

The Eternal Supreme - Chapter 2230 - Chapter 2230: Chapter 2231-survival

“Could it be a heavenly Saint artifact?!” Jing Long was shocked.

Chi nodded and said, “it should be.” Other than a heavenly Saint tool, there was no other profound level tool with such a terrifying aura. But I heard that the heavenly Saint tool of the heavenly martial realm is the divine realm tablet, right? Why did it appear in the form of a sword?”

“A heavenly Saint tool is created by the world’s power, so it’s not strange for it to be able to change into a myriad of forms,” Jing said. “That must be the case,” Chi said with a sudden realization.

Zhuo kun’s eyes widened in disbelief!

He had seen the divine realm tablet before and had all sorts of exchanges with the previous realm King. He was different from the country bumpkins like Chi.

He was one hundred percent sure that the sword that was about to take shape in Yunxiao’s hand was by no means the divine realm tablet!

“What’s going on? What is that?”

Zhuo kun’s eyes were wide open, but the sword Qi was formless and tangible, making it difficult to identify it. He couldn’t even be sure if a sword really existed.

Yunxiao’s entire body trembled as the endless sword light shot out. The scene of the sword test outside Yanwu that day emerged in his mind. At that time, his entire body was sucked dry by the sword force, and he collapsed before he could even form a sword shape.

He immediately sealed all his meridians to prevent his spiritual energy from being instantly exhausted.

As the sword Qi in his body continued to burst out, he could clearly feel that the sword in his dantian was constantly revealing its true form.

It was as if thousands of knives were piercing through his meridians, and thousands of lacerations and pain emerged in his body. It was so painful that he couldn't make a sound.

“BOOM!”

A huge explosion came from his hand. Thousands of sword lights condensed into one point, emitting a bright light.

what kind of sword is this?!

Zhuo kun's entire body was dumbfounded. As the sword-light flickered, he suddenly reacted and shouted, “Be careful! Quickly run!”

His voice was extremely penetrating and reverberated through the entire six paths space.

However, Yuan turned around with a bitter expression.

How could she not know the danger? how could she not know how to escape? But, Yunxiao's divine sense had been locked on her, and even the sword seemed to have sensed it and locked on to her!

Zhuo kun was stunned. He looked at Yuan's bitter expression and immediately realized that she couldn't escape!

Zhuo kun felt his entire body turn cold. He was too far away to personally feel the threat of the sword. But no matter how he thought about it, he could not understand what kind of profound level weapon could completely lock a demon venerable, making it impossible for him to escape!

Zhuo kun's expression darkened. He instantly shifted to Yuan's side, and an indescribable pressure descended upon her. He immediately empathized with

Yuan's predicament. “What are you doing here?”

“I'll save you!” you can't save me. This sword is too evil. Run!

“Don't talk nonsense, let's work together!”

The two of them quickly finished their conversation. Zhuo kun's body began to emit a faint green flame. It was the yellow spring nether fire that was burning

to its limit. The agama bone Cleaver in his hand had also doubled in size, and the terrifying saber Qi was rising steadily.

The two forces surged from Zhuo kun's body, forming two distinct barriers.

Under the influence of these two powers, Yuan's emotions calmed down, and the fear that lingered in her heart was completely dispelled. Her calm face was moved as she said, "Thank you," he said.

Zhuo kun was expressionless as he stared at the Saint Sword that had already taken shape. He gritted his teeth and said, "Don't worry, we can handle it! Even if there's something strange about this sword, Yunxiao's strength is obvious, and he can't kill us!"

He stretched out his left hand and held Yuan's right hand tightly, their fingers intertwined.

As if she had gained infinite power, Yuan strengthened her belief. A golden light flashed on her left hand, and the Golden Wheel of the Magic Tree began to spin rapidly, developing the whirling world.

Yunxiao looked at the two of them with cold eyes as the sword shadow in his dantian gradually disappeared and finally reappeared in his palm!

The sword was three feet and seven inches long, wide and heavy, green and white like the moon, but the hilt was as dark as ink, with a golden sword eye.

From the head of the sword to the guard of the sword, it was a harmonious Twin Lotus. The sword force was smooth, and when it was quiet, golden and silver light floated on it, as magnificent as an Emperor who looked down on the world.

The tip of the sword was sharp, and the side blade was sharp. The sword Qi broke through the fourth level, shattered the eight desolates, and pierced the sky and the universe!

