

Every Night 34

Chapter 34: You Can Sleep in the Master Bedroom

Jiang Yu had been so gentle to that sweet-looking woman with long straight hair. Now, he was kissing her as if nothing had happened. He was too despicable!

Jin Xue also found Jiang Yu's kiss disgusting.

She despised him for being dirty. Her stomach churned.

Disgust flickered in Jin Xue's almond-shaped eyes. She placed her hands on Jiang Yu's chest and pushed him away.

Jiang Yu hugged Jin Xue tightly, with no intention of letting go of her.

He deepened the kiss.

Unable to push Jiang Yu away or break free from him, Jin Xue was furious and pinched Jiang Yu's waist with all her might.

She even kicked him.

Jin Xue's struggle and roughness didn't stop Jiang Yu.

Just as she felt that she was about to suffocate, Jiang Yu moved his sexy lips away.

Jin Xue took a deep breath, her face red with anger.

Unexpectedly, Jiang Yu's warm breath blew into her ear. "Mrs. Jiang, what do you think of me? Do you still want to continue?"

The anger in Jin Xue's eyes was about to erupt. She wanted to burn Jiang Yu. Gritting her teeth, she shouted, "Get lost!"

A hint of a smile appeared in Jiang Yu's dark eyes, and his sexy thin lips curled up slightly.

His voice was low and magnetic. "Mrs. Jiang, are you satisfied with me? Do you still want to get a divorce? This is my room. If you want to sleep here, I definitely have no objections."

Jin Xue lowered her almond-shaped eyes slightly and glanced at the bedroom from the corner of her eye.

It was indeed Jiang Yu's room.

Jin Xue bit her lip gently, her almond-shaped eyes flashing sharply.

A few seconds later, Jin Xue said coldly, "We have to be reasonable about our marriage, but not now. Who cares about your room?"

Rolling her eyes at Jiang Yu, Jin Xue walked out of the master bedroom.

Jiang Yu looked at Jin Xue with interest, and a rare smile appeared on his face. "Mrs. Jiang, if you miss me, you can come to me anytime. If you have something against me, as long as you say it, I'll definitely be humble and satisfy you."

As if she could not hear him, Jin Xue did not even turn around.

She wouldn't look for Jiang Yu. She didn't want to see him at all.

When she saw him, all she wanted to do was tear him apart.

Upon returning to the guest room, Jin Xue brushed her teeth immediately, wanting to wash away all of Jiang Yu's scent.

She also cursed him in her heart.

At seven in the morning, Jin Xue left the house without having breakfast.

She had deliberately avoided Jiang Yu. She wouldn't get involved with him.

She was prepared to get a divorce at any time.

After checking the ward, Jin Xue heard from her colleagues that the patient in bed 38 was going to be transferred to another hospital. The transfer procedures would be completed soon.

The fact that the patient and his family members could not wait to leave

Renxin Hospital further confirmed Jin Xue's guess that someone had instigated

The person who was willing to spend money to hire someone to frame her must be her mother-in-law.

Even if her mother-in-law didn't like her, she was already the legitimate daughter-in-law of the Jiang family. Everyone was in the same boat. Her mother-in-law had harmed her so brazenly without caring about Jiang Yu's situation, which proved that they should have a conflict of interest.

Jin Xue had searched online for news about the Jiang family. Her father-in-law and mother-in-law were a model couple. They might have deliberately hidden some information.

From the past news, the media had tacitly agreed that her mother-in-law had two sons, but her mother-in-law had never admitted that she had two sons. Her mother-in-law had never talked about Jiang Yu in front of the media. Even when the media asked, she avoided answering.

Her mother-in-law only mentioned Jiang Yun every time she was interviewed by the media.

Therefore, Jin Xue was very sure that her mother-in-law and Jiang Yu were not biological mother and son.

Thinking of the latest news about the Jiang Corporation, Jin Xue understood that she had been involved in the dispute over the inheritance of the Jiang family.

Her mother-in-law had dealt with her because of Jiang Yu. Jin Xue had yet to write her diary. She was deep in thought.

Suddenly, her phone rang.

It was a call from Old Master Jiang. Jin Xue listened to it.

“Jin Xue, come to Jufu Restaurant at noon. I have something urgent to discuss with you..”
