

## **The Eternal Supreme - Chapter 2295 – 2300**

### **Chapter 2295: Chapter 2294**

Chapter 2295: Chapter 2294-shocking change

549690339

Twelve thousand!

The price refreshed again. Everyone felt that it was a little unreal and looked at the two of them strangely.

However, no one felt that this battleship was really worth that many devil essence stones. They all thought that they were just acting in a fit of pique. They couldn't help but envy marrow's good luck to meet two fools.

Even the single-class members of the seven Northwestern divisions all wore envious expressions.

Yunxiao sneered and continued to bid, "Fifteen thousand."

"20000," Huan did not stop for a moment and reported.

twenty-five thousand! Yunxiao said coldly.

"30000!" Huan smiled faintly.

Everyone,"hehe."

&Nbsp; the entire trading hall instantly became abnormally quiet, so quiet that one could hear a pin drop. It was like a haunted house. Everyone was stunned by the price.

Yunxiao's eyes flickered with a fierce light as he said coldly, "Lord Bao, I think this person is deliberately causing trouble. He simply couldn't take out 30000 cubic meters of top grade devil essence stones. After all, he has already spent over thirty thousand cubes. I have reason to suspect that he's intentionally causing trouble."

Yunxiao was not the only one who was suspicious. The other demons also looked suspicious. After all, the price was too shocking, and it was outrageous to buy something of little value.

Even the marrow itself was shocked by the price and began to doubt.

“Lord Li’s question is very reasonable,” Bao nodded, “if you can’t take out 30000 high quality devil origin stones, then you’re deliberately causing trouble. When the time comes, my Department will not be polite.”

His sharp eyes swept over and landed on Huan.

There was one more thing that Bao Bao didn’t say. If this person really could take out another 30000 high grade devil origin stones, his identity would be even more suspicious, and the kun tribe wouldn’t let him off easily.

Huan did not panic in the face of everyone’s doubts. He just laughed, grabbed a storage bag, and threw it to Bao.

After Bao took it and scanned it with his divine sense, his expression changed slightly. He returned the storage bag to Huan and shouted, “There are indeed 30000 top-grade devil essence stones. No problem with the deal. Please continue.”

After he finished speaking, he retreated to the side without a word, but his face was a little gloomy.

This time, all sorts of exclamations and whispers sounded in the surroundings. Yunxiao’s face also turned serious.

Huan smiled as he looked at Yunxiao and said, “What’s the matter? you’re welcome to continue bidding.”

alright! Yunxiao nodded and said, “thirty-five thousand it is, then.

“Huala”

The crowd almost exploded. are these two crazy?!

“What’s with that profound level weapon? Is it really worth that much money?”

worth my A \* s. It’s because the two idiots are acting in a fit of pique. This time, it’s going to be cheap for the idiot who’s selling it.

“Hehe, I think you’re just jealous, right? This is his fate, you can’t not be convinced.”

The judge almost fainted. 35000 cubic meters of top-grade devil origin stones ... Even if it was her demon sect, she would have to sell everything she had to get that amount!

This time, it was Huan you’s turn to feel dizzy. He steadied his mind and said, “Lord Bao, now I have reason to suspect that this friend is just being unreasonable. I don’t believe that he can take out 35000 cubic meters of top-grade devil origin stones.”

Bao nodded and said, "Lord li, the other party's suspicions are reasonable." Please show us your financial resources."

Before Yunxiao could say anything, the referee cried out, "The kun tribe will vouch for him! I think that although thirty-five thousand cubes is a lot, with the power of my tribe, we should still be able to produce it."

An inexplicable expression appeared on Bao's face as he gently nodded and said, "With Master Yi as a guarantor, of course I can."

"There's no problem now," he said to Xiang Huan.

Huan was also a little dumbfounded. He looked at Yi and a bitter smile appeared at the corner of his mouth.

what's wrong, Lord Huan?" Yunxiao said coldly. you're done playing?"

"40000," Huan said after a moment of thought.

Huala!

The Trade Center exploded once again. Marrow's face was already red with excitement. His hands were shaking in the air, almost unable to control himself.

In the secret room, mo hezhu's face was also solemn. He stared at the girl for a long time, but felt very unfamiliar. He had no impression of her in his mind.

"Are you still going to add?" Huan smiled.

Yunxiao nodded and said with a calm face, "You've won,"

The surroundings were filled with noisy discussions, and all sorts of arguments were very intense.

Yunxiao gave Huan an indifferent look, then flew down and landed beside the referee without saying a word.

Both Richard and Xiao Hong were very concerned about him. They asked at the same time, "Are you alright?"

Yunxiao shook his head slightly, but his eyes were still fixed on Huan.

Bao also suppressed the shock in his heart. He revealed a habitual smile and said, "I'm very pleased that you managed to obtain this treasure. This auction was truly exciting. Now, let's hand over the goods."

Huan nodded and gently stepped into the void. With a few steps, he came to sui's side, took out a storage bag, and handed it over."These 40000 top quality devil origin stones are yours."

Marrow took a deep breath, feeling difficulty in breathing. He shakily reached out to take the storage bag.

Just as his hands touched the bag, he suddenly felt his mind go sluggish, as if an invisible force was gripping his heart!

"You coward!"

Before he could finish his sentence, his body exploded with a bang. The upper half of his body flew out, and his face was still full of fear and anger!

"Dammit! You dare to cheat!"

Although the marrow had been blown into two, it did not die, but the upper body began to degrade. Demonic Qi kept coming out of that angry face, turning into demonic Qi and flying out.

Marrow's face was full of fear as he shouted,"Save me! Master Hu, please save me! I don't want to die!"

However, it was obvious that no one cared about him. After the upper half of his body was blasted several hundred feet away, it completely disintegrated into a pair of low-level demons and dispersed.

Marrow's consciousness also dissipated from the world, and he was considered to be completely dead.

The whole process happened in an instant. By the time everyone reacted, Huan had already put Noah's ship in his hands.

"Dammit! How dare you, you rat!"

Bao suddenly roared, and a shocking killing intent bloomed from his body, directly rushing into the sky.

However, Huan only smiled lightly, as if he had been prepared. He turned around and stepped a thousand feet away, taking the opportunity to leave.

But the smile on his face froze as soon as it appeared, because Yunxiao had been waiting for him at the front of the road, his face full of ridicule.

Huan's expression changed several times. Finally, he waved his right hand and a golden light shot out. He shouted, "Take it! You go first! I'll see you at the usual place outside the city!"

With that, his body suddenly exploded with a boom, turning into a ball of demonic Qi and scattering in the air.

Yunxiao was taken aback, but he caught the golden light with a hand. It was indeed Noah's ship!

He didn't understand. Did this person go through so much trouble to get Noah's ship just to frame him? That's not possible, right?

When he came back to his senses, he could no longer sense Huan's existence. Only the hundreds of powerful killing auras around him locked onto him.

The demonic aura gradually dispersed, and Bao walked out of it. He stared at Yunxiao with his sharp eyes and said coldly, "Great, I didn't expect you guys to play a double act and deceive us all!"

The referee, who was in the distance, also flew up and explained loudly, "Lord Li is innocent. That person was trying to harm him."

But at this moment, no one was listening to her explanation. All of them surrounded Yunxiao with solemn faces.

After all, killing people in Alkaid Hall for treasures was something that was almost unheard of, yet they did not expect it to appear right under their eyes!

"Master Hu, I advise you to calm down," Bao said coldly. He's not the only suspect right now, we'll also have to control you."

what did you say?! the referee's expression changed. He was shocked and furious.

