Chapter 511: Promise (ii)

"I mean, since you have now been promoted, you will be busier. I don't think it's wise to waste your time commuting daily."

"You are absolutely right. But now that I am the chief, I have my own office with many facilities. I can bathe and sleep there. So if I am busy, I will most likely stay there."

"That's great. You can let me know if you ever need anything."

"Sure, sure. I will keep that in mind. Oh, right." Joe opened his bag and took out something while saying, "I bought this polaroid camera. Let's all take a family picture together."

"That's a nice idea." Rudy turned to Rebecca and said, "Mom, come here."

"Just a second. Let me set this stove on low."

Rudy stood in between while Rebecca and Lucy stood on his either side.

"Joe, you said it's a family picture, right? So you have to be here too," Rudy insisted.

"But then, who will take the picture?"

"There should be an automatic setting."

Angelica came out of Rudy's body and said, "I will take it."

Rudy grabbed Angelica's hand and pulled her close to him, saying, "You are also a part of our family."

Rudy said that to Angelica, but to others, it looked like he said to Joe.

Joe stood beside Lucy, and Angelica stood in front of Rudy, leaning on him a little.

"So... how does this work?" Joe asked.

"Let's say 'cheese,' and it will capture."

When everyone said that together, Rudy used his power to click a photo, but he didn't stop there. He took four pictures and waited for them to be printed out— although Angelica had moved away after the first photo as she didn't want others to see her in their copy.

However, when the images came out, Angelica wasn't in any of them.

"..."

Angelica smiled bitterly and said, "I knew this would happen."

"..."

Rebecca packed food for Joe, and he left soon after. But he left the camera with Rudy as it was supposed to be a gift for him.

After eating again, Rudy went to his room to grab clothes as he wanted to take a bath.

"..." Angelica was sitting on the bed with a gloomy face, and Rudy knew exactly why.

He sat beside her on the bed and hugged her before saying, "It's okay. Even if you are not in the family photo, you are still part of my family."

"I am not that sad. I know I am part of a bigger family— that is, your harem."

"Yeah."

"I will have my own family one day, right?"

"...yeah."

Angelica looked up at Rudy and asked, "We will also have lots of babies, right?"

"...yeah," Rudy nodded.

"Even though I am a ghost, you can make that possible, right?"

"Of... course. I can do anything for you."

"Do you promise?"

"Yes... it's my promise..."

He rubbed his hand on Angelica's arms as he stared at nothing.

"I promise."

After that, Rudy and Angelica went to the bathroom, where Rudy rewarded Angelica as he had promised. They didn't leave until an hour later when Lucy impatiently banged on the door.

At that time, Rebecca had already left for her night shift, so Rudy continued rewarding Angelica in his room, and the rewarding ceremony ran all night.

The following day, when Rudy went to pick Alice up for school, she was experiencing a hangover and was in no mood to go to school. And since it was a sports week, attendance was necessary.

Rudy wanted to suggest to Alice to stay at home, but then he remembered what she had said a day before.

'I have always been alone.'

So he changed his mind and took Alice to the vampire gang, who were preparing to sleep. The gang was happy to see Rudy, but they didn't show it on their face except for Rias.

Rudy copy-pasted one more bed for Alice and asked her to rest there. He also bought all of them a pair of headphones so they could watch different shows without disturbing each other.

After that, Rudy teleported back to Alice and didn't forget to pick Janet up. When they were on their way to school together, Janet asked:

"Where is Alice?"

"She is not interested in sports," Rudy responded.

"I see."

A brief silence later, Janet couldn't stay quiet and uttered, "Rudy..."

"Hmm?"

"Do you... hate me?" she hesitantly asked.

"No."

"Even though I used to bully you?"

"Well, I haven't forgiven you for that, but I don't hate you either."

Janet bit her lips and asked, "What should I do to get forgiven?"

"Hmm~" Rudy hummed in amusement and said, "How about you let me bully you back?"

"You... want to beat me?"

"No, of course not. And you never physically bullied me, so why do you expect me to do that to you?"

"How else do you want to bully me then?"

Rudy glanced at Janet's breasts without saying a word and shrugged his shoulders.

"..."

They reached the school, and the day passed normally. Rudy later dropped Janet back at her house after school hours ended. And then teleported to the vampire gang.

Only Rias, Alice, and Vriti were awake while the other two were still sleeping. They were watching a movie together, so Rudy joined them.

Later that evening, Rudy dropped Alice at her house and headed to his house. He ate dinner with Rebecca and Lucy and prepared to leave for the Underworld as it was the night of the VVIP tournament.

Of course, he was already disqualified from the tournament, but he was going to the Underworld to meet Maria, whom he hadn't seen or talked to in a while because she had made him promise that.

He left the house usually and informed Lucy about it so she could lock the doors and sleep without waiting for him to return.

Since the Ross Syndicate was now aware of Rudy's power, he teleported directly to the estate. Sure, the guards had also seen Rudy using his powers, but he had wiped that memory from their brains, so they couldn't remember anything.

Rudy was expecting to surprise Maria by suddenly appearing there, but Maria surprised him instead.

She was waiting for him in the living room, wearing a bride's outfit.

Chapter 512: New Maria

"Welcome. I have been waiting for you, but I should have expected you to arrive at your regular time," Maria said calmly.

"Umm... what's up?" Rudy greeted her awkwardly.

"Don't you have anything else to say?" she asked with a judging glare in her eyes.

'I don't like this version of Maria. Why must all the girls be scary when they are angry?' Rudy wondered.

"I want to say I am innocent, but I don't think that would be convincing enough," Rudy sighed.

"Why?"

"Because you won't believe me," Rudy shrugged.

"Is that how much you trust me?"

"That's not it. I am saying this based on me. If I was in your situation, I would be having a hard time trusting someone who... well, technically betrayed me."

"Rusher told me everything."

'Rusher? She always called him Rusher 'brother'. But now she is not calling him brother or father, she is calling him by his name!'

"I know what you are feeling, but I am on your side."

"I know." Maria smiled at him and said, "I know you were the one who pressured him to confess everything. So I am not angry at you."

'Lilim had said the same thing.'

"Are you sure? Because you do look a little angry to me."

"Oh, I am angry, but not at you."

"I see."

Rudy glanced around and asked, "Where is everyone? I don't see any maids and butlers around."

"I killed them."

"..."

"I killed everyone." Maria wrapped her arms around Rudy's neck and said, "Now, there is only us here."

