

# ● He Clings to Me Every Night

Chapter 8: Don't Even Think About Ditching Me!

No matter how Jin Xue gazed upon Gu Zhou, an intense hatred welled up within her, engulfing her heart.

With a disdainful sneer, she uttered sarcastically, "Gu Zhou, what kind of twisted joke is this? Do you honestly think you stand a chance against Jiang Yu?"

Gu Zhou's eyes narrowed in a defiant glare as he confronted Jin Xue. "I am willing to do anything for you. I am willing to try everything."

His desperate plea fell on deaf ears, met with an unwavering resolve. "No matter what you say, it is futile. I am now Mrs. Jiang, and there is no room for us. Gu Zhou, you are neither a patient nor a doctor in our esteemed hospital. Leave the confines of the Thoracic Surgery Office immediately."

A frosty question escaped Gu Zhou's lips, his voice tinged with coldness. "Jin Xue, must you be so heartless?"

Jin Xue's gaze turned icy, a blaze of determination in her eyes. "Heartless? Am I truly heartless? When you betrayed me, treating me like a mere commodity. When shamelessly demanding 10 million yuan from my father, did you ever consider how cruel you were to me?"

Gu Zhou's eyes widened in surprise, caught off guard by Jin Xue's unwavering knowledge.

"You... You know everything?"

Jin Xue nodded. "You must be very angry now that you lost both me and your money!"

Gu Zhou immediately argued, "Your father forced me to do it. He was the one who framed me. What I said to him was out of anger. I didn't

treat you as a commodity. You will always be the person I love the most.”

“You still think I’m a fool and you think I’m gullible, don’t you? Gu Zhou, you’re really shameless! You bastard!”

“You have no right to scold me. No matter what I do, I’m doing it for you!”

“I’m very grateful to you! From now on, you don’t have to do anything for me anymore. You can go your own way, and I’ll go mine.”

“Jin Xue, we should all calm down and not hurt each other, okay? How about this? You can pretend to be with Jiang Yu first. After you divorce Jiang Yu, we’ll get back together.”

“You’re shameless. I’ve finally seen through you. Get lost!”

Gu Zhou’s eyes were dark, and the anger on his face was obvious. “Can you not be so naïve? Other than me, no one else will love you as deeply as I do.”

“Your love is very hypocritical. I only find you disgusting. Please get out immediately!”

Suppressing his anger, Gu Zhou coaxed her gently, “We can definitely continue to be together. Besides, Jiang Yu won’t know. I can understand that you married him only for money. We can also better plan our future.”

“You want Jiang Yu’s assets? Do you really think Jiang Yu is a fool?”

“Jiang Yu has so much money. It’s not too much for you to take a little. You deserve it. Let’s be careful. He won’t find out.”

Jin Xue looked at Gu Zhou in disdain. “You’re really a genius, but you’re not worthy of being a human. So, you’re very stupid!”

Gu Zhou did not take Jin Xue’s sarcasm seriously.

Only hatred could be felt when one could see that the fatty in their mouth was about to disappear!

“Jin Xue, I’ve pampered you like a princess for so long. You can’t treat me like this. Be good and listen to me. We can get a lot of benefits from Jiang Yu. We can live a happier life than before.”

“Gu Zhou, do you know who the largest shareholder of Renhe Hospital is? If you can survive under the noses of the Jiang Corporation, dream on. I heard that Jiang Yu is ruthless and doesn’t talk much. None of the prey he targets can survive!”

Jin Xue’s words were like a bucket of cold water that was poured over Gu Zhou. In an instant, he felt cold from head to toe and was completely awake.

“I only said those words out of anger.” Before leaving, Gu Zhou glared at Jin Xue fiercely. “Don’t even think about ditching me!”

Jin Xue retorted sternly, “If you continue to pester me, I’ll definitely not be polite to you!”

Gu Zhou smiled sinisterly. “If Jiang Yu knew about our relationship, do you think he would believe you?”

Jin Xue glared at Gu Zhou fiercely and said sternly, “Even if he doesn’t believe me, he’ll still kill you!”