I know master Hao's promise to you," Bao said coldly. but that's a separate matter. If this matter is related to you, you're definitely not going to live!

He waved his hand, and a few demon lords landed beside Yi. Demonic Qi burst out of their bodies, and their powerful aura suppressed Yi. If he tried to resist, they would attack immediately.

It wasn't just Yi. Even Xiao Hong, Zi, and another Demon Lord of the kun tribe were surrounded by a few people and were all under control.

Yunxiao put Noah's ship away and said indifferently, "What a joke, which eye of yours saw me killing people and snatching their treasures? However, that person threw the

treasure to me and shouted that I'm an accomplice? Don't tell me that you know that there's no hope in apprehending the murderer, so you deliberately used me as a replacement?"

"Lord Li's words are really sharp," Bao grunted. I didn't say that you're the murderer, I just said that you're the prime suspect. After all, that treasure is in your hands right now. As long as you cooperate with us, you'll naturally be fine."

of course, " Yunxiao said. I'll cooperate with you. But I'm afraid you'll fall for that person's scheme. He deliberately threw the treasure to me and then used a powerful escape technique so that you couldn't find him in a moment of desperation and had your eyes all locked on me. I'm afraid that person took this opportunity to escape."

"What Lord Li said is very likely, but Alkaid Hall is not an ordinary place." It would be difficult for him to escape from this place without anyone knowing. For now, milords, please stand in the air and don't act rashly. Otherwise, don't blame us for being impolite!"

The judge and the others had no choice but to stand in the sky with Yunxiao and accept the supervision of the crowd, knowing the seriousness of the matter.

Yunxiao, on the other hand, had an indifferent look on his face. He put his hands behind his back and let them watch him.

After all, this trip to the shooting star City was not in vain. Not only did they complete their original mission, but they also obtained the map of the frost domain. Moreover, he had also unexpectedly obtained Noah's ship, which was an overjoyed harvest.

And according to what the marrow said, ye Nantian might have been killed if he had intercepted the Noah's ship when it was traveling through the void. Perhaps he could find some clues from it.

Besides, the reason why he accepted the investigation and supervision was so that he wouldn't fall out with the kun clan, and that he would be preparing to use that super teleporting magic formation soon.

If they fell out now, then the matter of borrowing the array would probably be over.

Chapter 2296: Chapter 2295-calamity fiend egg

549690339

The only thing Yunxiao found strange was Huan's identity. He seemed to have an extraordinary background, but judging from the looks of Bao and the others, the people of the kun tribe were also very unfamiliar with him.

Just as the Trade Center was in a mess, in the secret room, Yan and Zhu were also very surprised.

Yi was even more furious and stared at the water mirror. However, when the demonic Qi spread out, he completely lost sight of Huan.

He continuously cast the incantation seals into the water mirror, and the light and shadow in the mirror began to change. The images moved rapidly, and it was the entire Alkaid Hall, displaying the various scenes.

However, Shui Jing searched the area and other than seeing a few demons having an affair in the dark, he did not find any trace of Huan.

how is this possible?!

He was shocked. Huan had actually slipped away right under his nose.

Zhu was also quite surprised. He walked over and looked at the water mirror together. He said strangely, "Just who is this divine being, to actually have such methods."

Just as the two of them were in shock, their expressions suddenly changed, and they shouted in unison, "Who is it?"

A long shadow had appeared beside the huge ancient demon ape egg.

The shadow did not care about the two of them. Instead, it continued to cast various seals on the giant egg.

Many complicated patterns immediately appeared on the egg, dazzling one's eyes.

"Stop!"

Zhu roared loudly, instantly unable to restrain his anger. Someone actually dared to have ideas about the devil egg, it was simply moving the earth above the head of the Emperor.

He clapped his hands and turned them into a giant blade. The space was cut in half with a "Chi Chi" sound.

"Swish!"

The demonic shadow was also penetrated by the demonic blade and cut in half. It gradually dissipated in front of the two of them.

However, before the shadow had completely dissipated, the two of them were surprised to find that another shadow had condensed on the top of the demon egg.

The figure seemed to completely ignore the existence of the two people and continued to cast hand seals on the demon egg. Its movements were extremely crazy, but the aura it exuded was very calm.

“Die!”

Zhu was furious, but at the same time, his heart was filled with shock. His figure flickered and he flew above the devil egg, personally striking it with his palm.

However, he didn't dare to use too much force, for fear of damaging the devil egg. Thus, he still fought very carefully, holding back from shooting at the rat for fear of breaking the vase.

However, the other party didn't need to worry. He laughed and also struck out with his palms!

“BOOM!”

The four palms collided, and the pillar was sent flying more than ten Zhang away.

The shadow on the demon egg revealed a sinister smile. His hands quickly formed seals and slapped on the demon egg.

Suddenly, a layer of light and shadow gradually appeared, wrapping around the demon egg and him, gradually fading in front of the skeleton and the pillar.

stop him! Zhu was shocked and roared, ” quickly attack! Stop him!

That devil egg was extremely precious. If it was lost, he wouldn't be able to bear the responsibility.

The most vexing thing was that he didn't dare to fight in this place. The devil egg definitely couldn't withstand such a powerful impact.

The judge's pupils suddenly contracted, and a cold light burst out from his eyes. He said angrily, ” “You're Huan!”

Although the person in front of him had covered his face, the referee recognized his strange smile immediately.

Originally, Huan had only wanted to snatch the demon egg, while Richard had the attitude of watching a good show. Now, however, he was extremely furious.

He didn't care whether the devil egg was broken or not. His figure flashed and rushed up, immediately appearing above the devil egg. He formed an incantation seal and struck it violently!

“Be careful of the Magic Egg!” Zhu said in alarm.

However, Yi’s expression was ferocious. He didn’t even care about him and directly attacked with all his might!

Huan’s expression finally changed. His hands quickly formed a seal, and his body suddenly grew larger. His face elongated and deformed, and his body swelled up like a porcupines, as if he was just a skin bag without bones and blood.

When the skin swelled to a certain extent, it began to crack. Demonic runes covered it, and demonic light seeped out from the cracks.

“Bang!”

The skin finally burst open and turned into demonic Qi. In its place was a tall and thin old man with a ferocious face.

The old man glared at the referee with a venomous look in his eyes. His hands formed seals as he raised his palms to meet the attack.

If Yunxiao were here, he would be so shocked that he would not be able to help but attack.

The person in front of him was Lu congzi!

Yi’s pupils suddenly contracted, as if he suddenly thought of something. It was said that there was a vicious hiding technique that could directly refine the devil into a piece of devil skin and cover the body, which could hide all of one’s aura, making it impossible to recognize.

The person in front of him had clearly used this secret technique, and Huan was only a piece of his demon skin!

When the referee thought of this, he couldn’t help but be angered by the viciousness of this person in front of him. The seals in his hands strengthened a little as he shouted, “Die!”

Lu congzi laughed hideously, and his eyes flashed with ruthlessness. A Tai Chi fish-like mask appeared on his face, and as he rotated his hand seals, the gold and silver truncheons shot out from his palms!

“BOOM!”

As the four palms collided, a powerful and unparalleled force directly crushed down!

Lu congzi seemed to be unable to resist. Demonic Qi kept coming out of his body. The ancient demon ape egg under him suddenly became faint and gradually disappeared.

“Where’s the demon egg?”

Zhu’s eyes almost popped out, and he felt his scalp go numb. The demon egg was actually lost under his eyes!

