forced smile.

He was still a young adult from the inside, so he knew how to handle people of all kinds.

The old lady squinted her eyes and glared at Rudy after hearing that.

"Your face makes me angry for some reason," she commented. "It reminds me of that annoying old man. What was his name... Oswald?"

"Never heard of him." Rudy took a deep breath and said, "You look like my grandmother. She passed away when I was a kid."

"Oh... my dear child..." the old lady said in a low voice. "I will tell you what you want to know."

However, Rudy was lying. He had never met or even seen his grandmother. In fact, he has never ever encountered or heard of any of his relatives, not even in his past life.

'I feel bad for lying, but I have to do what I have to do,' Rudy sighed. He pointed his finger at the demolished house and said, "I want to know about the people who used to live there."

"This house was demolished a month ago, but it has been abandoned for 60 years. It belonged to my best friend from high school who disappeared one day under the red moon," the old lady said with a distant smile on her face.

"..." Rudy facepalmed himself and thought, 'What's going on?'

The old lady turned to Rudy and asked, "Why did you want to know that?"

"Ah, I think I came to the wrong address. I will leave now."

"Be careful." The old lady closed the window after saying, "Mysterious beings roam at night."

"..."

Rudy walked to the demolished house and glanced around to find some clue, but all he could see were bricks and marbles.

Angelica pulled Rudy's sleeves and said, "What did that old lady mean by mysterious beings?"

"I don't know." Rudy shrugged. "Maybe ghosts?"

Angelica trembled after hearing that and hugged Rudy's arms.

Confused, Rudy raised his brows and asked, "What... happened?"

"Don't mention ghosts! They are scary!"

"But you are a ghost too..."

"Oh!" Angelica gasped and let go of Rudy's arms. "I have been so lively lately that I felt like I was alive."

"..."

She hugged Rudy and said, "I am really grateful that you saved me."

"What's with the sudden love?" Rudy scoffed. "And I am the one who is glad to meet you."

"..." Angelica didn't say anything and kept hugging Rudy.

"You know, when I first ran into you in the tunnel, I thought you were a passerby like me. So I called you, but you didn't respond. Then after a while, I found you following me. I was honestly creeped out, but I kept myself positive and kept walking. And before I had realized, you had stopped following me."

"I know..."

"I am saying this because..." Rudy paused. "If... I knew that it was a haunted tunnel, and you were a ghost, I wouldn't have entered the tunnel or talked to you."

"You are lying." Angelica hugged Rudy tighter and said, "You came back to the tunnel even after knowing it was haunted. You came back to me even after knowing I was a ghost. You saved me. You are my hero, my savior, my master, and now I want you to be my lover."

"..."

Angelica looked into Rudy's eyes with her teary eyes and said in a calm yet solemn voice: "Can I be your first harem member?"

Rudy kissed Angelica on the lips and said, "I thought you already were one."

"I love you!" Angelica smiled and kissed Rudy back. She hugged him and said, "I love you so so much!"

Rudy hugged her back and said, "I love you too."

"Really?"

"Yes."

"Are you sure you are not saying it to make me feel good?" she asked with a judging look on her face.

Rudy squeezed Angelica's breasts and said, "I would rather do something else to make you feel good."

He looked into her eyes and said, "Of course, I love you, my ghost girl."

"Then..." Angelica moved her face close to Rudy's ears and said, "Fuck me."

Chapter 33: Evil Resolution (ii)

Angelica hugged Rudy and whispered, "Fuck me." in his ears.

That was enough for Rudy's little brother to get awakened.

Rudy looked into Angelica's eyes and realized she was truly in desperate need of love. He carried her like a princess and ran past the demolished house.

"Where are we going?" Angelica asked in a calm voice.

"I see trees in the distance, so it must be a forest. Let's do it there," Rudy replied.

Rudy took Angelica into the forest and placed her on the soft grass.

"Wow. You are suddenly treating me like a princess," Angelica commented.

"It's called chivalry," Rudy replied with a scoff.

"I want you to take my clothes off.." Angelica spread her legs and wrapped them around Rudy's waist.

"Umm.. before we start. I want to make sure that you are okay with this." After a brief pause, he continued, "We love each other, okay? We can take it slow if you want. It's just... I don't want you to force yourself for my needs."

"I want to do it." Angelica looked into Rudy's eyes and said, "I want you to fuck me."

Rudy sighed in relief after hearing that. He moved his hand under Angelica's top and copped the feel of her soft breasts.

"You know, I have a super libido, but I don't think I have a super abstaining," Rudy sneered. "Honestly, I was horny ever since you sucked me off in the cubicle today. Then, I kissed Rize and got excited. Then, we kissed. After that, I was about to punish you, but mom caught us. And now... we are here."

"You have no idea how much I was holding back. I wanted to push you down and... do it. But I didn't want you to hate me, so I kept it to myself," he added.

Angelica licked her lips and said with a mischievous smile on her face: "You know, I wouldn't have minded it or hated it even if you had r*ped me senseless."

"..."

"I belong to you. I am your pet, and you are my master. You can use me however you want," she said with an alluring gaze in her eyes.

"I never expected to hear those words in real life..." Rudy removed Angelica's top and said, "Here I go."

The next second, Rudy had stripped Angelica naked.

At first, Angelica was a shy girl, and she was embarrassed when Rudy had called her beautiful as an angel. But she had realized that she wouldn't be able to progress if she kept acting meek and innocent.