"Umm... you do know that I have vision abilities, right?"

Maria squinted her eyes and said, "That's not fair. I can't prank you like this."

"Why would you even think that would be funny?" Rudy sighed and hugged Maria.

"I don't know. I thought you like that type of girl."

"Obviously not."

Maria kissed Rudy on the lips and said, "Rusher told everyone everything."

"Hmm? Everyone as in...?"

"The organizations in the Ross syndicates. When he told them, some of them were angry and wanted to kill him, while some of them were disappointed. Most of them left the syndicate, which is why it's now empty.

Our syndicate ranking dropped dramatically, and now we only have a few organizations backing us up, who might also leave us. We have Under Blades protection, so the situation didn't escalate as much, but it's still bad.

Ruby is at the VVIP tournament, and Rusher and the others have gone with her. Father and mother are sleeping in the rooms, so we are the only ones here," Maria informed.

"Do you not want to watch the VVIP tournament?" Rudy asked with a curious look on his face.

"No. I know Ruby will win."

"How can you be so sure?"

"Because this syndicate is on the line. If she loses, we all lose."

"..." Rudy lowered his gaze and uttered, "VVIP tournament is a death match."

"Huh?" Maria's face turned pale after hearing that. "What? How do you know that?"

"Why else do you think the previous candidates stopped gambling? Obviously, their lives matter more to them than money. I am sure there was also a condition where 'If the player wants to fortify for the tournament, they must not gamble ever again' for a certain period of time.

So the more Ruby advances to the finale of the VVIP tournament, the greater danger she is in. And unlike the other tournaments, the VVIP tournament is not broadcasted anywhere. No one will know what happened until it ends."

Rudy had thought a lot to come to that conclusion. He wasn't sure if he was right, but after playing a death match with Lu Bela the other day, Rudy was convinced that the VVIP tournament also had death matches.

"Are you saying that Ruby might die today?" Maria asked in a shaken voice. "I don't want that. She can't die. If she has to choose between the syndicate and her life, she should choose her life!"

Rudy placed his hands on Maria's shoulder and calmly said, "That's up to her to decide. She is the new leader of the syndicate, so she has every responsibility. I might know Ruby very well, but after a brief interaction, I can say for sure that she has a spirit to change the underworld."

"No, no! You have to stop her! You have to do something!" Maria demanded.

"Maria, Ruby is already aware of the risk. And she is still playing. Doing something would be like an insult to her. She has an opportunity to do something, so don't steal it from her, my love."

"But... but... what if she dies?" Maria asked with teary eyes.

Rudy shook his head and said, "That won't happen. Rusher and the others with whom are also unaware of this, but Ruby knows it all. And hey, the other participants also have the same amount of risk.

They can just retreat or cancel their matches, you know? I know Ruby won't do it because... well, she has the guts to take any risk. Just believe in her. I know it's hard, but it's not easy for her either."

"How am I supposed to not worry about her? She is my... sister..."

"Lady Maria, you shouldn't act like this on your wedding day," Lilim said from the stairs.

"Shut up."

"Yeah, why are you wearing this outfit?" Rudy asked Maria. "I mean, I know why you are wearing this, but why now?"

"I wanted to marry you today."

"With no celebration or anything? Are you okay with such a simple marriage ceremony?"

"Obviously, I am. But I want to marry you now. We can marry again later, but today is an important day for me, so I want it to be my wedding day," Maria stated.

She puckered her lips and glanced at Rudy with teary eyes.

"Can we get married today?"

"Of course."

Rudy glanced at Lilim and asked, "Would you be the priest?"

"Hah!" Lilim scoffed softly and muttered, "You are asking a demon to be a priest?"

"Why not? And... I can marry you too, actually."

"Nah, I am completely fine with being friends with benefits."

That night, Rudy and Maria got married in Lilim's presence, and they shared their first kiss as a married couple afterward.

Maria held Rudy's hand and said, "Let's go to my room. We will have our wedding night there."

Chapter 513: Maria's Room

Maria was leading the way to Rudy to her room, and Lilim was following them. Once they had reached the hallway of the inner area, Maria turned to Lilim and said:

"Thank you, Lilim. I will handle it on my own now."

Lilim smiled and said, "As you wish, Lady Maria. But don't force yourself. I am sure daddy won't want it either."

"I know."

Lilim turned around and went to the living room to distract herself from Rudy and Maria.

"Do you remember you asked me to visit my room when you came here for the first time?" Maria asked in a low voice.

"Yeah. And I also remember you turned me down straight."

"That's because I was embarrassed!"

"I know."

Maria glanced at Rudy from the corner of her eyes and remarked, "And I am not shameless like someone who would ask to go to a girl's room on the first visit."

"Ouch. So even you now started to taunt me like that, huh? But yeah, now that I think of it, that was kind of improper of me."

A while later, they reached Maria's room, which was unlocked. They entered the room, and Maria locked it so no one could disturb them.

Rudy glanced around the room and filled his lungs with the scent.

"Stop acting creepy," Maria commented.

"I am not. This room just smells... so much like you. I want to collect some scent in a jar and take it home," Rudy said jokingly.

"You can sit on the bed."

Without wasting a second, Rudy jumped on the bed and relaxed himself. He pressed the mattress and said, "Hmm~ Noice."

'Lilim's bed was similar, but this one is better, obviously.'

Maria walked to her desk and played an acoustic piano song on a loudspeaker.

"Uhhh..." Rudy pulled Maria onto the bed and placed her on top of him. He caressed her face and asked, "Is it safe to assume this is our wedding night?"

"Yeah."

"No, I mean... are we going to have sex?"

Maria's face flushed a little as she nodded without saying anything.

Rudy played with Maria's head and kissed her on the lips a few times to calm her down.

"Then let me do the work."

"Okay."

Rudy pinned her on the bed and gently squeezed her breasts as he slowly began taking off her clothes. First, her top and then her bottom. She was lying on the bed in her underwear, covering her breasts with one hand and her cave with another.

"Say, you said today is your important day. What is it?" Rudy asked her.

"Today is the day I was born."

"But... your birthday is next month if I remember correctly."

"It is."

"Oh. So Rusher lied about your birthday to his family, and now you found out that today is your actual birth date?" Rudy guessed.

"Yes." Maria nodded.

'I want to ask her about Rusher, but let's not ruin the mood.'

