

Chapter 3341

Words:2120 Update:23/04/29 22:45:42

Everyone was in an uproar!

In the Forbidden Land of Time and Space, apart from a few people who had experienced that great upheaval and the various Sages, no one else knew about this secret past.

Now that Saint Gu Yao had said it in public, one could imagine the shock it caused!

The Supremes of the 10,000 races looked at the Ancestral Flame Sacred Leader differently.

"What nonsense are you talking about!"

The Ancestral Flame Sacred Leader was furious. His face was red, and he clenched his fists tightly. Heaven and earth trembled slightly under his loud shout.

This matter had always been a taboo in the Great Thousand World, and no one dared to mention it.

Now that Saint Gu Yao had suddenly mentioned it in front of the 10,000 races, one could imagine the anger in the Ancestral Flame Sacred Leader's heart!

It was to the extent that he lost his composure in front of the 10,000 races.

This was a huge blow to his dignity and the Ancestral Flame Sacred Ground's face!

No matter what secrets there were back then, it was not a glorious thing to force one's Dao partner to death.

"Such a thing actually happened?"

"Sigh, her mother was forced to death by her father. Saint Gu Yao is also a pitiful person."

"After all, she was his Dao partner. How could he do such a thing?"

Some of the Supremes in the Forbidden Land of Time and Space secretly communicated with their Divine Consciousnesses.

However, these Divine Consciousnesses could not be hidden from the Ancestral Flame Sacred Leader's senses at all!

"How dare you criticize a Sage! This is unforgivable!"

The Ancestral Flame Sacred Leader shouted, and his Sage aura descended. In an instant, more than 50,000 Supremes in the Forbidden Land of Time and Space were set ablaze!

In the blink of an eye, more than 50,000 Supremes had all died!

Among them, some were even from the Five Sacred Grounds.

The crowd fell into chaos and fled in all directions.

Hiss!

The beings of the myriad races gasped in shock.

They did not even dare to criticize, let alone talk about it!

The battle between the Supremes had been so tragic, and the number of Supremes who had died was less than 50,000.

Now, more than 50,000 Supremes had been turned into ashes in the blink of an eye by the Ancestral Flame Sacred Leader!

Everyone below the Sage level was an ant.

Moreover, this was the Sacred Leader's anger!

Seeing the deaths of the Sacred Ground's people, the Nine Heavens Sages were silent.

With their cultivation realm and status, they naturally did not dare to question the Ancestral Flame Sacred Leader.

The Ancestral Flame Sacred Lord looked around. Wherever his gaze landed, all living beings bowed their heads and kept quiet out of fear. No one dared to look him in the eye.

In the end, his gaze landed on Saint Gu Yao.

"What? You still want to kill me?"

Saint Gu Yao looked at the enraged Ancestral Flame Sacred Lord and sneered.

"Impudent!"

The sacred lord suddenly raised his hand and slapped Saint Gu Yao's face.

Pa!

Saint Gu Yao was hit so hard that blood flowed from the corner of her mouth, but she didn't notice it. She looked at the Ancestral Flame Sacred Lord with a mocking gaze.

"Vermillion Bird!"

Seeing this scene, the Mountain Chief frowned and revealed an angry expression. He suddenly shouted, "You feel ashamed. Why are you venting your anger on her?!"

Many Human Race Supremes looked at the Mountain Elder in disbelief.

In their memories, the mountain elder had a bitter expression most of the time. He rarely smiled, much less got angry.

This was the first time they had seen the mountain leader angry.

"Vermillion Bird?"

Su Zimo was a little confused when he heard this name.

As if seeing Su Zimo's confusion, the monkey said in a low voice, "I heard from my master that the Ancestral Flame Sacred Lord was the first Vermillion Bird Sacred Spirit in the world, so his name is Vermillion Bird. Only he has the right to be called Vermillion Bird.

"The Yin Yang Sacred Lord was the first Black Tortoise Sacred Spirit in the world. The Nirvana Sacred Lord was the White Tiger Sacred Spirit. The Heavenly Punishment Sacred Lord was the Azure Dragon Sacred Spirit."

