

The Eternal Supreme

Chapter 2401: Chapter 2400-ancient God Maha

Su peiqing suddenly felt depressed and sad. She couldn't bear to leave, and tears welled up in her eyes.

silly girl, " Yunxiao laughed. there's no banquet that doesn't end. I'm indebted to you for taking care of me for the past three years." At the end of his speech, he solemnly raised his hands and cupped his fists.

Even though he had lost his memory for five years, it was not a blank period. He remembered everything that had happened during that time. Especially after su peiqing had brought this fool with him, he had suffered a lot of grievances and pressure, both from within the family and from outside. He had seen everything. Although he didn't understand when he was stupid, he did now.

Even though su peiqing was reluctant, she was smart and understood the difference between the two of them. She could only say bitterly, " "Will we meet again in the future?"

what do you think, silly girl? " Yunxiao smiled. what do you think? "

He took out a token and handed it to su peiqing, saying, " "Take this heavenly martial medallion. If you want to chat with me or have tea with me, you can come to the heavenly martial Union to find me at any time. Remember, if there's anything you need, find big brother."

Su peiqing clutched the token tightly, feeling extremely sad. She could not help but shed tears, but in the end, she did not say anything and nodded heavily.

Yunxiao smiled faintly as he waved his hand and said, " "I'm not going to die, why are you crying? It's just a temporary farewell. As long as you're willing, you can meet again at any time."

After saying that, his figure gradually disappeared from the small courtyard.

Su peiqing lowered her head and sobbed. Suddenly, she couldn't help but burst into tears.

The people of the sus were still kneeling there, not knowing if Yunxiao had left or not, and they did not dare to look up. The small courtyard was filled with a strange scene. A group of people were kneeling while a girl was squatting there and crying.

After crying for a while, su peiqing finally reacted and hurriedly helped su mo and the others up.

The SU family heaved a sigh of relief, but the way they looked at su peiqing was completely different.

A few days later, Yunxiao, the leader of the heavenly martial League, who had been missing for five years, returned. The news spread all over the world, and people ran to tell each other and celebrate.

The holy city of lanxue was decorated with lanterns and streamers. Everyone was amazed and jubilant. The festive atmosphere infected everyone, and they all felt happy from the bottom of their hearts.

Yunxiao sat in the Great Hall, listening quietly to Ding Ling 'er's report on what had happened in the past five years.

After that battle, Yuan and Yuan returned to the devil realm after their injuries were slightly better. They had planned to wait for Yunxiao to show up and thank him before they left. But, Yunxiao had been missing for too long, and no one knew if he was still alive, so they went back first.

The rest of them were either dead or injured, and all of them were severely injured. They had not recovered to this day and were still in seclusion in the Holy region.

"Sister Hongyan and sister yunshang are also seriously injured and have not yet recovered," Ding Ling 'er said. Shenxiao Palace had been handed over to han Junting. As for Lord Bo mu, because he sent a large amount of true essence to Lord True dragon, he also passed away not long after he returned."

what about feini's flame of life? " Yunxiao's face changed slightly. what about feini's flame of life? "

it's with little sister Water fairy, " Ding Ling 'er said. now only ru wo Wen can maintain the flame of life, and little sister Water fairy is the only successor of ru wo Wen.

Yunxiao's face was full of worry. Bo MU's words still rang in his ears, that if feini wanted to be reborn, he had to rely on his own will, and no one else could interfere.

"Do you know about Lord mu Di's current situation?" he muttered to himself.

Ding Ling 'er pondered for a moment and said, "I don't know, but it seems to be hesitating." She thought for a while and answered honestly, "I don't know." "It seems to be very bad."

I see. Yunxiao nodded and said, "I understand. He sighed slightly and waved his hand. "You can leave first, I'll be alone for a while."

After Ding Ling 'er left, Yunxiao sat cross-legged in the Great Hall and quietly immersed his mind in his spiritual ocean, recalling the scenes of the great battle five years ago. He could not help but be filled with mixed feelings.

