

Chapter 3336

Words: 2076 Update: 23/04/28 22:20:36

"This is ..."

"Why does this look like the Heaven and Earth Furnace that the storyteller mentioned?"

"There are purple flames in his eyes as well!"

Many human cultivators near Xuan Mi Mountain could not help but widen their eyes in disbelief when they saw that.

"Could that person be related to the Great Emperor Araki Takeshi?"

"That red-robed woman looks like the legendary Great Emperor Blood Butterfly!"

Many humans could not help but exclaim when they saw the Heaven and Earth Furnace and Die Yue standing beside Su Zimo.

"Storyteller, what's going on?"

Many human cultivators asked hurriedly when they saw Lin Xuanji in the crowd.

When Lin Xuanji saw Wu Dao's will descend, he realized that Su Zimo had decided not to hide his identity anymore.

Since that was the case, there was no need for him to hide and he said in a deep voice, "The true name of the Great Emperor Araki Takeshi is Su Zimo! Back then, the one who died in the War of the Heavens was his true body, Wu Dao. "

"Ah!"

"It's really the Great Emperor Araki Takeshi!"

Everyone was surprised and delighted.

Lin Xuanji continued, "Furthermore, you guys guessed correctly. The red-robed woman beside him is the reincarnation of the Great Emperor Blood Butterfly!"

At that point, everyone was invigorated!

The Great Emperor Araki Takeshi and the Great Emperor Blood Butterfly had already ascended to the Greater World. Furthermore, right in front of everyone, they joined forces once more to fight against the five sacred grounds and the paragons of the ten thousand races!

Within the forbidden zone of time and space.

After all, the ten thousand races were only barely united under the pressure of the sacred races and were not united.

Wu Dao's will descended and conjured the Heaven and Earth Furnace with raging flames. Even the wills of the ten thousand races could not defend against it and showed signs of collapsing!

Of course, no matter how strong Wu Dao's will was, he could not neutralize the attacks of the paragons of the ten thousand races.

Right then, more than ten Supreme experts sped over from afar with a murderous aura. The leader declared, "Master, we're here to help you!"

They were Evergreen, Huai An and the other Paragons of the Chaos Sacred Ground.

Under such circumstances, those who dared to join the battle and stand on Su Zimo's side were already prepared to die!

There were dozens of Autarchs in the Primal Chaos Holy Land, but only a dozen of them dared to come and help Su Zimo.

After all, there was a huge difference in strength between the two sides.

Even with the help of Supreme Evergreen, Supreme Huai An, and the others, it would not affect the outcome of the battle too much.

"Stop them!"

The Skyfall Holy Son merely glanced sideways and waved his sleeves, commanding the other Supremes to step forward and stop the Primal Chaos Holy Land's Supremes.

Three Saints moved and faced Supremacy Evergreen, Supremacy Hua Ruo, and Supremacy Huai An.

Only these three possessed the bloodline of the Sacred Clan.

The other Autarchs of the Primal Chaos Sacred Land were nothing to fear.

"Hahahaha, so this is the Holy Son and Holy Daughter. How shameless!"

At this moment, a burst of laughter came from heaven and earth.

Then, a figure stepped into the crowd and charged toward the Holy Sons and Holy Virgins!

This person was Supremacy Xie Mie, who had saved Su Zimo before.

Supremacy Xie Mie controlled the Destruction Dao and destroyed everything in his path. Thousands of Daos shattered and turned into nothingness!

Apart from the Sacred Clan's Supremes, no one could stop Supremacy Xie Mie's slaughter!

Su Zimo's eyes turned and glanced at Supremacy Xie Mie.

This Supremacy Xie Mie had once said that he would kill him when he stepped into the Dao Controlling Realm. But now, he had chosen to come to the Space-time Forbidden Land to help him fight against the Myriad Races!

Sensing Su Zimo's gaze, Supremacy Xie Mie sneered. "No need to thank me. I just can't stand these Holy Sons and Holy Virgins and wanted to kill a few to liven things up!"