Because that thing had a life of its own, it could not be put into a storage profound level weapon. But now, it had been transported out by Lu congzi through some inexplicable means!

He almost went crazy and rushed down with a roar.

“Hey!”

As soon as Lu congzi saw that the devil egg had been successfully obtained, he chuckled and withdrew his palm. His figure flickered a few times, and he was about to retreat from the kun’s attack.

Kuangjue’s palm force poured down in torrents and continuously exploded on his body. Although his skin and flesh were writhing from the explosions, there was a faint light flickering between the blood light that protected his body and prevented his vital points from being injured.

you’re from the realm of heavenly martial arts! the judge shouted in anger when he saw the blood.

Lu congzi retreated several times. His body flashed, and he stuck to the wall and went through it. He chuckled and said, “Thank you, my Lords, for giving me the Magic Egg and Noah’s ship.”

The referee was furious as he threw out a punch!

The stone wall was blown to pieces with a boom, but Lu congzi was nowhere to be seen.

“Waaaah!”

Zhu’s hands held his head, his expression becoming extremely fierce. He said madly, “What do we do now? I lost the demon egg, I’m finished, how am I going to report back?”

The referee said in a deep voice, “calm down!” That person is definitely still in Alkaid Hall and can’t possibly escape so quickly. However, that devil egg Suan ni has probably already been teleported out.”

“A person from the realm of heavenly martial arts! This man must be an accomplice of Yunxiao! That’s right, interrogate that li Yunxiao and make him spit out the devil egg!”

Zhu’s eyes were red with anger, and he almost lost his mind.

The referee raised his hand in front of him and frowned, ” “Calm down! It’s impossible for Yunxiao to be in cahoots with that man. That man has been trying to frame Yunxiao from the beginning to the end. Can’t you see such a simple thing?”

“Framed? Hmph, I think you’re the one protecting li Yunxiao!”

Zhu smacked out with his palm, shaking off the referee’s arm, and said in a cold voice, ” “I can see that you’ve been protecting li Yunxiao in all aspects since the beginning. If that’s the case, you might have a part in the plot to steal the devil egg, right? Whoosh!”

The referee angrily said, ”Zhu, are you crazy?!” Do you even know what you’re saying? If you’re spouting nonsense, don’t blame me for disregarding your status as a Holy envoy!”

The two of them quieted down and glared at each other for a while before they gradually calmed down.

Yunxiao? ” Zhu pondered. are you sure that man is trying to frame Yunxiao? ”

“You don’t even understand such a simple method?” But there was one thing for sure. He must know Yunxiao. In the fight just now, this man was wounded by me and bled, which proves that he is also from the realm of heavenly martial arts. This person’s thoughts are meticulous and his courage is superb. It’s simply a bit terrifying.”

Yi’s eyes flickered, as if he was recalling everything and connecting them together. He said, ”His original goal should have been the demon egg. No, there was also the gathering of materials. The gathering of raw materials should also be real. Otherwise, he wouldn’t have brought so many top grade devil origin stones to attract attention. But, fighting with Yunxiao for the Golden warship must have been a last minute idea.”

if I’m not wrong, ” the judge said coldly, ” he used the Golden warship and Li Yunxiao’s appearance. He must have thought about killing and snatching the treasure, then shifting the blame to Yunxiao to divert everyone’s attention, and then attacking the demon egg. What a terrifying thought and means, and his ability to adapt to the situation is simply terrifying.”

Hmph! Zhu’s face darkened and he snorted. I’ve said so much and all I’ve heard is you talking about how powerful and terrifying the enemy is. How do we find this enemy? ” If the demon egg is lost, not only will I not be able to bear the responsibility, but I’m afraid that the higher-ups will also blame you. At that time, you won’t be able to bear the consequences!”

The referee thought for a moment and said, "there are two breakthroughs. The first one is li Yunxiao. He must know him. The second was the origin of those top-grade devil essence stones. This person has more than 60000 cubic meters of top-grade devil origin stones on him. It's impossible for him to come out of thin air."

Zhu's eyes burst with light. He clapped his hands and shouted, "Yeah! This is indeed a crucial point. If there was no one supporting him from behind, it would be impossible for him to collect so many top quality devil origin stones!"

His face was full of anger and killing intent. He gritted his teeth and said, "If I find out who is supporting this person in the devil World, I will definitely tear that person into pieces!"

"Let's not worry about it for now," the referee said. I'll first seal Alkaid Hall and shooting star City. I'll also expand the area of the seal to a hundred miles outside of shooting star City. Then, he would slowly think of a way. The space of the devil realm is not as fragile as the space of the heavenly martial arts realm. I'm afraid it'll be extremely difficult for them to break through the space and leave."

After Zhu heard this, he also felt that there was a good chance of finding the person. He immediately recovered from his frustration and depression and began to recover his normal thinking ability.

The two of them arrived at the trading hall in a flash.

Yi's appearance immediately caused quite a stir, and everyone's eyes gathered over.

Bao was taken aback. He hurriedly stepped forward and said, "Sir, please!"

The referee stretched out his hand and interrupted him, "There's no need to say anything, I know everything. Immediately lock down Alkaid Hall, shooting star City, and the surrounding hundred li of shooting star City."

549690339

"What? Seal off shooting star City?"

All the demons present were shocked. The shooting star City was too big. If they were to seal the city, they would have to expend an uncountable amount of energy.

it just so happens that most of the powerful warriors are in the city now," said Yi coldly. use my name to mobilize all the kun demons. Kill anyone who disobeys. The demons outside the kun division had to stay in the shooting star City. If anyone left the city, they would be killed immediately. In addition, take some experts with you to personally guard the teleportation formation. During this period of time, cancel all teleportations. Anyone who disobeys will be killed immediately!"

After three heavy orders of 'kill them directly' were issued in a row, the surrounding demons all looked nervous. Those who wanted to leave the city found it hard to open their mouths.

The referee waved his hand and said, "do it now." As for Yunxiao and the people of the kun tribe, let them go. They have nothing to do with this."

Bao took in a deep breath of cold air and said, " "Yes!"

His expression was grave like never before. He knew that this was the biggest event in the kun tribe in the past few hundred years.

He gave Yunxiao and the judge a look, then ordered his men to retreat. After counting the men and horses, some of them immediately shot out in all directions to carry out the order.

All the demons of the kun tribe in the entire market were also mobilized, following some of the higher-ups of the kun tribe.

Soon, only a few experts from other tribes were left in the hall.

Many of those who were just here to watch the show had ugly expressions on their faces. They felt as if they had become the prisoners of the shooting star City.

The referee's gaze swept across the remaining people. Everyone who was stared at by him was as silent as cicadas in winter, not daring to look directly at him. In the end, his eyes fell on Yunxiao, and what greeted him was a pair of eyes as calm as water and a faint smile.

"Hmph!"

The judge grunted and walked up to Yunxiao in a few steps, leaving a distance of thirty to forty feet between them.

the man just now is from the realm of heavenly martial arts, " the referee said. do you know him? "

Under Yunxiao's surprised gaze, he waved his hand, and a light screen emerged beside the two, revealing Lu congzi's face.

"Lu congzi!"

Yunxiao's eyes burst with a bright light, and his face fell!

The referee stared at him and said in a cold voice, "you really do know him!" Where is this person from and where is he now?"

Zhu also flashed over and stood behind Yunxiao, locking him down with his divine sense for fear that he would escape.

