Chapter 218: Bankruptcy

Not only was Bella Thompson's face stinging with pain, but there was also blood dripping from the corner of her mouth.

She had been hit so hard that she had fallen to the ground.

Blinking through blurry eyes, Bella Thompson's mind was in a fog and she looked at Mr. Alexander Marshall in disbelief.

Mr. Alexander Marshall was so angry that his body was slightly trembling, his face was ominous and terrifying.

His hawk-like eyes were filled with keen flame, potent and destructive.

Striking Bella Thompson was not enough to vent his wrath, Mr. Alexander Marshall contemptuously kicked her again.

Detesting her like she was a dog in the Marshall Family.

"I told you to discipline that bitch, not to lay your hands on Daniel. Apart from me, nobody has the right to discipline Daniel. Even if he made a mistake, he's still my grandson. How dare you lay a hand on him!"

Sitting on the ground, Bella Thompson's eyes were filled with crystal-clear tears, her gaze full of fear and panic.

"Dad, I didn't punish Daniel, I never thought of hurting Daniel."

Hearing Bella Thompson's excuses, Mr. Alexander Marshall found her even more revolting and in his emotional state, he pointed at her and berated fiercely.

“If you didn’t harm Daniel, how did he end up in the hospital? Who else could have done this? I only told you that Daniel and Olivia Jenkins had gone out to sea without a bodyguard, the people from Daily Finance Debt Company didn’t find them because of you, or had they heard it through the grapevine?”

“If you didn’t harm Daniel, why didn’t the people from Daily Finance Debt Company know about Daniel? Why would they harm Daniel? It’s because you didn’t alert them. You used my name to commit evil, you wanted to get rid of Daniel!”

Bella Thompson dared not make excuses anymore, she lowered her head and wept.

With all her resentment, she carefully hid it in front of Mr. Alexander Marshall.

Mr. Alexander Marshall picked up the teacup from the coffee table and threw it directly at Bella Thompson.

It hurt, even though her arm was scratched and bleeding, Bella Thompson didn’t dare to make a sound.

She was so scared that her whole body couldn’t stop trembling.

The flames of anger in Mr. Alexander Marshall’s eyes were fierce and they furiously burned towards Bella Thompson. He no longer concealed his contempt for her, his gaze stabbing straight into her like a blade.

“Bella Thompson, just because I turn a blind eye to your manipulations, doesn’t mean you can control the Marshall Family. Just because you are skilled, doesn’t mean you can use your tricks at my grandson. Don’t forget how you crawled into this position, don’t think you can cover up the sky with your hand. If I want to drive you out of the Marshall Family, it would be as easy as snapping my fingers.”

“In my eyes, you are even worse than Olivia Jenkins. That dead girl can rile people up, but at least she’s clever. She’s irritating, but doesn’t hurt others.

You’re different, truly as venomous as a snake or a scorpion, not even sparing Daniel.”

“If anything happens to my grandson. I definitely will not let you go.”

“You desire the Marshall Corporation, you should give up this idea, I won’t pass it to Matthew Marshall. Your son, the Marshall Family can afford to raise him, even sponsor him in starting a business, but the heart of the Marshall Corporation is off-limits.”

“You are not just an ordinary greedy woman, don’t think I’m unaware of your ambitions, the Yonder Group is only suitable for bankruptcy.”

“Don’t think that if you can coax Michael Marshall, he would hand over the

Marshall Corporation to Matthew Marshall, he’s in agreement with me.”

With a look of extreme disgust, Alexander Marshall, along with several bodyguards, left Beverly Hills and went to visit Daniel in the hospital.

The gift Daniel sent him, Alexander handed it over to an assistant to deal with.

Those people could only leave Serene City, they must never appear again. This incident must never be mentioned by outsiders again. A family dispute in the Marshall Family would cause unacceptable embarrassment..
