#### Chapter 841: Sucking Lessons To Rebecca

Rudy squinted his eyes and said, "Stop trying to act strong. It's your first time, and that's why I am being extra careful. I consider the first experience to be memorable and I don't want to compromise anything during the first time."

Rebecca bit onto the tip of Rudy's snake and continued sucking.

Since Rudy said he didn't want to compromise by having bad moments during the first, she bit him so he could remember that as well.

It was Rebecca's first time, and she had no experience in such a thing, although she had the knowledge and knew what she was supposed to do.

Rudy was the one directing the whole process. He instructed her on what to do, and what not to do, and at what pace to go at.

Rebecca followed all his instructions perfectly. She slowly started to suck the tip of Rudy's dick.

Although it was her first time, she wasn't clumsy at it like the other girls. However, she wasn't the best either.

The experience is very intense, exciting, and rewarding. It's the first time in her life that Rebecca got an opportunity to sexually pleasure Rudy, and she was thrilled to know that she was making him feel good.

She continued sucking and increased her speed slowly.

Rudy was enjoying the blowjob very much. He didn't really know what more to instruct, but he just enjoyed the process. He continued paying Rebecca compliments on how good she was at giving a blowjob.

She made sure that she got every drop of pre-cum and whenever it came out. She made sure that he was pleased and felt good with her novice-like skills.

To confirm, she stopped and asked, "Are you feeling good?"

"Obviously," he replied with a smile.

"I see..." Rebecca didn't seem satisfied with Rudy's answer.

After noticing the displeased look on Rebecca's face, Rudy calmly asked, "What's wrong?"

"Please be more honest with your reactions and expressions so I can feel confident."

That was the only way she could know that Rudy was genuinely feeling good.

"Sure. I promise I won't fake my reactions."

Beckoning to him with a smile, Rebecca gently took his snake into her mouth once again.

Rudy moaned softly, his body writhing with pleasure as Rebecca sucked him deeper and deeper, never breaking her gaze with him. He could see the intensity in her eyes as she worked to show him everything she's learned in the last few minutes.

Emboldened by his reaction, Rebecca increased her speed, moving more confidently and eagerly. She explored his entire length, savouring each inch with her lips and tongue. She looked up at him, enjoying the sight of his face contorted in pleasure.

Finally, after a few minutes of intense pleasure, Rudy couldn't hold back any longer as he reached the heights of ecstasy and he poured his essence into her waiting mouth.

Rebecca didn't waste a single drop as Rudy's thick cum shot out of his dick and into her mouth. She tasted his salty, musky essence and eagerly swallowed every drop. Rebecca's cheeks puffed out as she held onto the load, savouring the taste of her son's hot semen.

With one final gasp, she swallowed the rest, feeling the warm and thick substance run down her throat.

For Rudy, it was pure ecstasy. Watching his mother expertly suck him and take his cum was something he never thought he would experience, but here it was happening, and he couldn't be happier. He continued to moan and buck his hips, riding out the last waves of his orgasm before slowly calming down.

Then Rudy pulled his snake out of her mouth and placed it on her face.

"The way you swallowed my cum seems like you liked how it tasted," Rudy chuckled softly.

"Yes." Rebecca licked her lips and said, "I did. In fact, I want to drink more of it. Can you... like... be forceful this time...?"

She asked hesitantly, not knowing if Rudy could accept her request.

Rudy raised his brows and asked, "Do you want me to deepthroat you?"

Rebecca's face flushed a bit as she meekly nodded.

"Yes..."

"If you want that, then sure," he shrugged.

Rebecca took a deep breath and nervously leaned in. She wrapped her lips around the tip and slowly started moving her head back and forth, dragging her tongue over the ridge. Rudy's body shuddered with pleasure, and he let out a low moan.

Without hesitation, Rudy gently placed his hands on either side of Rebecca's head, guiding her as she took his rock-hard snake deep into her throat. The previously inexperienced Rebecca quickly learned oral skills, using her newfound skills to give Rudy an experience that he would never forget.

Rudy groaned in pleasure as Rebecca used her tongue to cushion his big dick from her teeth. She expertly took him deep into her mouth, using her saliva to make it easy for him to fuck her mouth.

Rudy placed his hand on the back of her head, pushing her down onto him as she continued to pleasure him.

Rebecca eagerly sucked every inch of his hard snake, using her lips and tongue to tantalise him in ways she never thought possible. Rudy moaned loudly, unable to contain the pleasure that Rebecca was able to elicit from him.

He allowed her to take the lead, guiding her head as she moved faster and deeper, swallowing his entire length with ease. Rudy's breathing grew deeper and more ragged as the pleasure built.

Rudy leaned his head back and let out a deep groan as Rebecca continued to stimulate him in every way imaginable. She had quickly gained confidence, becoming more adventurous with her tongue and hands as she worked her way down his snake. Rudy couldn't believe how good it feels to have his own mother's mouth wrapped tightly around his throbbing cock.

As Rebecca continued to explore his snake with her skilled mouth, Rudy couldn't help but think about what it would feel like to be inside her warm and wet pussy.

Rudy closed his eyes and imagined as if he was fucking Rebecca's cave instead of her mouth.

### [Esper Harem in the Apocalypse](#)

#### **Chapter 842: Balls Deep**

Rudy opened his eyes after fantasizing about fucking Rebecca's wet cave. Rudy noticed Rebecca struggling to breathe, so he gently pulled his dick from her mouth and stroked her hair.

"Hey, it's okay," he whispered, his non-dominant hand tracing circles on her back. "How about you suck my balls instead?" he suggested, smiling softly at her.

Rebecca looked up at him, her eyes still a little watery from the intense gagging. But her lips curled up into a smile at Rudy's suggestion, as she loved how caring Rudy was even when he was feeling pleasure.

She grabbed his balls gently with her hands, her fingers caressing the soft skin as she gently brought them to her lips.

Without any instruction, Rebecca took Rudy's balls into her mouth, using her lips and tongue to stimulate them intensely. Rudy moaned in ecstasy as Rebecca expertly moved from his right ball to his left, each one receiving the same mouth-watering treatment.

With her left hand, she stroked Rudy's dick gently, teasing it to keep it erect as she continued to pleasure him with her mouth.

Rudy couldn't believe how good it felt, his head lolling back as Rebecca worked her magic on him. The thought that it's his own mother giving him this pleasure only added to the thrill of the moment. With every stroke and lick, his body responded to the pleasure.

