Su Zimo chose to follow the three Execution Guards not because he was afraid of them.

However, he was frustrated and could not let go of Ji Yaoxue's departure.

Even without the three Execution Guards, he was prepared to leave Astral Sect.

Since he was targeted by the Execution Guards once more, he would let nature take its course and board the immortal boat to leave Astral Sect with the three Execution Guards.

Initially, Su Zimo did not take the mission mentioned by Commander Liu seriously nor was he interested.

However, he vaguely heard the name Meng Yao and found it familiar, as though he had heard it somewhere before.

At that moment, Su Zimo's thoughts were in a mess.

The scenes of his interactions with Ji Yaoxue flashed through his mind from time to time. At times, he was puzzled as to why Ji Yaoxue's cultivation would stagnate. At times, he was thinking about his future plans.

For a moment, he could not recall who this Princess Meng Yao was.

On the other side, Xie Tianfeng and the other three were shocked when they heard the words Princess Meng Yao.

The fact that she was conferred the title of a princess meant that she was the daughter of King Jin!

What sort of status and nobleness was that?!

Lin Ming stood out as well and said in a deep voice, "Since it's the princess's request, we'll definitely give it our all! However, could you tell us the identities and cultivation of the two people we're encircling this time round so that we can be prepared?"

"The two of them are a man and a woman. The man's name is Gu Tongyou and he's good at using flutes. The woman's name is Qiu Siluo and she's good at using the zither. They're both Grade 8 Earth Immortals."

Commander Liu said, "The two of them are well-versed in music. With their flute and zither sounds, they can kill invisibly."

"They're only Grade 8 Earth Immortals. With Commander Liu and the other two Execution Guards around, the two of them won't be able to escape if we attack with our full strength!"

Xie Tianfeng was filled with confidence.

Zuo Zhuxuan said, "It's rare to see cultivators who entered the Dao through music. I heard that one of the most famous among them in the Divine Firmament Immortal Domain is one of the four great fairies, the Zither Immortal."

Commander Liu glanced at Zuo Zhuxuan. "You're quite knowledgeable. You've even heard of the Zither Immortal."

"N-Not really,"

Zuo Zhuxuan said with a smile.

"Do you know what the Zither Immortal's name is?"

A scornful look flashed through Commander Liu's eyes as he asked.

Zuo Zhuxuan shook his head. "I'm not sure about that. I've only heard that each of the four great fairies has fairy-like features and are devastatingly beautiful. However, each of them has their own merits."

Commander Liu smirked with a mocking expression and said slowly, "The Zither Immortal of the four great fairies is none other than Princess Meng Yao!"

"Ah!"

His words caused a commotion on the immortal boat.

Zuo Zhuxuan, Shangguan Qian, Xie Tianfeng and Lin Ming were shocked.

On the other side, Su Zimo gradually recalled as well.

Zither Immortal Meng Yao.

Back in the abyss of the Dragon Abyss Star where many treasures appeared, the Zither Immortal appeared in search of an ancient zither.

As for Fairy Meng Yao, not only was she the princess of the Great Jin Immortal Kingdom, she was also a legacy disciple of one of the four immortal sects, Flying Immortal Sect!

Apart from Meng Yao, there were two other Perfected Immortal experts.

Su Zimo summoned the Azure Dragon Sacred Soul in the Hell Suppression Tripod and used the dragon corpse to fight against the three Perfected Immortals, forcing them back.

Just as Su Zimo was recalling this matter, Commander Liu glared at Zuo Zhuxuan and said coldly, "If Princess Meng Yao finds out that you dare to discuss her like this in private, you'll definitely die!"

Instantly, Zuo Zhuxuan broke out in cold sweat.

"Commander Liu, please forgive me. I truly did not know earlier on,"

Zuo Zhuxuan could no longer maintain his composure. With a horrified expression, he bowed repeatedly and begged for mercy.

At the side, Xie Tianfeng and Lin Ming were naturally gloating.

"I won't hold it against you for now,"

Commander Liu snorted coldly.

"Thank you, Commander Liu,"

Zuo Zhuxuan expressed his thanks profusely—his face was already pale with fright just after a few breaths.

If he offended a princess in the Great Jin Immortal Kingdom, even his family clan would be turned into ruins instantly, let alone a Grade 8 Earth Immortal like him!

"Why is this couple so ignorant as to anger Princess Meng Yao?" Lin Ming asked.

Commander Liu said, "Princess Meng Yao once went to a secret ground to look for an ancient zither. It was the famous Soul Reaping Zither of the past. However, to think that someone would dare to fight against Princess Meng Yao for the Soul Reaping Zither!"

"It's that woman, Qiu Siluo!"

Xie Tianfeng was enlightened and blurted.

Commander Liu nodded. "Princess Meng Yao only found out recently that the Soul Reaping Zither is in this woman's hands, so she sent someone to ask for it."

"Who knew that this adulterous couple would be so audacious? Not only did they not hand over the Soul Reaping Zither with both hands, they even killed the maidservant sent by Princess Meng Yao!"

Another Execution Guard said, "This adulterous couple thought that they could escape. However, as long as it's within the Great Jin Immortal Kingdom, once the Execution Guards are activated to set an impenetrable trap, they won't be able to escape even if they have extraordinary methods!"

In a corner of the immortal boat, Su Zimo gradually recalled some scenes.

He had even seen the ancient zither that Zither Immortal Meng Yao wanted before. So, it was called the Soul Reaping Zither.

Accompanied by the ancient zither was a pitch-black ancient flute.

Back in the abyss, the ancient zither and flute killed many Earth Immortals the moment they appeared.

If Su Zimo had not possessed the help of the Prajna Nirvana Sutra and chanted Sanskrit in his consciousness, even he would have died.

Later on, he summoned the Hell Suppression Tripod and wanted to devour and refine them.

To think that the ancient zither and flute had an extremely high spirit intellect. As though they recognized the origin of the Hell Suppression Tripod, they turned and fled without hesitation without a trace.

It turned out that the ancient zither and flute already had owners and were in the hands of a man and a woman.

"Mmm?"

Su Zimo's heart skipped a beat as he suddenly recalled something.

Back outside the abyss, an Earth Immortal wanted to kill him because of a treasure.

Although there were many Earth Immortals coming and going, none of them helped.

Finally, a couple that looked like an immortal couple appeared and saved him, reminding him to be careful.

Su Zimo had asked for their names and the man merely said that it was nothing much. He did not leave his name and Su Zimo never saw them again.

Now that Commander Liu mentioned the Zither Immortal Meng Yao, the ancient zither, the Dragon Abyss Star and a man and woman, Su Zimo could not help but recall the immortal couple who had saved him.

Initially, Su Zimo wanted to find an opportunity to leave the immortal boat. Now that he heard that, he changed his mind.

The immortal couple had saved his life and were his benefactors.

If the two of them were truly surrounded, he could not stand by idly—he might as well go take a look.

“We’re here!”

Before long, Commander Liu suddenly said and the speed of the immortal boat gradually slowed down.

Su Zimo stood up and looked over.

Dozens of shimmering triangular flags were planted on the ground in front of them, arranged according to a strange direction.

Every single flag was etched with dense formation patterns.

Those were array flags.

By carving the formation patterns on the flags in advance and setting up the array formations with the help of the array flags, the time required for the formation to form could be reduced significantly!

There were 12 cultivators among the dozens of array flags.

Among them, ten of them were Earth Execution Guards.

The other man and woman were surrounded by the ten Earth Execution Guards and fell into the array flags. They were covered in blood and injuries!

The man in the middle had a mighty figure and his long hair draped over his shoulders.

His face and white robes were stained with blood and he held a pitch-black jade flute in his hands. He looked a little wretched and even had difficulty standing, swaying on the verge of falling.

This man was the cultivator who saved Su Zimo on the Dragon Abyss Star!

If not for the man's deep and melancholic eyes, Su Zimo would not have been able to recognize him right away.

!!

Those eyes were way too unique.

With a single glance, one would even automatically ignore everything else about the man and be attracted by those eyes.

The white-dressed woman beside the man was extremely beautiful and her skin was fair as snow. Now that she was severely injured, her face was as pale as a sheet.

The white-dressed woman could not even stand and slumped to the ground. The two bloodied wounds on her legs were shocking.

As Su Zimo had expected, the man and woman were the immortal couple who had saved him before.

However, although he recognized the two of them, they did not recognize Su Zimo who had changed his appearance.

Furthermore, the two of them merely saved Su Zimo casually at that time.

Even if Su Zimo revealed his true appearance, the two of them might not be able to recognize him.

There were more than ten corpses strewn around the man and woman—all of them were Execution Guards!

“What took you guys so long?”

One of the Earth Execution Guards who was the tallest, almost ten feet tall, glanced at Commander Liu and frowned slightly, asking loudly.

“Hehe,”

Commander Liu said with a fake smile, "Commander Xiong, something went wrong on the way here and delayed our schedule. However, it doesn't seem like we're too late."

"Not too late?"

Another Execution Guard commander sneered, "We've already lost more than ten brothers! If you had arrived on time, we wouldn't have lost so many people."

"Once today's matter is over, I'll definitely report it to Princess Meng Yao!"