However, she was currently naked in front of Rudy, which was embarrassing for her.

She covered her breasts and caved with her hands and averted her gaze to avoid eye contact with Rudy.

Rudy grabbed Angelica's hands and said, "It's too late to be embarrassed now. You have seen mine too."

Rudy looked at Angelica's smooth pale body, her soft and bouncy mountains, and her unexplored cave.

"Hey, look at me," Rudy said in a calm voice.

Angelica finally looked at Rudy and made eye contact with him.

"Is my body good enough for your liking?" she asked hesitantly.

Rudy kissed Angelica on her hand and said, "You are gorgeous."

"Really?" she asked with a knowing look on her face.

"Yes. I am having a 'hard' time believing I am about to fuck you..." he said with a grin on his face.

Angelica smiled at Rudy and said, "I am glad I died. Otherwise, I wouldn't have met you."

"Don't say that... Angelica..." Rudy smiled wryly at Angelica and said, "You did not deserve to die like that."

'The girl was alive even after getting stabbed 112 times. She died from blood loss.' Rudy remembered what he read in the article about Angelica.

"You did not deserve to die like that..." Rudy repeated. 'I can't imagine how she must have felt when she was dying. The pain she had experienced when she was taking her last breath.'

"Angelica..." Rudy rubbed his thumb on Angelica's hand and said in a solemn voice: "I promise you, I will find your killers and give them the same, if not more painful death..."

Rudy's face was emotionless when he said that. And Angelica knew at first glance that Rudy wasn't joking about that.

Rudy realized that wasn't the best thing to say when they were about to have sex, so he squeezed her breasts and played with her nipples.

"What about you? Are you sure you want to fuck me?" Angelica asked with a curious look on her face.

Rudy raised his brows in confusion and asked, "What... do you mean?"

"I thought you would say something like, 'I will save my virginity for my girlfriend.' or something," Angelica scoffed softly.

"No." Rudy shook his head and said, "Even in my previous life, I wasn't a virgin when I met Elise."

Rudy placed his hand on his chin and uttered, "In my previous life, I lost my virginity at around this time. No.. wait. This is January. I lost my virginity on the 14th of March. So after two months."

Angelica squinted her eyes and said, "It's surprising to know that you weren't a virgin."

"Hey, I am a normal teenage boy, okay? Just like others, I was also interested in those things. But I never got a chance," Rudy asserted in a solemn voice.

"Did you have a one-night-stand with someone?" Angelica asked with a curious look on her face.

"Ummm.. well..." Rudy averted his gaze to the side and said, "I was seduced and kind of... r*ped by someone."

"..."

"And it's someone you know," he added.

Angelica pondered for a while and said, "Eric?"

"What the fuck—? No! Of course, not!" Rudy shouted.

"Umm... Rize?" Angelica guessed.

"No. She only kissed me, nothing else."

"Then who...?" Angelica wondered.

"You will know in two months," Rudy replied with a grin on his face. "But now, let me seduce you."

"Hihi," Angelica giggled and said, "You seduced me the moment you named me and said, 'You belong to me'."

Rudy unzipped his pants and took out his snake.

"It's already hard..." Angelica said with an excited look on her face.

Rudy rubbed the tip of his snake at the entrance of Angelica's cave and said, "You said you don't feel pain, right?"

Angelica nodded and said, "I shouldn't."

"Then here I go..."

That night, in that forest, an ominous shadow was lurking in the mist, slowly waiting for a chance to attack Rudy and Angelica.

[Esper Harem in the Apocalypse](#)

Chapter 34: Beings Of Night

It wasn't midnight yet. Still, it was dark in the forest. There was no light source except the moon, which was also covered by the clouds in the sky.

The fog had covered the forest, and a cold breeze passed through the woods, making a weird sound.

In all that, a tiny bat flapped its wings and flew over the forest. It went to the tall mountain near the forest and landed on the peak.

Then, its shape suddenly changed into a white-haired girl with red eyes and shiny skin. She was looking in the direction of where Rudy was.

Of course, she was far away from the forest, and nothing was visible in sight because of the heavy fog and the dark. But the girl was using her special eye ability to see through the mist and darkness. Still, she could only make out the soul aura of Rudy and Angelica.

She could see Angelica because Angelica was a ghost, a spirit, a soul.

"Tch!" She clicked her tongue and muttered, "How dare a human enter the forest at night and do such a shameless activity!"

Her voice wasn't louder than a whisper, but it was full of anger.

"I was on patrol duty and sensed a human in the forest, only to see one in such a state..." she sighed. "I will have to punish them."

The girl plucked one of her hair out and whispered something on it. In the next instance, the white hair turned into a thin and sharp needle.

"I will use my strongest attack and penetrate that human soul with it. After that, he will lose all his body sense and become impotent," she stated.

She formed an 'O' with her thumb and finger and inserted the needle in it. Then, she adjusted and aimed it at Rudy's neck.

'I am only doing this because you are doing such a shameless act in our sacred forest,' she uttered inwardly before shooting the needle at Rudy.

The needle hit Rudy on his nape, but it shattered on impact.

"...!" Baffled, the girl raised her brows and muttered, "What just happened?"

'My attack was so powerful that it can penetrate the thickest and the most robust scale of the dragon! There is no way it can't affect a human!'

"I must have missed it! That's right. I missed it!" The girl reassured herself. She didn't want to admit that her attack had failed.