It was rare for Rudy to ask the girls to suck his balls, as he had never wanted that. But now that he realized how good it felt, he had decided that he would ask his girls to suck his balls whenever they sucked him off to get their mouthful of drink.

After sucking his balls like her favorite candy, she was eager to dive back into pleasuring his big dick joyfully.

She stopped and said, "You can continue fucking my mouth again."

With a smile, Rebecca took Rudy's big, throbbing snake into her mouth once again, an infectious joy on her face as she bobbed her head up and down, taking him deep into her throat.

Rudy's body writhed with pleasure, each of her expert movements pushing him closer and closer to the edge of ecstasy. As Rebecca continues to suck him, he could feel the heat and pressure building in his groin until he can't take it any longer.

Rebecca slurped and moaned as she took Rudy's still-rock-hard cock back into her mouth. She was giddy with excitement and arousal, fueled by Rudy's encouragement and pleasure.

After a few moments, he felt that familiar tingling sensation in his groin and realized that he was already close to cumming.

A minute later, he shot his load inside Rebecca's mouth. Her cheeks puffed after receiving a mouthful of Rudy's sticky load. With that, Rudy released his second load into his mother's mouth. He fed her his fresh, white, thick and sticky milk, watching her as she swallowed it down with eagerness.

As Rebecca's mouth emptied, Rudy groaned with pleasure, collapsing onto the bed. He pulled her into his arms, holding her close as they both caught their breath.

"That was amazing," he said softly, pressing a kiss to her forehead.

Rebecca grinned, turning to look at him. "I can't believe I just did that," she said, her voice filled with a mixture of excitement and disbelief. "It was incredible."

Rudy kissed her on the lips and asked, "Should we continue?"

"Would you be angry if I said I still want to drink more of your cum? I know you can fuck me and then shoot your cum in my mouth, but I want a few more minutes before we have sex.

That's the last thing we will do tonight, and it's only 11PM. We still have a long night ahead of ourselves."

"Umm..." Rudy took a moment to ponder and said, "I don't think you should suck me more. Your jaw will probably hurt tomorrow when you wake up."

"What are other options for foreplay before sex?" she asked curiously with an innocent face.

Rudy's gaze fell on Rebecca's boobs, and he smiled.

Rebecca understood what Rudy was going to suggest, so she sat up and grabbed her boobs.

"Boys love boobs, don't they?" She asked with a knowing look on her face.

Rudy grabbed his dick and said, "Girls love dick, don't they?"

"Of course."

"Heh."

Rebecca got on the ground on her knees and asked Rudy to sit on the bed. She then grabbed Rudy's snake and kissed the tip of his big cock, the dew from his latest cumshot still visible on the head.

She placed it between her boobs. With her hands, she pressed her breasts together tightly around his thick shaft and began to move them up and down.

As she continued to move her breasts up and down, Rudy could feel his cock growing harder and harder between her soft, pillowy mounds.

Rudy could feel the warmth of Rebecca's breasts as she continued to slide them up and down his shaft. He moaned with pleasure, his eyes flicking down to watch as his big dick disappeared between her soft, pillowy mounds. But then he feels something else: the soft, wet touch of his mother's tongue.

"Ooh, even your pre-cum tastes so good," Rebecca purrs, her lips surrounding the head of Rudy's cock as she licks away the pre-cum.

Rudy's moans intensified, his hips starting to move and stroke himself between Rebecca's boobs.

Rudy let out a deep groan as he felt his mother's mouth wrap around his cock once again. He could feel the heat building in his loins as Rebecca expertly bobbed her head up and down, her hands still sliding up and down to move her breasts as she teased him with a boobjob.

With each passing second, Rudy felt the pleasure grow more and more intense, his hips moving in time with Rebecca's motions as he sought an even greater level of satisfaction. He knew he was getting close, but he didn't want it to end just yet.

"Oh, Mom," he moaned, gripping the bedsheets tightly as the pleasure builds to a fever pitch. "You're so good at this."

### [Esper Harem in the Apocalypse](#)

#### **Chapter 843: Double Orgasm**

With her tongue dancing around the head of Rudy's cock, Rebecca's excitement continued to build. She wanted nothing more than to please her son and see the pleasure written all over his face. In a matter of moments, Rudy was ready to cum once again.

Rudy could feel the pleasure building steadily within him, coursing through his body in waves. His mother, Rebecca, was working her tongue around his cock while also sliding it between her big boobs, squeezing them tightly around him. He knew he was close to the cumming, but he wanted to hold off just a little longer.

As Rebecca continued to pleasure him, Rudy could see the desire in her eyes. He knew that she would do anything to please him and make him feel good. With each plunge of her head, he felt the pressure building inside of him.

So, with a sudden burst of excitement, Rudy allowed himself to let go, releasing the third load of cum directly into Rebecca's thirsty mouth.

Rebecca was eagerly waiting for it.

She happily drank in his seed, savoring the taste of her son's hot and salty cum. She took him deep inside her mouth, sucking hard as she licked the tip, feeling the last few drops of his semen hit the back of her throat.

Satisfied, she licked her lips and kissed the tip of his dick, knowing she had pleased her son once again. As she pulled back, a wicked gleam shone in her eyes as she knew what was coming next, and she was prepared for it.

She got up and hugged Rudy before letting her body fall on the bed.

"I tried my best to suck you off," she said.

"Yes, you did," he smiled, satisfaction beaming on his face. "Now, let me do the same." He touched Rebecca's wet cave.

Rebecca gasped as Rudy's fingers slid easily into her drenched pussy, pumping in and out as he worked her with his fingers. Her hips bucked off the bed, seeking more of his touch.

Rudy grinned up at her, knowing he was driving her wild with pleasure. He kept up the steady rhythm, circling her clit with his thumb, watching as her body trembled with the force of her climax.

"Aan~!"

But he wasn't done yet. Rudy wanted to make sure his mother was fully satisfied.

Rebecca's heart was racing as Rudy moved down between her legs, his lips and tongue taking up where his hand had left off. She watched, wide-eyed, as he licked and kissed his way down her thighs and across her pussy lips. Despite her inexperience, Rebecca's body betrayed her with an onslaught of pleasure that became increasingly intense as Rudy's tongue lapped expertly at her sensitive flesh.

He explored every inch of her with his tongue, tasting her sweetness before sucking on her clit, which made her moan with pleasure. She tangled her fingers in his hair, holding him closer and pressing his face further into her pussy.

