

Every Night 39

Chapter 39: Where Did Madam Go?

“Jin Xue, Jiang Yu will never fall in love with you.”

Jin Xue’s tone was very calm, but there was a hint of mockery on her face.

“From Jiang Yu’s performance last night, he won’t fall in love with you.”

Xiang Fu said coldly, “We’ll see who has the last laugh.”

The elevator arrived and Jin Xue walked in.

Facing Xiang Fu, who was still standing at the elevator, Jin Xue smiled disdainfully.

As soon as the elevator door closed, Xiang Fu’s eyes were filled with uncontrollable hatred.

Her eyes reddened as well.

No matter what, she would fight until the end. There was only one ending. Jin Xue must get out of the Jiang family.

Another elevator arrived and Xiang Fu stepped in.

She had already made an appointment with the obstetrics director. From today onwards, she wanted to nourish her body to the best state for pregnancy.

She was always ready to get pregnant.

Although she did not explicitly promise Zhang Baochan, she would follow her own plan and fight for the happiness she wanted.

If the Jiang family used her, she would also use them.

Jin Yue came to the apartment.

She glared at Gu Zhou angrily.

“If anyone comes to throw you out or make things difficult for you, just tell them you’re my grandmother’s personal doctor. She put you up here.” Jin Yue threw down a stack of documents.

“This is my grandmother’s case. Take a good look at her health condition and be prepared to go out at any time.”

Gu Zhou glanced at Jin Yue and picked up the medical records to flip through.

“Jin Yue, this won’t stump me. Let me be your grandmother’s personal doctor.

This method is feasible. You’re really smart!”

With anger in her eyes, Jin Yue glared at Gu Zhou and warned, “Don’t go out so often. Don’t cause trouble for me.”

Suddenly, Gu Zhou hugged Jin Yue. “I missed you so much! Jin Yue, even when you’re angry, you look prettier than Jin Xue.”

Jin Yue struggled and roared, “Let go of me and get lost. Gu Zhou, if you dare to touch me again, I’ll kill you now.”

Gu Zhou's voice was hoarse, and he was still hugging Jin Yue tightly. "Stop pretending. You said the same thing last time, but you screamed more unrestrainedly than a duck."

Jin Yue wanted to hit Gu Zhou, but she was firmly suppressed by him.

"Jin Yue, if your father finds out that we're together, do you think he...?" Jin Yue shouted worriedly, "You can't tell my father!"

"We're already on the same boat. Of course I'm on your side. As long as you're obedient and treat me well, I'll pluck the moon in the sky for you. If you dare to play any tricks, I'll drag you down with me. Remember, you provoked me first."

Jin Yue stared at Gu Zhou in horror.

At this moment, she was filled with regret.

She really shouldn't have brought this scumbag to the apartment.

Gu Zhou smiled darkly and was about to kiss Jin Yue. "Actually, I don't understand. Isn't Jin Xue your sister? Why do you hate her so much? How could you bear to ruin her?"

Jin Yue complained, "She's not my sister. She's an illegitimate child picked up by my dead mother."

Gu Zhou looked surprised, but he was secretly happy.

No wonder Jin Yuntian was unwilling to pay a high price of 10 million yuan to end their relationship. It turned out that Jin Xue was not his biological daughter, and he was only willing to pay 2 million yuan.

Not wanting Jin Xue was the wisest step he had taken.

As long as he held onto Jin Yue tightly, he would have a chance to make a comeback. Perhaps he could step on this pedal and soar to the sky.

If he entered the Jin Corporation, his future would be bright.

Suddenly, Gu Zhou ignored Jin Yue's struggles and kissed her.

It was dark.

Jiang Yu had returned, but he didn't see Jin Xue.

"Aunt Zhen, where's Madam?"

Aunt Zhen said truthfully, "Sir, Madam isn't back yet."

In an instant, Jiang Yu's expression darkened and his eyes turned cold.

He called Jin Xue, but she did not pick up..