After a moment of silence, Commander Liu said, "You're making things sound too serious, Commander Li."

"I changed my schedule midway because I heard last minute news that Su Zimo whom Prince Yuan Zuo had been hunting for many years appeared in the vicinity of Astral Sect. That's why I went there to check things out."

Naturally, he would not tell the truth that he wanted to obtain the inheritance of Astral Sect alone.

However, his words were very smart.

Commander Liu knew that if he changed his schedule in private and caused a delay to this matter, Princess Meng Yao would definitely punish him for offending her.

Of course, he did not obtain any news of Su Zimo. However, no one could say anything when he mentioned Prince Yuan Zuo.

"Hmph!"

Commanders Xiong and Li harrumphed angrily and indeed did not say anything more.

"Since the Black Light Essence Severing Formation has already been set up, the two of them won't be able to escape,"

Commander Liu smiled gently.

The moment Su Zimo entered the array flags, he realized that he could no longer sense the Heaven and Earth Essence Qi outside.

The array formation set up by the dozens of array flags could form a space that was isolated from Heaven and Earth Essence Qi!

"Qiu Siluo,"

Commander Liu looked at the white-dressed woman in the middle and sneered, "You're not bad-looking and you play the zither well. Unfortunately, you should not have offended Princess Meng Yao!"

Commander Liu looked at the white-dressed woman in the middle and sneered, "You're not bad-looking and you play the zither well. Unfortunately, you should not have offended Princess Meng Yao!"

The white-dressed woman's hands were fair as jade and her fingers were slender. She sat on the ground limply with an ancient zither in her arms. It was about three feet and six inches long with a total of seven strings. Made from Parasol Tree Wood, it was black and red with an ancient charm.

That ancient zither was the one Su Zimo had seen in the abyss—it was the Soul Reaping Zither that Commander Liu mentioned!

Xie Tianfeng wanted to contribute and leave a good impression in the eyes of the Execution Guards. At that moment, he stood out right away and hollered, "What status does a sl*t like you have? You're not worthy of competing with the princess of the Great Jin Immortal Kingdom, Zither Immortal Meng Yao, for the ancient zither!"

"I offended her?"

Qiu Siluo smiled faintly with a mocking expression. "I've obtained this Soul Reaping Zither for many years and am mentally connected to it."

"However, when your Princess Meng Yao found out about this, she sent someone to look for me and demanded the Soul Reaping Zither. When I was unwilling to hand it over, you guys tried to snatch it. What logic is that?"

"Haha!"

Commander Xiong burst into laughter. "Woman, you're truly too stupid! Princess Meng Yao is already giving you immense face by looking for you to demand the zither."

"Hand it over obediently. Given Princess Meng Yao's status, she'll definitely give you some benefits. However, if you refuse to hand over the zither, won't that just mean that you have a death wish?!"

Commander Liu sneered, "In other words, what can you do if Princess Meng Yao sends people to snatch your Soul Reaping Zither? It's already a blessing for the princess to be polite before resorting to force!"

Su Zimo was expressionless.

He did not have a good impression of Princess Meng Yao to begin with.

Although this woman was known as one of the four great fairies, back on the Dragon Abyss Star, she killed people just because of a few comments.

Thereafter, in order to search for the Soul Reaping Zither, she searched the consciousnesses of all the cultivators present without any reservations and was domineering!

Su Zimo was not surprised that she could do such a thing.

Qiu Siluo said, "As a princess, she's trying to snatch a treasure from an Earth Immortal while making her reasoning sound dignified. Isn't she afraid of being mocked by the world?"

"Bullsh*t!"

Commander Li said, "When the princess headed to the Dragon Abyss Star, it was for this Soul Reaping Zither. This ancient zither belonged to the princess to begin with!"

"The entire world belonged to the king and its shores are owned by the ministers. All the treasures in the Great Jin Immortal Kingdom belong to the royal family!!

"When the princess asked you for the zither, she was merely retrieving something she owned."

Qiu Siluo shook her head. "This Dharmic treasure is sentient and has already acknowledged me as its master. What has it got to do with your Princess Meng Yao?"

"Sentient?"

Commander Liu sneered, "I heard that the spirit consciousnesses of the Soul Reaping Zither and Fallen Soul Flute have already been severely injured. It's their own fault for being foolish enough to acknowledge others as their masters."

The man at the side sighed gently. "If that wasn't the case, you Execution Guards wouldn't have dared to chase after me, right?"

Back on the Dragon Abyss Star, this ancient zither and flute killed many Earth Immortals before they acknowledged their masters.

Now that the spirit consciousnesses in the zither and flute were severely injured, their power was naturally greatly reduced.

"Gu Tongyou!"

Commander Li berated, "Heaven Inquisition Sect was destroyed because of the two of you and you're still unrepentant?!"

The melancholy in Gu Tongyou's eyes intensified as he said slowly, "The princess has gone too far. This is a matter between me and Siluo. What has it got to do with our sect?"

"Hmph!"

Commander Liu said murderously, "The Sect Master of Heaven Inquisition Sect did not know his place and even dreamed of protecting the two of you! Although Heaven Inquisition Sect is an earth-grade sect, it can't defend against a single sentence from Princess Meng Yao!"

At the side, Xie Tianfeng, Lin Ming and everyone else were scared out of their wits.

Earth-grade immortal sects were much stronger than their family clans.

However, because of a single sentence from Princess Meng Yao, they were destroyed and reduced to ruins!

Commander Li had a mocking expression. "Gu Tongyou, you don't have much Essence Qi left in your body. How much combat strength do you have left after falling into this Black Light Essence Severing Formation and being severely injured?"

"10% or 20%?"

"You can try,"

Gu Tongyou said indifferently.

If not for this Black Light Essence Severing Formation, the many Execution Guards present were not confident that they could keep Gu Tongyou.

With this formation that isolated Heaven and Earth Essence Qi, Gu Tongyou could not activate the sound of his flute with Essence Qi and the threat to them was minimized.

When one fell into the Black Light Essence Severing Formation, they could only use their Essence Spirits and the power of blood qi in their bodies. However, they could not release any Dharmic arts or divine powers.

Be it Gu Tongyou or Qiu Siluo, their bloodlines and physiques were extremely ordinary.

!!

Qiu Siluo sat on the ground limply without any combat strength left.

The only one left was the severely injured Gu Tongyou whose Essence Qi had dried up and was not much of a threat. That was the reason why the Execution Guards present were so relaxed and fearless.

“Do it,”

Commander Xiong said in a deep voice, “Capture the two of them alive and hand them over to Princess Meng Yao.”

“Hold on,”

Right then, Commander Liu suddenly stood out and turned to look at Xie Tianfeng, Lin Ming, Zuo Zhuxuan and Shangguan Qian. “The four of you, head up and capture the two of them.”

“This...”

The decision was extremely sudden.

Zuo Zhuxuan and Shangguan Qian were instantly alarmed.

Xie Tianfeng and Lin Ming were hesitant as well.

Commander Liu harrumphed coldly. “The two of them have weak physiques and are severely injured. Even if they’re Grade 8 Earth Immortals, they won’t be able to unleash much combat strength. What are you afraid of?”

“You’re not willing to grab such a chance to render meritorious services?”

Commander Xiong, Commander Li and the others watched coldly from the sidelines.

Although they did not know Commander Liu’s intentions, they were not sure if Gu Tongyou had any other trump cards. It was fine to send outsiders to test the waters.

Zuo Zhuxuan, Shangguan Qian and Lin Ming exchanged glances and hesitated.

A vicious glint flashed through Xie Tianfeng’s eyes as he stood out and patted his chest. “Commander Liu, let me do it!”

Actually, Xie Tianfeng also knew that there was a certain degree of danger involved in this attack.

However, fortune came from danger!

If he could make use of this opportunity to gain the favor of the three Execution Guard commanders, it might bring immense benefits to him and his family clan!

Furthermore, Xie Tianfeng had the confidence as well.

Although his cultivation realm was only at the Level 7 Earth Essence realm, the cultivation techniques of the Xie family specialized in body tempering. Even if he could not defeat them in the Black Light Essence Severing Formation, he could escape alive.

Xie Tianfeng looked askance at Lin Ming and Zuo Zhuxuan before turning to Shangguan Qian and bragging, "Fellow Daoist Shangguan, you saw it too. Those two are as cowardly as rats. How embarrassing."

With that said, Xie Tianfeng walked towards Gu Tongyou murderously.

Gu Tongyou stood on the spot motionlessly with the Fallen Soul Flute in his hands.

Although Xie Tianfeng stood out, he did not underestimate his opponent nor did he attack rashly.

Instead, he stood ten feet away from Gu Tongyou and walked around the latter slowly, looking for openings and waiting for an opportunity to strike.

Gu Tongyou was still standing on the spot with his head slightly lowered. He looked at the Fallen Soul Flute in his hands with a melancholic expression.

Suddenly!

After circling a few times, Xie Tianfeng stopped in his tracks and attacked. Blood qi burst forth from his body as he withdrew a saber from his storage bag and charged towards Gu Tongyou!

"Kneel!"

Xie Tianfeng knew that he had to keep them alive. Therefore, he chose to slash towards Gu Tongyou's knees.