Rebecca let out a whimper as Rudy's tongue expertly worked its way around her pussy. Never before had she experienced such intense pleasure. As he lapped at her, she pushed his face further, her fingers clawing between his hair.

"Mm, Rudy~," she moaned, her eyes closed tight in ecstasy.

Rudy grinned up at her before returning his attention to her throbbing pussy. He licked and sucked at her with renewed vigor, knowing that she deserved every bit of pleasure she was experiencing.

As he worked her with his tongue, Rebecca's eyes widened at the sudden pleasure that jolted through her body as Rudy slid his thumb over her clit. She gasped, her hips lifting off the bed in pleasure, as Rudy inserted two fingers into her wet heat.

"Oh, Rudy," she exclaimed, grabbing the bed sheets beneath her as the sensations coursed through her body. "You're so good at this."

Rudy chuckled softly, his fingers continuing to move in and out of her, adding to the pleasure that Rebecca was already experiencing. He knew how to push her to the brink of orgasm and how to keep her there, begging for more.

Rudy could feel the satisfaction pouring through him as he watched his mother Rebecca squirm beneath him. It was time to give back to her. As he placed her down on the bed, he got between her legs, eagerly licking her wet pussy with his skilled tongue. Rebecca moaned gently as the pleasure from Rudy's touch slowly built back up again.

Rudy teased her a little, tracing out every curve of her pussy with his tongue before gently flicking her clit with it. He wanted her to feel every bit of pleasure, savoring the moment as she had done. He continued to work her with his tongue for a while longer, carefully gauging her reactions and the changes in her breathing patterns.

Rebecca's body shook with pleasure, and she could feel herself approaching yet another powerful orgasm.

With one final lick, Rudy opened her juice-damn, and Rebecca orgasmed into his mouth, her pussy releasing a load of tasty juice that Rudy drank eagerly, savoring the flavor of his mother's orgasm.

Breathless and spent, Rebecca lay back on the bed, her body still trembling with pleasure as she gazed up at Rudy. She felt satisfied and content, and for the first time in her life, she knew what it was like to experience pleasure this intense.

After eating Rebecca's cave, Rudy lay down beside Rebecca. As they lay on the bed, their bodies glistening with sweat, Rebecca and Rudy shared a long, passionate kiss. The taste of each other still lingered on their lips and tongues, driving them both wild with desire.

Rudy's powerful arousal was undeniable, and Rebecca knew that it was time for them to take their relationship to the last level of intimacy.

They both were ready but waiting for an opportunity to get in position. Since Rebecca had orgasmed just now, Rudy wanted her cave to calm down before deflowering it.

A few minutes later, without saying a word, Rudy got between Rebecca's legs and grabbed his snake in his hand to start Rebecca's cave exploration.

### [Esper Harem in the Apocalypse](#)

#### **Chapter 844: Rebecca's Cave Exploration**

Rebecca gazed down at Rudy's snake and muttered, "So it's finally happening..."

"Yeah. Are you ready?"

Rebecca meekly nodded and asked, "It will hurt at first, right?"

"Yes. But you don't have to worry about it. I will cast a spell on you that would erase the pain. You would feel nothing but pleasure."

"But I want to feel that pain."

"...what?" Rudy was surprised to hear that. "Why would you want to feel the pain when you can avoid it?"

"I just want to experience everything without missing out. So don't use that spell on me. I am prepared for the pain," she said with a confident smile on her face.

"If that's what you want. I will do as you wish. Let me know if it hurts too much."

"Mm."

When he finally positioned himself at her entrance, Rudy looked deep into his mother's eyes, seeking her trust.

Rebecca's body trembled as she felt the tip of Rudy's cock rub against her virgin pussy. She had never felt anything like it before, and she couldn't help but feel both nervous and excited.

Rudy sensed her apprehension, and he leaned in to kiss her tenderly, his lips soft against hers.

"Just relax, Mom," he whispered as he pulled away, his eyes locked onto hers.

Rebecca took a deep breath and tried to focus on the pleasure she knew Rudy could bring her. She closed her eyes and leaned back against the bed, spreading her legs wider, giving him better access to her body.

Rebecca moaned softly as Rudy teased her wet pussy with his throbbing cock. She couldn't believe how much pleasure she was feeling.

Rudy took his time, slowly, and lovingly sliding the tip of his cock up and down her slick folds, pressing against her opening. He wanted her to be fully relaxed and wet before he took the lead.

Rebecca's eyes fluttered open, a low moan escaping her lips as Rudy slowly inserted the tip into her virgin pussy. It was tight, and she felt a momentary pain mixed with pleasure.

"Relax, Mom," Rudy whispered softly. "It will get better."

Rebecca nodded, her body tense as she tried to relax. She felt Rudy's gentle hands on her hips, guiding her, helping her to sink down further onto his cock. Her body trembled with anticipation as she felt him stretch her inch by inch, and then she was suddenly filled with a sense of fullness and pleasure unlike anything she had ever felt.

Together, they slowly pushed forward, feeling the tight heat of her virgin pussy stretch around his fat shaft.

As Rudy sank further into his mother's wet and narrow pussy, Rebecca let out a gasp. Her eyes widened in a mixture of pleasure and pain, and she could feel her heart pounding in her chest. Rudy paused for a moment to make sure she was okay, but Rebecca could only stare up at him with glazed-over eyes, wanting more.

Rudy gave Rebecca a reassuring smile before he slowly began to move, his thick cock sliding in and out of her with gentle thrusts. Rebecca moaned softly, feeling her inner walls stretch to accommodate him, and Randy felt his own pleasure rising to new heights at the sensation of his mother's tight and virgin pussy.

Rudy slowly penetrated his mother's pussy and let his dick explore her pussy. He could feel the tightness of Rebecca's virgin pussy, its muscles clamping down over his dick as he sank deeper. Gently, he held his cock still as he looked into Rebecca's eyes and smiled before kissing her on the lips.

As the kiss broke, Rudy noticed the pain on Rebecca's face. He stopped instantly and leaned back, concern etched on his face.

"Are you okay, Mom?" he asked softly.

Rebecca nodded, but Rudy could see that she was clearly uncomfortable. He stopped moving and make sure she was okay. But Rebecca begged him to keep moving.

Rudy listened to his mother's request and started to move. He slowly pulled his cock out of her tight pussy and then slid it back in, relishing in the feeling of her wet warmth and the way she moaned with pleasure.

