Chapter 231: Breaking Up the Group

Jordan Bennett tentatively asked, "I heard Daniel was injured, aren't you with him in the hospital?"

Olivia Jenkins's face didn't show any unusual expressions, she continued eating as if nothing happened.

Still making her emotions unreadable.

"Yes, he is injured, but it doesn't stop me from eating! He's not a child, he doesn't need around-the-clock care."

"Did you two have a fight?" Jordan Bennett was about to light a cigarette.

realizing this is a non-smoking area, he puts the cigarette back, enduring, his soft gaze still on Olivia Jenkins.

Olivia Jenkins smiled faintly, and joked, "I won't quarrel with him casually. On the other hand, he loves to show off and attract attention. He doesn't feel right if he doesn't love himself for a day."

Jordan Bennett also chuckled at Olivia Jenkins' straightforwardness.

He prepared some sauce and brushed two slices of beef to eat.

Olivia Jenkins paused and watched Jordan Bennett with fascination, "Just now, I met with Mr. Shaw from Cool Company. He didn't dare to finalize a deal of 1.5 billion with me to sign the rights of the film and television library. He said I should talk to his boss, who is in the hospital."

Jordan Bennett pursed his lips slightly, his deep eyes slightly narrowed, "So you already know. Sorry, I didn't mean to hide it from you. Maybe he really is doing what's best for you. There's no harm in your cooperation with him."

“Did I put you in an awkward position?”

Jordan Bennett shook his head, “Some plans, tactics, he is better than me. He is more visionary than me.”

“Does the Jenkins Group still have a chance to work with the Bennett Group?” Olivia Jenkins asked seriously, and Jordan Bennett also didn’t want to hurt her.

Jordan Bennett was also somewhat hesitant.

“If you can sign the distribution rights of Cool Company, Bennett Group will cooperate with Jenkins Group. You’ll have to find him. If you don’t cooperate with him, will he give you the distribution rights of Cool Company?”

Olivia Jenkins pursed her lips, and closed her eyes.

She sighed slightly, then she took the canned cola and drank a few sips.

Olivia Jenkins didn’t care about her image, she just belched in front of Jordan

Bennett.

In an instant, Jordan Bennett smiled faintly. He quite liked Olivia Jenkins’ casualness.

“President Bennett, let’s eat, our last breakup dinner.” “Have you decided to cooperate with Daniel?”

“I haven’t decided yet, I’ll see tomorrow. But I can understand your predicament. If you insist on cooperating with Jenkins Group, Marshall Corporation won’t give up easily, maybe they’ll even implicate you.”

A trace of indifferent smile crossed Jordan Bennett's face, "Did Benjamin tell you? He wants to cooperate with you!"

Olivia Jenkins was eating beef, she just nodded gently.

Looking at Olivia Jenkins, Jordan Bennett's deep eyes were full of sharpness, his expression was also somewhat serious. "To be honest with you, it's not that I don't want to help you. But in all aspects, Daniel's investment of two billion is the best outcome. Mr. Alexander Marshall wants the Jenkins Group, but he can't completely have it because the Jenkins Group is in Daniel's hands. As long as you don't divorce, Jenkins Group is yours. No matter what method Benjamin

Davis uses, he can't snatch it away, and Matthew Marshall also loses." Olivia Jenkins understood what Jordan Bennett said, but she didn't want to be tied to Daniel for the rest of her life.

That's why she has been hesitating and looking for other solutions.

Obviously, Daniel pushed her to this point, he wanted to keep her for life, he wanted her to compromise.

"The Marshall family never accepted me and forced me to divorce," Olivia sneered.

The color of Jordan Bennett's eyes slightly changed, "Knowing Daniel, he won't divorce. Actually, you don't have to worry so much, with Daniel, you can completely ignore other things. You married Daniel, not the Marshall family.

You don't need to care about the Marshall family's feelings.."