As though he did not see Xie Tianfeng charging over, Gu Tongyou was still unmoved.

It was only when Xie Tianfeng had already closed in and the saber was about to slash his knees with a gentle breeze that Gu Tongyou suddenly raised his palm.

Whoosh!

He had Fallen Soul Flute in his hands the entire time.

In the process of raising his palm, Fallen Soul Flute made use of the breeze created by Gu Tongyou's slash to let out a strange sound!

The many Execution Guards watching did not feel anything.

However, Xie Tianfeng, who was closest to Gu Tongyou, shuddered and his blood qi calmed down instantly.

Even his Essence Spirit trembled slightly and his gaze froze, causing his consciousness to go blank for a moment.

In reality, the Fallen Soul Flute was extremely powerful.

If Gu Tongyou played the Fallen Soul Flute with Heaven and Earth Essence Qi, the sound of the flute could cause one's soul to die!

The sound of the Soul Reaping Zither could draw out one's soul and dissipate it into the world!

The Soul Reaping Zither and Fallen Soul Flute were once the two most famous utmost treasures of the sound domain in an ancient era!

When the two weapons were pushed to their limits, the sound of the zither and flute could be heard. It could even kill all living beings in a world in a short period of time!

Unfortunately, the Essence Qi in Gu Tongyou's body was almost depleted.

He could not use Heaven and Earth Essence Qi to play the Fallen Soul Flute.

However, he was well-versed in music and was extremely talented. He merely made use of the breeze created by Xie Tianfeng's charge to let out a strange sound through the sound hole of the Fallen Soul Flute.

Although the sound did not synthesize Heaven and Earth Essence Qi, it still affected Xie Tianfeng when it sounded in his ears.

He paused for a moment and his consciousness blurred, recovering quickly.

That momentary opening was enough for Gu Tongyou.

Although Xie Tianfeng paused for a moment, Gu Tongyou did not.

He raised the Fallen Soul Flute in his hands and released the sound of the flute. At the same time, the Fallen Soul Flute happened to be raised in front of Xie Tianfeng's face!

Gu Tongyou's arm extended forward gently.

Poof!

A bloodied hole appeared on Xie Tianfeng's glabella from Fallen Soul Flute.

Xie Tianfeng had just snapped out of his stupor when he felt a sharp pain in his consciousness!

However, this time round, his consciousness fell into a bottomless abyss and he never woke up again.

Thump!

Xie Tianfeng fell to the ground with widened eyes, unable to rest in peace!

When Su Zimo saw that, he could not help but praise internally.

Gu Tongyou's attack was filled with imagination.

The entire process was fluid as water with an indescribable elegance.

It was a strange feeling. There seemed to be no blood or cruelty in the hands of this person. Instead, there was a hint of beauty.

Gu Tongyou did not use much strength to kill Xie Tianfeng.

Even so, his body swayed as well, as though he had expended a lot of energy and blood oozed from the corner of his mouth.

The wounds on his body ruptured once more!

"Tongyou, you..." Qiu Siluo was worried.

Gu Tongyou sighed gently. "We're going to die here today."

He was already at the end of his road and anyone present could kill the two of them!

"The three of you, head up,"

Commander Liu looked at Shangguan Qian, Zuo Zhuxuan and Lin Ming who were left.

Their expressions changed.

Xie Tianfeng had just died and even if Gu Tongyou was already at the end of his rope, the three of them were afraid of Gu Tongyou's strange methods and did not dare to advance rashly.

Lin Ming rolled his eyes and pointed to Su Zimo at the side. "Commander Liu, let him go! He has just obtained the inheritance of Astral Sect. It's a good opportunity for everyone to witness his capabilities!"

Commander Liu's expression darkened.

Initially, he wanted to hide this matter. He did not expect Lin Ming to reveal it directly.

"What inheritance of Astral Sect?"

At the side, Commander Li seemed to have sensed something and turned to ask.

"Nothing much,"

Commander Liu changed the topic and said coldly, "Let's hurry and capture the two of them so that we can head back and report it to Princess Meng Yao!"

With that said, Commander Liu headed towards Gu Tongyou and Qiu Siluo.

Suddenly, a palm touched his shoulder and someone whispered into his ear, "It's best if you don't head back."

Eternal Sacred King #Chapter 2094 - 2094 Kill! - Read Eternal Sacred King Chapter 2094 - 2094 Kill!

2094 Kill!

That palm was rather rude.

That statement came out of nowhere as well.

The voice of the person who spoke was even more foreign.

Commander Liu frowned. Just as he was about to turn around, a warning flashed through his mind!

!!

"Not good!"

Commander Liu's heart skipped a beat. Right as he was about to release his blood qi with all his might and dash out, he felt a sharp pain on his temple!

His Essence Spirit was penetrated instantly as well and his expression froze. His eyes gradually dimmed and his entire body fell weakly.

Sensing that something was amiss, the other Execution Guards turned over and saw an incomparably shocking scene!

Among the five people Commander Liu brought over, an ugly and tall Grade 5 Earth Immortal suddenly walked behind him and said something.

Immediately after, the palm of the Grade 5 Earth Immortal on Commander Liu's shoulder shifted horizontally and tapped his thumb gently on the latter's temple!

There was a swoosh!

A bloodied hole appeared on Commander Liu's temple!

The bloodied hole pierced Commander Liu's head and his Essence Spirit was destroyed, killing him on the spot.

Everyone present was shocked!

Nobody expected an unassuming Grade 5 Earth Immortal with almost no presence to dare attack an Execution Guard.

Furthermore, he was so ruthless that he killed a commander of the Execution Guards, a Grade 9 Earth Immortal, on the spot without hesitation!

Shangguan Qian, Zuo Zhuxuan and Lin Ming widened their eyes in disbelief and shock.

What sort of existence were the Execution Guards?

The Execution Guards represented the Great Jin Immortal Kingdom!

Even the Sect Master of Astral Sect, many elders and Heaven Immortal experts had to be respectful when they saw the Earth Execution Guards, let alone them!

But now, this drunkard who was sometimes crazy and sometimes silent in their eyes had suddenly attacked!

The world was about to turn upside down!

The two Execution Guards beside Commander Liu were the closest. Their pupils constricted and they were slightly stunned, but they reacted quickly.

"Scoundrel, you must be courting death!"

The palms of the two Execution Guards immediately reached for the Execution Sabers on their waists.

However, the two of them were way too close to Su Zimo.

Just as the two of them were stunned, Su Zimo attacked once more. Waving his palm in reverse, he slapped an Execution Guard heavily on the cheek.

Crack!

The sound of bones cracking echoed and blood splattered everywhere!

In the eyes of Shangguan Qian and the other two, space seemed to have stopped at that moment.

Right in front of the three of them, the Execution Guard's cheek changed rapidly and was shattered by Su Zimo's slap!

A warm red and white liquid splashed onto their faces.

The three of them shuddered and retreated instinctively with frightened expressions.

The Execution Guard's head was crushed by Su Zimo's palm and his Essence Spirit was destroyed, dying on the spot.

Clang!

The other Execution Guard had just drawn his Execution Saber halfway and the sound of a sharp weapon being unsheathed echoed.

Su Zimo sidestepped and arrived before the Execution Guard instantly. He placed a hand on the scabbard and pushed the Execution Saber back!

With his other hand, he closed two fingers and conjured a sword art, tapping the glabella of the Execution Guard.

Poof!

The Execution Guard's glabella was pierced instantly and fresh blood oozed.

The person's eyes were widened and his face was dark. He fell stiffly and was already dead!

The entire process took less than three breaths.

An Execution Guard commander and two Grade 8 Earth Immortals were dead!

In the Black Light Essence Severing Formation, the methods available to every cultivator were extremely limited.

Coupled with the suddenness of the matter, Commander Liu and the other two turned into three corpses before they even had the chance to attack!

“Crazy, crazy!”

Lin Ming gulped and looked at Su Zimo with shock and fear, muttering repeatedly.

Although Commander Liu and the other two were caught off guard in the Black Light Essence Severing Formation, it was way too terrifying to kill three Execution Guards that were three to four levels above him in succession!

Even Zuo Zhuxuan looked at Su Zimo with fear in his eyes.

Gu Tongyou and Qiu Siluo who were surrounded were shocked as well.

Initially, the two of them thought that they would definitely die today.

However, they did not expect that a Grade 5 Earth Immortal in the corner would kill three Execution Guards!

His decisiveness and ruthlessness were shocking!

Both of them exchanged glances and could see the confusion and surprise in the other's eyes.

They did not recognize the tall man at all.

Neither of them knew why the burly man suddenly attacked the Execution Guards.

However, the two of them knew one thing.

The burly man who was a Grade 5 Earth Immortal was most likely doomed.

Earlier on, the reason why this person could kill three people in succession was because he caught them off guard.

But now, the remaining ten Execution Guards had already reacted and moved, forming an encirclement!

Every single Execution Guard had an extraordinary physique and bloodline.

At the very least, they were stronger than the two of them.

Coupled with the Black Gold Feather Armors they wore, the Execution Sabers they wielded and the fact that their cultivation realms far surpassed the burly man, there was almost no chance of this burly man winning against the ten of them combined.