Rudy swiftly unhooked Maria's bra and moved her hand to the side so he could see her beautiful pair of breasts. He squeezed one and moved near to suck another.

His other hand was fingering Maria's cave gently to make her wet.

"Mh!" Maria moaned softly.

"That was a sweet moan," Rudy grinned.

"My stomach feels funny!"

"It will feel more funny."

Rudy removed Maria's panties and moved down to eat her cave. He inserted his tongue in and began eating her cave while sucking all the juice that was coming out of it.

"I am cumming!" Maria pressed Rudy's head against her cave and wrapped her legs around his neck.

Her cave began twitching as it got flooded by a wave of cave juice.

Rudy passionately drank all that and still continued licking her insides until her cave stopped twitching.

"Thanks for the drink. I was a little thirsty," he said to her.

Maria gulped down and said, "I am also feeling thirsty. Do you have a drink for me?"

"Oh? Being assertive today, huh? I like it." Rudy kissed Maria and whispered in her ears, "You will have to suck out the drink."

"I know."

Maria sat up and said, "Take off your clothes."

Rudy got out of bed and spread his arms with a grin on his face.

"What?" Maria asked with a confused look on her face. "You want me to take your clothes off?"

"Yup."

Maria squinted her eyes and said, "You have weird kinks."

"Hey, hey. I took off your clothes, didn't I?"

"You stripped me, and I didn't even realize. It seems you have mastered stripping girls," Maria remarked and began taking off Rudy's clothes.

"I have mastered many things, which I will show you soon enough."

It took a minute for Maria to take Rudy's clothes off because she had obviously never done that before. But most of the time was wasted in unbuttoning Rudy's shirt.

After Maria stripped Rudy naked, her gaze automatically locked on Rudy's snake.

Maria touched it and held it in her hands.

"It's hot and hard as ever."

She stroked it a few times and asked, "Is it just me, or does it look a little bigger than the last time?"

"Maybe."

Maria giggled, but suddenly her face turned gloomy.

"What's wrong, Rudy asked calmly?"

Maria hugged Rudy and asked, "Are you okay with me?"

"Hmm? What type of question is that? We are even married now, aren't we?"

"But... I am filth born from a disgusting act. How can someone love me?" she asked in a muffled voice.

"What does it matter? And you didn't choose to be born like that. It's not your fault in any way."

"But..."

"Do you hate your origin now?"

"Yes."

"Don't."

"It's easy for you to say."

"Well, if this makes you feel any better..." After a brief pause, Rudy uttered, "I have hots for my own mom."

"What?!" Maria exclaimed, unlike earlier when she was speaking in a low voice.

"Yes. Although I recently found out that she is not actually my biological mother. But that doesn't change the fact that I had a thing for her even when I didn't know that."

"So... it's okay for me to exist?"

"Obviously, you idiot."

Maria jumped on Rudy out of happiness and kissed him passionately as her breasts rubbed against his chest and Rudy's snake poked her cave.

Esper Harem in the Apocalypse

Chapter 514: First Drink

"So... I have to suck it, right?" Maria asked curiously while gazing at Rudy's snake.

"No, you have to worship it."

Maria glanced around on the floor and asked, "Do I have to sit on the floor?"

"That's up to you," Rudy shrugged. "You can sit on the ground on your knees while I stand, you can sit on the ground while I sit on the bed, you can sit on the bed while I stand, you can suck me while lying on the bed too, or we can just do sixty-nine."

"Sixty-nine?"

"Helping each other out," Rudy said while pointing his gaze at Maria's cave.

"Oh." After pondering for a while, Maria said, "I don't want to sit on the ground, so can I sit on the bed?"

"Sure." Rudy nodded in response, and Maria sat on the edge of the bed. He stood in front of her and said, "The sausage is ready to be eaten."

Maria slowly opened her mouth and kissed the tip of Rudy's snake. Then, she licked the sides with her tongue and began rubbing her lips on the shaft.

"It's so big... there is no way it can fit in my mouth or... down there..." she said with a flushed face.

"Don't worry, my dick is hard yet flexible."

"..."

"Yeah, that was a bad one." Rudy sighed. "I regretted it as soon as it came out of my mouth."

Maria slowly opened her mouth and began sucking the tip of his snake while using her tongue to lick all over it.

"That's a great start." Rudy placed his hand on Maria's head and said, "Now, slowly start moving your head back and forth and try sucking it more and deeper every few seconds."

Maria blinked once in agreement and started moving her head back and forth. With a gradual speed increase, Maria was able to suck half of the snake in one go.

A few minutes passed by, and Maria had gotten used to sucking it efficiently. She was making use of everything in the situation. She used her hand to stroke Rudy's snake and her tongue to keep playing from the sides and the shaft while sucking.

"Girls these days are quick learners," Rudy commented. But then he placed his hand under his chin and muttered, "Maybe I am just a great teacher?"

Maria bit Rudy's snake playfully and squinted her eyes at him for hogging all the credit and praise for himself.

"You won't get my praise until you manage to make me cum," Rudy stated. "I can give you a tip; stop using your hands. Suck all the way in, but only at your capacity. You can place your hands on my thighs while you do that."

Maria stopped stroking Rudy's snake and placed her hands on Rudy's thighs. She used them as a support to move her entire upper body back and forth, unlike before, when she was only moving her head.

"Yeah, this is much better."

Rudy wanted to feel even better, and he was dying to see 'O' face of Maria. So he grabbed her hands from his thighs and let her continue.

Now, Maria had no support, so she was trying her best to move her body while also sucking forcefully. She got used to it within a minute and increased her speed.

"Look at me, Maria."

Maria ignored Rudy's words and continued sucking him off. She was so immersed that she didn't hear Rudy's voice.

"Maria." Rudy played with her hands. "Look me in the eyes."

Maria looked into Rudy's eyes and continued sucking, but her face was flushed, unlike before.

"You look great."

A while later, Rudy said, "When you suck out, do it slowly. You can suck in at a regular speed."

Maria did as Rudy asked her to and moved slowly whenever she sucked out. Of course, she did all that while still gazing into Rudy's eyes.

That's what made them feel more excited.

Rudy's snake began twitching a few minutes later, but Maria didn't know what was happening as it was her first time.

"Shot is coming!"

Maria prepared herself to receive a load of Rudy's milk, but even though she was prepared, she couldn't manage to keep his entire load in her mouth as it was filled, and her cheeks were puffed.

