

Chapter 3362

Words:2256 Update:23/05/04 06:52:36

The Chaotic Sacred Ground.

On this day, the sacred hall was filled with music and was extremely lively.

Apart from some cultivators from the Chaotic Sacred Ground, there were also many ascenders from the Middle Realms. Many of them were old friends of Su Zimo and Die Yue.

For 10,000 years,

The Chaotic Sacred Ground had always been welcoming ascenders from the Middle Realms.

Those ascenders had witnessed the Araki Takeshi conquering the heavens and suppressing the Master of the Underworld. After learning that the Chaotic Sacred Leader was the Araki Takeshi Emperor of the Middle Realms, they all chose to follow him.

For example, experts like Kitsune who ascended later had long arrived at the Chaotic Sacred Ground.

Old friends who had ascended to the Great Thousand Worlds and were scattered all over the place.

After witnessing the battle in the spacetime forbidden ground, they also knew of Su Zimo's whereabouts.

They rushed over.

However ...

All these years, Su Zimo had been in seclusion.

Although many old friends were reunited, they could not meet Su Zimo.

This time round, Su Zimo came out of seclusion and arranged for the Chaotic Sacred Ground to prepare a grand banquet for all his old friends to drink to their hearts' content.

Everyone had already gathered in the sacred hall.

However, Su Zimo still did not appear.

Only Die Yue, who was the Dao companion of the Chaotic Sacred Ground and also the owner of the Chaotic Sacred Ground, received the guests.

"Brother Su and Miss Die have already become Dao companions but there's no ceremony. Consider this banquet as a treat for us," Lin Xuanji said with a smile.

"Why isn't the main character here yet?"

Demoness Ji also rushed over from the Ancestral Fire Sacred Ground and asked with a blink.

In her previous life, she was the daughter of the Ancestral Fire Sacred Master, Yan Ji.

However, Demoness Ji did not change and neither did her relationship with her old friends.

She rushed over.

When she saw all her old friends, she did not feel unfamiliar at all.

"Perhaps he just broke through and needs to stabilize his cultivation realm."

Feng Cantian guessed.

Die Yue shook her head. "He already came out of seclusion and left the Chaotic Sacred Ground. He did not say where he was going and merely said that he would rush back later."

Lin Xuanji snickered and winked. "Could Brother Su have gone to look for a gift for you?"

When the three of them reunited in the Great Wide World, they had talked about this.

At that time, Die Yue had jokingly asked Su Zimo to remember to give her a 'thoughtful' gift.

Lin Xuanji's eyes darted around as though he had thought of something. Leaning to Demoness Ji Yaoxue, he asked softly, "Why isn't Ji Yaoxue here?"

As though she thought of something, Demoness Ji's eyes dimmed as she whispered, "Sister ... might come as well."

"Little monkey!"

At this moment, a loud shout came from outside the temple.

The Great Sage of Chaos didn't have any image of a Great Sage at all. He shouted at the top of his voice, "Ten thousand years have passed, and you didn't even say anything about going back to see me. You really have no conscience!"

The Great Sage had descended!

The clamor in the Temple.

There was a momentary pause!

The hearts of all the experts trembled!

A Great Saint was considered the pinnacle of existence in the Vast Thousand Worlds.

Even a Sage could not show the slightest bit of disrespect in front of a Great Sage!

"What are you looking at?"

Sensing the gazes around him, the Great Sage of Chaos glared and hollered, "Haven't you seen a monkey before?"

Under the deterrence of the title of a Great Sage, everyone initially felt some pressure. However, when they heard that, they could not help but smile and relax.

Gradually, the Temple regained its liveliness Just Now.

Now that the Great Sage of Chaos had arrived personally, Die Yue could not afford to be negligent and prepared to greet him.

The Great Sage of Chaos waved it off casually. "There's no need to bow. I'm only here to freeload and didn't bring any gifts. I just wish the two of you have a monkey, cough ... baby soon."

"Sister Die! Sister Die! "

Right then, a few crisp shouts sounded from outside the temple.