“Fellow Daoist, be careful,”

Gu Tongyou reminded loudly, “That Commander Xiong’s bloodline has been cultivated to the Tsunami Blood realm. You must not fight him head-on!”

“Damn it!”

Commander Xiong glared at Su Zimo fiercely and scolded, “What an eye-opener today. A Grade 5 Earth Immortal actually dared to attack the Execution Guards!”

“Don’t waste your breath on him. Kill him lest he causes trouble,”

Commander Li frowned and moved, charging towards Su Zimo with the Execution Saber.

At the same time, the other nine Execution Guards attacked at the same time!

“Today, we’ll slice him into pieces!”

Commander Xiong roared with a ferocious expression.

“Hmph!”

Su Zimo’s gaze intensified. Suddenly, he raised his leg and stomped heavily on the ground, causing the ground to quake with a loud bang!

Right on the heels of that, Su Zimo made use of the power of stepping on the ground to charge forward. Everywhere he passed, gravel and dust would fly as he plowed out two gigantic ravines!

It was too fast!

Two Execution Guards had just moved when they felt the ground tremble. The next moment, Su Zimo’s figure had already closed in!

Su Zimo’s charge released an incomparably ferocious and tragic aura that was suffocating!

It was like an ancient era’s Plow Heaven Divine Bovine that reared its head and howled into the skies with a torrential malevolent aura. Not only did it want to plow the heavens, it wanted to puncture two holes in the firmaments!

The two Execution Guards felt their scalps tingle. Before they could attack, Su Zimo had already extended his arms.

His arms were like two sharp horns that soared into the skies!

Bang! Bang!

Su Zimo's fists struck the chests of the two Execution Guards heavily and the tremendous force sent them flying instantly!

Their figures were still in midair when the Black Gold Feather Armor on their bodies cracked.

The chests of the two Execution Guards caved in!

The power released by Su Zimo's collision not only shattered the Black Gold Feather Armor, but also the bones of the two Execution Guards!

2095 Thunderous Methods!

Su Zimo sent two Execution Guards flying and swept his hands, snatching the Execution Sabers from their hands!

After snatching the sabers, Su Zimo did not stop at all and threw with his left hand.

An Execution Saber transformed into a cold beam of light and tore through the air, arriving before the two Execution Guards that were sent flying!

Pfft!

The saber pierced the heads of the two Execution Guards and nailed their Essence Spirits in midair!

As he threw the saber with his left hand, Su Zimo sidestepped and arrived before another Execution Guard. He raised the other Execution Saber and slashed down at that person!

Although Su Zimo did not circulate his blood qi, the Thunder Bones in his Green Lotus True Body vibrated continuously and emanated blinding lightning!

The slash was resplendent and electric arcs coiled with a shocking aura!

"Ah!"

The Execution Guard roared and channeled his blood qi. He raised his Execution Saber as well and slashed towards Su Zimo's saber!

Clang!

The two sabers collided and an ear-piercing sound of metal clashing echoed!

The next moment, cracks appeared on the surface of the two Execution Sabers!

The armor on the Execution Guard's arms exploded instantly as well. The flesh on both arms tore and burst into a blood mist!

The tremendous power of Su Zimo's slash not only destroyed the two Execution Sabers, but also crippled the arms of the Execution Guard!

The destructive power of thunder surged into his Spirit Platform!

The Execution Guard maintained his stance of gripping his saber with both hands motionlessly. However, the light in his eyes gradually dimmed.

When the two Execution Sabers exploded and shards scattered, the Execution Guard fell limply.

The battle had just begun and in the blink of an eye, two of the ten Execution Guards were rammed to death by Su Zimo and another one was shocked to death!

It was fine if Su Zimo did not attack, but the moment he did, he used thunderous methods and left no one alive!

Zuo Zhuxuan, Shangguan Qian and Lin Ming were dumbfounded.

Even Gu Tongyou and Qiu Siluo were shocked.

If the reason why the Grade 5 Earth Immortal killed Commander Liu and the other two earlier on was because he caught them off guard, his attack this time round had already revealed his terrifying methods!

There was no trick to killing the three Execution Guards—it was a head-on collision and even suppression with absolute strength!

“A Grade 5 Earth Immortal can release such burst power?”

Gu Tongyou was shocked and said in disbelief.

Qiu Siluo nodded as well. “Indeed, he's very powerful. However, the reason why he can release such terrifying combat strength is also because of this Black Light Essence Severing Formation.”

"This person's physique is extremely strong. He can maximize his advantage in this formation,"

Gu Tongyou said, "Even so, it's truly terrifying to be able to cross three cultivation realms and kill three Grade 8 Earth Immortals under the encirclement of ten Execution Guards."

As the two of them spoke, both parties on the battlefield exchanged blows once more.

Although Su Zimo killed three Execution Guards, the remaining seven had already closed in!

Seven Execution Sabers slashed down, forming an impenetrable saber net that sealed Su Zimo's escape path!

"It's over,"

Gu Tongyou shook his head. "That person is surrounded and has nowhere to hide. No matter how strong his body is, he won't be able to take on the seven Execution Guards head-on."

Qiu Siluo looked nervous as well.

It was as though Su Zimo would be sliced into pieces the next moment!

"Roar!"

Suddenly!

Suddenly, Su Zimo took a deep breath and shouted!

Instantly, the world went silent!

To be precise, this could no longer be considered as a shout. Instead, it was a deafening roar that shook the world and contained endless might!

Against that howl, cultivators would feel an uncontrollable fear in the depths of their hearts.

Lin Ming and Zuo Zhuxuan who were watching from afar were shocked. Their ears buzzed and their vision blurred. Their legs went limp and they could barely stand.

Shangguan Qian's body swayed slightly and her face turned pale.

Even Gu Tongyou and Qiu Siluo who were proficient in music and the Dao of sound domains were shocked!

That sound domain secret skill was way too terrifying!

It was clear that the roar was not targeted at them. Even so, the two of them could sense the terrifying power contained in the roar.

The roar resembled a dragon's howl, a phoenix's cry, a thunderous rumble and thousands of elephants trumpeting!

That did not sound like a human at all.

After Su Zimo cultivated the Divine Elephant Breathing Technique, he fused the Myriad Elephant Roar into the secret skill of the Azure Dragon Roar.

The power of the Azure Dragon Roar had already transformed to an extremely terrifying degree.

If not for the Black Light Essence Severing Formation, once Heaven and Earth Essence Qi was infused into this skill, the seven Execution Guards in the surroundings would have died on the spot if their cultivation realms and physiques were not strong enough when the Azure Dragon Roar was released!

Right now, even without the help of Heaven and Earth Essence Qi, the Azure Dragon Roar still produced an extremely terrifying impact.

Against the roar, the seven Execution Guards shuddered and froze in midair.

Four of them widened their eyes and their ears were pierced by the sound, spurting with two streams of blood.

Among the four of them, two of their eyeballs exploded on the spot!

“Ah! Ah! Ahhhh!”

The crowd was in chaos as the four of them let out tragic cries and staggered in retreat.

The remaining three were Grade 9 Earth Immortals, Commander Li and Commander Xiong included.

The three of them had different physiques, blood qi and cultivation realms.

At the Tsunami Blood realm, Commander Xiong's blood qi was the strongest and he received the least impact and damage.

As for Commander Li and the remaining Grade 9 Earth Immortal, although they were not injured, they had pained expressions and their features were squeezed together. They lost their hearing for a moment and their consciousnesses went blank.

The encirclement of the sabers dissipated instantly!

Su Zimo's expression was cold. He did not choose to chase after the four injured Execution Guards. Instead, he strode forward and slapped Commander Li on the head with his left hand.

His right finger pierced the glabella of the other Grade 9 Earth Immortal.

Their Essence Spirits were destroyed on the spot!

Su Zimo's analysis of the situation and battlefield was unparalleled.

He had fought his way through Tianhuang Mainland and was always surrounded. As such, he could determine the other party's weaknesses and openings right away.

During such rare opportunities, he would get rid of the people who posed the greatest threat to him.

In other words, his targets were the Grade 9 Earth Immortals present!

Unfortunately, Commander Xiong's blood qi was strong and he was not affected much. He retreated right away and escaped.

Otherwise, Su Zimo would have been able to kill Commander Xiong instantly!

The tides had turned entirely.

Earlier on, Su Zimo was surrounded by seven people and the situation was dangerous. In the blink of an eye, he killed two more people and had the upper hand!

There were only five Execution Guards left on the battlefield.

Four of them were injured and the only one who retained his peak combat strength was Commander Xiong, a Grade 9 Earth Immortal.

Right then, Su Zimo's body swayed and he spat out a mouthful of blood with a pale expression.

His Dao Heart was damaged and had not recovered. Now that a huge battle had broken out, it affected his internal injuries.

Eternal Sacred King #Chapter 2096 - 2096 Massacre - Read Eternal Sacred King Chapter 2096 - 2096 Massacre

Gu Tongyou and Qiu Siluo could not help but feel emotional when they saw Su Zimo release his might and break out of his predicament, killing a few people consecutively with his sound domain secret skill.

If this continued, the outcome of this battle would be unpredictable.

