Yunxiao was overjoyed. He did not expect to solve the biggest headache in his heart so quickly. "Thank you, thank you, my Lord!"

'Zhuo qingfan' waved his hand and said, "no need to thank me. If I help you, I'll be helping myself. After all, if there's another master of a thousand worlds, our environment in the northern universe will improve a lot. If there's nothing else, I'll take my leave. If you need anything, you can call me in the floating mysterious space. If I hear you, I'll answer you."

After that, Zhuo qingfan's body trembled slightly as a light flickered on his body. A stunned look appeared on his face as he looked at Yunxiao and the others in a daze and said, "Lord ancestor has left?"

Yunxiao nodded, and he could not help but be in a good mood. He stepped forward and patted Zhuo qingfan on the shoulder as he said, "Brother qingfan, you have really helped me a lot this time. Come, come, let's have some fun as brothers. I heard that you like to drink tea and eat buns? I'll get someone to boil a bucket of tea and steam a few hundred buns."

"Get lost!"

It was rare for Zhuo qingfan to curse. With a flash of his body, he disappeared from where he was.

The girls couldn't help but laugh.

'As soon as I have the strength, I'll immediately take you to the land of reincarnation,' Yunxiao said solemnly. And I must definitely attain that realm!"

A strange look appeared in his eyes. It was as if he could see through layers of space and look at the vast universe. He muttered to himself, "The Supreme ancient!"

A few days later, Yunxiao received a group of demons who came to visit.

They had all come to visit Yunxiao as soon as they heard that he had returned. With Richard and Al in the lead, they exchanged a few words of courtesy and expressed their gratitude to each other.

After that, Yunxiao waved everyone away, leaving only him and Ding Ling 'er, and only Mo and Al.

"What's the matter, Lord Alliance master? why are you so cautious?" Mo Dao asked.

"If I'm going to leave for a long time and retire," Yunxiao suddenly said, "What do the two daren's think about passing the Alliance chief position to Wei Qing?"

Both Yi and Al were shocked, and they understood after a few moments.

The reason why Yunxiao asked them was to ask for their views on Wei Qing and to analyze the possible situation of the two clans in the future.

Hmph! Mo snorted coldly. Wei Qing has evil intentions. If he becomes the alliance leader, I think the heavenly martial Alliance will be doomed.

Yunxiao could not help but frown.

Al, on the other hand, was a meticulous person who was good at reading people's expressions, so he immediately noticed Yunxiao's depression. He could not help but laugh and say, "If Lord Wei Qing is willing to form a good relationship between the two clans, we will naturally be very happy to do so."

"I'm relieved to hear that, Mr. Al," Yunxiao nodded and said.

"Are you crazy?" Mo asked in shock. "Are you really going to pass the position to Wei Qing?"

Al asked, "Why is Lord Alliance master leaving?" "There's no one more suitable for this position than you in the world."

Yunxiao thought for a moment, then told them about the land of reincarnation and the heavenly Dao Dao fruit meet, which stunned Richard and Al for a long time.

Mo man's eyes were filled with envy and jealousy.

"No wonder, no wonder," Al sighed.

"In the future," Yunxiao said, "I'll leave the matters of the two clans to you two, my Lords. If Wei Qing has done anything wrong, please forgive him. However, if he were to commit any atrocious acts or be cruel and merciless, he should be eliminated as soon as possible and should not be shown any mercy! If you can't deal with it, you can go to Che you and tell him about our conversation today."

Yi and Al both sighed endlessly. The few of them had been close friends for more than ten years, and were also somewhat reluctant to part.

“On the day you leave this world, we’ll definitely come back to send you off!”

Yunxiao cupped his fists to send the two off, feeling a little sad.

Al smiled faintly and said, “I was still thinking of competing with Lord Cloudsky again in the future. I’m afraid I won’t have this chance.

Lord Al’s skills are unparalleled,” Yunxiao sighed. “Although you won by luck twice, I really admire you. There’s no need to fight, I admit defeat.”

Al chuckled, full of the innocence of a girl.

Yunxiao could not help but be stunned. He had never seen Al like this before. It was as strange as a fairy.

Al reached out and scratched a few times like a cat’s paw. It blinked its eyes and said, “Goodbye, regional King. He didn’t know if they would meet again. We won’t see each other again, hehe.”

After saying goodbye to Richard, Al turned around and followed Richard closely. A smile appeared on its face, but soon, tears fell down its face.

Yunxiao watched the two of them leave and sighed for a long time.

“Actually, no one can bear to part with big brother Yunxiao,” Ding Ling ‘er said. “However, we all believe that big brother will definitely become an eternal Supreme, and then come back to take us away!” She said with a smile.

Looking at Ding Ling ‘er’s look full of expectation, Yunxiao’s heart was even more determined. He must achieve the Supreme status!

After that, Yunxiao asked Ding Ling ‘er to bring all his disciples over and said, “As your master, I’ve taught you very little, and I feel guilty. In the future, you will have to rely on yourself. If you have any problems in cultivation, you can find Che you and the Lords of Mysterious Separation Island. The only thing I’m happy about is that you’ve been walking on the right path from the beginning to the end. Even if you were possessed by evil spirits and lost your nature, you’ve still returned to your original hearts in the end. I’m proud of you.”