At the last moment, Xiao Qing fused with him and completely sacrificed itself to help him.

Although Yunxiao's current strength had surpassed the realm of a World King, he had a long way to go, and he did not know where the Lord of the thousand worlds was.

Compared to six-winged's power back then, he was still quite lacking.

However, after refining the master of ups and downs and the divine realm tablet, his understanding of the heavenly Dao had become deeper and deeper. One of the reasons for his memory loss in the past five years was also because of the last time he fused with Qing Zhu.

Little Qing was a second wood spirit, so she had her own understanding of the heavenly Dao, which he had gained a lot from. Now that he was carefully experiencing it, he felt that the path of cultivation was constantly expanding in front of him, as if there was a bright Road ahead.

He took out the master bobble and examined it in his hand. A green shadow appeared in the center of the sword. It was the Luan Yu Dragon Soul.

With a sweep of his divine sense, he entered the world within the sword.

Ever since he had made this sword, he had never been able to see its internal structure. Now that his cultivation had surpassed the realm King, it was the perfect time to comprehend it.

However, the world within the sword was gray and dense, as if there was no life.

Yunxiao found it strange, and he began to pace slowly inside. The feeling was somewhat similar to the demon Lord's six paths space, but not completely the same.

hehe, congratulations on defeating the demon master and coming back alive.

Suddenly, a familiar voice rang out in the air.

Yunxiao trembled and said in shock, "It's you!"

"It's me," the voice laughed.

I finally hear your voice again, " Yunxiao said in a hurry. who the hell are you? "

The voice laughed and said,"there's no rush. Let me explain slowly." I didn't want to contact you so soon, hoping that you'd become the master of a thousand worlds before I did, but there were some unforeseen circumstances. Moreover, if you are able to create this master sinking ship, you will have the qualifications to do so."

"Change of events? Qualifications?"

what's going on? " Yunxiao asked hurriedly. what's the matter? "

"Yes," the voice replied solemnly. Originally, there was a heavenly Dao fruit meeting that was about to be held, but an unforeseen event suddenly occurred midway, and it was much earlier than expected. That's why I'm here to inform you in advance so that you can be prepared."

"Heavenly Dao fruit conference? What is that?"

Yunxiao was dumbfounded, feeling that what the voice said was beyond his knowledge.

The voice said,'naturally, it's the heavenly Dao fruit. I'll tell you the details when the time comes. I'm just informing you in advance, so you'd better hurry up and improve your strength. Those who can participate in the fruit meeting must have the cultivation base of a master of a thousand worlds or be able to refine a Mystic artifact of this Mystic space and communicate with the chaotic great universe."

"A great chaos cosmos?"

you've said so much, " Yunxiao said with a frown. but you didn't explain anything.

"Hahaha."

The voice laughed. the so-called chaotic great cosmos is the first-generation cosmic space. It's also known as the mystic space. Only the master of the thousand realms can sense its existence. As for the heavenly martial realm and the devil realm, they are just two of them in a small chaotic Galaxy in the North of the great cosmos that has evolved."

Yunxiao was dumbfounded, and his mind was a little muddled. He had countless questions in his heart, but he did not know where to start, so he could only say awkwardly, "Then may I ask who you are, my Lord?"

The voice laughed, "Speaking of which, you can be considered to know me." At the very least, you have cultivated the Shen methodology that I left behind. You can call me Mo Mo."

"Maha!"

Yunxiao's heart was boiling. The owner of the voice was actually the legendary existence of the heavenly martial realm, ancient God Maha!

Yunxiao cupped his fists in excitement, as if he were a fan who had just seen his idol. "So it's you, my Lord!"