After being stunned for a while, Yunxiao immediately figured out the cause and effect. He could not help but say in frustration, "So that's how it is! It's really him. Sigh, I should have thought of this earlier!"

"Take us to that person's old nest, or don't blame us for being impolite!" Zhu said coldly.

I don't know where his lair is," Yunxiao shook his head. but I know that he's with the great demon barbarian.

"Barbarian?"

Zhu and Yi's eyelids twitched, and they revealed shocked expressions.

In the trade Plaza, a Demon Lord of the Barbarian tribe suddenly shouted in anger,"Nonsense! Our Berserker tribe has never seen this person before. Just who are you, what are your intentions, and why are you trying to frame our tribe?!"

Everyone looked over, and the demon Lord grew rather timid. He seemed rather afraid under everyone's gazes, but he still summoned his courage and cupped his fists."Milords are wise. This one is from the Barbarian tribe and has never seen that man."

"Then, do you have a fiend Lord named bi, Qiang, and Heji in your barbarian tribe?" Yunxiao asked after a moment of silence.

"Indeed, but Lord Qiang and Ji seemed to have disappeared for a long time." The demon Lord was stunned.

'That's right,' Yunxiao said. These two people didn't disappear, but they died in the crack of the realm of heavenly martial arts. Lu congzi is with them."

"What proof do you have?" the demon Lord's expression changed greatly as he angrily said.

Yunxiao gave him a contemptuous look and sneered, "I'm telling the truth. I don't need any evidence."

"You coward! What a load of nonsense!"

"Everyone, please be reasonable! How can you slander others so casually!" The demon Lord said angrily.

Yunxiao ignored him. His face was full of pride, and he did not want to be slandered.

“Are you sure he has joined the Barbarian tribe?” asked Shang.

at least more than a year ago, ” Yunxiao nodded. I can’t be sure if it is still the case now.

Zhu frowned,“Yi, you trust this person so much?.” He obviously didn’t believe it, and he was extremely dissatisfied with the church’s actions.

“I did believe him,” the referee said. Right now, among the eight departments, if there’s anyone who’s most likely to support that person, it’s man. ”

“What if it’s not man?” Zhu became silent.

this one, ” Yunxiao said. did I say I’m supporting him? ” I’m only saying that Lu congzi joined the barbarians more than a year ago. I’m not sure about the current situation.”

“Haha, you just want to say that no matter what the result is, it has nothing to do with you, right?”

it has nothing to do with me, ” Yunxiao said indifferently. it has nothing to do with me. However, if you want to get even with Lu congzi, you can take me with you. Because I also have a deep hatred for this person.”

A cold light flashed in the pillar’s eyes, and it said,“You have a grudge? You think we’ll believe you?” He looked at the referee and grunted. He added, ” “Except for the church.”

Yunxiao smiled and crossed his fingers in front of him as he said, ” “I didn’t ask you to believe me. However, if you waste your time on me, I’m afraid it’ll be even more difficult to find Lu congzi.”

“You don’t have to worry about this,” Zhu snorted.

“Then do you have a way to find him?” Yi asked.

No. Yunxiao shook his head and said, ” I don’t have any particularly good ideas. This person’s strength was tyrannical, and he was full of tricks. He was an extremely difficult person to deal with. If we can’t kill him in the shooting star City this time, I’m afraid it’ll be difficult to kill him again.”

“Don’t worry, I’ll definitely find him,” Louis nodded. I hope I can see your attitude when the time comes to prove that everything you said is true.”

Yunxiao’s eyes were frosty as he said, ” “Don’t worry, if this person appears, I will definitely take action.”

“Before we find that person, you should stay in shooting star City,” the referee said.

Yunxiao nodded helplessly. Whether it was killing Lu congzi or borrowing the Super teleportation array, he had to rely on the Holy See, and he had no choice but to obey.

Soon, the entire Alkaid Hall was turned over, but they didn't find Lu congzi or the devil egg. Only then did they open the restriction of Alkaid Hall and let everyone leave.

At this moment, the entire shooting star City was in a state of panic. The people on the streets seemed to have received the news long ago and stayed in their own territories, not allowed to wander around.

All kinds of rumors and news flew around as if they had wings.

Yunxiao and the others returned to the Vatican and stayed behind closed doors. Yunxiao even asked for a secret chamber and began to cultivate in seclusion.

In order to prevent others from disturbing him, he waved his hand and set up a golden light, which turned into thousands of golden runes and disappeared into the surrounding space.

He was still worried, so he threw out the 36 Northern heaven cold star swords and arranged them in a certain order beside him. As the sword Qi flickered, all the light was retracted back into the sword.

Yunxiao hesitated for a moment, then raised his hand. A gust of strong wind swirled out of his palm and turned into a crocodile, which lay not far away. It opened its eyes for a moment, then closed them again and went back to sleep.

Only then did he heave a sigh of relief. The crocodile seemed to be affected by the demonic realm's power, but it did not seem strong. It adapted very quickly.

After all, the Dao turned into one. One gave birth to yin and yang, then the five elements, and displayed the changes of heaven and earth. Even the entire demonic dimension was formed from the five elements of earth, water, fire, and wind.

After doing all this, he carefully took out Noah's ship and held it in his palm.

Whether ye Nantian was alive or dead, they could only find the answer from the profound level weapon.

It was a pity that Ye Fan was not in the divine realm tablet, and the mark on the battleship was too strong. If he forced his way in, he was afraid that he would erase the divine sense inside.

He could only sense the frequency it emitted, adjust his divine sense to match it, and then slowly fuse it with his divine sense, trying to read the situation inside.

Half a day later, as Yunxiao changed the incantation gestures in his hands, golden Maha ancient characters kept lighting up on both the warship and itself.

When ye Nantian first created this quasi-Saint weapon, he relied on his understanding of the rules of heaven and earth and the Maha ancient God tactic.

At this moment, Yunxiao began to analyze the structure and the arrangement of laws of Noah's ship from these two points, trying to peek inside without destroying the restrictions on it.

Under the control of his seals, Noah's ship continued to spin and flip, full of spiritual light.

Suddenly, Yunxiao's eyes widened, and a trace of horror flashed through them!

At the same time, the golden light that was scattered around the secret chamber appeared. Thousands of golden characters flickered and formed a barrier.

The 36 Northern heaven cold star swords also trembled and shot out sword lights. They crisscrossed in the air and connected into a net.

The crocodile that was lying on the ground also jumped up. It laid on all four limbs and looked up at a corner of the secret room vigilantly.

Yunxiao changed the seal in his hand and counted down, then put Noah's ship away. Only then did he stand up and stare coldly at the corner.

A dark shadow was quietly floating in the air above a corner of the secret chamber. It gradually became clear under Yunxiao's gaze, revealing the face of a middle-aged demon.

The face was pale and colorless, and his appearance was extremely ordinary. No matter where he was thrown, it was very common. However, upon closer inspection, he still found it very unfamiliar.

Yunxiao frowned and said coldly, "Lu congzi?"

His expression was very calm, and one could not tell what he was feeling. However, in the quiet secret room, there was a baleful aura. It was obviously not as calm as the two people on the surface.

The pale face moved, and a familiar voice came out. hehe, how did you know it was me? "

Yunxiao's face twitched, but he suppressed his emotions and said with a sneer, "Actually, I didn't recognize you when you were pretending to be happy. I still can't

recognize her even though she's dressed like this. However, in the entire shooting star City, you're the only one who would use such a method to find me and enter the secret chamber before I discovered you. Besides, the most important thing is Yingluo."