However, right then, Su Zimo's body swayed and he spat out a mouthful of blood, as though something was amiss.

Both of them frowned.

Initially, Commander Xiong was stunned by Su Zimo's methods and was momentarily bewildered. He did not dare to advance and even wanted to retreat.

However, he was puzzled when he saw Su Zimo vomiting blood.

Could it be that this Grade 5 Earth Immortal was severely injured after clashing head-on with the other Execution Guards in the battle earlier on?

That was indeed a possibility.

It was truly unusual for a Grade 5 Earth Immortal to release such terrifying strength and methods.

There was a high chance that he had used some secret skill to stimulate his potential.

Secret skills that could stimulate one's potential would also be accompanied by extremely strong sequelae.

Although this person managed to take down a few Execution Guards head-on, he was severely injured as well.

Just as Commander Xiong was pondering, Lin Ming on the other side suddenly reacted and shouted, "Commander Xiong, this person just failed his breakthrough earlier on and his injuries have yet to recover!"

"That's right!"

Zuo Zhuxuan stood out as well. "In addition, this person's Dao Heart is damaged. If he attacks consecutively, it will definitely aggravate his Dao Heart injuries!"

Shangguan Qian glared at Zuo Zhuxuan and Lin Ming coldly.

Although she did not dare to stand out and help Su Zimo, she would not do the despicable act of kicking someone when they were down.

When he heard that, Commander Xiong's eyes lit up and he calmed down.

"Hahahaha!"

Commander Xiong burst into laughter. "Thief, you sure are bold to dare to kill so many Execution Guards of the Great Jin Immortal Kingdom!"

"Commander Xiong, we can't give him a chance to catch his breath. Let's kill him together!"

Because they were isolated from Heaven and Earth Essence Qi, the injuries of the remaining four Execution Guards could not heal yet.

However, the four of them could determine Su Zimo's location with the help of their spirit consciousnesses.

"This is bad,"

Gu Tongyou shook his head. "This Fellow Daoist's Dao Heart is damaged and he's injured. I'm afraid..."

Qiu Siluo sighed gently as well. "The two of us are severely injured and are trapped in this Black Light Essence Severing Formation so we can't help much, sigh."

"Kill!"

Wielding the Execution Saber, Commander Xiong's blood qi surged as he strode towards Su Zimo.

The other four Execution Guards dispersed as well and advanced at the same time, charging towards Su Zimo.

"Die!"

Before the four of them arrived, a domineering spirit consciousness fluctuation spread out from their glabellas!

The four Execution Guards had just sent voice transmissions with their spirit consciousnesses and had already decided to use their spirit consciousness secret skills to join forces to kill Su Zimo's Essence Spirit!

The four of them did not want to give Su Zimo any chance to retaliate.

"This is bad!"

Gu Tongyou's heart skipped a beat when he sensed the intense spirit consciousness fluctuation on the battlefield.

He had been worried about this the entire time.

The difference in their cultivation realms was too great.

If the Execution Guards released their Essence Spirit secret skills, this Grade 5 Earth Immortal would have no chance of winning!

Four Essence Spirit secret skills were released and arrived instantly!

Su Zimo's expression was unchanged as he raised his head and looked at the four of them indifferently.

Suddenly, a palm-sized scale floated out from his glabella. It was silent but emitted a shuddering aura!

Essence Spirit secret skill, Reverse Scale!

"Fufu, the light of a firefly..."

An Execution Guard could not help but sneer when he saw Su Zimo activate his Essence Spirit secret skill as well.

In his opinion, there was a difference of three cultivation realms between them. In a fight between Essence Spirits, he could kill Su Zimo's Essence Spirit with ease while his Essence Spirit could escape unscathed!

However, that person stopped before he could finish.

His smile froze on his face as well with a dull gaze.

The other three Execution Guards paused as well.

The four Essence Spirit secret skills of the Execution Guards collided against the Reverse Scale.

There was not much noise in a fight between Essence Spirit secret skills.

However, cracks appeared in the Essence Spirits of the four Execution Guards!

Before long, the Essence Spirits of the four Execution Guards were destroyed on the spot!

Su Zimo was in seclusion in the cave abode of Astral Sect for a long time.

Although his Dao Heart was damaged because of Ji Yaoxue's passing and his failed breakthrough, the Prajna Nirvana Sutra that he cultivated became more complete and perfected.

This cultivation technique was extremely terrifying when it came to cultivating the Essence Spirit.

Although Su Zimo had not broken through to the Grade 6 Earth Immortal realm, his Essence Spirit realm had already reached the level of a Grade 8 Earth Immortal!

In other words, the Essence Spirit realms of both parties were not different.

As for Su Zimo's Essence Spirit, it was formed from the Green Lotus Essence Spirit and Dragon Phoenix Essence Spirit's synthesis of Illumination and Nether Glow. With the help of the Prajna Nirvana Sutra, it was even more condensed and pure.

Now, he had even released the Reverse Scale secret skill.

The four Execution Guards could not defend against it at all!

Anyone who touched the Reverse Scale of a dragon would die!

Even Commander Xiong might not be able to escape unscathed if his Essence Spirit secret skill clashed against the Reverse Scale head-on, let alone the four Grade 8 Earth Immortal Execution Guards.

Of course, the Reverse Scale could not withstand the impact of the four Essence Spirit secret skills and dissipated into the void, vanishing.

On the other side, Commander Xiong had a terrible expression.

There were more than ten Earth Execution Guards and three commanders—they were considered top-tier experts among Earth Immortals.

To think that they were almost completely annihilated by a single Grade 5 Earth Immortal!

Right now, he was the only one left!

If he removed the Black Light Essence Severing Formation and recovered Heaven and Earth Essence Qi, he was absolutely confident that he could kill this Grade 5 Earth Immortal with the difference in their cultivation realms.

However, once the formation was dispelled, it was equivalent to Gu Tongyou at the side recovering his combat strength as well.

He could not defend against the sound of the Fallen Soul Flute at all!

Commander Xiong had already closed in and had no way out—he could only fight with all his might!

“Kill!”

Commander Xiong roared and channeled his blood qi to its limits. Wielding the Execution Saber with both hands, he slashed down viciously at Su Zimo’s head!

Earlier on, he sensed that Su Zimo’s Essence Spirit realm was very high.

Therefore, he did not dare to use his Essence Spirit secret skill. Instead, he chose to fight Su Zimo in melee combat with his powerful blood qi.

However, although he did not use his Essence Spirit secret skill, Su Zimo had no intention of giving up.

A golden Sanskrit talisman condensed in Su Zimo’s consciousness and flew towards Commander Xiong.

The Gautama Dharmic Seal!

With the help of the Prajna Nirvana Sutra, the might of the Gautama Dharmic Seal was not to be underestimated!

If Commander Xiong ignored the Essence Spirit secret skill, although he could kill Su Zimo, he would not be able to escape death either.

Helpless, Commander Xiong could only release his Essence Spirit secret skill to fight against the Gautama Dharmic Seal head-on!

The two Essence Spirit secret skills collided.

Su Zimo and Commander Xiong shuddered.

In this Essence Spirit secret skill fight, Commander Xiong had the slight advantage.

He was delighted and was about to continue swinging his Execution Saber to kill Su Zimo.

Another beam of light shot out from Su Zimo’s glabella with an extremely sharp edge, piercing towards his glabella!

The Green Lotus Sword burst forth!

Eternal Sacred King #Chapter 2097 - 2097 Annihilation - Read Eternal Sacred King Chapter 2097 - 2097 Annihilation

2097 Annihilation

“You!”

When Commander Xiong saw an exquisite green sword tearing through the air, his expression changed!

He hurriedly condensed his spirit consciousness to defend against the Green Lotus Sword.

However, the Green Lotus Sword was extremely sharp and passed through his spirit consciousness instantly, entering his consciousness and slashing his Essence Spirit.

Clang!

A dull sound echoed when it struck the Essence Spirit.

The Green Lotus Sword trembled gently and its glow dimmed, turning into 90 green lotus seeds that returned to Su Zimo’s consciousness and went back to the lotus cave to be nourished once more.

Commander Xiong’s Essence Spirit was wearing an Essence Spirit Dharmic treasure that resembled an inner armor!

Essence Spirit Dharmic treasures were extremely rare.

They were extremely difficult to refine and could save lives most of the time—they were equivalent to additional lives.

If not for the Essence Spirit inner armor, Commander Xiong would have died for sure!

Of course, the Green Lotus Sword was formed from the green lotus seeds nurtured by the Grade 10 Creation Green Lotus. It was too sharp and extremely powerful.

Even with the inner armor, Commander Xiong’s Essence Spirit was shaken violently and was even injured!

The surging blood qi in his body turned chaotic instantly and his body shuddered as blood oozed from the corner of his mouth.

In that instant, Su Zimo counterattacked!

The two of them were close to one another to begin with and Su Zimo had already closed in with a single step. Kneeling forward like a galloping horse, he smashed heavily against the chest of Commander Xiong.

At the same time, Su Zimo's hands gripped Commander Xiong's wrist tightly like two iron hoops and yanked to both sides!

Crack! Crack! Crack!

The armor on Commander Xiong's arms collapsed instantly and cracks appeared!

