Words:2187    Update:23/05/04 11:56:48

"Hmm?"

The Fiend Master and the other three looked in the direction of the voice.

The void cracked open, and a figure appeared. He had black hair and a green robe. He stood in the air and didn't hide the killing intent in his eyes!

The first thing Su Zimo did when he came out of seclusion was to find the Brahma Ghost Mother.

Even though he was in the territory of the four Dao Masters,

Su Zimo didn't lose to the Fiend Master and the other three Dao Masters in terms of aural

"Interesting."

The man with the crown chuckled and said, "You really dare to come."

Su Zimo's gaze swept across the man with the crown.

Another Great Sage!

Other than the four Dao Masters, there should only be one Great Sage in the 33 Heavens, and that was the Palace Master of the 33 Heavenly Palaces!

After the Fiend Master and the others ascended, the five Saint Lords came to the 33 Heavens and joined forces with the Palace Master of the 33 Heavenly Palaces.

They wanted to suppress the four Dao Masters.

In the end, they returned without success.

Now, the Palace Master was with the Fiend Master, the Brahma Ghost Mother, and the Lord of Hell. They didn't seem to be hostile, and they seemed to be quite familiar with each other.

After cultivating to this realm and obtaining the complete inheritance memories of the Primal Chaos Qinglian, Su Zimo knew that there weren't many secrets in the Great Thousand Worlds anymore.

He had long guessed the identity of the Palace Master of the 33 Heavenly Palaces.

Seeing the four of them together, Su Zimo wasn't surprised.

The Fiend Master was still expressionless when he saw Su Zimo arrive, as if he didn't care about what was going to happen next.

He only glanced at Su Zimo and turned away, still sitting on the blank tombstone.

The Lord of Hell frowned.

He couldn't see her real body among the layers of ghostly shadows.

However, the killing intent in the ghostly shadows increased sharply!

The Brahma Ghost Mother's voice sounded, "Back then, the five Saint Lords relied on the five Heavenly Dao Saint Artifacts to invade.

All of them returned empty-handed, yet you came here alone. That's just courting death!"

Su Zimo had become a Great Sage, and the Brahma Ghost Mother was a little afraid to face him alone. She could only pull the Fiend Master and the other two Dao Masters.

Su Zimo's expression was calm. His gaze swept past the Demon Lord and the other two as he said indifferently, "Back then, the Five Great Saint Lords faced the four of you. Today, I only want your life."

Although he did not say it explicitly, Su Zimo's implied meaning was to tell the Fiend Master trio that today's matter had nothing to do with them!

"Hmph!"

The Brahma Ghost Mother sneered, "Do you think the three of them will just stand by and watch?"

"It's none of my business."

The Devil Master suddenly spoke.

The smile on Brahma Ghost Mother's face stiffened. She gritted her teeth and said, "I forgot that you are a cold-hearted person.

Except for himself.

I don't care about anyone's life or death. "

Brahma Ghost Mother's gaze shifted to the crowned man and the Lord of Hell.

"Don't look at me."

The man with the crown shrugged slightly.

He looked around and said meaningfully, "It doesn't seem like it's our turn to make a move here."

The King of Hell's face was gloomy, and he didn't say anything.

"Well done!"

The Brahma Ghost Mother sneered, "I'd like to see how he will take my life!"

Before she finished speaking, the Brahma Ghost Mother brought countless ghostly shadows with her and charged toward Su Zimo, accompanied by a series of shrill cries and howls.

At this moment, the whole world was filled with countless ghostly shadows. The sky darkened, and ghostly shadows flickered.

These ghostly shadows were ferocious and terrifying. They bared their teeth and howled as they charged toward Su Zimo, wanting to tear him into pieces!

"Disperse!"

Su Zimo's eyes shone brightly, and his blood and Qi surged. A green Qinglian rose behind him, filled with chaotic qi and swaying in the wind!