Chapter 2298: Chapter 2298-only one way

549690339

He paused for a moment, his eyes shooting out a cold sneer, and said, "I found a slight magic seal on Noah's ship. Although it was extremely hidden, it couldn't escape my eyes. It should be the mark you left on Noah's ship before you set me up to find me."

"Not only is young master Yunxiao becoming more and more cautious, but his strength has also improved greatly," Lu congzi chuckled. After being the heavenly martial Alliance's leader for so many years, you've matured quite a bit."

you're really bold," Yunxiao said coldly. how dare you show up in my secret chamber at this time? " Are you here to find me or Noah's ship? However, I'm very curious. You didn't launch a sneak attack as soon as you appeared. This doesn't suit your style."

"Young master Yunxiao, you think too badly of me," Lu congzi said with a smile. I'm not confident that I can break through these layers of restrictions at once. They hadn't seen each other for a few years, so there was no need to be so bitter and hateful, right? People always say that there are three great blessings in life. One of them is to meet an old friend in a foreign land."

Yunxiao nodded. as the saying goes, when a fellow townsman sees a fellow townsman, he'll stab you in the back. That's the truth.

"Hahaha."

Lu congzi laughed out loud. He was actually very happy and didn't show any embarrassment or embarrassment.

Yunxiao stared at him and frowned as he said, "I'm very curious, what technique did you use? I can't even see any flaws with my eye techniques."

Lu congzi stopped laughing and said, "This is a kind of refining technique from the devil realm. It can directly refine a devil into skin, and when it's worn on the body, it will become a completely different person,"

you really can't change your \*\*\*! Yunxiao scolded. don't you feel disgusted? "

"It's alright. You'll be fine once you get used to it," Lu congzi said with a smile.

“Tsk, tsk.”

you’re the only one who can get used to it \*” Yunxiao mocked \* I can’t get used to it.

“Hehe.”

Lu congzi wasn’t angry. He squinted his eyes and smiled.”We’re almost done chatting. Let’s talk about business, shall we?”

“Oh? Serious business?”

Yunxiao rubbed his hands together as killing intent kept overflowing from his body, and the cold light in his eyes grew stronger and stronger.

“I didn’t come here to fight you,” Lu congzi said warily.

in my opinion, the business between you and me is to fight to the death, ” Yunxiao sneered. there’s nothing more important than that! Besides, it’s up to you to come or not, but do you think it’s up to you to fight?”

With a point of his finger, the 36 Northern heaven cold star swords floating around him were activated. A cold light shone on the swords, and in the next moment, they sliced through the void with a sizzling sound.

“Swish!”

The sword light in the secret room brought up a white chain, dancing in the air, forming an all-encompassing momentum, very dazzling.

Lu congzi’s expression didn’t change, and his fists struck out steadily like mountains.

“Bang Bang Bang!”

As the sound of his fist hitting the sword was heard, he didn’t even land a single punch. Every time he hit the sword, the sword would fly out with a clang. In the blink of an eye, all 36 swords were stuck in the wall or the ground.

However, just as he stopped, purple lightning shot out from his chest like an electric arc, directly cutting him in half.

“Ah?”

ah! Lu congzi screamed in horror as he watched his body split in half in the air and his limbs flailing in the air.

Behind him, Yunxiao's figure appeared, his body flowing with purple electric arcs and his face solemn. He didn't let his guard down just because he had succeeded in one move.

As expected, the two halves of Lu congzi's body shriveled up and turned into a piece of demon skin as soon as they fell to the ground.

"Don't get too excited. I'm really not here to fight you this time."

In the secret chamber, where Yunxiao had been standing, several wisps of demonic energy surged from all directions and converged into Lu congzi's figure.

This time, it was his real body. When that familiar face appeared in front of Yunxiao, an irrepressible killing intent burst out of him.

Lu congzi glanced at him and said indifferently, "Don't forget, your disciple is still in my hands."

"Damn it!"

Yunxiao forcibly suppressed his anger and said in a cold voice, "Release yang Di, Xuan Hua, Fei Yan, Luo Tian, and the others!"

"Release? How do you know that they were captured by me and not willingly following me?"

Lu congzi blinked his eyes and said with an inexplicable smile.

Yunxiao pointed at him with his right hand and said coldly, "I don't care if they are sincere or not, whether they are following you or being imprisoned by you, I will take them away!"

Lu congzi nodded and smiled. it's good that you have an idea. I'm just afraid that you don't. If you have an idea, we'll have the conditions for negotiation."

Yunxiao clenched his fingers in anger, and a sharp whistling sound of air flow burst out from his fingertips, shrill and angry.

it's simple, " Lu congzi said with a smile. give me Noah's ship, and I'll let you take those people.

how do you want to make the deal? " Yunxiao asked coldly.

give me Noah's ship now, " Lu congzi said. then I'll tell you a place. If you go there, you'll see the person you want to see.

what? ” Yunxiao sneered. I haven’t seen you for a few years, and you’re already sick in the head? ” Do you think I’ll agree to such a deal?”

“But there’s no better way,” Lu congzi sighed.

there is a better way, ” Yunxiao said. but I want to ask you something first. What do you want Noah’s ship for? ”

Lu congzi smiled and said,”didn’t the referee tell you?” I’ve already borrowed the ancient ape devil egg. It’s too big to be carried out of the city, and it contains the life of the young ancient demon ape, so it can’t be stored in a storage Mystic weapon.”

Yunxiao was taken aback. He did not expect that he would steal the devil egg, and he finally understood why he wanted Noah’s ship.

actually, there’s another way, ” he muttered. I’ll use the divine realm tablet to bring you and the devil egg out.

“Hahaha.”

Lu congzi laughed and said,”If I enter the divine realm tablet, will the devil egg still be mine? Will I be able to escape with my life?”

Yunxiao nodded. your worry is not unreasonable. So, there is only one way left.

“What is it?” Lu congzi asked.

A murderous look flickered in Yunxiao’s eyes as he said coldly, ” “I’ll kill you and directly search your soul!”

As soon as the word ” kill ” came out of his mouth, the killing intent that was difficult to suppress surged out, and his figure shot toward Lu congzi.

“Crazy!” Lu congzi cursed.

He did not dare to fight Yunxiao head-on. With a light tap of his feet, he rose into the air and turned faint, about to disappear into the void.

“Hmph! It’s not up to you to come and go!”

With a fierce look on his face, Yunxiao clenched his fingers, and a purple Thunder Dragon immediately shot out of his palm and into the void, coiling around Lu congzi like a fish.

“Explode!”

He pinched his fingers together and shouted softly.

“BOOM!”

The purple light bloomed and shattered the spatial power. Countless lightning bolts turned into fragments and flashed with a “shua shua” sound.

Yunxiao’s face flickered slightly. Inside the light net, Lu congzi’s body swelled up a little, and he made a hand seal in front of him, which turned out to be a dark armor that covered his body and blocked all the power of the Thunder.

“Ha!”

Lu congzi’s face flushed red. He roared and waved his right hand, sending a golden light down.

It was the Golden Phoenix Emperor tu, who had blasted the lightning area with a BOOM!

Under the realm power of the devil realm, the power of the purple Thunder was far less than when it was in the realm of heavenly martial arts.

Lu congzi’s eyes were filled with joy as he rushed into the void. He stepped out of the void and returned to the secret room.

Before he could even catch his breath, he felt his vision turn black.

Holding the axe with both hands, Yunxiao chopped down at his head!