Rudy kept his snake in Maria's mouth and asked, "I am going to pull out now. Feel free to spill. You can't do everything the first time."

Maria shook her head and sucked Rudy's snake deeper.

"You want me to keep it in?"

Maria nodded in response.

"Alright."

Slowly and steadily, Maria began to gulp down Rudy's milk. She swallowed some with every gulp and eventually managed to drink everything without spilling a single drop. What's more, is that she did all that while keeping Rudy's snake in her mouth.

Even after that, she continued sucking him off, but she focused more on the tip. Rudy patiently waited for Maria to finish so they could move on to the next step.

"That was so awesome!" Maria said cheerfully while licking the tip with her tongue.

"Hmm?"

"You cum!"

"Oh? Did it taste sweet?" Rudy asked curiously as a joke.

"Yes, but not too sweet. It was like I was drinking a thick sweet milkshake. It's sweet but not like a sweet drink in which you can easily feel that it's artificial, and you get bored of it after drinking a few sips. But your cum was amazing! I even feel energetic all of a sudden! Can I get one more shot?"

"Well.. we do have the entire night by ourselves, so I guess you can."

'How did my cum become sweet again? Was it because I visited the vampire world recently? Or... was it because the vampire gang is here? Angelica didn't mention anything about the taste even though we fucked all night... no, wait.

She never sucked me off last night, did she? We only fucked. The same with the night before with Reina, Jane, and Niti. Hmm~ I should do some research on why the taste is changing and how long it will stay in effect.'

Chapter 515: Wedding Night

Foods and drinks are necessary for every living being, whether a human, animal, bird, or beings belonging to other races. But it was also a sense of entertainment in life.

Everyone loved to eat and drink to their heart's content, but only a few of them got to eat their favorite food or drink every day. In drinks, they like it because of its sweet flavor and can't stop drinking it.

Some might even become addicted to eating. But they know they have to stop it at one point, or drinking too many sweets and drinks could harm their bodies, which is bad for their wallet in every way.

However, Rudy's milk was nothing of that sort. It was beneficial in every way, and it was available for free, but it was only for the girls. They could get it by sucking a pipe and enjoying the drink once it's loaded.

"I am cumming!"

Maria was in such a situation. Even though she had asked for only one more shot, she had just received her fifth shot. And unlike before, she began swallowing it fast while still savoring its taste.

She grabbed Rudy's snake and said, "One more, please! This one will be the last!"

Rudy raised his bro and said, "You said the same thing the last time and before that too."

"No, this will be the last! I promise!"

"No."

"Please!"

"No means no!"

Maria puffed her cheeks and started rolling on the bed like how a kid would cause a tantrum when the parents didn't buy them their favorite toy.

"Come on~ You will get to drink it later. I want to have sex with you right now."

Maria covered her cave and said, "I won't let you put it in."

"Wow. That's... that's the first time someone has ever threatened me like that," he chuckled nervously.

"If you want to fuck me, then you have to let me have one more drink," Maria demanded.

Rudy pondered for a while for a solution and said, "You know, you can still drink it later."

"You said the same thing a while ago."

"This is different. Listen, I will fuck you, and when I am close to cumming, I will shoot it in your mouth," Rudy suggested. "That way, you won't even have to tire your mouth to suck my dick. And in fact, you will feel good when I fuck you."

Maria squinted her eyes and said, "You better not be lying."

"You will see that for yourself," Rudy smirked.

He climbed on the bed and spread Maria's legs, but Maria was still covering her cave with her hands.

"Do I have to do the honor?" he asked.

"Go ahead."

Rudy moved Maria's hands from her cave and touched it before inserting his finger in.

"Your pussy is so wet. How could you torture her like that."

Rudy sucked all the juice from her cave and spread the opening using his thumbs.

"Looks ready."

Rudy placed his snake at the entrance of Maria's cave and inserted the tip inside.

"Will it hurt?" Maria asked in a meek voice.

"Well... yes."

"Can't you make it so it won't hurt?"

"Hmm?"

"You can do anything, right? Why don't you do something that would make it painless?" Maria asked with a curious yet calm look on her face. "It's okay if you can't do it, though."

"No, it's a good idea, actually. It doesn't seem so hard. I could make it possible by using painkiller and anesthetic principles, but that would also make it pressureless. And believe me, sex is nothing without pleasure."

After a few seconds of pondering, Rudy snapped his fingers as he got an idea that sounded rather simple but complicated to make it possible.

"I can block the pain receptors from sending the signals to your brain. That way, you won't feel any pain, but the pleasure will still be there," he stated.

"Do it then."

"I am not a doctor, but I can try." Rudy placed his hand on Maria's cave and muttered something.

"Did it work?" Maria asked.

"I did what I had to do, but now it's time to test it."

Rudy pushed his snake a little deeper as the entire tip penetrated Maria's cave.

"It's not hurting."

"Wait for it to reach your hymen."

"You are scaring me with suspense!"

Rudy took a deep breath and plunged his entire snake inside Maria's cave in one go.

"...!" Maria's eyes widened as her cave got filled with Rudy's snake.

"Did it hurt?" Rudy asked calmly.

"No... but I feel... weird? I feel like my stomach is plugged by something hot, long, and thick. I wonder if that's what it feels like to get stabbed."

"Don't talk about that when we are having sex," Rudy sighed.

"I am a mafia, so it's natural for me to talk about that," she grinned.

Rudy glanced at Maria's cave and muttered, "Well, you sure are bleeding. And... your bedsheet is now stained."

"What?! Why am I bleeding? Am I going to die?!"

"No..." Rudy shook his head in disbelief and muttered, "This is why you get sex education from an authentic source. And why are you acting as if you have never had your periods?"

"Would you believe me if I said I reacted the same in my first period?"

"I totally would. That's something you would do."

"Lilim had helped me out at that time."

Rudy massaged Maria's breasts as he slowly began to move his hips back and forth. He could go fast as Maria wasn't feeling any pain, but that wouldn't make a difference as she wouldn't feel good from it either.

Rudy wanted Maria to taste the pleasure of sex as he had done to the other girls.

A few minutes later, Maria began to moan softly, seemingly enjoying her first-ever session. Her moans gradually became louder and louder as she tasted the pleasure of sex

She looked into Rudy's eyes and said, "Move faster!"

Thus began the wedding night of a Mafia Princess and the Harem Lord.

[Esper Harem in the Apocalypse](#)

Chapter 516: Moaning Challenge

"Faster~ Move faster~!" Maria demanded.