"I am on the mountain, and the surface is uneven. Besides, I am far away from the forest and can't directly see those humans. Plus, it's foggy, and it's been a long time since I last used this attack..." she gritted her teeth and uttered, "That's why I missed."

The girl stood up and said, "Range attacks won't work. I will have to go close and—"

The girl instantly changed into her bat form and flew away— not to attack Rudy but to hide from him.

When the girl stood up, she saw Rudy staring at her, or rather at her soul.

'Impossible! There is no way a human could see me from that far! Not even us, the beings of the night, vampires can see that far without using our abilities!' she asserted as she continuously flapped her wings to fly into the forest.

.

A while ago.

Rudy rubbed the tip of his snake in the opening of Angelica's cave and said, "I am going in."

Rudy slowly shoved his snake inside and penetrated Angelica's unexplored cave.

"Mn~" Angelica let out a soft moan.

"Was that a moan of pleasure? Or pain?" Rudy asked with a grin on his face.

"Of course, it was a moan of pleasure," Angelica replied. "And yeah, it seems I really can't feel pain."

"Then I will push it deeper without having to worry about hurting you."

Rudy pushed his snake further into Angelia's tight cave. But suddenly, he stopped and scratched his nape.

"What's wrong?" Angelica asked with a curious yet calm look on her face.

"Something sharp just touched my nape. It was probably some insect," Rudy chuckled. "We are in a forest, after all."

It was when the girl shot Rudy with her strongest attack.

After that, Rudy managed to insert half of his snake inside Angelica's wet cave.

"Are you in?" Angelica asked.

"Only half," Rudy replied.

"...!" Angelica was surprised. "I don't think it will fit."

"That's what they all say at first," Rudy scoffed. "I would be taking it slowly if it was hurting you, but—"

Suddenly, Rudy jerked his head backward in the direction of the tall mountain and stared at nothingness.

[Esper Harem in the Apocalypse](#)

Chapter 35: [Bonus] Mommy's Boy

Rudy jerked his head backward in the direction of the tall mountain and stared at nothingness. "What's... wrong?" Angelica asked, but this time, she was a little anxious.

"I just... felt like something was watching us. But I saw a bat flying, so maybe there is a cave nearby," Rudy responded.

"That way, you forcefully jerked your head backward looked scary..." Angelica uttered in an anxious voice.

Angelica grabbed Rudy's hand and said, "I am scared."

"Relax. I am here. And what are you scared of?" he asked jokingly.

"I don't know. Maybe something scary and dangerous?"

"But you are a ghost. Why are you scared?" he wondered. "And besides, I am here with you. What can possibly harm you when I am here?"

"I just want to go home...." she muttered. "Let's go home..."

Rudy stared at Angelica for a while and said with a sigh: "Fine."

He teleported to his room.

After a few seconds, the bat appeared on the exact same spot where Rudy and Angelica were before and changed its form to a girl.

"Did that human just disappear into thin air?!" she exclaimed with a baffled expression on her face.

"Wait, was it even a human? There is no way a human can possess such... power..."

The girl stopped her words and started sniffing.

SNIFF SNIFF!

"This scent... where have I smelled it before...?"

The girl pondered for a while as her eyes widened when she remembered the scent.

"It belongs to that human.... Rudy!" she gritted her teeth and uttered, "How dare he..."

"First, he defiled my innocent sister— Rias, and now he had the gall to bring another girl here and do that... indecent act!"

She clenched her fists and said, "I should have killed him three months ago when I had the chance. When he was a weakling who couldn't even protect himself..."

"But..." the girl remembered Rudy's prowess a while ago and muttered, "If he had truly acquired such great powers... what would he do when he finds out that my dear sister was punished for falling in love with him, a human..."

Rudy teleported to his room with Angelica, and half of his snake was still inside Angelica's cave.

SIGH!

Rudy let out a weary sigh.

Angelica squinted her eyes and asked, "Could it be that you didn't want to come to your house?"

"If I wanted to come here, I wouldn't have taken you to the forest," Rudy replied with a shrug.

"Why... did you not want to come here, though...?" Angelica asked. "It's not like your mother is home."

"Well... I got caught twice, and I did not want to get caught for the third time," Rudy sighed. "And... after my mother remarried, I shared this room with my sister. We took turns sleeping on the bed, so this bed was technically hers too."

"Oh..."

"And I don't think any brother would want to have sex with a girl on her sister's bed..." Rudy sneered. "I mean, I get it that she hasn't remarried yet. But for me, it's not any different. I still remember those peaceful days of my life."

"Umm..." Angelica didn't say anything, but she simply pointed her gaze at her cave.

Rudy pulled out his snake from Angelica's cave and said, "I will be right back."

After saying that, he left the room and rushed downstairs.

Angelica could hear the sound of doors closing and windows locking. But she could also hear clanking sounds, which she couldn't understand the reasoning behind.

After a few seconds, Rudy came upstairs while breathing heavily.

"Are you okay?" Angelica asked. "What was all that sound? Did you fall over or something?"

"No. I was doing dishes," Rudy replied honestly.

Angelica raised his brows and asked with a judging look on her face: "You were doing what?"

"Dishes. Remember we ate and came upstairs without doing anything..." Rudy uttered with an awkward smile on his face.

"You were doing dishes downstairs while a girl was waiting for you to get fucked in your room upstairs...?"

"Let me explain." Rudy rubbed the tip on his snake and inserted it into Angelica's cave.

"Please do."