As he continued to thrust into her, Rudy also rubbed his thumb against Rebecca's clit, increasing the pressure as he felt her body start to tighten around him. He could sense that she was getting close to the edge, so he increased the strength of his movements, determined to bring her to a mind-blowing orgasm.

Rebecca's hips started to move in time with Rudy's thrusts, her body responding to his every move.

Rudy was taking his time, trying to make Rebecca as comfortable as possible, but he knew that he couldn't hold back forever, no matter how concerned he was for Rebecca; he was excited too.. As she began to writhe beneath him; he slid his hands up her body and took hold of her perky breasts, squeezing them gently and making Rebecca moan with pleasure.

Feeling her body start to relax in his grasp, he began to increase the tempo of his thrusts, moving deeper and deeper into her with each stroke. Rebecca's moans turned into gasps as she felt the pleasure building inside her, and she urged him on, begging him to keep going and fuck her harder.

Rudy could feel her pussy tightening around him, and he knew that she was close to another orgasm.

Rebecca's body was alight with pleasure as Rudy expertly rubbed her clit with one hand while he continued to thrust into her wet and willing pussy. She could feel herself getting closer and closer to the edge, her body coiled tight with desire and anticipation.

"Please, Rudy," she gasped. "I need you to fuck me harder."

Rudy grinned down at her, his eyes gleaming with pleasure at the sound of his own mother begging for his cock. And with that, he began to increase the tempo of his thrusts, his hips slamming into hers with increasing speed and force.

Rebecca moaned with pleasure, feeling each deepening thrust of Rudy's cock sending waves of pure ecstasy through her body.

Rebecca moaned loudly, her body tightening around Rudy's cock as she approached orgasm.

"Oh, Rudy," she moaned, feeling the pleasure building inside her at a fever pitch. "Don't stop~"

## Esper Harem in the Apocalypse

### **Chapter 845: Staining Bedsheet**

Rudy could feel the tension building in Rebecca's body, and he knew that she was getting close. He thrust into her with increasing force, his thumb still working her clit as he felt her pussy start to spasm around him.

Finally, with a loud cry, Rebecca came, her whole body shaking as she cried out Rudy's name in ecstasy. Rudy kept his pace, still pumping into his mother as she orgasmed, ensuring that she came hard and for a long time.

His snake was still inside Rebecca's cave and he had no intention of taking it out anytime soon.

Rebecca's body was still twitching and shaking from the powerful orgasm she had just experienced. She panted and moaned softly, feeling overwhelmed with pleasure and desire. Rudy admired his mother's curves, taking in the sight of her swollen breasts, her flushed cheeks and her trembling thighs.

Rudy couldn't help but feel an intense sense of love and affection for Rebecca. It felt like their bond had been strengthened by their sexual encounter, and he cherished the intimacy they shared.

He slid his hand down between Rebecca's legs and started to rub her clit once again. She moaned with pleasure, her hips bucking up to meet his touch. Rudy smiled at her response, feeling himself harden even more as he continued to pleasure her by rubbing her clit.

Rudy continued to rub his mother's clit as he stared down at the stain on the bedsheet. He was filled with pride knowing that he had been the man to take Rebecca's virginity.

Rebecca glanced up at Rudy, sensing the pride in his eyes, and her own feelings of pleasure and desire intensified.

Rudy's heart was pounding with excitement as he realized that he still hadn't cum. He knew that he had to keep going, to keep fucking Rebecca until he reached that ultimate moment of release.

So he began to move once again, pulling his cock out of her pussy and then slamming it back in with increasing force.

Rudy could see that Rebecca was still trembling from the intense orgasm she had just experienced. He smiled down at her, watching in amazement as her love juice leaked from her pussy. She looked so beautiful and sexy lying there under him, her body glistening with sweat and her eyes filled with desire.

As he rubbed her clit with one hand, he reached down with the other and scooped up some of her love juice. He brought the liquid up to her lips, watching as she eagerly licked it off his finger.

"Mmm~"

Meanwhile, Rebecca continued to pant and moan from the intense orgasm she had just experienced. She was struggling to catch her breath, her body still shaking from the aftershocks of pleasure.

Rudy continued to rub her clit with one hand, while he reached down for another scoop of some of Rebecca's love juice from the bedsheet. This time, He brought his finger up to his mouth and tasted her sweetness.

"Mmm...you taste amazing, Mom," he said, grinning down at her.

Rebecca smiled back at him, feeling a renewed wave of desire flood through her body. She urgently wanted him to cum inside her once again, to feel that powerful surge of pleasure that only he could give her.

Meanwhile, Rebecca continued to pant and moan from the intense orgasm. She was struggling to catch her breath, her body still shaking from the aftershocks of pleasure.

Rebecca looked up at Rudy with a mixture of adoration and lust in her eyes. She couldn't believe what they had just done, but she knew that she never wanted it to end. She licked her lips, savoring the taste of her own love juice on Rudy's finger as he continued to stroke her clit.

With a smile, Rudy withdrew his finger and brought it to his own mouth, tasting Rebecca's sweetness once again. He couldn't get enough of her, couldn't resist the urge to explore every inch of her body and bring her to new heights of pleasure.

As he licked his finger clean, Rudy gazed down at the stain on the bedsheet, feeling a sense of satisfaction wash over him.

"You marked my bedsheet with your love juice," he chuckled.

As he started to thrust into her, Rudy felt his mother's arms wrap around him, pulling him close. He could feel her tongue exploring his mouth, tasting him, seducing him. With a groan of desire, Rudy kissed her back, their lips locked together in an urgent embrace.

Rebecca moaned into Rudy's mouth, feeling the pleasure of his cock pumping into her, his tongue exploring her mouth. She pulled him closer, never wanting the moment to end.

Rudy felt his mother's tongue against his own and kissed her back with a fierce intensity, his cock still buried deep inside her. Rebecca moaned softly into his mouth, her body responding to Rudy's every thrust.

Suddenly, she pulled back from the kiss and locked eyes with him. "Fuck me harder, Rudy," she gasped, her voice heavy with desire.

Rudy could see the raw lust in Rebecca's eyes and felt a surge of excitement go through him. He started to move his hips faster, slamming into her with increasing force. Rebecca moaned with pleasure, her body shaking as she felt her pussy stretch to accommodate Rudy's big dick.

Rudy grinned down at her, loving the way she was begging him for more. He thrust into her with increasing force, feeling her fingers digging into his back as he brought her closer and closer to orgasm.