"You don't have to be so polite," Maha said with a faint smile. With your comprehension and cultivation, given time, your achievements will definitely not be below mine."

then, how should I go to the heavenly Dao fruit meet? " Yunxiao asked in a hurry.

it's because you don't have the power of the master of the thousand worlds yet, " Maha said. you've only refined the master of the ups and downs, so it's indeed a little troublesome. When the time comes, we will open up a plane channel and drop the universe plate. You can use this profound level weapon to guide you to our place."

"You guys? Isn't Daren alone?"

Yunxiao asked in confusion.

"Of course not. There are some people here that you might be interested in," said Maha with a smile. For example, the first-generation true dragon of the realm of heavenly martial arts and a few famous Holy demons of the demon Realm are also here. The heavenly Dao Dao Dao fruit meeting this time was only a small-scale Dao fruit meeting in the minor chaotic starfields. However, this opportunity is hard to come by. After some discussion, we decided that you were qualified to come here, so we informed you in advance. I'll get someone to get in touch with you when the time comes."

Yunxiao still had a lot of questions in his mind, but mahāk a seemed unwilling to answer them. "You'll know everything when the time comes." After that, there was no more sound.

No matter how Yunxiao shouted, there was only silence.

The information that mo Ji had given him was too shocking. He couldn't concentrate on his cultivation anymore. He could only come out of his cultivation and recall what mo Ji had told him.

"The first generation true dragon Pi Xiu and the devil realm's Holy devil Pi Xiu"

no wonder, " Yunxiao muttered to himself. over the years, no matter how rare the Lord of the thousand realms is, there must be many people who have reached this level. It turns out that these people have already left their own planes and gone to the minor chaotic starfields or some other place."

He was suddenly stunned and pondered, " "But why haven't I seen them return? even if such a great crisis were to occur between the two realms, it would be easily resolved as long as a single person descended. Mo Ji said that he wanted to join hands to open up the passage and drop the universe plate for me to go through. I'm afraid that it will be extremely difficult for me to come back."

As he thought about it, he could not help but be in a daze. If he really left the realm of heavenly martial arts, what would happen to the others?

Qu Hongyan, feini, Luo yunshang, Ding Ling 'er, water deity, Xiao Hong, Qianqian

Even if he could abandon the others, what about his female friends?

A huge question mark appeared in his mind. For a moment, he sat in the hall in a daze, somewhat lost in thought.

[/] Taiyi felt like crying when he saw the comments and comments from his readers. The new book is in September, so it's temporarily on September 3rd. Because the first and second of many months this year were quite unlucky, it was temporarily set for September 3rd. There are still three chapters to go today. I must finish all the chapters I owe today! Otherwise, he wouldn't have the chance to make up for it!

549690339

Suddenly, a message token flew in from outside the hall. Yunxiao was overjoyed when he caught it and looked at it. He quickly disappeared from the hall.

Ding Ling 'er had been waiting outside the hall for a long time. When she saw him coming out, she went up to him and said, " big brother Yunxiao, when Lord mu di heard that you had returned, he immediately sent a message over, hoping to meet you.

alright, " Yunxiao said. of course, I'll meet him.

&Nbsp; the conversation with ancient God Maha just now had left him somewhat vexed, so he wanted to hear mu lingdi's opinion.

The place where lingmu di was in seclusion was in a spiritual mountain somewhere in the heavenly River of the Holy region.

Yunxiao rode the beam of light and arrived in just a few breaths. He sensed the lingmu Di's location and teleported there in joy.

Ling mudi and Bei zhinan were sitting cross-legged facing each other. Dense Qi was spreading from their bodies. They were still healing.

Yunxiao could not help but be taken aback. Both of them were in very bad condition. It seemed that the great battle five years ago had left a deep wound on the two of them.

Lingmu di and beifeng Nan sensed his arrival and immediately opened their eyes. They put down the seals in their hands and turned around.

I'm not feeling well, " lingmu di nodded. I can't pay my respects. I hope you can forgive me, Lord Alliance leader.

