Chapter 25: Overbearingly Hugging Jin Xue

Zhang Baochan's expression was extremely sinister as she glared at Jiang Yu fiercely.

"This woman wants you to have no descendants. She's so rebellious, yet you

Jiang Yu ignored Zhang Baochan.

His voice was cold and irrefutable, without the slightest hint of comfort.

"If you weren't being overbearing, she wouldn't have said anything treasonous. Please take care of your people and get out of my house immediately. It's not your place to be arrogant."

"Jiang Yu, do you have to be so ruthless? No matter what, I'm still your elder. I have the right to teach a woman who doesn't know how to appreciate favors a lesson."

"Please understand that there's no one here that you can teach a lesson to. If you think anyone can give birth to a son by drinking Chinese medicine, then why don't you drink it like water every day? This way, you can give birth to a few more sons. However, you aren't doing this."

Jiang Yu's handsome face was expressionless, as if it was covered in a layer of frost, making it impossible to guess what he was thinking.

In a direct confrontation with Jiang Yu, Zhang Baochan was at a disadvantage.

Provoking Jiang Yu would not end well.

She knew that Jiang Yu had already declared war on her.

“You should explain it to the old man yourself. The Jiang family can’t tolerate this woman. It’s up to you.”

Before Jiang Yu could say anything, Jin Xue retorted, “If we can get a divorce, you’ll be the first person I want to thank! Please ask the old master to kick me out of the Jiang family. I promise I’ll never set foot in the Jiang residence again.”

Jiang Yu domineeringly wrapped his arms around Jin Xue’s waist and pulled her into his arms.

He glared at Jin Xue warningly.

“I don’t need the Jiang family’s approval. This woman will stay in the Pearl Lake Villa forever. It’s useless for you to use grandfather to pressure me. It’s useless even if you use chicken feathers as a command arrow. I will bankrupt the Yishan Corporation. Today is just the beginning.”

Suddenly, Jiang Yu glared at Zhang Baochan with a dark glint in his eyes.

Zhang Baochan glared fiercely at Jiang Yu before she left with her bodyguards with a dark expression.

“Aunt Zhen, give her back what’s on the coffee table.”

Aunt Zhen did as Jiang Yu instructed.

Zhang Baochan was so angry that her eyes were about to pop out of their sockets. Her expression became extremely dark.

“From today onwards, don’t come to my house. You are not welcome here. You’d better stay in Beverly Hills. Otherwise, it won’t be as simple as chasing you out. I’ll get someone to carry you out and throw you back to the old man.” Jiang Yu spoke very slowly and coldly, full of intimidation.

Zhang Baochan’s expression was abnormally sinister. She left in exasperation.

After those useless people retreated, Jiang Yu immediately let go of Jin Xue.

Jin Xue widened her eyes in shock and sized Jiang Yu up.

Weren't they mother and son?

Such a conversation shocked Jin Xue!

On second thought, she had never heard Jiang Yu call her mother-in-law 'Mom'.

Could it be that there was a grudge between this mother and son?

Otherwise, how could their relationship be so tense? Otherwise, why would they be so opposing?

Jin Xue watched as Jiang Yu went upstairs without saying a word.

Unknowingly, the image of the sweet and gentle woman with long straight hair appeared in Jin Xue's mind again.

Could it be that her mother-in-law did not allow them to be together, so they became enemies?

Yishan Corporation and Xiao Corporation were actually very close. They were in-laws!

Putting down the fruit knife, Jin Xue looked at Aunt Zhen. "Aunt Zhen, how long have you worked here?"

"Three years."

Jin Xue's almond-shaped eyes glinted sharply. "In the past, did mother-in-law come to the Pearl Lake Villa often?"

“She’s never been here! Madam, Beverly Hills asked me to report the situation with your medicine. I’m sorry!”

It was also Mr. Jiang who asked her to say it. Aunt Zhen didn’t dare to refute..
