

# ● He Clings to Me Every Night

Chapter 7: You're Lying to Me!

Jin Xue had only seen the Jiang family members in the photos Aunt Zhen had shown her.

She had never understood it before, so she did not know if it was easy to get along with.

If her mother-in-law wanted to see her, so be it. Anyway, things had already come to this.

After dinner, Jin Xue looked around.

Then, she returned to the master bedroom and fell asleep again.

It wasn't until eleven o'clock that she got up and prepared to go to the hospital for work.

At this moment, she hadn't seen Jiang Yu.

They did not meet and did not interact much. Jin Xue felt that it was quite good!

...

12:30 A.M.

When Jin Xue returned to her office after checking the wards, she was surprised to see Gu Zhou standing at the door.

He looked so worried that he was frowning.

"Xue, I called you so many times, but you didn't answer. I was worried something had happened to you. I went to your house, but you weren't there."

Jin Xue ignored Gu Zhou and walked into the Thoracic Surgery Office.

Gu Zhou followed her in.

“Xue, what’s wrong? What happened?”

He could still pretend to care about her as if nothing had happened. He could even pretend to be affectionate. Jin Xue admired Gu Zhou’s hypocrisy.

She looked at Gu Zhou coldly. “Something major happened.”

Gu Zhou was stunned. He pretended to be calm and asked, “What’s the big deal?”

Jin Xue said tentatively, “I hit Jiang Yu’s Porsche 918. The repairs cost three million yuan. The car insurance I bought can only compensate for half a million yuan. I’m still short of more than two million yuan. I don’t know how I can fork out this money.”

Gu Zhou heaved a sigh of relief and sat beside Jin Xue. “Xue’er, don’t worry. Your father will help you.”

Shaking her head, Jin Xue said seriously, “My father said that he won’t help me. He wants me to marry Jiang Yu.”

Gu Zhou was silent for a moment.

He stared at Jin Xue inquisitively. “What do you think?”

“I can’t fork out more than two million yuan for repairs. I can only agree to marry Jiang Yu.”

In an instant, Gu Zhou’s face darkened. “Xue’er, it’s too much for you to make such a rash decision. If you don’t love Jiang Yu, you won’t be happy if you marry him. We said that we would be together forever. Have you forgotten? I love you. I won’t let you leave me!”

Jin Xue found Gu Zhou’s deep feelings very strange!

What he said was also very ironic!

He was really disgusting!

He didn't love her because he hadn't gotten the ten million yuan he wanted yet. He was panicking and anxious. He was just trying to think of a way to keep his golden goose.

Jin Xue sneered. "Are you sure I won't be happy if I marry Jiang Yu? Can I be happy with you? I don't have money. If my father doesn't help me, I have no other choice but to marry Jiang Yu! If you help me repay the two million yuan, I can marry you immediately!"

Gu Zhou looked surprised. "Xue'er, you weren't like this in the past. You're really superficial now!"

"Am I not superficial? Where am I going to find more than two million yuan to compensate Jiang Yu? Gu Zhou, have you ever thought about my predicament?"

Gu Zhou suppressed his anger. His face was a little cold.

He was silent for a moment, then said, "Go back and beg your father. If he won't help you, you can make a scene with him."

Jin Xue smiled and said, "I've already tried, but it didn't work. My father's heart is as hard as stone."

"Then go and beg Jiang Yu to let you off."

"He's not related to me, so why should he help me?"

"How do you know it won't work if you don't try?"

"Do you think Jiang Yu is stupid?!"

"Maybe he'll take pity on you!"

Jin Xue sneered and stared at Gu Zhou with disdain. "I'm done with you. I've already registered my marriage with Jiang Yu. Don't come looking for me in the future."

In an instant, Gu Zhou's eyes widened as he looked at Jin Xue in disbelief.

"You're lying to me!"

"It's true!"

"Xue'er, don't be angry. I'll beg Jiang Yu to let you off."