Hua Qianshu, Jun Ruyun, Mo Xiaochuan, Haolian Shaohuang, Yang Di, and Meng Bai all knelt on the ground and cried.

“A teacher for a day is a father for life,” Yang Di cried in a trembling voice. “Thank you, master, for not abandoning me from the beginning to the end.”

“Thank you, master, for not abandoning me!” Everyone cried in unison.

Yunxiao could not help but be moved. Fearing that he would cry, he hurriedly waved his hand and said, "All of you may leave. Those who don't understand, learn from each other. I also hope that you will never leave each other in the future."

The group of disciples knelt on the ground, unwilling to leave.

With a wave of his hand, Yunxiao twisted the space and teleported everyone out.

However, the six disciples all knelt on the ground and cried bitterly. It was only after a few days that they left one by one under Hua qianshu's guidance.

During this time, the news of Yunxiao's return had spread throughout the heavenly martial realm, and all forces had come to pay their respects. He received them one by one and was exhausted.

A few months later, things gradually calmed down, and the old friends from the heavenly martial League were almost all gone. Only then did he set off for the devil World, bringing Xiao Hong with him.

After Liu Chi's death, the entire Devil World was unified, with devil Phoenix as the leader and the only commander.

Yuan, on the other hand, had been severely injured after the battle in Yanwu, and had been hiding in the desolate ancient fearsome region to recuperate.

Moreover, with her friendship with the church, she had clearly expressed her support for the unification of the demon world, so she had cleared almost all of the potential enemies.

When they were dealing with the six-winged clan together, several super teleportation formations were built to strengthen communication between the two worlds.

Hence, he did not spend too much time on this trip to the shooting star City.

When the referee heard that the two of them had arrived, he immediately put down all his work and came out to welcome them. Yi also followed closely behind, his face filled with joy.

"Congratulations on unifying the devil World, master Xi."

"It's all thanks to Lord li."

"Hehe, have you eaten?"

"I've eaten. Have you eaten, my Lord?"

“I’ve eaten.”

Little red,”Yingluo.”

After exchanging a few polite words with a fake smile, Yunxiao went straight to the point and asked, ” “Where’s lady Yuan?”

Yi’s heart trembled, but he chuckled and said,”after the battle five years ago, lady Yuan’s injuries were extremely severe. She immediately went into seclusion after returning to the devil realm.” It hasn’t been released yet.”

to tell you the truth, ” Yunxiao said, ” I have something to talk to lady Yuan about.

what’s the matter, my Lord? can you tell me directly? it won’t be too late for me to tell you when lady Yuan comes out of seclusion in the future, ” she said, stunned.

“It’s too late,”

I’ve come to the devil realm, ” Yunxiao said. I must see her.

“You’re making things too difficult for me, my Lord. I don’t know where lady Yuan is going to go into seclusion,” said Yi with a bitter expression.

Yunxiao clasped his hands behind his back and said indifferently, ” “In the realm of heavenly martial arts, there’s a secret technique that can directly search a person’s soul, but I feel that doing so will destroy the relationship between our two realms. So I still want to try to ask again, where is lady Yuan?”

The judge’s face turned pale, and he immediately became vigilant. He took a few steps back and stared at Yunxiao with a livid face.

The referee’s face was also flustered as he hurriedly said, ” “Lord li, please don’t do anything. Let’s talk this out.”

I’m talking to you, ” Yunxiao said. I’m talking to you. But master Hu doesn’t seem to want to talk to me. It’s not that I can’t talk about my visit to Yuan, it’s directly related to the future of the two worlds.”

Yunxiao briefly told her about how he had killed Zhuo kun, and how Yuan had sworn to kill him in anger.

“I’ve also heard of this matter,” the referee said. However, my Lord doesn’t need to worry too much. After all, with my Lord’s current strength, even lady Yuan is not your match.”

it's an enemy, not an enemy, " Yunxiao said. you don't have to analyze it, Lord Hu. Just take me to Yuan. As long as we get along, I won't touch her. However, if master Hu is unwilling, this Lord can only be polite before resorting to force."

Xiao Hong said,'big brother Yunxiao came to the devil realm to solve this problem. If we can't find Yuan, we won't go back. If master Hu wants to see big brother Yunxiao's determination, it will hurt your feelings."

The judge's face flickered. When he saw Yunxiao's determined look, he knew that he could not be stubborn, so he said through gritted teeth, " "Good! But you must promise me that you will never hurt Yuan!"

I can't do that, " Yunxiao said indifferently. I can only promise you that I'll try not to hurt her. Also, if I really agree to your request, and she gives me an answer that I'm not satisfied with, then the next step will be for the weapons of the two worlds to meet."

Yunxiao had to deal with Yuan, the potential disaster.

If Yuan could not let go of the knot in her heart or give him an effective guarantee, then he could only get rid of her.

li Yunxiao! the referee shouted angrily. li Yunxiao! We have just joined hands to fight the enemy and exchanged for a hard-won peace, and you want to destroy it?"

don't be angry, Lord Yi, " Yunxiao said calmly. The purpose of my trip is to exchange for tens of thousands of years of peace between the two worlds. Otherwise, do you think I'm here for a walk in the demon world?"