He raised his eyes with great difficulty and faced the light that pierced his eyes, taking a good look at the sword.

this is my holy sword, the holy sword I forged? ‘

Under the sword force, Yunxiao could not control his body at all, and could only push the holy sword with great difficulty. As he brandished it, a sword shadow cut through the void. It was as if an endless power had crossed thousands of worlds.

ask the vast earth, who is the master-rise and fall! “BOOM!”

Hundreds of millions of stone pillars crumbled under the sword, and the entire six paths space trembled. Everyone felt lost and dazed, as if what they saw was no longer real, as if they were in a dream.

The netherworld fire, the agama blade realm, and the Golden Wheel of the Magic Tree-the defense formed by three extremely powerful forces-was barely holding on under the sword light. Zhuo kun and Yuan’s eyes were filled with resolve. They no longer had any thoughts of life and death, and they burst out with all their strength.

“Pfft!”

The two of them kept retreating under the immense pressure. Their bodies exploded, and demonic Qi kept being separated from them. There were even ten different types of evil spirits, but they were all annihilated by the sword Qi.

“How can Yingluo be so strong!”

“Bang!”

The agama danced in the air and disappeared from Zhuo kun’s hand. The netherworld fire had long disappeared.

The Golden Wheel of the Magic Tree was also extinguished by the golden light, and it was like a simple shield, protecting Yuan. Meanwhile, Yuan’s body trembled violently, and a large amount of demonic fiends flew out from her body, as if they were about to collapse and degrade.

“Pfft!”

Thousands of feet away from the two, the holy sword was dazed for a moment before it dissipated from Yunxiao’s hand and returned to his dantian.

Yunxiao felt as if his whole body had been torn to pieces, and a great pain hit him. He coughed out a mouthful of blood, which shot a few feet high, as if he had vomited out most of the blood in his body.

“Husband!”

Yunxiao! feini cried out hoarsely, then flew to Yunxiao’s side in an instant and held him in her arms.

Yunxiao felt that his body was empty. Not only was his energy and spirit gone, but even his energy and blood essence were gone. He had become a shell, as if he had lost his soul.

The three sons of the Dragon were dumbfounded. Their minds were completely petrified, and they had completely lost the ability to think.

The strength of that power just now had even exceeded the scope of his understanding. No one understood what was going on.

A moment of silence fell upon the six realms. It was so quiet that it was strange and unreal.

Then, everyone felt a flash before their eyes, and their bodies were immediately pulled out of the six spaces, returning to the land of ten thousand spirits.

Suddenly, Yuan let out a blood-curdling screech, and a large amount of demonic Qi burst out from her body. Ten-directional brutal souls kept struggling out of her body.

When she was in the six paths space, she was protected by the space, but now, as soon as she appeared in the land of ten thousand spirits, she was suppressed by the realm power. The terrifying realm power pressed down on her, adding insult to injury, and instantly defeated her.

“Yuan!”

Zhuo kun’s entire body trembled, and his eyes almost popped out of their sockets. He hurriedly held Yuan and said in a trembling voice, “Hold on! You must hold on!” He stretched out his hand and took the Magic Tree Golden

Wheel, desperately pouring his demonic Qi into it, but there was no movement.

Even Zhuo kun's body was emitting large amounts of demonic Qi. His energy was slowly being transformed into low-level demonic matter and was being degraded.

"It's no use."

Yuan bitterly stretched out her hand and touched Zhuo kun's face. She softly said, 'You don't have enough power now to activate the Golden Wheel of the Magic Tree. Give up on me. Eat me now and I can heal your injuries. That way, we'll be together forever and never be separated again.'

"No! I must save you!"

Zhuo kun's eyes were as red as blood, and his face was filled with malevolence. He picked her up and said, "You must hold on! I'll take you back to the devil realm now!"

"It's too late."

Yuan stopped her and said anxiously, "I can't hold on for that long." Eat me, and you'll have strength. Then you can take Yunxiao and Xiao Hong. Then, you'll become a Holy demon and a demon master of the new generation."
"Don't say anymore!"

"I'll definitely save you!" Zhuo kun roared. His left hand formed a seal and patted Yuan's chest, giving her the little demonic aura he had. With a flash, he turned into a demonic light and left.

Holding Yunxiao in her arms, Feini's face was filled with anger. But at first sight, the two of them were so in love, his heart couldn't help but soften, and he couldn't bear to chase them.