"If you and I can survive today, I will come back to take your life again!"

Although Supremacy Xie Mie said that he wanted to take Su Zimo's life, he knew that since he was involved in this battle, it would be difficult for him to survive!

Five Sacred Grounds, twelve Holy Sons and Holy Virgins, and the Supremes of the Myriad Races. Even if the Supremes of the four Daos gathered together, they would not be able to resist!

"Hmph!"

Holy Maiden Bi Luo's figure flickered as she faced Supremacy Xie Mie and sneered. "You came at the right time!"

Boom!

Holy Maiden Bi Luo and Supremacy Xie Mie clashed head-on. Great Daos intertwined, and heaven and earth shook!

Cracks appeared in the surrounding void, but they were quickly mended.

Whether it was the dozen or so Supremes of the Primal Chaos Sacred Ground or Supremacy Xie Mie, they did not affect the Supremes of the Myriad Races.

Their appearance was like a pebble falling into the vast ocean, barely stirring up any waves.

Su Zimo was still under great pressure!

At this moment, a ghostly figure shuttled through the Supremes of the Myriad Races silently. Almost no one noticed.

In the blink of an eye, this figure arrived beside the Holy Sons and Holy Virgins!

"Whoa, whoa!"

Seeing this figure, the bloody light in the monkey's eyes lit up again. His dispirited expression was swept away, and he beat his chest and stomped his feet in excitement!

Su Zimo also saw this person and became spirited!

Among the twelve Holy Sons and Holy Virgins, four acted to stop Supremacy Evergreen and Supremacy Xie Mie.

There were eight more on the battlefield to stabilize the situation.

Suddenly!

The Skyfall Holy Son and the others felt their hearts palpitate!

"Hmm?"

The eight Holy Sons and Holy Virgins hurriedly turned around and saw a black-robed youth appear behind them, expressionless as he looked at the battlefield below.

"You're only at the great mastery of the Dao Control Realm. Why are you here?"

The Void Sacred Land's Nine Shadows Holy Son asked with a frown.

The other Holy Sons and Holy Virgins sighed in relief when they sensed the presence of the Sacred Race bloodline.

They only realized this person had silently appeared beside them.

Fortunately, this person was a member of the Void Sacred Land.

"I'm here to kill."

The black-robed youth said simply.

"Heh, it's good to use these ants as practice."

Nine Shadows Holy Son chuckled.

Before he could finish speaking, bloody light flashed!

Splurt!

The Green Yong Holy Son and Wood Qilin Holy Son trembled as a pair of sharp claws pierced through their heads. Their expressions were blank, their eyes glazed over.

The two Holy Sons' nascent spirits were instantly extinguished. Even in death, they did not understand what had happened!

"You ..."

The Skyfall Holy Son only had time to utter a single word before a sharp, pitch-black tail pierced through his head and pierced his nascent spirit. He died on the spot!

Three Holy Sons were dead in the blink of an eye!

This had happened too quickly.

Even when the three Holy Sons' blood dyed the air and their dao dissipated, the sovereigns of the myriad races still did not react.

The newcomer was standing too close to the Holy Sons. Moreover, the Holy Sons were not on guard against him at all. All of their attention was on Su Zimo.

Even though there was a difference of a minor level between them, the three Holy Sons were instantly killed!

This Holy Son from the Void Sacred Land was none other than Night Spirit!

Those who were called Holy Sons and Holy Daughters were all supreme sovereigns who had reigned supreme throughout the ages.

Even if a great battle broke out between them and they attacked with all their might, it would be as difficult as ascending to the heavens to kill the other party.

Sovereign Evergreen, Sovereign Xie Mie, and the others had yet to emerge victorious against the four Holy Sons and Holy Daughters.

But now, three Holy Sons had perished on the spot!

The remaining five Holy Sons and Holy Daughters, including the Nine Shadows Holy Son, all paled. They immediately distanced themselves from Night Spirit, their faces filled with shock and anger!