"Oh? Is that how you ask for something?" Rudy replied with a grin. Of course, he wasn't going to let her tantrum from earlier slide so easily. He teased her for a while with a slow thrust but then increased his speed.

"Amn~ I feel like I am going to cum again~" Maria moaned.

"Then go ahead. My drilling won't stop until you pass out."

After a few seconds, Maria clenched the bedsheet as she got closer to orgasm. Her cave twitched, but Rudy didn't stop until she had orgasmed.

"Aanh~!" She moaned loudly.

However, Rudy only stopped for a second and continued railing her.

"Wait... why does it feel even better now?!" she asked.

"That's the pleasure of sex."

"Mnh~ Hey! Why is it so tingly~?" Maria asked while moaning.

"You are just sensitive right now."

Rudy gently squeezed Maria's breasts and pulled her up on his lap. Then, he continued moving his hips while squeezing Maria's breasts. Their eyes locked with each other as their lips touched several times, but they didn't kiss.

"Maria..." Rudy called her name and kissed her once and twice, and then once again. He continued kissing her while enjoying her soft body and sensitive reactions.

He played with her nipples while sometimes biting her lips and thrusting hard.

Maria had lost the sense of everything. She no longer cared about her drink or any other worries she had otherwise.

She wrapped her arms around Rudy's neck and continued kissing while he did his work. A while later, she bit her lips as she also began to move up and down. Her grip around Rudy's neck became tighter, and her kisses turned aggressive.

Rudy realized that she was about to orgasm soon, so he stopped and pushed her back on the bed. Then, he grabbed her by her waist and pulled her up, increasing his thrusting speed.

"Anh~ Mnh~ Nh~" She moaned.

"I know you are trying your best to hold your moans, but the harder you try to do that, the more exciting it will get. I will make you moan anyway, so you can just stop trying now."

"No~ Mnh~ I don't want to act shamelessly like Lilim who was yelling so loud. I don't want you to see me like that~"

"Oh, I love it when the girls moan with my dick. Come on, stop trying. You are the only girl I don't want to tease on the bed," he said calmly.

"Mnh~"

"Well, have it your way, then."

Rudy spread Maria's legs a little and wrapped them around his waist. He also used telekinesis to hold her in the air while his hands played with her breasts and the clit.

"...!" Maria bit her lips harder and clenched the bedsheet to hold her moans, but there was no chance of winning against Rudy.

Rudy decreased his thrusting speed but began to push his snake deeper and deeper with every thrust. He would often start thrusting fast and slow down in the next thrust.

His next move was unpredictable, and thus Maria couldn't prepare herself for it. She had realized that sooner or later, she would end up moaning out loud, just like how Lilim was.

"Oh, you are lucky," Rudy said. "I am about to cum soon too."

"Really?!" Maria asked curiously. "Let's cum together!"

Maria assumed that if Rudy was close to cumming, she would be able to hold her moans until then, but she was gravely mistaken.

"Yeah, in about five minutes," he added.

"Five minutes?!" Maria exclaimed. "That's—anh~"

Maria covered her mouth as she accidentally let out a loud moan.

"Okay, since you like gambling and playing games, how about a challenge?" Rudy asked with a grin on his face.

"Hmm?" Maria raised a brow without opening her mouth.

"If you manage to hold your moans until I cum, I will let you drink my milk. And if you end up moaning, you won't get your drink for the rest of the night."

"Hmm!" Maria furrowed her brows in anger, but she couldn't risk opening her mouth.

"That's fair, right? If you want to drink my milk, you will have to work for it. You can do anything you want to hold your moans. You can keep your hands on your mouth like you are currently doing," Rudy shrugged. "And as for me, my dick is enough."

After that, Rudy turned on his piston and began pounding Maria's cave slowly and roughly. Maria's breasts bounced as Rudy thrust against her, and as a fan of soft and bouncy objects, Rudy couldn't hold his urge to squeeze them.

Maria couldn't contain all the pleasure and ended up leaking a moan.

"Nhm~!"

'She is a tough one. Even Jane wasn't able to hold her moans for that long. Her mafia training must be something else. Without a doubt, she is moaning, but her moans are not passing through her mouth. Not to mention, she is tight as fuck. She must be enjoying it too much.

And her pussy has also been twitching for a while now. She is trying to hold her orgasm so we can cum together. I have to admit, her concentration skill is admirable.'

Rudy wanted to remove Maria's hands from her mouth, but doing so would count as cheating. Unless, of course, she moved them by herself. However, there was a trick he could use to do that without breaking the rules.

He continued to squeeze her breasts and moved his face closer to suck them. He pinched her nipples and sucked them alternatively.

Maria thought that was Rudy's scheme to make her moan, but she was wrong.

Rudy grabbed the opportunity when Maria was focused on something else; he moved her hands from her mouth and kissed her on the lips.

"...!"

Maria's eyes widened in surprise as she now had no way to hold her moans.

At the same time, Rudy increased his piston speed and pounded her deeper and faster.

"Mnh~ Anm~~ Mnh~!"

Maria was moaning while kissing Rudy, and the only way to stop herself from moaning out loud was to keep kissing Rudy until he came.

However, that made her stray from her goal, which was to drink his sweet milk. One way or another, Rudy had managed to make Maria forget about everything else.

Chapter 517: Time To Moan

Maria wrapped her arms around Rudy's neck and tightened the grip of her legs around his waist. She was gazing directly into Rudy's eyes as he pounded her with pleasure.

Her face flushed red as she finally realized how indecent the act was. Still, she had no plan to stop. She ultimately embraced the fact that sex was all about pleasuring herself and her partner.

She no longer cared if she moaned or not, but since their lips were still locked with each other, her moans didn't leak out.

A few minutes later, Rudy released his fresh hold load of milk inside Maria's thirsty cave. Of course, Maria had orgasmed at the same time, but her moan was muffled by the kiss.

Maria had won the challenge, but she wasn't happy about it because of what she had done. She had to kiss Rudy hard to stop herself from moaning out loud when she orgasmed with Rudy, but she ended up biting his lips, which bled.

She was scared and anxious when she tasted Rudy's blood. Her eyes widened in shock as she stopped kissing him and placed her hand on his lips to prevent them from bleeding.

"I am so sorry! I will call Lilim right now! She will—"

Rudy smiled and kissed her hand before moving it from his lips.