"You see, mom would have come home tired in the morning. And if she had seen that I hadn't done the dishes, she would wash them herself. I didn't want to trouble her, so I did that," Rudy asserted in a gentle voice.

Angelica grinned and shook her head as she said, "You are such a mommy's boy, do you know that?"

Rudy furrowed his brows and said, "Don't call me that."

Angelica stared at Rudy with a serious look on her face and then said, "Mommy's boy."

Rudy frowned his face and plunged his entire snake into Angelica's cave in one go.

"Aanh~" Angelica moaned in pleasure. "Maybe I should have tried to make you angry a long before..."

"..."

Esper Harem in the Apocalypse

Chapter 36: Angelica's Prowess**

"Amn~ Nn~ Mnh~" Angelica moaned.

Rudy increased his speed with every thrust, but he made sure to not go too rough on Angelica.

Sure, Angelica couldn't feel any pain and she could only feel the pleasure of her cave getting railed by Rudy's snake. But Rudy thought he should take it slow on her the first time. He wanted to show that he cares about Angelica too, not only sex.

"Why are you not saying anything?" Angelica asked. "I called you mommy's boy just to tease you and make you a little angry. Just don't hate me... please..."

"I am not angry, and nor do I hate you," Rudy uttered in a gentle voice.

Rudy wasn't speaking anything because he was holding himself back from pounding Angelica's cave.

He could destroy a tall building by flicking his finger on it. So he thought if he got rough on Angelica, he might break her.

Of course, it wasn't possible. Even if it was some other human girl and not a ghost like Angelica, nothing would have happened to them.

Rudy hadn't realized it, but he had already gained decent control over his powers. Of course, his emotions and feelings also played an important role as he could destroy half of his city in his sleep if he ever had a nightmare.

Angelica looked into Rudy's eyes and said, "You can... go rough..."

Rudy raised his brows and said, "It seems you are feeling good."

"Of course, I am. It feels incredible..." she said with a flushed face.

It has been days since Rudy last saw Angelica's flushed face, and that made Rudy more excited.

"How about you ask for it nicely?" Rudy teased with a grin on his face.

Angelica stared at Rudy in disbelief as though she couldn't believe Rudy was being a sadist even while having sex.

"Please... pound my pussy. Fill me up with your big dick~ Ravage me inside out and mark me with your thick cum~"

"..." Rudy was left speechless after hearing that. "I... never thought you would really say those lines..."

"I learned it from the game you were playing at Eric's house that night," Angelica replied as she shook her hips up and down.

"...you were... awake...?" Rudy asked with an awkward smile on his face.

"I have already told you. I can feel your emotions when I am in your body, so when you were playing that game, you were horny. And so was I..."

Rudy was playing an adult visual novel game, where the protagonist had to meet new girls and seduce them to add them into his harem.

"Wait..." Rudy squinted his eyes and asked with a judging look on his face: "Don't tell me you suggested me to have a harem based on that game...?"

"Kind of..." Angelica replied with a shrug.

"Did you seriously—"

Angelica interrupted Rudy and said, "Stop talking about other things, and focus on fucking me!"

"..."

'I should do something about my habit of talking too much. I have annoyed many people in my past life because of that, although that was fun.'

After that, Rudy solely focused on pleasuring Angelica. He wanted her first time to be an unforgettable memory so that she could recall it every time they had sex in the future.

Rudy grabbed Angelica by her waist and raised her body so he could thrust faster and deeper.

"I will go rough, okay?" Rudy stated.

Angelica nodded in response and spread her legs, as though she was welcoming Rudy's snake into her wet cave.

Rudy adjusted Angelica's body and inlined with his snake. Then, she started moving her body back and forth as he thrust his hips at a steady pace.

"Anm~" Angelica had already started feeling good even though Rudy hadn't gotten to the rough part yet.

After that, Rudy increased his speed and started pounding Angelica's unexplored cave with his snake. His snake was exploring every spot of her cave and marking it as its own.

"Yes~ Please go harder~!"

Angelica's cave had become so wet and slippery that Rudy's snake could easily go in and out. However, the tightness of the cave was otherworldly.

The walls of Angelica's cave trapped Rudy's snake every time it tried to go deeper. The walls of her cave clenched Rudy's snake from all the sides as though it didn't want it to go out. But every time Rudy's snake went in and out, her cave welcomed it with even more tightness.

"Nnm~" she moaned and started shaking her hips. "I love this~"

"You are getting tighter every second," Rudy stated. "Are you about to cum?"

"I think so~" she replied with a moan.

"Then I will go harder."

The room was filled with Angelica's moans and the sound of their bodies hitting each other.

Suddenly, Angelica did something to her body that made Rudy go nuts, quite literally.

"What the—!"

Angelica had made her cave transparent so Rudy could see his snake going in and out of her cave.

"How did you do that?!"

"My skin and body is just a form. Just like how I can make my clothes appear and disappear, I made my pussy transparent too," Angelica replied with a slutty smile on her face. "Just as in the game you were playing. Now, you can see your dick ravaging my pussy."

Rudy could see that his snake was getting crushed and squeezed inside Angelica's cave by her wall. He could see how tight Angelica's cave truly was, and how his snake penetrated it again and again.

"An~ Nn~ Mm~ I don't think I can hold any longer~ I am going to cum~"

Rudy got even more excited and bigger after seeing Angelica's transparent cave, and he increased his speed. His snake was brushing against the wall of Angelica's cave, as though it would break if he railed her faster than that.