Lu congzi was immediately scared out of his wits. That was the six paths demonic weapon Alai Xuanzang, and it was invincible!

“BOOM!”

The bronze battle axe cut through Lu congzi’s head like a hot knife through butter. The sharp end of the battle axe pierced through Lu congzi’s head and cut him in half!

“Bang!”

Lu congzi’s body exploded and turned into two demonic shadows that flew to both sides.

“Another clone?”

Yunxiao was taken aback, and his face darkened. There was not a single drop of blood from this axe.

The entire secret room suddenly became eerily silent.

Lu congzi, who had been split into two, had two balls of devil Qi moving in the corner, as if he was recovering his strength.

Yunxiao frowned as a bright light flashed through his eyes, and three Jade hooks, one gold, one red, and one black, appeared in his eyes.

“This is a Kasaya.”

He was taken aback, only to see the two demonic Qis in the two corners slowly stand up, turn around, and stare at him with gloomy faces.

The two figures condensed by the demonic Qi were both Lu congzi, and their expressions and auras were exactly the same. Moreover, one of them held the Golden Imperial Slaughter Sword while the other held the silver sword Breaker sword.

“What’s going on?”

Yunxiao waved his battleaxe and placed it behind his back. He looked coldly at the two men and said, “What kind of sorcery is this? Where’s Lu congzi himself?”

Lu congzi, who was holding a golden Mace on the right, said coldly, “I’m Lu congzi’s original body, and he’s also his original body. We’re just demon bodies.

“Demon body? What the hell are you doing? What about the main body? Main body, come out and die!”

With an angry look on his face, Yunxiao pointed his battleaxe at one of them, Lu congzi, and walked up with a murderous look.

“Even if you kill me, what’s the point if you can’t kill my main body?” Lu congzi grinned hideously. “Why don’t we sit down and have a good talk? Both sides will benefit.”

As soon as he finished speaking, Yunxiao swung the axe down!

Lu congzi hurriedly lifted the Golden Mace to block it in his shock and anger, but he was sent flying with a bang, and The Fiend body was cut into two again!

“Damn it!”

Another devil body roared and rushed over. A large number of devil runes were sent into the silver truncheon, which turned into a huge truncheon that was ten feet thick and flew out.

“Hmph!”

Yunxiao opened his hand and waved it. A series of incantation seals appeared, and a black cloud instantly condensed in his left hand, turning into a shield.

The moment the black Shield appeared, it expanded in the wind and soon reached the size of half a secret chamber, covering Yunxiao's entire body!

Chapter 2299: Chapter 2298-demon body

549690339

“BOOM!”

The silver Jian struck the black Shield, causing it to tremble. At the point of contact, a large amount of silver light burst out, and the monstrous demonic Qi instantly swallowed the silver Jian.

Lu congzi was shocked. He looked over and saw a ferocious beast on the shield. It looked like a living creature, and its eyes were staring at him. The ruthlessness in its eyes seemed to be able to pierce through his heart.

The silver Jian Yishi was in the beast's mouth, and it was being swallowed.

“嗷!”

Lu congzi's demon body was so scared that his face turned pale. He didn't care about his weapon anymore. He turned around and forcefully struck out with his palm. As the earth and rocks crumbled, he penetrated the secret chamber and escaped.

“Can you escape?”

With a sneer, Yunxiao put away the demonic weapon of six paths. Instead of pursuing, he crossed his arms over his chest and watched coldly.

“BOOM!”

A deafening sound came from outside the secret chamber, and Lu congzi's figure shot back in again.

A gust of cold wind blew in from the crack and turned into a crocodile monster standing there. It was also full of killing intent and its eyes were fierce, like a Guardian.

Lu congzi's fiend body rolled a few times on the ground and came to Yunxiao's feet. He was so shocked that he stood up in a hurry and took several steps back.

The secret room immediately fell silent, and the two stared at each other.

The fierce fight had alarmed all the people of the kun tribe. The kun, Xiao Hong, and the others appeared in the secret room immediately and stared at Lu congzi.

Xiao Hong's expression changed drastically as she recognized Lu congzi at once, while Richard's face was filled with doubt and coldness.

are you going to tell me the truth, or do you want me to search your soul? ” Yunxiao finally said.

“Hahaha.”

Seeing that he was at a dead end, Lu congzi sneered and said, ” “I'm just a demon body, why would I have a soul for you to search? If your main body was here, you wouldn't have dared to search.”

“Demon body? Don't tell me, Yingluo ”

The judge's expression changed slightly. He looked at Lu congzi in surprise and asked, ” you've cultivated demonic Arts? ”

there are 3000 great DAOs, ” Lu congzi sneered disdainfully. they're all dharmic formulations. How can there be a distinction between good and evil? ”

Lord Chi, ” Yunxiao said. is there a way to find the true body of the demon through the demon body in the divine ability of the demon race? ”

Lu congzi's expression changed drastically, and he looked terrified.

“There must be such a spell, but I'm not familiar with it,” Richard muttered. Why don't we first take control of this demonic body and then hand it over to Sir Hu? he'll definitely have a way.”

li Yunxiao, ” Lu congzi roared, ” do you not care about the lives of yang di and the others? If I die, none of them will be able to live!”

Yunxiao had made up his mind. you're too evil and will cause too much trouble in the future. Even if I have to sacrifice them, I will get rid of you this time!

Since his threat was useless, Lu congzi's face turned pale, and he said angrily, ” “He's even willing to abandon his own disciple and close friend. The heavenly martial Alliance's leader must have lost his mind! When did you become so heartless?”

you think you've seen through me? ” Yunxiao sneered. that's why you dare to come to negotiate with me alone, right? ” However, you were still exceptionally cautious and hid your true body. You think your scheme is good, and your plan is good, but you've made a mistake. I'm determined to kill you this time!”

An irresistible force burst out of Yunxiao's body, and Lu congzi only felt his body tighten before he was captured.

Then, a flash of talisman light appeared and turned into a black iron chain that wrapped around his body, tying him up.

Lu congzi's face turned extremely unsightly. Yunxiao had actually used the six paths demonic weapon to bind him, and he could not help but feel vexed.

He tried to activate his devil essence to self-destruct, but he was suppressed by Ali fansha. Black runes flashed on the iron chain, and the power of rules penetrated directly into his body, sealing all power.

"Li Yunxiao, you're dead! Yang di and Xuan Hua will also die because of you! You've killed everyone!"

Lu congzi roared in anger and struggled with all his might, but he was unable to free himself from the restraints of Auri fansha.

A trace of sadness flashed in Yunxiao's eyes as he said, "If I don't kill you, more people will die in the future,"

In a flash, he appeared beside Lu congzi, grabbed his head, and pressed it against the ground!

"BOOM!"

The floor of the secret room cracked like a spider web, and Lu congzi's entire upper body was stuck in it. His legs twitched for a while before they stopped moving.

Yunxiao's face was as cold as ice as he said coldly, "this is just a little interest. When I find your real body, I'll take everything back with interest!"

He waved his hand and instantly grabbed the metal chain. He turned into a stream of light and headed towards Alkaid Hall.

Richard and Xiao Hong also hurriedly chased after him.

Because the entire city was under martial law and a flight ban had been issued, even if one applied to fly, they could only control it at a certain altitude.

Yunxiao did not care about that. He turned into a stream of light and flickered a few times in the air before flying toward Alkaid Hall, his trajectory almost impossible to follow.

Many experts of the kun tribe saw this and were furious at the man who had gone against the wind. They hurriedly chased after the light.