"Don't worry. The wound is already healed," he said calmly.

Maria touched Rudy's lips and rubbed her thumb on them to wipe the blood from them.

"It's really healed..." she muttered. "How did you do that?"

"Did you forget who I am?"

"I sometimes do. I still see you as a man I met in the casino," she chuckled.

"And you were a spoiled brat who forced me to play with her," Rudy added.

Maria squinted her eyes and said, "I am not a brat anymore. You turned me into a woman tonight."

"For some reason, that statement sounds full of responsibilities."

"So... why did you bleed?" Maria asked. "You had said that even a bullet can't penetrate your skin, so... could it be that your lips are your weak spot?"

"No. I am... vulnerable when I am having sex."

"Hmm? What does that mean? I understand what that means, but I don't understand what you mean...uhh... what you are trying to say..."

Even Maria had gotten confused while trying to understand her question.

"In simple words, I make my body human... while having sex. I turn off all my body systems that are automatically operated by my powers."

"Why would you do that?"

"To have safe sex."

"..."

"And... I don't mean condoms, of course. Damn, this conversation turned awkward all of a sudden."

"What would happen if you don't turn yourself... human while having sex?"

"Well, I don't do that all the time. Like when I am with the vampire, I keep the system on but at low power because... well, they would overpower me otherwise as I would be a human and they would be vampires. And the same with Lilim, as she is a demon.

But when I am with Angelica and Reina, I need to keep it off as it's perilous. And to explain that in even simpler words..."

Rudy placed the tip of his finger on the bedsheet and pushed it down, penetrating it to the mattress.

"...wow."

Rudy restored it immediately and placed the tip of his finger on the wall. He penetrated the wall effortlessly like one would insert their finger in water or any liquid.

He restored the wall and asked, "Did you see that?"

Maria nodded without saying a word.

"If I keep this on while having sex with a human, they would break quite literally."

"Yeah, I can see that. Your dick would penetrate everything."

"..." Rudy sighed softly and said, "You didn't have to put it like that."

Rudy's snake was still inside Maria's cave, and it was so tight that not even a single drop of Rudy's milk had leaked outside.

"And yeah, you won the challenge," Rudy added. "Although I had nothing to lose even if I lost."

"No." Maria shook her head while gazing into Rudy's eyes and said, "I didn't win. I lost the challenge. I cheated by kissing you hard so my moans wouldn't be heard. In truth, I moaned at every thrust."

"No, you didn't cheat. That was my plan to kiss you, but I failed that too. And I was kidding about not letting you drink my cum. It's all yours."

"You know..." Maria brought her face close and kissed Rudy a few times before slowly getting on his lap. "It felt good when you released it inside me. It sucks that I can't drink it, but getting filled down there is not bad either."

Maria might have won the challenge, but in the end, it was Rudy who won the game as he defeated Maria on their real deal.

"So, are you ready for the next round?"

"Can you wait a little longer? I think if you move now, I will end up moaning," She asked with an innocent look on her face.

"Heh," Rudy smirked and squeezed Maria's breasts before pushing her down on the bed. "Time to moan."

"Wait! I thought the challenge had ended already!"

"It is, but my goal is still the same— that is to make you moan."

"I will~ I will moan for you! But I am very sensitive right now after cumming two times. If you continue now, I will go insane due to the pleasure!"

"That's what I want, my love."

Rudy slowly pulled his snake out, but he didn't pull all the way as he didn't want his milk to spill just yet. He kept the tip inside and carefully turned Maria on her all fours.

"Are you going to fuck me from behind?"

"Yes. We are going to try all the positions, and you will rate them from the bestest to best."

Once again turned on his piston and began hammering his snake to shape Maria's cave.

"No~ That's cheating~" Maria began to hide her moans behind her words, but that was of no use.

Just a minute later, the room was filled with Maria's moans, their bodies clapping against each other, and the acoustic song Maria had played in the beginning after entering the room.

Chapter 518: Retirement Plan

It has been three hours and fifty-one minutes since Rudy began his second round with Maria, and since then, they have enjoyed battling on the bed to take the lead.

Currently, Rudy was lying on the bed with his eyes closed, and Maria was cleaning his snake, or rather, trying to pump out more sweet milk to drink.

The slurping sound made it obvious that Maria was desperate for it.

"I cannot believe you have gotten so much better at a blowjob. Even Angelica, who is the thirstiest member of my harem, took a few days to master it perfectly," Rudy said without opening his eyes.

Maria slowed down on sucking and said, "I have been trained to learn fast, and all I have done my entire life is train, train, and train. So it's easy for me to learn things after trying it a few times."

"Or you are just dying to drink my cum," Rudy chuckled.

"I am! Now, shoot it fast!"

"Excuse me, you cum addict maniac. I already gave you two shots in the last forty minutes. Give me a break, girl. You are just too energetic for some reason," Rudy commented.

"Am I?"

"Yes. No girl has ever lasted for three hours, let alone suck my dick so energetically afterward. Let me add 'no human' girl. Although the only girl who was super energetic after sex was Jane."

"I do feel tired, but drinking your cum makes me feel energetic," Maria responded.

"You said that before. You were serious about it?"

"Yes."

"I had no idea my cum was an energy drink. Anyway, keep sucking, I am—"

"Don't you dare say it. I don't want to know when you are going to cum." Maria stroked his snake and began licking the tip.

"You are the first girl who has ever said that to me. You sure are a weird girl, Maria."

"I want to be surprised when you cum."

Maria sucked his snake for five more minutes until Rudy released his load inside her mouth. She sucked so passionately and aggressively that she swallowed his milk without any struggle.

Still, she kept sucking as though she was expecting more.

"Stop right there, or my balls will come out of my dick. You are sucking too hard."

Maria still continued to suck for a minute before finally stopping. She climbed on top of Rudy and sat on his stomach as she gazed into his eyes.

"You know, when all this ends and I wake up in the morning, I am so going to regret my behavior. I will be embarrassed to even look at you," Maria muttered quietly, as though she never wanted to say it out loud.

"We still have a lot of time before morning. You can go wild."

"Then..." Maria slid her hips back to Rudy's thighs, grabbed his snake, pointed it towards her cave, and slid forward.

"Mnh~"

Rudy's snake effortlessly entered her cave in one go.

"Now it's going on so easily. And every time you fill me up with your dick, I feel awesome. That might be the best feeling, second to getting creampie'd," she stated with a smile.