A group of children sprinted into the temple and ran towards Die Yue. Their faces were flushed and they were extremely excited.

Behind the children, a mountain elder in tattered white robes appeared and nodded at Die Yue with a smile.

The Holy Lord of Life had arrived!

Two Great Sages had arrived in succession!

All of a sudden!

Another figure appeared at the entrance of the Chaos Temple.

The woman was thin and had an indifferent expression, exuding an evil aura.

Everyone in the Temple suddenly felt a chill run down their spines!

Evil Lord!

Another Great Sage!

And this Great Sage was the Master of the Beast Path, one of the four paths!

Even though the Evil Lord did not release any aura that belonged to a Great Sage, everyone could still feel an immense pressure.

The Evil Lord looked around and frowned slightly. Finally, he looked at Die Yue and asked, "Where is he?"

Die Yue shook her head and gave a simple explanation.

The Evil Lord did not say anything and simply found a corner to sit down. He closed his eyes and did not speak to anyone else.

Even when he saw the Great Sage of Chaos and the mountain elder, he did not go up to greet them.

Die Yue and the others were puzzled.

The Evil Lord was different from the Great Sage of Chaos and the mountain elder.

She was a loner. Even if Su Zimo had broken through, it should not be worth it for her to make a trip down personally.

The experts in the Sacred Hall were all speechless.

"As expected of the former Great Emperor Araki Takeshi. He just broke through and three Great Sages are here to support him."

"Even after ascending to the thousands of worlds, Great Emperor Araki Takeshi is still a top-notch existence."

Some of the ascenders lamented.

However, Su Zimo had yet to appear.

Everyone was puzzled.

No matter what, Su Zimo should have appeared personally with three Great Sages. Why was he so negligent?

...

The 33 Skies in the Northwest.

The commotion in the Chaotic Sacred Land had also alarmed a few terrifying existences here!

A wordless tombstone gradually appeared in the void. A black-haired man in battle armor sat on it. He was tall and straight, and his eyes were sharp. The surroundings were lifeless!

A sinister wind blew past, and ghostly figures flickered, accompanied by the soul-stirring cries of ghosts. They were sometimes mournful, sometimes resentful, and sometimes low...

Among the ghostly figures, only one figure remained unmoving, faintly discernible.

Following that, a sinister aura swept over. In the endless sea of blood, there was a mountain of corpses piled up!

At the peak of the mountain, there was a white bone throne piled up with white bones. A figure sat on it with an oppressive aura, as if he had come from the depths of hell. His eyes were dark as he looked at the Chaotic Sacred Land.

"Hehe..."

At that moment, a chuckle came from not far away.

In the next moment, a solemn-looking man with a golden scepter in his hand, a crown on his head, and a necklace draped over his body slowly. He was riding on a huge six-tusked white elephant.

Wherever the man with the crown passed, the deathly aura would avoid him, and the ghostly figures would retreat. A brilliant path appeared in the sea of blood and the mountain of corpses!

"Araki Takeshi has become a Great Sage. It's so lively over there. The Evil Lord has already gone to congratulate him. Why don't the three of you go?"

The man with the crown smiled and asked, "Didn't the three of you fight side by side with him?"

The Evil Lord on the tombstone was expressionless, and he did not say a word.

The Lord of Hell on the white bone throne said indifferently, "Not interested."

After a short pause, the Lord of Hell looked at the Brahma Ghost Mother and said with a faint smile, "I believe that the Brahma Ghost Mother would not want to go either."

"What do you mean?"

The man with the jeweled crown understood the hidden meaning behind his words. So, he asked with a smile.

The Lord of Hell said, "Before the Brahma Ghost Mother ascended, she killed Araki Takeshi's partner. If she shows up, Araki Takeshi will not let her go."

"He dares!"

The Brahma Ghost Mother snorted and said, "If he wants to take revenge, he can come to the 33 Heavens. I want to see what he can do!"

"I'll give you a chance."

Suddenly ...

Another voice sounded in their ears.
