Words:2282 Update:23/05/01 19:25:05

What great ambition!

What great boldness!

If the black-robed man could do as he wished, there was indeed a kind of fairness in this world, and that was death.

It could also achieve a kind of equality. All living beings had to die and enter the cycle of reincarnation.

No matter how rich you were in life,

No matter how powerful you were, even if you had thousands of miles of land, a harem of 3,000, or become a Saint and look down on the world, you would still have to experience death in the end.

Endure reincarnation!

In the face of death, there was no such thing as wealth or status.

All living beings were the same.

The Six Paths of Reincarnation.

Of course, it was impossible to cut off all evil in the world, but when someone did evil, they had to have some scruples and restrain themselves.

In fact, the Evil Lord's thoughts were the same as the black-robed man's.

The Evil Lord hated evil. She was in charge of the Beast Path and wanted to punish evil.

The black-robed man's Six Paths of Reincarnation went one step further, adding the Heavenly Path, Human Path, and Shura Path to allow those who did good to have a good home.

Although he did not directly ask, the identity of the black-robed man in front of him.

Wu Dao already had an answer in his heart.

Wu Dao's main body was silent for a moment, then asked, "In that case, the Demon Lord, Evil Lord, Brahma Ghost Mother, and Lord of Hell all listen to you?"

"I'm not really following orders."

The black-robed man said indifferently, "It's just that we all have the same goal. I did teach the Demon Lord, Brahma Ghost Mother, and Hell some skills. As for the Evil Lord ... "

After a pause, the black-robed man said, "That Life Saint King had two disciples when she was alive. One of them is the Evil Lord, and you know the other."

Wu Dao's main body pondered for a moment, then a thought flashed through his mind. He blurted out, "Saint Gu Yao!"

Back then, when Saint Gu Yao met him, she had said that there were two Dream Tokens, given by one person. She and Ah Xie each held one token.

Now, it seemed that this person was the Life Saint King!

"That's right."

The black-robed man nodded and said, "Xuan Ke was the first human woman she created. She has very special feelings for Xuan Ke."

"And Gu Yao was born from Xuan Ke.

Under Xuan Ke's pleas,

She did not refuse.

Take her as your disciple. "

Wu Dao's main body was silent.

The rift between Saint Gu Yao and the Ancestral Flame Sacred Lord was probably not only because of Saint Xuanpin's death, but also because of the master-disciple relationship between her and the Life Sacred King.

Saint Gu Yao was caught in the middle. One could only imagine the torment and pain she was in.

It was not hard to imagine that her mother, Saint Xuan Pin, had experienced the same thing back then.

On one hand, the Life Saint King had given her life.

On the other hand, she was the dao companion of Sacred Master Ancestral Flame.

"The death of Saint Xuan Pin back then ..."

Wu Dao's main body asked hesitantly.

The black-robed man said, "Back then, the destruction of the three sacred lands was a foregone conclusion. Although Xuan Ke was the Vermilion Bird's Dao partner, she still had feelings for the Valley God and the Life Sacred Land."

"In the end, she committed suicide in front of the Vermilion Bird and the other Sages. A life for a life, to ensure the survival of the Goddess of Grains."

The eyes of Wu Dao's main body flashed with a trace of sadness, and he sighed softly.

The Goddess of Grains and Xuan Ke were the first human couple born in the world.

They should have been together.

Perhaps the Life Saint King's initial hope was to grant the two of them their wish.

Unfortunately, fate made fools of people.

In the end, feelings could not be forced.

Perhaps in Saint Xuan Pin's heart, her feelings for the Mountain Elder were mixed with a trace of guilt.

That was why she made the final decision.

When Su Zimo was a child, he had once read a sentence at the end of a book. If the person you loved deeply fell in love with someone else, what could you do?

Wu Dao's main body finally understood why the Mountain Elder had such a sad appearance.