"Yes~ Yes~ Yes~ I am cumming~"

Rudy released his hot jizz inside Angelica's slippery cave, and he could see it getting filled with his white thick juice.

"Aanh~" Angelica moaned loudly as she wrapped her legs around Rudy's waist and accepted every single drop of his juice.

Then, she looked into Rudy's eyes with a flushed face and said, "That was amazing!"

However, Rudy wasn't done yet. He licked his lips and asked, "How was your first creampie?"

"I don't have anything to compare with..." she answered.

Rudy noticed Angelica's cave was twitching with pleasure, as though it wanted more.

"Time for round two."

Chapter 37: Moaning Angelica**

"Time for round two." Rudy turned Angelica around on her stomach and grabbed her waist. He pulled her hips up and placed her in a doggy position.

"Wait... I am not superhuman like you. Give me some time to— Aanh~!"

Rudy penetrated Angelica's cave from behind and said, "The fun has just begun."

"Be— Aanh~! Why does this feel so goood~"

"Do you like to do it from behind~?" Angelica asked in an alluring voice.

Rudy pulled out his snake from Angelica's slippery cave to tease her.

"Why did you pull it out?!" She yelled. "Put it in~!"

Rudy rubbed the tip of his snake at the entrance of Angelica's cave and said with a grin on his face: "Do you want it?"

"Yes~"

Rudy inserted half of his snake inside Angelica's cave and stopped to see Angelica's reaction. Angelica's cave twitched as Rudy's snake entered further in, but he stopped again.

"What's wrong? Give me more~" Angelica glanced at Rudy from the corner of her eyes and shook her hips.

"How about you take it in by yourself?" Rudy teased with a grin on his face.

Angelica pushed her hips back, and Rudy's snake plunged deep inside her cave.

"Yes~! This is what I wanted~"

Rudy moved his hand to Angelica's waist and started pulling her body back and forth. He also started thrusting his hips back and forth.

"Ah~ Mn~ Yes~ Yes~ Give me more~" Angelica's moans were making Rudy more and more excited. Not only were they sounding slutty, but they also sounded desperate and thirsty for more.

"Yes! Yes~ Yes~!"

Rudy was still having a hard time believing that he was having sex and that too with a ghost. He also felt a guilty pleasure when doing it with Angelica because, in his mind, Elise was the only girl he was supposed to have sex with.

However, that's what made their situation more exciting. Seriously, who wouldn't like to have sex with a ghost pet girl who is thirsty for her master's love?

Angelica wanted to get loved both physically and emotionally. And currently, she was enjoying the physical love called sex.

Sure, it wouldn't have felt that good if their feelings weren't mutual or if they had met in different circumstances.

"Do you like this position?" Rudy asked curiously.

"This one~ I like it from behind~!" Angelica answered while moaning.

"Is that so?"

"Yes~ I can feel you deep~"

"Then let me go deeper." Rudy moved his hands from Angelica's waist to her shoulders and increased his thrusting speed.

"Aanh~!" Angelica ended up orgasming once again.

"You got tighter."

Rudy grabbed Angelica's bouncing boobs from behind and squeezed them. Then, he pulled and raised Angelica's body back and kept thrusting his hips in the standing doggy style position.

"Yes~" Angelica looked up at Rudy's face and puckered her lips as though she wanted to kiss him. Rudy moved his face closer and kissed Angelica's on the lips. They kept kissing until Rudy shot his hot venom inside Angelica's now damp cave.

"Uhm~" Angelica also ended up orgasming once more.

Rudy kept his snake inside Angelica's cave until it stopped twitching.

"Did you like it?" Rudy asked with a curious yet calm look on his face

"Yes..." Angelica turned around and lay on her back. She shot a glance at Rudy's erect snake and said, "Your super libido is going to make any girl submit to you."

Angelica stroked Rudy's snake with her hand and sucked it to clean and make it wet.

"How about we do it one more time?" She asked with a flushed yet orgasmic look on her face.

"Sure..." Rudy pinched Angelica's nipples and asked, "But who said it would be the last round? I am going to nail you for the entire night until you pass out from the heavenly pleasure."

"I don't mind." Angelica pushed Rudy down and pinned him before saying, "Can I be on top this time?"

"Oh?" Rudy raised his brows in amusement and uttered, "So you want to take the lead?"

"Yes..."

Angelica got on top of Rudy and rubbed her cave on his snake.

Rudy copped the feel of Angelica's breasts and said, "You are already wet and dripping. Do just put it in."

"Mm..." Angelica slowly inserted the tip of Rudy's snake in her cave and said, "You are not allowed to move, okay?",

Rudy thrust his hips up and plunged his entire snake inside Angelica's cave as he said: "Were you saying something?"

"It's so big~" Angelica orgasmed the moment Rudy's snake plugged into her cave.

"Wow. You are still tight as you were during the first time..."

Rudy couldn't control his hips, and he started thrusting them up and down.

"Mm~ Nm~ Yes~ Yes~ Keep going~" Angelica moaned.

Rudy placed his hands on Angelica's hips and said, "You are supposed to move too."

"But it feels so good even with this~ I can't imagine how I would feel if I started moving too~ I think I will die~"

"Don't worry." Rudy moved Angelica's hips back and forth and said, "You are already dead."

"Mnh~"

Once again, the room was filled with Angelica's sexy moans, Rudy's soft grunts, and the sound of their bodies hitting each other.