He felt a sharp pain in his arm, as though it was about to be torn off.

In reality, if not for the protection of the Black Gold Feather Armor, that attack earlier on would have torn his arms off!

Of course, Su Zimo had reservations and did not use his blood qi the entire time.

If he channeled the blood qi of the Green Lotus True Body, that attack would be enough to severely injure Commander Xiong!

Even so, Commander Xiong was scared out of his wits!

He had never seen such ferocious offensive skills and fighting styles.

Up till this point of the battle, Su Zimo did not seem like a cultivator at all. Instead, he looked like a man-eating ferocious beast with a torrential ferocity!

Commander Xiong had a horrified expression and retreated instinctively, wanting to escape from this place.

However, the two of them were too close.

At that distance, he would not have a chance to escape even if he wanted to!

If not for the Black Light Essence Severing Formation, Su Zimo would have to use all his trump cards if he wanted to kill more than ten Execution Guards.

In fact, he would even have to release the Hell Suppression Tripod and Green Lotus phenomenon.

However, with this Black Light Essence Severing Formation, he was saved a lot of trouble.

With the Green Lotus True Body, the Thunder Bones, the Divine Elephant Breathing Technique that he cultivated, the Mystic Classic of the Twelve Demon Kings of the

Great Wilderness and the offensive skills of the Azure Dragon, he could bury everyone here in an invincible manner!

The existence of the Black Light Essence Severing Formation trapped the Execution Guards.

However, this array formation was targeted at Gu Tongyou and Qiu Siluo to begin with. Who would have thought that a monster like Su Zimo would appear?

When Commander Xiong retreated, Su Zimo was like a shadow, chasing even faster. He flipped his palm and crushed down on the head of Commander Xiong!

Helpless, Commander Xiong could only raise his arms to defend.

His Essence Spirit was injured and it was difficult for him to circulate his blood qi.

His pure physique could not defend against the Green Lotus True Body at all!

Crack!

Su Zimo's palm descended and snapped Commander Xiong's arms!

"Ah!"

Commander Xiong shrieked tragically and his spirit consciousness moved, wanting to summon the messenger talisman in his storage bag to send a distress signal.

However, Su Zimo's attacks were like a storm and would not give him any chance to catch his breath!

After that palm strike, Commander Xiong felt his vision blur and Su Zimo's figure vanished.

The bystanders had a clearer view of things.

In the eyes of Gu Tongyou and the others, under the suppression of Su Zimo's palm, he suddenly lowered his body and slithered forward like an agile anaconda, circling behind Commander Xiong.

The next moment, the anaconda coiled around Commander Xiong and raised its head to take a deep breath, as though it wanted to devour the sun and the moon!

The anaconda's body expanded continuously!

Under their shocked gazes, Commander Xiong's burly body transformed rapidly and a jarring crackling sound came from his body!

Commander Xiong's bones were minced by the anaconda and his body exploded into blood mists!

Swoosh!

An Essence Spirit flew out from the top of his head. Before it could escape, it was whipped into pieces by the anaconda's tail and destroyed on the spot!

On the other side, Lin Ming was shocked. Suddenly, he shook his head and rubbed his eyes with both hands.

He seemed to have hallucinated earlier on.

The drunkard seemed to have vanished and in his place was an anaconda!

By the time he focused his gaze once more, Commander Xiong had already turned into a pile of grisly red meat and was sprawled on the ground, dead.

The ugly drunkard stood at the side expressionlessly.

Everything that happened earlier on merely seemed like a hallucination of his.

Actually, he was not the only one. Zuo Zhuxuan and Shangguan Qian had the same hallucination.

Gu Tongyou and Qiu Siluo exchanged glances—both could see the shock in the other's eyes.

Both of them could see things clearer and sharper.

Throughout history, many cultivation techniques and offensive skills were imitated from ferocious beasts and demon beasts.

It was easy to imitate them but it was difficult to capture their actual spirits.

Someone like Su Zimo who possessed both form and spirit and could even cause one's vision to go haywire such that it was difficult to differentiate between reality and illusion was completely unheard of!

Although the battle sounded slow upon narration, the process was extremely short.

It had been less than 20 breaths since Su Zimo attacked and killed Commander Liu's group of three before going on to mince Commander Xiong to death.

Zuo Zhuxuan and Lin Ming had always been on the side of the Execution Guards.

Before the two of them snapped out of their stupor from the shock of how Su Zimo dared to attack the Execution Guards, all the Execution Guards present were annihilated without exception.

The battle ended before the two of them even had the chance to attack!

How was that possible?

Who was this Mo Ling?

Not only did he attack the Execution Guards, he even massacred them mercilessly!

He was only a Grade 5 Earth Immortal—how could he release such terrifying power?

Could it be the legacy cultivation technique of Astral Sect?

That did not make sense. Right from the beginning, they had not seen him use any methods of Astral Sect.

Furthermore, he could not release them in the Black Light Essence Severing Formation.

Zuo Zhuxuan and Lin Ming's minds were in chaos.

Right then, Su Zimo turned around and looked at the two of them.

Zuo Zhuxuan and Lin Ming met with Su Zimo's gaze and their expressions changed. They felt a chill run down their spines and their hearts seemed to leap into their throats!

The two of them were not fools and realized something.

Notwithstanding the fact that they had been targeting Su Zimo repeatedly previously, it would be difficult for the two of them to leave alive after witnessing today's scene!

Eternal Sacred King #Chapter 2098 - 2098 Silence - Read Eternal Sacred King Chapter 2098 - 2098 Silence

2098 Silence

"Not good!"

"This Mo Ling wants to silence me!"

The same thought crossed the minds of Zuo Zhuxuan and Lin Ming.

Right then, Su Zimo had already walked slowly towards the two of them expressionlessly.

However, both of them were still scared out of their wits.

At that moment, the wisest choice for the two of them was to turn and escape. However, for some unknown reason, against Su Zimo's gaze, their legs no longer obeyed them.

In their eyes, the Execution Guards was a supreme existence that could not be offended.

But now, the drunkard before him had killed 13 Execution Guards!

In their eyes, Su Zimo was no longer the crazy and ugly drunkard. Instead, he was more like a cold-blooded and ruthless fiend who killed without batting an eyelid!

Both of them were scared out of their wits and shivered.

In the blink of an eye, Su Zimo had already arrived before Zuo Zhuxuan and Lin Ming, watching the two of them with a calm expression.

The two of them did not dare to meet Su Zimo's gaze and averted it.

"You guys wanted to see my capabilities earlier on,"

Su Zimo spoke slowly and said in a seemingly casual manner, "I hope I didn't disappoint the two of you."

Initially, Commander Liu and the others wanted to make use of Gu Tongyou and Qiu Siluo to kill Zuo Zhuxuan and the others.

Zuo Zhuxuan, Lin Ming and Xie Tianfeng pushed Su Zimo out.

Indeed, Su Zimo stood out.

He started a massacre in an incomparably shocking manner and killed all 13 Execution Guards!

When Zuo Zhuxuan and Lin Ming heard Su Zimo's question, they did not know how to reply. They could only grin dryly with horrified expressions.

"Fellow Daoist Mo Ling,"

Zuo Zhuxuan took a deep breath and tried his best to compose himself. "I've offended you in the past. Fellow Daoist, please be magnanimous and give me a chance on account of our relationship as fellow sect mates."

“Y-Y-Yes!”

Lin Ming nodded hurriedly and smiled apologetically. “I’ve also made a mistake in the past. Fellow Daoist Mo Ling, please be magnanimous, heh.”

Su Zimo was unmoved and merely looked at the two of them calmly.

Beside them, Shangguan Qian sighed gently.

She was extremely fearful as well.

However, she could not bring herself to wag her tail and beg for mercy like Zuo Zhuxuan and Lin Ming.

Zuo Zhuxuan continued, “Fellow Daoist Mo Ling, don’t worry. I can swear that I’ll pretend that I’ve never seen you before and never tell a second person about what happened today! If I break that vow, I’ll die a terrible death!”

He thought to himself that even if he did not tell a second person, he could tell it to a third or a fourth person.

That way, it would not be considered as a violation of the vow.

Lin Ming was enlightened and hurriedly followed suit, making a vow.

“Are you done speaking?”

Su Zimo asked indifferently.

Lin Ming nodded instinctively.

“You can die then,”

With a backhand slap, Su Zimo slapped the side of Lin Ming’s face.

Crack! Crack! Crack!

Lin Ming’s head spun a few times around his neck before coming to a slow stop—his entire neck was completely shattered!

His eyes were widened.

Su Zimo’s seemingly casual palm strike had already shattered the Essence Spirit in his consciousness!

When Zuo Zhuxuan saw that, he could not help but gulp and clench his fists instinctively.

Immediately after, a vicious glint flashed through his eyes. Suddenly, he channeled his blood qi and retreated, circulating his Essence Spirit to condense a greater divine power!

“Frost Barrier!”

Zuo Zhuxuan pointed at Su Zimo.

An almost transparent frost barrier was formed around Su Zimo, trapping him within!

Shangguan Qian’s heart skipped a beat when she saw that.