Even if he smiled in front of everyone, the underlying color of that smile was still sadness.

The Mountain Elder had survived.

But his life had been exchanged with the life of the person he loved deeply.

To him, wasn't this also a kind of pain?

The destruction of the three sacred lands was already irreversible. Saint Xuan Pin saving the Mountain Elder's life was probably the limit of what she could do.

Saint Xuan Pin was not only the dao companion of Sacred Master Ancestral Flame, but she was also the first human woman created by the Life Saint King.

It was also because of this special status that she was able to save the Mountain Elder in that situation.

It had to be known that the Good Fortune Saint Lord had already perished.

All that remained of the Samsara Saint Lord was a wisp of his remnant soul. He could only stay in the Netherworld Kingdom.

Of the three Holy Lords, only the Mountain Elder was still alive.

Moreover, in this life, he had once again become a Great Saint!

Wu Dao's main body recalled this ancient secret from over 6 billion years ago, unable to calm down for a long time.

Chaos Qinglian was destroyed. After she perished, she left behind four lotus flowers.

But when the Life Saint King perished, her flesh and blood evolved into tens of thousands of humans.

In a sense, as long as humanity wasn't destroyed, her mark would always exist in the three thousand worlds.

Perhaps this was a continuation of life in another way.

"I must leave."

The black-robed man slowly stood up. He looked up into the skies, his gaze seeming to pierce through infinite space and fall upon the boundless universe!

When the black-robed man's aura rose, Wu Dao's main body had a premonition that this person would leave soon.

The strength that came from the boundless universe was no longer a threat to him!

It was also because of this that the black-robed man spoke so many words to him before he left.

The black-robed man turned back and took a deep look at Wu Dao's main body.

Under his gaze, Wu Dao's main body felt that he had no secrets.

It seemed that even the Yuanwu World couldn't hide from the black-robed man's eyes!

The black-robed man didn't say anything. He only chuckled.

"Even if one cultivates to the Heavenly Dao Saint King level, including the Taishi Primordial Spirit, it is difficult to erase all traces."

The black-robed man said, "When Chaos Qinglian perished, other than her flesh and blood transforming into four lotus flowers, her soul didn't dissipate. Instead, she entered the cycle of reincarnation and experienced many reincarnations.

"You have seen two of them reincarnated."

"Hmm?"

Wu Dao's main body was shocked.

Since Chaos Qinglian's soul hadn't dissipated and entered the cycle of reincarnation and reincarnated, all of this naturally couldn't be hidden from the black-robed man.

Wu Dao's main body wasn't surprised by this.

However, he hadn't expected that he would have seen two of Chaos Qinglian's reincarnations!

Wu Dao's main body tried his best to recall but he couldn't figure it out.

"Which two are they?"

Wu Dao's main body could not help but ask.

The black-robed man said, "One of them is the Mystic Lady of the Nine Heavens and the other is the Nine Nether Pure Maiden."

Wu Dao's main body was enlightened.

It was no wonder why the Mystic Lady of the Nine Heavens and the Nine Nether Pure Maiden looked at Qinglian's main body with strange gazes back in the Dream Token.

That was the reason!

The black-robed man continued, "However, every time it reincarnated, it consumed the power of the soul. After many reincarnations, the soul of the Chaotic Green Lotus was no longer able to maintain the fusion, so it dispersed for the last time."

"Her soul fused into a dream body while her soul fused into another soul and reincarnated into two people."

"You've seen the two of them before as well."

Wu Dao's main body was shocked and thought of a possibility. However, he still asked instinctively, "Who are they?"

"The Ji sisters of Tianhuang Mainland."

With that said, the black-robed man soared into the air and tore open a gigantic dimensional tear with his bare hands, entering it.

Rumble!

Boom! A violent tremor came from the skies above the Netherworld Blood Sea. The Netherworld turned into a wisp of black light and disappeared into the dimensional tear along with the black-robed man.