They continued making love for the entire night without caring for anything else in the world. They both were lost in the pleasure without realizing it was nearly morning.

Neither of them knowing what was waiting for them ahead when Rebecca returned from her job.

Chapter 38: Not So Usual Morning

Rebecca unlocked the front door and walked into the house. She placed her purse on the couch and stretched her hands in the air.

YAWN~!

She looked at the time, and it was 7:43 AM in the morning.

"My shift was supposed to end at 5:30 AM, but the person who had the next shift came late, so I had to stay for two more hours," she sighed.

"I did get paid extra, though," she added.

Rebecca yawned once again and muttered, "I should make breakfast for Rudy before I sleep."

She made her way to the kitchen and started making breakfast for Rudy. Halfway through, she walked to the light switchboard and hesitantly pressed the switch.

Surprisingly, the light of the kitchen turned on.

"Great!" Rebecca sighed in relief and muttered, "I paid the bill two days ago, but it took a while for them to configure the electricity line."

"Now, Rudy won't have to study under the lamp or his phone's flashlight," she stated. "I will keep the electricity use to a minimum, so the bill comes out less."

After turning the stove at low, Rebecca went upstairs to wake Rudy up.

'He is usually awake by this time, but I guess he was studying up late again.'

She had no idea that her son was found fooling around with a ghost all night.

When Rebecca walked into the room, she saw Rudy sleeping with a blanket over his body. However, the shape of his body looked different.

'Why does it look like there are two people sleeping?' Rebecca wondered. But then, her eyes widened in realization.

'Did he bring a girl...'

Furious, Rebecca pulled the blanket from Rudy's body, only to see him naked with his snake greeting her eyes with a nod.

"...!"

Rebecca covered Rudy with the blanket and stepped back.

Fortunately, Rudy had woken up from all that. He opened his eyes and saw Rebecca standing in front of him with a somewhat mixed expression on her face.

Rudy glanced on the bed and saw Angelica sleeping naked beside him. But luckily, only he could see her.

"Why were you sleeping naked?!" Rebecca asked.

"I was... feeling hot..."

"What do you mean? It's January, and it's cold out there!" She said in a loud voice. "I do not like this, and I hope you don't develop a habit of sleeping naked. It's improper."

'She is surprisingly angry about this...!' Rudy thought to himself.

However, Rebecca was simply trying to hide her embarrassment with anger.

"I have made breakfast. Come downstairs and eat it. Or you will be late for school if you waste any more time."

"I will be there in a few..."

After saying that, Rebecca left Rudy's room.

SIGH!

Rudy looked at Angelica and smiled. 'We were doing it until like 30 minutes ago.'

Rudy and Angelica continued their love session for the entire night, and Rudy still wanted more. But Angelica passed out from the extreme pleasure after receiving too much of Rudy's power dose in her cave.

Rudy couldn't take his eyes off Angelica's face.

'She looks so happy and satisfied. I was worried when she passed out. But that was because I creampie'd her too much.'

"I don't want to wake her up, so I will place her into my body."

Rudy carried Angelica in his arms and absorbed her.

'It worked...'

Rudy was not even surprised by that since he could do anything he wanted to do.

After wearing his school uniform, Rudy went downstairs to see Rebecca still on the table with her head drooped.

"What's wrong, mom?"

"I am sorry for yelling at you just now. I didn't mean to do that," Rebecca apologized. "I truly am a terrible mother."

"You are not." Rudy held Rebecca's hand in his hand and said, "I already said this last night, right? You are the world's best mother."

"You don't really mean them..." she said in a disdainful tone.

"How could you say that? Not going to lie, I feel sad and disappointed..."

"You don't even look me in the eyes anymore when you talk to me. And you are recently avoiding making eye contact with me. People only do that when they lie about something." Rebecca looked into Rudy's eyes and said, "Honestly, you feel like a different person lately."

"That's not true..."

The only reason Rudy avoided eye contact with Rebecca or anyone he talked to was because of his 'see through' ability.

His 'see through' got triggered when he stared at someone or something for more than 10 seconds.

However, Rudy had learned to reset this ability.

If he blinked and kept his eyes closed for more than 1 second, his ability would get reset, and he would have to stare for another 5 seconds to activate the ability again. The other way to reset the ability was to avoid eye contact while talking. That way, he couldn't be staring at anyone.

Rebecca looked into Rudy's eyes and said, "If that's not true, then look me in the eyes."

Rudy reluctantly looked into Rebecca's eyes for a few seconds. He wanted to blink and keep his eyes closed for more than one second. But he was certain that Rebecca would find it weird, and she would take it as yet another possibility of Rudy lying to her.

With no other choice left, Rudy had to stare at Rebecca until she was satisfied.

"Now tell me that you love me..." Rebecca uttered in a low voice. "Wait... no. You don't have to say—"

Rebecca realized that what she asked for was too embarrassing, but it was too late.

"I love you, mom. And you are the best mother in the world," Rudy said with his honest feelings.

"...!" Rebecca's face flushed a little, but she managed to hide it. She tried to divert the topic by saying, "Let's eat breakfast now. It will get cold."

Chapter 39: Flirting With Alice

Rudy and Rebecca were eating breakfast when Rebecca suddenly said, "You know, when I entered your room to wake you up, it looked as though two people were sleeping on the bed."

Rebecca scoffed and continued, "At first, I thought you brought a girl over, but when I lifted the blanket, no one was there. So it was probably because of the sleeping position, or maybe the blanket had turned like that."