Yunxiao hurriedly cupped his fists and replied, "Your Excellency is joking, you flatter me."

young master Yun is the leader of the heavenly martial Alliance, " lingmu di said with a smile. you have to be polite. Otherwise, where would your dignity be? "

Yunxiao's expression flickered. speaking of Alliance master, I've come here to discuss something with Lord mu di. May I know why you're looking for me? " he asked.

"Oh?" lingmu di asked in surprise. What's the matter?"

Yunxiao pondered for a moment, then said, "If I leave, who will be the leader of the heavenly martial Alliance?"

"What?"

Lingmu di, beifeng Nan, and Ding Ling 'er were all shocked, and they all looked at him in shock.

young master Yun is the most suitable candidate, " Ling mudi said. other than you, no one else is qualified to take on the position of heavenly martial league's chief. When he saw Yunxiao's worried look, he could not help but ask, "Did something happen?"

Yunxiao immediately told him about his encounter with ancient God Maha in the Super mysterious space.

The three of them were dumbfounded.

Ding Ling 'er's heart skipped a beat, and a look of panic flashed across her face. She said in a trembling voice, "Big brother Yunxiao is leaving? Leave this world?"

I haven't decided yet, " Yunxiao said with a wry smile. but it's very likely.

Lingmu di was stunned for a long time before he said, " I didn't expect there to be such a secret. The universe is so big that we are really inferior to ants.

Beiming Nan also let out a bitter smile, sighed, and shook his head.

Ding Ling 'er's face was full of fear and bewilderment. After a while, she finally mustered her courage and said, " "What should we do if big brother Yunxiao leaves? Me, Hongyan, sister yunshang, sister shuixian, and little sister Qianqian and Xiao Hong."

don't worry, " Yunxiao said. even if I leave this world, I can still break through the passage and come back. Since ancient God Maha and the others could bring me away with the cosmic disk, they can naturally come with their true bodies. It's just that it will be very troublesome."

Even so, Ding Ling 'er still looked as if she had lost something. Without Yunxiao, she would have nothing to rely on in her life, and she would have no idea where to go from then on.

Yunxiao's heart ached as he held her hand and said, " "Trust me, once I'm familiar with the place, I'll open the passage and take you there."

Ding Ling 'er forced a smile and said, " Ling' er was born stupid. Her martial arts cultivation is extremely poor. I'm afraid that her lifespan is not long enough to wait for big brother Yunxiao. So, I'll have to use the eternal celestial technique.

don't worry, " Yunxiao said seriously. What I seek is to live forever in heaven and earth, to travel the universe. If I can't be with the person I love, what's the point of being the master of the thousand worlds?"

Ding Ling 'er's heart was immediately warmed. Feeling the power in Yunxiao's hand, she could not help but nod and feel relieved.

Lingmu di heaved a long sigh and said, " with young master Yun's departure, the position of the heavenly martial Alliance's leader will be in a difficult position.

no, " Yunxiao said. Lord mu di can take on the task. Besides, I can't trust a second person to take up this position."

"Hahahaha."

Lingmu di laughed out loud, but his laughter was somewhat desolate."If I could have a few hundred more years of life, perhaps I would have accepted it."

Both Yunxiao and Ding Ling 'er trembled, as if they had heard something.

"What do you mean, my Lord?" Yunxiao asked anxiously.

“Both my Lord and I are nearing the end of our lifespans,” said Beimang Nan with a bitter smile.

“What?”

The two of them were shocked, and their faces showed sadness at the same time.

“Please don’t worry, my Lords,” Ding Ling said hurriedly. “I’ll find all the spiritual herbs in the world to extend your lifespans.”

Lingmu di shook his head. “There’s no need for that. With our cultivation base, what spiritual medicine can we use in this world? Why do you have to waste money and strength?”

“You’re right, Lord mu di.” Beifeng Nan nodded. “The main reason we want to see you now is to bid you farewell.” If they didn’t meet again, he was afraid that the celestial being eternal technique would be used. “I didn’t expect you to throw out another difficult problem.”