Su Zimo nodded inwardly.

In that case, the sacred lords of the four sacred lands corresponded to the four legendary Sacred Spirits!

The monkey continued, "Actually, there is a fifth Sacred Spirit. He is the Time and Space Sacred Lord. His true form is a Black Qilin."

Five Sacred Spirits!

Su Zimo's heart skipped a beat. Another question came to mind.

If the Ancestral Flame Sacred Lord was the Vermillion Bird Sacred Spirit, how could Saint Gu Yao be from the Yan Tribe?

The monkey said, "My master once told me that this old man from Xuan Mi Mountain has an extraordinary background. I didn't expect him to call the Ancestral Flame Sacred Lord by his name."

"I don't need you to teach me how to deal with her!"

The Ancestral Flame Sacred Lord glared at the mountain elder and huffed. "Gu Yao, come back with me!"

Before he'd even finished speaking, the Ancestral Flame Sacred Lord extended a large hand. An enormous force descended and instantly bound Saint Gu Yao.

Although Saint Gu Yao was strong in battle, she was completely powerless in front of a Great Saint.

Seeing that Saint Gu Yao was about to be taken away by the Ancestral Flame Sacred Lord, the mountain elder couldn't help but step forward.

But soon, the light in his eyes dimmed. His clenched fists gradually relaxed, and he returned to his old and bitter self and lowered his head.

Even so, the conversation just now had shocked the experts of the myriad races.

After all, some of the sovereigns had been killed by the Ancestral Flame Sacred Lord just because they'd talked in secret.

The mountain elder had scolded the Ancestral Flame Sacred Lord, but he'd still lived!

"Uncle Gu."

Saint Gu Yao's last words were intermittent. "If mother was still here, she wouldn't want to see you so depressed ..."

The mountain elder remained silent, allowing the messy white hair in front of his forehead to brush against his forehead.

The Ancestral Flame Sacred Lord appeared for a short while and then disappeared with Saint Gu Yao.

The Forbidden Land of Time and Space was once again under the control of the Saints of the Nine Heavens!

"Araki Takeshi, let's see who can save you today!"

The Hidden Heaven Saint sneered. He raised his hand slightly, and a large dark hand appeared in the air. Saint power surged and enveloped Saint Gu Yao!

Boom!

Saints Jiang Chao and Hui Ming, who were originally standing beside him, dashed out and combined their Dao and Saint power, destroying the Hidden Heaven Saint's attack!

"Araki Takeshi, leave now!"

Saints Jiang Chao and Hui Ming yelled.

They had been hesitant, fearful, and hesitant.

But at this moment, the two human Saints still chose to stand up and fight against the Saints of the Nine Heavens!

"You don't know what's good for you!"

The Firmament Saint said in a deep voice. "You want to stop us with just the two of you?"

The Saints of the Nine Heavens attacked at the same time and engaged in a fierce battle with the Saints Jiang Chao and Hui Ming.

The battle between the Saints started again.

And this time, the Saints of the Nine Heavens had the absolute upper hand.

Su Zimo, Die Yue, and the others didn't manage to escape far. Saints Jiang Chao and Hui Ming were already severely injured by the Saints of the Nine Heavens. They fell heavily to the ground, their combat power greatly reduced.

"Die!"

The Saints of the Nine Heavens ignored the severely injured Saints Jiang Chao and Hui Ming. Instead, they chased after Su Zimo and attacked again.

Boom!

A loud explosion shook heaven and earth!

This was the combined attack of the Saints of the Nine Heavens. Even a Saint wouldn't be able to withstand it, let alone an Honorable!

Then, everything disappeared.

Su Zimo and the others were unharmed!

A thin woman in white stood in front of them. She was like a dream, and she withstood the full-powered attack of the Saints of the Nine Heavens!

Seeing this woman, the Saints of the Nine Heavens' expression changed. He exclaimed, "Evil Lord!"