Rebecca moaned with pleasure, feeling the familiar waves of ecstasy building within her. But she wanted more than that. She wanted Rudy to cum inside her, to mark her pussy as his and fill her up with his hot and sticky milk.

Rudy looked at his mother's flushed face, feeling the primal urge to mark her. He leaned in and kissed her deeply, their tongues dancing together in a passionate embrace. Rebecca moaned into his mouth, running her hands through his hair and pulling him closer to her.

## Esper Harem in the Apocalypse

### **Chapter 846: Fully-Filling Rebecca**

With every thrust, Rebecca moaned louder and louder, the pleasure building inside her. She had never experienced the sensation of a creampie before, but the thought of Rudy's hot cum filling her up drove her wild with desire. She pushed back against him, taking him deeper and deeper inside her.

Rebecca could hardly contain her desperation as she begged Rudy to cum inside her. She could feel her body responding to Rudy's every thrust, the pleasure building to a fever pitch as he pounded into her.

"Please, Rudy," she moaned. "Fill me up with your hot cum. Mark me as yours."

Rudy felt the urge inside him as he thrust into his mother with increasing urgency. He knew he couldn't hold out much longer, not with the way Rebecca's body was responding to him.

"Cum inside me, Rudy," she gasped. "I need to feel it. I need to feel you fill me up." She continued begging.

Rudy could feel himself getting closer and closer. He could feel the pressure building in his balls as he pounded into his mother's waiting pussy. He knew he was about to cum, and he wanted nothing more than to give his mother the hot and sticky creampie she was begging for.

With one final thrust, Rudy tensed up as he emptied his load deep inside his mother's pussy. Rebecca moaned with pleasure as she felt Rudy's warm cum filling her up, spilling out of her hot and wet cave.

Feeling satisfied and content, Rudy pulled out of his mother's pussy and collapsed onto the bed next to her.

Rebecca moved swiftly, eager to clean up Rudy's dick. She took his semi-hard cock in her mouth and began to work her tongue expertly up and down its shaft. Rudy groaned with pleasure as he felt his mother's mouth slide up and down his length, taking him in deeper and deeper with every thrust.

As she continued to suck him, Rebecca tasted the mixture of her son's cum and her own juices. She licked and sucked eagerly, knowing that this was the last step in their intense and passionate lovemaking session.

Rudy lay there, gasping for air, as Rebecca cleaned his dick. Her soft, wet mouth sucked him clean, and he groaned with pleasure as she licked every inch of him.

As she finished, Rebecca leaned back, a sly smile on her face. "You taste good, Rudy," she said, running her hands through his hair. "I think I like the taste of your cum."

Rudy grinned up at her. "We worked hard to make it, after all."

Rebecca pulled Rudy close and kissed him on the lips, her tongue exploring his mouth with eager abandon. She licked her lips seductively and whispered, "Rudy, fuck me again, please."

"Yes, of course. That was just a starter." He sat up and asked Rebecca to turn around and get on her fours.

"I was being careful since it was your first time, but I won't be so merciful now," he added.

Rebecca got on her fours and presented her luscious round ass. Without hesitation, he drove his cock deep into her again, his balls slapping against her ass cheeks. Rebecca let out a loud moan, thrusting her hips back against his rhythm. He could feel her juices dripping down his balls, causing them to tingle with each thrust..

Rudy felt Rebecca's tight pussy clench around him as he pounded into her with increasing force. He knew she was close, so he slowed down and pulled her up onto her knees, doggy-style. Rebecca leaned forward, resting her head and arms on the bed as Rudy gripped her hips and plunged into her again, his balls slapping against her ass cheeks.

Rudy couldn't help but admire the way her body moved as he took her from behind. He wrapped an arm around her and pulled her back onto his dick, feeling the heat and wetness of her tight pussy surrounding him.

They moved together in perfect harmony, lost in the pleasure of their physical connection. Sweat dripped down their bodies as they made love with wild abandon, both of them completely consumed by the moment.

Rebecca's body was shaking with pleasure as she gasped for air. Rudy didn't stop and kept fucking her from behind like a machine. He shifted his position slightly, angling his hips deeper inside her as he rammed his dick with all his might.

Rebecca's moaning filled the air as she was close to orgasm once again. Rudy grabbed her waist tighter and continued to pound her relentlessly, lost in his own pleasure and desire. As their bodies continued to collide, sweat and desire fueled their passion until they both reached new heights of pleasure.

Rebecca's entire body trembled as Rudy's strong hands tightened around her waist. Her breath came short and fast as she struggled to keep up with his relentless thrusts. Every time he plunged into her tight, wet pussy, she groaned with pleasure and pain; the sensations coursing through her body like electric shocks.

Unable to contain the pleasure, Rebecca orgasmed once again.

Rudy could also feel himself getting closer and closer to release, the need to come building up inside him like a raging inferno. He pulled back slightly and then slammed into her with all the force he could muster, making Rebecca cry out as she came yet again. Even so, he didn't stop, didn't slow down, didn't give her a moment of peace even when she had just orgasmed.

Finally, after what felt like an eternity, Rudy climaxed inside her with a deep grunt, spilling his seed into her with a final thrust.

Even though Rudy had just released his load inside Rebecca's cave, his piston didn't stop and he continued railing her nonstop.

Rebecca's orgasm rocked her body as they continued to fuck in doggy style. Rudy felt her pussy convulsing around his cock and it spurred him on even more. He gripped her waist even tighter and pounded into her relentlessly, the sound of their skin slapping together echoing through the room.

**Chapter 847: Pain and Pleasure**

Now that Rebecca's pussy had been shaped by Rudy's dick, he decided to go rough on her. His thrusts took on a new level of intensity, his hips slamming into her with brutal force. He could feel his release building in his balls, the pressure becoming almost unbearable.

Rebecca moaned Rudy's name, the sound of pleasure escaping her lips as he continued to fuck her senseless from behind. His hips slammed into her with each thrust, the force of his movements reverberating throughout her entire body.

Ten minutes passed, and still Rudy showed no signs of slowing down. His body was like a machine, driving into her over and over again with a relentless force that left her gasping for air.

Rebecca couldn't believe the sensations that were coursing through her body - the pleasure of Rudy's powerful thrusts matched only by the intensity of her own desire. She clung to the sheets below her, her hips writhing in time with his, desperate for release.

As Rudy's cock continued to pound into her with brutal force, Rebecca felt her orgasm building once again. She could feel the slickness of her own juices mixed with Rudy's cum, making her pussy grip his cock even tighter as he pumped into her. With a low growl of pleasure, she came, her body shaking with the force of it.

