

## Chapter 3343

Words:2244    Update:23/04/20 08:46:14

The master of this sacred land.

The Sacred Lord of Life!

The hearts of all living beings were greatly shaken.

Many experts in the Great Thousand World knew that the Life Sacred Land had been destroyed, just like the Chaos Sacred Land and the Reincarnation Sacred Land.

But they didn't expect the Sacred Lord of Life to still be alive!

Moreover, it was this white-haired, bitter-looking old man from Xuan Mi Mountain!

Apart from the woodcutter and the fisherman, all the human Supremes, including Su Zimo and Die Yue, were shocked.

All signs showed that the mountain elder had a powerful background.

Otherwise, the Evil Lord wouldn't have sent Die Yue to the mountain elder.

But Su Zimo didn't expect the mountain elder to be the Sacred Lord of Life!

A Supreme Saint expert!

What happened back then?

Why did the Sacred Lord of Life survive when the Life Sacred Land was destroyed?

What was the mountain elder's current situation?

His cultivation seemed to be only at the perfected Dao Controlling Realm. Did his cultivation level drop, or was he hiding his cultivation level?

"The Sacred Lord of Life from back then is long dead."

The Space-Time Sacred Lord smiled faintly and said, "The mountain elder before you is just a walking corpse guarding Xuan Mi Mountain. He has long lost the sharpness of a Sacred Lord."

The Yin Yang Sacred Lord looked at the Evil Lord with a hint of mockery in his eyes. "Do you really think that by revealing his identity, he can help you?

Although he survived back then, his cultivation level dropped to the Supremes as a punishment. He hasn't moved for many years. What can he do? "

The mountain elder still lowered his head and didn't say a word.

The Evil Lord didn't answer. He stared at the mountain elder and said coldly, "Back then, Saint Xuan Pin sacrificed herself to give you a chance to live. She didn't want you to be so depressed!"

Saint Xuan Pin!

When Su Zimo heard this title, he seemed to think of something.

Shan Zhang's originally calm eyes also finally had a trace of ripple in them.

The Evil Lord continued, "Her bones are buried under Xuan Mi Mountain. What's the point of accompanying her for so many years?

Now that the time has come, if you still don't do anything, Saint Xuan Pin will have died in vain! "

It was only at this moment that Su Zimo knew of such a background of Xuan Mi Mountain.

If he was not mistaken, Saint Xuan Pin was most likely the Ancestral Flame Sacred Lord's cultivation partner, Saint Gu Yao's mother!

At the same time, he suddenly had an answer to another question in his heart.

Why was the Ancestral Flame Sacred Master a Vermilion Bird Sacred Spirit while Saint Gu Yao was from the Flame Clan?

The most likely possibility was the union of the Ancestral Flame Sacred Master and Saint Xuan Pin, or the union of the Vermilion Bird and the human race, giving birth to the first Flame Tribe member in the world — Gu Yao!

"Xuan Ke?"

Hearing Saint Xuanpin's name, the Yin-Yang Saint Master suddenly snorted. He glanced at the Mountain Elder and said, "Both of you were born at the same time and grew up together. She even exchanged her life for yours. Who knows if there's anything going on between the two of you?"

"I've already told Vermilion Bird that this woman is not worthy of his pity!"

Hearing this, the mountain elder suddenly raised his head. His originally turbid eyes were now filled with anger. He slowly said, "You shouldn't have tainted her innocence!"

To the mountain leader, no matter what others said, no matter how they mocked him, humiliated him, or provoked him, he didn't care.

However, he would never allow anyone to insult Saint Xuan Pin!

No one could do it!

Between the two of them, there was nothing between them.

The two of them had grown up together, cultivated together, and experienced countless years together. However, in the end, they were not fated to be together.

Sometimes, even the long years of companionship could not overcome the arrangement of the Heavens in the dark.

Even so, Saint Xuan Pin was still the person he loved the most!

He even loved the two children that Saint Xuan Pin had with the Ancestral Flame Sacred Master, Yaoji and Yanji. He treated the two children as his own and loved them 100 times more.