It was only at that moment that she suddenly realized that the Black Light Essence Severing Formation had lost its effect and she could clearly sense the surrounding Heaven and Earth Essence Qi!

Gu Tongyou and Qiu Siluo were not surprised.

Although it was convenient to set up such array flags and they were fast, there was a disadvantage.

The 49 array flags were equivalent to Dharmic treasures. If anything happened to the owner of the flags, they would become ownerless and the Black Light Essence Severing Formation would lose its effect.

If one were to carve formation patterns on the ground or in the void bit by bit, although it was extremely troublesome to set up and took a long time, it could be maintained for a long time.

Therefore, the moment Commander Xiong died, the Black Light Essence Severing Formation lost its effect and Heaven and Earth Essence Qi recovered!

To Gu Tongyou and Qiu Siluo, this was naturally a good thing for them.

However, it was not good for Mo Ling who had just gone on a massacre.

The reason why Mo Ling could release such a terrifying killing power was mainly because of the Black Light Essence Severing Formation.

If Heaven and Earth Essence Qi was recovered, this person’s cultivation realm would only be at Grade 5 Earth Immortal after all—the difference between him and Zuo Zhuxuan and the others was too great.

Therefore, although Gu Tongyou and Qiu Siluo sensed the change, they did not remind him because they were worried that Zuo Zhuxuan and the others would sense it and they would put Mo Ling in danger instead.

In reality, Lin Ming and Shangguan Qian truly did not notice this change.

However, Zuo Zhuxuan realized it.

He was forced into a corner by Su Zimo and finally overcame the fear in his heart to counterattack.

That was the reason for the scene earlier on.

“Mo Ling, I don’t want to be your enemy!”

Zuo Zhuxuan conjured the frost barrier and trapped Su Zimo within, shouting, “But don’t force me! I’m a Grade 8 Earth Immortal after all and I’m three realms above you. Without the Black Light Essence Severing Formation, you might not be able to win in a life and death battle!”

To be honest, even after recovering Heaven and Earth Essence Qi, Zuo Zhuxuan did not dare to fight Su Zimo.

There was a hint of cowardice in his words as he forced himself to put on a calm composure.

After all, the scene of Su Zimo killing 13 Execution Guards in succession earlier on had a huge impact on him!

“The Zuo family is one of the five major family clans of Solar Luna County…”

Zuo Zhuxuan shouted as he retreated, wanting to intimidate Su Zimo so that he could escape from this place.

“I even dared to kill the Execution Guards. Yet, you’re trying to scare me with the five major family clans of Solar Luna County?”

Su Zimo sneered and in a flash, disappeared from the barrier conjured by the frost divine power!

By the time Su Zimo reappeared, he was already behind Zuo Zhuxuan!

“Mmm?”

When they saw that, Gu Tongyou and Qiu Siluo were shocked and their expressions changed!

“This is...”

“Teleportation?”

Qiu Siluo looked at Gu Tongyou beside her in confusion.

Gu Tongyou shook his head gently. “It shouldn’t be teleportation. Teleportation is a supreme divine power that can only be released by Heaven Immortal experts. This method is more like a secret skill of the Dragon race...”

“Psst!”

Zuo Zhuxuan’s pupils constricted and he gasped!

Vanished!

He had been staring at Su Zimo fixedly the entire time, afraid that something might happen.

However, Su Zimo suddenly vanished from his line of sight!

The next moment, he felt an aura of death descend from behind him.

Without hesitation, Zuo Zhuxuan pointed to Shangguan Qian who was not far away and hollered, “Nether Swap!”

Swoosh!

Zuo Zhuxuan and Shangguan Qian swapped positions instantly.

Eternal Sacred King #Chapter 2099 - 2099 Old Friends - Read Eternal Sacred King Chapter 2099 - 2099 Old Friends

2099 Old Friends

It was no wonder why Zuo Zhuxuan was a genius of the Zuo family.

It was indeed extremely rare for him to be able to react in such a short period of time and release Nether Swap to avoid Su Zimo’s killing move after the first flash of the True Dragon Nine Flashes.

However, Su Zimo’s expression was unchanged as he disappeared once more in a flash.

Zuo Zhuxuan had just escaped. Before he could catch her breath, he turned back instinctively and was horrified to discover that Su Zimo had vanished once more!

“Are you looking for me?”

A calm voice sounded behind him.

He was close by!

Bang!

The next moment, Zuo Zhuxuan felt a sharp pain at the back of his head. An arrow of blood burst forth from his eyes and spilled down slowly.

Su Zimo pierced his head with a single finger!

His Essence Spirit was destroyed.

Zuo Zhuxuan fell limply to the ground with widened eyes. His expression was still filled with fear and his gaze dimmed—he was dead!

Even after recovering Heaven and Earth Essence Qi, the Grade 8 Earth Immortal, Zuo Zhuxuan, could not last two rounds!

On the other side, Shangguan Qian was swapped into midair by Zuo Zhuxuan’s Nether Swap. At that moment, she did not escape. Instead, she descended slowly from midair.

She knew that even if she chose to escape, she would not be able to escape.

The strength of Mo Ling before her had far surpassed her imagination!

Shangguan Qian looked at Su Zimo who was walking over slowly with a conflicted expression.

She was the first to notice that this person was unusual.

However, she had not expected that this person would be so unusual that it was unbelievable!

Before long, Su Zimo arrived before Shangguan Qian.

Shangguan Qian sighed internally.

She knew very well that although there was no feud between the two of them, there was no way Mo Ling would let her leave after witnessing this scene today.

However, she was still puzzled and wanted an answer.

“You were pretending to be drunk when you joined the sect, right?”

Shangguan Qian looked at Su Zimo and asked softly.

She knew that she would definitely die. Instead of fear, she became calm.

“Yes,”

Su Zimo nodded and did not lie.

Shangguan Qian thought for a moment and continued, “Did something happen for you to fail your breakthrough previously?”

She had once seen a heartbreaking sadness in Su Zimo’s eyes.

Even she felt terrible when she saw that sadness.

After a long silence, Su Zimo said, “Someone very, very important to me has left.”

Shangguan Qian went silent as well.

She did not know how to persuade him about something like that either.

In fact, she even felt a hint of envy towards the person who left.

Most cultivators were pure and heartless. Even if she died, there would not be many people in this world who would feel sad for her.

At the thought of this, Shangguan Qian laughed self-deprecatingly and thought to herself, “If I have to die, so be it.”

“Make your move,”

Shangguan Qian closed her eyes.

After a while, she did not feel any pain or killing.

She opened her eyes and looked over. Unknowingly, Su Zimo had already left her and was tidying up the battlefield at the side, collecting the storage bags of the many Execution Guards, Zuo Zhuxuan and the others.

“You can leave,”

Su Zimo said with his back facing Shangguan Qian.

“Why didn’t you kill me?”

Shangguan Qian frowned slightly in confusion.

Su Zimo asked instead, “Why should I kill you?”

In truth, apart from the fact that he wanted to silence them, there was another reason why he killed Zuo Zhuxuan and Lin Ming.

More importantly, it was because the two of them had provoked him repeatedly before and even wanted to kill him!

The first time he came out of seclusion, both of them sent cultivators to follow him.

The second time he came out of seclusion, when he was receiving the inheritance of the Exalted Mystic Spirit Big Dipper True Sutra, Lin Ming wanted to interrupt him as well.

After the inheritance was over, Zuo Zhuxuan even threatened to snatch the cultivation technique.

Although Shangguan Qian was the first person to notice his abnormality, she had stood up for him countless times during this period of time.

While Su Zimo did not express anything, he remembered everything.

Although he had changed his appearance, his personality had not changed and he was clear about gratitude and hatred.

Zuo Zhuxuan and Lin Ming deserved to be killed!

However, Su Zimo would not kill Shangguan Qian who had helped him before just to silence her.

Furthermore, Shangguan Qian did not know his true identity at all.

He had the Trinity Auspicious Jade and could change his appearance at any moment.

Shangguan Qian had a conflicted expression and naturally did not know what Su Zimo was thinking.

After a long silence, she suddenly said, “Thank you, Fellow Daoist. However, I still have to make a vow!”

“I, Shangguan Qian, will definitely not reveal anything that I saw today. If I break this vow, the heavens will smite me and my soul will disperse!”

With that said, Shangguan Qian cupped her fists and bowed to Su Zimo before turning to leave, disappearing into the horizon before long.

During this period of time, Su Zimo had already tidied up the battlefield.

He turned around and walked towards Gu Tongyou and Qiu Siluo.

At that moment, Gu Tongyou and Qiu Siluo felt uneasy as well.

That was because the two of them did not know Mo Ling at all and did not know why he would suddenly start a massacre and kill the Execution Guards.

The two of them were not sure if Mo Ling would attack them to silence them.

Looking at Su Zimo who was gradually approaching, Gu Tongyou tightened his grip on the Fallen Soul Flute.

At that moment, Heaven and Earth Essence Qi had already recovered.

Although he was injured, with the Fallen Soul Flute around, he could fight Mo Ling!

“Benefactors, we meet again,”

Su Zimo came before Gu Tongyou and Qiu Siluo and bowed.

At that moment, Gu Tongyou and Su Zimo were stunned.

Benefactors?