Lingmu di saw his sad look and laughed. “With our experience, what life and death can’t we see through? Where was the sadness? If it’s the heavenly martial Alliance’s leader, I have someone I can recommend.”

“Who is it?”

Yunxiao asked.

“Wei Qing,” Lingmu di said.

Yunxiao’s expression changed slightly, and he hesitated for a moment, but he did not ask.

“Haha! Lingmu di suddenly laughed. “It seems that the Alliance master is also thinking about this person.”

“Wei Qing is indeed very suitable,” Yunxiao said with a nod. “Whether it’s talent or strategy, or schemes and courage, he’s the best choice. It was a pity that this person’s heart was not right. If the world was in chaos, it would be a blessing to have this person as a friend. But now that the world is at peace, I’m afraid that this kind of person will cause trouble.”

“I have the same concerns,” Lingmu di said. “If Alliance master is here, you can still suppress him, but if Alliance master leaves this world, I’m afraid that there’s no one in the world who can suppress Wei Qing in all aspects.”

“If that’s the case,” Yunxiao said, “my Lord, do you still recommend him like this?”

Lingmu di smiled faintly, but his eyes were cold. "This will depend on the Alliance master's determination. If Wei Qing can not be used, I suggest that he be eliminated as soon as possible to avoid leaving behind a big problem. At that time, no one will be his match."

Yunxiao looked a little embarrassed as he said, "che you is a true dragon of his generation. He should be able to protect the peace of the realm of heavenly martial arts."

Lingmu di laughed, "che you is a man of valor. However, he lacks strategy. I'm afraid he won't be able to contend with Wei Qing in the future. The Alliance master said this only to find some comfort for himself. If you really think that he can check Wei Qing, you don't need to have a headache and ask me."

Yunxiao was still indecisive and very conflicted as he said, "To kill Wei Qing? Then after killing Wei Qing, who can take on the position of Alliance head?"

Lingmu di thought for a moment and said, "Wei Qing is a genius. There are many other talents besides him. If she can make the world submit to her, miss Ling 'er is very suitable for the position of Alliance leader. It's just that miss Ling 'er's prestige is too low, and it's hard to convince the public."

"Lord mu di, you flatter me. Of course I can't," Ding Ling 'er hurriedly said.

"Miss Ling 'er, you're too modest. You've played a very important role," said lingmu di with a smile. It's just that in this world where martial arts are respected, no one can see your results."

what do you think, Lord mu di? " Yunxiao asked. if Wei Qing is the leader and a group of elders is set up to restrain him, what do you think? "

"You can't!"

he's such a genius, " lingmu di said seriously. you can either trust him completely and hand over the whole world to him, or you can destroy him. If the world was given to him and obstacles were set up, it would definitely cause dissatisfaction and dissatisfaction in his heart. He might even deliberately cause trouble and go against you. It'll be even more troublesome then."

"Kill Wei Qing, hehe."

Obviously, Yunxiao could not make up his mind, and his hands were sweating.

Alliance master only considered the situation after leaving the heaven martial Alliance, " Ling mudi said. did you consider the situation in the heavenly martial realm, or even the situation between the devil realm? "

what do you mean? ” Yunxiao cupped his fists and said, ” why do you say so? ” Lord mu di, please enlighten me. ”

“You’re the only one who can convince the demon clan, Alliance master,” Ling mudi said. You’re the only one who can convince the demons. Once you leave, there will be a large gap between you and the monster race, demon race, and even the sea Race. Then who can handle matters with the other races?”

Wei Qing has been in The Fiend realm for many years, ” Yunxiao said with a serious face. he has a very good relationship with the fiends. If he were to handle the matters of the two realms, he was the most suitable candidate. As for the demon race, Al Hui had a good relationship with people like Tian zhaozi and Yuan gaohan, so he could deal with the matters of the two races by starting with art. As for the four Seas, they’ve lost almost all of their experts, so they won’t be a threat for the next few thousand years.”