'Did her face just twitch when she said about me bringing another girl over?' Rudy asked himself.

He raised his brows and asked with a curious look on his face, "Just curious, but what would you have done if I had truly brought a girl over?"

Rebecca stopped chewing on her bite and stayed like that for a while before saying, "If you bring a girl over, then I would assume it would be your friend or your girlfriend. You two broke up because she had to move overseas, right?"

Rudy nodded in response because he himself had figured it out already.

"So that would mean you would bring another girl I have never met before. In that case, I want you to introduce her to me first before advancing your relationship like you did with your previous girlfriend," Rebecca responded in a calm voice.

'Mom is not the type of person to forget anyone's name. Heck, she even remembered the names of my classmates from middle school, while I can't even though it was like three years ago. So my mysterious ex-girlfriend is surely related to something supernatural. And I happen to be super too, a super detective,' Rudy smirked inwardly.

'Yeah, I doubt I would find any clues, but still. I will keep searching for every information I can find,' Rudy sighed.

"Are you not going to take a bath today?" Rebecca asked with a curious look on her face. "You were sleeping naked, so you should take a bath."

"It's fine."

"Oh! And we now have electricity, so you don't have to go to the station to charge your phone," Rebecca informed.

"Yeah, I noticed."

After eating breakfast, Rudy went to school. Of course, he teleported into the school's cubicle.

Luckily, he was on time, and no one paid attention to him because he mixed with the crowd.

However, Rudy felt like he should have listened to Rebecca's advice and taken a bath on his way to his classroom.

Rudy could smell various things from his body, and most of them were sweat and cum.

'I might be able to take a bath without wetting my body. What should I call it? Dry bath? Air bath?' Rudy scoffed.

However, Rudy did not know how to do that. He imagined his body getting clean, but nothing happened. And he didn't want to try something else, or he might end up drenching his body with water or something else by mistake.

Rudy entered the classroom and saw only a few students had arrived. Eric wasn't there, but luckily, Alice was there.

Rudy walked past Alice's seat and patted her shoulder before greeting her. "Hey, Alice."

"Where were you?" Alice asked with a knowing look on her face.

"What do you mean?"

"I waited for you so we could go to school together, but you didn't come, so I called you, and as always, you didn't pick up my call. So I called your mom, and she said you already left," Alice stated. "So I assumed maybe you already reached school. But you just came in... so... where were you?"

'How did I not notice this in my previous life?' Rudy sighed wryly. 'She is so in love with me.'

Rudy grinned at Alice and responded, "Where do you think I was?"

"Umm..." Alice pondered for a while and responded in a solemn voice, "With Rize?"

"No. I was in the washroom, obviously..."

"Oh!" Alice exclaimed in realization and said, "That makes sense."

"As for you calling on my phone, I wasn't aware of that. But from tomorrow onwards, you don't have to wait for me to go to school together," Rudy asserted.

. Alice's face turned pale after hearing that, but she couldn't say anything. She wanted to ask 'Why?' But she was afraid to know the reason.

"Instead. I will come to pick you up at your house every morning," Rudy added with a grin on his face.

"...!" It took a few seconds for Alice to understand.

'What's happening?!' She panicked inwardly. 'Is this a dream?! What's going on? I don't understand! We are already going on a date to the pool this Saturday. And now Rudy will come to pick me up at my house every morning?! That's...'

Alice shot a glance at Rudy and thought, 'Isn't it almost like we are dating?!'

Regardless, Alice was happy with the outcome.

"Alice."

"Alice."

"Alice!"

Rudy was calling Alice, but she was lost in her thoughts.

"Yes?"

"Have you got perfume with you? I forgot to take a bath today, so..."

Of course, Alice was aware of Rudy's circumstances. They were childhood friends, after all.

"Yeah. I just bought two of them yesterday," Alice nodded and took out two perfume bottles from her bag. One was pink, and another was sexy red.

"Which one do you want?" she asked.

Rudy sniffed Alice and said, "You smell nice. Give me the one you are using."

"..." Alice's face flushed for obvious reason.

"What's wrong?" Rudy asked with a confused and puzzled look on his face, as though he had no idea as to why Alice was blushing. But of course, he was playing dumb.

"I... am not using... any..." she replied.

"Eh? But you smell so nice..." he said with a slight smirk on his face.

"That's my shampoo..."

"Oh!" Rudy shrugged and said, "Then give me the one you like. I am going to sit beside you, so obviously, I would prefer to have your favorite scent on me."

Chapter 40: A Sudden Development

"See you tomorrow!" Alice said cheerfully as she parted ways with Rudy.

SIGH!

Rudy sighed as he watched Alice leave and wondered, 'Today was a long day.'

"Maybe because Eric didn't come to school today?" Rudy wondered.

'Are you sure?' Angelica asked. 'Maybe you were just bored because I was asleep this entire time?'

"So you are awake..." Rudy sighed. "Good morning."

'Good morning.' Angelica came out of Rudy's body and asked with a concerned look on her face: "What happened? You looked exhausted."

Rudy squinted his eyes at Angelica and asked, "That's because I am."

"Why?"

Rudy pulled Angelica's cheeks and said, "Unlike a certain someone, I didn't sleep a wink."

Angelica raised her brows and wondered, "But aren't you a superhuman? Why do you feel tired?"

Rudy turned to Angelica and shook his head in disbelief.

"What's with that look..."

"Did you become stupid after getting creampie'd too many times?" Rudy snorted.