Despite that, Rudy did not stop.

Despite having already reached orgasm, Rebecca was unable to resist the incredible sensations of Rudy's big dick inside her. She writhed beneath him, her hands gripping the sheets tightly as he took her breath away.

Five more minutes passed, but Rudy didn't even stop for a second. Rebecca could help but moan Rudy's name with every thrust and hoped that he could fill her pussy up with his milk soon. Rudy was getting close once again, but he held back and kept fucking his mother.

Suddenly, Rudy felt a surge of pleasure build up in his balls again. He couldn't hold back any longer. He dug his fingernails into Rebecca's hips one last time, and then let out a primal roar as he shot a huge load inside his mother. Rebecca moaned loudly as her pussy was milked with Rudy's cum, her body shaking with pleasure.

Rudy kept humping his hips even after cumming, causing Rebecca to cry out in pleasure and pain. She could feel Rudy's softening cock inside of her, both of them drenched in sweat and exhausted.

As Rudy pulled out of her, Rebecca turned around on the bed to face him. He looked up at her with a mix of exhaustion and satisfaction, his chest heaving as he caught his breath. Rebecca noticed a small bead of sweat trickling down from his forehead and she leaned in to kiss him, tasting the salty tang of his skin.

"Thank you," she whispered into his ear.

Rudy smiled, his face a mask of contentment and happiness.

As Rebecca lay down beside Rudy on the bed, she couldn't help but smile at him in awe. She couldn't believe how skillful and passionate he was when it came to pleasing her. "That was amazing Rudy," she said as she gazed into his eyes.

Rudy blushed at the praise, feeling a surge of pride at being able to satisfy his mother so thoroughly. As they lay there resting, he looked over at her and couldn't help but be struck by how beautiful she looked covered in sweat.

Rebecca lay back on the bed, her body still tingling with the after-effects of her orgasm. But as she watched Rudy's exhausted form lying next to her, she couldn't help but feel grateful for what they had just shared.

"Let me clean you up," she said, as she turned her body towards him. She reached down to his flaccid cock and gently took it into her hand.

Rudy's eyes widened with surprise as she kissed the head of his penis softly, her tongue darting out to taste the remnants of their lovemaking.

"You don't have to, Mom," he said, his voice thick with emotion.

"I want to," she replied, her eyes shining with mischief. "I want to taste your cum."

She took his softening cock into her mouth, licking and sucking at the sensitive head. At the same time, she let her free hand slip down between her own thighs, feeling the wet heat of her own arousal building once again.

With each passing moment, the sensations of pleasure and need grew stronger inside her, and she began to finger herself more urgently as she worked her mouth over Rudy's cock.

After cleaning him up, Rebecca lay down beside Rudy on the bed and smiled at him. She was still feeling the throes of passion coursing through her veins, but she couldn't help but want more. She leaned over and gave him a few soft kisses, her lips lingering against his as she savored the taste of their passion.

As she pulled back, she let Rudy play with her boobs, his touch sending shivers of pleasure through her body. She hugged him tightly and buried his face between her soft breasts, feeling his hot breath on her skin as his fingers explored the curves and contours of her body.

Rudy began to caress her breasts with his hands, rubbing and massaging them gently. Rebecca moaned softly, her body responding instantly to his touch as she felt her pussy growing wet with desire.

Without a word, Rudy leaned in and began to lick and suck at her nipples, alternating between the two soft mounds of flesh as he drove her arousal higher and higher.

Watching her lying there beside him, he felt a newfound appreciation for the woman he had feared would never feel the same way about him as he did.

Rebecca felt Rudy's arms tighten around her, his breath warm against her neck as he whispered, "I love you, Mom."

He kissed her on the lips. Soon, they embraced each other and continued kissing each other for a while.

**Chapter 848: Sucking Love**

Rebecca noticed his snake was covered with the milkshake they had made, so she decided to suck it clean with her mouth.

Without breaking eye contact, Rebecca slowly slid her hand down between her legs, feeling the dampness that had built up there during their passionate lovemaking. She let out a soft moan, the sound adding to the already charged atmosphere in the room.

"You are really amazing, Rudy. Truly incredible," she whispered breathily, still caressing herself as she spoke. "I can't believe how good you are at this. It's like you were made for me."

Rudy grinned at the compliment, feeling a sense of satisfaction wash over him. He had always been proud of his abilities in bed, but hearing his own mother gushing over them made it all the sweeter.

Rebecca smiled up at him, her eyes shining with a mixture of desire and gratitude. She couldn't believe how intense and passionate their lovemaking had been.

As Rudy basked in the glow of his mother's praise, Rebecca couldn't help but wonder about their future as a couple. She had always wanted grandchildren, and she couldn't think of anyone better to father them than her own son.

Rebecca's thoughts turned back to the present as she felt her pussy once again growing wet with desire. She shifted her weight, savouring the sensation of her wetness sliding down her thighs as she spoke to Rudy.

"You know, Rudy," she said, her voice low and sultry, "I can't help but think about how good you would be at making babies. I've always wanted grandchildren, and I can't think of anyone better to make them with than you."

"We just had our first sex. Let's keep the topic about kids for the future," Rudy replied, giving his honest response.

As they lay there naked, entwined in each other's embrace, Rebecca couldn't help but feel grateful for Rudy. She pulled him close, his body still warm from their intense lovemaking.

As the moonlight bathed the room in a soft glow, their bodies lay intertwined, their breaths still heavy from the intensity of their passion. Their fingertips caressed each other's skin, tracing patterns of adoration and desire. Their eyes locked, brimming with a newfound vulnerability and a deeper connection.

He gently brushed a stray strand of hair from her face, his touch conveying tenderness and reverence. She nestled closer to him, finding solace in his embrace. The silence between them spoke volumes as they both reveled in the shared intimacy of the moment.

"You are so beautiful," he whispered, his voice filled with awe and affection. "Tonight was beyond anything I could have imagined."

She blushed, her cheeks tinged with a rosy hue. Her voice trembled as she replied, "Same for me. I always thought people exaggerated about the sex. Especially Eleanor, when she praised your sex skills."

If I knew it would truly feel so good, I would never have banned any of your harem members from having sex in this house. I feel bad for stopping you and Jessica the other day. I certainly wouldn't like it if someone walks in on us having sex and stops us.