“If that’s the case, we still have to rely on Wei Qing,” laughed lingmu di. After all, the matter of the two realms was a major event. However, Wei Qing’s intentions are indeed not right, it’s very difficult.”

Yunxiao could not help but have a headache. He suddenly thought of Yuan, the female Holy demon who was determined to kill him. She had chosen to join forces with him because they had fought together against the six-winged clan. Now that six-winged was dead, would he still want to kill him?

Of course, he wasn’t afraid of her, but if she went crazy and took revenge on the realm of heavenly martial arts after he left, what would he do?

If he left, the only people who could compete with Yuan would be che you and Jiu Yuan. However, Lord Jiu Yuan’s life and death were unknown at the moment. Even if he survived in the end, with his character, he would most likely not care about Yuan’s matter.

At the thought of this, a murderous gleam flickered in Yunxiao’s eyes. He wondered if he should enter the Devil World directly and kill Yuan to avoid future trouble.

Lingmu di could not help but ask when he saw his eyes flickering.

Yunxiao immediately told her about his worries and thoughts.

Lingmu di was stunned for a moment. He pondered and said, ” “At this time, it’s best if you go to the demon world and untie the knot in Yuan’s heart. If he can’t, then we’ll kill him to avoid future trouble!”

killing Yuan and Wei Qing? ” Yunxiao said with a wry smile. it seems that there are a lot of people to kill.

Lingmu di laughed. haha, you can also choose to trust Wei Qing. With him around, we can at least keep the three clans in check. As for Yuan, he would leave her to che you. This way, he wouldn't have to kill anymore. But can you really trust Wei Qing?”

Yunxiao could not help but feel upset when he recalled the broken pieces of the bottle on Wei Qing's body in the realm pit, as well as the fact that the judge had blocked the attack for him.

“Hahaha!”

Lingmu di suddenly laughed and said, ” “In short, the new generation will replace the old. This isn't something that an old man like me should be thinking about. Li Yunxiao, Ding Ling 'er, I'll leave the future to you.”

Yunxiao's heart trembled as he widened his eyes and looked over.

Ling mudi's body began to glow with a faint light. His life force turned into specks of light and quickly flowed out of his body.

On the opposite side, beiming Nan did the same. The two of them seemed to be through life and death together.

Ding Ling 'er suddenly covered her mouth and couldn't help but cry in a low voice.

During her time in Yanwu, she had been on very good terms with lingmu di, and they had dealt with the world's major Affairs together. Now, she could not help but feel sad.

Beiming Nan also clasped his hands and saluted Yunxiao, ” “I'm lucky to have met you after a hundred thousand years of fate. He's the realm King of this generation, the leader of the heavenly martial Alliance, li Yunxiao.”

Holding back his tears, Yunxiao put his palms together in front of his chest and nodded. It's my great honor to have met you, my Lords!

He and Ding Ling 'er both bowed deeply.

Lingmu di and beiming Nan instantly turned into light and gradually disappeared from the world.

Yunxiao and Ding Ling 'er both stared at him for a long time, unwilling to leave.

Several days later, the two of them left the valley and returned to the main palace of the Holy region.

At that moment, qu Hongyan and Luo yunshang heard that Yunxiao had returned, so they came out to meet him, even though they were in seclusion.

Xiao Hong also came out of the divine realm tablet.

Since Yunxiao had refined the divine realm tablet, he had become one with the tablet, and she could not break out of it with her strength. Fortunately, although Yunxiao had been acting silly, he had not encountered any danger.

After that, water fairy also came over. A few beauties gathered together, each of them charming and charming.

When the girls saw him return safely, they couldn't help but cry with joy.

Yunxiao looked a little ashamed as he explained the matter of ancient God Maha to the others. Apart from Ding Ling 'er, who had known about it for a long time, the faces of the other four women changed slightly, and they were all stunned.