"I see you are using the words I taught you." Rudy moved his hands to Maria's breast and squeezed them for a while before pinching her nipples and pulling her close.

"Nhm~ You really like playing with my boobs and nipples, don't you?"

"That's a question you didn't need to ask as the answer is and always will be yes."

Maria slowly began to move her hips back and forth while pressing her hands on Rudy's chest.

"I noticed this before, but it truly feels different when I am the one moving. Is it the same for you?" Maria asked curiously. "Do you feel different when I do the moving?"

"Yes. And you are so tight that I can't help but move my hips in response."

Maria squinted her eyes and said, "Don't you dare do that. You did the same last time. I want to enjoy every moment of this pleasure."

"And so do I."

Maria continued riding Rudy and moving her hips at her pace. Rudy would once in a while trust his hips back and down and move Maria's hips back and forth to tease her while he played with her breasts.

"So..." Maria rubbed her finger in a circle on Rudy's chest and looked into his eyes before asking, "You have creampie'd me so many times, and I know that a girl gets pregnant when that happens."

After a brief pause, she gulped down and asked, "Am I going to make a baby too?"

"No. You are too young to be a mother."

"What's that supposed to mean?"

"That means that you are still a kid. I don't want to ruin your life by impregnating you," Rudy replied with a soft sigh.

He wanted to avoid conversations like that, but he couldn't prevent that from happening if a girl asked him.

"Excuse me, mister. I am nineteen— I just turned twenty today!"

"And that's still a young age."

"I wouldn't mind if I became a mother..." she mumbled.

"It's not about that, Maria. You should enjoy your life, everyone should. We can have babies at a later age. And then there are the responsibilities that might become a burden if you stress them.

Let me explain in simple words; when you get a new toy, you need to take care of it— that's your responsibility. When you get a new phone or anything new, it's natural and obvious that you must take care of it.

If you become pregnant, you will have to take care of yourself and the baby in your womb. I will have to take care of you and others. So let's just enjoy your life while we can.

You know, life gets pretty boring when you can do anything you want. And I am that boredom. I look forward to spending my time with you girls every day. Moreover, it's not like I don't want to be a father, but I wouldn't impregnate a girl who is younger than twenty-three."

Rudy had yet to discover many things about the world and, most importantly, about his powers. He had to take care of everything else before retiring and living a peaceful time with his harem.

Chapter 519: Sister-in-Law

Black... or nothingness. One could call it a void or an abyss; the term wouldn't change its meaning. What is nothingness, and why it came to be? No one knew. But everyone had seen nothingness.

When one closes their eyes, they see nothingness. When they sleep, they dream of nothingness. One could say sleeping is no different than dying; just sleeping is a temporary visit to nothingness, while dying is permanent.

Rudy found himself in a place like that. He couldn't remember how he got there, but he was there. He couldn't see his body, nor could he feel it. He couldn't speak nor hear anything. Only his consciousness was present there.

"..."

"...y"

"...d.."

"Ru..."

"Rudy..."

"Rudy."

"Rudy!"

Rudy opened his eyes in shock and sat up straight on the bed. He took a few breaths and held his head in his hands.

"It's been so long since I had a headache. What's... was I dreaming of something?"

Rudy looked to his left and saw naked Maria sleeping beside him with a happy smile and satisfied look on her face.

"Right."

He closed his eyes and stretched his hands in the air before turning to his right to get his phone and see the time. Only to see Ruby standing in front of him.

"..."

Rudy raised his brow and stared at Ruby for a while before asking, "Is this a dream?"

"..."

"I guess not," Rudy sighed. He ignored Ruby and still got up from the bed, revealing his naked body and exposing his morning wood to her.

He grabbed his phone and groaned, "It's past 10 AM in the morning! My school... Alice... Janet..."

Rudy checked the messages and missed calls and nodded, "Yeah, she is going to kill me."

"Would you mind covering your naked body?!" Ruby finally broke her silence.

"Why are you acting like you have never seen one before?"

"Because I haven't!"

"Well, I knew that, but knowing your personality, I expected you to answer with 'Damn, right! I have seen many cocks!' or something. Isn't that how sisters-in-law are supposed to react?" Rudy asked curiously.

Ruby took out her gun and said, "Cover your junk, or I will shoot your balls."

"Wow. Now that's what a mafia would say."

"I am not joking!"

Rudy pointed his finger between Ruby's legs and said, "Give me that!"

Ruby's face twitched in anger as she moved her finger to the trigger and said, "First, you had the gall to defile... Maria. And now you have the guts to imply to do the same to me?! I will shoot them so you—"

"Hey, hey! Relax, I am not implying anything. Stop assuming things." Rudy once again pointed his finger between Ruby's legs and said, "You are standing on my pants. Pass me that."

Ruby kicked Rudy's pants to Rudy and said, "Then you should have said that first."

"Can you stop pointing that gun at me?" Rudy asked while wearing pants. "And why are you here?"

"I was here to check up on Maria since it was already past ten, and she hadn't woken up," Ruby replied honestly.

"Where is Lilim? She should have stopped you or at least informed you."

"She is also sleeping."

"Yeah, figures. If she was up watching television all night. Let her rest, will you? I know that 98% of the maids and butlers— who were also the assassins and hitmen— have left the syndicate, but Lilim is Maria's bodyguard, so don't make her a maid," he asserted in a solemn voice.

"..."

"Anyway, you could have said something if you were here, you know. Why were you standing in front of the bed like that?"

"I was baffled to see you naked on the bed with Maria. I know you two were engaged, but you took advantage of her when no one was in the estate!"

"You love assuming things, don't you?" Rudy chuckled softly and said, "Maria and I got married last night!"

"What?!" Ruby exclaimed in astonishment and asked, "What do you mean?! That's not even possible! I didn't know about it!"

"No one does. Lilim was the priest. And to be honest, I didn't want to do it. I wanted the marriage to be grand and be celebrated with family, but Maria insisted, saying that it's a special day for her and she wanted to make it more special."

"And I can't say no to the girl I love," Rudy added with a shrug. "But don't worry, I do plan to have a proper wedding soon enough."

"I will confirm all that with Maria."

"Sure, sure. And pass me my shirt, will you?"

"I am not your maid!"

"Alright then..." Rudy walked toward Ruby and kept walking towards her while Ruby stepped back to keep her distance from Rudy, but she hit the wall.

"...!"