However, Xiao Hong's figure flickered, and the sound of the Wheel of Fortune spinning could be heard from her palm. The AMO wheel appeared in her hand, and she blocked Zhuo kun's path. She pointed her sword at him and coldly said, "Who allowed you to leave?"

Zhuo kun's body couldn't help but tremble as he gritted his teeth. "Move!" He shouted.

“Do you think that’s possible?” Xiao Hong said coldly as she held her sword.
quickly get out of the way!!

Zhuo kun cried out in pain. If he delayed any longer, he might not be able to make it back to the devil realm.

Xiao Hong’s heart was as hard as stone. She said coldly, ” “Since you like her, why don’t you follow her? You won’t have any regrets if you die with the person you like, right?”

“Swish!”

The Dharma wheel stabbed forward, and the huge demonic light was like a blade that cut through the sky! It was like the sad song of the end, the death knell that led to the end.

“Let’s go! Quickly leave!”

Yuan was anxious and hit Zhuo kun’s body with all her might, but the other party was as firm as a rock. He didn’t want to move half a step, instead he faced the sword glow head on.

“Swish!”

The power of the AMO wheel pierced through Zhuo kun’s chest.

Zhuo kun’s footsteps suddenly came to a stop, and he stood in the air without moving.

Xiao Hong furrowed her brows and stood with her sword in her hand, looking on coldly.

The three Dragon sons were also moved by it, and they didn’t move at all.

“Just eat me,” Richard cried, “everything will be fine after you eat me.” And we will never be separated again.”

Zhuo kun suddenly smiled and nodded, “Alright, we’ll never part again.”

A look of disgust flashed across Xiao Hong’s cold face. ‘You filthy man, you can’t escape your selfish heart that’s afraid of death.’ She raised her hand, and the sword momentum rose again..

Xiao Hong's body suddenly stopped in its tracks, and a look of shock appeared on its face.

Yuan's voice was also heard. what are you doing?!

Zhuo kun's body began to fade as he slowly fused into Yuan's body. He looked at the person in his arms lovingly, his face filled with kindness.

Yuan was anxious and struggled with all her might, but she couldn't break free no matter what. She couldn't help but cry, "Stop it, you're going to die!"

"Didn't you say that you'll fuse together and never separate?" Zhuo kun smiled indifferently. This way, we won't be separated."

Richard cried, "I'm asking you to eat me!" You still want to step into the world King realm and strive for that higher realm. You're the man who wants to rule the world and roam the universe!"

"Without you, what's the use of me ruling the world?" Zhuo kun asked.

"I won't allow you to do this!"

Yuan's injuries had healed, and her strength had surpassed Zhuo kun's, so she immediately tried to stop him.

"I've already allowed myself to completely degrade," Zhuo kun frowned and said, "as a demon commander, you should understand that this process is irreversible. Even if you don't want my devil essence, I can't live anymore. Why waste it? I'm still hoping to use your body to pursue that higher realm." Yuan's shoulders trembled violently, and she was already sobbing.

He was unable to stop Zhuo kun's descent. It wasn't that he couldn't, but that he no longer wanted to. This process was already irreversible. She didn't want to waste a single drop of his devil essence. At this moment, she only hoped that he would be with her completely and forever.

I'll definitely fulfill your wish! Yuan cried. I'll let you feel the existence of the Saint Demon Realm and even higher realms through my body!

Zhuo kun lovingly stroked her long hair with a faint smile.

This smile was his best expression. His final voice and answer were forever frozen there, not going away for a long time.

Xiao Hong looked on quietly, but the AMO wheel did not slash down.

She let out a long sigh, and the mo weapon in her hand disappeared.

Because at this time, Yuan had already recovered. Even if it was somewhat unstable, the devil essence fluctuations coming from her body were only stronger than before. It would be meaningless for her to make another move.

Xiao Hong and Fei Ni looked at each other. Both of them had the same thought-it was not good to stay here any longer.

Currently, Yuan was still in a daze, while Zhuo kun's figure continued to fade away. However, his figure was indifferently fixed in the sky, like smoke and clouds. He didn't dissipate so quickly.

Yuan looked at it with infatuation, and her entire person seemed to have turned into stone. She didn't dare to touch the cloud of smoke, afraid that Zhuo kun would disperse at the slightest touch. She just watched it quietly, hoping that time would stop forever, until the end of time.

Feini sighed and said,"let's go." I used to hate her, but now that she's so pitiful,

I don't hate her anymore."

Xiao Hong nodded and said, " "As long as Zhuo kun's image is still there, she won't move. We'll have enough time to escape."

