Chapter 36: Girl, Are You Sad?

Raising her brows slightly, Jin Xue looked at Jiang Cong.

“How would I dare to threaten you? It’s not like I don’t want to live anymore. I’m not wrong. Jiang Yu is the biggest variable. Perhaps, Grandpa, you have a way to make him listen to you?”

Jiang Cong snorted coldly and glanced at Jin Xue with a deep gaze. “You’re quite bold. How dare you test me!”

“You’ve already convicted me. No matter what I say, you think I’m wrong. So, I’ll stop talking. I’ll eat.”

“Put away your thoughts in front of me. Don’t think that I don’t know what you’re planning.”

“Since you don’t want to eat, I’ll talk to you a little more. What kind of woman do you want to give birth to Jiang Yu’s child? As his wife, I have the right to know, right?”

“She must be a better woman than you.”

A sharp glint flickered in Jin Xue’s eyes. “Do you have someone you like? Or does Jiang Yu have another woman?”

Jiang Cong glanced at Jin Xue and picked up some fish to eat. After taking two sips of the soup, his sharp gaze returned to Jin Xue. “You can’t even keep your man on a leash?”

Without hesitation, Jin Xue said, “I definitely believe Jiang Yu.”

“The woman who gives birth to my great-grandson must not only have a good character, a high educational background, and a clean family background. It’s best if she’s from a scholarly family.”

Jin Xue sighed and frowned. "Grandpa, I don't think you have good taste. Why don't you care about these things when you choose your granddaughter-in-law? Does father-in-law love mother-in-law very much?"

Mother-in-law isn't from a scholarly family!"

Jiang Cong glared at Jin Xue. "Are you still testing me? Are you tired of living?"

Jin Xue shook her head. "Grandpa, why don't Jiang Yu and I choose that woman?"

"You don't have to choose. I already have someone in mind."

Jin Xue widened her eyes and asked, "Who is it? Do I know her?"

"She's very close to Jiang Yu. She's capable, educated, and comes from a good family. Most importantly, she loves Jiang Yu wholeheartedly, unlike you, who talks back to your elders."

Jin Xue bit her lip and lowered her almond-shaped eyes slightly.

Could the woman that Jiang Cong was talking about be the sweet and gentle woman with long straight hair?

However, Jin Xue had her doubts.

Since he was so satisfied with that woman, why didn't he let Jiang Yu marry her?

Jin Xue remained silent and picked up a piece of beef to eat.

"Girl, are you sad? Will you still be so aloof?"

“Grandpa, how can you tell that I’m sad? I’m just speechless! Find whoever you want to give birth to Jiang Yu’s child. It’s none of my business anyway.” Jiang Cong glared at Jin Xue sternly. “You said it. Don’t cry without tears when the time comes.”

“Did Jiang Yu agree to let another woman have his child?”

“He has no objections.”

Jin Xue’s pupils constricted and she frowned.

Jiang Yu had told her that even if she had a chance to get pregnant, he would make her abort the baby.

It turned out that it wasn’t that he didn’t want a child. He just didn’t want her child.

Suddenly, Jin Xue sneered.

Such a family and such a person were really not worthy of her wasting any effort.

She had better think of a way to get a divorce-

Jin Xue was silent for a long time. Jiang Cong did not say anything either.

This girl deserved to be taught a lesson!

She didn’t know the immensity of heaven and earth. It wasn’t like the Jiang family couldn’t do without her!

Zhang Baochan and Xiang Fu were having dinner in the Golden Supreme Room of the Eight Treasures Pavilion.

Zhang Baochan's sly eyes sized up Xiang Fu many times.

"Director Xiang, consider my words carefully. If you give birth to a son for Jiang Yu, the Jiang family will definitely not mistreat you."

Although Xiang Fu was already secretly laughing in her heart at Zhang Baochan's sudden olive branch, she did not reveal her true emotions on the surface.

"If I give birth to a son for Jiang Yu, what will happen to Jin Xue? Will she still be Mrs.. Jiang?"
