Chapter 186: Strive for Your Career

When going to the appointment, Olivia Jenkins had already anticipated that Mr. Shaw would bring up this matter.

Even if there were many surges in her heart, Olivia Jenkins was as calm as ever at this moment, with an unconcerned yet friendly smile on her face.

“I admit that before I took over the Jenkins Group, the management of COOKIE was somewhat chaotic. Now, we have realized the seriousness of the matter and will definitely carry out strict audits in the future. Mr. Shaw, this is one of the issues I wanted to discuss with you today.”

“It was your short video platform that infringed on copyright first, what else is there to talk about? Olivia, you are new to the business world. Although you have certain abilities, you still don’t understand the human affairs within it.”

Olivia’s beautiful face radiated confidence and pride, with a sharp light in her almond eyes, “Mr. Shaw, let’s talk about the distribution rights of Cool Company. If Cool Company is willing to cooperate with the Jenkins Group, there will be no copyright infringement.”

Mr. Shaw smiled cunningly but said nothing, swung his club, and hit a beautiful shot.

Olivia clapped her hands and laughed, “A birdie, that’s great! I really admire you, Mr. Shaw and I truly want to negotiate with you sincerely. If Cool

Company cooperates with the Jenkins Group, it will be a win-win situation.

Whether it’s Quiet Video or the short videos on the COOKIE platform, they will increase the viewing count of Cool Company’s films and serve as a promotional marketing tool, undoubtedly making Cool Company’s film library more flexible.”

“The key is, Cool Company will receive a sum of money to invest in exploring new film copyrights, which is icing on the cake for Cool Company.”

Mr. Shaw remained silent, but his smile grew deeper.

This young lady was beginning to impress him. He had not expected Andrew Jenkins’ daughter to be so gutsy.

Olivia felt somewhat more confident, and continued, “The Jenkins Group not only has long videos, but also short videos, which is a strength within the industry. Along with our robust growth scale, our user growth momentum ranks at the forefront in the industry. Such cooperation is worth your consideration, Mr. Shaw.”

Mr. Shaw got in the car and Olivia sat next to him, ready to move on to the next venue.

After hesitation, Mr. Shaw tentatively asked, “Can the Jenkins Group provide a large amount of capital? No matter how good the cooperation opportunity is, if there is no capital, no matter how beautiful the talk is, it’s useless!”

Olivia’s eyes were clear and bright, “If I dared to discuss business with you, Mr. Shaw, I would definitely have a way to raise funds. You don’t have to worry about the funding issue.”

Mr. Shaw squinted at Olivia, “Rumor has it that the Jenkins Group has encountered difficulties in cash flow and deliberately concealed it from partners. This is a very unethical practice, Olivia. Be careful! Young people may be courageous, but they can rarely face their failures.”

Olivia chuckled lightly, her expression barely changing, keeping her cards close to her chest.

“Mr. Shaw, you said it yourself, it’s a rumor, not confirmed. Regarding the funding issue, I can divulge a little to Mr. Shaw; it definitely won’t be a case of getting something for nothing. You can comfortably consider partnering with the Jenkins Group.”

Mr. Shaw said solemnly, “1.5 Billion!”

Olivia pursed her lips and slightly nodded, her eyes shining brightly, "This price is higher than I expected, Mr. Shaw. I really mean to cooperate with CoolCompany, give me a fair price."

"This is a fair price, or maybe, the Jenkins Group really has no money left? I also received the news that no bank is willing to lend to the Jenkins Group. The credit and repayment ability of the Jenkins Group have been downgraded by banks."

Olivia squinted slightly, her smile deep, "Mr. Shaw, you must have also heard that Light Media and Zenith Capital are both interested in the Jenkins Group and willing to invest two billion. Additionally, the Bennett Group is also in contact.. "
