

## Every Night 24

### Chapter 24: Catch Her and Slap Her Twice

Zhang Baochan's face darkened, and two flames of anger danced in her eyes. "You audacious, stupid woman. I won't allow you to be impudent!"

Jin Xue sneered as disgust flashed across her eyes. "I don't understand. Mother-in-law, you can't wait for me to give birth to a grandson, so why are you harming me behind my back?"

"Nonsense!"

Jin Xue stood up and approached her mother-in-law, staring at her with a sharp gaze.

"Didn't you hire a private detective to take the photo? Didn't Aunt Zhen tell you the day before you saw me that I was going to work the night shift? Apart from Jiang Yu and Aunt Zhen, you are very suspicious."

In the end, Zhang Baochan was someone who had been through a lot. Even though her heart was in turmoil, she was still calm and composed at this moment. Her cold face was tense as she stared at Jin Xue as if nothing had happened.

"No matter how you slander me, you still have to drink Chinese medicine on time. The old man asked me to watch you drink Chinese medicine, so I should take care of you. You can't quibble, and you have no choice but to drink it."

The coldness in Jin Xue's eyes seemed to be able to kill.

With a bang, she smashed the fruit basket on the ground.

Her expression seemed to carry a hint of mockery as she glared at Zhang Baochan provocatively.

“You’re using the old man’s authority to force me to drink Chinese medicine. Could it be that you tampered with the Chinese medicine? Last night, when I caught the private detective who secretly took photos, I was at the scene. He confessed. ”

This wretched girl was really annoying!

If only she was mute!

Zhang Baochan was still able to keep her composure as she stared expressionlessly at Jin Xue.

However, her heart was already in turmoil. She wished she could kill this wretched girl.

“Catch her and ask her to drink the Chinese medicine. Slap her twice for disrespecting her elders.”

Just as the bodyguards were about to step forward, Jin Xue held a fruit knife in one hand and an ashtray in the other.

The bodyguard took a step forward and Jin Xue brandished the fruit knife.

Jin Xue glared at them viciously.

“If you dare to touch me, I won’t be kind. This is my house, and I’m in charge.

It’s not your place to behave atrociously in my house. Get out.”

Zhang Baochan was stunned. She was so angry that she was at a loss for words.

She had never seen such an impudent brat!

This wretched girl really did not take her seriously. She had underestimated her!

Because of her anger, Jin Xue's voice became sharp. "If I lose even a strand of hair, Jiang Yu will definitely not let you off. If you don't believe me, you can try!"

Zhang Baochan didn't say anything. Jin Xue was holding a fruit knife. If she hurt herself, the bodyguards wouldn't be able to bear the responsibility. Therefore, the bodyguards didn't dare to push too hard and didn't dare to go forward.

Jin Xue glared at Zhang Baochan with anger in her eyes. "It's better to leave such a good tonic for yourself to nourish your body and your brain. If you don't want others to know, don't do it."

"Even if Grandpa comes, I won't drink Chinese medicine. I won't have children either. No one can force me."

"Auntie Zhen, see him out!"

Aunt Zhen responded. Even though the bodyguards stopped her, she still listened to Young Madam and invited Madam and the bodyguards out.

How did a servant dare escort her out? Zhang Baochan could not hold back her anger anymore. She glared fiercely at Aunt Zhen. "I'll fire you immediately!"

"This is Pearl Lake Villa, not your Beverly Hills. It's not your place to make a scene in my territory. Get lost!" Jin Xue threw the ashtray in her hand at Zhang Baochan.

The bodyguard blocked it. Otherwise, the ashtray would have hit Zhang

Baochan's face.

In an instant, the anger on Zhang Baochan's face was obvious. She could no longer hold it in. She had to teach this wretched girl a lesson today.

Zhang Baochan stood up and was about to hit Jin Xue.

Unexpectedly, an incomparably sinister voice shot over. "Get out, all of you.

Immediately!"

In an instant, everyone looked at Jiang Yu..