I feel like I should apologise to her the next time I meet her. In fact, I should apologise to Lilim and Eleanor, too."

Rudy squinted his eyes and playfully asked, "How about apologising to me first? They don't have a super libido, so they would be fine if they didn't have sex every few hours. But not me."

"No." Rebecca grinned. "I want you to punish me every day for the lifetime by having sex with me all the time."

Rudy cupped her face, his thumbs gently brushing over her cheekbones. "Sex with you was truly stimulating and exciting. I don't think I would ever get used to having sex with you just because of how unreal it feels. You have awakened something in me, a fire that burns brighter than ever. I am grateful to have you in my life."

Their lips met again, this time in a sweet, tender kiss. It was a moment of deep connection and unspoken promises. In that embrace, they found solace, trust, and an unbreakable bond.

As the night unfolded, they shared laughter, whispered secrets, and dreams of a future entwined together. With each passing moment, their love grew stronger, and the world faded away, leaving only the two of them wrapped in their love's embrace.

Rebecca, sensing Rudy's fatigue, gently caressed his cheek and whispered, "I can see the weariness in your eyes. You've given me everything tonight, and I'm grateful for our time together." She leaned in to place a tender kiss on his forehead.

Rudy, with a contented smile, gazed into Rebecca's eyes, his voice filled with affection. "I am not tired, but I do need rest. Whenever a man nuts, they feel so relieved and relaxed and drift to sleep peacefully.

I shot so many loads tonight. However, I do want to sleep on the same bed with you, naked in each other's embrace. It's on my bucket list." He gently ran his fingers through her hair, his touch soothing and comforting.

With a sigh of gratitude, Rudy nestled closer to Rebecca, finding solace in her comforting presence. "Thank you, Rebecca. You always stopped us from having sex, so the invitation from you to spend the night was something I never thought would happen.

I must admit, it was a surprise. I was sure tonight was going to be a sexless night, as all the girls were busy doing their things, but it turned into one of the best nights of my life. I look forward to continuing our sex sessions tomorrow. I hope you are prepared for what's going to happen next."

Rebecca, as they lay in each other's embrace, felt a surge of excitement within her after hearing Rudy's words. She whispered softly into Rudy's ear, "Tomorrow, we will have the house all to ourselves. Lucy will be at school, and my Joe will be at work."

Her voice carried a mischievous undertone filled with anticipation.

Deep down, Rudy could feel that he had corrupted Rebecca's pure soul, and he wasn't guilty about it.

## Esper Harem in the Apocalypse

### **Chapter 849: Unwavering Resolve**

"We can explore and indulge in so many more things than we did tonight. I want to try everything you have done with the other girl," Rebecca whispered mischievously.

Rudy, intrigued by Rebecca's words, met her gaze with curiosity. A playful smile tugged at the corners of his lips. "Is that so? What do you have in mind? Do you even know about the endless possibilities of what a man and a woman can do if they are left alone?"

Rebecca's eyes sparkled with desire as she whispered her secret fantasies to Rudy, her voice laced with excitement and longing. She painted a vivid picture of their shared desires, promising an afternoon of unbridled passion and exploration.

With a mixture of eagerness and restraint, Rudy listened intently, captivated by Rebecca's words. He reciprocated with his own desires, their intimate conversation deepening their connection further.

They eventually drifted to sleep in each other's embrace on a soft, comfortable bed.

After resting for a few hours, Rudy slowly opened his eyes and looked at Rebecca's sleeping face.

He carefully extricated himself from Rebecca's embrace, his movements cautious not to disturb Rebecca, who lay beside him.

Rebecca's eyes fluttered open, a sliver of moonlight streaming into the room, casting a soft glow on the bed. As she shifted slightly, she became aware of a subtle movement beside her. Curiosity piqued, she propped herself up on one elbow, her senses on high alert.

In the dimly lit room, Rebecca's gaze fell upon Rudy, who was gingerly slipping out of bed, his movements cautious and purposeful. Her heart skipped a beat, a mix of concern and confusion flooding her thoughts. She whispered, her voice laced with worry, "Rudy, what's going on? Where are you going?"

Rudy froze in his tracks, caught off guard by Rebecca's awakening. He turned slowly, his eyes meeting hers, a mix of surprise and determination flickering within them. "Rebecca," he began, his voice filled with a mix of regret and resolve, "I didn't mean to wake you. There's something I need to do. I will be back by the time you wake up."

Rebecca's brow furrowed, a wave of apprehension washing over her. "Are you going to investigate the secret facility in area 69?"

"I have to leave," he said, his voice tinged with a heavy sigh. "Yes. It has to be dealt with. It poses a significant threat, and I cannot ignore it."

A flicker of hurt crossed her face as she processed his words. She swung her legs over the edge of the bed and stood up, her voice filled with a mix of determination and apprehension.

"Don't go, please," she said.

Rudy's expression softened, his gaze filled with affection and remorse. He approached her, taking her hand gently on his own.

"I have to. I can't ignore it now that I know where it is located. I have to get rid of the facility and the organization running it. I have to remove the trace of the supergene experiments before it becomes a bigger mess."

"B-But it's dangerous!" Rebecca's concern deepened, her voice laced with a mixture of worry and determination.

"Nothing can be more dangerous than me," he shrugged with a soft chuckle and a wry smile.

Tears welled in her eyes as she took a step closer, her voice barely above a whisper. "But as you said, they are the results of the supergene experiments. They are not normal humans or a race that you can deal with. That hoodie man the other day who came to the store... he was one of the test subjects, wasn't he?"

You had trouble dealing with him. He was just one. The hidden facility must have thousands of them, or even more. You can't handle them all at once. They must also have advanced weapons to restrain the test subjects from going rogue. I won't let you go there, not alone!"

Rudy's heart ached as he looked into her eyes, the weight of his duty conflicting with the depth of his feelings for her. He reached out, gently cupping her face, his touch tender and filled with regret.

"I know the risk and I know I may not come out unharmed. They might have weapons to deal with me. They have beings of other races as captives and they contain the knowledge." He confessed, his voice laced with sincerity. "But that's why I need to go now. I have to take care of this matter before they send an army of superhumans to our doorstep.

They already sent one, so what's stopping them from launching an attack? I don't want you or my harem to be involved in this. Those superhumans might have a perfect power to counter their attacks. I know that they are not the small fries I have dealt with so far. However, I promise you that I wouldn't even let them scratch me. You have to believe me, mom."