With a single thought from Su Zimo, his appearance gradually changed and his figure returned to normal.

In the blink of an eye, he turned into a refined man with a scholarly aura.

“You...”

Gu Tongyou looked at Su Zimo with a confused expression, still unable to recognize him.

He felt that the person before him looked familiar, as though he had seen him somewhere before. However, he could not recall where.

“Dragon Abyss Star,”

Su Zimo said.

When Qiu Siluo heard those words, a thought flashed through her mind and she came to a realization. "I remember now. You're that Black Immortal!"

Gu Tongyou gradually recalled as well.

More than 2,000 years ago, the two of them visited a secret ground on the Dragon Abyss Star.

It was also there that the two of them obtained the Soul Reaping Zither and the Fallen Soul Flute.

Before entering the secret ground, they encountered an Earth Immortal who wanted to kill another Black Immortal because of a Dharmic treasure.

The two of them could not take it lying down and helped to save the Black Immortal.

This was an extremely ordinary matter for the two of them and neither of them took it to heart.

To think that they would meet that Black Immortal again today!

What surprised Gu Tongyou and Qiu Siluo even more was that the former Black Immortal had already grown to such a terrifying extent!

It had only been more than 2,000 years and even with their talent, they had only advanced a single cultivation realm.

This Black Immortal had already cultivated to become a Grade 5 Earth Immortal!

Furthermore, his combat strength was so terrifying that both of them felt wary!

2100 Reminiscence

"I haven't seen you for more than 2,000 years but you've grown so quickly. Impressive,"

Recognizing Su Zimo's identity, Gu Tongyou let down his guard as well and could not help but praise.

Qiu Siluo smiled. "Although we saved you before, you saved us earlier on as well. Don't call us your benefactors, that will make us seem distant."

"That's right,"

Gu Tongyou nodded slightly and asked again, "How should I address you, Fellow Daoist?"

"I'm Su Zimo,"

Su Zimo did not hide his identity against Gu Tongyou and Su Zimo.

Gu Tongyou's expression changed. As though he recalled something, he asked, "All these years, a prince of the Great Jin Immortal Kingdom has been hunting down somebody..."

"That's me,"

Su Zimo nodded.

Gu Tongyou said, "Brother Su, your disguise technique is truly impressive and flawless. It's no wonder why you could hide for more than 2,000 years against the pursuit of the Great Jin Immortal Kingdom."

"However, because you saved us and exposed your identity, I'm afraid you can't stay in Astral Sect anymore,"

Qiu Siluo looked guilty.

Su Zimo shook his head. "Even without this matter, I was prepared to leave."

Previously, he was in a hurry to raise his cultivation realm in seclusion.

After coming out of seclusion this time round, he did not intend to continue staying in the Great Jin Immortal Kingdom. He had to find an opportunity to leave this place!

In the Great Jin Immortal Kingdom, he had offended a prince and could be hunted down at any moment.

The only way to resolve the current situation was to leave the territory ruled by the Great Jin Immortal Kingdom.

If he wanted to break out of the situation, the best way was to look for protection, a faction that could go against the Great Jin Immortal Kingdom!

"There's only hope after leaving the Great Jin Immortal Kingdom,"

Gu Tongyou said in a deep voice as well.

The situation they were facing was not much different from Su Zimo.

Furthermore, the person they offended was even stronger and had a higher status than Prince Yuan Zuo!

“What are your plans from now on?”

Su Zimo asked.

Gu Tongyou and Qiu Siluo exchanged glances and the melancholy in their eyes deepened as they sighed gently. “The two of us have offended Zither Immortal Meng Yao. We probably can’t even stay in the Divine Firmament Immortal Domain anymore.”

“Is Meng Yao that terrifying?”

Su Zimo asked with a frown.

Qiu Siluo explained, “If Meng Yao was only a princess of the Great Jin Immortal Kingdom, she wouldn’t have such an impact. However, she’s also a legacy disciple of Flying Immortal Sect.”

“There aren’t many legacy disciples in each of the four immortal sects. One can only be conferred the title of a legacy disciple after their cultivation reaches the Perfected One realm and they become Perfected Immortals.”

“The legacy disciples of the four immortal sects have noble statuses even in the Nine Firmament Immortal Domain, let alone the Divine Firmament Immortal Domain.”

“Furthermore, Meng Yao is one of the four great fairies. In the entire Divine Firmament Immortal Domain and even the experts of the Nine Firmament Immortal Domain, it’s their honor to be able to listen to the sound of Meng Yao’s zither. In the Nine Firmament Immortal Domain, the Zither Immortal’s music is even described to be a heavenly sound that’s priceless.”

“None of the top factions in the Divine Firmament Immortal Domain will offend Zither Immortal Meng Yao for the two of us.”

Su Zimo was silent.

In that case, the situation Gu Tongyou and Qiu Siluo were facing was even worse than his!

“We might head to other Immortal Domains...”

At that point, Gu Tongyou paused for a moment before saying, “If we truly have no way out, we can only head to the Fiend Domain.”

“Fiend Domain,”

Su Zimo could not help but think of the Thunder Emperor who had already headed to the Fiend Domain. He did not know how the Thunder Emperor was and if his injuries had healed.

“Brother Su, I heard you mention that your Dao Heart was damaged because someone very important to you has left,”

Suddenly, Gu Tongyou asked.

“That’s right,”

Su Zimo sighed sadly. He recalled Ji Yaoxue’s voice and expression and was in a daze.

Although many things happened today, it had only been less than a day since Ji Yaoxue passed away.

Su Zimo could not break free from that dejected mood.

His chest felt stuffy and he felt terrible, but he had nowhere to vent it.

The more he was like this, the more difficult it was for his Dao Heart to heal.

If he could not get out of this predicament, there was a high chance that he would form a vicious cycle and sink into it.

Gu Tongyou and Qiu Siluo exchanged glances and nodded slightly.

Qiu Siluo placed the Soul Reaping Zither on her knees and plucked the strings gently with her jade-like fingers, letting out a sound like flowing water. It was like water droplets dripping or meteors streaking through the night sky, vast and quirky.

Instantly, Su Zimo seemed to have passed through a water barrier and ripples appeared, as though he had returned to the past.

Gu Tongyou picked up the Fallen Soul Flute and placed it by his lips.

A mellow sound of sobbing could be heard.

Su Zimo caught sight of Ji Yaoxue again.

That unforgettable woman.

From their first encounter to the capital of Great Zhou, everything seemed to be the same.

However, in this memory, Su Zimo and Ji Yaoxue became Dao companions and accompanied one another, leaving behind countless happy times.

Su Zimo did not ascend and merely accompanied Ji Yaoxue to grow old.

Eventually, the two of them fell asleep in each other's embrace and were buried together.

The sound of the zither and flute gradually faded until it was silent.

By the time Su Zimo woke up, his face was already covered in tears.

Upon receiving the news of Ji Yaoxue's departure, he had nowhere to vent and kept it in his heart.

Both Gu Tongyou and Qiu Siluo could tell that Su Zimo was in an extremely bad mental state!

There was a high chance that he would suffer Qi Deviation if he cultivated in the future, let alone recover his Dao Heart.

The two of them were proficient in the Dao of music and played the zither and flute together, bringing Su Zimo into a memory.

Su Zimo's emotions rose and fell along with the sound of the zither and flute, venting out in this memory and obtaining freedom.

By the time Su Zimo woke up, the injuries on his Dao Heart had already healed.

The Heaven and Earth Essence Qi in his body surged continuously and washed through his body like a tsunami!

The inheritance obtained by Astral Sect was only of use at this moment.

When Su Zimo received the inheritance, the Green Lotus True Body endured the starlight of two star regions.

The starlight came from the vast stars.

Every single starlight contained rich and pure Heaven and Earth Essence Qi.

Su Zimo's acceptance of the inheritance also meant that he was absorbing the Heaven and Earth Essence Qi into his body.

However, his Dao Heart was damaged and prevented him from breaking through, causing the Heaven and Earth Essence Qi to accumulate in his body.

Now that his Dao Heart had recovered, the accumulated Heaven and Earth Essence Qi surged rapidly as well!

Su Zimo's cultivation realm broke through once more!

Grade 6 Earth Immortal!

After breaking through to the Level 6 Earth Essence realm, the Heaven and Earth Essence Qi in his body was still extremely vast. If he refined all the Heaven and Earth Essence Qi, he could even reach the peak of a Grade 6 Earth Immortal!

However, this was not a suitable place for cultivation.

Su Zimo suppressed the Essence Qi in his body for the time being and wiped away the tears on his face. He bowed deeply to Gu Tongyou and Qiu Siluo.

There were no words that could express his gratitude—he had already engraved this favor in his heart!

Qiu Siluo smiled gently.

Su Zimo lamented, "I've never heard the sound of the Zither Immortal before. However, I think that she can only be worthy of the title of the Zither Immortal if her zither sound can be compared to yours."

"How can I compare to the Zither Immortal?"

Qiu Siluo smiled.

"What was the name of that song earlier on?"

Su Zimo asked again.

"Reminiscence,"

Qiu Siluo said.

"Reminiscence, reminiscence..."

Su Zimo murmured softly.
