Chapter 183: Irresistible Charm

Marshall Corporation.

After knocking on the door, Adam Howard hastily walked into the CEO's office.

"Latest news, your sister-in-law has gone to the Bennett Group, to see Jordan Bennett."

Dark, mysterious eyes glared out from beneath Daniel Marshall's wild and alluring gaze.

He stared at Adam Howard, his voice calm and indifferent.

"If she wants to see him, let her, there's no need to stop her." Adam Howard frowned.

He couldn't understand Daniel Marshall's point of view.

Taking a deep breath, Adam Howard tentatively asked, "Are you and your wife about to split up?"

Daniel Marshall shot a frosty stare at Adam Howard, "If you can't say a word properly, then don't say anything at all."

"Your sister-in-law is going to see Jordan Bennett, definitely to talk about financing. Are you not concerned?"

"Just because they're talking doesn't mean it'll materialize." "The Bennett Group is wealthy, they can instantly inject 20 billion."

"So what?"

Daniel Marshall's gaze was icy and intimidating. Within seconds, Adam Howard dared not ask any more, "So... should we continue to keep an eye on your sister-in-law?"

Daniel Marshall cracked a thin smile, his voice sparse and indifferent, "What do you think?"

Pursing his lips, Adam Howard solemnly said, "We must protect your sister-in-law. I have nothing more to say, I will go right away."

Suddenly, Daniel Marshall spoke with a cold voice, "What's been happening with the Yonder Group recently?"

Smirking, Adam Howard sat down in the chair opposite Daniel Marshall, "To sum it up in four words, nothing like before!"

Daniel Marshall's face turned terribly grim, "So that means it's still alive, still has a chance... within this year, Yonder Group should be prepared to declare bankruptcy and liquidate, without leaving any room for struggle."

"We're already preparing for that. Even if the chairman himself steps in, there's no chance of turning things around. We're beating it to death. Recently, Bella Thompson has personally approached us for cooperation, but we've completely ignored her."

"We cannot be lax for even a moment, nor can we give Yonder Group a chance to catch its breath."

Adam Howard nodded, "I understand, I will be cautious. The old man has no intention of helping Yonder Group either, it seems Bella Thompson doesn't dare to ask for the old man's help either."

Daniel Marshall's eyes were sharp as if he saw through everything.

It wasn't that Bella Thompson didn't dare to ask grandfather for help, she just didn't have any bargaining chips.

If he and Olivia Jenkins do end up divorcing because of Bella Thompson's efforts, then the situation would change.

If Matthew Marshall could handle the Jenkins Group, then Yonder Group would have a chance to survive.

Grandfather never made a losing deal. His inaction doesn't mean he isn't watching, he's just waiting for the result he wants.

Grandfather is truly cunning and calculating.

"What has Benjamin Johnson been up to?" Daniel Marshall picked up a box of cigarettes, casually put one in his mouth, lit it up, and started smoking.

"He returned to Black Feather Lust."

Daniel Marshall spat out coldly, "This jerk is truly shameless!"

"He also went to dinner with Jay Bennett, Jay Bennett doesn't know a thing about his true nature."

"For the sake of Charmy Bennett, he holds himself back a little around Jay

Bennett. But, he even uses Jay Bennett, he's just not fit to be human!"

Adam Howard chimed in, "Indeed, Benjamin Johnson is very annoying. I can't stand him, I really want to punch him."

Daniel Marshall shot a glance at Adam Howard, "That's enough, now get out."

"And you and your sister-in-law..."

Daniel Marshall's gaze was dark and gloomy, Adam Howard immediately shut up, and hurriedly left the CEO's office.

Daniel Marshall squinted his hawk-like eyes, sensually puffing out thin smoke rings from his lips.

Instantly, the image of Olivia Jenkins dancing tango emerged in his mind again.

The unique fragrance of Olivia Jenkins seemed to intertwined continuously around his heart.

A serious woman, seemingly surrounded by an angelic aura.

Whether it was blinking, a shallow smile, a nod, or even a breath, her invincible charm was always perceptible.

Jordan Bennett couldn't take his eyes off Olivia Jenkins as she was explaining

something..