However, a moment later, everyone watched as the light flew directly into Alkaid Hall. They could not help but stand in the sky in shock, not knowing what was going on.

“Could it be the Lord of Alkaid Hall?”

The pursuing demon lords waited for a while near the main hall. Seeing that there was nothing unusual, they heaved a sigh of relief and dispersed.

The referee had long noticed something strange. As soon as he walked out of the hall, he saw Yunxiao land in the square, and the first thing he saw was Lu congzi.

“It’s you!”

Yi’s body trembled, he laughed and flew over, ” “You caught him?”

Yunxiao’s face was a little heavy as he said, ” “Let’s talk inside.”

He dragged Azhi fansha with one hand and led Lu congzi to the secret room in the hall.

Zhu was also alarmed. He came out to take a look and was instantly overjoyed. However, his eyes were filled with greed when they landed on Ali fansha.

He recognized Azhi fansha at a glance. In his excitement, he suddenly felt two sharp eyes piercing at him, and he could not help but be shocked when he saw Yunxiao staring at him coldly.

“Cough, cough cough.”

Zhu looked a little embarrassed. He coughed twice and said, ” “You caught him?”

Without saying a word, Yunxiao looked away and went straight to the reception room in the hall.

Zhu’s face tensed. He felt he was being looked down on. He suddenly became angry and his eyes spewed fire. However, Yunxiao was already in front of them, so he turned and stared at the judge and Xiao Hong with a gloomy face.

However, Richard and Xiao Hong basically ignored him. They glanced at him and followed him in.

Zhu’s expression changed greatly. He was about to flare up, but the referee found him in time and stopped him, indicating that he should calm down.

After entering the hall, Yunxiao went straight to the point and told him about Lu congzi, "Does master Hu have a way to find his original body through the demon body?"

"Demon body!"

Nie and Zhu were both shocked.

Yi frowned. this is one of the evil Arts. I haven't seen it in a long time in the devil World. I didn't expect it to be learned by an outsider.

"If this person didn't steal the demon egg, he might still be a promising talent," Zhu said coldly with a gloomy face.

Lu congzi's eyes turned slightly when he heard this, and he said with a chuckle, "Lord Zhu, I'll return the demon egg to you, and we'll write off the matter between us. How about it?"

"Bullshit!"

"Daring to Rob this Lord's things, only death awaits!" Zhu angrily rebuked.

there's nothing that can't be discussed in this world, " Lu congzi said with a smile. it all depends on whether you're willing to discuss it or not. I think I'm still quite valuable. When I was in the realm of heavenly martial arts, I could have been the chief Alchemist."

Bi, hezhu, and even BI's expressions changed slightly, revealing shock. They looked at Yunxiao together, and only believed him after he nodded slightly to confirm it.

what? " Zhu was moved. you mean, in the entire realm of heavenly martial arts, you have the highest achievements in the art of divination? "

Lu congzi laughed and said, " I don't dare to claim the highest. This thing is as if it's invincible. Other than the demon Lord Emperor from 100000 years ago, who would dare to say that they were invincible? However, I'm still confident that I'll be in the top five of the world."

"Top five, Yuyu."

The few of them fell silent. Although they did not dare to claim first place, this was still an extremely impressive ranking. They looked at Yunxiao again to verify the truth.

Yunxiao frowned, and the blue veins on his forehead twitched. Anger could be vaguely seen on his face, but he still said coldly, "He's not lying."

Although mo hezhu's appearance made him unhappy, he was too proud to slander Lu congzi.

"Hehe."

Lu congzi looked at Yunxiao and smiled. He nodded and said, "Thank you for your approval."

you're welcome," Yunxiao sneered. I still acknowledge and admire the chief's art of Dao. But it's a pity that even if you're ranked first, you're going to die this time!"

"Not necessarily," Lu congzi said with a smile. Who Do You Think You Are? Don't forget that this is Master Yi's territory. Even if this old man is going to die, it's up to master Hu to decide, not you!"

do you think Lord Yi will let you go?" Yunxiao said coldly. He said to Lu congzi, but his eyes were looking at the referee.

Because there was a lack of alchemists in the devil World, it was indeed possible with Lu congzi's talent. His success in the Barbarian tribe was most likely related to his talent in the art of cultivation.

If the Holy See really wanted to recruit Lu congzi, then this matter would indeed be troublesome.

Indeed, the referee was a little hesitant. He cupped his chin with both hands and muttered, "Let's think of a way to find his main body first."

"Hehe, there's no need to go through so much trouble."

if you're willing to let me go, Master Chu," Lu congzi said with a flattering smile. my real body will come out naturally, and I'm willing to serve you.

The referee was stunned for a moment, not expecting him to say such words.

For a moment, everyone's eyes were on him, especially Yunxiao's. His eyes were so bright that they almost pierced through his body.

"We can discuss the matter of service, but I have to return my Magic Egg first," Zhu said slowly.

"I should, I should!"

Seeing their attitudes, Lu congzi knew that he had a good chance of survival, so he hurriedly said, "I didn't want to be enemies with the two lords. It's all my fault for being

muddleheaded and actually having ideas about the devil egg. I won't do it again in the future!

His face was filled with regret and remorse. If Yunxiao had not known him for more than a day, he might have believed him.

549690339

Lu congzi looked at mo hezhu's hesitant look and was secretly happy.

Yunxiao sneered as he clapped his hands and praised, "What the chief said was really good, concise and comprehensive, with a profound meaning and touching heart. Since you're so sincere, then let your main body come to Alkaid Hall first to have a talk. Don't you think it's impolite to always use your demon body to talk to the two lords?"

"Your main body first, then we'll have a good talk," Yi nodded.

Lu congzi was stunned, and the old flesh on his face twitched a few times. He said embarrassedly, "Without Lord Yi's pardon, my main body wouldn't dare to come."

you don't believe in Lord min, " Yunxiao said sarcastically. since you want to join us, then use your real body as a proof of your loyalty. Otherwise, how can there be such a good thing? "

Nie and Zhu were also in agreement.

yes. Zhu nodded. let your main body bring the demon egg over first. If you're really a useful talent, we'll consider giving you a lighter sentence.

Lu congzi's face twisted into the color of a bitter melon as he gave Yunxiao an angry glare.

He still had a certain degree of initiative now. If his main body really came with the devil egg, he would be completely passive. At that time, his life and death would be in the hands of others. To a treacherous and ambitious person like him, it was difficult to accept.

Besides, if his true body came, Yunxiao would kill him at all costs, even if nie hezhu wanted to let him go. Yunxiao's idea was really vicious!

"What, not happy?" Zhu frowned.

"Um, no, I'm not unhappy, Yingluo."

Lu congzi wiped the sweat on his forehead and said awkwardly, "It's like this. When I was stealing the devil egg, I exchanged a few blows with the two lords. I'm indebted to

the two lords for showing mercy, but I've still suffered significant injuries. I'm currently recuperating in seclusion in a secret chamber in the city. If I interrupt the healing process, I'm afraid it will bring irreparable damage to my body."

Zhu frowned and did not know what to do. He looked at the judge and Yunxiao.

Yunxiao sneered. you stole the demon egg, and you deserve to be injured. But now, you want the two lords to forgive you? " Are you that f \* cking precious? He would die if he moved a little? Alright then, tell us the location and the two lords will send people to carry you over. Also, there are two lords here. With their unparalleled abilities and cultivation, they'll naturally ensure your safety. Don't worry."