The ghostly shadows crashed into the chaotic Qinglian's divine light, and they let out a series of shrill screams. They fled in all directions, unable to get close to him at all!

A ghostly claw appeared, and its nails tore through the void, making a sharp and ear-piercing sound as it clawed toward Su Zimo's face.

Su Zimo's eyes were as bright as lightning. He shouted, stepped forward, and raised his fist!

The Chaotic Divine Body's blood and Qi surged, and this fist burst out with a majestic power, as if it could pierce through heaven and earth and suppress all living things!

Boom!

The fist and the claw collided, and a loud bang erupted, shaking heaven and earth!

The Brahma Ghost Mother let out a muffled groan and retreated dozens of feet. Her real body was knocked out of the ghostly shadows by Su Zimo's fist!

Boom! Boom! Boom!

Su Zimo chased after the Brahma Ghost Mother, and he didn't give her a chance to catch her breath. His fists were like hammers, and his elbows were like spears.

The Brahma Ghost Mother was forced to retreat, and she couldn't resist at all!

In the battle of the Great Sages, there were no powerful spells or Divine Powers, nor were there any mysterious and complicated moves. It was a battle of simplicity and simplicity.

A casual punch or kick from the Great Sages could burst out with the power of the Great Path of Destruction!

If even the Great Path of Destruction couldn't withstand it, what other spells or Divine Powers could?

Suddenly, the Brahma Ghost Mother took out a dark dagger and wanted to kill Xu Que.

This was her Divine Artifact, the Blade of the Brahma Ghost Mother!

Once hit by this dagger, one's soul would be drawn out!

Clang!

Su Zimo's eyes were like torches, and he could see through all of the Brahma Ghost Mother's thoughts.

He bent his finger and flicked the Blade of the Brahma Ghost Mother away!

Then, he quickly changed his move. He put two of his fingers together like a sword and stabbed the Brahma Ghost Mother in between her eyebrows!

If the Brahma Ghost Mother hadn't dodged in time, her head would have been pierced through!

The Lord of Hell had been sitting on the white bone throne. Now that he saw the Brahma Ghost Mother in danger, he couldn't sit still anymore and attacked!

Swoosh!

The sea of blood surged, and terrifying waves were set off!

Countless white bones gathered around the Lord of Hell, and they piled up to form a white bone giant. It was emitting a gloomy aura, and it held a white bone giant sword in its hand. It slashed at Su Zimo!

Su Zimo's expression didn't change, but his mind moved.

Buzz!

The sound of swords rang through the sky!

Two sword lights appeared, and they slashed at the Brahma Ghost Mother and the Lord of Hell!

The Avici Sword and Netherworld Sword descended!

Even when facing two Great Sages, Su Zimo was still strong and fearless!

Clang!

The sharpest Avici Sword slashed at the white bone giant sword. Although it didn't break the white bone giant sword, it still made a dent on the white bone giant sword!

The Lord of Hell's body trembled.

The Brahma Ghost Mother was even weaker.

She was already injured by Su Zimo's attack, and she couldn't resist the attack of the Netherworld Sword.

In just a breath, a sword mark appeared on her body!

The injury wasn't serious.

However, the terrifying thing about the Netherworld Sword was that even if it was a flesh wound, it could directly kill the Primordial Spirit with its terrifying killing intent!

The Brahma Ghost Mother's body trembled slightly, and her eyes were dazed for a moment, but she quickly recovered.

She didn't die!

Su Zimo's eyes flashed with a trace of surprise.

The Brahma Ghost Mother's face was pale. She gritted her teeth and said, "I am the Hungry Ghost Dao Master, the ancestor of the Ghost Race, and I control the ghosts of the three thousand worlds. Do you think you can kill me with one sword?"

Su Zimo smiled faintly and said, "If I can't kill you with one sword, I'll just slash you a few more times."

The Brahma Ghost Mother's heart trembled, and she suddenly screamed at the void, "Why aren't you showing yourself? Do you want to watch him kill me before you attack?"