Yunxiao immediately repeated what he had told Ding Ling 'er to the crowd.

The water deity burst into tears and said, then, when will big brother Yunxiao take us to the outer realm and be together forever? ”

Yunxiao was not sure, but he could not bear to see the water fairy cry, so he quickly comforted her, ” “It won't be long. At least ten years, at most a few decades. I'll definitely return.”

The water deity finally stopped crying.

Qu Hongyan smiled and said, ”Feiyang is pursuing a wider world. We should support him.” Everyone, focus on your cultivation. One day, you'll be able to meet Feiyang again.”

Yunxiao gently touched qu Hongyan's nose and said with a smile, ” “It's Hongyan who knows me best. No matter what happens in the outer realm, I promise you that I will come back within 15 years.”

Only then did the girls smile.

Fifteen years passed in the blink of an eye. To them, if they were to go into seclusion, it would be like a dream.

'Besides, I'm going to find a way to resurrect feini earlier,' Yunxiao said. If the inner realm doesn't have it, then there must be one in the outer realm.”

“Don’t worry, big brother Yunxiao,” the water deity said, “she’s doing well in my ru wo Wen. With the nourishment of my Saint artifact, I’ll definitely be able to recover as soon as possible.”

Suddenly, a voice rang out in the hall. The voice laughed, “going to the land of reincarnation to participate in the heavenly Dao fruit meet is a good thing that only happens once in 10000 years. Why do you guys look like you’re going to be separated by life and death?”

Yunxiao frowned and said angrily, “Zhuo qingfan, you were eavesdropping on us!”

Zhuo qingfan’s figure gradually materialized in the air. He chuckled and said, “You’re not angry because I eavesdropped on your conversation. You’re angry because I eavesdropped on your love affair.”

All the girls covered their mouths and laughed.

you’re a Peeping Tom! Yunxiao flew into a rage out of humiliation. in any case, you’re a Peeping Tom!

Zhuo qingfan smiled faintly and said, “I won’t wrangle with you anymore. Let’s get down to business. The universe disk will descend in three years. You should be prepared during this time. Also, the land of reincarnation is a gathering place in the northern universe’s small chaotic Galaxy. Only the Masters of the thousand worlds or those who had comprehended the mysterious space could be safe. It’s not impossible if you want to bring these women along, as long as you have the ability to protect them. Every time the heavenly Dao Dao Dao fruit meet is held, there will be experts who will bring their partners with low cultivation levels to go.”

It was only after Zhuo qingfan finished that Yunxiao was suddenly shocked. you ... You’re not Zhuo qingfan. You’re ancient God Maha?!

‘Zhuo qingfan’ smiled faintly and said, “it seems that shame and anger are the most negative emotions. Did you think that I was peeking at you? under shame and anger, you have even lost the most basic judgment.

Yunxiao’s face was filled with embarrassment, and his eyes flickered with a strange light as he said, “If I cultivate to the master of a thousand worlds, can I bring my partner along?”

“Tsk, tsk, tsk.”

‘Zhuo qingfan’ laughed and replied, “of course not. The Lord of the thousand realms was only able to protect himself. If he wanted to bring a partner, he would need to be even stronger. That’s right, Zhuo qingfan will be going with you this time as well. He’s my

descendant, and I hope that he'll be able to obtain an opportunity at the Dao fruit meet and become a realm King in the future, or even the Lord of a thousand realms.”

Yunxiao was shocked by the news. “A higher level? There was an even stronger existence above the Lord of the thousand realms? Zhuo qingfan is actually your descendant!”

The other women were also shocked.

‘Zhuo qingfan’ chuckled and said, ” “Back then, I comprehended the existence of the mysterious transcendent space. In order to comprehend its profoundness, I created the great void technique. In the end, it became a useless magical ability, but it had an unexpected effect. Although the great void technique can't allow me to escape into the Super mysterious space, it allows me to descend my spiritual sense onto the body of the void. Although it's of little value, it's still somewhat interesting. At least I can use it now.”