"You care so much about her?"

The Yin-Yang Saint Master laughed softly and said, "You want to challenge me?"

Back then, Saint Xuan Pin's death had saved Life Sacred Master's life.

As a price, Saint Xuan Pin was severely injured by the combined forces of the five Sacred Masters. This caused her cultivation level to drop, and she became a mountain leader guarding Xuan Pin Mountain.

All these years, the mountain leader had never had any conflicts with the five Sacred Masters.

Even when a human Saint was killed by the Tian Fa Sacred Ground, the mountain leader did not appear.

Even if the Yin-Yang Saint Master had wanted to kill him, it had gradually faded.

After all, in their eyes, Saint Xuan Pin was already dead. This senseless and muddle-headed old man was no threat to them.

But now, the Yin-Yang Saint Master wanted to kill him again!

If the mountain leader really wanted to fight him, he did not mind killing him!

If a Prime dared to be disrespectful to a Sacred Master, he would definitely die!

The mountain leader did not answer. He suddenly took a step forward!

Boom!

In the Forbidden Land of Time and Space, the heavens and earth trembled, and the Great Dao resonated!

Endless power surged into the mountain leader's body. His Saint power surged violently!

The mountain leader's aura was soaring rapidly!

He had entered the Saint Realm with just one step!

The Paragons of all races were shocked!

Ever since the battle in the Forbidden Land of Time and Space broke out, the Great Dao here had become chaotic and disorderly.

The flames of war had spread to every corner of the Forbidden Land of Time and Space. There was almost no pure land in this world.

Under such circumstances, there was no way to unify the Dao.

The Great Dao was extremely unstable and violent. Trying to unify the Dao under such circumstances was no different from suicide!

Thus, no Paragon dared to try unifying the Dao and breaking through to the Saint Realm.

After the battle between the Great Sages broke out, the Forbidden Land of Time and Space was filled with cracks and was on the verge of collapse. It was even more impossible to unify the Dao and become a Saint.

No one had expected that the mountain leader would try to break through to the Saint Realm under such circumstances.

Moreover, he had become a Saint in one step!

Compared to the shock of the Paragons of all races, the Space-Time Sacred Lord and the Yin-Yang Sacred Lord were much calmer. They only frowned.

Even if the mountain leader had entered the Saint Realm, he would not be a threat to them.

The Yin-Yang Sacred Lord even clapped his hands and laughed. He said leisurely, "You have become a Saint again. You have some skills."

The Space-Time Sacred Lord also smiled faintly. "After all, he is the first human in this world. In terms of luck, no one can compare to him."

The mountain leader remained silent.

After standing still for a while, he took another step forward!

Boom!

Before the Great Dao's voice dissipated, it was replaced by another loud voice!

It was not just the Forbidden Land of Time and Space. Even the entire Greater World was filled with strange phenomena. Everyone was shocked!

"Hmm?"

The Space-Time Sacred Lord and the Yin-Yang Sacred Lord's expressions finally changed.

A power that could compete with them surged from the mountain leader's body. His aura was terrifying!

This was ... a Great Sage!

The mountain leader had only taken two steps, and his cultivation had recovered. He had become a Great Sage again!

Of course, it was because he had reached such heights before. However, going from a Paragon to a Great Sage in two steps was enough to shock the entire Greater World!

The mountain leader's hair was still white, and he still looked old. However, his eyes were like torches, and his aura was completely different!

33 Heavens.

In a ball of black fog, countless ferocious and terrifying ghost faces suddenly appeared. Then, a woman's voice came from within. "The Life Sacred Lord has returned."

Another man, who was emitting a sinister aura, raised his eyebrows slightly and smiled. "It seems that we have another helper."

"It's hard to say."

With his back facing the two, a man in armor sitting on a tombstone said lightly, "He has only become the Life Sacred Lord. It doesn't affect the overall situation."

"The treasure that Master made is with that person, right?"

The woman suddenly asked.

"Yes."

The man on the tombstone replied. "It depends on what he chooses."