Feini said, " the purpose of this trip has not been achieved. Qiu and the crocodile are still missing. Perhaps they went to the 'pit' they mentioned. He didn't know what a 'world pit' was and where it was. Let's go back to Yanwu first and discuss further."

Just as the two of them were about to leave, their bodies suddenly trembled and they immediately became alert.

Not far away, luanyu, Shilong, and Yuanlong were standing quietly with dozens of true spirits behind them. They were all looking at them coldly.

Fei Ni and Xiao Hong's expressions changed drastically, and they knew that this was bad.

Chi and the other two Dragon sons "expressions also changed greatly as they stared at Luanyu with anger and killing intent.

"This is really interesting."

Luanyu said with a fake smile. His tone was extremely cold, and his Green Dragon eyes flickered with excitement. He couldn't help but lick his lips, as if everything in front of him was already in his grasp.

Yuan shouted happily, "three brothers, well done!" This time, Li Yunxiao can't escape even if he has wings!"

The three Dragon children's faces were ashen. Chi even gritted his teeth and said angrily, "Idiot! In addition to Li Yunxiao, Luanyu was also the murderer of third brother!"

"What are you saying, fourth brother?" Yuan was shocked.

Blazing Oi came from nowhere- Knowing that he couldn't persuade this idiot.

he immediately scolded, "If I'd known this earlier, I would've killed you before the land of ten thousand spirits even opened, so that you wouldn't be helping the evildoer!"

"Fourth brother, you're hurting the relationship between us brothers by saying that," Yuan said unhappily.

Blaze was so angry that he was wailing. He wanted to kill someone but was stopped by Jing and Mang. Jing sighed, "he's just like that. No matter how angry you are, it's useless." We should think about what to do now."

Chi's expression changed slightly. With the three of them in their current condition, they were definitely not the opponents of Luanyu, Shi Long and the others. If Yuan could switch sides, they might be able to fight, but that was obviously impossible.

Luanyu comforted Yuan and said, "the three of them have always been muddleheaded. You know that." After we kill Yunxiao and avenge your third brother, we'll take the three of them back and teach them a good lesson."

The three people's expressions changed drastically when they heard this, and they couldn't help but feel a chill run down their spines. If he was brought back, the outcome could be imagined. His dragon essence would most likely be extracted and become the drug primer for his failure to resist the five decays of heaven and man.

Yuan nodded his head seriously and said, "Father is right." The three of them were so angry that they wanted to rush up and beat him to death.

Fei Ni and Xiao Hong were panicking. Even though they were both leaders of their own territories, the difference in power between them was too obvious. There was no chance for them to turn the tables. They could not help but feel anxious.

Xiao Hong calmed down and replied, "the three Dragon sons seem to be facing a great enemy. Why don't we join forces with them? maybe we'll have a chance.

Feini nodded her head and looked over.

Who knows if it was intentional or not, or if Chi and the others did it on purpose, their gazes also happened to be cast over. The two of them looked at each other and immediately understood each other's thoughts. They could not help but nod.

How could this scene escape Luanyu's eyes? he chuckled and said, "It's really strange. Yuan 'er, look at your three useless brothers. At this moment, he wants to join hands with Yunxiao's men to deal with us."

Yuan's eyes were filled with anger. my three brothers, " he shouted, " are you all out of your minds?!

"Waaaaahhhhhhhhhhh! I really want to tear you apart!"

They were in a dire situation and would die if they weren't careful. This stupid thing was still helping the enemy.

"Since fourth brother says so," Yuan said angrily, "it's just as father said, you're stubborn. In that case, I can only join hands with Royal father and capture my brothers first!"

“Before the land of ten thousand spirits opens, I should have killed this brat first!” Chi gritted his teeth and said.

“It’s too late now,” Jing said. If we work together with the heavenly Phoenix and the others, we still have a chance to turn the tables.”

“Tsk, tsk, you guys are a disgrace to our dragon clan. The picture is too simple, so this King will do his duty as a father today.”

Luanyu sneered. The many true spirits behind him immediately roared wildly, and the aura on their bodies instantly soared.

The killing intent that had just risen suddenly seemed to have frozen. The surrounding temperature did not drop, but everyone felt an unusually cold aura spreading in their hearts, almost freezing them all.

Luanyu’s expression changed as she looked at that Yuan in shock.

Yi didn’t move at all. His body was hidden in Zhuo kun’s faint shadow, but his face was covered with a layer of frost. whoever dares to make another noise will die!