Yunxiao was dumbfounded. So, this was the origin of the great void technique, which had always been extremely mysterious.

‘Zhuo qingfan’ said, ” three years later, we will work together to open up the passageway and drop the cosmic disc. We will need the help of this void body. Above the master of the thousand realms, it was to comprehend the arcane void. I'll also tell you a secret. The master of a thousand realms can only wander through the derived universes, and it's boring. It would only be fun if he entered the first generation of the chaotic great cosmos, which was the true Mystic world. The key to entering the primal chaotic great cosmos is the realm heraldry.”

“Argh! So that's the use of the coat of arms!”

It suddenly dawned on Yunxiao. No wonder six-winged was so determined to get the realm emblem.

‘Zhuo qingfan’ sighed and said, ” “Actually, there are many keys to enter the first generation of the chaotic great cosmos. However, our small chaotic Starfield is extremely lacking in resources. Many of the keys to enter the Mystic Super World did not exist, so they could only resort to such a brutal and cruel method to refine a world. The old demon world was refined by a madman. That person was previously pursued by our Joint Forces and has long escaped into the first generation of the chaotic great cosmos.”

Lord mahākā Yua, ” Yunxiao said after a moment of silence, ” I would like to ask you a question, but I'm afraid I'll be too presumptuous.

'Zhuo qingfan' laughed and said, 'haha, it's rare to see you being so cautious. Ask, tell me everything you know. Is it about your wives? I've said it before, as long as you're strong enough, it won't be a problem for you to take them anywhere.'

Qu Hongyan and the others were excited.

Yunxiao nodded and said, " then I'll ask you. Why are you helping me? " I believe that there is no such thing as a free lunch in this world."

The moment he asked this, all the women were stunned, and they all listened quietly.

'Zhuo qingfan' laughed. haha, I was wondering what you wanted to ask. Remember, wherever there are people, there will be martial arts. Be it the land of reincarnation or the first generation of the chaotic great cosmos, there were many factions. And these factions, to a large extent, were based on the local area. I'm ashamed to say this, but because the resources in the small chaotic Starfield are too scarce, we don't rank very high among the many factions in the northern universe. So, we need to keep getting stronger."

Yunxiao immediately understood and said, " "If it's not very close to the front, then what's your ranking?"

'Zhuo qingfan' blinked his eyes and scolded, " "Why are you asking so many questions? In any case, he was not at the bottom! If you ask again, I don't have the time to answer you! I'll let you ask two more questions!"

Yunxiao thought for a moment and said, " then what kind of strength do I need to have to travel the universe with my confidant? I need to be free and enjoy the freedom of heaven and earth.

'Zhuo qingfan' blinked his eyes and said, " actually, with the power of the master of a thousand realms, one has the right to bring his girlfriend to roam the great cosmos of the derivative works. However, it's very dangerous. If you want to be free from the restraints of the universe and no one dares to provoke you, you can only enter the fruit realm that can only be attained by entering the Super mysterious world since ancient times-the eternal Supreme!"

"The Supreme ancient!"

Yunxiao's pupils constricted, and two beams of divine light shot out of his eyes. His eyes were filled with the desire for the Supreme throne.

"Hehe."

'Zhuo qingfan' laughed and said, " it's still too early for you to become an eternal Supreme. You'll have to become the Lord of the thousand worlds first. The corners of his mouth curled up into a sneer.

Yunxiao nodded and said, " I will. Last question, is there any way to save feini?"

'Zhuo qingfan' thought for a moment and said,'her situation is indeed a little troublesome. If they were lucky, they might be able to reincarnate now. If they were unlucky, they might be reincarnated a million years later. Three years later, I will use the universe plate to send a Nirvana elixir over. You can roast it over feini's flame of life and let the flame absorb the Elixir's power. It will help her achieve Nirvana."