Ruby still had her gun pointed at Rudy, but she didn't have the courage to shoot, and it slipped from her hand.

She closed her eyes and said, "Be gentle!"

"Hmm?"

When she opened her eyes, she saw Rudy picking up his shirt from the floor.

"..."

Rudy looked at the shirt and said, "Maria was so excited last night that she tossed my clothes here and there."

"..."

"Were you saying something?" Rudy asked with a smirk on the corner of his lips.

"I d-didn't!"

Of course, Rudy had heard it clearly, but he wanted to pretend he didn't hear it so Ruby wouldn't feel awkward.

Rudy chuckled softly and patted Ruby's head gently, saying, "You don't have to act tough in front of me."

Ruby averted her gaze and said, "I have no idea what you are talking about."

"I know it's been hard on you. All the responsibilities and pressure at such a young age. You don't have to force yourself. That's not going to change anything. Maria is a spoiled brat, so you had to be the opposite of her.

You act mature even though you want to be spoiled. So you don't have to do all that in front of me. You can relax. You can think of me as your friend, and you can come to me at any time if you ever want my help or support on anything."

"Why... would you do that for me?"

Rudy smiled gently at Ruby and said, "Because you are my sister-in-law."

Chapter 520: Breakfast with in-Laws

Rudy was eating breakfast at the dining table with Rusher, Nyara, Ruby, and Maria.

Maria and Ruby were seated on either side beside Rudy. Nyara was sitting on one end and Rusher on another.

"..."

It was the most awkward situation Rudy had ever been in— second to where he was caught jerking by Rebecca.

Rusher didn't ask Rudy about what or why he was there. It was almost as though he had already expected something like that to happen sooner or later.

Ten minutes after the breakfast started, Rusher's wife— Nyara, was the first one to finish. She left soon after without saying a word.

'Well, this is much more awkward than I had expected. But it was given that she just found out about the incestuous activity of her husband,' Rudy uttered inwardly.

There was nothing but an eerie silence in the dining hall which would usually be filled with maids, butlers, and syndicate members eating breakfast together.

"What happened to the VVIP match, Ruby?" Maria asked calmly. "Since you are here, does that mean you surrendered??"

"Oh, no. I won, actually."

"What?!" Maria exclaimed in surprise. "But Rudy said the VVIP is a death match. Did you truly risk your life in some stupid gambling tournament?! Does all that mean more to you than your life?!"

Maria yelled angrily.

However, Rudy was unfazed after hearing that Ruby had won the VVIP tournament. Seemingly, he had already expected that outcome.

"It was indeed a death match, but I got lucky, I guess?" Ruby responded.

"That's not what I asked! How could you do something so reckless? What if something had happened to you?!"

Maria's anger was justifiable as Ruby was the only person close to her other than Lilim.

"There were twelve contestants, but the moment they showed us the contract and explained the tournament, five of them surrendered right away. And the remaining seven signed the contract, but two more surrendered before the first match could start.

Then, we played and played until all of them surrendered, and I won. It was easy if I had to add. Of course, it was risky too, but I think it was well worth it considering the reward I got for winning the VVIP gambling tournament," Ruby calmly reported everything while eating.

"What's the reward?" Rudy asked curiously.

"Why don't you guess? You call yourself smart, right?" Ruby asked with a haughty look.

"Firstly, I have never called myself smart, and even if I did, that was probably to intimidate my opponent. And as for guessing the reward, my best guess is that it was something related to 'status', am I right?"

Ruby Gritted her teeth as she glared at Rudy.

"...seriously?"

"How did you guess it?!"

"I said the first thing that came to my mind, like literally," Rudy shrugged. "I didn't even put any effort into guessing. But if I am right then... that reward is lame in my honest opinion."

"You guessed it, but you didn't guess it completely. The status reward was a wish, an order. I can use that wish to do anything in the Underworld, and by anything, I mean anything!

I can get someone killed. I can make someone my slave. I can destroy a syndicate or renew one. In simple words, I am going to use that wish to rebuild this syndicate from scratch and make it number one again!"

Ruby puffed her chest and uttered, "I am going to be the Mafia Queen of this underworld."

"...okay," Rudy responded.

Ruby bit her lips after seeing the lack of reaction from Rudy. She raised her brow and smirked before saying, "By the way, I can also use my wish to dethrone you from your number one spot in the Underworld Ranking!"

"I can just become number one again," Rudy responded with a shrug.

"Not if I ban you from the underworld," she said with a smug face.

'There it is again. I don't want to brag, but she is clearly trying to get my attention, isn't she? Come to think of it, Rusher did mention that I will have to marry Ruby, but that deal is off now that Ruby is independent from the syndicate.'

Maria got up from her seat and turned to Rudy. She smiled at him and said, "I will pack my stuff."

Rudy nodded in response.

"Wait... what...?" Ruby glanced confusedly between Rudy and Maria as she was oblivious to what Maria meant by that. She even glanced at Rusher, but that was a useless attempt.

She got up from her chair and rushed after Maria to ask her directly.

Now, only Rusher and Rudy were present in the dining hall.

'I should probably scoot too.'

"Don't you want to ask me questions like you always do?" Rusher asked in a low voice.

"Well, I do, but this is clearly not a good time. You seem depressed, and I don't want you to have a mental breakdown like the other day," Rudy sighed. "And don't worry about Maria. I will take care of her."

"I know."

"..."

"..."

Rudy and Ruser stared at each other, seemingly wondering who would break the silence first.

"Okay, sure. Go ahead and give me details," Rudy groaned softly.

"No, you ask me, and I will answer."

SIGH!

"How did your wife react to it?"

"She... didn't react much. I think she knew from way back when Maria was just a kid, but she kept it a secret... perhaps, because she didn't want Maria to know the truth."

"Ruby knew too, by the way," Ruser shortly added.

"Then I assume your parents knew as well?"

"Yeah." Ruser nodded. "Everyone knew, except Maria."

"Uh... what about your sister? How did Maria react to that?" Rudy gulped down a few sips of juice before asking, "She is clearly giving you the cold shoulder, so I wonder if she is treating your sister the same way?"

"After I told everyone everything, Ria took Maria to a room to have a private talk, and then she left without telling me anything. I have no idea what they talked about, and I don't want to know."

"Me neither."

RING!

Rudy's phone rang, so he checked and saw a message from Lu Bela.

[I heard you are currently in the Underworld? Can we meet?]

"Freaking... stalker..."