Her words were filled with unparalleled cold killing intent, causing one to smver.

When those true spirits went berserk, the space trembled and Zhuo kun’s illusory figure became a little dazed. His figure had become much fainter, causing her eyes to turn red. Those true spirits had already entered her kill list and were already dead in her eyes.

If not for the fact that she was unwilling to leave Zhuo kun’s embrace, she would have already killed him.

Luanyu was slightly shocked. He had also seen the scene just now. After Yuan had fused with Zhuo kun, not only had her injuries completely healed, but her aura had also reached an extremely terrifying level.

He cupped his fists and said, “Sir, you must be the devil Lord of the devil realm.”

I am luanyu. Back then, Lord Zhuo kun was a good friend on the same Battlefield. We had gone through life and death together, and we were like

brothers. I didn't expect that after a hundred thousand years, we would be separated by heaven and earth, never to see each other again."

"It turns out that father also knows that person, and they have such a deep relationship!" Yuan jing said.

Luanyu secretly rolled her eyes at him and continued, "Back then, Lord Zhuo kun's heroic bearing, wisdom, and courage were all worthy of admiration. The laughter and laughter, the voice and smile of pointing out the country, were like yesterday. Although it's like a dream, it's been passed down for thousands of years, sad and sorrowful."

When it came to the emotional part, he couldn't help but wipe his eyes with his sleeve and continued, "This li Yunxiao harmed my beloved son, and now he has harmed Lord Zhuo kun. I, luanyu, swear that I will definitely kill him to avenge my Lord!"

He said it firmly and with righteous indignation, full of anger and righteousness.

The entire sky quieted down, and everyone watched him quietly. Luanyu sneaked a glance at Yuan, but did not see any reaction from the other party, and could not help but Mutter in her heart.

He didn't know what Yuan's attitude was, and if he made a move, would it make her unhappy?

Just as he was hesitating, Yuan finally spoke, "I'll say it for the last time, all who make noise-die!"

"You coward!"

Luanyu was furious. He had said so much with great emotion, but it was actually a waste of effort.

However, the current situation was extremely good. The three Dragon children, Fei Ni, and Xiao Hong working together were barely able to match up to Yuri's side. Although Yuan also wanted to kill Yunxiao, she had become The Guardian of the weaker side, making luanyu not dare to act rashly.

"Good! As the saying goes, the dead should be respected, let alone brother Zhuo kun!"

Luanyu thought about it again and again, and felt that it was not appropriate to fight with Yuan, so she immediately said, "For the sake of brother Zhuo kun, I'll let Yunxiao and the others live a little longer. Everyone, listen up and mourn for Lord Zhuo kun.'

He was the first to lower his head, his expression filled with grief.

The true spirits also hung their heads, looking weak, and some even let out low, sorrowful cries..

The laughter and laughter, the voice and smile of pointing out the country, were like yesterday. Although it's like a dream, it's been passed down for thousands of years, sad and sorrowful."

When it came to the emotional part, he couldn't help but wipe his eyes with his sleeve and continued, "This Li Yunxiao harmed my beloved son, and now he has harmed Lord Zhuo kun. I, Luanyu, swear that I will definitely kill him to avenge my Lord!"

He said it firmly and with righteous indignation, full of anger and righteousness.

The entire sky quieted down, and everyone watched him quietly. Luanyu sneaked a glance at Yuan, but did not see any reaction from the other party, and could not help but mutter in her heart.

He didn't know what Yuan's attitude was, and if he made a move, would it make her unhappy?

Just as he was hesitating, Yuan finally spoke, ” “I’ll say it for the last time, all who make noise-die!”

“You coward!”

Luanyu was furious. He had said so much with great emotion, but it was actually a waste of effort.

However, the current situation was extremely good. The three Dragon children, Fei Ni, and Xiao Hong working together were barely able to match up to Yuri’s side. Although Yuan also wanted to kill Yunxiao, she had become The Guardian of the weaker side, making luanyu not dare to act rashly.

“Good! As the saying goes, the dead should be respected, let alone brother Zhuo kun!”

Luanyu thought about it again and again, and felt that it was not appropriate to fight with Yuan, so she immediately said, “For the sake of brother Zhuo kun, I’ll let Yunxiao and the others live a little longer. Everyone, listen up and mourn for Lord Zhuo kun.’

He was the first to lower his head, his expression filled with grief.

The true spirits also hung their heads, looking weak, and some even let out low, sorrowful cries..