Rebecca searched his eyes, seeking reassurance and finding a glimmer of hope. With a deep breath, she nodded, her voice laced with both acceptance and determination. "I believe in you, so you must keep your promise."

A soft smile played on his lips as he leaned in, pressing a tender kiss on her forehead. "I promise, my love," he whispered, his voice filled with conviction.

"Hmm," she nodded hesitantly.

With a mix of relief and resolution, Rudy pulled Rebecca close, capturing Rebecca's lips in a tender kiss.

"You may go back to sleep."

Rebecca puckered her lips and muttered, "How do you expect me to fall back to sleep when I know you are risking your life out there?"

"Hehe. I will go now. Take it easy." Rudy reluctantly left the room through the window and disappeared into the sky.

Rebecca walked to the window and watched Rudy leave, her eyes fixated on the direction he went. She placed her hand on her chest and took a moment to ponder something.

She shook her head and turned around. "If I keep worrying, that would mean I didn't believe in Rudy's promise. I have to stay calm and positive."

#### **Chapter 850: Infiltrating Area 69**

Hovering in the high sky, Rudy utilized his extraordinary vision abilities to meticulously inspect the hidden facility below. Every detail, every security measure, was analyzed with precision. He could see the guards, the surveillance systems, and the intricate layout of the compound. A plan began to form in his mind, mapping out the best course of action for infiltration.

In the cover of night, under a shroud of secrecy, Rudy, with his unparalleled power, prepared to unleash chaos upon the hidden facility. The air crackled with energy as Rudy's extraordinary abilities surged within him—a convergence of superhuman strength, telekinesis, elemental manipulation, and more.

With his mind focused and determination unwavering, he infiltrated the clandestine organization's stronghold, fueled by the fury to expose their malevolent deeds.

Within the facility's depths, dimly lit corridors housed a labyrinth of hidden chambers. Each room concealed the remnants of forbidden experiments, combining the genetic material of mythical races with human subjects. The hushed whispers of scientists and the hum of arcane machinery permeated the air, bearing witness to the organization's unholy quest for power.

However, as he delved deeper into his assessment, a realization struck him—the level of security and the potential danger posed by the facility were far greater than anticipated. Doubt gnawed at the edges of his mind, questioning the feasibility of a successful infiltration. The lives of innocent people were at stake, and he couldn't afford to make any mistakes.

A surge of determination coursed through him. Instead of cautiously planning a meticulous infiltration, Rudy made a daring decision. He would use his formidable powers to crash into the facility from the sky, bypassing the defenses and gaining immediate access to the heart of the operation. It was a high-risk maneuver, but it was the only way to swiftly neutralize the threat.

With resolute determination, Rudy summoned a bit of his power, propelling himself downward like a comet hurtling through the atmosphere. His descent was both graceful and fierce, his body cutting through the air with controlled precision. The element of surprise was his ally.

As he crashed through the roof of the facility, debris scattered in all directions, and alarms blared to life. Rudy quickly regained his footing, the impact barely fazing him. He assessed his surroundings, his senses heightened, ready to face whatever challenges awaited him within those walls.

The facility's occupants, startled and disoriented by the unexpected intrusion, scrambled to react. Guards rushed toward him, weapons raised, but Rudy swiftly incapacitated them with a combination of his supernatural abilities and martial prowess. He moved with a grace and speed that defied human limitations, taking down dozens of adversaries with calculated efficiency.

As he advanced deeper into the facility, Rudy's resolve grew unyielding. He navigated corridors, bypassed security systems, and confronted every obstacle with unwavering determination. Each encounter brought him closer to his ultimate goal—putting an end to the threat that loomed over innocent lives.

There was something different about Rudy. Maybe it was his resolution to keep his promise to Rebecca that made him to be serious, instead of wasting his time to think of things that he had no control over.

Or perhaps he was simply in a hurry so he could go back to Rebecca and bang her.

After clearing the top most floor above the ground, the first chamber Rudy encountered revealed the remnants of experiments involving the graceful lineage of elves. Vials containing luminescent elixirs, shimmering with the essence of ancient magic, lined the shelves.

Though saddened by the loss of innocent lives subjected to such cruel manipulation, Rudy pressed forward his determination to liberate these creatures of myth and restore balance, overpowering their grief.

'They have thought this through. If someone were to infiltrate this facility, they could search it and find nothing but the remnants of the experiment. This building seems to be a normal small facility, but the real facility is underground.

It has over a hundred floors underground, and each floor covers a vast majority of this area. The security on the bottom floors is much stricter than it was on this floor. Even a normal human with somewhat fighting abilities could deal with the guards on this floor.'

As Rudy entered the first underground floor of the labyrinthine facility, he immediately encountered a group of heavily armed guards, accompanied by menacing robots. Their advanced weapons gleamed in the dimly lit corridor, ready to oppress any intruders and protect the secrets within.

With a calm determination, Rudy tapped into his unimaginable powers. As the guards and robots rushed toward him, he effortlessly manipulated the environment around him. The guards found themselves floating helplessly in the air, disarmed, and unable to mount any resistance. The robots malfunctioned as their circuits were overridden by Rudy's telekinetic abilities.

Taking advantage of the chaos he had created, Rudy swiftly moved forward, making his way deeper into the facility. With each step, he encountered more resistance, but his powers proved unstoppable. Guards were rendered immobile, robotic sentries disabled, and obstacles effortlessly cleared from his path.

As Rudy ventured deeper into the facility, they uncovered laboratories where the once enigmatic and immortal vampires were subjected to agonizing tests. They were piled corpses and for some reason their bodies hadn't turned into ashes, but Rudy was certain the remnants were of the vampires.

Rudy burned with rage, envisioning the torment inflicted upon these mythical beings. Their steps grew more resolute, fueled by a fervent desire to free the victims and bring justice to those who had betrayed the laws of nature.

Descending to the lower floors, Rudy encountered even stronger opposition. The super soldiers, equipped with their own unique superpowers, stood in his way. However, Rudy was undeterred. He

channeled his powers to create powerful energy barriers, deflecting their attacks and leaving them astonished by his unmatched abilities.

As the clashes continued, Rudy's rage increased. He unleashed devastating waves of telekinetic force, rendering the super soldiers temporarily incapacitated. With a single thought, he disabled their powers, leaving them vulnerable and at his mercy.

Undeterred, Rudy pressed on, determined to rescue the mythical creatures held captive and put an end to the experiments on innocent lives. He knew that the facility's secrets were hidden in the depths below, waiting to be uncovered.