"Then that makes you stupid too," Angelica remarked.

After a brief pause, Rudy said, "My superpowers come from my mental powers. And when I use them, it drains me a lot."

"Mentally," he added. "So I need to have a decent sleep or take an adequate amount of rest. Otherwise, I would not have proper control over my powers."

"That's true..." Angelica pondered for a while and muttered, "I fell asleep before you even when I am supposed to guard your body while you sleep."

Since Rudy had nightmares whenever he slept, he had asked Angelica to look after his body in the meantime. Of course, Angelica could sleep at the same time and wake up after feeling uneasiness from Rudy's power leak. But that would not be a good idea if Angelica couldn't take over Rudy's body to control him.

"Don't worry about it." Rudy moved his hands to Angelica's breasts and said, "Last night was awesome."

"Yeah, I enjoyed it too," Angelica said with a flushed face.

"You look cute when you blush," Rudy said with a grin on his face.

Angelica stopped blushing and shot a glare at Rudy.

"What?" Rudy asked with a confused look on his face.

"If that's your scheme to make me blush, it won't work," Angelica said. "Since we have already done the most shameful thing now. I would never get embarrassed again."

"..."

"In other words, I am not blushing for you, ever again," Angelica declared with a proud face.

"Oh?" Rudy nodded with a judging look on his face and said, "Challenge accepted."

Rudy grabbed Angelica's hand and teleported to his room after confirming no one was watching them around.

"Don't suddenly teleport without warning!" Angelica yelled.

"Why not?" Rudy cracked his neck to the side and uttered, "I have teleported before too."

"That was when I was inside your body," Angelica retorted. "But when you teleport me when I am outside your body, it feels... like... I am burning."

"Hmm~" Rudy placed his hand on his chin and pondered for a while before saying, "Maybe because you don't have a physical body, you are vulnerable to it."

"I am bad with quantum stuff," Angelic mumbled quietly.

"Remind me never to teleport again when you are outside my body," Rudy asserted with a serious look on his face.

Rudy glanced at Angelica, who was sleeping on the bed, and remembered his last night with her. Of course, he immediately got a boner.

Rudy climbed on the bed and moved between Angelica's legs. Then, he moved upwards and touched Angelica's body on her sacred spots. After that, he rubbed his thumb on her lips and kissed her.

"Shall we do it?" he asked in a calm voice.

"Don't forget you were caught at this very same time yesterday," Angelica sneered.

"Yeah..." Rudy jumped out from the bed and said, "I will go and see what mom is doing."

"Hmm.."

Rudy went downstairs and came up after 1 minute.

"What's wrong?" Angelica asked after seeing the expression on Rudy's face.

"She is not here."

"Maybe she is taking a bath or something?" Angelica wondered. "Did you check the bathroom?"

"I did," Rudy nodded.

"You... did you seriously check the bathroom?! What if she was in there?!" she exclaimed.

"The door was open, idiot. So, of course, she wasn't inside..." Rudy sighed.

Angelica got off the bed and wrapped her arms around Rudy's neck before hugging him.

"Don't worry. Maybe she went outside to buy groceries for dinner?"

"That's what I am thinking."

"So that means..." Angelica kissed Rudy on the lips and said, "We can do it when she is out."

"No, we are not." Rudy pushed Angelica back and said, "I am not doing it until she gets back."

"..."

"I mean, we will do it at night if she happens to have a night shift," Rudy added.

"And what if she doesn't have a nightshift?" Angelica asked with a judging look on her face.

"Then we won't," Rudy shrugged.

Angelica squinted her eyes and said, "You know. I noticed this before, and I wanted to say this sooner, but your affection towards your mother exceed—"

RING~ RING!

Suddenly, Rudy's phone rang.

Rudy looked at the caller and saw it was Rebecca.

He immediately answered the call and placed the phone on his ears.

[Rudy? Are you home yet?]

"Yes. I... I just got here. Where are you?" Rudy asked.

[Well... there is something I have to....] After a brief pause, she said, [You know what, I will just show you. Can you come to the cafe near the park in a few minutes?]

"I can, but what happened?" Rudy asked with a hint of curiosity in his voice.

[It will be better if I tell you in person,] Rebecca said in a calm voice.

"Alright, then. I will be there in 10 minutes."

After that, Rudy hung up the call and looked at Angelica.

"What happened?" Angelica asked.

"Mom was acting weird..."

Angelica raised her brows and asked, "Did this not happen in your past life?"

Rudy shook his head and said, "Nope. Since I changed the events by getting money. Mom is not joining multiple jobs like she was doing in my past life. So I am not sure."

After ten minutes, Rudy went to meet Rebecca.

He entered the cafe and saw Rebecca sitting alone at the table.

"Hey, mom..."

"You are here...!" She looked at Rudy and said, "Wait for a while. Someone is coming."

"..." Rudy knitted his brows and muttered inwardly: 'This... it's not what I think it is... right?'

"Oh! They are here too!" Rebecca pointed her gaze behind Rudy and said, "Rudy, meet them."

Rudy turned around to see two familiar figures standing in front of him.

One was a man in his early forties, and he was wearing glasses. While another person was a girl who looked around the same age as Rudy.

"Rudy, this man is my co-worker. His name is Joe, and I have decided to marry him," Rebecca stated.

"..."

"And this girl is his daughter. Her name is Lucy, and she is only a week younger than you. She studies in an all girl's high school," Rebecca introduced.

"..."