Lu congzi felt dizzy. The more Yunxiao said so, the more he did not dare to let his true body come. A hint of ruthlessness flashed in the depths of his eyes. He said, "

"Milords, my main body is indeed severely injured. How about this, give me seven days 'time, and I will definitely come out of seclusion after seven days. At that time, my main body will definitely bring the devil egg to Alkaid Hall to ask for forgiveness from the two lords."

"Seven days?"

Bi and Zhu both muttered to themselves.

"You can't!"

no! Yunxiao immediately objected. the shooting star City is the core of the demon tribe, and it is also the main city in the central region of the entire devil realm. Every day it is sealed off, the impact will be incalculable. If Lu congzi really wanted to submit, he could tell them where his main body was hiding. After the two lords confirmed it, they could lift the city's blockade and restore free movement. At the same time, we can retrieve the devil egg immediately and send someone to protect Lu congzi in case he encounters any accidents during his closed-door cultivation. If he accidentally goes into Qi deviation or something, we'll lose a great talent."

"You coward!"

Lu congzi was so angry that his mind was muddled. Now that Yunxiao had said so, how could he find an excuse to delay the matter?

&Nbsp; Zhu was in a hurry to take back the Magic Egg. that makes sense. Tell us where you're staying first. We'll send people to protect you after we take back the egg.

Yunxiao sneered. the chief has not told us where he is hiding. Obviously, he has no intention of surrendering. He is clearly toying with you two and trying to stall for time!

“Don’t you slander me!” Lu congzi roared.

Yunxiao gave him a sideways glance and said coldly, ” “Is there? It’s easy to prove your sincerity. Just tell me, where is your main body?”

“That’s right, where’s your original body? If you even hide this, how can you even talk about seeking refuge?”

Zhu also rolled his eyes and glared at Lu congzi.

“Hmph!”

Lu congzi grunted. He found that he had lost to Yunxiao in terms of words, and knew that it was difficult for him to play any more tricks, so he simply closed his eyes and stood there in a daze, pretending to be dead.

“I asked you to speak!” Zhu frowned in anger.

Lu congzi looked like a dead pig that was unafraid of boiling water. He had completely given up. Since his meridians were all sealed, it was impossible for him to commit suicide or escape. At the end of his wits, he could only close his eyes and pretend that he was dead.

“Bang!”

Zhu slapped Lu congzi’s face, making him see stars. I’m asking you a question! Say something!”

However, Lu congzi just closed his eyes and pretended that he was dead, and let them do whatever they wanted.

At this moment, there was a house made of gray stone on the outskirts of the shooting star City. It had two simple Windows and a door. It was no different from the residences of the surrounding residents.

The underground of the building had been hollowed out. In a space of more than ten acres, dim lights flickered in the four corners.

Black demonic runes would appear in the air from time to time, and they would flash and disappear.

In the center, the giant devil egg that had been taken away was placed on a formation, floating quietly.

“Damn you, li Yunxiao! You actually destroyed my devil body and seized it!”

Next to the devil egg, a cloud of black Qi emerged, revealing Lu congzi's face. His face was fierce and hideous, and his eyes were full of killing intent.

"How are your injuries?"

In front of him, a black light flashed and slowly turned into a demonic shadow. It sat in the air and opened its eyes to look at him.

The devil had horns on its head and was dressed in a silver robe. Its exposed skin was covered in silver-gray scales, and its slender eyes flashed with a fierce light.

Lu congzi's face looked even gloomier, and he said coldly, "Originally, it wasn't a big deal, but now that we've lost one demon body, the other one is probably going to die as well. This injury will take at least three to five years to heal!"

His face was full of hatred, and he was gnashing his teeth in hatred, wishing he could tear Yunxiao into pieces!

if I had known, I wouldn't have gone to find li Yunxiao. Now, I'm in such a passive situation. What should I do? "

Lu congzi clenched his fists and pounded the ground with all his might. His gloomy face, hidden by the cracks in the soil and stones, seemed to be bleeding from all seven holes in his face.

The specter's face revealed a strange expression and said, "Teacher has always been wise, why are you so emotional today? It's just a setback."

"En, Yingluo."

Only then did Lu congzi fall silent. He calmed his mind and said, "They'll probably refine my devil body and find this place. Does Lord man have any countermeasures?"

The tall and sturdy demonic shadow in front of him was actually man, one of the eight demon Venerables.

"It's indeed a little troublesome," man said in a deep voice. If the Holy envoy finds out that I'm the one behind this, it'll be extremely bad for the entire barbarian tribe. What we lack the most now is time. How long can your demon body last?"

we'll have to see their sorcery, " Lu congzi said worriedly. I reckon they'll find our hiding place in seven days.

"Seven days?"

Man's long and narrow eyes burst out with a bright light. He stretched out his hand to stroke the demon egg. His face seemed to be a little infatuated as he said, "There are only two ways now. The first is that I'll extract the power of this devil egg right now, and then we'll be able to kill our way out with our power. This method was very safe, but it would definitely waste a large amount of the ancient ape demon's strength. The second method is to take advantage of the time when they are casting spells on your demon body and protect this demon egg to kill our way out. But if I do that, the chances of taking the Magic Egg away are not high, and I will definitely expose my identity."

what? " Lu congzi's heart skipped a beat. my Lord, are you suggesting that we should choose the first option? "

Man nodded and sighed, "even if it's a waste, there's no other way." Right now, I don't want to face the cultivators of the Archaeus Region Head on. After absorbing the power of this ancient ape devil, I should be able to conceal my identity and escape from the shooting star City. Then, you'll go into hiding for a period of time. Even if the kun tribe and the Archaeus region try to pressure me, I'll never admit to it. "

Lu congzi's face was also gloomy. He gritted his teeth and said, "That's the only thing we can do now."

Man nodded, then stretched out his hands and teleported to the sky above the devil egg, quickly forming hand seals.

The devil egg seemed to have sensed something and shook a little. It actually became somewhat transparent, and there seemed to be a huge shadow shaking inside.

Lu congzi looked on with a gloomy expression, and no one knew what he was thinking.

A few days later, not only did the restrictions of the shooting star City not relax, but they also became even more severe. It was as if a violent storm was brewing.

Many people smelled the scent and began to be cautious, even rarely going out.

In Alkaid Hall, Lu congzi sat cross-legged in a huge formation. He had a wooden expression on his face, and his eyes were closed the entire time.

Several strange magical beasts sat cross-legged around the array. Their bodies were like toads, and their skin was covered with pimples. Their cheeks were moving, and they were exhaling yellow smoke that dispersed in the array.

Zhu, who had been behind Lu congzi, reached out and stabbed his five fingers into the top of Lu congzi's head, causing the demonic light on his body to roll. It was as if every part of his demonic vitality was being poured out.

Since Lu congzi closed his eyes and closed his mouth, directly sealing his five senses and six Senses, it made Zhu Heyi furious.

The two of them set up this secret technique according to the ancient method and began to refine this demon body in order to find the original body.

As yin and yang met, six days passed.

During the six days, Yunxiao did not leave for a moment. He sat cross-legged a thousand feet away from the array and cultivated.

One day, Lu congzi, who had been silent all this time, suddenly opened his eyes and mouth, letting out a miserable cry!

ah!! Shua!

The scream immediately attracted everyone's attention, and six or seven people appeared around the formation in an instant, all of them nervously looking into the formation.

A look of great joy appeared on Zhu's face. He quickly formed hand seals with his left hand and kept hitting Lu congzi's body, shooting out beams of demonic light!
